

## The Return 291

### Chapter 291

Joanna had just walked out of the hospital.

Unexpectedly, a large group of entertainment reporters had chased them here. “Ms. Haynes, may I ask how your father is?”

“Ms. Haynes, is your father mentally unstable? Or is this the Haynes Group’s special marketing method?”

“Ms. Haynes, how are you feeling right now?”

“Will the trade fair be held again?”

“Is your father doing this on purpose to attract attention?”

Cora tried her best to block the camera in front of Joanna. “Move aside, everyone. Miss Haynes does not give interviews...”

Joanna and Cora finally managed to escape from the relentless pursuit of the entertainment reporters.

Then the night came

Shaun’s commotion at the trade fair instantly exploded on the Internet.

In the past, the popularity of Joanna was only relatively high at Greypoint. This time, because the trade fair was held at Mossbourne, there were a large number of reporters from Mossbourne

This time, the entire country was alarmed, and it caused a huge uproar online.

Then Joanna returned to Greypoint

She did not dare to show her face at all. And she stayed at home for two whole days.

“Miss Haynes, things have been getting out of hand recently. I think it’s better to hire some influencers to write clarification articles.”

“That’s right. It’s completely unexpected. Why did Mr. Haynes do something like this?”

“Has he even considered the consequences for the Haynes Group by doing this?”

Joanna’s expression was as cold as ice. She was extremely depressed.

Shaun was prepared to go all out to destroy Joanna

“Inform the reporters that I want to attend the press conference,” Joanna said

After hearing that, Cora was stunned. “Miss Haynes, at this time, let’s just hide.”

Then Joanna replied, “No. The more urgent the situation is, the more I want to clarify everything.

“I can’t take it anymore. I want to announce to the media that I’m severing the father–daughter relationship with Shaun.” Joanna decided that she couldn’t give in anymore.

In the past, Shaun held a press conference and announced that he would cut ties with her. Now, she was the one who wanted to cut

ties with her father.

She was already prepared to present the whole truth of the matter to the media.

She could not bear this blame anymore.

And she wasn't willing to swallow her anger anymore. If she couldn't shake off this blame, it would crush her completely.

In any case, she was already deserted by everyone and had become a pariah that everyone wanted to attack. There was nothing left – for her to lose anymore.

At the same time, Bruce was at the Everett Group.

Bruce had naturally heard about such a huge incident on the Internet.

After Andy brewed a cup of coffee for Bruce, he said with a serious and careful expression, "Mr. Everett, there's been another issue with Miss Haynes

What Mrs. Maxwell said caused a sensation in the room.

The reporters present were even more dumbfounded. They could not believe it.

Today, Joanna specially brought Mrs. Maxwell to the media. She had been backed into a corner with no way out.

She decided to go all out. Instead of hiding it, she might as well take the initiative to clarify everything.

"Mrs. Maxwell, did Mrs. Haynes really instigate this matter? You'll have to bear legal responsibility for what you said."

"That's right. If Mrs. Haynes does this, isn't it equivalent to shooting herself in the foot?"

Mrs. Maxwell glanced at Joanna and then looked at the media solemnly.

Then she said, "That day, Mrs. Haynes originally found a few paparazzi to secretly take photos, wanting to completely ruin Miss Joanna's reputation. So, she sent the servants away and asked me to send the unconscious Miss Joanna to Mr. Everett's room.

"However, there was an accident that night. Mr. Everett was originally very drunk, but he woke up for some reason. He mistook Miss Joanna for Miss Roxanne.

"After that, Mr. Raymond and Mrs. Margaret were very angry and forced Mr. Bruce to marry Miss Joanna."

"Everything I said today is true. I'm not lying at all. I'm also willing to take legal responsibility for my words and actions."

Mrs. Maxwell was originally Ingrid's confidant. But ever since that incident was ruined, she was fired by Ingrid and kicked out of the Haynes' house.

Then Mrs. Maxwell lost her job. Coincidentally, her son was seriously ill. But she did not have the money to treat her son. And she was out of options. In the end, her son died in the hospital.

Joanna sat in the office feeling a little dejected.

She did not know the consequences of her actions. She might not be able to recover and probably would  
lose everything.

Bang! Bang! Bang! There was a knock on the door.

Joanna was lost in her thoughts when she was startled by it. "Please come in."

Cora walked in with a serious expression. "Miss Haynes, the Internet is in an uproar now. It's all about  
the Haynes Group's news!

"But we've already found influencers to protect our reputation!"

"I got it!" Joanna replied.

As Cora spoke, a smile appeared on her face. "Miss Haynes, don't worry too much. The people in  
Greyport and Mossbourne seem to have different points of concern."

