

19. Betrayed

"I missed you puppy" elijah mumbled in her ear "you look so cute kitten" said ace, noah was just breathing in her scent.

Evelyn's mind was blank, she didn't know what to say. A er some minutes they broke the hug, she looked at them and gave a weak smile. "Hy" she whispered, the brothers smiled at her.

"Come on little one, let's go" noah said, he held her hand and started walking towards their car. "W-Where are w-we going" she stuttered, she had spent time with them before but right now she was really scared.

"Well, we are going to hangout and then we can go to mcdonalds" ace said while caressing her cheek, they knew their babygirl is a sucker for fast food. And with that they starting walking but evelyn spoke again.

"Umm i-i'm sorry but i can't come" she said and mentally scolded herself for stuttering again.

Their jaw clenched a er hearing her, they were really dominating males and they wanted nothing but spank that round ass of hers for saying no to them "and why is that" said elijah gritting his teeth.

"I have lots of homework today so i can't come, sorry" said evelyn biting her lower lip. "That's okay, we won't take long" ace said, he tightened his hold on her hand and started dragging her towards the car. They didn't want to hurt her but the dominance inside them said otherwise.

"Ace its hurting, leave me" cried evelyn, she was in pain from his hold, "i said i can't come" she whined. Noah turned her around and her back hit the car "you are coming with us end of discussion" he sneered at her.

Evelyn flinched from his harsh tone, they never behaved like that towards her. "I want to go home" evelyn shouted at them and started hitting noah's chest "leave me" she cried.

"ENOUGH" elijah shouted and evelyn immediately seized her movements. Ace pushed her inside the car and sat on her right, noah on her le and elijah was in front facing them.

"Give me your phone" said ace sternly and extended his hand, she wanted to protest but no words came out of her mouth. She reached in her skirt pocket and pulled out her phone and handed it to him. So submissive, thought ace with a smile.

"What are you doing" evelyn whispered looking at them with a scared face.

Elijah sighed trying to control his anger he inched closer to her and cupped her face. "Don't be scared puppy" he said caressing her face, he stared at her beautiful silver eyes and plump lips "god! I love you so much" he whispered to himself but evelyn heard it, her eyes widen in shock.

"W-What" she mumbled "what d-do you m-mean" she asked. "You heard him kitten. You're ours" said ace with a sadistic smile.

"The day we laid our eyes on you, you were ours little one" noah whispered playing with her fingers. "We just wanted to be close to you babygirl that's why we became friends with you, we wanted your touch all the time" ace admitted, his fingers ran on her jaw.

Warning-violence

Evelyn could feel her breathe picking up. They were pretending to be my friends she thought. Tears dwell in her eyes, she felt betrayed She snatched her fingers away from noah and pushed ace and elijah away from her.

"You are sick, i hate you I HATE ALL OF YOU stay away from me, i don't want to see your sick faces ever again. Leave me alon-" she was cut o as she felt a sharp sting on her right cheek, ace slapped her. Tears formed in her eyes. Elijah grabbed her jaw "say one more word and you will regret ever opening your mouth" roared elijah. Evelyn started crying hard, her cheek was painig a lot. No one had ever laid a hand on her.

A er hearing her words the trio's anger was at peak, they would have done much more then slapping her but they controlled themselves. Evelyn was a crying mess, "noah" she whispered and looked at him.

She knew he was the calmer one and he didn't lash out on her like ace and elijah.

Noah was really furious hearing evelyn's words but when she whispered his name and looked at him with her teary eyes he so ened a little, he noticed her cheek where ace slapped her, which was surely going to swell but he didn't regret his brothers actions, she needed to learn.

He swi ly picked her up and placed her on his lap, she curled up in a ball and cried harder "calm down little one shh" he cooed in her ear and kept rubbing her back.

Ace opened her phone and messaged henry ' hy dad, can i go to melissa's house a er school. Our teacher assigned us an english project and melissa is my partner so can i go please and he hit the send button. They knew henry can't say no to evelyn. A er few minutes came henry's reply

' ok princess. I'll inform the driver to pick you up from melissa's house.

