Everyone looked there, trio's jaws clenched. They immediately hid evelyn behind them as if something bad will happen to her. Their grandmother was standing there wearing a beautiful versace gown. She smirked and walked towards them. "I invited you henry" she said.	ล็
Henry stared at her confused. "Mrs. Storm, i thought you were still in italy" he said "i wanted to meet their bride and thats why we arranged this dinner, and of course this dinner wouldn't have been complete without the bride's fathers presence" she said. At this henry's mood sour.	2
Evelyn got on her tippy toes so she could see her face but storms were practically blocking her way. She was only able to hear their voices. "Yeah, forced bride" henry mumbled angrily. "Henry" warned ace.	a
"What" he growled. "She is happy with us" noah stated but he sco ed "yeah right" henry replied. Their grandmother was confused thinking what they were talking about.	đ²
"Please don't fight" evelyn said and suddenly all eyes were on her. Their grandmother raised an eyebrow she didn't even had any idea that their wife was already here. Storms sighed. They turned towards evelyn and at this evelyn and	
their grandmother were able to see each other faces, which gave both of them a huge shock. "Evelyn" she mumbled. "Della" evelyn mumbled. In front of her eyes stood the same woman	đ
with whom she went for co ee. (If you don't remember about della' character please read chapter-13) Now it was storms and henry's turn to be shocked. "You know each other?" elijah asked.	S 185
Evelyn had no idea how to react but remembering how sweet she was a smile tugged on her face. She was about to say yes but della spoke first. "No" she said, evelyn's smile fell, she looked down thinking that della might hat her because she was married to her grandsons.	
might hate her because she was married to her grandsons. Della smiled "we don't just know each other, we're friends" she said. Storms frowned and on the other hand evelyn smiled widely. Even if they met only once but she somehow wasn't able forget the small girl. But suddenly della's smile vanished when the realization hit her. She turned towards the brothers "evelyn is your bride?" She asked in	a a
disbelief. "Yes she is" said noah with pride, ace and elijah also smiled. Della ket staring at them in pure anger. "Are you out of your minds" she roared.	aı
"Just shut up, you're no one to speak in our personal matters" ace said. She took a deep breathe and turned towards evelyn who was looking down in fear. She held her hand. Evelyn looked up at her, della smiled. "How about we start the dinner" she said so ly. Evelyn gave a small smile and nodded.	
They settled on the dinning table, della sat on the head chair where one of the brothers usually sit. "Evelyn" della called, she looked at her "you could've easily founded any other successful man and not to mention a way more sane husband than" she said trailed o looking at the storms.	31
"Mind your fucking business della" elijah growled in anger "just eat the dinner and get the fuck out of our house" he said. Evelyn felt really scared and uncomfortable. She slowly placed her hand on his thigh, elijah looked down at her scared face. His eyes so ened "sorry darling" he said with a smile and held her hand. The grandmother raised a brow, her whole life she thought that there	å
will be no one who would be able to tame her grandsons who were turning even more evil day by day. But it seemed like she was wrong. She stared at them as noah didn't let any maid serve evelyn her food instead he was doing it himself. Ace was filling water in her glass. Even henry himself couldn't deny this fact that they really do care for	đ
her a lot. They started the dinner "so evelyn dear, are you studying something?" Della asked. Storms noticed how her tone grew so er while talking to evelyn.	ď
"Yes, I'm in my first year of college" she replied smiling, showing her dimples, henry was glad that his daughter was getting what she wanted "that's great" della said smiling as she took a sip of her wine. They finished their dinner. Maids picked up the empty plates. "Why am i here Mrs. Storm" henry finally asked, he was in no mood of sitting there anymore and staring at storms faces. He stayed just for his princess.	
"Henry, i know you very well. You love your daughter, which i didn't knew was evelyn. You love her more than anyone. Then how come you let her marry them' della asked. Storms jaws ticked. Henry lookd at her and smiled bitterly "seems	å
like your dear grandsons didn't told you everything" he siad gritting his teeth. Ace balled his fists in anger. "The dinner is over, and you can leave now. Have a good fucking night" noah said standing up. Ace and elijah also stood up fixing the buttons of their suit jackets. Evelyn gulped	പ്പ
buttons of their suit jackets. Evelyn gulped. Della smirked, she sipped her wine "you didn't answered me henry" she said completely ignoring the brothers. Henry stared at the trio and then his daughter who was looking scared. "They forced her" he said sadly.	å
Oh how badly he wanted to go back in time and hide his precious daughter away from the storms. Della's smile turned into a frown. "What" she mumbled. Henry sighed and told her everything from the start.	
