

The Return 261

Chapter 261

Bruce replied plainly, "Yep. They were built two years ago!"

Jennie sighed and said. "Time has passed in the blink of an eye. I miss my childhood so much.

"At that time, Bruce often came to my house to play.

"Bruce, do you remember? At that time, we played house together! It may look childish when I look back on those memories at this age. However, those

are great memories!"

Bruce smiled perfunctorily in response to Jennie.

Bruce thought, "We were kids back then. Of course, we played childish games! I was about ten years old, and Jennie was only six or seven at that time."

Jennie continued to talk about her childhood memories excitedly. "Back then, we loved to play the wedding game. You pretended to be the groom, and I was the bride!

"It looks so funny when thinking about it now! People used to say we looked like a matched couple!"

When Bruce heard this, his expression changed slightly. Then he subconsciously glanced at the rearview mirror.

As Bruce expected, Joanna's expression darkened.

Bruce thought, "Joanna is always sensitive. She won't tolerate a third person when it comes to relationships."

Noticing Bruce was silent, Jennie hurriedly stopped talking and acted as she had just realized the situation.

Jennie said, "Hey, look at me! I'm completely a chatterbox! I keep talking when thinking of those memories. Joanna, you didn't get mad about it, did you? I only take Bruce as my brother.

"Bruce always treats me as his sister. Before I went abroad to study, Bruce and my brother came to the airport to see me off. I was so touched and cried

hard for it!"

Jennie made it worse with her explanation. She made things look like there was something between Bruce and her.

Hearing Jennie's words, Joanna felt annoyed and disgusted. She pursed her lips and did not say anything.

"Joanna, are you really mad?" asked Jennie.

Jennie revealed an innocent expression on her sweet face. That face was a classic face of an angelic bitch. Jennie said, "Bruce, I didn't mean to make Joanna mad. I didn't expect Joanna to get angry so easily!"

"What should I do? Should I apologize to Joanna?"

"Joanna, I'm sorry! I didn't know my stories would offend you..." Jennie kept blaming herself and apologizing. She deliberately made it seem like Joanna was easy to get annoyed.

Joanna took a deep breath and said, "You don't have to apologize to me!"

Jennie said, "Oh, Joanna. I thought you got angry."

Joanna rolled her eyes slightly and said, with a faint smile, "No! Why should I be angry?"

Jennie said, "I knew it. Joanna looks like a magnanimous person! What I talked about are things that happened long ago. Of course, Joanna won't take it

Joanna rolled her eyes and ignored him.

Bruce strode to the desk and locked his eyes on her.

"Are you really angry?"

Joanna frowned. "Bruce, please sit over there! I feel uncomfortable when you look at me like that!"

"What's wrong? I'm your husband. Why are you afraid of me looking at you?!"

Joanna rolled her eyes and felt speechless!

Then, she buried her head in her work.

Unfortunately, in less than three minutes, Bruce shouted again, "Joanna!"

"What are you doing now?" Joanna looked up impatiently!

Bruce bent down and kissed her lightly on the cheek.

This unexpected kiss made Joanna feel as if she had been electrocuted! Her entire body trembled uncontrollably, and her heart thumped.

Sensing her reaction, the smile on Bruce's face widened.

When he was interested, he was definitely an expert at flirting! No woman could resist his teasing.

Joanna reacted and her face turned red. "Are you crazy? Sit over there, don't lean against me!"

"No, I want to be next to you!" Bruce took a deep breath and lowered his head to kiss her lips again!

"Bruce, what are you doing?"

"Joanna, I can't take it anymore..."

"Ah! What are you doing? Let go, don't be like this!" Joanna tried her best to push him away.

Unfortunately, she was entangled by Bruce. How could she push him away?

Then, Bruce bent down and picked her up from the chair. Then, he walked to the sofa beside her!

Joanna was completely panicked. "Bruce, you said you would respect me!"

"I respect you! But I love you too..."

"Ah! Let go..."

Before she could resist, he had already sealed her lips domineeringly!

Half an hour later.

Bruce stood up feeling satisfied.