Ace hurriedly typed back 'don't worry dad, melissa will drop me the send the message. ' Oh okay. Be safe sweetheaf henry replied.

' Yeah♥ace typed.

Ace looked up and nodded towards noah and elijah, telling them that the work is done. They nodded back at him.

Evelyn was hiccuping a little. Noah noticed the pissed o expression on his brothers faces, he knew they were still angry at her for disrespecting them and he himself was still pissed too.

Noah put his hands under evelyn's arms and turned her around on his lap so now she was facing elijah and ace. Evelyn was scared to death seeing their angry faces and tried to sink as much as she could on noah's lap.

"Apologize" noah ordered and she gave him a look of disbelief. "B-But i didn't d-do anything, you a-" she got cut o "evelyn" noah said sternly making her whimper. "I-i'm sorry" she hiccupped.

The trio smiled at her, elijah took her from noah and placed her on his lap. "Its okay. No more crying now" he said and gently wiped her tears. Ace scooted towards them, he ran his fingers on her swollen cheek and evelyn whimpered from the pain.

Ace pressed a button, a cabinet opened in the car and he took out a first aid kit from it. He opened a tube and started applying it on her cheek. "Shh shh it will be fine" both ace and elijah cooed her. A er that ace placed her on his lap.

Are they bipolar she thought.

Evelyn's tears weren't stopping, she was a crying mess. Ace rubbed her back gently to calm her down.

Suddenly ace's hand started sliding up on her thigh, evelyn tried to pry his hands o but it was no wail. Elijah pushed her hair aside, his breathe fanned on her neck. Noah cupped her face and planted multiple kisses on her face.

"S-Stop" she mumbled and tried to push them away but they pulled her more close, she was feeling something weird in her stomach.

Ace dipped his head in her hair, he twirled a strand of her hair in his fingers "i tuoi capelli are sono così belli amore mio, dio posso farlo tutto il giorno" (your hair are so pretty my love, god! i can do this all day he whispered.

Evelyn didn't knew what language he was saying, she just wanted to get away from them. Noah licked her ears and evelyn shuddered "p-please stop" she begged. "Sei tutta nostra bambina" (you are all ours babygirl) he said and kept licking the shell of her ear.

"G-Get away from me" evelyn said, she tried to sound brave but it came out as a request. She tried to push them way. Elijah held her hair roughly "don't you dare push us away" he roared and she whimpered. Elijah ran her thumb on her pink plumpy lips, lust was evident in his eyes "non vedo l'ora di averti cucciolo" (i can't wait to have you puppy) he whispered in her ear.

Slowly noah ran his hands on her breasts and gave it a light squeeze, evelyn gasped and started thrashing around but ace swung his le leg and captured both her legs. He held her right hand and twisted it.

She cried in pain "a-ace p-please, i-it h-hurts" she pleaded. "Then stop fighting" he growled and evelyn stopped struggling. Elijah started leaving wet kisses on her neck and she didn't fight, all she could do was cry.

A er few torturous minutes for evelyn they pulled away from her. She sighed in relief. She just wanted to ran away from them.

"C-Can i g-go h-home now please, dad must be worried about me" evelyn asked almost begged. The brothers chuckled, "don't worry kitten we aready messaged henry from your phone saying that you are working on some project with that friend of yours ,melissa, so you will get late" said ace with a wicked smile.

Evelyn was getting really scared, she just wanted to tell her father everything.

Suddenly the storms started chuckling and evelyn looked at them confused. "Funny how you think that your precious dad will be able to keep you away from us" said elijah and evelyn's eyes widened.

"H-How do y-" she got cut o when noah grabbed her throat not too tightly but enough to scare her "you are like an open book little one, your expressions give it all" he said tightening his hold a little. "P-Please" evelyn whimpered and slowly he removed his hands from her throat.

"Do you think henry can take you away from us. Though he is soon going to know about us" said ace grabbing her jaw and evelyn was confused by his words. "Kitten if he tried to come between us then" ace trailed o and evelyn's face paled in horror.

"We will kill him in front of your eyes" noah said completing ace's sentence.
