Chapter 15

Evil thing?

Everyone looked at Qin Ziwei in surprise.

Everyone knew that Qin Ziwei hated Old Master Qin. Had he just come out from prison and came with an evil thing to take revenge?

"B*llshit!"

"I spent three hundred thousand on this jade. I got it with an old friend."

"Look at the luster. It's so shiny, so clear, and so smooth to touch."

Seeing his relatives looking at him with doubt, Qin Ziwei's scalp went numb and he said stubbornly, "And I even asked several experts, including the famous drunk master appraiser, Liu. He told me that it's real."

"They all said that it was worth more than three million."

"Lin Feng, you accused and slandered me. I want you to apologize. Apologize immediately!"

He said with a fierce look, "Otherwise, I won't let you go!"

"Lin Feng, who do you think you are?"

At this time, Shen Hanwei sneered and said, "You think there's a place for you to question anything here?"

"You're just a good-for-nothing who became a family cook after graduation. Do you know jade? Have you ever seen a treasure?"

His relatives, who had been shocked just now, only realized that they had been tricked by Lin Feng when they heard Shen Hanwei's words.

As a good-for-nothing raised by a woman, he had never seen such a

good treasure.

If he really had the ability, would he have swallowed his pride and become the son-in-law of the Qin family?

"That's right. You can eat whatever you want, but you can't talk nonsense. How can the thing that the master appraiser approved be fake?"

"Lin Feng, you can't shut up if you don't know how to talk. Is this the place where you attract the attention of the public?"

"Don't you know who you are? Why are you pretending to be a professional? Have you ever seen a treasure?"

"Lin Feng, apologize. You must apologize to Ziwei."

Dozens of relatives were all restless. They sneered at Lin Feng mercilessly, and their voices were particularly harsh.

Qin Ruoxian's pretty face was very embarrassed and she was unable to explain.

When could Lin Feng not be so reckless and useless?

She was mentally and physically exhausted.

Lin Feng didn't bother to explain too much. He said lightly, "Dad likes to collect antiques and jade. In this respect, he is an expert."

"You'll know when Dad sees it."

Qin Ziwei was not afraid at all. "We'll see. I'm not afraid."

He didn't believe that the treasure he had spent 300,000 to buy could be fake.

Although he didn't have any experts identify it, the price was there. It couldn't be fake.

"What are you talking about? Don't make a fuss!"

16:31 

At this time, an old and dignified voice came from the door. "What kind of place do you think this is?"

"A vegetable market?"

Accompanied by Qin Changkun and Liu Meifeng, Old Madam Qin finally showed up.

She had beautiful hair and her face was full of wrinkles. She held her walking stick and shook as she walked step by step, but she was determined not to let Qin Changkun and his wife help her.

Her energetic eyes swept over the crowd, full of aura.

Many relatives could not help but lower their heads when they saw the Old Madam's gaze.

As soon as she appeared, the whole venue instantly quieted down.

"Grandma, you have to uphold justice for me this time!"

Qin Ziwei immediately went up to her and helped the old lady. He glared at Lin Feng and complained, "Lin Feng said that the jade Buddha statue I bought for you is fake, that it's an evil thing."

"I spent 300,000 on it. How could it be an evil thing?"

"He's obviously framing me."

Qin Ziwei looked aggrieved. "Grandma, tell him whether this white jade Buddha is real or not."

"Okay!"

Old Madam Qin patted the back of Qin Ziwei's hand dotingly and said with a smile in her eyes, "No matter what my grandson bought, I like it!"

Then she tilted her head slightly and looked at Qin Changkun coldly. She then turned to look at Liu Meifeng and said, "Take a look."

Liu Meifeng immediately put on a smiling face to the old lady. "Mom,

16:31 

don't worry. Ziwei's gift must be authentic."

"I'll go and have a look with Mr. Qin right now."

She pulled Qin Changkun closer to the white jade Buddha and didn't forget to glare at Lin Feng. "I don't know why you're so nosy!"

Due to Qin Changkun's hobby of collection, Liu Meifeng learned a little from him.

Immediately, Qin Changkun and Liu Meifeng carefully observed the white jade Buddha.

Three minutes later, Qin Changkun whispered in Liu Meifeng's ear.

Then, Liu Meifeng looked at Qin Ziwei in surprise.

Qin Ziwei was shocked. "It can't be fake, can it? I bought it with 300,000!" he thought.

Qin Ruoxian caught the look in Liu Meifeng's eyes and was delighted. It seemed that Lin Feng was right.

Lin Feng's face remained calm. He believed that with his father-in-law's knowledge, although he could not tell that the white jade Buddha was an evil thing, he could definitely tell that it was a fake jade.

At this time, Old Madam Qin urged in a cold voice, "Is it real or not? What are you waiting for?"

Just as Qin Ruoxian was waiting for her mother to tell her the truth, Liu Meifeng poured a basin of cold water on her.

