

The Return 81

Chapter 81

Ingrid smiled and patted her daughter's shoulder comfortingly. "Everything's fine. There's nothing to worry about!

"Everything will be fine once you're married.

No matter what, you'll marry into the Everett family and become Mrs. Everett! Then the Haynes family can be proud!

"We can't afford to mess things up this time! We have to endure everything. Don't make a scene before Bruce!"

Roxanne nodded and answered, "I understand!"

"Then hurry up and get packing! We have to prepare and go over to the Everett mansion tomorrow. Go to bed early today!"

"Okay, then I'll go back to my room!"

"Go! Sleep early! Don't forget to apply a facial mask to hydrate your skin!"

"Got it, Mom!" Roxanne answered impatiently and went upstairs.

After returning to her room, Roxanne eagerly took out another phone.

Gavin had sent her many messages and was asking to meet her again.

But the wedding was imminent, so Roxanne dared not meet Gavin.

If Bruce found out, she and the Haynes family would be finished!

Roxanne was staring at her phone, dazed, when it suddenly vibrated.

Gavin's message popped up. [Roxy, I miss you!]

Roxanne hesitated briefly before replying. [We can't meet again. Let's not contact each other for the time being!]

Another message from Gavin came in less than a minute later.

[Roxy, don't you miss me?]

[If you're afraid of being seen, you can come to my house! I'll pick you up!]

Roxanne stared at the message on her phone and could not help but feel her body burn up.

Joanna looked at the time. It was one in the afternoon.

There was just enough time for the children to play in the park for two to three hours.

It had been long since she had gone out to play with the children. Joanna decided to take the children out for a trip as she happened to be free today.

"Alright then, go and change your clothes!"

"Yay! We're going to Ocean Park!" Davian and Irvin happily ran to change their clothes.

Joanna also carried Lilia and changed her into a beautiful dress and sunhat.

Lilia was delighted. She had not gone out for a long time because of her health.

After dressing up, Lilia sat on the wheeled stretcher. Her rosy face and big blinking eyes made her look as beautiful as at princess.

Besides being unable to stand, she was no different from a normal child..

"Let's go!"

The family set out, with Tracy pushing Lilia and Joanna holding Davian and Irvin's hands.

Under the wheeled stretcher were the children's water bottles and some snacks.

As there was no room in the car, Joanna only brought one helper, Tracy.

Half an hour later, Joanna's car arrived at Ocean Park.

The three children were incredibly excited.

Especially excited was Irvin, who would run in front from time to time to lead the way.

Davian had a quieter personality and exuded a matureness that did not match his age.

"Wow, there's a dolphin performance here!" Irvin shouted excitedly.

Ingrid's face darkened. Her eyes scanned Joanna up and down, and her face was filled with mockery.

"So they're the ones who booked the aquarium? Is this what you meant when you said it was under repair?" Joanna raised her eyebrows slightly and looked at the staff.

Irvin tugged at Joanna's hand. "Mommy, can we go in now?"

"Sir, others can enter, so why can't we?"

"My sister really wants to go in and take a look!"

"Well..." The staff member turned and looked toward Ingrid inquiringly.

Ocean Park was not private property.

Booking the entire venue was prohibited. But it had been booked for a wedding photoshoot.

Only the Everett family was powerful enough to do so in Greypoint. Roxanne had yet to marry into the Everett family, but people already regarded her as Mrs. Everett.

"Can we enter now?" Joanna asked.

The staff ignored her.

He turned to look at Ingrid and Roxanne. "Mrs. Haynes, Miss Roxanne, are you done with your wedding photoshoot?"

Ingrid glanced at Joanna and sneered. "Not yet! Just wait!"

Joanna was choked with anger.

Chapter 84

Flustered and exasperated, Ingrid reached out and tried to retaliate.

The expression on Joanna's face was cold. Without waiting for Ingrid to retaliate, Joanna raised her hand and slapped Ingrid hard again.

Although Joanna was delicate, she had also taken the time to practice female self-defense over the years.

While her attacks were not lethal, they were more than enough to deal with someone like Ingrid.

Roxanne's pretty face was filled with fury. She hurriedly went forward to help Ingrid. "How could you hit Mom again?"

Ingrid was even more indignant after suffering another slap. She screamed angrily and charged forward to fight Joanna again.

