Chapter 131 The horse is crazy

Lu Qi and the others also came back from the game. They were all tired and sweating profusely, but their faces and eyes were full of excitement. Obviously, they enjoyed the game a lot.

“President Lu, water.” Chen Xingnuo picked up two bottles of water and threw one to Lu Qi.

Lu Qi took it, “Thanks.”

“What about me?” Cheng Huai was unhappy when she saw that she only gave it to Lu Qi and not to herself, “I brought you, why only give it to him?”

Chen Xingnuo turned Rolling her eyes, “Here, take it!”

She took another bottle of water and threw it over.

Cheng Huai smiled with satisfaction, unscrewed the bottle cap and took a few sips, then poured the rest of the water on his head and face, “It’s cool!”

“It’s cool.” Lu Qi shook his hair. on the water, followed.

On the other side, Gu Manyin also handed a bottle of water to Fu Jingting, “Jingting, drink some water.”

“Okay.” Fu Jingting took it and twisted it open, but instead of drinking it, he handed it back to her, “You drink it. .”

Gu Manyin saw him being so considerate, and her face blossomed with a smile, “Thank you Jingting.”

Fu Jingting replied that there was no need, bent down and took another bottle of water before drinking.

Just after taking a few sips, suddenly a panicked cry came.

The crowd stopped talking.

Lu Qi looked into the distance from where the voice came, and saw Rong Shu’s horse ramming like crazy.

Rong Shu on the horse's back was so frightened that her face turned pale and her body fell forward and backward. Even if she held the reins tightly, she would be thrown off by the horse in a short time.

"Baby!" Lu Qi hurriedly threw the water in his hand and ran towards his horse, preparing to save people.

As a result, as soon as he got on the horse, he saw a figure already one step ahead of him and rode past him.

It's Fu Jingting!

Lu Qi frowned, then kicked the horse and chased after him.

Only Gu Manyin and Cheng Huai were left.

Chen Xingnuo just went to the bathroom, and Fu Jinglin didn't come over at another racecourse.

Cheng Huai looked at Gu Manyin's ugly face and laughed, "Aiya, Jing Ting went to rescue Rong Shu, aren't you feeling very uncomfortable?"

Gu Manyin naturally knew that he was deliberately making a joke of himself. The water in the water bottle tightened tightly, but he replied with a forced smile on his face, "Of course not. Miss Rong had an accident. It's normal for Jing Ting to rescue her. I'm not uncomfortable."

"Yes, but your actions tell me I, you're lying." Cheng Huai looked at the water bottle that was deformed by her, and the smile on his face became worse.

Gu Manyin's expression froze for a moment, and she immediately let go of the water bottle and stopped talking.

Cheng Huai laughed out loud, "Miss Gu is still different from the outside as always, you can actually make Jing Ting fall in love with you, Jing Ting is really blind, but now it seems that Jing Ting's eyes are blind. It seems to be getting better."

He held his cheeks and looked at Fu Jingting who had successfully rescued Rong Shu, "Just now Rong Shu had an accident, and the nervousness on Jing Ting's face is not fake, which shows that Jing Ting is not without Rong Shu in his heart. It's just that he hasn't found out yet. If he finds out one day, Miss Gu, say..."

"Enough, don't go on!" Gu Manyin stood up with her palm in her hand, and interrupted him coldly.

Cheng Huai raised his eyebrows, "Why, are you angry?"

Gu Manyin looked at him with dark eyes, "Mr. Cheng, I know that I offended your Cheng family last time because of my father, but you don't need to come. Provoking the relationship between me and Jing Ting? You do this, aren't you afraid that Jing Ting will be unhappy?"

"Why?" Cheng Huai replied with a smile, "Jing Ting is my friend, I don't think you are suitable for Jing Ting, think Let Jing Ting leave you, I did it for his own good, how could he be unhappy."

"You..." Gu Manyin's face turned red and white.

Cheng Huai was relieved for a while.

Originally, he didn't want to provoke her and Fu Jingting so badly. After all, what happened to her and Fu Jingting wouldn't hinder him.

But who made the Gu family immoral, and almost ruined the Cheng family's years of planning, so he naturally wouldn't make her feel better, there was no way, who made him so careful.

On the other side, on the racecourse.

Fu Jingting held Rong Shu in his arms.

