Chapter 1271 Useless waste

“Oh?” Rong Shu’s heart beat faster, and her fists could not help clenching tightly. She urged, “Come on, tell me what kind of clues it is.”

Seeing that Rong Shu was eager to know Gu Manyin’s clues, Meng Ke was happy.

After all, the more Rong Shu cares about this, it means that the more Rong Shu hates Gu Manyin, the more he wants to find Gu Manyin for revenge.

As long as Gu Manyin is dead, her years of hatred can also rest in peace.

Thinking of this, Meng Ke took a breath, suppressed the excitement in her face, and replied, “Gao Meiling said, Gu Manyin once appeared in Kimchi Country.

” Meng Ke shook her head, “

I don’t know about that, nor does Gao Meiling. Gao Meiling’s friend only told her that Gu Manyin did appear in Kimchi Country once, and Gao Meiling’s friend’s friend accidentally happened to be at the airport of Kimchi Country. I saw it, but at that time, Gao Meiling’s friend’s friend didn’t care about this detail. He came to China to gather with Gao Meiling’s friend and learned that Gao Meiling’s friend was looking for Gu Manyin, so he suddenly mentioned this matter. After that, Gao Meiling’s friend continued to investigate and found out that Gu Manyin had appeared in the capital again last month.”

“The capital!” Rong Shu’s expression changed.

Meng Ke hummed, “Gao Meiling’s friend said that she appeared in the capital, but she didn’t see Gu Manyin with her own eyes, she just went to the police to do some work, and heard that a woman named Gu Manyin had been logged out by the police. Hukou, other than that, there are no other clues, but what is certain is that Gu Manyin is indeed still alive and has appeared in the capital. Now Gao Meiling has set off for the capital and is ready to start an investigation from the police. I’m going to find out Gu Manyin, so Miss Rong, if you and Mr. Fu also check, it will definitely be faster than Gao Meiling, after all, your power is bigger than Gao Meiling.”

Rong Shu’s heartbeat was still fast and calm . down.

There was no way, it was Meng Ke’s clue, which made her care too much.

She had always wanted to find Gu Manyin, but Gu Manyin seemed to have evaporated from the world. No matter how she looked, she couldn’t find any whereabouts.

Even if they were as powerful as Fu Jingting, they couldn't find it, which shows how much Gu Manyin hides.

Now, someone finally told herself that the places where Gu Manyin once haunted made her not excited.

"Meng Ke, since you have so many clues, I don't care if you want to take revenge on me." Rong Shu looked at Meng Ke.

Meng Ke was overjoyed and was about to say something.

Rong Shu said again, "And don't worry, if we really find her this time, I will let you know, and I will also let you meet. You can do whatever you want."

Wen Yan, Meng Ke's eyes It was bright, and he bowed excitedly, "That's great, thank you Miss Rong."

Rong Shu patted her on the shoulder and walked quickly past her.

She wanted to tell Fu Jingting the news.

Soon, Rong Shu returned to the previous rest area, and from a distance, he saw a man sitting on the sofa, who was out of tune with the people around him and became a world of his own.

The man closed his eyes slightly, as if he was taking a nap, but the red wine that was shaking in his hand showed that he didn't take a nap, he just didn't want to open his eyes to see the world.

"Jing Ting." Rong Shu walked over and called the man softly.

The man's shaking of the red wine stopped, and the next second, his eyes opened, and the figure of the woman came to him.

The woman is slender and graceful, and she looks particularly good when she walks, especially her slender and swaying waist, which is even more eye-catching.

Fu Jingting glanced coldly at the men who peeked at the women, full of warning.

Those men noticed his displeasure, and hurriedly shrank their necks, looked away, and dared not look again.

Beauty is beautiful, but life is more important.

The men thought with a sigh.

And the women, especially the group of young ladies, rolled their eyes to the sky, scolding these superficial men in their hearts.

Don't they look good?

Why do you have to stare at Rong Shu alone?

pissed them off.

Of course, Rong Shu didn't know about these people's little Jiujiu. At this moment, she stopped in front of the man and showed a beautiful smile to the man.

The man looked at her, his eyes darkened, "Come back?"

"Well." Rong Shu nodded slightly, "Come back."

Fu Jingting put down the wine glass, grabbed her wrist, pulled her to his side, sat down, and sat down beside her. Everyone in the banquet hall glanced at her intentionally or unintentionally and took her into their arms.

The crowd sighed instantly.

Hey

, we hugged as soon as we met, is it so inseparable?

Of course, no matter how much everyone complained in their hearts, they couldn't stop their actions.

Although Rong Shu was a little embarrassed, she still didn't push the man away. She just blushed and said to the man, "Okay, let me go, everyone is watching."

"If they want to see, let them see, we hug us. Yes, I miss you."

Fu Jingting rested his head on Rong Shu's shoulder, and said in a low and hoarse voice, with a faint hint of coquettishness.

Rong Shu was a little funny, "We didn't separate again, why are you doing this?"

"Who said no, we were separated for an hour." Fu Jingting raised his head and looked at her seriously.

As if it were a very serious matter.

Rong Shu looked even more amused.

“It’s only been an hour, you’re like this, I thought it was a long time apart.” Rong Shu said.

Fu Jingting put his head back on her shoulders again, “For me, it means that we have been separated for a long time. I can say so accurately that we have been separated for an hour, which is enough to show that during this hour, I was always there at any time. Looking at the time, I miss you, how about you? Did you miss me?”

Rong Shu rolled her eyes, and replied dumbfoundedly, “Of course, I miss you too.” “

If she said she didn’t want to, she could guarantee that there would be no end to dog men.

Sure enough, hearing that Rong Shu also missed herself, Fu Jingting was instantly happy, and her thin lips raised.

Although the arc was very shallow, she kept paying attention to them at the banquet. Even the people who were in my life saw it. For a while, I couldn’t help but feel amazed.

My god, Mr. Fu actually laughed, and he smiled so sweetly.

Tsk tsk, I never thought that Mr. Fu would be in love like this

. It’s no different for ordinary people to fall in love.

Of course, this is what men think.

And women are even more sour and envious of Rong Shu.

It is precisely because Fu Jingting is in love that he is no different from ordinary men. , which made them even more envious of Rong Shu.

Because at first, they thought that even if President Fu was in love, he was the one who was on top, who didn’t like to laugh and needed to be coaxed by the woman.

But now they know that their past thoughts were simply Wrong, Mr. Fu was the one who took the initiative. When he was with Rong Shu, he would not show his superior side at all, nor would he be rigid all the time, treating Rong Shu as his subordinate, and it took Rong Shu to spend. More energy to maintain this relationship.

But anyone with a discerning eye can see that President Fu is the one who relies more on Rong Shu.

How good! The

women are full of emotion.

Of course, they are envious, but they still don't plan to do anything.

After all, they know very well that no matter what they do, they will not succeed. Instead, they will provoke revenge from President Fu, and implicate the family behind them.

. Very angry and indisputable, the whole popularity is not good.

These useless bastards!

Read This Time, I Will Get My Divorce Chapter 1272

Chapter 1272 – Su Man died of anger

How likable Fu Jingting is to women, she knows very well.

After all, Fu Jingting's status and appearance are there, that is a golden mountain, no one wants to think about it.

But they have never gotten this golden mountain, so these women are not easy to fight.

But isn't there a woman who got this mountain of gold?

How can these women still be stable?

Shouldn't you secretly make a move and pull this woman down?

This is the normal development routine.

So now these women are sitting there moving, only looking at Rong Shu with envious eyes?

Move, calculate Rongshu!

Could it be that they thought that sitting there and looking at Rong Shu and envy, Rong Shu could leave Fu Jingting?

bah!

Dream on!

For a time, Su Man hated these indifferent women in his heart, feeling that these women were not only waste, but also stupid.

Some things have to be fought for by themselves, and none of these women are really angry with her.

Su Man couldn't look at it anymore, only felt his stomach full of fire, and finally snorted coldly, mobilized his wheelchair and left the banquet hall.

She was afraid that if she stayed any longer, she would really be angry with these women.

I will also be tormented by the loving scene of Fu Jingting and Rong Shu.

Of course, neither Rong Shu nor Fu Jingting knew all this.

Even if you know, you won't care.

Fu Jingting listened to Rong Shu's words and reluctantly let her go.

She sat down beside him.

Fu Jingting picked up a glass of juice that had been prepared for her long ago, and was ready to give her when she came back, "See you came back smiling so happily, did you negotiate?" "

Rong Shu took the juice handed by the man, and frowned sadly at first, "I just drank too much grape juice over there to accompany my wife, and my mouth is still sour at this time, I don't want to drink it." "

"Then don't drink, drink some white water." Fu Jingting said, took the juice away from her hand again, and stuffed her with a glass of white water again.