However, Joanna grabbed Ingrid's arms, kicked her hard behind the knees, and pressed her to the ground.

"I'll beat you up every time I see you if you dare call my daughter a cripple again!"

As Roxanne was wearing a wedding dress, it was inconvenient for her to interfere, and she could only stand aside and shout, "Stop fighting!"

The assistants also hurriedly went forward to stop the fight.

The scene was still raucous when more than ten men dressed in black rushed over from afar.

"Mr. Everett is here! Mr. Everett is here!"

Joanna stopped her actions.

Bruce also happened to stop before her.

Bruce could not help but frown when he saw the farce before him. "What is going on?"

"Bruce!" Roxanne immediately cried and ran forward to grab Bruce's arm.

"Bruce, Joanna hit my mom!"

A hint of surprise appeared on Bruce's face when he heard this. "What happened?"

Joanna let go of Ingrid and stood up angrily.

Ingrid was disadvantaged and became even more unyielding when she saw that Bruce had arrived.

"Joanna, you little bitch! How dare you hit me? You've gone overboard! I'll tell your father and make sure he severs his father-daughter relationship with you!"

"Do as you please!" Joanna answered coldly.

"Alright, just wait! What a shameless bitch! You're the Haynes family's jinx!"

Joanna raised her eyebrows slightly. "I'll beat you up again if you say another word!"

"Bruce, quickly persuade Joanna to stop!"

Bruce looked at Joanna coldly. The expression on his face was extremely dark.

Chapter 85

Joanna returned to Greypoint after sending Davian and Irvin to kindergarten. She had yet to arrive home when her phone.

rang..

Joanna took out her phone and saw that it was Shaun calling.

Joanna hesitated. She didn't want to answer his call.

Since she had beaten Ingrid up yesterday, her father must be calling to reprimand her.

But the phone would keep ringing if she did not pick up the call.

Joanna picked up the call reluctantly, "Hello, Dad."

Shaun's dull voice sounded from the other end of the phone. "Joann."

"What's the matter, Dad?"

Shaun paused briefly before directly asking. "Well, I heard you and Ingrid had an unhappy incident yesterday?"

After Ingrid returned home yesterday, she threw a tantrum at Shaun and pushed him to sever his father-daughter relationship with Joanna.

Shaun was stuck in a dilemma.

Frowning slightly, Joanna answered with a not-very-polite tone. "Why? Are you calling to reprimand me?"

"Sigh, your personality is becoming increasingly like your mother's. You're becoming more and more brusque and unreasonable!

"Things wouldn't have ended up in this state if you could just listen to others' advice..."

Joanna interrupted Shaun before he could finish. "Dad, is there anything else? If there's nothing else, I'll hang up first. I still have work to deal with later!"

Shaun pondered for a few seconds and quickly asked, "Mr. Everett and Roxy are getting engaged on the sixth of next month. Are you coming?"

Joanna paused for a moment before rejecting him. "I don't think there's a need for that, right? My presence at such an occasion will only dampen everyone's mood."

Shaun felt slightly relieved when he heard Joanna's rejection.

He was not sincere about inviting Joanna but was afraid she would cause trouble at the engagement party otherwise.

"Alright then! I won't force you in that case."

"You and Roxy are both my daughters, after all. I hope you will both find happiness with a good man.

"I don't want what happened six years ago to happen again!"

Joanna smiled wistfully. "Don't worry, Dad. I won't be at the scene, let alone cause trouble."

"Yes, yes. Mr. Grimm is a good man too. I have a good impression of him. Bring him back for a meal sometime when you

are free!"

Joanna tried her best to raise her spirits and speak calmly. "I don't think there's a need for that, Dad. You don't have to ask about my personal matters in the future."

She was not blind to reality and knew Shaun's care for her was not genuine.

She had also yearned for her father's love and care in the past. But all her fantasies had been shattered now.

Joanna, why are you becoming more and more rebellious? I remember that you used to be a very obedient child!

“Congratulations!”

Welcome, thank you for coming!” Ingrid couldn’t stop smiling.

The venue was filled with laughter.

Though Bruce was not very happy, he was still wearing a polite smile on his face in the face of so many guests.