Joanna was stunned. "What's different?"

Cora said, "In Greyport, all of the people attacked you, Miss Haynes. The masses already have a bad  
impression of you.

"But in Mossbourne, although there are also people who attack you, most of them support you!"

"Is that so?" Joanna found it a little unbelievable.

She was already afraid of being criticized. She felt that it was impossible for her to have supporters.

The reason why she held the press conference was because she wanted to clarify the facts and did not  
want to take the blame..

Cora clicked on a few posts and showed them to Joanna. "Yes! Miss Haynes, look at this post and these

The equally outstanding appearance of Bruce caught the attention of Princess Martha. Bruce was originally of mixed race, with a handsome and profound countenance. He had a robust and muscular physique, comparable to that of a male model. Especially when dressed in a suit, he exuded charm and confidence.

When a man like him stood amidst the crowd, he would immediately become the center of attention.

Princess Daisy and Princess Martha nodded to the onlookers in a friendly manner. Under the protection of security personnel, they gracefully walked toward the hotel.

A brand–new red carpet extended from the entrance to the reception hall. Both sides of the grand hall were already filled with celebrities from various fields.

Everyone had come to witness the charm of the foreign royal family members, so the welcoming ceremony became a symbol of the status of political figures.

Several notable politicians and celebrities from Greypport shook hands and exchanged greetings with Princess Daisy.

Princess Martha, not being the focus, didn't have to deal with these formalities.

After the welcome ceremony, it was time for lunch.

Princess Daisy and Princess Martha, accompanied by several dignitaries, went to the restaurant together.

Bruce had to accompany them as well.

During the meal break, Princess Martha spoke up.

“Can you give me your phone number?” Princess Martha took the opportunity to discreetly ask Bruce in Antlenish.

“Of course,” Bruce responded in Antlenish.

Then, Bruce took out a pen, wrote his phone number, and handed it to Princess Martha.

Princess Martha took the note and teasingly blinked at Bruce. “I will get in touch with you!”

“I'll be waiting.”

Princess Martha smiled slightly and entered her room.

Although not many people witnessed this scene, Jennie had been following behind Bruce all along, and she saw it as well.

Jennie's face darkened. She felt a vague sense of uneasiness in her heart.

Hearing this, Joanna stopped being stubborn and asked with concern, "Alright! How's your recovery?"

"I am recovering quite well. It's just that..." Jaydon deliberately paused.

Joanna's heart tightened, thinking that he was not recovering well. "What's wrong?"

"It's just that I miss you a lot."

Hearing that, Joanna heaved a sigh of relief. "I'll definitely visit you after I'm done with my work."

"Joann, don't put too much pressure on yourself."

"Yes, yes, I understand."

After hanging up, a trace of melancholy and worry appeared on Jaydon's handsome face.

He was really worried about Joanna.

Now, she was like standing on the cusp of the storm, receiving a thunderous baptism.

It was very likely that she would suffer a great setback! Of course, it was also possible that she would turn the table and make a comeback in the business world.

However, the probability of success was too low.

Jaydon was feeling melancholic when the door was pushed open.

Carmel walked in.

When she saw Jaydon frowning and holding his phone, she immediately guessed that he had just called Joanna.

"Mr. Grimm, did you call Ms. Haynes?"

When Jaydon heard this, his frown deepened. "What's wrong? Is there a problem?"

Carmel's charming face darkened, and her tone was a little jealous. "No, I just think that it's better for you to keep a distance from her, Mr. Grimm!

"A woman like her can't even tolerate her biological father. From this, it can be seen that she's not a good person..."

Carmel really wanted to be Jaydon's girlfriend.

However, it was a pity that being too eager for success often backfired.

Jaydon was very unhappy. "I think you should go back now and not come to the hospital again."

When Carmel heard this, her expression instantly froze. "Mr. Grimm, are you chasing me away?"

Jaydon suppressed his emotions. "I'm not chasing you away. I just don't need you to take care of me here!"

"Aren't you going to stay up late to work again?"

Joanna frowned slightly. "It's okay. I'll take a day off on Sunday. I'll go see the children in the morning and see Jay in the afternoon.

"I'll finish my work in the next two days."

Cora sighed. "Miss Haynes, your body won't be able to take it if you keep working like this. You have to pay attention to balancing work and rest. Don't work so hard."

Joanna smiled. "Hurry up and go!"

"Fine!"

Cora did not dare to say anything else and could only go out to print the documents.

She was very worried about Joanna.

Miss Haynes did not care about her health once she started working. She worked overtime every day. It was not something that ordinary people could withstand.