Rong Shu's body shivered, and it was obvious that she had not calmed down from what had just happened.

Fu Jingting felt her fear from the inside, patted her back lightly, and said in a soft voice, "It's alright, don't be afraid."

Rong Shu didn't respond, but the tremors of her body gradually became smaller. .

At this moment, Lu Qi came over, looked at the two people hugging each other, his eyes darkened for a moment, "Mr. Fu, thank you for saving the baby."

Although he didn't want to say thank you very much.

But it's a fact who let Fu Jingting save the baby, and it's also a fact who let him be slower than Fu Jingting.

"Nothing." Fu Jingting glanced at Lu Qi and replied lightly.

Lu Qi rolled over and dismounted, "If that's the case, then please let go of the baby, don't forget, she's my girlfriend, it doesn't seem right for you to keep holding her like this, and your fiancée is still there. Look at it."

Hearing this, Fu Jingting patted Rong Shu's hand on the back and suddenly stopped, only then did he realize that the woman in his arms was already his ex-wife, someone else's girlfriend.

It was really inappropriate for him to hold her like that.

Thinking of this, Fu Jingting turned to look at the rest area again, just in time to meet Gu Manyin's red and wet eyes.

Fu Jingting pursed his thin lips, and finally let go of Rong Shu.

The moment he let go, Lu Qi took Rong Shu's hand, hugged Rong Shu in his arms, and asked nervously, "Baby, are you alright?"

Rong Shu shook her head in shock, her voice trembling, "It's okay."

The moment she almost fell off the horse, Fu Jingting appeared.

So she wasn't hurt.

But Lu Qi was still a little worried, looked her up and down, and found that there was nothing wrong, so he breathed a sigh of relief, "It's alright, it's alright, it scared me to death just now, alright, why did this horse suddenly go crazy? What's up?"

As soon as these words came out, Fu Jingting looked at the quiet horse in the distance, his eyes dark and unclear.

"I don't know either." Rong Shu shook her head and replied.

She was riding the horse well, but the horse suddenly accelerated.

She was so frightened that her mind went blank, and she was in the mood to think about the reason.

"It's okay, I'll check this matter, baby, go back to your room and rest for a while, I see your legs are still shaking." Lu Qi looked at Rong Shu's slightly trembling calf and said.

Rong Shu nodded and agreed.

Lu Qiban hugged her and walked towards the villa.

Fu Jingting looked at the backs of the two, his thin lips pursed into a straight line.

Half an hour later, Lu Qi came downstairs.

The five Fu Jingting returned from the racecourse and sat in the living room.

Fu Jinglin was the first to see Lu Qi down, and immediately got up, "Hey, I heard that Sister Rong Shu has an accident, how is she?"

Gu Manyin looked at the concern and nervousness on Fu Jinglin's face, her eyelids drooping, covering her eyes gloomy.

Before clearly, Fu Jinglin hated Rong Shu very much.

Why did Rong Shu and Jing Ting get divorced, so Fu Jinglin didn't hate him anymore, and still cared about Rong Shu so much, what medicine did Rong Shu give Fu Jinglin?

"Yes, Mr. Lu, is Mr. Rong all right?" Chen Xingnuo also asked.

When Rong Shu's accident happened, she was still in the bathroom. After she came back, she heard Cheng Huai say that Rong Shu's horse was crazy and almost fell Rong Shu.

Lu Qili ignored Fu Jinglin, only looked at Chen Xingnuo and replied, "Don't worry, baby is fine, just a little frightened and has fallen asleep."

"That's great." Chen Xingnuo breathed a sigh of relief.

Although Fu Jinglin was displeased with Lu Qi's ignorance, he didn't bother to care when he heard that Rong Shu was okay.

Chapter 132 Public Crimes

Suddenly, Lu Qi's face turned cold, his eyes swept across the faces of the five, and finally settled on Gu Manyin's face, "My dear horse is the most docile mare that I have asked the stable manager on purpose. , Logically speaking, it is impossible to suddenly go crazy, so I think there must be some shameful reason for this."

"Mr. Lu, you mean that someone did something to Rong's horse?" Chen Xingnuo quickly In response, he opened his eyes and asked.

"It's not me." Fu Jinglin was the first to deny it, for fear of being suspected.