Rong Shu smiled with satisfaction, took a sip of water and replied, "Yes, it's agreed, ask me to go to the mall tomorrow to see the counter, the counter on the second floor, except for the most central position, the rest is at my choice, and this is exactly the counter position that my current status can take, from this point of view, the banquet host husband and wife, not because of our relationship." , Just gave me the green light and took care of me, which made me feel very happy, and at the same time let me know that this negotiation was really negotiated by my own ability, not because of you. "

Fu Jingting was so happy to see her, and he was happy for her in his heart.

rubbed her soft hair and praised softly, "Yes, I know you're the best." "

"I think so too." Rong Shu raised her delicate chin with a smile.

Probably because of what she did on her own, so at this moment, she did float a little.

Fu Jingting also saw it, but did not remind her, but looked at her with a pampered face.

If you can do something by yourself, you can float around.

Otherwise, it is also a reward and recognition of yourself.

As long as it doesn't float to the point of no reason.

"By the way, Madame also praised me for drinking very well, saying that if there is any wine exhibition in the future, she will contact me to go with me." Speaking of this, Rong Shu was a little embarrassed, "You don't know how weak I was at that time, for fear of exposing that I was not drinking, but juice, and at the same time feeling a little sorry for Madam, after all, Madame admired me so much, and said that she wanted to invite me to the wine fair, obviously Madame regarded me as a friend, but I

"Don't worry." Fu Jingting put his hand on her shoulder, and his big hand gently pinched her round and white shoulder, "When it is exposed later, just send some gifts to make up for it, she is not a stingy person, she can understand you." "

"I think the same way, but I still feel sorry for her." Rong Shu sighed.

Fu Jingting patted her shoulder and did not speak.

It's useless to talk about more, there are some things that she needs to figure out on her own.

otherwise it's futile.

Fortunately, Rong Shu is indeed not a person who likes to be too entangled in one thing, and after being quiet for a while, she returned to her normal mentality, and then wrapped her arms and looked at the man with a smile.

When the man met her such eyes, he choked in his heart, and inexplicably had a bad premonition.

She looks terrible.

Don't look at it is smiling, but the smile is very fake, at first glance it is a laugh that is forced out of the fire, and then it will explode in the next second.

So, where did he mess with her?

But Fu Jingting thought for a while, and didn't expect where he provoked her, so his thin lips moved, and he asked directly, "What's wrong?" "

"I heard that someone is very lucky, after I left, there were beautiful women to talk to, and the beauty likes you very much, and the inconvenient legs have to come to you to meet you, this is really a model of physical strength, which makes me admire it." Rong Shu said with a smile.

But the sour taste and yin and yang weirdness in the tone are not concealed at all.

Fu Jingting raised his eyebrows, knowing what she said, a little funny.

“You said Su Man that woman.” Fu Jingting folded his legs.

Rong Shu snorted.

The man took her hand, bowed his head and kissed the back of her hand, “Jealous?” “

Fu Jingting withdrew his hand, “No.” “

“Not yet, my mouth is pouted, I can hang the oil bottle.” Fu Jingting’s slender index finger scraped Rong Shu’s red lips.

Naturally, his fingers were stained with some lipstick.

Rong Shu gave him a white look, “You can hang the oil bottle in your mouth, quickly wipe it, don’t get on your clothes.” “

She took out a wet towel from her delicate handbag and tore it and threw it to the man.

When the man saw her eating, he did not forget to care about himself, and laughed lowly, “Don’t worry, I can’t have anything to do with that woman.” “

He rubbed his fingers as he soothed her.

Rong Shu’s attitude softened, “I know, if you really look at that woman, I will look down on you, that woman is not a good person at first glance, if you look at her, it is enough to show how bad your vision is, but even so, I am still a little uncomfortable in my heart when I learn that she came to talk to you.” , I hate her, and she shouldn’t be treated in the hospital at this time, why did she come to the banquet? “

“Sioux City’s orders, she dare not disobey.” Referring to these two people, Fu Jingtingjun’s face sank, “Of course, she is also happy to appear herself.” “

Rong Shu pouted, “This father and daughter are really annoying, what did you say?” “

She asked curiously.

Fu Jingting did not hide it from her, and briefly said some of the conversation between himself and Su Man at that time.

After hearing this, Rong Shu was extremely shocked in her heart, and her voice couldn’t help but rise, “What?” Not a biological father and daughter? “

Fu Jingting raised his chin noncommittally.

Rong Shu's mouth grew big, and it took a while before she barely slowed down, and her voice was hoarse because of shock, "How can this be?" When you investigated Su Man's identity, didn't you find out that she was Su City's illegitimate daughter? At this point, the census system and the family relationship network also show that it is father and daughter, why is it not father and daughter now? My head is a little big. "

She held her forehead.

It's not big enough, it's not faint.

was shocked by this news.

Su Cheng and Su Man are actually not father and daughter!

This.

Chapter 1273 – Follow Your Plastic Surgery

Fu Jingting knew the shock in her heart, and signaled her to drink saliva first to calm down.

Rong Shu did.

After drinking the water, she temporarily suppressed the shock in her heart a little, looked at the man and asked, "Why is this suddenly not a father and daughter?" Was your investigation wrong? Or is something wrong on the system? "

Fu Jingting nodded, "My investigation is not wrong, it is precisely because of the mistake in the system, so my investigation results have become wrong, the Chinese people believe in the country, including me, so when I saw the father-daughter record displayed by the national system, I didn't think much and believed it, until I found something wrong later, I began to wonder if they were father and daughter, and then I spent a lot of time investigating, getting their DNA samples, and finally identifying them as not their own father and daughter. "

"Hiss" Rong Shu gasped, "Then say, Su City is in these relevant departments, isn't there someone?" Then his power, we have to reassess, this is definitely beyond our initial calculation, much greater than we imagined. "

If this is the case, Sioux City will be even more difficult to deal with.

Fu Jingting touched her head, "Don't worry, what you think of, I naturally thought of it, I have notified the Cheng family, the Cheng family is helping me investigate whether there are people from Sucheng in these systems, what is the relationship with Sucheng,

Sucheng is just a businessman, and there are no ancestors on it who are meritorious services, Therefore, if it is found out that a businessman can intervene in the national system and get clear evidence, then I can not worry about involving more than 100,000 employees of the two groups at any time, directly let the state take action, and finally ask people over. “

“Then it is a good thing to find out that these two people are not biological father and daughter.” Rong Shu’s eyes lit up.

Fu Jingting was noncommittal, “Almost.” “

“But even if Su Man is not Su Cheng’s daughter, he can’t clear that Su Cheng is still cheating, and he is still sorry for your mother’s affairs.” Rong Shu pouted and said with disdain.

Fu Jingting sighed, “I have never lightened my hatred for Su City in my heart because of such a thing.” “

“But speaking of which, why did Sioux City find a stranger to be his daughter? What about the purpose? Rong Shu frowned her good-looking eyebrows.

The man coughed a little embarrassed.

When Rong Shu heard it, she narrowed her eyes slightly and looked at him suspiciously, “What do you mean?” It shouldn’t have anything to do with you, right? “

The man saw her and immediately guessed the key reason, and awkwardly touched the tip of his nose.

Rong Shu exclaimed, “Is it really related to you?” “

“Yes.” The man knew that he couldn’t hide it, and he never wanted to hide it from her, so he lightly opened his thin lips and said slowly: “Su Cheng asked Su Man to be his daughter, let Su Man secretly come to Haishi, but deliberately hid Su Man’s identity as his ‘daughter’, in order to get close to me, be Su Cheng’s eyeliner, pass on my news at any time, and also want to use beauty to make me fall.” “

When he said the three words of beauty count, Fu Jingting looked at Rong Shu’s eyes and became a little cautious.

He was still afraid that she would not be happy.

Even if it’s not his fault.

But he cares about her mood.

Sure enough, after listening to Fu Jingting's words, Rong Shu was still angry.

But it's not angry with Fu Jingting, but angry with that Su City.

She bit her lower lip, her eyes filled with angry flames, "That old thing really doesn't want to face, this kind of trick can be thought of, and the beauty is still a trick?" Is he so sure he will succeed? "

Fu Jingting is not a lecherous man.

How could he give him a woman that he would definitely like?

Sioux City is afraid that it is not hysteria.

Rong Shu thought with disdain in her heart.

However, Fu Jingting looked serious.

Seeing this, the contempt in Rong Shu's heart suddenly disappeared, replaced by a solemn and cautious one, "Fu Jingting, should you really like that woman Su Man?" "

When Fu Jingting heard this, he glanced at her speechlessly, "What do you think, how is it possible!" "

Rong Shu breathed a sigh of relief in her heart, but her face was not happy, "Since you won't, then what did you just do with that expression." "

"I was just thinking, didn't you find that Su Man looks like a person?"

