

There He Is Again, My Ex-Husband

Chapter 31 Really Don't Know Anything about Your Ex-wife

After getting the phone number, Julian did not leave at once, but said to Viggo again, 'Mr. Johansen, I didn't expect that you are also a talent scout, sparing no effort to nurture and promote newcomers in the company like this.'

Viggo naturally knew the hidden meaning in Julian's words. Julian saw that he had fancy for Emelia, and sarcastically said that he was sending Emelia abroad for training and giving her the opportunity to be an independent scriptwriter based on that reason.

He shook his head and laughed, 'Mr. Hughes, it seems you really don't know anything about your ex-wife. I am not a talent scout, but she's so excellent that we're willing to give her a chance.'

'When Nina introduced Emelia to me as a part-time scriptwriter, I gave her a random topic to work on and asked her to write a storyline as a test. The storyline that Emelia wrote turned out to be the most appealing among several new scriptwriters, and it was even spotted by Ms. Salkowski right away, who directly approached me and said she wanted to take on Emelia as a pupil.'

Julian's eyes flashed with a trace of surprise. Everyone knew that Kelaina Salkowski seldom train new scriptwriters herself, and he did not expect that Kelaina actually offered to tutor Emelia.

Viggo could see the surprise in Julian's eyes and spoke again, 'Emelia has always loved literature since she was young, winning prizes in

various writing competitions when she was a student. And She graduated as a student of honor of the dramatic literature program.

‘Even without me and Ms. Salkowski, she would still be a shining new star in the screenwriting world.’

Chapter 32 Dispute Over the Script

‘My stomach isn’t feeling too well lately, let’s have some light Chinese food.’ Julian looked pale and refused Yvonne’s proposal.

Yvonne’s eyes went dim. She loved steak and other Western food, and so did Julian. She had always been proud of the fact that she was extremely compatible with Julian in terms of diet.

Yvonne tried to convince herself that Julian might really be suffering from an upset stomach recently, so she changed her expression to one of concern and asked him, ‘Stomach upset again?’

Julian nodded as he walked, his stomach didn’t seem to have been comfortable for the past year.

When he was with Emelia, Emelia helped him carefully with his diet three times a day.

At that time, she said that stomach problems should be slowly healed by diet, but he simply did not believe her. In this year after the divorce, reality told him it was truth.

Without a sound and sensible diet, his stomach problems were always on the rise.

Chapter 33 The Sky Isn’t Falling

Yvonne, as the real first love, could not accept the reversed ending of this script at all.

The reason she just mentioned this to Julian was that she hoped Julian would also find this ending bad and ask Emelia to modify the script in her capacity as an investor.

How could she have imagined that Julian would approve of this ending and not feel the least a bit bad about it?

‘Julian...‘

But the next second Julian interrupted her in a serious tone, ‘Yvonne, I’m doing a TV show now, not some children’s play.’

The implication was that he was happy with the current plot and she should stay out of it.

Julian’s words made Yvonne’s eyes red with anger. He was implying that she treated his project as a children’s play.

Of course she knew he was doing a TV show, when had she ever interfered with his works all these years?

Chapter 34 Emelia Picked Up by Viggo

Julian did not expect that Emelia had suffered a car accident, and for a moment he felt that his words just now were mean.

After a few moments of thought he called Emelia again to say he was sorry and to ask if she was hurt, but the call never went through and it was clear that she was deliberately not answering.

Julian then called David Brennan on the intercom and instructed, 'Send a driver to pick up a person from the suburban hospital.'

'Okay.' David answered and asked, 'Who is it?'

Julian spat out with some difficulty, 'Emelia.'

David was surprised, but took this task and prepared to leave.

Julian stopped him and said, 'Forget it, you go over and pick her up.'

David was his confidant and calm, and he could trust David.

David had also been with Julian for many years, so he understood his mind and proposed, 'Sir, why don't you go there yourself?'

Chapter 35 Thought Julian Didn't Like It

Emelia, who had completely calmed down, became chagrined again, and she said to Viggo, who was driving next to her, with slight concern, 'Mr. Johansen, will Julian be angry since I treat him like this today?'

A glint of gloom crossed the bottom of Viggo's eyes as he asked her, trying to be calm, 'You still care about him?'

'Not at all!' Emelia denied Viggo's words, 'What I care about is whether he will cancel his investment in our show out of anger, then I am in big trouble.'

Viggo hooked his lips and smiled after listening to her explanation, and it could be heard that he was in a happy mood.

‘So that’s what you’re worried about, huh?’ He smiled, ‘It’s okay, Julian is a businessman, he’s happy with this script and the production team. He won’t give up the chance to make a hit show because of something like this.’

Emelia said with relief, ‘That’s good.’

If the company lost this investment opportunity because of her bad attitude towards Julian, she would be really sorry to Viggo.

Chapter 36 Gossip

Emelia herself was satisfied with this ending, so she asked Viggo with slight worry, ‘Then do you think that Julian will ask to modify the script because of Yvonne?’

Emelia can guarantee on her own behalf that she never substituted her real-life experience of being a depressed and unloved wife into the characters of the script when she wrote it.

