

73. Promises

Evelyn sighed as she placed her bag back on the bed. Storms were still in the ice. Its been two weeks since they talked to each other. They were sleeping in different rooms also. But in these two weeks storms didn't sleep even for a second. They wanted to hold Evelyn but there were still differences between them.

Evelyn was also kept rolling here and there in the bed, she hated to admit that but slowly she was getting habitual of storms sleeping beside her and holding her.

She sighed and decided to change her clothes. She opened her closet and picked up a t-shirt and shorts. She wore her clothes and laid on the bed.

Meanwhile

A shiny black car came towards the storm mansion. The guards stopped the car before it could enter inside. The windows of the car rolled down revealing della's face.

His eyes widened "any problem" she asked raising a brow. That guard shake his head "no mam" he said. Storms weren't the one to be messed with.

Della's car stopped in front of the mansion. The driver hurriedly came out and opened the door for her.

The guards watched della as she entered inside with a man wearing a business suit. One guard dialed Elijah's number "what" came Elijah's irritated voice.

"Sir"

Evelyn was still lost in her thoughts when someone hurriedly knocked on the door. She sat up on the bed "come in" she said.

Agatha entered inside "I'm sorry to disturb you Evelyn" she said "its alright agatha" she said forcing a smile.

"Actually Mrs. Storms just arrived and she is demanding to meet you" agatha said getting a little concern for Evelyn.

"Della" Evelyn mumbled to herself. "Ok I'm coming" she said, agatha nodded and left.

Thomas placed two cups of tea in front of della and that unknown man. "Thank you Thomas" she said smiling. He bowed at her and left.

"Mrs. Storms if Mr. Storms found out about this then I don't know about you but they will definitely murder me" that man whispered to della in fear. Sweat was forming on his forehead which he kept wiping away with his handkerchief.

Della looked at him sternly and he quickly shut his mouth. They both looked up and saw Evelyn coming downstairs.

Della stood up and smiled at her "hello dear" she cooed at Evelyn "hello della, how are you" Evelyn asked politely.

"I'm perfectly fine dear thank you" she replied and hugged her tightly. Evelyn smiled and hugged her back.

Della made her sit beside her "how have you been" she asked "I'm good" Evelyn replied but then her gaze fell on that man. She looked at him and then at della in confusion.

"This is Mr. Paul Moore, my lawyer" she introduced him to Evelyn.

"Hello Mrs. Storm" that man named Paul said. "Hello Mr. Moore" she said so ly.

Evelyn couldn't understand why this man was here. Della placed her hand on hers. "I know what you're thinking and I'll tell you everything" she said. Evelyn nodded.

Della turned and gave Paul a look. He nodded and got up from his seat. He left the living room.

Evelyn watched him as he left "Evelyn" della called her. She looked at him, della stared at her for some time and then smiled "I still can't believe that my grandsons dragged such innocent girl into all this" she whispered and caressed her cheek.

Evelyn didn't say anything. "When I said that I'll make everything I was serious. Paul whom you just met has arranged everything" della said and with that she picked an orange envelope from the table and placed it in Evelyn's lap.

She looked at the envelope "open it dear" della said. She was getting curious and decided to open it.

She opened the seal and saw some stack of papers inside it. Evelyn looked at them and then at della.

Della motioned for her hands for her to read them.

Evelyn unfolded those papers and as soon as the front page came into her view Evelyn's eyes widened. She gulped hard.

"D. Divorce papers" she stuttered.

"Della what is all this" Evelyn asked in shock. Della smiled "your freedom" she replied.

"Evelyn you've no idea how guilty I feel, I could've stop all this, I could've got you out of all this shit but my dear grandsons didn't let me come to their marriage. Dear I want to help you" she said.

Evelyn kept hearing her, no words were coming out of her mouth. She could be free from all this, she could be free from them

"But Della's storms will never sign this" she sighed. "Leave that to me sweetheart" she assured her. Evelyn shake her head and hurriedly stood up from the couch.

Della stood up with her too.

"No no, if they found out about this, della they will kill you" Evelyn said scared. She didn't wanted anyone to get hurt because of her.

"Evelyn, calm down" della said and cupped her face as if seeing her panicked face. "You don't need care about all this, just focus on yourself only and sign these papers" she said. Paul entered the living room.

"Once these papers are signed then, they won't be able to come close to you or contact you and if they tried then serious actions would be taken against them" she said.

Evelyn bit her lower lip. They wouldn't be able to come close to her, Evelyn never thought that she would ever be able hear those words.