Roxanne was wearing a white fishtail dress today. This was a dress designed by one of the most high-end designers in Paris and she looked elegant and graceful in it.

She was wearing a crown encrusted with diamonds on her head, and on her neck and wrists was matching top-notch jewelry. The big diamond on her finger was dazzling.

She looked like she was covered in jewels and she was both glowing and stunning.

At this moment, Roxanne was happily snuggling up to Bruce.

On the huge autograph wall, all the celebrities from all walks of life had left their signatures.

Below the stage, some girls got really jealous and could not help but gossip.

“Do you think Miss Haynes will come today?”

A girl in a black gown snorted. “How is that possible?”

“No one will welcome her on such an occasion.”

“Six years ago, she schemed and forcefully separated Mr. Everett and Miss Roxanne. How can she still have the courage to come here now?”

Another girl in a red dress chimed in sarcastically, “You’re right. How shameless would she be if she really does such a thing?”

“What’s so strange about that? Who wouldn’t miss a golden bachelor like Mr. Everett? As long as there’s a chance, no one will give up.”

“However, Miss Roxanne and Mr. Everett are true love! Even if someone forcefully tries to break them up, they won’t get their way!”

“Shh, this is their engagement banquet. Let’s not talk about this! If the host family hears this, it’ll be very rude.”

“Let’s drink!”

Today, they were having a buffet.

Of course, the dishes were of the highest quality.

How much they wanna eat, how much they wanna drink, and what they wanna eat were all up to the guests.

Today happened to be the weekend.

Davian and Irvin had also returned to Greyport.

In the room.

Irvin looked curiously at Davian.

Davian had a serious expression on his face. He was focused on the computer and he was working on the keyboard.

“Davian, how do you plan to mess with Bruce?”

Davian’s cold face tensed up. “I’ve been searching for news online recently.

“Everyone said online that mommy tried to seduce Bruce.

I’ve checked a lot of news in the past. I don’t believe that mommy would do such a thing. Mommy must have been wronged.

Today, I’m going to clear mommy’s name in public.”

After Davian finished speaking in his childish voice, a hint of maturity that did not match his age appeared on his face.

Irvin tilted his head and looked at his brother. “Davian, what do you plan to do?”

Davian quickly found a video from the document. “This is the video of the engagement party of Bruce and that wicked woman six years ago.

“Although the surveillance video at that time was destroyed, I used technical means to repair the complete surveillance video.

“Now, I’m going to play this edited video at the wedding banquet. As long as everyone watches this video, they will know that mommy did not do that.”

When Irvin heard this, he looked at his brother with admiration. “Wow, Davian, you’re really amazing!”

Shaun, Roxanne, Ingrid and the others returned to the Haynes's house frustratedly.

Along the way, Roxanne kept crying.

After returning home, she ran upstairs and locked the door.

Ingrid was furious. "Look at your daughter. She failed again!"

Shaun frowned and could not help but sigh.

Ingrid was even more upset when she saw his cowardly look. "No matter what, I want you to hold a press conference immediately and announce that you're severing your father-daughter relationship with her!"

"She destroyed Roxy's engagement banquet six years ago. Now, she's trying to ruin it again!"

"Roxy's whole life is ruined by her!"

Shaun looked at Ingrid with a frown. "From the video, Joann was also set up six years ago.

"I don't think she did it on purpose. Now it seems that it's better to find the person who set her up first."

"She might've made up the whole story.

"Six years ago, she might have planned it herself. No matter what, it was because of her that the marriage between Mr. Everett and Roxy was delayed again and again.

"This time, if Roxy's marriage is ruined, I won't let her off!"

Derick and Ryan were also mad. "If Roxy's marriage is ruined, we'll come after Joanna right now!"

"Don't meddle. You're still in school and the only thing you should concern is your study."

Derick gritted his teeth in anger. "How can I still be in the mood to study?"

"You promised me that you would buy me a new sports car after Roxy gets married! Now that this thing has happened, can I still get a new sports car?"

"Keep dreaming! If your sister's marriage is ruined, you won't even get a bicycle, let alone a sports car!"

"Exactly!"

The whole family was anxious about what happened. They wished they could find Joanna and made her pay for this right

Irvin stammered and looked at Joanna carefully. "Mommy, we didn't..."

