Della kept quite.  "ANSWER HIM" elijah shouted, his voice echoing in the huge church.  Della flinched. Ace smiled bitterly "you must be feeling good a er telling her everything about us" he sneered.  Evelyn's eyes widened.  "We didn't knew your son was a psycho since childhood" elijah	a <del>'</del>
"I-I know that whatever happened with you three i'm also r- responsible for it" della replied, tears were streaming down from her eyes in guilt. A sob escaped from della's throat. She felt extremely guilty, she was guilty.  Evelyn's heart was hurting, she could here the pain in their voice.  "And now when we're finally happy with our wife you couldn't see it.  You came here to manipulate her" noah roared.  He had enough of this bullshit, he pulled out his gun. Evelyn gasped	ata
"We should have done it when you dared to bring those divorce papers. But don't worry i'll fix it" noah sneered, he was about to pull the trigger but evelyn stood in front of the gun "noah" she whispered.  "Get out of the way evelyn" he growled. "I-I called her here, i wwanted to know everything" evelyn admitted.  Storms looked at her "we told you to stay away from her" elijah	් ් ස් ස්
"Lets go" elijah said, they both nodded and started to take her away not before giving della death glares. Evelyn looked back and saw della watching her with teary eyes.  They came out of the church, their car was parked outside. "Please ace" evelyn begged, her arm was hurting.	<b>a</b> ³
They were frustrated,embarrassed. Elijah's heart was burning thinking what would be evelyn thinking about them. They were freaks, their own parents didn't loved them. The car stopped in front of the mansion. The trio walked out, elijah	ਰੰ ਰੰ

She bit her lower lip when her back hit the wall, he placed a hand on her side.  She shut her eyes tightly as he brought his face close to hers.  Evelyn felt something on her stomach, she winced when it poked harder. She looked down and her breathe hitched. Noah was holding	
a gun at her belly.  "Are you happy?" he asked, she looked up at him in confusion.  "Are you fucking happy a er finding out all that about us" he shouted. She flinched. He threw the gun aside and pulled away from her.  Evelyn stared at him, she couldn't help but feel bad for them. Even if they were getting angry on her still she was looking at them with so ness.  Ace balled his fist, he grabbed her jaw "stop it, stop looking at us like	a් a

He looked at evelyn with hate, she lied to him just like aria used to do. "E-Elijah-" he raised a finger making her shut her mouth. She cried as she sat back on the bed. Evelyn bit her lower lip, she didn't meant to hurt them even more. She had no idea that this was their past, their so called parents made them like this.  She placed her head on the headboard and let her tears fall. She was crying for them, for her husbands.	a'
He rested his head back on the chair. His insecurity was killing him. He shut his eyes as he imagined evelyn thinking of them as freaks. He clutched the empty glass tightly in his hands, small cracks started to	ේ ්
He sobbed in pain, not due to the wound but due to this horrible hought that their evelyn will never going to love them now.  Ace was sitting on the bench of their mansion's garden. He was staring up at the sky.  Whenever evelyn didn't wanted to sleep, they used to sit here. She oved looking at these bright stars and storms used to admire her.	đ
ace took a shaky breathe as he felt cold air hit him bringing him back to the reality. He hated this, being away from her. He wanted to hug her, hide his ace in her neck. Ace was still lost in his thoughts when he felt some movements, he turned his head and saw max sitting close to the	đ²

Max started to lick his face making him smile, he patted his head.  Elijah was standing at the terrace smoking his fourth cigarette. Evelyn didn't like when they smoke so the trio decided to quit.	đ
The thought of evelyn thinking about them as some monsters hurt him. But he couldn't blame her, he felt even more bad at his houghts.  They couldn't blame her but still got angry on her that she found out everything.  Yould she let them come close to her, touch her, make love to her. She was far too perfect for them still they decided to make her theirs.	đ đ
He crushed the cigarette in frustration. He wanted to see her, he will. Elijah was walking towards their bedroom. He saw agatha dusting, he went towards her. Agatha saw him coming and bowed at him "did evelyn ate?" he asked her. "No master, i brought food for her but Mrs. Storm refused" she said sadly.  Agatha felt so bad for all of them, whenever she thought that they are getting close something bad happens. It was like as if someone had set their bad eye on them.	ਰੰ ਰੰ
Elijah sighed, they did lock her in the bedroom but couldn't let her starve. Even in ther anger storms cared for her.  He nodded at agatha and le.  He stood in front of the bedroom. "Open" he said and a click sound came. The door opened, he took a short breathe and entered. It was dark inside, he turned on the small lamp.  He roamed his gaze and found evelyn. His eyes so ened, her head was resting on the headboard as she laid there curled up in a ball.	
Elijah sat beside her. He li ed his fingers and removed the hair strand rom over her small cheek. His heart broke seeing that beautiful face covered in tears. They were the reason of it.  He placed his hand under her neck and other one under her back. He gently picked her up and placed her on his lap.  He hugged her tightly. "I love you so much" he whispered "mi dispiace tanto piccola mia per tutto" (so sorry my babyfor everything)he said so ly kissing her tear stained cheek.	<b>ේ</b>
He pulled her even more close if that was possible. Evelyn stirred a little as she started to wake up. She sighed, smell of strong cologne invaded her nostrils. She opened her eyes, evelyn felt warm, way too warm. She unknowingly started to struggle in his hold. Elijah growled loudly making her eyes go wide. Evelyn looked up, she gulped hard when she came face to face with elijah. He was staring at her intensely.	<b>a</b> °
They kept looking at each other.  Evelyn looked down thinking he was still angry at her. He placed a finger under her chin and made her look at him. "Agatha told me, you didn't eat" he asked sternly.  The so tone he was using just minutes ago vanished.  'You three didn't eat either" she said.  Elijah just stared at her dumbfounded.