Joanna was curled up on the sofa, feeling weak all over!

However, this time, Bruce was very gentle and did not devour her like a wolf like before!

Seeing Joanna's weak appearance, Bruce kissed her forehead. His voice was so gentle that it could make anyone's heart soften. "Does it hurt?"

Joanna didn't say anything. She just looked at him with dazed eyes.

When Bruce felt like it, he really knew how to pamper Joanna. He would fulfill her every wish.

"Bruce, can you not be like this in the future?"

"This is the office. It's bad for you!"

"I know, but I just can't help it!" Bruce smiled and got up to hand her clothes!

“Ouch.” Joanna couldn’t help but moan!
Her arm was also splashed with a few drops of sulfuric acid. Although the wound had been treated, it still hurt terribly.
Bruce’s heart skipped a beat. His heart ached as he checked Joanna’s injuries. “Quick, let me take a look!”
“I’m fine!”
“Kevin’s injuries are very serious! He’s still in the operating room!”
“Don’t worry, I’ll get the doctor to treat him well!”
“Okay.” Joanna was a little frightened!

“Lie down and rest!”

“Don’t worry, I’ll stay here and watch over you!”

Joanna’s heart was in a mess. She lay weakly on the hospital bed.

Bruce guarded by her side, his hawk-like eyes emitting a dense cold light.

It had only been a month since the last attack. He did not expect there to be a second wave so soon!

It seemed that Roxanne and Ingrid were determined to kill her! He did not want to kill Roxanne, but it seemed that there was no need to hold back

anymore.

Beep, beep, beep!

Bruce’s face darkened as he called the chief of police!

“I want the perpetrator of the attack on Joanna to be sentenced severely!”

“Understood!” the police chief replied in a deep voice!

He was able to become a superintendent because of the Everett family’s support. Therefore, Bruce’s words were an order.

Soon, Gavin was detained for terrorist murder!

Coupled with the pressure from Bruce, he would be put behind bars for at least 20 years.

There were many death row inmates in prison who didn’t care about their lives. It was too easy to kill a person! Gavin had offended Bruce. It was probably very difficult for him to walk out of the prison alive!

Meanwhile, at the Haynes’s house!

Roxanne lay on the sofa in boredom. She was still racking her brains to think of a way to turn the tables!

The news was being broadcasted on the television!

“Something happened today. There’s an incident of a criminal throwing sulfuric acid at the Haynes Group!

“The chairman of the Haynes Group was almost disfigured by sulfuric acid. The criminal has been arrested by the police...”

Roxanne’s heart sank when she heard this news report. She hurriedly watched the replay again!

On the television screen, Gavin was handcuffed and had his arm twisted behind his back. He was escorted into the police car by two police officers!

Chapter 264

Shaun was a little flustered and exasperated. “Hurry up and tell me the truth. What exactly did the two of you do behind my back?”

“What did I do?” Ingrid was still being stubborn!

Shaun was furious. “You’re still unwilling to tell the truth at this point! Roxy is in this state all because of you. If Roxy did anything wrong, it was also you who instigated it. I won’t forgive you for the rest of my life!”

Ingrid gasped when she heard those words. She had no time to argue with Shaun!

Roxanne was now in the police station! Her daughter had already confessed to her that Margaret's death was caused by her!

If this matter was brought up again, then Roxanne would not be just sent behind bars.

At the thought of this, Ingrid was anxious and flustered! In just one night, seven or eight blisters appeared on her mouth!

Seeing that Ingrid was silent, Shaun did not know what to do. "Say something. Why aren't you saying anything now?"

Ingrid sighed and weakly fell onto the sofa!

The development of the matter had already exceeded her expectations and control!

She just wanted to spend some money and secretly get rid of Joanna! However, she never expected that her two idiotic cousins would fail to kill Joanna!

Now, Roxanne was involved again! This matter was getting bigger and bigger. It was very likely that the mother and daughter would spend the rest of their lives in jail!

Ingrid gasped as tears streamed down her face! At this moment, she finally regretted her actions. She finally had a taste of harming others and herself!

