

Evelyn I closed the book. Storms were still talking to that employee, they were getting all the details from him. I looked around in boredom while swinging my legs. Their chair was way too high. I sighed and stared at the ceiling slowly pushing the rolling chair here and there.	a
"Ughh" i whined, i was really bored. I bit my lower lip and looked at the direction where the storms were. It looked like they won't be coming back soon, so i got up from the chair. I tip toed towards the front door and opened it. I carefully checked here and there, this floor was obviously empty since samuel already	
I stepped out of the o ice and closed the door behind me. I wanted to look around. I hummed a tune as i walked through the lavish corridors.	a
This floor alone was extremely big, i couldn't even imagine how big	a
this whole company will be. I ran my fingers over the shiny walls. I saw few conference halls. There was also another o ice, it was their assistant's. But it was empty at that time so i walked away. "God! This floor is never ending" i said as i saw couple more doors. I opened a door and peeked inside, it was an empty conference hall. I walked iniside, and started to look around.	
A gasp escaped from my lips a er seeing a beautiful chandelier placed right in the middle of the room. It was a modern type of chandelier, i saw it in magazines sometimes. "Wow" i mumbled and walked around it, taking in its beauty.	а
I looked down at my watch, its been almost half an hour "they must be still busy" i mumbled to myself and decided to explore this place more. "You can leave now" said elijah, that guy nodded and le the room.	8
He was extremely glad that they didn't killed him. "I'll tell claire later to fix a meeting with those clients" said noah and they both nodded. Ace checked his watch "evelyn must be waiting for us" he said. They stood up and entered their o ice. The trio was happy that they finally will be spending some quality time with her.	a
Noah entered inside with a smile expecting to see his wife, his smile quickly dropped when he didn't saw her anywhere. He looked here and there. Ace and elijah also entered inside "evelyn" elijah called and looked furthur inisde. Noah checked the washroom with ace. "Evelyn" elijah called in a now worried voice, he hurriedly called on her number. They heard the sound of ring, noah followed it but saw her phone on the couch with her purse.	70
"Where the fuck is she" noah growled, ace pulled out his phone and called jack. He picked in the first ring "sir" "did evelyn walked out from there" he asked gulping in fear. "No sir, and since you ordered us not to let Mrs. Storm go anywhere without your permission so we wouldn't have let her leave anyways" he replied. Ace cut the call and slammed his phone on the table. "She didn't le the building" he mumbled, elijah ran his hand through his hair in	
the building" he mumbled, elijah ran his hand through his hair in frustration. Noah balled his fists in anger, he suddenly walked towards the table. He opened his laptop and pressed some buttons. Soon a video played on the screen, it was the cctv footage of their o ice. His jaw clenched, ace and elijah stood beside him and saw what he was watching. It was the footage which showed evelyn leaving their o ice room.	
"This brat!" elijah mumbled. Noah again pressed some buttons and the screen filled with numerous footages, elijah watched closely and spotted evelyn in one. He pressed on one of them and it showed her wondering around in her own world. "I'll get her" ace said in a dark voice and his brothers nodded. They were pissed.	
Evelyn hu ed, she was tired from all the walking now. "I should go back" she mumbled to herself and turned around. She walked for some time but suddenly she looked around in confusion "i came from which direction" she tried to remember. She walked desperately trying to find the right direction. Evelyn's heart hammered against her chest thinking that she got lost. A er few minutes she still couldn't find the way, her eyes turned watery.	ä
She stopped walking, she bit her lower lip to stop her tears. Suddenly her breathe hitched when she felt someone's breathing close to her neck "are you lost babygirl" she jumped in fear. She saw ace standing there, she smiled seeing him feeling glad that he found her but soon that smile vanished when she saw his extremely angry face.	20
"A-Ace-" she got cut o when a small scream escaped from her lips. Ace li ed her up on his shoulders "ace put me down" she cried as her small body hanged, she hit his shoulder but he barely felt anything. Ace kicked open his o ice door. He threw evelyn on the huge couch, her body bounced a little. She looked up from her teary gaze and saw noah leaning against the table. Elijah was staring at her intensely, She tried to sink in the couch as much as possible, she wanted to get disappear.	а
Noah slowly walked towards her, evelyn brought her knees close to her chest in fear. He bent down to her eye level, he removed his reading glasses and placed them aside still keeping an eye contact with her. "What did we told you" he said calmly, nothing came out of her mouth. "ANSWER ME" he shouted slamming both of his hands on each sides of evelyn. She trembled "n-not to g-go anywhere" she whispered. "And what you did" ace said from behind. Evelyn's lower lip trembled "and if we're not wrong you got lost too"	6
elijah said gritting his teeth, her eyes widened not understanding how they knew that. "I-I'm s-sorr-" "you will be" said ace cutting her o. Elijah walked towards her, he held her arm and made her stand. He dragged her towards their chair "e-elijah please" she sobbed. He sat on the chair and pulled her over his lap. Before she could understand what was happening he pulled down her underwear. She gasped loudly.	8
No no no. SMACK! "Ow" she whimpered when he slapped her butt. "You're going to count to 20" elijah said as ace and noah watched all this with a calm expression. Evelyn struggled in his hold, he held her arm and twisted it behind her back "take this punishment like a good girl" he sneered. She kept	
ner back "take this punishment like a good girl" he sheered. She kept struggling, ace growled looking at her. Noah went towards her, he grabbed her jaw and made her look at him "now you'll count to 40" he said, her eyes widened. "n-no please i-i'm so-" "60" "P-Plea-"	
"80" She buried her face in elijah's leg in defeat. "You'll count a er each spank" elijah ordered, she nodded "y-yes daddy" she whispered in her hoarse voice. SMACK! "O-One" SMACK!	
