

54. Paradise (part-2)	
Evelyn came out of the shower with wobbly legs, a towel was wrapped around her body. She was breathing heavily, ace was still showering.	
She sat on the bed and looked down. Evelyn covered her face with her hands and sighed. Whatever just happened between her and ace, at this point wasn't new for her, but the shame and frustration was still there inside her. Shame, because she knew they were murderers and they did so many wrong things with her and her father but still she couldn't	
control her body and was freaking moaning their names. And frustration, that at last she decided to accept this marriage but no matter what her mind wasn't ready to give up. Evelyn rested her hands on the bedsheets and it came in contact with a so material. She looked down and saw some clothes were placed there. She sighed and started to get ready. Evelyn wore the clothes and brushed her hair.	0
She tried to fix the blouse, her cleavage was showing and she didn't liked it. She hu ed in defeat. Suddenly her stomach growled loudly. She decided to head downstairs. Evelyn climbed down the stairs and head towards the kitchen.	
there and he was in nothing but his boxers. His back muscles flexed as he moved. Evelyn gulped and looked away. Noah heard feeble footsteps, he turned around and saw his gorgeous wife standing there looking like a sex goddess. He stared at her from head to toe, his gaze stopping on those delicious pair of breasts. His hands were itching to rip every piece of clothe from her delicate body. Evelyn saw noah looking at her with such intensity that made her legs weak. He walked towards her.	6
She bit her lower lip in nervousness, he groaned "don't do that little one, not right now" he whispered standing dangerously close to her. She looked up at him confused, noah smirked. He held her small hand in his big ones "you feeling okay now?" he asked. "Yes, much better" she replied. "Good" he said. "So what would you like to eat" he chirped. Evelyn looked at him "you can cook?" She asked amazed. "Oh darling, i can do more than that" he winked at her.	
"So tell me sweetheart, what do you wanna eat" he asked again. "Anything" she said, noah smiled "come on little one, i want to cook what my beautiful wife would like to eat" he said. Evelyn's face turned a little red "um pancakes" she mumbled. He chuckled "you surely do love pancakes a lot" he said. He started to make the batter "can i help" evelyn asked. Noah smiled and went towards her. She gasped when he suddenly picked her up and placed her on the kitchen island. "You just sit here, don't want you to get hurt" noah smiled. "I-I won't, I'm not a kid" she argued.	6
Evelyn hated it when she got treated like a kid. He smiled at her and kissed her cheeks "you're so adorable" he cooed. Noah placed everything on the plate, he turned around and saw evelyn playing with the knot of her blouse. Only if he could open that fucking knot and lick those breasts.	
He mentally groaned when he felt uncomfortable down there. He shake his head a little to clear those dirty thoughts. He went towards her, she looked up at him. "Come on sweetheart" he said and they walked towards the dining table. Noah sat on the chair, he held evelyn's hand and gently tugged her towards him. She knew what he wanted. Evelyn quietly sat on his lap. Noah wrapped his arms around her waist and kissed her behind the ear, she shivered.	5
He smirked "you're really sensitive love" he teased causing her to turn red. He slid the tray further towards him. Evelyn looked at it impressed and her main focus was on the bowl of chocolate.	
Noah took an empty plate and placed the pancakes in it for evelyn. Firstly he picked up the fruits and started to feed her. He cut a piece of pancake and dipped it in the chocolate just the way	
she liked, he forwarded it towards her. Eevlyn opened her mouth and ate it. She moaned in content, as the flavors just burst on her tongue. Noah's eyes darkened, he placed his free hand on her exposed waist and gently caressed there, enjoying the feeling of her smooth skin. Evelyn was focused on the delicious food, noah really was a good cook. He fed her another bite, she ate it but then then looked at him.	3
He was staring at her with great intensity. She awkwardly cleared her throat and saw that noah wasn't eating "um are you not hungry" she asked so ly. He touched her cheeks "trust me little one, I'm really hungry" he said almost growling. Evelyn frowned "then you should eat" she said gesturing towards the food. Noah smirked wickedly "i will eat'he said. Evelyn washed her plate even though noah said not to. She just wanted to help somehow. She dried her hands and turned around	7
only to be bumped on a smiling noah. He held her hands in his and took her towards the dining table again. "I'm hungry" he whispered in her ear, evelyn gulped a little. She squeaked when noah picked her up and placed her on the table. He parted her legs and stood in between them. "I'm so fucking hungry baby" he growled. Evelyn shivered in fear. Noah put a finger under her chin and made her look at him. Both of them stared at each others eyes. "I hope you aren't tired from your shower activities" he said smirking. Evelyn's eyes widened, she	
stared at him. Noah's eyes sparkled with mischief. He held her hand and slowly placed it on his boxers over his rock hard dick. Her breathe hitched. "That's what you do to me *chuckles* that's what you do to all of us" he whispered in her ear and bit her earlobe. Evelyn's lower lip quivered. Noah brought his lips close to her neck and started to suck there.	
She bit her lower lip hard to control her moans but she was failing badly. Noah opened the knot of her blouse causing her breasts to bounce out. He squeezed her boobs and growled. Evelyn breathed deeply.	
He smirked at her, he held her one boob in his hand and started to suck the another one. "God!" she gasped. Noah bit her pink nipple. Evelyn's hands clutched the end of the table. "I love you so much baby" he mumbled while sucking hard on her boob. He pulled away with a pop. He glided down his hands and removed her clothes leaving evelyn	
only in her panties. He kneeled down in between her legs. Evelyn	
gulped hard, he looked up at her and smiled. Noah started to leave kisses on her inner thighs, each kiss caused evelyn to shiver in lust. He kissed her pussy on top of her panties. "N-Noah" she stuttered trying to stop him but her own body was betraying her. "You smell so good little one" he mumbled and removed her panties in one go.