She made this script planning sensibly and with the overall picture in mind, from the richness of the plot, from the perspective of what the audience wanted to see, etc. She did not expect Yvonne herself to feel so deeply involved.

Viggo replied to her, ‘It depends on how much weight Yvonne has in Julian’s heart.’

Emelia lowered her eyes and murmured, ‘I know.’

Emelia felt that she would be likely to redo this script.

Julian and Yvonne were to get marry, so how could he not listen to Yvonne?

Besides the fact that Julian had brought Yvonne to the meeting with him today, he must have tacitly agreed that Yvonne could intervene in this script.

Chapter 37 Rob the Cradle

‘You have nothing better to do?’ Julian hung up the phone after yelling that to Ezra.

But he had to admit that his emotions were stirred up by Ezra’s words.

When he thought of Emelia sharing a room with that young actor, Harry Zink, he felt annoyance bubbling up from the bottom of his heart.

His eyes dropped and he saw the trending topic on Twitter. Harry was dressed in a very low-profile way, only his back and side face were captured, but because he was really outstanding in terms of appearance so he was still recognized by the fans passing by, therefore the building was surrounded by fans now.

Harry was carrying a big bag in his hands as if he was going to visit someone.

Julian remembered that Emelia had been involved in a car accident today and really needed a visit.

But it was a bit inappropriate for Harry to visit her in the middle of the night, wasn’t it?

She was twenty-six this year and Harry was only twenty, wasn’t she afraid that people would mock her for robbing the cradle?

Chapter 38 Julian Asks Her to Report Work

Harry's words frightened Emelia. Harry was a big hit now. If a fan found his whereabouts and broke this news in the chatgroup, many people from the same neighborhood would come out and gather under her department building.

The mere thought of that image scared Emelia. She hurried to the window and discreetly pulled the curtains and she could see several young girls downstairs.

Emelia closed the curtains with an overwhelming headache and turned her head to ask Harry, 'What do we do now?'

Compared to Emelia's breakdown, Harry was extremely relaxed and calm.

He put his tall, leggy body into Emelia's couch and gave a handsome smile, 'Then I'll stay here.'

Emelia was so anxious that she pulled her hair, 'Having a man and a woman in the same room together. Can you imagine what the rumors would be like?'

Emelia thought it was acceptable for Harry to come and visit her, but it would be inappropriate to stay overnight.

Not to mention that Harry was a popular idol, in case fans found anything about her based on any clues, she would definitely be in trouble.

Chapter 39 Who Do You Think You Are

Half an hour later Emelia still appeared at the Hughes Group for no other reason than that, the investor is the God.

Emelia went upstairs by taking lift, she knew the place quite well as she used to bring lunch to Julian.

Not long after they got married, she had a horrible experience when Julian had a stomach attack in the middle of the night and was sent to hospital. Since then, she had been doing her best to help Julian to take care of his health, cooking three meals a day herself, following the recipes given by the doctor, without missing a single one.

Outside Julian's office, Emelia took a deep breath and knocked on the door to enter.

Julian was sitting at his desk and Emelia was stunned when she glanced at him.

Because Julian was wearing a light grey shirt with a black tie around his neck, his outfit looked like they were a couple.

Before she left the house, Emelia changed into a formal outfit, a light grey linen suit with a black camisole under the top.

Chapter 40 A Dime A Dozen

'Yvonne!'

Yvonne's hand about to land on Emelia's face was caught halfway by Julian.

Julian squeezed Yvonne's wrist hard and roared with fire, 'What are you doing!'

Yvonne's eyes instantly turned red as she stared at Julian and said stoically, 'Julian, she is so shameless to come to you in the middle of

the night to talk about work. What is her intention? Have you forgotten how you were once set up by her?’

For a moment, Emelia was grateful because Julian had helped her block Yvonne’s slap, yet Julian’s cry of Yvonne brought her back to her senses.

Yes, they were about to get married and they were a family.

Just like the last incident with Caroline, to Emelia, Julian stopping Yvonne did not seem like he was trying to protect her, but rather defending Yvonne.

Yvonne was a popular actress and the future Mrs. Hughes, if she really slapped her in the face, it was not good for Yvonne and the Hughes family if word got out.

Thinking of this she took a step back, hooked her lips and sneered at Yvonne, ‘Miss Sullivan, you might as well ask Mr. Hughes why I showed up here in the middle of the night to talk about work.’

Emelia’s face full of mockery caused Julian to press the tip of his tongue hard against the back of his teeth, and he said to Yvonne with a sullen face, ‘I’m the one who asked her to come.’

Incredulity was written all over Yvonne’s face. She didn’t think Julian was the kind of person who would call a woman to his office in the middle of the night to talk about work.

What was more, that woman was his ex-wife, the one he used to dislike and despise.

Emelia did not care whether Yvonne believed it or not, and said with a calm expression, ‘Yvonne, when I made the decision to divorce, I

never thought I would have any dealings with this man again in my life.

‘One should not cross the same river twice; let alone he is such an arrogant and selfish man.