Rong Shu was stunned for a moment, and then asked, "Like who?" "

Fu Jingting didn't speak, just looked at her fixedly.

Rong Shu was covered in hair by his deep gaze, and finally realized something, and her eyes widened in disbelief, "No, you mean, she is like me?" "

She pointed to herself, her voice sharp.

Obviously, this recognition made her somewhat unacceptable.

She stared at the man, desperately hoping that he would reject her guess.

Eventually, however, her hope disappeared.

The man nodded slowly and answered her guess, "That's right, she is very similar to you, her eyebrows are almost exactly like you, it can even be said that she has plastic

surgery according to your appearance, but she is afraid that we will see it at a glance, so the whole thing is very vague, not exactly according to your appearance, just the eyebrows are the same as you.” “

“How is this possible?” Rong Shu’s red lips moved, and her voice trembled a little.

Apparently there is a lack of believability to believe this fact.

However, she knew that men would not use this kind of thing to amuse her, so this matter was most likely true.

So, Rong Shu quickly closed her eyes and began to recall Su Man’s face in her mind.

I want to find out what Su Man is not like himself.

However, after reminiscing, Rong Shu’s face gradually turned white, because she found that the truth was exactly the same as the man said, Su Man’s eyebrows were exactly the same as her.

The reason why she didn’t find it before was because she was used to seeing her face and didn’t care about her appearance, so she didn’t find Su Man’s eyebrows at first glance with herself, and she didn’t feel comfortable or wrong, so she hadn’t found it until now.

including men.

At first, I only felt that Su Man’s aspect was a little subtle, but I couldn’t say that it was subtle.

It wasn’t until Zhang Cheng reminded him that he suddenly became enlightened.

“What you said is true” Rong Shu opened her eyes and finally accepted the unacceptable thing that Su Man had plastic surgery according to herself.

What if it is not acceptable?

People are all in order, and they can only accept this reality.

If you know that someone wants to have a plastic surgery according to yourself before plastic surgery, you can also stop it.

How to stop it now?

Rong Shu only felt that her head was bigger.

“By the way, how did you find out?” After rubbing her eyebrows, Rong Shu looked at Fu Jingting and asked.

Fu Jingting pursed his lips, “I didn’t find out, it was when I learned that Su Man was not Su Cheng’s daughter, Zhang Cheng reminded me, I suddenly wanted to understand that everything was a conspiracy, Su Cheng let Su Man look like this, appeared in front of me, in order to let me remember her at first glance, so that it would be more convenient for Su Man to approach me, because they knew that if they appeared in front of me with other people’s faces, they would not let me look at her more, or even remember her, only with a face similar to yours is possible.” “

Rong Shu pursed her red lips, “Then they really tried their best, but unfortunately, they made a mistake.” “

Speaking of this, Rong Shu looked at Fu Jingting and smiled, “They didn’t expect that you didn’t find Su Man similar to me at first.” “

Fu Jingting took a sip of his red wine, “That’s right, in my heart, you are unique, I never felt that there were other people like you, so from the beginning, I didn’t find that Su Man deliberately followed your plastic surgery, otherwise, maybe I would really be impressed by that Su Man at the beginning, of course.” “

Fu Jingting hurriedly looked at Rong Shu and added, “My deep impression here refers to my extreme dislike for this woman from the beginning, there is no other meaning, don’t think about it.” ”

Chapter 1274: I won't be deceived

Seeing the man’s desire to survive, Rong Shu was amused, and she did laugh out loud, “I know, I didn’t misunderstand, and I didn’t think too much about it, if you see someone who looks a lot like me, but If you don’t care, that’s the big problem, it means you don’t pay attention to me at all.”

Hearing this, Fu Jingting breathed a sigh of relief.

She’s not misunderstood.

“However, Su Cheng and Su Man really have sinister intentions.” Fu Jingting frowned, his eyes full of disgust for these two people, “Su Cheng specially made Su Man look like this because he thought I would Su Man’s face is similar to yours, and she keeps Su Man by her side. From now on, Su Man can be Su Cheng’s traitor and send my news to Su Cheng at any time, but they didn’t expect it, and I never saw it. How is Su Man

similar to you, that's why Su Man has never had the chance to approach me, so she deliberately started with you."

"You mean, Su Man has deliberately targeted me, provoked me, and destroyed our gifts. It is to create a strong impression on us, let us remember her firmly, instead of treating her as a dispensable stranger." Rong Shu pursed her red lips and said.

Fu Jingting nodded, "If Su Man didn't jump up and down like this, for us, she is indeed a little person who doesn't deserve our attention, and we might forget her in a blink of an eye, then she doesn't even talk about being a traitor in Su Cheng, and even appears. There is no chance in front of us, so she will do these things, but it turns out that she is right, we are really impressed with her and remember her."

"Really." Rong Shu shrugged her shoulders.

Fu Jingting rubbed his temples, "Su Man's mission is to be a beauty trick, even if she knows that she may not succeed, but her face is there, she will not give up, so she came to me specially tonight, and this is what she wanted to pay attention to. , but she didn't expect that I found out that she was not the illegitimate daughter of Su City, and I exposed it directly in front of her. If she came, her beauty plan would be completely shattered."

"That's a good thing. Rong Shu folded her arms and smiled, "At least, she won't seduce or seduce you secretly or secretly in the future."

Fu Jingting was noncommittal, "But this woman is very scheming. After I revealed that she was not Su Cheng's illegitimate daughter, she immediately pushed everything she did to Su Cheng, saying that Su Cheng forced her to do everything. Yes, she is innocent, and her reaction is so fast, it can be seen that she is not a simple character, what I want to know most now is who she was in the past."

Speaking of this, he narrowed his eyes, his eyes flashing coldly.

Rong Shu nodded slightly,

"Indeed, if it's just an ordinary orphan, Su Cheng probably doesn't like it, and definitely won't find him to do things for him, so this Su Man's previous identity is probably not simple." Rong Shu said looking at the man.

Seeing the man drooping his eyes and pondering something, she didn't bother and quietly drank the water in her hand.

After a while, the man sighed slightly, "No matter what her identity is, it doesn't matter whether this woman's mouth is true or not, whether Su Cheng forced her to do it, but she did it after all, and I will settle Su Cheng in the end. When the time comes, we will liquidate her together." The

man's face was cold.

Rong Shu had no objection to refute.

After all, Su Man really did these things, no matter whether Su Man was forced or not, Su Man is not innocent.

Doing is doing.

For whatever reason, once it's done, it's not clear.

"Okay, don't think about it for now, just tell me to go check it out." Seeing that the man's head was a little uncomfortable, Rong Shu quickly snatched the wine glass from his hand, then raised his arm and rubbed his temples.

The man looked at the woman with a concerned face, his thin lips twitched slightly, then he leaned halfway on her, closed his eyes, and enjoyed it with peace of mind.

Seeing this, Rong Shu shook his head amusingly, his hands kept moving, and continued to rub his temples with moderate force.

After kneading for a while, I suddenly thought of something, and the movements of my hands were temporarily hidden, "By the way, Jing Ting, guess who I met on the way back to you?"

"Male or female?" Fu Jingting asked with a frown without opening his eyes.

He didn't care who he met, only the gender of that person.

Women are nothing.

Men can't.

Don't look at the many peach blossoms around him, there are many women who like him.

But in fact, her charm is not bad, and there are many men who miss her.

Lu Qi and Cheng Huai didn't say anything, there was another Li Chuan in the capital.

These men are not like the women who adore him.

Those women who love him are afraid of him, so they only dare to think about him in their hearts, and dare not openly tease him.

Of course, there are also some neurotic women who don't take his warnings seriously.

But these women, he can deal with just a word.

The men who love Xiaoye Ye are different. Not only do these guys dare to tempt Xiao Ye Ye directly, but they are different from those women, they are all people who have a certain amount of power.

Therefore, it is not easy for him to deal with them.

It is not difficult for him to pack up individually.

But in case a few join forces, even him, it will be greatly hurt.

How could Rong Shu not know what the dog man was thinking, and gave him an angry look, "I tell you about people, you ask me about gender."

"People have gender." The man replied solemnly.

Rong Shu was angry and funny, "Forget it, I'm too lazy to talk to you, let me tell you directly, I met Meng Ke."

"Meng Ke?" , but there was still a look of doubt on his beautiful face, "Who?"

Rong Shu was of course happy when he saw that he had completely forgotten .

Even if she knew that he had nothing to do with that Meng Ke, but if he remembered that Meng Ke so clearly, she would feel a little nervous in her heart.

"The daughter of the Meng family's daily chemical is also Gu Manyin's former valet." Rong Shu rubbed the man's temple as a reminder.

When the man heard her mention Gu Manyin, he suddenly remembered that Gu Manyin was often accompanied by a woman.

"It's her, she bullied you?" Fu Jingting opened his eyes abruptly, his eyes full of fierceness.