SMACK! She hissed loudly "T-Two" SMACK! Evelyn's whimper echoed in the room "S-Seventy nine" she cried. SMACK!	a
Her bottom was extremely sore "Eighty" she breathed. Her face was filled with tears. Henry never even laid a finger on her forget spanking and right now she was extremely embarrassed. Elijah slowly li her up, she sobbed. Noah took her from elijah and held in his arms. She wrapped her legs around his waist as she cried	48
on his chest. He walked towards the couch and sat with evelyn's in his arms. "Shh" he whispered rubbing her back. Ace opened the drawer and pulled out a tube. Noah placed her small frame on the couch "lie on your belly love" he cooed. Evelyn looked at him in horror thinking he would do that too. "P-	0 0
Please" she cried as more tears slid down from her eyes. "Oh no baby I'm not doing anything" noah said wiping her tears. She slowly laid on her belly. Ace passed the tube to noah, he took it and opened the tube. He squeezed it on his fingers. Elijah li ed up her skirt and saw her complete red butt. He felt a little bad but she needed to obey them. Noah gently rubbed the ointment on her. Evelyn whimpered, the	70
ointment burned on her skin "ow" she cried. "Give it some time baby, it will feel better" elijah said crouching down beside her. She didn't looked at his way. Slowly that burning pain started to cool, she sighed in relief. Evelyn slowly tried to get up, she bit her lower lip in pain. The material of her skirt rubbed across her swollen butt. Elijah sat beside her, he started to open the buttons of her skirt "nno" she whispered. "Sweetheart you need to remove it or else you'll be in more pain" he said.	8
He slid down her skirt, evelyn crossed her legs in embarrassment. Ace and noah smirked. Noah kissed her cheek "we were really worried little one when we couldn't find you anywhere" he said. She looked down. Elijah wiped her face with his handkerchief. He looked at her "why did we punish you?" he asked with stern eyes "le without telling	0
anyone" she whispered as her lower lip started to tremble again "don't you dare cry, if you do such things then be ready for consequences" he scolded her. Evelyn sni led, "brother" ace said gesturing him to calm down. Elijah sighed, he didn't wanted to do it but she needed to learn, he cupped her face. "When we couldn't find you anywhere i-i thought you le us" he admitted. "Sorry" she hiccupped still crying a little.	ä
He kissed her forehead "you took your punishment like a good girl" he praised her "and good girls deserves reward" noah whsipered in her ear from behind. He made her look at him "you want your reward" he asked biting his lower lip. Evelyn looked at him in confusion, elijah snaked his arm from behind "answer him puppy" elijah said, evelyn slowly nodded her head "y-	6
"answer him puppy" elijah said, evelyn slowly nodded her head "y-yes" she said lowly. Ace smirked, he stood in front of her and slowly bent down. Evelyn gulped a little. Noah dipped his head in her neck, elijah bit her earlobe. Their touch were giving her tingles. Elijah gripped her throat and made her look at him "kiss me, pet" he said with a lustful gaze.	10
Evelyn brought her lips close to his and kissed him. Eijah growled and kissed her hungrily running his tongue every corner of her mouth. Noah licked her neck making her shiver, he smirked "you're looking so fucking ravishing little wife" he whispered in her ear. Evelyn gasped loudly when ace placed both of her legs on his shoulders. Her pussy right in front of him. Her cheeks turned red. Ace	a
kept crouching down as her legs hung on his shoulders. He kissed her inner thigh. Evelyn shivered, noah held the end of her sweater and removed it in one go. Their eyes darkened seeing her small frame in just a black lacy bra. Elijah nipped on her neck, evelyn whimpered. Ace traced the lining of her core which made her toes curl. "You're wet kitten" he said with a smirk. She bit her lower lip as she shut her	a
wet kitten" he said with a smirk. She bit her lower lip as she shut her eyes. "Seems like someone enjoyed getting spanked" elijah whispered in her ear. Evelyn's face was on fire as her breathing quickened. Suddenly ace entered his finger inside her heat "oh god!" she cried. Noah shut her mouth by slamming hs lips on hers, he sucked on her lower lip. "Umhhhh" she moaned loudly.	0

Elijah unhooked her bra with his one hand as he le multiple hickeys on her neck. Evelyn laid bare naked as they ravished her. Ace moved his fingers inside her as he sucked on her clit "daddy" she moaned, the trio growled.	
