She felt a so touch on her cheek, she turned her head and saw elijah caressing her cheek. "What happened" he asked. Evelyn just shake her head but she felt ace's hand getting tight around her waist. She	 ਜੈਹ ਜੈਹ ਹਿ
"You're still thinking about noah" he asked. Evelyn's face fell. Their eyes so ened. Elijah placed his chin on her shoulder "i know you'll make him understand" he said. She sighed and tried to put the blanket over her face but ace stopped her "evelyn" ace called. "Noah is the most sensible ones in between us brothers but thinking about our past and talking about it is the only thing that triggers him" he tried to explain her. He cupped her face "i know you had good intentions but still a er so many years thinking about all those things again made us really mad especially noah, give him some time" ace	o 70
Ace was rubbing her back slowly. A er few minutes elijah checked her and saw she fell asleep. He looked at ace "what do you think" he asked. "What are you talking about" ace said "you know very vell what i'm talking about brother" he replied. Ace stayed silent. Elijah sighed "ace i don't think noah will talk to evelyn that easily" he said. They both knew that. "I'm sure evelyn will convince him, he can't stay away from her" ace said confidently. Elijah hummed in response. Both the brothers were worried for noah, he was way too sensitive regarding this matter. But it wasn't even his fault, how would you react when you stumble upon that pathetic past of yours in which you	ਰਹੇ ਹੈ
Ace and elijah could understand, noah needed some time alone right now and they knew only evelyn could handle him.  Evelyn stirred in her sleep as she felt something on her neck and face. She opened her eyes lazily, ace and elijah were placing kisses all over her face and neck.	a
"Good morning baby" they cooed. "Good morning" she mumbled. She noticed they both were dressed in their business suits. She started to get up but winced lowly, she	<b>°</b>
Elijah chuckled "here sweetheart" he said passing her an advil. She took it. "We told agatha to bring your breakfast here" ace said. "Thank you" she said with a small smile, she really didn't wanted to walk right now. She looked up at them, elijah knew what she was thinking. "Noah is in the study room, we tried to knock on the door but he wasn't ready to let us in" he said sadly as he placed his head on her shoulder.	т т
Evelyn nodded, she would've gone to talk to him anyways.	ď
He probably wouldn't let her enter inside. Evelyn took the key. They kissed her cheek. "We'll be back soon" ace said as they stood up from the bed. She nodded "bye" she said waving, they chuckled and also	ъ, ъ
Evelyn stood in front of their study room. Her palms were sweating. Ace and elijah were always the one who used to get really angry in these situations but noah always remained calm, yes he gave her punishments but he never got this angry with her and it was makng	a²

Her eyes landed on the figure who was sitting on the huge chair. All this was making her feel scared to her core. "N-Noah" she called hesitantly. She started to walk towards his chair when he abruptly stood up. Evelyn backed up a little, slowly he turned around. Evelyn's heart broke, his eyes were bloodshot. Her eyes traveled	J

"You want me to leave" she asked "yes" he grumbled. Evelyn stared at him for some time and then a small smile played on her lips. He raised a brow in confusion. She looked down, he followed her gaze.	đ⁴
Noah was telling her to leave again and again but holding her waist tightly, his cheeks turned a little red in embarrassment. Slowly she held his injured hand, he watched quietly as she looked at it. There were still pieces of glass stuck in his palm.	a

She took it out and went back to him. She bent down to his level and started to treat his hand. Evelyn kept her eyes down "it'll hurt a little" she said as she started to apply the ointment. Noah didn't even react while on the other hand

"Don't goplease" He whispered, it was barely audible but she heard him. He looked like	ື ສື ສື

Her heart broke when she heard him sobbing. "Noah" she whispered holding him tightly. She never saw him crying, he was always so calm and collected. Noah pulled her even more close making her fall on his lap. She came face to face with him, evelyn's heart dropped.	a
His face was covered in tears and his eyes were looking so scary. She couldn't understand whether she should pity him or fear him. "What was even our fault" he asked looking deep into her eyes. "Why did they do this to us, they w-were ready to sell me" he grumbled like	ď

Noah's eyes turned dark, he grabbed her hair. They stared at each other. She bit her lower lip making him groan. "You love to tease us don't you" he growled. "And you love to disobey us" he said, evelyn's heart raced seeing the dark look on his face. He pushed her down on the sofa and got on top of her, slowly he wrapped his hand around her throat as he rubbed his crotch over her.	් කී
She gulped hard. He buried his face in her neck and took a big whi "so fucking divine" he mumbled taking in her sent. She wrapped her arms around his neck as noah slowly sucked her neck, biting it hard.	ď

Evelyn started to rub herself on him making him growl. He held her hair "get up" he growled, she stood up, he took her towards the corner. He released his grip on her hair "hands on the wall" he ordered. Evelyn stared at him in confusion but one glare from him and she hurriedly turned around.	a
She turned her back towards him and placed her hands on the wall. Evelyn felt his warmness behind her which made her clench her thighs. Noah smirked, he li ed his foot and separated her legs. His hands went down under her dress "n-noah" SMACK!	
SMACK! "Ow" she whined, he smacked her ass hard. He grabbed the back of her neck "what did you just call me" he growled. "S-Sorry daddy" she whispered, all this was making her dripping wet. "Good girl" He harshly pulled the zipper of her dress down. "You little brat" he	a² ක්