"If nothing works, then..."

Shaun cocked his eyebrows. "So that's it?"

Ingrid wanted to say something but stopped herself. She swallowed the rest of her words!

She had not told Shaun that she had hired someone to kill Joanna!

If Shaun knew that she was the one who hired someone to kill Joanna, he would probably hate her even more!

Now, the matter had reached an irreparable state! Instead of the two of them going to jail, she might as well take all the blame!

Her daughter was still young and had a long life ahead of her. She could not spend the rest of her life in prison!

"Say something! Aren't you usually quite talkative? I won't tell you what I want you to say now!"

Ingrid paused for a few seconds and suddenly looked at Shaun. Her tone was rare and gentle. "It's all my fault!"

"Honey, I've let you down! I've let this family down too!"

Shaun was stunned when he heard this. He looked at Ingrid in surprise!

They had been married for more than 20 years, and Ingrid had always been very domineering. She was the kind of person who would not let others off easily and would make herself sound reasonable even if she wasn't.

Chapter 265

In the blink of an eye, it was the day of Ingrid’s interrogation!
In court!

Ingrid stood haggardly in the judgement seat. Her eyes were haggard, and she no longer looked as
domineering as before!

Shaun, Derick, and Ryan were all watching with grave and worried expressions!

“Ingrid, why did you hire someone to kill Joanna?”

Ingrid took a deep breath. "Humph, she deserved to die! If it weren't for her, our family wouldn't have ended up like this!"

"So, did you hire her to kill her for personal reasons?"

"Yes, as long as she's dead, our family will have a good life!" Ingrid confessed readily!

Now that things had gotten out of hand, she urgently wanted to take all the blame for her daughter. She could only confess as soon as possible and let this case be closed as soon as possible!

The judge and the juror discussed for a while and soon began to announce the verdict!

"Now for the final statement!"

"Ingrid has hired a murderer many times. The situation is very bad. According to the criminal law of Greyport, she is sentenced to 15 years of imprisonment and compensation of 78 thousand dollars for various damages to the victim...."

"Roxanne will be acquitted!"

After hearing the verdict, Ingrid finally felt relieved! No matter what, her daughter was acquitted!

"Roxy, you have to be well. I'm sorry..."

Roxanne choked and could not speak. She could only look at Ingrid miserably. "Mom, Mom!"

Shaun wiped his tears and signed the notice with trembling hands!
“The family members have agreed to the surgery. Arrange for emergency preparations for the surgery immediately!” After the doctor finished speaking, he quickly entered the operating room!
Shaun couldn’t help but burst into tears. “How could something like this happen out of the blue?”
“Cough, cough, cough...” Shaun coughed a few times and held his chest, unable to breathe!
“Dad, what’s wrong?”
“Huff...” Shaun rolled his eyes and fell to the ground!
“Dad, Dad!”
“Dad’s probably having a heart attack!”

“Doctor, come here!”

When the two nurses heard the shout, they rushed over to take a look!

“Quickly bring some medicine. The patient is having difficulty breathing. Quickly unbutton the patient’s clothes!”

The head nurse quickly performed CPR on Shaun!

A doctor also rushed over!

Soon, Shaun was also sent to the emergency room!

Ryan frowned. “Why is there so much trouble in a perfectly fine family!”

When Derick heard this, he gritted his teeth and said, “It’s all Joanna’s fault. She caused our family so much trouble!

“She caused Mom to go to jail, Roxanne to have a miscarriage, and now Dad’s illness!

“Damn her!

“I will definitely take revenge on her. I will definitely not let her have an easy time!”

“Let’s not talk about this for now. Let’s pray that Dad and Roxanne can survive the crisis!”

She did not expect her father to hate her so much!

However, she was also a victim! She had almost lost her life several times. If it weren't for her luck, she would probably be lying in the cold cemetery

She was naive again! Her father had never treated her as his daughter! And she was still naively thinking of being filial to him!

As he spoke, Shaun staggered down from the hospital bed and threw out all the things that Joanna had brought!