In particular, she had to bear both mental and physical pressure.

The next day!

Beep, beep, beep!

Joanna called Bruce.

Tomorrow was Sunday. She had to make an appointment to see the children.

After she made a few calls, Bruce finally picked up lazily.

"Hey, speak!" His tone was extremely cold and his words were extremely simple.

"Bruce, tomorrow's Sunday. I'll see the kids."

Bruce sneered and said in a mocking tone, "Humph, you're a busy person. Do you still have the time to see

the children?"

Joanna took a deep breath and did not want to argue with him. "Tomorrow morning at ten o'clock, get the driver to send the children over!"

"Alright!"

"It's the same old place, the entrance to Century Plaza. You can stay with them for an hour."

Joanna gritted her teeth and wanted to argue with him.

After some thought, she suppressed her anger. "I see!"

Before she could finish her words, Bruce hung up.

"Joanna, let's see how long you can hold on.

After confirming that it was Bruce who hit her, Joanna was even more afraid to stop the car.

She put in the forward gear again and drove straight ahead.

Seeing this, Bruce gritted his teeth in anger. He stepped on the accelerator and accelerated past Joanna.

Immediately afterward, with drift, the car stopped in front of Joanna.

“Ah!” Joanna screamed and quickly stepped on the brakes.

Fortunately, the brakes worked well. The car braked in time. Otherwise, she would have hit Bruce’s car.

After Bruce forced Joanna to stop, he suddenly turned the car around and crashed into the front of her car like a dodgem car.

“Bang, bang, bang!”

Bruce kept moving forward, backing up, and then crashing into the head of her car.

The rear and front bumper of Joanna’s car were dented, and the headlights were shattered.

Joanna sat in the car. It was as if she was sitting in a bumper car. Her body shook with inertia.

Even the egg tarts on the passenger seat were shattered.

Creak! Joanna pushed open the door recklessly and got out of the car angrily.

“Bruce, kill me if you dare.”

Seeing Joanna get out of the car, Bruce pursed his thin lips and stopped hitting her car.

“Bang, bang, bang!” Joanna walked in front of his car and knocked hard on his car window!

“Bruce, what are you doing? What’s wrong with you? Are you crazy?”

Joanna was about to go crazy from anger. Her eyes were as red as blood and her entire body was trembling from anger.

The car window rolled down.

Bruce raised his eyebrows and looked at Joanna provocatively. “Yes! I’m crazy! What’s wrong? Do you have a way to stop me?”

Joanna gritted her teeth in anger. “You bastard, get out of the car.”

Joanna cursed and opened the car door angrily. She grabbed Bruce’s collar and pulled him out.

This damned bastard was too hateful and despicable.

If killing someone wasn’t illegal, she wouldn’t be able to vent her hatred even if she killed him 100 times.

Bruce looked down at her, his eyes filled with provocation and playfulness.

He looked at Joanna’s furious expression.

He felt extremely comfortable and accomplished.

What a damn woman. Since she dared to make him unhappy, he would make her much unhappier.

Joanna looked up and glared at Bruce. "What on earth do you want? How did I offend you to make you hate me so much?"

He was too tall, so she had to raise her head when arguing with him and looked less aggressive.

Bruce smiled evilly. "Nothing. I'm happy to do so!

"I'm not your slave, and you're not my master. You have no right to ask me to do anything, and I will never do what you say.

"It's my freedom to make friends with anyone. What right do you have to control me?" Joanna was completely furious!

Bruce paused and stared at Joanna.

Indeed, he had no right to control her freedom, and she was not his slave.

However, he just couldn't stand the ambiguous relationship between her and Jaydon!

He was going to do whatever it took to make them break up.

Since he couldn't capture her heart, he could sleep with her.

Bruce kissed her lips all of a sudden.

Breathing heavily, Joanna's pupils constricted. "Mm... Let go..."

Bruce laid the back seat flat and kissed her lips domineeringly.

He loved her.

His request was also very simple! He wanted her to love him wholeheartedly and completely break up with Jaydon.

Then, he would love her wholeheartedly and never pay attention to other women in his life.

Unfortunately, why didn't she understand his heart? She had challenged his bottom line time and time again.

Joanna pushed his shoulder desperately. "Bruce, let go..."

Rip!

Her shirt was torn...

Outside the car.

Andy, Kody, and a few bodyguards were waiting silently.

Although they could not see what was going on in the car, they could guess what would happen.

“Oh my god, didn’t Mr. Everett already break up with Miss Haynes? Why are they together again?”

Kody shrugged. “How would I know? Mr. Everett’s thoughts are too hard to guess. No one can guess what Mr. Everett is thinking.”