But suddenly their faces came into her mind, the faces when they asked for another chance. Yes, they didn't completely changed but they were trying really hard. She also promised them to give them a chance "Della I can't sign" she said looking down.

Della's eyes so ened "you know Evelyn, in some weird twisted way, I felt happy when I got to know about you being their bride. You know why" she asked.

Evelyn shake her head innocently "because having you as a family member will be a blessing, my grandsons troubled you and your father so much, made you both suffer a lot and now when you're getting a opportunity to be free you're thinking about that promise. You're a really innocent kid" she said with a sad smile.

How badly Evelyn wanted to sign those papers which were laying in front of her.

She knew she was behaving like an emotional fool but how could she break their trust.

"Evelyn" della called. She looked at her. "Sometimes you need to be selfish. This is your only chance dear and I want you to take it" she breathed.

Evelyn's palms were sweating, she could feel the adrenaline rush through her body. "Della, I'm scared" she confessed. Evelyn looked at the sweating face of the lawyer, she could tell that he didn't wanted to be involved in this at all.

Della sighed and picked up a pen "I know they're really dangerous Evelyn but once you sign them then no matter how much they try, they won't be able to null and void the terms and conditions of these papers" della explained and held Evelyn's hand.

She placed the pen in her hand. "Its all upto you" she said.

Evelyn gulped hard. She stared at that shiny pen which was resting on her palm.

So many thoughts were running in her mind. She was just one sign away from her freedom but also one sign away from breaking their hearts.

She knew she shouldn't be caring about them at all but her naive mind didn't had the guts to hurt them.

Evelyn was still lost in her thoughts when suddenly the front doors opened with a loud thud. Evelyn flinched from the sound, della and Paul turned around. Their eyes widened seeing the storms standing there with a murderous look on their faces.

"When we told you that you'll stay away from our wife, you didn't understand it huh?" Noah sneered. Paul hurriedly led the papers behind him.

The trio looked at Evelyn, their eyes so ened. Its been two fucking weeks since they talked to her. Ace looked at the man who was standing next to della, he raised a brow.

"And what're YOU doing here" he spat angrily at Paul. The brothers knew he was della's lawyer and any person working for della was already hated by storms.

"I-I-I just" Paul stuttered in fear. Elijah stared at him and then saw him hiding something behind his back.

Slowly he walked towards him. Evelyn's heart hammered against her chest as she watched Elijah walking towards Paul who was clutching the papers tightly from behind.

Elijah stood in front of him "what're you hiding?" he asked darkly. Paul vigorously shake his head "n-nothing" he muttered.

Suddenly someone snatched the papers from Paul's hands, he turned around and saw Noah holding the papers.

He didn't even realized when Noah came behind him.

He opened the papers and only one word on the front page was enough to make Noah's face red in anger.

Divorce papers

His head snapped up towards Paul. Noah's body was shaking in anger. Ace and Elijah looked at him confused, not understanding why their brother was so angry.

"WHAT IS THIS" he roared. Evelyn flinched, even della had a little feeling of dread inside her.

Noah grabbed Paul's collar "you think you can separate us through these fucking divorce papers" he snarled. Elijah and ace's eyes widened. Ace took the papers from Noah's hold and read them with Elijah.

They angrily flipped the pages. "You bastard" Elijah roared as he reading all those conditions in the papers. Paul was trembling in fear, he was about to pee in his pants as he seeing storms extremely angry faces.

Ace turned towards della "you can't leave us alone can you, WHY DONT YOU JUST GO AWAY" he shouted maniacally. "I was just trying to help her-" della got cut o when the storms growled loudly.

They turned towards Evelyn. She stared at them in fear. Ace's eye traveled down to her hands which were holding a pen. A hurt expression crossed their faces, he clenched his fists. They thought that she was going to sign these papers.

A tear slid down from ace's face "you were going to sign these" his voice broke. "A-Ace" she mumbled but he raised a finger making her shut her mouth.

Ace looked at della "you can't see us happy when YOU JUST CANT" he screamed. Della flinched. Evelyn watched as an UNKNOWN expression crossed della's face.

Regret.

Della's mind clouded with the images of past as she stared in ace's teary eyes.

Elijah and Noah looked at her in disbelief. Elijah's jaw clenched. He walked towards Paul maniacally. He grabbed his collar and dragged him towards the dining table "sir please I'm extremely s-sorry" he cried.

Elijah slammed him on the table "you want to separate us from our wife?" he growled. Noah held Paul's wrist and kept it on the table holding it tightly "Elijah picked up a big knife with a smile.