"Get lost! Hurry up and get lost! I don't want to see you again!"

Thud!

The last gift landed on Joanna!

Joanna was almost knocked down. She hid her tears and walked out of the ward!

In the corridor, Derick happened to come back from shopping. When he saw Joanna, he looked like a wild beast that had lost control!

He suddenly pounced forward and punched her. "Joanna, how dare you come to the hospital?"

Before he could hit Joanna, the bodyguards behind her had already rushed forward and pushed Derick away!

"I'm warning you, don't touch her!" the bodyguards warned Derick sternly!

Bruce was very worried that something would happen to Joanna. Therefore, no matter where she went, he would get his bodyguards to follow her!

Bruce's expression turned cold, and he felt vaguely uncomfortable! He could not figure out what Joanna was thinking, but he was certain that she did not want to remarry him!

Joanna had yet to notice the change in Bruce. "I'm tired. I'll go upstairs and rest first!"

"Okay!"

"Oh right, next Saturday, I happen to be free. Let's bring Lilia to Gapington! I've already made an appointment with the doctor over there!"

"Okay, I understand!" Joanna said and dragged his tired body upstairs!

At the hospital.

Roxanne woke up in a daze. It had been a week since she finished the surgery.

The doctor had not told her about the removal of her uterus, so she thought she just had a miscarriage!

"Miss Haynes, you're awake?" Seeing that she was awake, the care worker, Haylee, hurriedly went over to take care of her!

Roxanne blinked weakly. She was still in hysteria. "Mom, Mom..."

Haylee quickly brought a glass of warm water over. "Miss Haynes, have some water!"

Roxanne rolled her eyes slightly and became more awake. "Where's my mother?"

Haylee's face stiffened, and she stammered, "Madam... has already gone to prison!"

Roxanne was stunned for a moment when she heard that. After a while, she came back to her senses!

Her mother protected her and took all the blame! Thinking of how her mother was going to be imprisoned for 15 years, Roxanne couldn't help but feel a lump in his throat!

"Mom, I'm sorry..."

"Miss Haynes, don't cry. It's not good for your health! Don't be too sad! 15 years will pass very quickly. If Madam performs well, there's still a chance to

reduce her sentence..."

Before Haylee could finish, Roxanne cried even harder and struggled to sit up!

However, the moment she moved her body, the lower half of her body was in so much pain that she could not take it anymore!

She even had a drainage bag and catheter inserted into her body!

"Ouch! Why does my entire body hurt so much?"

Haylee quickly went forward to hold her down. "Miss, don't move. You're seriously injured!"

The anesthetic effect on Roxanne's body had long passed, and her wound was in extreme pain. "It hurts. Tell me quickly, what's wrong with me?"

Haylee panicked and stammered, "Miss, stop asking. Take care of yourself first!"

"Tell me now!"

As they were talking, a nurse pushed open the door and walked in!

"Ms. Haynes, it's time to change the dressing!" As she spoke, she pushed a wheeled stretcher in!

The wheeled stretcher was filled with medicine bottles and instruments. It was obvious that they were not instruments for changing the dressing for

The next day!

When Joanna was heading off to work, she had just arrived downstairs!

A bunch of entertainment reporters were already waiting downstairs at the Haynes Group!

“Miss Haynes, have you seen yesterday’s news?”

“What do you think about Miss Roxanne’s mental illness? Also, do you agree with the accusations of your father?”

Joanna’s face darkened. She did not want to answer any questions!

“Get out of the way, get out of the way!” The bodyguards went forward to disperse the entertainment reporters!

“Miss Haynes, please say something...”

“Don’t get close, get out of the way!” The bodyguard stopped them stiffly!

Joanna hurriedly walked towards the company and entered the company’s elevator in a sorry state!

In the conference room!

The higher-ups of the Haynes Group had already arrived. Mr. Roger and Mr. Paul had also arrived early.

“Prepare for the meeting!”

Mr. Roger sighed and said with a serious expression, “Miss Haynes, there are a bunch of entertainment reporters surrounding the company every day! They have been coming to the company every day for the past few days! This has seriously affected the company’s order!”