As soon as she admitted it, he immediately went to clean up the meaning of the woman. Rong Shu lightly patted the man on the shoulder, motioned for the man to calm down first, and then replied, "No, I just bumped into her, but it was

n't because she bumped into it on purpose, just accidentally."

Ke's words were ugly, but this incident was indeed accidental, not intentional.

She also doesn't like to distort the truth, so she becomes the truth.

But the man's face was still very bad, "Did you bump into somewhere?"

"No." Rong Shu shook her head, "It was just a bump on the shoulder, it hurt at the time, but it's fine after that, Meng Ke is even worse than me, she fell. What a bum."

After speaking, she couldn't help laughing out loud, "But this is not what I want to tell you, but Meng Ke gave me clues about Gu Manyin's whereabouts."

Fu Jingting immediately removed her from her arms Li straightened up, "What did you say? The clue of Gu Manyin's whereabouts?"

"Yes."

Fu Jingting stared at her, "How could a small person know this? I didn't find out, how would she know? Did she lie?"

Rong Shu bit her lower lip, "In the beginning, I also thought she was lying to me, but I have been observing her expression and eyes, I don't think she lied to me, unless she herself is also being lied to. Lied, but I don't think the possibility is high, because the person who told her was Gao Meiling."

Chapter 1275 Liu Linlin ran away

"Gao Meiling?" Hearing this name, Fu Jingting's face instantly became so complicated.

Rong Shu had been observing his reaction to the name, and after capturing the complexity, her red lips pursed.

Sure enough, the dog man knew about Gao Meiling's release from prison.

Otherwise, when she heard that Meng Ke had seen Gao Meiling, she was not surprised at all.

Seemingly aware of the look in the woman's eyes, Fu Jingting's thin lips moved, "That"

"Don't tell me yet?" Rong Shu looked at him with a half-smile, "When did Gao Meiling get out of prison?"

Fu Jingting knew it was time to come Sooner or later, he sighed in his heart, and his expression soon returned to normal, "I came out after my second month in prison."

"So early!" Rong Shu frowned.

Fu Jingting raised his chin noncommittally.

Rong Shu looked at him, "Why didn't you tell me about this?"

She expressed puzzlement.

Fu Jingting lowered his eyes and explained in a deep voice, "I don't want to make you unhappy if I don't tell you, after all, I managed to get someone in, but she came out after a while, and no one can accept it, so I'm hiding it from you. ."

Rong Shu stared at the man for a while.

Knowing that a man is doing this for his own good, but in his heart, he is somewhat uncomfortable.

So for the next two minutes, Rong Shu ignored the man beside him.

Fu Jingting also knew that her deliberate concealment would make her unhappy, but she did not regret it.

He gently put his arms around her shoulders and reassured her softly, "Don't be mad at me, I only found out about this after the fact."

Rong Shu looked at him.

The man replied, "The reason why Gao Meiling was able to come out was that her second grandfather exchanged her life's merits. Her second grandfather was injured in wars in the early years and has no offspring. Gao Meiling is the best for him, so he can't see it. Gao Meiling spent her whole life in prison, so before she died, she exchanged her credit for her work."

"That's actually the case." Rong Shu frowned, "Then this old hero is really confused, doesn't he know that he Who is the grandniece? He actually let the bad guys out."

"He is really old and confused, but in fact, it is normal. Many people are smart and capable when they are young, but they will be dull when they are old, especially for such old-fashioned thinking. For the elders of the descendants, he likes Gao Meiling, so he regards Gao Meiling as his descendant, and naturally he will not watch Gao Meiling spend his life in prison."

"So, to exchange his merits for Gao Meiling's freedom, really"

Rong Shu sighed.

Gao Meiling is undoubtedly lucky.

"After Gao Meiling came out, the prison contacted me and told me the reason for Gao Meiling's release from prison. I hope I understand. Of course I can't understand, but I can't do anything. After all, people exchanged their merits for merit, and I can't stop it." Fu Jingting said with a cold face.

Rong Shu is no longer angry with Fu Jingting, just as he said.

In exchange for merit, he couldn't stop it.

This is the benefit of the country for the meritorious deeds that have made great contributions to the country during the war.

Of course, after the merits were exchanged, the old man's weight in the country would not be so important.

But people are dead, and that doesn't matter.

"Of course you can rest assured that after Gao Meiling comes out, she is not absolutely free. She will always be monitored. Once she has bad intentions, she will be controlled immediately." Fu Jingting was afraid that Rong Shu would definitely be like ordinary people after Gao Meiling came out. Live, quickly explain.

Rong Shu nodded, "That's good, now Gao Meiling is looking for Gu Manyin's whereabouts in all aspects. Meng Ke said yes, Gu Manyin lied to Gao Meiling, so Gao Meiling wants to find Gu Manyin for revenge.

"I know." Fu Jingting raised his chin.

Rong Shu was slightly surprised, "Do you know that Gao Meiling is looking for Gu

Manyin?" Fu Jingting was noncommittal, "I know, since Gao Meiling came out, she has been looking for Gu Manyin's whereabouts. Regarding Gao Meiling's plan to take action, Gao Meiling and Gu Manyin had a good relationship in the past. Maybe she will know some clues about Gu Manyin's whereabouts, so I have been sending people to monitor her secretly, and I plan to wait until I find Gu Man. After the announcement, I will bring her back to the prison again."

Although the prison let him understand the reason why Gao Meiling came out, how could he really accept that Gao Meiling was at ease outside.

While he promised the prison that he would not pursue Gao Meiling's release from prison, he secretly planned to design some traps for Gao Meiling to make Gao Meiling break the law again. She was guaranteed to come out.

It's just that when the idea first came up, she found out that Gao Meiling was looking for Gu Manyin, so she suppressed the idea again.

It was decided to let Gao Meiling look for it. After Gao Meiling found Gu Manyin, wouldn't it be better for him to catch him all at once.

"That's fine." Rong Shu nodded, and then added, "When Meng Ke and I met just now, Meng Ke said that Gao Meiling revealed to her some clues that Gu Manyin had appeared before, one was in Kimchi Country. , One is in the capital. These are Gao Meiling's former friends. For the sake of having a good relationship with Gao Meiling in the past, they helped Gao Meiling to find them. Although their power is far less than yours, the way to find someone But it can be all kinds of strange, so maybe this is true."

"Kimchi country, the capital" Fu Jingting narrowed his eyes and murmured these words again.

Suddenly, something flashed in his mind, but it was so fast that he disappeared without catching it at all.

However, Fu Jingting had no intention of disappearing.

Intuition told him that the things that flashed in his mind just now were very important.

important enough to beFind the key to Gu Manyin.

It just disappeared all of a sudden, making him a little annoyed.

Seeing the man's bad expression, Rong Shu was a little worried, "What's the matter?"

Fu Jingting shook his head, "It's okay, Meng Ke's clues, I will go to verify and let Zhang Cheng send people to investigate these two places, although it has been a long time. , but if the surveillance is still there, it's a good thing."

Rong Shu hummed twice, "That's right."

Fu Jingting took out his mobile phone and prepared to call Assistant Zhang.

As soon as the phone was taken out, Assistant Zhang nodded.

Seeing this, Rong Shu covered her lips and smiled, "You and Assistant Zhang really have a tacit understanding."

Fu Jingting's face was black.

He expressed that he did not want to have a tacit understanding with a man at all.

But Fu Jingting didn't say anything. With a swipe of his thumb, he answered the phone, "What's the matter?"

“Mr. Fu is not well, Liu Linlin sneaked out.” On the other end of the phone, Assistant Zhang’s voice came out anxiously.

Although the amplifier was not turned on, Rong Shu was close enough to hear Assistant Zhang’s words, and said in surprise, “What? Sneak out?”

“Yes, Miss Rong.” Assistant Zhang nodded back.

Fu Jingting’s face was extremely ugly, “Aren’t she and Mrs. Liu waiting for me in the box, why did they sneak away? You didn’t send someone to guard them?”

Why did Liu Linlin sneak away and where would they go?

This is almost an open answer.

She will definitely come to the banquet to find him.

After all, that’s what Liu Linlin came here for tonight.

When Assistant Zhang heard Fu Jingting’s questioning, he straightened up and said, “Mr. Fu, I sent people to guard them again, but they said they didn’t want people to stare at them in the box, so they kicked our people out of the box, The box was guarded outside, and then Liu Linlin called the waiter into the box, stunned the waiter secretly, changed into the waiter’s clothes and ran away.”

Chapter 1276 Finally Meet

“I went, I actually used this method.” Rong Shu was stunned by Liu Linlin’s operation.

Fu Jingting’s face sank as if dripping water, “Who allowed the gatekeeper to let people in?” On

the other end of the phone, Assistant Zhang replied, “Mr. Fu, you only told them not to go out, but didn’t say no. They called people in, so Liu Linlin took advantage of this and ran away.”