Evelyn was scared to death "E-e-e-e-e" she called. He looked at her. "Please I-leave him please" she whispered.

He smirked darkly. "With these fingers you prepared these fucking papers right?" Noah asked Paul.

Elijah kept staring at Evelyn and then in one swift motion he cut all the fingers of Paul's hands in one go.

"AHHHHHHH"

He cried in agony. Noah released his hand which now had no fingers. Evelyn screamed in fear and covered her face with her hands.

Della closed her eyes. Paul fell on the ground as blood dripped from his hand. Ace bent down to his eye level. He pointed his finger towards a crying Evelyn.

"She is our's he growled.

"Get out before we cut every single part of your body" Noah roared.

Evelyn's body was shaking in fear. "Agatha" Elijah shouted. Agatha who was watching all this with a scared expression flinched. "Yes master" she whispered. "Take Evelyn to bedroom" he ordered.

She nodded obediently and held Evelyn's hands "please come with me Mrs. Storm" she said. Evelyn looked at the storms with her teary face. They stared at each other.

Her main concern was ace's angry yet broken face.

Agatha took her away.

Chase and Samuel dragged a now unconscious Paul out of the mansion. The storms stood in front of della giving her a death stare.

"I did all this for Evelyn" she said crossing her arms over her chest. She refused to get scared of them.

Ace smiled "you never cared for anyone" he said "you're just a sick self obsessed bitch" he sneered. "If you could care for someone then you would've saved us" Elijah said.

Della's sobs started to break slowly. "We wouldn't have turned like this, we would've been living a normal life just like everyone, only if YOU would've cared for us" Noah roared.

Della looked down in shame, shame of the past. "The only person who we truly love, you wanted to take her away from us. I FUCKING HATE YOU" ace screamed. Tears weren't stopping as they kept falling from his eyes.

She bit her lower lip. "Now if you've any shame left then get the hell out of here and our lives, grandmā Noah breathed, spitting the last word venomously.

Della took a small breathe and looked up at her grandsons. The wounds of their past were so deep, della hated to even think about it. She didn't even had the guts to apologize to them.

Della left and behind she left three angry and hurting storms.

Evelyn fiddled with her fingers as she kept walking there and there in the room. Suddenly the door opened.

She flinched. Ace angrily entered inside. He took long strides towards her, she kept backing up. Her back hit the wall as he trapped her.

"Why why?" he asked. His eyes were red. "A-Ace I-I" she wasn't able to speak anything. "Tell me dammit" he roared and slammed his hands on the wall of her side. Evelyn shut her eyes tightly.

She heard the sound of sniffling. She slowly opened her eyes. Ace was crying looking down. "Why" he whispered. The sound of his crying was echoing in the room.

Evelyn's eyes so ened. "Ace" she whispered. "I don't want you to go, please" he cried. "I beg you, I promise I'll try even harder. I'll control my anger"

She held his hand "please don't cry ace" she cooed and made him sit on the bed. Ace looked up at her. Evelyn wiped his face.

He stared at her "why do you pretend like you care when you were about to leave us" he whispered. Their faces were inches away from each other.

"Why" ace's voice broke. He never felt this hurt. Evelyn placed her small hand on his chest. He looked down at her hand and then at her.

"I genuinely care about you, all three of you" she replied. "Liar" he growled like an angry kid.

Evelyn wanted to chuckle a or seeing him complaining like a toddler. He looked so pure yet so evil.

She cupped his face. "I'm not lying, I really do" she whispered.

"Then why were you signing those papers" a voice growled. Evelyn looked up and saw Noah and Elijah standing looking beyond angry.

They walked towards her. Evelyn looked down in fear. They sat beside her on the bed. Storms were surrounding her looking even more intimidating.

Noah put a finger under her chin "why?" he snarled. She flinched a little. "If we wouldn't have arrived then you would've signed those papers" Elijah asked in disbelief. "You would've let us alone" he mumbled.

Their holds were getting tight on her. "Answering little girl" Noah growled. Evelyn stared at them "I wasn't going to sign them" she said truthfully.

Storms flinched. Elijah looked at her "you're lying, we saw the pen in your hands" he said angrily. Evelyn shake her head "I'm not lying, della handed me the pen but I wasn't going to sign" she explained.

"Why?" Ace asked confused.

"We promised each other, you three are trying to keep your promise, you're trying to change then how can I break mine" she said in her innocence.

Noah gulped, he was surprised. Surprised that how can someone be this innocent.

Elijah snaked his arm around her waist from behind. "I love you baby" he whispered in her ear and kissed her neck. Evelyn shivered.

