

14:11 

Chapter 11

"Do you even know how things work here?"

"Do you understand what "customers first" means?"

"They were just cleaning their socks using the kettle. What does that have to do with you?"

"Did you have to intrude?"

"How dare you have a dispute with a customer for such a petty thing? Are you stupid?"

"Couldn't you just clean the kettle?"

"You still have the nerve to say that you have served as a waiter. Is this how you serve customers?"

"The customer not only gave us bad comments, but also said that the service of our hotel is very poor. It's all because of you, stupid woman!"

"Slap!"

The young man in charge slapped Su Biyun in the face again. "I get angry when I see you."

She had just recovered from a serious illness and her body had yet to fully recover. Furthermore, she was a woman, so how could she bear such violence?

This slap caused her to fall to the ground.

At this moment, half of Su Biyun's face was slightly red and swollen, and the corners of her mouth were bleeding.

Many passers-by were watching and pointing at them, but no one stood up to stop him.

14:11 

Su Biyun covered her numb cheek in pain, held back her tears, and said in a trembling voice, "Manager Wang, I know I was wrong. I won't say anything next time."

"Please don't fire me!"

"My child owes people a lot of money in order to get me treatment. I can't lose the job!"

She couldn't help but feel sorry for Lin Feng when she thought of how he lived a low life because he owed a lot of money for her sake.

Therefore, when she went out to buy vegetables, she secretly went out to look for a job. Unexpectedly, when people heard that she had just recovered from a serious illness, they were determined not to hire her.

Even if it was just a job of sweeping in the mall.

Yesterday afternoon, she saw that Ruyi Hotel was eager to hire a waiter. This was the same as her previous work, so she came to have a try.

She hadn't expected such a thing to happen on her first day of work today.

Losing her job would undoubtedly increase the burden on Lin Feng's shoulders.

How could Lin Feng repay such a large sum of money!

She got up and begged again, "Manager Wang, you are a good person. As long as you don't fire me, I can do anything."

In the end, tears began to flow down her cheeks.

Lin Feng, who had just rushed to the edge of the crowd, couldn't help trembling when he heard his mother's words.

Seeing the young man in charge treat his mother like this, he was full of anger. He clenched his fists tightly. Even if his nails pierced into his palms, he was unaware of it.

14:11 

"Humph, what does your child's debts have to do with me?"

The young man in charge snorted angrily and said with a sneer, "That's because your child is a good-for-nothing. Your child is a c*ward."

"Let me tell you, your work is over."

"And you have to compensate the hotel for a kettle."

Seeing Su Biyun begging with a crying face, he slapped her again impatiently. "Get lost!"

"Whoosh!"

Just then, Lin Feng's figure flashed.

Before the young man in charge could react, he felt his neck tighten.

Lin Feng grabbed the young man's neck and smashed it to the glass door of the hotel at a speed so fast that no one could react in time.

"Bang!"

The glass door cracked in an instant, and the head of the young man in charge was dripping with blood.

It was shocking, and the power was terrifying.

Some of the surrounding women could not help but let out a scream when they saw the young man's blood-red face.

"What are you doing?"

The hotel staffs, who came to their senses, rushed over quickly.

"Let go of Manager Wang!"

Five young men and two security guards surrounded Lin Feng, and the receptionist also made a phonecall in panic.

However, Lin Feng grabbed the neck of the young man. The few people who had surrounded him did not dare to attack Lin Feng rashly.

14:11 

"Br*t, how dare you hit me?"

The young man in charge struggled a few times but did not succeed. He glared at Lin Feng and said, "Do you know who I am?"

As soon as he finished speaking, Lin Feng slapped him without hesitation.

"Slap!"

With a loud slap, the young man's teeth fell off and his mouth was covered with blood.

Then, Lin Feng grabbed the collar of the young man and said, "Tell me, who are you?"

When Su Biyun came to her senses and heard the familiar voice, she quivered and rushed forward.

"Lin Feng!"

Looking at the familiar figure and the thin face, Su Biyun cried out involuntarily.

She had never expected Lin Feng to appear here. Didn't that mean that Lin Feng had seen what had happened earlier?

The next second, she was worried that Lin Feng would do something stupid. "Lin Feng, let go of Manager Wang. Don't hit anyone."

She immediately stepped forward and tried to pull Lin Feng away, but someone stopped her. She turned her head and exclaimed again, "Ruoxian!"

Qin Ruoxian supported Su Biyun and shook her head gently. "Leave this matter to Lin Feng!"

When she saw the scene of Su Biyun being beaten when she had been in the car just now, she was also shocked and angry and felt a twinge of pain in her heart.

14:12 

Although Qin Ruoxian did not have a good impression of Lin Feng, she felt great sympathy for Su Biyun.

From the day she first saw Su Biyun, until now, Su Biyun had endured the loneliness of a woman and raised Lin Feng all by herself.

Her perseverance and patience made Qin Ruoxian, who was also a woman, admire her mother-in-law from the bottom of her heart.

Naturally, she was extremely angry with the young man. If it weren't for Lin Feng, she couldn't help but want to slap the young man a few times.

"Haha, it turns out that you are that stupid woman's good-for-nothing child!"

Just as Qin Ruoxian pulled Su Biyun away, the young man sneered. "Aren't you in great debt?"

"It's illegal to hit people. You have to pay for it. Do you have money to pay for it?"

"If you don't have money, let go of me. Kneel down and apologize to me and break one of your hands, otherwise..."

He wiped the blood from the corner of his mouth, and his eyes looked ferocious. "My cousin Liu Yang will not let you go."

"Slap!"

Lin Feng directly slapped him on the face and said, "Call Liu Yang here."

"I want to know what he can do to me!"

