

Chapter 18

"B*stard!"

"What a good-for-nothing!"

Back home, Liu Meifeng, who had been suppressing herself for the whole night, was furious. "Why don't you die? What are you doing here?"

"You've already offended everyone. You still want to come back and hurt us, don't you?"

"Divorce!"

Liu Meifeng took out a divorce agreement from the drawer and slammed it on the table. "Hurry up and sign it."

In order to urge Lin Feng and Qin Ruoxian's divorce, Liu Meifeng had prepared many divorce agreements.

"Mom, what did I do wrong?"

Lin Feng looked indifferent and argued reasonably, "I'm not the one who sent the fake gifts. Grandma also said that she didn't want the Ganoderma fruit."

"What does it have to do with me?"

"How dare you say that it's none of your business?"

Liu Meifeng shouted, "Are you blind?"

"Can't you tell how much your grandmother dotes on Qin Ziwei?"

"I've racked my brains to help you cover up and protect Qin Ziwei's face."

"Did you have to expose them again?"

"Not only did you offend Qin Ziwei, but also Hanwei and Wenxuan."

"You like to offend people so much. It proves that you are a scourge!"

Liu Meifeng was so angry that she gritted her teeth. She knocked hard on the table with her fingers. "Hurry up and sign it, then f*ck off!"

"Hehe, and you think it's right to do me harm in order to protect Qin Ziwei's face?"

Lin Feng revealed a hint of mockery. "And have you ever thought about the possibility that the white jade Buddha that you identified as a genuine one might really be an evil thing?"

"What if it really causes Grandma's discomfort?"

"Who will Grandma blame at that time?"

"Would she blame Qin Ziwei?"

Lin Feng snorted coldly and said, "Or the one who have said that it's real, you?"

Qin Ruoxian could not help frowning. She felt that Lin Feng was different from before. He was not only brave but also smart.

This was something that even she herself had not expected.

"You..." Liu Meifeng was about to refute when she suddenly became speechless.

She knew that at that time, the old lady would not blame Qin Ziwei, but herself and Qin Changkun.

Qin Changkun opened his mouth and wanted to say something, but after looking at Liu Meifeng, he remained silent in the end.

"You're talking nonsense!"

Liu Meifeng said stubbornly, "Why do you say that it's an evil thing?"

"Because of the hair in it?"

16:54 

"Don't think that I don't know. Lin Feng, you did all that!"

Liu Meifeng sneered and tried to guess. "You deliberately broke the white jade Buddha, and then put the hair on it when you picked up a fragment."

"And Hanwei's talisman. You've seen it before, that's why you could draw it."

"What evil thing? How could there be any evil thing?"

"All of this is because you wanted to frame them."

Qin Ruoxian also seemed to think that it should be like this, but for some reason, she always felt that she should believe in Lin Feng. Or rather, she would rather believe in what he had said than not to.

Moreover, Lin Feng wouldn't plan to frame them at all, because he didn't know that Qin Ziwei had come back before, and he didn't even know what kind of gift Qin Ziwei would bring.

Hearing Liu Meifeng's words, Lin Feng did not get angry. Instead, he laughed and said, "Yes, I framed them."

"I can predict the future. I knew from the very beginning that Qin Ziwei had returned."

"I also knew what gift Qin Ziwei would bring."

"With my Third Eye, I saw through what was in Shen Hanwei's sachet at a glance."

"With my eyes, I can see what's beneath your clothes, there is no difference between wearing clothes and not wearing them."

He looked up and down at Liu Meifeng provocatively, as if he could really see through her clothes.

"You... you're shameless!"

Liu Meifeng was rendered speechless by Lin Feng's words and her face

16:54 

turned red.

In particular, Lin Feng's last sentence made her subconsciously want to protect her body, but she found that it was impossible that he could see, so she put down her hand in embarrassment.

"Lin Feng, that's enough!"

Qin Ruoxian's pretty face was awkward. "Mom is an elder. How could you say something like that?"

