

15. Dressing up

Evelyn

Tonight me and dad were going to the party of the storms. I was so scared, 'Oh god! I'm gonna be surrounded by so many strangers' i thought. I took a deep breath.

There was a knock at my door, i got up from my bed and opened the door, martha was standing there. "Sweetie, makeup artists and the designer have arrived" she said and i weakly nodded.

"Hello Ms. winters, i'm rose and these are my assistants" a woman in her late forties said with a smile. "Hy, p-please call me evelyn" i stuttered a little. "Ok evelyn lets get started" rose said with a huge smile. "So lets start with your makeup and then nails" one of rose's assistant said and i nodded.

"Good, now your gown" said rose and laid a beautiful red gown. I changed into it, a er that i wore my siver heels and earrings.

"Amazing" mumbled one of rose assistant. "Ok so now your hair" said rose. "Hm i like your hair darling, silver hair suits you. Natural or dyed? If you don't mind me asking" she asked politely. "Its natural" i replied and she mumbled a 'wow' and started doing my hair.

"Damn girl. You gonna get it tonight" commented rose and winked at me, her assistants snickered and nodded. But i was confused. What does that mean, maybe she is complimenting me, i thought and shrugged it o . Rose and her assistants le and dad came into my room.

"You look so beautiful dear" he said "thank you" i replied. "I have something for you" he said with a big smile, he had something in his hands, it was a jewelry box. He opened it and i gasped, it was a diamond necklace. "Its beautiful dad" i said. "Let me help you wear it" he said and i turned around. He clasped it around my neck.

"Thank you dad" i said and hugged him. "Anything for my princess" he replied. "You ready to go" he asked, "yeah" i was a little hesitant but didn't show it. "Let's go then" dad said and we went downstairs and got in the car.

Noah

I was deciding what to wear for tonight, i wanted to impress evie i can't wait to see my little one.

My designer was standing aside with all the clothes, he was scared to death, oh well he should be because if i didn't find anything impressive i was going to strangle him with his own clothes.

I was losing my patience, 'hundreds of clothes but none of them is fucking perf-' my gaze fell on a classy black suit. "This is the one" i said to myself and started putting the suit on.

I tied my shoe lace and started applying my cologne.

Elijah

I'm really excited to meet my puppy tonight, 'how sexy she is going to look' i wondered and fuck! I was hard. I shake the thoughts away. Focus, i mumbled to myself. I started looking for a perfect suit for tonight.

I wanted my puppy to find me irresistible. Finally i found a nice royal blue one.

I applied some gel on my hair and styled it.

Ace

I was currently choosing clothes for tonight. I was never a picky person but since the day i met my kitten everything changed, i wanted to look perfect for her everyday.

I found a nice grey suit and started wearing it. I fixed my tie and wore my watch.

I started wearing my rings. Once evie started playing with noah's fingers which had rings on it she told us that she loves doing it and since then me and my brothers started wearing it.

The trio came out of their room, they looked at each other and smiled. "I can't wait to see her" said ace. "Me too" replied elijah "but we also have to deal with those bitches tonight" noah said referring to their 'fiances'.

"Yeah we're going to break that so-called engagement tonight" said elijah. "And if they still won't leave us alone, i swear i'm gonna skin them alive" sneered ace. "Their dad will also be there in the party. That old hag better not create a scene when we break the engagement or else" noah trailed o and his brothers understood the meaning of his words.

Their butler came into the view "masters the guests have started to arrive" he said and the brothers nodded their heads and he le .

The storms looked at each other and nodded. They went downstairs.