"You!" The cheeks of the young man were numb with pain.

"How arrogant! Too arrogant!"

He immediately took out his mobile phone and made a call.

Then, he gave Lin Feng a threatening smile. "Hehe, you're dead meat!"

"Do you know where this place is?"

14:12 

"This is the property of the Tiannan Group. Do you know who the Tiannan Group belongs to?"

Lin Feng narrowed his eyes. "Ye Tiannan!"

The young man was stunned, and then he said with a domineering smile, "I didn't expect that you, a good-for-nothing, knew a lot."

"Since you know, you'd better kneel down quickly. Otherwise, it will be useless for you to beg for mercy when my cousin Liu Yang comes!"

Lin Feng sneered and said, "Yes, it's useless to beg for mercy."

"Lin Feng, forget it!"

Hearing Ye Tiannan's name, Qin Ruoxian's face changed dramatically and she couldn't help worrying.

Although she had just made a phone call and asked her secretary to help Lin Feng, she felt helpless at the thought of Ye Tiannan's influence in Tianhai.

Even the strength of ten Qin families would be no match for Ye Tiannan!

"Yeah, Lin Feng, forget it."

Su Biyun was also worried that Lin Feng's impulse would cause trouble.

"I'm fine. Forget it!"

"It's too late!" The young man felt their worry and looked extremely excited and proud.

He was thinking about how to get revenge on Lin Feng.

Of course, Lin Feng would not let it slide. However, considering the matter between him and Ye Tiannan, he still felt that he should not get Su Biyun and Qin Ruoxian involved.

He turned to look at Qin Ruoxian and said, "Send my mom back first. I'll take care of things here."

14:12 

"Lin Feng, don't try to force yourself!" Su Biyun was extremely worried.

Originally, she thought that things could be solved in an ideal way when she saw Qin Ruoxian coming, but now Qin Ruoxian had already persuaded Lin Feng to forget about it.

She was not stupid. Ye Tiannan was definitely not someone to be trifled with.

Qin Ruoxian looked at Lin Feng and hesitated for a moment. She decided to send Su Biyun back first and then go to find Mr. Kong.

She knew that Mr. Kong and Ye Tiannan were friends.

In any case, she decided to go through thick and thin with Lin Feng this time. Even if it was for Su Biyun, she could not let anything happen to Lin Feng.

Ten minutes later, a wild-looking Hummer stopped at the entrance of the hotel.

The door opened, and a thin man with long hair came out.

"Who hurt my cousin?"

His clothes were expensive and he looked like a upstart. He spoke weakly and looked lazy, as if he could be blown down by a gust of wind.

However, as soon as he appeared, the young leader shouted as if he had seen a savior, "My cousin, I'm here. Save me!"

The people around Lin Feng were also shocked and extremely respectful. "Liu Yang!"

Liu Yang walked into the building and looked at the glass debris and the young man who had blood all over his face. Finally, his eyes fell on Lin Feng.

He said lazily, "Did you hit him?"

"Yes!"

14:13 

Lin Feng smiled faintly and said, "I will not only beat him, but also break his bullying hands."

The next moment, Lin Feng mercilessly stepped on the young man's right arm.

"Crack!"

The right arm of the young man was instantly broken.

A pig-killing scream was heard, which was extremely harsh.

Liu Yang was stunned at first, and then he regained his lazy look. "Pay for it. Two million for the arm and three million for a glass door."

"If he doesn't have money, break his hands and legs and throw him out."

He didn't care about the young man's life at all. Instead, he sat by the side and cherished his glass door very much.

After receiving Liu Yang's order, those people who surrounded Lin Feng no longer had any scruples and rushed to Lin Feng with roars.

Lin Feng didn't even look at them and sent them flying five meters away with just a palm.

Blood flowed out of their mouths and noses.

Lin Feng did not stop. He crooked his finger at the remaining people and said, "You coming together or what?"

Four of the others yelled while rushing over.

Lin Feng used his speed and strength to crush them.

He defeated each of them with just one hit.

"Bang bang bang!" The four people who rushed forward were all violently knocked down by Lin Feng, and their faces were bruised.

"You!" The whole audience was shocked.

14:13 

Some beautiful girls looked at Lin Feng in disbelief. They had never thought that a good-for-nothing who could not even afford a mother's treatment fee could be so good at fighting.

"How could this be!" The young man was completely dumbfounded.

Shouldn't this kid be abused? Shouldn't he beg for mercy?

How could he defeat them just like that?

After teaching them a lesson, Lin Feng clapped his hands. Looking at Liu Yang's shocked face, he said coldly, "You want me to pay?"

"I can pay for it."

"But, you won't dare to accept it!"

"And you will give it back to me in person."

After that, Lin Feng threw out the one million check from his pocket.

Liu Yang was shocked by Lin Feng's skills, but at the same time, he also showed a sneer. "Not bad, you are really good at fighting."

"However, there is no money in the world that I don't dare to accept."

He picked up the check and sneered. "It's only one million. I asked for five..."

In an instant, his voice stopped abruptly.

Liu Yang looked at the signature under the check and showed a trace of horror.

Ye Tiannan!

Looking at the stamp on the check, he found that the check was authentic.

So Lin Feng had met Mr. Ye and had some relations with him. Otherwise, Mr. Ye wouldn't have given him a million in person.

14:13 

Liu Yang's hands began to tremble.

His lazy expression suddenly froze and he was terrified.

Beads of sweat as big as beans rolled down from his forehead.

"Liu Yang, what's wrong?"

The leading youth could only count on Liu Yang now. "Beat him, crush his head!"

"Do what you do best!"

The next moment, Liu Yang stood up, pointed at the young man, and said to the others, "Take him in and beat him."

"Beat him to death!"