When she saw Irvin's reaction, Joanna's heart skipped a beat. It seemed that these two had really touched her computer.

"Mommy doesn't like dishonest children. Tell me the truth!"

The boys did not dare to hide it and said in their childish voices, "We did use the computer."

When Joanna heard this, she felt a chill run down her spine. She looked at her two sons in disbelief. "So you really did the sabotage at Mr. Everett's engagement banquet, didn't you?"

The boys looked at each other and did not dare to speak.

"I'm asking you, did you do it?"

".... Yes, we did it."

“Why did you do that?” Joanna raised her voice.

Irvin was so scared that he started crying.

“Mommy, don’t be mad at us!”

Davian made up his mind and raised his little face. “Mommy, it’s not Irvin’s fault. I did it! I’m the one you should punish!”

When Joanna heard this, she gasped as her eyes darkened. “Why did you do this?”

After saying that, Joanna could not help but glare at Davian.

She was furious and she had never got so mad at him like this.

Six years ago, when Bruce and Roxanne’s wedding was ruined, everyone thought Joanna was responsible and said bad things. about her for six years.

Now, her sons were causing trouble at Bruce and Roxanne’s wedding banquet in this way. People would probably say that she was the one who did this again.

This time, she could not clear her name no matter what she did now.

Joanna couldn’t contain herself anymore and scolded Davian again. She was so angry that tears were streaming down her

face.

Davian was very stubborn and he did not explain or cry.

He just stood there and let Joanna talk.

“Say something. Why are you doing this? Who taught you to do this?”

“Mommy, don’t be so mad at Davian!

“We...We just want to clear your name, Mommy!”

Joanna was stunned and became speechless.

The two of them were furious and looked like they were at the edge of fighting each other.

"Stop arguing. Calm down, you both..."

Seeing that they were about to fight, Joanna panicked completely.

Beep.

At this moment, Bruce's phone rang.

Bruce took a look. It was a call from the butler, Henry.

Henry had always been a sedate guy and wouldn't call him easily unless it was an emergency.

Bruce frowned and answered the call.

"Hello, Mr. Everett. Your grandmother is in the hospital. Please come over quickly!"

"What happened to Grandma?"

"She has a sudden cerebral infarction. Come as fast as you can!"

"Okay, I'll be right there!" After hanging up, Bruce panicked.

He didn't have the time to deal with Joanna anymore and went to the hospital hurriedly.

After Bruce left, Jaydon sighed with relief. "Joann, are you alright?"

"I'm fine."

"What exactly is Bruce trying to do?"

Joanna sighed, not knowing what to say.

“My head is a mess right now. I want to be alone for a while.”

Chapter 90

At ten o'clock at night in the hospital.

Ingrid and Roxanne rushed over hurriedly.

Margaret had just woken up, and Bruce was accompanying her in the ward.

Then the ward door was pushed open and Ingrid and Roxanne walked in.

"Bruce, how's Mrs. Everett?"

Seeing these two come in just like that, Bruce frowned. "Why are you here?"

Ingrid walked towards the bed and placed a fruit basket by the head of the bed. "I just called the butler and he said that Mrs. Everett is sick, which really scared our entire family! After we heard the news, we immediately came here in a hurry.

"Mrs. Everett, how are you?" Ingrid greeted Margaret with concern and acted like she was really her in-law without even an ounce of awkwardness even though Bruce had just run away from the engagement banquet.

However, as long as they did not announce the annulment of the engagement in public, she would still act like Bruce and Roxanne had really got engaged.

"Grandma had just woken up and she can't be agitated. You two should leave now."

“Oh, then Mrs. Everett, have a good rest and get well soon.”

“Bruce, let Roxy stay here to take care of Mrs. Everett with you.”

Roxanne hurriedly walked to the bed. Before she could say anything, tears streamed down her cheeks.

“Bruce, Grandma, it’s all my fault. I’m the reason why Grandma is hospitalized.”

“You guys just go home. I got this.”

“How can we do that? Grandma is sick. How can I not be by her side? No matter what, I have to wait for Grandma to recover

“That’s right, Mrs. Everett is sick. As her granddaughter-in-law, how can she not take care of her?”

Bruce frowned and let them be.

After all, they were in the hospital now. He did not want to agitate his grandmother anymore.