Naoh placed his lips on her pink nipple and sucked hard, evelyn kept whimpering in pain and pleasure. Ace increased his speed, he entered his third finger inside her "ah" she cried. Elijah kneaded her boob, suddenly ace pulled out his fingers. Evelyn whined at the feeling of emptiness, noah smirked "you don't want him to stop" he asked, she vigorously shake her head. Elijah slapped her thigh making her wince "say it" noah said grabbing her throat, his fingers which were covered in rings digging in her skin. "I don't want him to stop" she whispered breathlessly.	70
As soon as these words le from her lips, ace smirked and started to suck on her clit "umhhh" she moaned, elijah and noah sucked on her nipples. She fisted ace's hair, her hips moving automatically in an attempt to dig her pussy more in his mouth Claire walked through the corridors, she was holding some files in her hand. She stood in front of the doors where jack, chase and samuel	ë
were standing. "Sorry, you can't go insde right now" chase said. She frowned "but i have to go to my o ice" she said. Claire had the o ice room next to storms, these were also one of the things that made her feel that the trio wanted her to be close to them. The bodyguards looked at each other "ok but Mr. Storm has ordered	10
us not to let anyone enter inisde their o ice so don't disturb them" ordered jack. Claire's frown deepened, she was just going to her o ice but now she got curious. Maybe they were spending some quality time with Mrs. Storm and suddenly this thought made her insides burn in jealousy. She gave the bodyguards a tight smile "ok, i'm going to work in my o ice anyways" she said and they nodded.	ë
They opened the doors for her. Her heels clicked as she walked clutching the files tightly to her chest. Her heart was beating rapidly thinking about the storms being alone with evelyn. "Oh my!" evelyn gasped as elijah gripped her hair, ace's tongue was deep inside her pussy, licking her insides.	ä
She was getting close. She shivered in pleasure, noah made her look at him. They both stared at each other as ace ate her pussy and elijah kneaded her boobs. "You're close little one" noah whispered, he saw her struggling to get a hold of something as she was getting overwhelmed with the amount of pleasure. Noah intertwined his both hands with hers, evelyn gripped them tightly. "Umhhh" she moaned loudly. Ace felt her pussy throbbing	
against his tongue. He increased his speed. Claire reached close to the storm's o ice "i will mind my own business" she mumbled to herself and started to walk past from there when suddenly "oh god!" claire flinched when she heard a loud moan. She gulped, it was coming from their o ice.	6
"Yes baby, moan for your daddies" she heard a voice which belonged to elijah. Claire's eyes turned watery slowly understanding what was happening. But her heart still refused to believe it.	à

"GO AWAY" she shouted and punched on the mirror, she punched again and again as the glass shattered. Some glass pieces cut her hands. She broke down, storms were never hers but still a er seeing them with evelyn she felt as if they betrayed her. Claire was still lost in her world when the door of the washroom opened. Kim walked in while typing something in her phone. She looked up and did a double take when she saw claire standing in front of the broken mirror with bloodied hand. "What the fuck!" she shrieked, claire turned around and saw her. "What happened here" kim asked with a panicked expression. Claire glared at her "fuck o" she snarled. Kim's eyes widened, no matter how many times they argued but claire was always the calmest one. "What the fuck did you just said" she asked in disbelief. "I said, fuck o bitch" she mocked. Kim who was feeling a little bad a er seeing her bloodied hand glared at her. "The only bitch i can see $\,$

Claire's jaw clenched "seems like someone is jealous" she said and continued "you know whats your problem claire, that you're delusional" she said now standing in front of another mirror fixing