Fu Jingting’s expression became even worse.

So, is it his fault?

Seeing him like this, Rong Shu smiled.

Fu Jingting rubbed his brows, "Is Mr. Liu still here?"

"Yes." Assistant Zhang nodded, "There is only one waiter who came in, so only one can go out. When Liu Linlin goes out, Mr. Liu naturally can only stay inside. "

Fu Jingting snorted, "Next, before I go there, no one is allowed to come in or come out, food and drink will be prepared for Mr. Liu, and people will come in every ten minutes to see it. Elder Liu's safety."

"Yes." Assistant Zhang nodded in response.

He knew very well that the so-called safety and security in Mr. Fu's mouth was false, and it was true that if Mr. Liu was not in the box, he would die or live.

"Also, replace two people to guard the gate. The previous two are sent back to the security company to re-train their eyesight. They can't even recognize the replacement. What's the use?" Fu Jingting pursed his thin lips. The command in a particularly bad tone.

Assistant Zhang also felt that even a bodyguard was really useless.

Liu Linlin passed by them, but they didn't recognize them.

It's time for a rebuild.

"Understood, I'll make arrangements, but Liu Linlin"

"She will definitely come to the banquet hall and find someone to find her." Fu Jingting ordered.

"Yes."

"In addition, there is one more thing." Fu Jingting narrowed his beautiful eyes.

Assistant Zhang listened quietly.

Fu Jingting spoke out his order.

After hearing this, Assistant Zhang exclaimed, "Gu Manyin still went to Kimchi Country?"

"Whether he went or not needs to be confirmed, so these are your next tasks." Fu Jingting said calmly.

Assistant Zhang became serious, "Understood, I will arrange for someone to go there, and the capital city too."

Fu Jingting hummed.

After the call was over, he put down his phone and was about to serve a glass of wine.

Rong Shu covered the wine glass with her hand.

Fu Jingting looked at her puzzled, "What's the matter?"

"Stop drinking." Rong Shu pushed the glass away, "You've had enough tonight, if you drink any more, you'll get drunk, drink some of this. "

She divided half of her own juice and put it in his hand.

Fu Jingting looked at the juice in the goblet, and suddenly smiled, "Okay, I won't drink any more, listen to you, drink this."

"That's right." Rong Shu picked up a delicate fork, forked a piece of fruit and ate it.

When she was done, she put down her fork and stood up.

Fu Jingting looked up at her, "Where are you going?"

"To the bathroom, I drank too much juice." Rong Shu picked up her bag and replied.

Fu Jingting put the wine glass back on the table, "I'll accompany you."

Rong Shu rolled his eyes at him, "Are you accompanying me? You want to go into the women's bathroom with me?"

"I'll wait for you outside." Fu Jingting stood up and said.

Rong Shu couldn't stop laughing, "No, I'm not a child, and I still need you to accompany me. I'm saying, there are so many people at the banquet, it's not good to be seen guarding the door of the women's bathroom, that's all right, you are here Wait for me here, I'll be back soon."

After speaking, she twisted her slender waist and walked towards the bathroom.

Fu Jingting just looked at her like this, looked at her twisting back, his eyes darkened, and took another sip of the juice.

In the bathroom, Rong Shu came out after undressing, and stood in front of the sink to wash her hands and touch up her makeup.

It is said to be makeup, but it is actually just a lipstick.

After drinking so much juice, the lipstick has long since faded.

Her makeup originally belonged to the heavy makeup. After the lipstick faded, the whole makeup looked uncoordinated, so she had to make up it in time to look good.

After finishing up the lipstick, Rong Shu turned her head to the left and right to look in the mirror, and after confirming that there was no flaw in the makeup, she put away the lipstick and walked towards the door of the bathroom contentedly.

As soon as he walked out of the door of the bathroom, a waitress came in front of him.

Seeing the waiter, Rong Shu's eyes flashed with surprise, she was amazed by the waiter's appearance.

The waiter's appearance is not part of the beautiful one, but it is very cute, with a round face, small and delicate facial features, bulging cheeks, slow collagen and baby fat, making people want to bite The look of a mouthful.

And the height of the waitress is not very tall, at most 1.5 meters, with a ball head tied, and with such a cute baby face, she is a proper loli.

If you put on a jk or Lolita-style skirt, it will be a doll.

Rong Shu thought to herself.

There is no one who doesn't like cute things, and so does she.

If it weren't for being impolite, she would really want to rub the waitress' face with her hands, and it feels good to rub her hands.

Rong Shu looked at the waiter who was getting closer and closer to her, thinking regretfully in her heart.

The moment Rong Shu and the waitress passed by, the waiter suddenly stopped, turned her head and looked at Rong Shu slightly, "You are Rong Shu."

Not only did the waiter look like a doll, she even The voice is actually a baby voice.

Of course, this is not the most important thing. The important thing is that this waitress actually knows her!

Surprise flashed in Rong Shu's eyes, and she stopped subconsciously, and turned to look at the waitress beside her, "Hello, do you know me?"

She admitted that she was Rong Shu.

The waitress had now turned completely around, and Rong Shu met her eyes.

The way she looked at Rong Shu was full of cruelty and jealousy.

Rong Shu was taken aback by the jealousy in her eyes, and didn't understand why a person she didn't know would have such great malice towards her.

But when she looked at the oversized overalls worn by the waitress, she suddenly realized something.

Didn't Assistant Zhang just say on the phone that Liu Linlin knocked out a waiter, stripped the waiter's clothes and ran away?

And Liu Linlin looks like a cute baby face.

Clothes that don't fit too big, cute baby face, these two factors that fit Liu Linlin's characteristics appeared on this waiter at the same time.

So the identity of the waiter is self-evident.

"Liu Linlin!" Rong Shu called out the waitress' name without hesitation.

The waitress, that is, Liu Linlin smiled, and slowly folded her arms, "It seems that you also know me."

She admitted her identity.

Rong Shu pursed her red lips slightly, "I've heard of it, not acquaintance."

She didn't expect that she would be so lucky to come out of the bathroom, and then meet Liu Linlin who sneaked out.

No, maybe it wasn't my bad luck.

But this Ms. Liu may not have come here specially to find her.

After all, from the beginning to the end, she did not see the slightest surprise from Miss Liu.

So obviously, this Ms. Liu really came here specially to find her.

Seeing Rong Shu's answer like this, the smile on Liu Linlin's face froze immediately, and her heart was full of displeasure.

What does it mean that just hearing about something does not count as knowing it?

In her view, the two of them are rivals in love.

In order to better clean up the woman Rong Shu in the future, she specially spent a lot of time and money to collect various information about Rong Shu. It can be said that she has a very thorough understanding of this Rong Shu.

Rong Shu should be like this too, right?

Chapter 1277 Liu Linlin's Brain Supplement

The two of them are rivals.

Rong Shu should also get to know her like her.

However, Rong Shu actually did nothing!

This is really

a time, Liu Linlin is so angry that she is so angry that she is so hard to see her rival in love as being extremely important, but her rival doesn't take herself seriously at all.

Let me ask, who is not angry with this kind of thing?

Seeing Liu Linlin gnashing her teeth and completely ruining her lovely face, Rong Shu only felt that God would not open her eyes to give such a lovely face to such a person.

Such a cute face should be on the face of a kind-hearted girl, not Liu Linlin's.

Rong Shu pouted, but felt it was boring, and withdrew her gaze and was about to leave.

"You are not allowed to leave!" Liu Linlin suddenly grabbed her arm and stopped her from leaving.

Probably out of jealousy, when Liu Linlin grabbed Rong Shu's arm, her nails were embedded in the flesh of Rong Shu's arm.

Rong Shu tore it in pain, frowning slightly.

When Liu Linlin saw this, she happily smiled again.

Rong Shu was angry, and immediately yanked her arm impatiently, pulling it out.

As for Liu Linlin, she probably did not expect that Rong Shu would suddenly pull her arm back with force, but she was stunned by Rong Shu's strength. Living.

Rong Shu didn't pay any attention to her, but raised her arm to examine it carefully.

Looking at the few clear nail prints on his fair arm, his handsome face suddenly darkened.

This woman is really black.

These fingernails were all blackened, showing how hard the woman had used to pinch her.

Rong Shu put down her arms, her heart full of anger.

However, before she could trouble Liu Linlin, Liu Linlin suddenly stood up and stared at her with split eyes, "Your surname is Rong, do you dare to push me?"

Rong Shu laughed angrily, "Push you? I'm not like You are so shameless, and I didn't blame you for pinching me, but you blamed me for pushing you, but it's a joke, you obviously fell by yourself, okay?"