"It's not your fault today, but can't you handle it better?"

"You clearly know that Grandma is partial to Qin Ziwei and the others. Why are you still making things worse?"

Lin Feng's recklessness left her helpless. Old Madam Qin was pushing her step by step, making it even more difficult for her to deal with it.

Qin Ruoxian was mentally and physically exhausted. She looked at Lin Feng exasperatedly and said, "Just turn a blind eye to some things. Don't you understand?"

"What the h*ll does he know?"

Liu Meifeng angrily rebuked, "If he understood, he wouldn't have offended Wenxuan on the spot."

"He wouldn't have made the old lady so angry that she almost fainted."

She rolled her eyes at Lin Feng and deliberately provoked him. "I really don't know what the Old Master was thinking. Why would he choose a good-for-nothing over Wenxuan as my son-in-law?"

Qin Ruoxian's pretty face darkened and she said weakly, "Mom, don't say that!"

At this point, it was useless to say anything.

Would Sheng Wenxuan be a good son-in-law?

16:55 

Lin Feng couldn't help sneering. "Do you really think that Sheng Wenxuan is very good?"

"Of course, hundreds and thousands of times better than you."

Liu Meifeng continued to provoke Lin Feng. "You can't even compare to a single finger of his."

"He came back from abroad, full of glory."

"And he's also the young master of the Bingsheng Group. With just a few words, he can make you have no place in Tianhai."

"How can you compete with him?"

"With your life?"

Liu Meifeng looked at Lin Feng with disdain and said with a sneer, "With your cheap life, even ten of you can't compare with one Sheng Wenxuan."

Qin Ruoxian frowned. She felt that her mother had gone too far. However, when she glanced at Lin Feng, she saw that he did not seem to care at all.

Lin Feng smiled. There was no need to compare one's life with another's.

Sheng Wenxuan had been abroad for a few years, but not only had he become a bottom, but he had also lost his essence. He was extremely weak. It was estimated that he could only do it once every half a month.

If he didn't receive treatment in time, it would be crippled sooner or later!

Just as Lin Feng was about to remind Liu Meifeng to give up the idea of marrying his sister-in-law to Sheng Wenxuan, Liu Meifeng's phone suddenly rang.

Liu Meifeng's face froze when she saw the caller's identity. "It's my

16:55 

mother's phone number!"

She immediately picked it up.

"Okay, okay, I got it!"

Liu Meifeng smiled throughout the phonecall. After that, with a straight face, she stared at Lin Feng and said, "The old lady has asked you to apologize to Wenxuan tomorrow."

"And you can't stop until Wenxuan is satisfied!"

"Or else Ruoxian will do it!"

Liu Meifeng purposely added the latter sentence in order to provoke Lin Feng.

She knew that Lin Feng would definitely not let Qin Ruoxian go to see Sheng Wenxuan. And if Lin Feng went by himself, Sheng Wenxuan would definitely not let Lin Feng go so easily.

She wanted to see Lin Feng as a joke. She wanted to make Lin Feng afraid, to let Lin Feng be troubled by Sheng Wenxuan, and then retreat in the face of difficulties.

However, Lin Feng's calm face showed a hint of mockery. "Okay, I will let Sheng Wenxuan vent his anger on me tomorrow."

After that, he turned his head and went upstairs.

Qin Ruoxian hesitated for a moment before following behind him.

"Lin Feng, you can't go there tomorrow."

Qin Ruoxian pushed open the door and saw that Lin Feng had already gone into the bathroom.

Not only the sound of running water came from inside, but also the man's figure could be seen vaguely through the glass door.

She turned around subconsciously and blushed. "Lin Feng, I'm talking

16:55 

to you. Did you hear me? You can't go there tomorrow."

"Sheng Wenxuan will take the opportunity to humiliate you. He won't let you go."

Hearing her worry, Lin Feng felt warm in his heart. "Don't worry. I'm not good at dealing with my mother-in-law, but dealing with others, especially people who are interested in you..."

"I'm invincible."