In the end della angrily stood up from her chair and smashed her glass of wine on the floor. A small scream le from evelyn's lip. "YOU THREE ARE REALLY INSANE" she screamed in anger. Storms just stared at her in pure anger. "You practically forced this innocent girl ir this marriage" she sneered. "Yes we did, and we'll do watever it takes	۱
to keep evelyn with us" ace growled. "Shut up" della roared "you shut up, otherwise we have many other ways to shut you uppermanently" noah said in a deadly calm voice. Evelyn was trembling in fear now, she slowly walked towards henry	54
"dad" she whispered and clutched his arm tightly "no princess, don't panic" he said hugging her tightly. While on the other hand della and storms were ready to murder each other.	ส์ ส
<ul> <li>"No wonder i didn't heard about your marriage, you three knew very well that i wouldn't have let you do that" she gritted. Elijah sco ed</li> <li>"please, we aren't scared of you old woman, you weren't in our wedding because we didn't wanted to spoil our most precious day" he snarled.</li> <li>Della turned towards evelyn who was looking at them with a utterly</li> </ul>	đ
scared expression as she hugged henry tightly. Her eyes so ened. She couldn't believe they did such horrible things with her. "I'm sorry dear, you had to go through all this" she apologized, evelyn bit her lower lip as she looked down. She had no idea what to say, somewhere in her heart she wondered what would've happened if della had come that day when they marry her. "But now I'll make everything right" della said.	a
Storms raised an eyebrow "what do you mean" henry asked still hugging a scared evelyn. "Since they forced evelyn into this marriage i want to help her out" "Evelyn will file for divorceshe said.	128 C
Evelyn screamed and buried her face in henry's chest. Ace fired a	ີ ສຳ ສຳ
shot. Henry shut his eyes tightly expecting the worse. Della didn't even flinched. Ace shot the vase which was placed right next to her. Noah slammed his hands on the table "repeat those words one more	đ
time and you'll be dead next moment" he sneered. Storms were breathing heavily in anger. The thought of evelyn getting away from them made them even more insane. Elijah turned towards evelyn, he hurriedly walked towards her.	
"Sweetheart" he called and held her arm. He forcefully took her away from henry's embrace. "No" she whimpered and struggled in his hold "i want dad" she cried. "Leave her you bastard" henry growled.	ත් ත්
But elijah didn't stopped, he took her towards his brothers. Noah and ace hugged her tightly "shh its okay baby, everything is fine" noah cooed in her ear and kissed her cheek. Ace kissed her small fingers. Della watched all this with an unreadable expression. She still couldn't believe that these three were literally going crazy about	đ
evelyn. Elijah looked at della and henry "you two can leave now" he said or more like ordered. "I want to take evelyn with me" henry argued. The trio growled "no" they said in unison.	a a
Evelyn stared at henry with teary face "she is my daughter" he sneered "and she is our wife, now leave" noah barked. "I want my daughter, you three don't even deserve her" henry said. Storm bodies were shaking in anger "thats it" elijah mumbled and	a <sup>33</sup>
took the gun from ace's hand. He pointed it towards henry. Evelyn's eyes widened. "I'm warning you for the last time henry, leave" he snarled. "No" henry said, he wasn't scared of these brothers. Elijah was ready to pull the trigger "e-elijah please" came evelyn's	å
broke voice. He looked at her and saw her crying hysterically in noah's arms. He slowly put the gun down "I'm giving you two minutes evelyn, tell both of them to leave or else" elijah warned. Evelyn hurriedly nodded her head. Noah loosened his grip on her.	ත් ත්
She walked towards henry "please dad" she begged "i don't want you to get hurt please" she said holding his hand. Henry wiped her tears with his thumb. "But evie-" "please dad, please" she said. He sighed in defeat "ok" he said, evelyn smiled sadly and kissed his cheek. She looked at della who nodded her head at her, understanding the	
situation. Henry reluctantly le , della stood up from her chair. "Thank you for this lovely dinner" she said smirking as if nothing happened. She walked towards evelyn and kissed her cheek "take care, dear.	<b>4</b> 5
We're going to meet soon in future" she said and le . The clicking of her shoes slowly faded as she le the storm mansion. Elijah threw the gun on the floor in anger. "Fucking bitch" ace mumbled. Noah kept glaring at the door wishing if he could just kill her.	ස් අ
Evelyn started to back up from them in fear. Her back hit the wall. The brothers heads turned towards her, their eyes so ened. Thats why they were scared of tonight, della was the only part of their past that was le and she was also the only one who could turn them in the devils again.	ď
Noah sighed in shame. They were suppose to keep their calm, for evelyn but as always they fucked up. Ace walked towards evelyn "baby" he called. But evelyn started to move away from him.	ය් ත්
"We didn't meant to do all this, we just want her gone that's it" he tried to explain her "that's why you pulled a gun at my f-father" she said angrily. "THEY WERE TALKING ABOUT OUR DIVORCE" elijah screamed in anger. He held her shoulders "they were trying to take you away from us" he	අ
said as his voice broke. Noah balled his fists "we were doing so good and then they had to come and destroy everything" ace mumbled angrily. Evelyn looked away "dad loves me and he was only trying to do what	ď
was g-good for me" she mumbled. Their heads snapped at her "so you think our divorce will be good for you" noah said gritting his teeth. She didn't said anything and looked down. Ace grabbed her jaw "say it" he said as his nails dig in her skin. Evelyn whimpered "y-yes" she whispered. She was hurt from the way storms	<b>a</b> <sup>6</sup>
treated her father. "You three are nothing but monsters, who can never change" she said. Her heart ached a little saying that, she knew how hard they were trying to change and all those sweet things they did for her.	25⁴ đĩ
Storms growled. Noah lost his patience, he took long strides towards her and grabbed her hair. "What did you just said" he sneered. Evelyn whimpered. Her hands desperately tried to remove noah's hand. "L-Leave me" she said. She gasped loudly when noah threw her over	đ

Evelyn's face was covered in tears, she brought her knees close to her chest.

Ace slowly crawled towards her and grabbed her throat. He made her look straight at noah and elijah.