"Mom, it's true. This is a valuable white jade Buddha!"

Liu Meifeng held the jade Buddha statue lovingly and said, "Look at this carving. How delicate it is."

"This jade is so shiny and clear."

She looked at the old lady and added, "It's real, it can't be fake."

16:32 

How could this be?

Qin Ruoxian's pretty face was filled with shock.

Soon, she realized that her mother was protecting Qin Ziwei's dignity in front of her grandmother.

This statement could not be completely believed. After all, everyone were not blind, they could see Liu Meifeng's expression from before.

Old Madam Qin asked again, "Since it's real, why are you so hesitant? Did you hide the truth?"

That was what everyone was thinking.

Liu Meifeng quickly turned her head and hurriedly explained, "Mom, we don't dare to hide anything from you."

"It's Mr. Qin. He said that this jade Buddha statue must be worth at least a few million."

"We've never seen such an expensive gift. It's inevitable that we'll be surprised!"

She looked at Qin Ziwei with satisfaction. "Ziwei is such a filial child!"

Hearing Liu Meifeng's explanation, everyone suddenly understood. It turned out to be a treasure of great value!

"Well, it's normal that you all haven't seen such a treasure before. This time, you've learned a lot. You should thank Ziwei."

Old Madam Qin looked at Liu Meifeng with appreciation.

Yes, very well explained!

In fact, Old Madam Qin could tell at a glance that it was a fake jade, so she said that no matter what Qin Ziwei gave her, she liked it.

In order to cover up the lie, she deliberately asked Liu Meifeng to check it with Qin Changkun.

16:32 

Because Old Madam Qin knew that Qin Changkun could not tell such a good lie.

Getting Old Madam Qin's approval, Liu Meifeng was extremely excited.
"Yes, yes, this time we really benefit from Ziwei!"

Qin Ruoxian smiled bitterly!

Then, Liu Meifeng looked straight at Lin Feng and said with a straight face, "Lin Feng, if you know nothing about antiques, then don't point fingers at them making yourself look like a joke."

"You just slandered Ziwei. Pour him a cup of tea later and apologize."

"Otherwise, don't come back to the Qin family."

Qin Ziwei reacted and said in an arrogant tone, "Lin Feng, did you hear that? Apologize to me. Serve me tea, kneel down, and apologize."

Lin Feng sneered in his heart. With Qin Changkun's attainments in antique jade, he could definitely tell that the white jade Buddha was fake. Now that they said so, there was only one explanation.

They deliberately tried to cover up for Qin Ziwei.

"Lin Feng, did you hear what my mother said?"

Qin Ruoxian's pretty face darkened. "Apologize."

Ever since the Qin family gave birth to a boy, Old Madam Qin had been extremely doting on him.

As a result, when Qin Ziwei tarnished a woman and committed a crime, Old Madam Qin even did not hesitate to use Qin Ruoxian's marriage to the woman's brother as an exchange to protect Qin Ziwei.

If Old Master Qin hadn't stopped her, Qin Ruoxian would have fallen into hell by now.

Qin Ruoxian knew that her grandmother would protect Qin Ziwei, but she didn't expect that her parents would do the same to show their

16:32 

kindness in front of Old Madam Qin.

She felt a little disappointed.

Shen Hanwei snorted. "Lin Feng, are you not going to apologize?"

He wanted to see Lin Feng kneel down.

Old Madam Qin looked at Lin Feng and said coldly, "Lin Feng, kneel down and apologize. Otherwise, get out of the Qin family."

As soon as Lin Feng left, she would immediately marry Qin Ruoxian into a wealthy family and let Qin Ziwei or Qin Ziwei's father succeed the position of president.

"Kneel down?"

"Apologize?"

Lin Feng smiled brightly. So many people bullied him, which was really the original sin of the weak.

In the past, Lin Feng would have definitely lowered his head and knelt down to apologize. But now, he did not want to give in.

Taking a step back would only make the other party even more arrogant and fierce.

Lin Feng took a few steps forward, grabbed the white jade Buddha, lifted it, and let go.

"Smash!"

The white jade Buddha, which everyone thought was worth millions, was instantly broken into pieces.

There was a mess all over the ground.

Qin Ziwei shouted angrily, "Lin Feng, how dare you destroy my white jade Buddha?"

Lin Feng sneered, "White jade?"

16:33 

"This is simply a piece of artificial white pebbles."

He picked up a piece casually, squeezed it, and it instantly turned into white powder.

It turned out to be stone powder!

Everyone looked at each other in surprise.

Qin Ziwei's face froze. Even if he didn't know much about things like these, he knew the difference between jade and stone powder.

At this time, someone suddenly exclaimed, "What's that?"

Everyone looked over and saw a strand of woven black hair in the shattered white Buddha.

In an instant, the whole place was dead silent.