He smirked and spread her ass cheeks and buried his face inside, licking her folds "oh god" she cried. Noah stuck his tongue inside her, evelyn scratched the wall in desperation.	තී සී
He licked fastly making evelyn's mind go crazy. Noah pulled out and sucked his finger and without any warning he entered his middle finger inside her pussy. "Ahh" she cried from the sudden pressure. He twisted his finger inside her "daddy" evelyn moaned. Noah stood up, he picked up her leg from his other hand while his	a

chest. He didn't stopped "n-no" she whimpered, he started to rub her clit making tears stream down from her eyes in pleasure. "Daddy i'm i-i-" she got cut o when she felt her orgasm coming. She	đ

He harshly turned her around, they stared at each other. He smiled almost mockingly "my babygirl wants to come" he teased. Evelyn pouted. He placed a kiss on her pouted lips "don't worry little one, daddy will fuck you so hard, you won't be able to walk for	
weeks" he whispered in her ears and her body shivered in ecstasy. She gasped when he spun her around, her naked back resting on his chest. He grabbed the back of her neck and bend her forward on his table. Her heart raced when she heard the zipper of his pant being	ď
pulled down. "Oh god" she gasped when she felt his manhood touching her butt. Noah removed his pants, he stroked his cock as he stared at his baby	ਕੇ ਕ
who was bent over on his desk. He sucked his fingers and rubbed it on her pussy, evelyn bit her lower lip hard. He gently massaged her womanhood earning satisfied moans from her lips.	
Noah pulled his fingers out which were now covered in her wetness. He positioned his dick over her folds and slowly rubbed on it. Evelyn groaned, her juices were leaking, she was beyond horny.	đ
He slowly entered inside her but then pulled out, he did this again and again making evelyn almost cry in frustration. He smirked, he gave her a hard thrust and entered inside "ahh" she cried. "Fuck" noah groaned. Slowly he started to move inside her	đ
"god! you feel so good amore" he grunted. His pace became faster, evelyn clutched the edge of table. Noah unbuttoned his shirt as he kept pounding inside her, he removed his	đ
shirt and threw it aside. He held her hips tightly "come on little one move that ass for daddy" he growled smacking her butt. Evelyn moved back and forth "umhhh" she moaned, noah watched	đ
her ass moving swallowing his dick inside. "Just like that-fuck yes baby, such a good little girl" he moaned. He sucked his finger and slowly entered it inside her asshole making evelyn squeal.	ď
"Keep moving" he ordered, she was panting heavily. He kept fucking her pussy as well as fingering her asshole. Noah grabbed her hair harshly, evelyn whimpered but her walls clenched even harder around him pushing noah close to his release.	ď
He tugged on her hair and with his other hand her grabbed her arm. And just like that he increased his pace. "OH GOD!" evelyn cried as his dick ripped her insides. He pounded

Noah smirked in satisfaction, he bit his lower lip as he increased his speed even more. Evelyn's body was jerking forward from his rough thrusts. She held onto the table tightly. "Umhh" she moaned. Her legs started to shake. "Cum amore" he mumbled.	a
Evelyn's nails dig in the furniture, her eyes rolled back as she went towards her high "noah" she cried, her voice wavered as her body shake uncontrollably. Noah bit on her neck, he kept pounding inside her. She moaned	
loudly as she released her juices. He kept going as he held her waist, he grunted. He could feel his cock throbbing "fuck" noah growled and with one last hard thrust he released his seed inside her.	a a
Sounds of their panting bodies echoed in the room. He held her tightly, evelyn was shaking still feeling her orgasm. Noah breathed heavily, he rested his sweaty forehead on her back. He	a
placed a so kiss on her shoulder and slowly started to pull out. His cum leaked from her pussy. He picked her up and took her towards the huge couch. He placed her down. Evelyn was breathing heavily, her mind was still a little blur.	a
Noah covered her with a blanket and got under it laying down beside her, pulling her closer. She looked up at him. He caressed her cheek "i love you" he said running his fingers	
through her silky hair which were a little messy from all his pulling while fucking her. Noah sighed, he placed his head on her chest. Evelyn wrapped her arms around him, he felt himself falling into a deep slumber.	ස් ක
 Evelyn stared at noah's sleeping figure, his body was practically on top of her as he held her tightly.	á
She li ed her fingers and caressed her cheek, her fingers trailed down on his naked back, it was covered with a skull tattoo. Beautiful yet scary.	å
Her eyebrows furrowed as she noticed scars under that tattoo, she had to look really closely to see them. Evelyn didn't had to think twice what caused them. She still couldn't believe they had to go through so much.	a
How could their parents be so cruel. Actually they didn't even deserved to call a parent. She took a shaky breathe. Slowly she placed her hand on noah's arms which was holding her waist tightly. She genlty rubbed his arm	a

His eyes opened, he looked at her maniacally "no" he growled "i'll eat later" he said leaving no room for argument. Evelyn sighed, it was almost lunch time he needed to eat something. "But i'm also hungry" she mumbled, noah frowned "you didn't had
