rubick's cube. She couldn't solve it and it was frustrating her. She placed the cube on the table in anger. Ace looked at her and smirked	
"giving up?" he asked. Evelyn hu ed "its too di icult" she mumbled. Ace extended his hand towards her, she looked at him and placed the cube in his hand. "You need just a little focus and lots of patience" he said as he started to	đ 5 s
solve the cube and evelyn watched it curiously. "I know you could've solved it but your focus is somewhere else" he mumbled while solving it. Evelyn looked up at him, she hummed slowly. "I just * sigh*I'm scared, what if i didn't get accepted" she said	a ³
Evelyn applied for the college admission few days ago, the brothers were impressed and relieved. Impressed because she chose a really good college and relieved because that college was in london, so that meant she wouldn't be	~a
leaving them, not that they would've let her go anyways. Ace wrapped his arms around her waist and hugged her from behind "you scored such good marks in high school, if you didn't get accepted then it would be their loss" he said and kissed her neck.	ä
Evelyn couldn't lie, the way these brothers comforted her it always uplied her mood. She nodded and ace placed another kiss on her neck.	a a
Suddenly his phone went o, "just a second baby" he said, evelyn nodded. He got up. He placed the cube on the table and le. She sighed, she looked down and frowned. It was the rubick's cube which was now solved. She picked it up and stared at it "it takes me	
almost a day to solve it" she mumbled thinking how ace solved it in less than two minutes Evelyn kissed max's nose. She was playing with the dogs in the	å
garden. She scratched rick and duke's neck. "I'm really nervous" she said looking at her dogs "what if i got rejected" she mumbled with ar anxious face. Duke whined and rubbed his so fur on her, evelyn smiled and kissed	
his forehead. "Wanna play" she cooed at them showing a ball, the dogs barked and wagged their tails. Evelyn chuckled, she threw the ball and the dogs chased a er it while tackling each other down playfully.	ਰੋ' ਰ ਰੇ
She watched them with a smile. "Mrs. Storm" a maid called. Evelyn turned towards her "yes" she said politely. "A letter has come for you" she informed and handed her a white envelope. "Thank you" evelyn said and that maid le .	a a
She looked at the letter. It was from the college in which she applied for the admission. She took a deep breathe and opened it. "Thank you for your time Mr. Storm" said a man and shake hands	đ
with noah and elijah. He le and a er that ace entered inside "so how was it" he asked them both "it was good, we'll sign the contract tomorrow" noah said and ace nodded. "Where is evelyn" elijah asked. "She wanted to play with the dogs, so she is with them" ace replied	
"She wanted to play with the dogs, so she is with them" ace replied "she is really nervous about her admission" noah added and both the brothers hummed. They could've easily get her enrolled in that college with their contacts but evelyn straight up denied. She wanted to do that on her	
own. The trio admired her for that but seeing her in that stressed state was making them feel bad. Storms headed towards the garden to see evelyn, they were about to reach there when they saw evelyn coming towards them.	ä
The trio smiled at her but to their shock she jumped in elijah's arms and hugged him tightly wrapping her legs around his waist. "Oh my god oh my god" she mumbled happily.	ď

Elijah hugged her back, ace and noah stared at them. "I got accepted she shrieked kissing elijah's cheek "congratulations" he said but his main focus was on the kisses he was getting from his wife.	l" để
Ace and noah also engulfed her in a hug. "Congratulations sweetheart" noah whispered in her ear and kissed her lips. Agatha walked out from the kitchen a er hearing all the voices. She found the storms hugging evelyn tightly who looked extremely	ਰੰ
happy, a smile played on her lips. "Congrats baby" ace said kissing her cheek "thank you" she replied. They broke the hug. Noah saw a letter in her hand "is this your acceptance letter" he asked, she nodded. He took that letter and rea	d
it happily. "I'm so happy for you dear" said agatha "thank you" evelyn replied with a big smile. Evelyn was sitting on the kitchen island as she talke	් d
to agatha who was cooking. "So when are you starting your college" she asked "a er one week" she replied. "Masters were really happy for you too" agatha said looking at evelyn	<i>ส</i> ่
She awkwardly looked down "yeah" she mumbled. Jack walked in the kitchen "Mrs. Storm" he called, she looked at him "Sirs wants to see you" he said "ok" she said. They walked towards storms study room. Jack stood beside chase	
and samuel and waited outside as evelyn entered in the room. Ace looked at her first "come in baby" he said. She went towards them "sit" said noah with a smile. She settled on the chair. The trio looked at her with a smile "baby we got you something" noah said, she tilt her in confusion.	-7
Elijah opened a drawer and pulled out a black box. He forwarded it towards her. "Open it love" he said. Evelyn opened the silver hook of the box, a beautiful gold pendant came into her view. She stared at it with wide eyes. "W-What" she couldn't understand.	
The trio got to know how evelyn always liked simple jewelries. Thats why they chose that one. This pendant had a four clover leave desigr multiple diamonds were studded inside it.	n, a
Noah got up from his chair and walked towards her. He stood behind her "we're proud of you sweetheart" he whispered in her ear and picked up that chain. He clasped it around her neck.	a
"In our culture, four clover is considered as a lucky charm. That's why	a"
we got this design for you" noah explained. "You liked it?" elijah asked. Storms looked at her with hopeful eyes. Evelyn touched the pendant, feeling its coolness "its beautiful, thank you" she replied with a smile. They smiled widely.	å¹
Elijah went towards her and bent down to her eye level "i love you baby" he whispered and kissed her cheek. She felt more kisses on her neck, it was ace. Noah put a finger under her chin and made her look at him "you're so fucking precious	
amore" he mumbled and captured her lips. Evelyn's eyes shut as she felt their hands traveling on her body. She leaned back on the chair as the storms towered over her, elijah nipped on her neck "umhh" she moaned earning lustful growls from	đ
the brothers. Evelyn fisted ace's and noah's hair as her body wanted more. Her chest fell up and down, noah kissed her cleavage. Elijah's hands reached for the zip of her dress when suddenly.	a ¹
Knock! Knock! Evelyn gasped and pulled away from the storms, they growled in frustration. She flinched from their anger. "Who is it" elijah barked. "Its agatha sir, lunch is ready" came	á'