Andy frowned and pondered. “Do you think they’ve gotten back together?”

“That’s hard to say! Mr. Everett changes his mind faster than flipping a book. Even if he gets back together with Miss Haynes, it’s nothing surprising!”

“Alas, I really didn’t expect Mr. Everett would get back with his ex–wife! Perhaps Mr. Everett can’t live without Miss Haynes for the rest of his life...”

It was so torrid in the car.

An hour later, Bruce finally stopped!

Joanna was about to fall apart. She was nestled in the backseat and did not even have the strength to put on

Chapter 299

Joanna frowned. She really had nothing to say to Bruce.

Love or not, it didn't seem to matter anymore!

Bruce shook her arms. "Answer me!

"No" Joanna thought for a few seconds and gave a firm answer.

When Bruce heard this, his breathing instantly stopped, and his heart seemed to fall into an ice cave. "I  
don't believe it!"

Joanna's pupils moved slightly as she looked at Bruce solemnly. "It doesn't matter if you believe me or  
not. We've broken up. It's impossible for love

to exist anymore.

\*Bruce, you're an amazing man. When it comes to relationships, I hope you can be as mature as you are  
when it comes to your career,"

Bruce stared into Joanna's eyes as if he wanted to see the truth in her eyes.

Joanna pushed him away and began to put on her clothes.

Her expression was very calm. She did not cry or feel sad. It was as if she did not have any emotions  
about what had just happened.

This made Bruce even more disappointed. He pinned her arms on the car seat again and was unwilling  
to give up. "Joanna, I'll ask you one last time. Do you really want to choose Jaydon?"

Joanna did not resist or struggle. She allowed him to do whatever he wanted. She looked into Bruce's  
eyes calmly and coldly.

“Bruce, it’s really over!”

“It’s easy for a man like you to have any woman you want. There’s no need to waste your time on me. I don’t want to love you anymore..

“I hope we can part on good terms. We won’t disturb each other. We wish each other well.”

Bruce took a deep breath. His pride was hurt. “Are you serious?”

“I’m serious!

“I want to live a new life now. If you really have a trace of love for me, please let me go.” After Joanna finished speaking, her heart completely calmed

down.

It was time to say goodbye to Bruce!

“Humph!” Bruce could not help but sneer.

This feeling of defeat made his heart feel like it was being cut by a knife!

Joanna sighed and said sadly, “Bruce, I hope you can start a new life too.

Joanna smiled and asked curiously, "What are you thinking about?"

Jaydon's eyes became blurry as he said with a melancholic expression, "I'm thinking, if there's only one day left in my life, who would I want to stay with?"

Joanna was stunned!

"I've thought about it seriously. If there's only one day left in my life, I hope that the person by my side is you!"

Joanna's eyes darkened when she heard that. "Jay..."

She had already guessed what he was going to say!

Seeing her resistance, Jaydon quickly took the initiative. "Joann, you don't have to say it first. I know what you want to say!

"Can you hear me out?"

Joanna's eyes flashed and she frowned.

"Go ahead!"

Jaydon could not help but hold Joanna's hand. "At the moment of the car accident, I only thought of you!

"If I die tomorrow, what regrets do I have in this life?"

"That's probably..."

Joanna could not bear to listen anymore. "Jay, stop talking!"

How deep were Jaydon's feelings for her? It wasn't that she didn't know!

However, in her heart, whether it was Bruce or Jaydon, they were not the best partners!

Moreover, she did not want to get married again, nor did she yearn for love. To be honest, she had not completely let go of Bruce in her heart. If she agreed to Jaydon's courtship, it would be unfair to him.

Jaydon was a very good man. She felt that she was no longer worthy of him. At the same time, Jaydon was an amorous playboy. Compared to Bruce, he was probably more popular with women.

Joanna thought that she did not have the charm to make Jaydon give up other women for her..

Therefore, she only wanted to be friends with him for the rest of her life.

Jaydon held her hand tightly and said with deep affection and sincerity, "Joann, are you really not going to give me a chance?"

Joanna panicked and subconsciously retracted her hand. "Jay, can you not talk about this?"

A hint of disappointment appeared in Jaydon's eyes as he probed, "Joann, tell me the truth. Have you always loved Bruce?"

"If you still love him and can't leave him, please tell me the truth! I definitely won't pester you anymore."

Joanna was even more flustered when she heard that. "No!"

"Jay, I... I don't want to fall in love anymore, nor do I want to accept anyone's feelings!"

"Then what's the reason? Why do you always resist me?"

Joanna's eyes flashed uneasily. "The pain in my heart hasn't healed! I don't want to be in love anymore.