"I fell by myself?" Liu Linlin sneered, "If you hadn't thrown your arm, I could have fallen? So in the end, it's still your fault, if you don't kneel down and apologize to me today, this matter will never end."

Kowtow to apologize?

Rong Shu couldn't help rolling her eyes.

Wouldn't this woman still think she was living in the last feudal dynasty, and let people kneel down and kowtow to apologize.

The brain is just sick.

"I admit that I threw my arm, but so what? You pinch me first, if you don't pinch me, I won't swing my arm, and you won't fall, so whoever makes the mistake first, It's you who is right, haven't you heard the saying that the one who flirts first is cheap? So you should be the one who wants to kneel down and kowtow to apologize." Rong Shu raised her chin slightly, taking advantage of her height to command a condescending one. Looking down at Liu Linlin, looking at Liu Linlin's eyes, it was like watching a joke.

Liu Linlin was not only stimulated by her eyes, but also by her words.

The one who flirts first is cheap, this woman, the woman says she is cheap!

Liu Linlin's face was extremely hideous, "You dare to say that to me, and you dare to ask me to kowtow and apologize to you?"

She pointed at Rong Shu viciously, as if she was going to eat Rong Shu.

Rong Shu rolled her eyes again, "What do I dare not? Why, you are only allowed to say this to me, and I am not allowed to fight back with the same words? Oh, there is no such reason in the world."

"What is your identity? What kind of identity are you also worthy of being compared with me?" Liu Linlin's voice rose high.

The corners of Rong Shu's mouth twitched, and then she replied blankly, "Returning your status? Aren't you all the same person? Could it be that you, Liu Linlin, are still a royal princess? Don't laugh, you Liu Linlin is just a girl who is about to It's just a down-and-out young lady. In terms of status, I don't care. And to be honest, I am the chairman of a company. You Liu Linlin is just a bald lady. In terms of status, I am taller than you, so the unworthy person is you! "

Liu Linlin's pupils shrank, and then she stomped her feet angrily, "You you"

"You what you." Rong Shu snorted coldly, and said unceremoniously, "I don't even know what to say, and even come out to trouble someone, I think It's almost self-inflicted humiliation."

Liu Linlin's eyes were red with anger.

Indeed, her education since she was a child made her not even know how to say swear words, let alone be articulate.

So in terms of eloquence, neither of them is Rong Shu's opponent.

Naturally, she couldn't help being choked up by Rong Shu at this moment.

However, Liu Linlin herself is also very strong. Although she was very angry, she quickly recovered, looked at Rong Shu with cold eyes, and sneered again and again, "This is the original you, right? Pretend to be gentle and careless in front of brother, is it hard work?"

"Huh?" Rong Shu's mind was full of question marks, "Why pretend to be gentle and careless?"

"Hmph, don't pretend to be sloppy with me, don't think you don't know, this eloquent tooth, The bitter and mean look is your true face, but you are afraid that Brother Jing Ting will be dissatisfied with you, so when you are with Brother Jing Ting, you will

definitely put away this face, pretending to be gentle and generous, to be tolerant Shu, you are really scheming.” Liu Linlin gritted her teeth and said.

Rong Shu smiled, “I said, did you imagine something? When did I pretend to be generous?”

She had never pretended in front of Fu Jingting, and she behaved as she should.

It’s not like what Liu Linlin said.

So Liu Linlin must have made up her own imagination to say this.

“returnrefuse to tell the truth. “Liu Linlin doesn’t believe every word that Rong Shu said. In her opinion, what Rong Shu said was just a sophistry.

“I know very well what kind of person you are, and so does brother Jing Ting, so no matter what kind of person you are It’s useless no matter how much you pretend to be. Just because you threaten brother Jing Ting to get back together with you, brother Jing Ting is destined to never fall in love with you. “Liu Linlin raised her chin, her face full of smugness, as if she had pierced what Rong Shu cared about the most.

She thought she could see Rong Shu’s angry look when she said this, but wait, wait, wait. For a long time, I didn’t see Rong Shu’s reaction to her remarks too much, but saw Rong Shu’s slightly mocking eyes.

mocking?

Liu Linlin’s face stiffened.

What do you mean?

This woman dares to mock Himself?

Shouldn’t she be so mad?

After all, she said what she cared about the most.

But what happened to this woman, not only was she not angry, but she looked at herself with a joke. Are you

crazy?

Liu Linlin said She couldn’t understand it at all, and then she heard Rong Shu ask her, “I heard people say before that, in the eyes of your Liu family, Fu Jingting and I got back together because I had Fu Jingting’s handle in my hand, so I threatened Fu Jingting to get back with me, And Fu Jingting couldn’t resist because of the handle, so he could

only agree, so now I want to know, who told you Liu family that Fu Jingting and I got back together for this reason? “

“This kind of thing is still told by others?” It’s obvious isn’t it? “Liu Linlin said disdainfully, “Brother Jing Ting doesn’t love you at all. He has been married to you for six years. Who doesn’t know how he treats you? If he loves you, would he treat you like this?” He loves Gu Manyin. You are just a meddler who threatens brother Jing Ting’s marriage while Gu Manyin is in a vegetative state. Since brother Jing Ting doesn’t love you, he will marry you and get back together with you. There is no other reason why the handle is in your hands. “

Recommended Novels

Chapter 1278 The Play of Three Women

Anyway, she just couldn’t imagine Fu Jingting getting back together with Rong Shu because she had feelings for Rong Shu.

Moreover, she could not accept such a possibility.

Seeing Liu Linlin’s face that I must be right, Rong Shu said that she didn’t want to explain.

It’s useless. It’s useless to talk to people who are immersed in their own world. They won’t believe it, and they won’t listen.

So it’s better not to explain.

“That’s it, since you think that’s the case, what do you want to do?” Rong Shu licked the slightly curled hair around her ears, and it was a little rotten.

Liu Linlin gritted her teeth and said, “Of course, in front of brother Jing Ting, expose your fake face and take back the handle of brother Jing Ting.”

“That’s a good idea.” Rong Shu clapped her hands, “Then what? Take back the handle, save your brother Jing Ting from the fire, and then use your brother Jing Ting’s handle to threaten your brother Jing Ting to be with you, am I right?”

Liu Linlin’s face changed slightly, “what’s the matter with you?”

Realizing that what she said was wrong, her eyes flashed, and she quickly changed her words, “What nonsense are you talking about? Who would threaten him with brother Jing Ting’s handle, do you think I am you? Eat, don’t talk nonsense, I won’t be as

despicable and shameless as you, of course I will hand over the handle to Brother Jing Ting, so I won't use it for anything else."

She said this, in her heart But it was messy, and my heart was beating loudly.

Very dangerous, almost exposed.

She never imagined that Rong Shu, a woman with such a keen intuition, could speak her mind all at once.

She did plan to use brother Jing Ting's handle to threaten him.

Anyway, Rong Shu can threaten success, why can't she?

Although doing this by myself may attract Brother Jing Ting's resentment, but it doesn't matter, as long as she is with Brother Jing Ting and becomes Brother Jing Ting's fair and honest girlfriend, she has time and time to coax Brother Jing Ting.

She believed that as long as she worked hard for a long time, Brother Jing Ting would definitely be moved by her and fall in love with her.

At that time, she said that all the resentment and dislike she faced were trivial matters that were not worth mentioning.

The more she thought about it, the more excited she became, and the more she thought about it, the more she looked forward to it. Liu Linlin couldn't help but smile.

However, she was quite sensible at the moment, and after laughing for a while, she quickly restrained her expression and thoughts, so as not to reveal too much.

As everyone knows, Rong Shu can see through all her thoughts.

Especially Liu Linlin's unfinished sentence just now made Rong Shu feel extremely ridiculous.

She originally thought that this Liu Linlin loved Fu Jingting so much.

Now it seems that there is not much love.

If you really love someone, would you be willing to use any excuse to threaten the other person?

So it can be seen that it is not easy for Liu Linlin to love Fu Jingting so much. What she loves is just a benefit that Fu Jingting can bring, but Liu Linlin likes to use true love to cover up her vanity.

A looming sarcasm flashed in Rong Shu's eyes, and she didn't bother to expose this woman. Instead, she clapped her hands according to the woman's words, and praised perfunctorily, "That's it, Miss Liu is really great, so let's go to see you now Jing Ting Brother?"

Liu Linlin's expression froze.

Go see brother Jing Ting now?

How does this work!

She has nothing to do now, and it is useless to see Brother Jing Ting.

Moreover, she still sneaked out.

Liu Yuanyuan's eyes kept spinning with guilt.

Seeing that she was timid, Rong Shu let out a disdainful cry.

And this sound, when Liu Linlin heard it, was a mockery of herself and looked down on herself. Although it is true, Liu Linlin's self-esteem has always been strong, and she couldn't accept it at all. For a while, she charged with anger and grinned at Rong Shu. .