Ace and Noah got even more close to her. Ace kissed her lips so ly. Noah placed multiple kisses on her jawline. Evelyn closed her eyes.

But suddenly she pushed them away. They stared at her with a hurtful expression. "Why did you do that to Paul?" she asked remembering what happened few hours ago.

Noah's jaw clenched "that bastard deserved it, he tried to take you away from us" he shouted. "You cut o his finger" Evelyn couldn't even finish her sentence in disgust.

"We were angry baby, and seeing all that shit we lost our cool" ace admitted. "You need to apologize to him" she said. The brothers scoed.

"Yeah right, and I want to be a dolphin" ace mumbled.

Evelyn raised a brow "fine" she said and started to get up from the bed. "Where're you going" Elijah asked holding her hand. "To other room, we're sleeping in different rooms" she said.

Elijah pulled her towards him, Evelyn gasped as she landed on his lap. "No" the trio growled. "Then apologize" she demanded. "You're really innocent darling" Noah cooed. She stared at him confused.

He smiled "how do you want us to apologize to Paul. Sorry we chopped o your fingers buddy. Like this" Noah mocked. Ace and Elijah laughed.

Evelyn rolled her eyes "you three are impossible, I should've just signed the papers" she mumbled.

Their laugh died. Evelyn bit her tongue realizing that they heard her. Elijah grabbed Evelyn "what do you just said" he asked. His eyes were rich black. "I was just joking" she muttered. "We don't like this type of jokes Evelyn" ace growled. "Sorry" she said.

Noah brought his face close to hers "we missed you so much little one" he whispered in her ear. These past few days were really tough for the storms. "You have no idea how badly we wanted to hear your voice, how badly we wanted to touch you, to fuck you" he whispered seductively.

Evelyn's eyes closed automatically as Noah kept whispering dirty things in her ear. Ace and Elijah dipped their heads in her neck.

Elijah laid her down on the bed. Noah sucked on her neck "umhh" she moaned. Her pussy already clenching in need. Ace held the side of her shirt and ripped it away in one go.

Evelyn gasped. Elijah kissed her cleavage and opened her bra. He tried down and kept placing wet kisses on her stomach. They were being so gentle with her as if she was made of glass.

Noah kissed her pink nipples making them erect. He kneaded her one breast and bit on the other one. Evelyn whimpered, her hands gripped Noah's dark brown hair making him growl.

Ace removed her shorts "you're not wearing any panties babygirl" he whispered darkly. Evelyn shivered, even their voices were making her wet.

"Tell us puppy, did you touched yourself when we weren't around. Did you fingered that tight little pussy of yours when we were sleeping in different rooms. Did you missed your daddy's cocks" Elijah whispered.

Evelyn clenched her thighs together, her face was completely red. Noah smirked "our little wife is getting even more wet" he mumbled. She vigorously nodded her head, Noah slapped her thigh making her shriek a little. "Verbal answers" he demanded.

"Yes daddy" she breathed. Her eyes were filled with lust. "Yes what" Elijah said while drawing circles with his finger around her nipples. "Yes d-daddy I'm wet" she whispered.

Storms hurriedly removed their clothes. Evelyn watched them as she took deep breathes. Ace crawled on top of her. He buried his head in between her legs and took a whiff "you smell so divine kitten" he growled.

He brought his two fingers close to her mouth, before he could order her to suck Evelyn opened her mouth and started sucking them.

Ace bit his lower lip as he felt his tongue around his thick fingers. He pushed his fingers deep inside her throat making her gag. Ace pulled out slowly, he smirked and entered his fingers inside her pussy "umhhhs" Evelyn moaned. She clutched the bedsheet's tightly.

Noah and Elijah sat on her sides and sucked her nipples "oh god" Evelyn moaned. Ace vigorously fingered her as he rubbed her clit with his thumb.

Evelyn's toes curled. Her body was shaking with intense pleasure. But suddenly ace stopped and pulled out his fingers, Evelyn whined loudly.

The trio chuckled.

Ace moved towards her side and Elijah got in between her legs. He stroked his cock as he stared at her dripping cunt. He got on top of her.

Evelyn was breathing heavily "you're fucking perfect puppy" he whispered and rubbed his cock on her pussy. Evelyn bit her lower lip as she stared at Elijah's dark eyes. "Oh god" Evelyn screamed when Elijah entered inside her in one thrust.

He intertwined his fingers with hers as he thrust hard inside her "daddy" Evelyn cried as she wrapped her legs around Elijah's waist tightly.

