

6. Meeting an angel (part-3)

Henry went towards the brothers and evelyn. "What's going on here" he asked again. Seeing her dad evelyn sighed in relief, on the other hand the trio didn't like the fact that they were disturbed while talking to her.

29

Evelyn wasted no time and went straight towards henry in a fast pace and held his hand. His touch always comforted her.

The trio's eyes went wide seeing her holding henry's hand. They were beyond mad.

Are they in a fucking relationship.

281

This motherfucker is triple her age, how fucking dare he.

186

I'm gonna kill this bastard.

56

Those were the only thoughts going through their minds. Than and there they decided to kill henry and started to step towards him, when suddenly she spoke. "I was coming to meet you but then i bumped into them" said evelyn.

"Oh, i apologize on behalf of her" henry said to the brothers and then asked evelyn "you okay, did you get hurt"

"I'm fine dad" she replied.

29

At the word 'dad', their eyebrows furrowed. "Dad" said the brothers in unison. "Yeah, Mr. Storm meet my daughter evelyn, and evie these are my clients the storm brothers. Ace, noah and elijah" said henry and by the end of his statement evelyn's eyes were wide and mouth agape.

2

'Storm brothers, i was talking to the storm brothers. Oh my god, and i even bumped into them. What if they are angry at me and tried to hurt me or worse, kill me' thought evelyn.

27

Seeing her reaction, the brother's had a cocky smirk on their faces, they realized that she knew exactly who they are. But that smirk dropped when they saw her lower lip trembling and her eyes tearing up.

They felt a sudden ache in their hearts seeing her like this. "I-I have some work t-to do. It w-was n-nice metting you Mr. Storm" said evelyn and went towards her room in a fast pace.

20

The brothers kept looking at her small frame until it disappeared. They felt hurt, anger and sadness? Except anger all other feelings were new to them.

16

"Are you guys okay?" asked henry. The brother's faces were showing some kind of worry which henry couldn't understand. "Yeah, we should go now." said ace to which noah and elijah nodded. "Okay" said henry.

Currently the storms were sitting in their private jet. Physically they were present in the plane but mentally they were day dreaming about the silver eyed beauty.

"Evelyn" whispered noah more to himself but his brothers heard him. "Fuck! I can't stop thinking about her" said elijah frustrated. "Me neither" said ace and sighed.

137

"Sir, would you like some wine?" Asked the flight attendant. "Yes" elijah curtly replied. She poured him wine and adjusted her chest showing her big breasts. "Anything else you want sir" she asked seductively. "No" replied elijah, he was getting frustrated now. All he wanted to do, was to kept thinking about his 'puppy'.

213

"Are you sure sir" asked the flight attendant again and started biting her lower lip. Elijah had enough of her bullshit. He gave her a tight slap and she landed on the floor with a thud.

668

He fisted her hair in a tight grip "you fucking whore, here i am trying to think about my puppy and you dare to disturb me with that whorish face of yours" sneered elijah. He then threw her on a table and held her throat in a tight grip.

278

Elijah pulled out a knife from his pocket and in one swi motion he stabbed her le eye. "Ahhhhh" screamed the girl.

268

Two other flight attendants came, hearing all the commotion. Their eyes grew wide when they saw elijah stabbing the girl's eye.

24

"Isn't she the new flight attendant?" Asked one of the girl. "Yeah, she is. But she is not from london so she didn't know anything about the storms and i tried to warn her about them but seems like she didn't take my warning seriously" replied the other girl.

6

Both the flight attendants had no other option but to stand and watch the horrible scene in front of them.

15

Elijah stabbed her ten more times and then threw her on the floor. "Take this trash away and she won't gonna get any medical attention until the jet lands. And if you tried to help her, I'm gonna throw both of you out of this plane" elijah said with disgust. The two girls who were scared shitless just nodded their heads and took her away.

156

On the other hand while all of this was happening noah was casually drinking his wine and ace was watching all this with a sinister smile.

20

Elijah wiped the blood from his hands and sat on his seat. "Your puppy, huh?" teased ace. "As if you were not thinking about her" elijah shot back. "I can't seem to get her out of my mind" confessed noah.

20

The trio just looked at each other intently, as if they were having an internal conversation through their eyes and then they nodded their heads in unison.

21

Ace snapped his fingers and a guy in grey suit entered. "Henry winters daughter, evelyn" just saying her name brought a smile on their faces "we want every single information about her" said ace. "Christopher, If you missed a detail, you gonna miss an organ" said noah "y-yes sir" replied the scared man and le .

183

The brothers had a dark look in their eyes, suddenly they started smiling like maniacs and said in unison

' She will be ours