Her appearance is exquisite and cute like a doll, and when she smiles, she looks like an angel.

However, when showing such a malicious expression, it is like those scary and frightening dolls in horror movies, which makes people stand upright.

Although Rong Shu was not like that, she was also very uncomfortable, and she frowned in disgust, "Why, Miss Liu is looking at me like this and wants to eat me?"

"Your surname is Rong, stop talking to me in front of me. I'm very proud, I tell you, you'd better take the initiative to hand over the handle of brother Jing Ting, maybe in this way, you can still hold your dog's life, I don't believe you don't know the person of brother Jing Ting Well, he will never let anyone threaten him, but you dare to threaten, but you are able to relax until now, it is not because the handle is in your hands, or you will have been dealt with by him long ago, so I advise you Hurry up and hand over the handle. As long as you hand it over, maybe I will be merciful and talk to Brother Jing Ting on your behalf, and let Brother Jing Ting let you go, but if you don't hand it over, then You brought it on yourself."

Rong Shu couldn't hold it any longer, she covered her lips and laughed.

Liu Linlin's expression became more and more ugly, "What are you laughing at?"

"I'm laughing, what Miss Liu said is really funny, as you said, Fu Jingting will not let anyone who threatens him, and he can still be intact even if I threaten him. Until now, it's because the handle is still in my hands. If so, why don't I continue to threaten and take out the handle stupidly? Isn't that courting death? Besides, Miss Liu, are you interfering with me? Then It's even funnier, I already have a hatred between the two, how can the enemy see that the enemy is good, so you plead for me, it's almost the same as lying to a fool, but not to me."

Rong Shu smiled and waved her finger at her, "And you said it yourself, you might be merciful to intercede for me, maybe not, or why don't you just say that you will intercede for me, and maybe add another one? So Miss Liu, I will not hand over the handle, let alone hand it to you. "

You" Liu Linlin stared angrily. How

could she have thought that Rong Shu was so treacherous, not only refused to hand over the handle to her, but even jumped on the words in her words, making her seem uneducated.

The distance between the two At the corner of the corridor not far away, Su Man was also about to go to the bathroom, but as soon as he came out of the corner, he saw Rong Shu.

Although he only saw the back of Rong Shu, not the front, the bright red and delicate dress only had One, plus she was so familiar with Rong Shu's figure that she knew it turned into ashes, so she could be sure at a glance that this figure was Rong Shu.

She didn't expect her to be so unlucky, she could meet this woman in the bathroom. Su Man held the armrest of

the wheelchair tightly with both hands, and his face was full of disgust.

But what is Rong Shu doing?

Su Man slightly retreated behind the corner, and only slightly stuck out half of his head to look towards Rong Shu. Just

now, she was looking straight, so she could only see the back of Rong Shu alone.

But this time, the angle changed, it became a squint, and she finally saw something else, and she was also a person.

Rong Shu was talking to that person.

Is that person a waiter?

Su Man is suspicious.

I don't know what Rong Shu has to say to a waiter? Is there anything special about that waiter? If

Rong Shu cares about it, you must observe it carefully to know yourself and the enemy. With Yum's concept, Su Man was finally willing to pay more attention to the waiter. He wanted to see what was worth Rong Shu's attention in the waiter. It took so long to talk.

As a result, Su Man's expression began to change . .

Chapter 1279

Why did she feel that the waiter was so familiar? She seemed to have seen it somewhere!

Where is it?

Su Man lowered her eyes and searched in her mind, and the last young face, which was exactly the same as that of the waiter, suddenly appeared.

Liu Linlin!

Su Man's pupils shrunk, as if she wanted to confirm whether her guess was correct or not. Her gaze was fixed on Liu Linlin's face.

It was she, it was she!

It's Liu Linlin!

This exactly the same face, the same arrogant and domineering expression, who else could there be except Liu Linlin, that stupid and poisonous good-for-nothing daughter!

Su Man grabbed the hand in the corner and tightened it fiercely, the bones of the joints were exposed through the flesh.

It can be seen that Su Man exerted great strength, and it can also be seen how uneasy Liu Linlin's appearance has brought her.

She only thought that the person talking to Rong Shu was just a slightly special waiter, but she never expected that it was actually Liu Linlin.

When did Liu Linlin become a waiter?

No, it's not important.

The important thing is, isn't Liu Linlin abroad?

When did you return home?

Seven years ago, Liu Linlin was kicked out of the country by her, and she promised her that she would never come back again.

But now, in less than seven short years, Liu Linlin broke the vow she made at the time and ran back to the country, not because of her

Su Man gritted her teeth, her eyes were scarlet.

But soon, she put away these emotions, and a very cold smile appeared on her face.

But it doesn't matter, it's good that Liu Linlin comes back.

This woman is definitely not easy to deal with.

Although not as smart as her, when it comes to viciousness, he is not necessarily worse than her.

And this woman's obsessive obsession with Fu Jingting, she believes that when Liu Linlin comes back this time, her first task must be to snatch Fu Jingting over, right?

Since he wanted to rob, he must deal with that woman Rong Shu first.

Therefore, she waited for the two women to fight first, and she hibernated for a while, and when the two women fought and lost both, she appeared, and it was time to reap the fruits.

Thinking of this, the corners of Su Man's mouth couldn't help curling up, and then she turned her eyes to Rong Shu, and felt sorry for Rong Shu in her heart. Not only did she have an enemy like her, but she also provoked a crazy woman like Liu Linlin.

Liu Linlin is not easy to deal with, this woman is a hob meat, although she is a bit stupid, but she is really ruthless in attacking, and most importantly, she doesn't know how to restrain herself, and she is always playing tricks on her.

So facing such a woman, Rong Shu will suffer a lot in the future.

Su Man took his hand off the wall, then fished in his bag, and took out his mobile phone.

The appearance of Liu Linlin is undoubtedly a good thing for her now. It can help her deal with Rong Shu, and it can also help her test out some hidden forces of Fu Jingting. It is only good for her and not bad.

It's just that in the future, the original plan between her and Su Cheng will be changed again.

But this is not a big deal, I believe Su Cheng will consider her plan after knowing this Liu Linlin.

While dialing Su Cheng's number, Su Man controlled the wheelchair to back up, quietly exited the corner, and walked into the distance.

She not only wanted to tell Su Cheng about Liu Linlin's appearance, but also asked Su Cheng to check when Liu Linlin would come back.

She was in the detention center of the police station and hadn't heard a word of it.

Su Man's appearance and departure did not attract the slightest attention from Rong Shu and Liu Linlin.

Liu Linlin is still blushing with anger because of what Rong Shu said.

"After all, you just don't want to hand over the handle, right!"

Rong Shu smiled, "Yes."

"Rong Shu, are you really not afraid of what you will end up doing?" Liu Linlin's face was gloomy.

But unfortunately, her face is destined to make her make any expression, it will not be majestic or imposing, so it will not deter others, it will only make others feel ugly and terrible.

Sorry for this face.

Rong Shu shook her head slightly, and once again felt sorry for this face on such a person.

"The end you said, what is the end, tell me, maybe I'll be afraid, and then if I'm afraid, maybe I'll give in. What do you think, Miss Liu?" Rong Shu smiled and looked at Liu Linlin.

Maybe two in a row, Liu Linlin was extremely annoyed when she heard it.

This woman is indeed mocking her.

I just took her maybe, and now I deliberately use two maybe to counter her.

It's downright nasty.

"Why do you need me to say it clearly?" Liu Linlin stared at Rong Shu with scarlet eyes, "I will make you feel the pain, regret not agreeing to my request today, and brother Jing Ting will only be more powerful than me, maybe you This life is really gone."

After saying this, she kept observing the changes in the expressions on Rong Shu's face, wanting to see if Rong Shu was afraid.

If so, it means that his deterrence was successful.

If there

is no such thing, Rong Shu is not afraid.

Realizing this, Liu Linlin was furious.

"Are you really afraid of dying?" Liu Linlin was incredible.

Rong Shu gave her an unceremonious look, "Please, Miss Liu, this is a society ruled by law. Is it really okay for you to describe your Brother Jing Ting as a devil who can kill people anytime and anywhere and ignores the law? You threaten me, do you believe that as long as I record it and hand it over to the police, you will become a key surveillance target of the police, and if something happens to me, you will be the first suspect?"

Liu Linlin's expression was subtle.

Rong Shu snorted, "I can tell by Miss Liu's expression, I'm afraid you are an ignorant person, and you are also uneducated. It's okay to say such arrogant words, if you are uneducated, I will teach you, first Miss Liu, your brother Jing Ting is definitely notSuch a person who disregards the law, you say that, let me doubt your disgusting intentions, doubt whether you really love your brother Jing Ting, otherwise why would you discredit him? So I will tell your brother Jing Ting the truth about what you said, and see what your brother Jing Ting thinks of you. As for yourself, I will also tell the police what you said, and let the police come to you and give you a good lecture . "

Speaking, Rong Shu was about to leave.

