Ariella jumps back at the sight and Kale catches her.

"We screwed up," Anderson starts.

"You were right the pain is too much," Carter continues in a robotic voice.

"Please, forgive us," Finley pleads. They all three hold up their flowers.

Juliet- I can't hear their wolves anymore but I'm not buying this.

Ariella- I thought you were going to heal.

Juliet- I did. The magic of our Warlock fixed all the broken pieces inside of me. Ariella-So, sex fixed you?

Juliet- Okay, the sex was nice, but he healed me.

"Missed you guys last night," Andrea teases as they join the group in the library.

"Sorry," Ariella tries to look innocent.

Ariella breaths deeply.

Jacob smirks.

Andrea giggles.

"I am so glad I am your friend," Melissa smiles.

"I may have," Melissa shrugs.

"You enjoyed that a little too much," Ariella rolls her eyes.

"Jacob, did you enjoy your night with a werewolf?" Ariella asks.

"Before we get into that I want you all to know something about Ari," Kale tells them. "Kale?" Ari looks at him confused. "Ari and the Alpha Triplets are at odds. They share a floor and they put a target on her," Kale

"So, are you asking us to watch out for your girl?" Carl smirks.

"I have wanted to knee one or all of them in the balls," Melissa smiles.

"So, is it just the one Warlock, because last night, wow," Finley asks her.

There in the middle of the club Ariella and Kale made love and to the world it appeared like dancing. Anderson falls to his knees as Kale thrusts into Ariella.

Anderson growls, but Lewis quickly spells him to freeze.

"I love you," Kale whispers. Ariella pulls away and looks him in the eye. "Really?" She asks as a dreadlock falls forward on his face. Ariella smiles and leans in as they kiss. "I love you too," Ariella whispers. "We could cancel our plans," Kale offers as he kisses her neck. "We are standing right here," Melissa yells getting their attention. Kale laughs and holds the door open so all the ladies can head down. Anderson gets in the elevator with them all. Ariella stands close to Kale. When the doors open, Anderson exits first but follows the group to their destination, a club "I can drain him," Jacob offers.

"Just leave it to me and Kale," Ariella pulls Kale to the dance floor. "Make love to me." "Did you take the shot?" Kale asks, holding her leg. "Yes," Ariella whispers. They begin kissing and grinding into each other. Kale's hand moves up her thigh.