“I know. I’ll get someone to deal with it!”

Mr. Paul also frowned. “This matter is very serious. Miss Haynes, why don’t you lay low?”

“That’s right! The company’s stock price has fallen drastically these few days. It’s been falling to the limit for a few days! At this rate, our the Haynes Group’s stock market is about to collapse!”

“Miss Roxanne and Mr. Everett’s matter has also caused a huge commotion! Why don’t we quickly lower these negative news! The Haynes Group will suffer a huge loss!”

When Joanna heard this, her brows furrowed tightly. “I understand!”

“Let’s have the meeting first! We’ll mainly talk about three questions today! First, the company’s image package. Second, the company’s online delivery problem...”

Just as Joanna was speaking, the phone started vibrating!

Joanna glanced at it. The call was from Michael!

“I’m sorry I have to take this call first! Cora, explain the contents of the meeting to everyone first!”

“Okay!” Cora took over the content of the meeting and continued to talk!

Joanna took her phone and left conference room!

Usually, she would not answer the phone during a meeting! However, Michael called her so early in the morning. Something must have happened at the factory in Mossbourne again!

Hello, Michael! What’s the matter?”

Michael’s anxious voice came from the other end of the phone. “Miss Haynes, when are you free to come to the factory in

Mossbourne?”

“What happened?”

“All the cooperating businesses have canceled their orders. The Industry and Commerce Bureau and the Fire Department. have also come to inspect one after another! They said that our factory’s fire prevention is not up to standard and that we have to stop operations to rectify it!”

“How could this be? What’s going on?”

Michael said dejectedly. “The partners are saying that our the Haynes Group’s reputation has been damaged, so we’ll temporarily terminate the cooperation!”

“Also, many workers have gone on strike!”

When Joanna heard this, she felt disgusted in her heart. She really did not like Bruce’s superiority!

“Bruce, can you stop saying such things in the future? I don’t like to hear such words!

“I hope that we are equals. Please respect me in the future and don’t put on such a high and mighty attitude!”

Bruce choked. “Alright, alright, alright. My bad!

“I respect you. I’ll listen to you. Is that okay?”

“Since you listen to me, please sleep in the next room!”

When Bruce heard this, his hawk-like eyes turned cold. “Joanna, I can’t listen to you on this matter!

“We need to cultivate our relationship again. If you keep resisting me like this, how are we going to cultivate our relationship?”

“Bruce, what do you want?” Joanna was frustrated. She really did not have the energy to deal with him now.

She did not want to have any physical contact with him. At least, she was really not in the mood now!

Seeing that Joanna was so against him, Bruce felt extremely uncomfortable!

This was the first time he was humble to a woman, and no one had ever resisted his goodwill like this!

“I don’t want anything! Why are you so agitated?”

Joanna took a deep breath. “I don’t want to talk to you so much now. My heart is in a mess and I need peace!”

“Could you please get out of here!”

Suddenly, Bruce’s temper was ignited, and his tone was filled with anger. “Joanna, my patience is limited!”

After saying that, Bruce looked at Joanna gloomily!

He had never been a good-tempered man. Since he was young, everyone had listened to him, but no one had ever dared to give him face like this!

Joanna choked on her anger and shrugged her arms helplessly. “Alright! Since you want to sleep here, I’ll go out!”

Joanna turned around and walked out of the room!

This action completely angered Bruce. Joanna, stop right there!”

Joanna ignored him and walked out of the room!

Bruce was completely enraged. He suddenly lifted the blanket and got off the bed! He caught up to Joanna in a few steps, grabbed her wrist, and pushed her back to the bed.

“Ah-” He was too strong. Joanna fell back onto the bed!

Then, Bruce leaned over and pressed down on the bed!

“Bruce, what are you doing? Let go!” Joanna panicked and struggled to resist!

Bruce pinned her arm firmly and frowned. “Joanna, do you have to make me so angry?”

Joanna’s tone softened a little. “I already said that I’m not in a good mood now!”