Elijah growled "I love you so much baby" he kept whispering in her ear "I'm gonna fuck you so good baby" he mumbled as his speed increased.

Evelyn's eyes rolled back from the intensity. His balls hit her pussy. Noah stroked himself. He brought his cock close to her mouth, Evelyn looked at him, she held his shaft and stroked it as if Elijah rubbed her.

Noah moaned at the feeling of her hands. Ace also brought his cock close to her mouth, she parted her lips and took it in her mouth "fuck baby" he moaned. He pushed it in the side of her cheeks. Ace pulled out his cock, Evelyn stroked it and took Noah's cock in her mouth.

He bit his lower lip hard and gripped her hair. He pushed it deep inside her. She gagged. Noah pulled it out, saliva was dripping down from the sides of Evelyn's lips.

Elijah thrust her throat and made her look at him. He gave her a hard thrust "umhhht" she moaned. He fucked her hard, Evelyn held his arm tightly. Her body jerked from the impact. "Oh my" she breathed. Elijah kneaded her breasts as he fucked her.

Evelyn's body started to shake as her eyes rolled back. Ace and Noah stroked their cocks. "Yes baby you're going to cum" Elijah breathed. Evelyn dugged her nails on his back.

"Daddy" she moaned, her body started to reach its high. Her body shake vigorously as she released her juices all over Elijah's cock. Elijah moaned and with one hard thrust, he filled her womb with his cum.

Ace and Noah stroked their cocks fastly, they moaned as they also reached their high.

"Fuck" Noah mumbled his cock released thick white fluid which sprayed all over Evelyn's belly. Ace also came hard and released his cum all over her belly.

They breathed heavily. Evelyn's body was still shaking a little. Ace grabbed some tissue and wiped away the cum from her body.

The trio laid on the bed, Noah placed Evelyn on top of him. Ace and Elijah held her tightly as her naked body gave them warmth. Evelyn's eyes started to close "love you babygirl" she heard faintly and felt three kisses.

Evelyn sighed as she woke up from her sleep. She opened her eyes and found the storms still holding her tightly. She looked at Noah, there was no sign of anger, nothing. Just a peaceful man.

Elijah's face was buried in between her boobs "pervert" she mumbled looking at him.

Ace's head was resting close to her neck. How beautiful and innocent they looked, Evelyn wondered.

Their sandalwood smell was surrounding her. Suddenly she shivered, she needed to use washroom.

Evelyn tried to remove their hands, she jumped a little when they growled in their sleep.

Jeez, okay were we ever subconscious muttered.

Evelyn really needed to pee, she poked Noah's arm. He didn't even move. She poked again. "Sleep amore" he mumbled, his voice coming out even more deep.

She gulped "I need to go to the bathroom" she said. He groaned.

"No" he said. Evelyn whined "I need to pee, please" he replied.

Ace and Elijah also woke up "okay but we want you back in 5 minutes" Elijah demanded. She nodded her head "okay"

Ace released his hold on her and so did Elijah and Noah. Evelyn hurriedly got up, she wrapped the sheets around her naked body. She sighed when she found her t-shirt in the corner, ripped.

"Why do they have to rip all my clothes" she said under her breathe. "Because we love to do that" ace said with a smirk in his sleepy voice.

Evelyn turned around and found the storms staring at her barely covered body. Her cheeks turned red. She hurriedly picked up Elijah's shirt from the ground and wore it. They smirked.

Evelyn entered the washroom and emptied her bladder. She washed her hands as she stared at her neck which was covered in multiple hickeys.

"Baby come back fast" she heard Noah's voice.

Congratulations Evelyn subconscious said. "For what" she asked. You're officially a mother of three giant gorillas her subconscious mocked. Evelyn rolled her eyes.

"Baby" came the trio's voice. She sighed "I guess you're right" she mumbled and walked back to them.

She got under the covers with them, they cuddled with her. Ace looked up at her "you will never leave us, right?" he asked.

Evelyn stared at him, there was something in their eyes she couldn't understand, it was as if they wanted tell her something but couldn't. She smiled and shake her head. Ace smiled widely. Evelyn cooed as she looked at his face, he looked so innocent?

Suddenly she placed a kiss on ace's cheek who looked at her in shock but then smoothly kissed her back. He wrapped his tucked arms around her small frame.

Elijah was looking at Evelyn and she realized he was waiting for her to kiss him too. She gave him a so kiss and he happily returned it.

Evelyn turned towards Noah who was as expected also waiting for the kiss. She kissed him too and he kissed her back. "Good night baby" he cooed at her.

"Good night" she said.