"You are not allowed to leave." "Liu Linlin seemed very yellow and anxious, and quickly stopped Rong Shu, "I don't allow you to tell Brother Jing Ting. "

As for whether Rong Shu told the police or not, she didn't care at all.

She only cared about Fu Jingting.

She knew that her image in Brother Jing Ting's heart was no longer good, so she didn't want Rong Shu to destroy her image any more. image.

She admitted that what she said just now was a little too impulsive, so she didn't notice it for a while, and was caught by this woman.

So she had to stop this woman no matter what.

"If you don't allow me, I have to Agree? who do you think You Are?" Rong Shu turned her head and gave Liu Linlin a disdainful glance. She ignored her and continued to walk forward.

Seeing her not stopping, Liu Linlin's eyes flashed a ruthless look, and she raised her hand to push Rong Shu.

As long as Rong Shu fell down , you can't file a complaint.

Yes, as long as you fall down, you can't go.

And there is no monitoring here, no matter how she deals with Rong Shu, no one will know, and neither will Brother Jing Ting.

Then why didn't she do it? What to order?

Once the evil thought arises, it will not disappear, it will only get worse.

Liu Linlin saw that her hand was about to touch Rong Shu's back, and the malicious smile on her face could no longer be suppressed. It completely surfaced on the face.

Just one click, this woman will fall face down on the ground.

When the time comes, even if she doesn't die, she will have to be disfigured, and then she will ruin her voice so that she can't speak.

Then, wouldn't I have no risk of exposure?

Chapter 1280 Timely Arrival

Thinking of this, Liu Linlin's breathing became heavy.

However, the moment her hand touched Rong Shu's back, a male voice full of anger and killing intent sounded behind her, "Liu Linlin, if you dare to do it, believe it or not, I will let you in the next second!" Go out lying down too."

As soon as these words came out, Liu Linlin instantly turned pale with shock.

This voice is

Brother Jing Ting!

Liu Linlin's hands froze in mid-air, and she didn't dare to mess around anymore.

And she would have been in the same place, pale, sweating profusely, and her eyes were filled with fear and panic.

how come!

Why is Brother Jing Ting here?

And also saw the scene where she was about to push Rong Shu.

What would Brother Jing Ting think of himself?

Do you feel that you are a very bad and vicious woman?

At this moment, Liu Linlin didn't think about what consequences she would bring to Rong Shu by doing so. She was only worried about whether her image in Fu Jingting's heart would plummet.

On the other side, Rong Shu, who was not far in front of Liu Linlin, also stopped at this moment, because she also heard Fu Jingting's voice.

Especially Fu Jingting's words shocked her even more.

What Fu Jingting said meant that Liu Linlin was behind her just now, what was he going to do to her?

Thinking of this, Rong Shu quickly turned around, and before she had time to see Liu Linlin's reaction, she saw Fu Jingting striding towards her with a gloomy expression.

When she walked to Liu Linlin's side, Liu Linlin reacted, and quickly stretched out her hand to pull Fu Jingting. "Brother Jingting"

Fu Jingting raised his arm, and directly avoided her touch indifferently, and then didn't even look at her. Pass her to Rong Shu.

At this moment, Liu Linlin felt that her heart suddenly sank to the bottom of the valley, as if someone had brought a basin of cold water and poured it hard on her, her eyes instantly turned red, mist overflowed, and her face was full of grievances.

Brother Jing Ting, actually pretended not to see her!

This was simply impossible to happen before.

In the past, as long as she greeted brother Jing Ting, brother Jing Ting would respond to her. Although the attitude was not very warm, the response was just nodding or humming, but he would not ignore her like now, treating her as air.

Brother Jing Ting has changed!

No, maybe it hasn't changed, it was the woman who threatened.

Yes, it must be the woman who threatened that brother Jing Ting could not force any woman except that woman.

The more she thought about it, the more she felt that this was the case. Liu Linlin looked at Rong Shu with a fierce look in her eyes, as if she had been poisoned.

In her eyes, Fu Jingting ignored her, it was not Fu Jingting's own reason, it was Rong Shu's fault, and it was Rong Shu's fault.

Seeing this, Rong Shu rolled her eyes and didn't bother to answer. Then she looked back at the man in front of her, "What are you doing?" "Are you

okay?" Fu Jingting grabbed her shoulders, Jun's face was full of nervousness and worry, he Looking at her up and down, he asked eagerly, "Did she do anything to you or was she injured?" Without

waiting for Rong Shu's reaction, Liu Linlin, who was behind them, was going crazy with jealousy.

Brother Jing Ting actually cared so much about the woman Rong Shu, and even asked her if she had bullied the woman Rong Shu.

How could Brother Jing Ting do this?

Didn't he not love Rong Shu?

Why should I care if Rong Shu was bullied by her or injured?

Could it be possible that Brother Jing Ting actually had
no no no no no, no, no, no, no, no, no, no, no, no, no, it was impossible, and not true to Rong Shu.

As soon as that thought came up, Liu Linlin shook her head violently and rejected it immediately.

She didn't want to believe that result, nor could she accept it.

Therefore, she had to completely deny it.

Rong Shu and Fu Jingting didn't pay attention to Liu Linlin at the moment, their attention was only on each other.

Facing the man's nervous eyes and questioning, Rong Shu's heart warmed up, she smiled and shook her head and replied, "Don't worry, I'm fine and I'm not hurt, you came in time."

She probably understood that Liu Linlin really wanted to make a move on her just now . hands and feet.

If Fu Jingting hadn't appeared in time to stop Liu Linlin, otherwise she would really not be able to stand in front of him and speak without incident.

Seeing that Rong Shu didn't lie to reassure him, Fu Jingting breathed a sigh of relief. As soon as

he said "it's okay", Fu Jingting suddenly saw something in his eyes, and his pupils shrank suddenly. Her arm was raised, "What is this?"

He pointed to the black and blue nail prints on her arm, looked at her with a tense expression and asked, "Didn't you say you were not injured? Tell me, what is this? "

Rong Shu looked at those nail prints, opened her mouth, unable to speak.

Tsk, it's over, she forgot about these marks.

Because it didn't hurt anymore, she didn't think about it after the man asked if she was injured, so she answered that she was not injured.

But if the man doesn't know, the man will subconsciously think that she deliberately concealed these impressions.

Sure enough, when the man saw that Rong Shu didn't answer for a long time, he was sure in his heart that she deliberately concealed these nail marks just to prevent him from worrying, thinking that these nail marks were no big deal.

But for him, it was already a big deal.

He would be extremely distressed if she suffered any injury.

What's more, these fingernails are so deep that they are all black and blue, which shows how heavy the hands and how cruel the hearts of the people who started them are.

Looking at the man's cold, angry and distressed eyes, Rong Shu took the man's hand and said softly, "Jing Ting, don't worry, these traces are just minor injuries, It's not that I didn't tell you on purpose, I just forgot, because it doesn't hurt, so it's easy to forget, I believe you should be able to understand. "

"I don't understand. "Fu Jingting tightened his handsome face, and said in a deep voice, "I only know that you are injured, and I am very distressed."

Fu Jingting gently stroked the fingernail prints with her thumb. Behind

her, Liu Linlin felt sour and jealous when she heard the words of the two, but at the same time, she was also a little scared.

She knew what they were talking about, saying that she pinched Rongshu's arm The few marks she left.

At first, she didn't take this to heart, thinking that she just pinched Rong Shu a few times. What's the big deal? Could brother Jing Ting ask her to settle accounts for such a trivial matter?

How could it be possible ?

Jing Ting doesn't love Rong Shu, why do you want to settle accounts for Rong Shu? He just pinched Rong Shu a few times, did he do anything else.

But now, seeing brother Jing Ting because Rong Shu has these few on his arm The small nail prints were so nervous, which made her feel less confident in her heart, and became worried and nervous.

Brother Jing Ting, shouldn't he really want to settle accounts with her because of these small prints, for the sake of Rong Shu wants justice, right? Liu Linlin swallowed her saliva and took a

step back subconsciously.

Her footsteps caught the attention of Rong Shu and Fu Jingting.

Rong Shu just glanced at the pale Liu Linlin and knew what Liu Linlin wanted to do. It was nothing more than wanting to run, and the red lips couldn't help hooking up.

Fu Jingting turned his back to Liu Linlin. Although he couldn't see Liu Linlin's movements, he could guess something through Rong Shu's eyes

. Clearly imprint what he sees in his eyes.

So he doesn't have to look back, he can see what's going on behind him mainly by looking at her eyes.

Seeing Liu Linlin step back, Fu Jingting stood up straight, his voice extremely cold, "Who left these nail prints on you? Is it her?"