Cheng Huai drank the tea calmly, "It's not me either."

"It's not me." Chen Xingnuo also raised his hand.

Lu Qi looked at the last two people, "Then only Mr. Fu and Miss Gu are left, but Mr. Fu saved the baby, and he must not be the one who was doing the trick. After all, no one is too busy to go to the rescue after doing the trick. Human, so..."

“So you suspect it’s me?” Gu Manyin squeezed her hands, looking like she was about to cry.

Lu Qiyi clapped his hands, “It seems that you are quite self-aware. That’s right, I just doubt you. Among the people present, you are the only one who is most likely to harm the baby, because it has happened more than once.”

“I didn’t! Tears flowed down Gu Manyin, and she took Fu Jingting’s hand, “Jing Ting, you believe me, I really don’t.”

“I believe you.” Fu Jingting squeezed her hand and motioned her to calm down first.

When Gu Manyin heard that he believed in herself, she nodded repeatedly and calmed down.

Lu Qi rolled his eyes, “Of course you believe her. She murdered and set fire to her, and you will believe it when you cry. After all, you dote on her without limit. Whoever is present doesn’t know.”

Chen Xingnuo and Cheng Huai nodded . .

Even Fu Jinglin couldn’t refute against his will, and nodded.

Dude is like that sometimes.

“I believe in Manyin, not because I pet her, but because she has complete alibi.” Fu Jingting saw that no one was on his side, nor was he angry, he looked at Lu Qi and said in a deep voice, “Manyin is from From beginning to end, I have never contacted Rong Shu’s horse, tell me, how did she do it?”

At first, he also thought about whether it was done by Manyin’s second personality.

But after a careful analysis, he came to the conclusion that it was not done by Manyin’s second personality, and Manyin’s second personality had never appeared.

Lu Qi was stunned for a moment, and suddenly realized that this was the case.

When choosing a horse, Gu Manyin wasn’t there, so it was impossible to help the horse in advance, because there were so many horses in the stable, how could Gu Manyin know what kind of horse the baby would choose, and it wasn’t foreknowledge.

Unless Gu Manyin put all the horses to work in advance, but then, their horses should also go crazy, but nothing happened to them. Could it be that this was really an accident?

“Why don’t you invite the manager of the stables to ask. They checked the horses, and the results should come out.” Cheng Huai suggested.

Fu Jingting nodded, “Then please come here.”

Soon, the manager of the stables came over.

Lu Qi quickly asked what happened to Rong Shu’s horse.

The man in the stable replied, “Miss Rong’s horse is springing.”

“What?” Everyone was stunned.

Only Gu Manyin lowered her head and covered the corners of her slightly hooked mouth.

“You mean spring?” Lu Qi looked strange, “But this is not the season for animals.”

Cheng Huai, Chen Xingnuo, and Fu Jinglin also looked at the manager.

The manager shook his head, “The season is over, it doesn’t mean that the animals will not have spring. Sometimes due to some other reasons, animals will be stimulated and spring will appear.”

Fu Jingting asked in a deep voice, “That Rongshu’s horse, What is the reason for the spring?”

The manager thought for a while and replied, “It’s not clear for now. It may be smelling something, or it may be eating. The specific reason is not clear, but it is almost the two cases.”

“It should be impossible to eat something . . . , When the horse was brought out, he didn’t eat.” Chen Xingnuo said.

She was there when Rong Shu was choosing a horse, and she could see it clearly.

“So what did you smell?” Lu Qi touched his chin and said.

Cheng Huai suddenly smiled, “Could it be the scent of Rong Shu’s body?”

“Uh...” The corners of everyone’s mouth twitched.

But don’t deny that it’s possible.

“So what happened to President Rong this time was just an accident.” Chen Xingnuo spread his hands.

Even if Lu Qi was reluctant to accept this fact in his heart, he could only accept it, turning around and going upstairs.

“Wait a minute.” Fu Jingting waved the manager to go down first, then stopped Lu Qi.

Lu Qi stopped, “Is there anything else?”

Cheng Huai, Chen Xingnuo and Fu Jinglin also looked at Fu Jingting.

Even Gu Manyin.

Fu Jingting took her hand, “It’s clear, you just wronged Man Yin, shouldn’t you apologize?”

Lu Qi narrowed his eyes and smiled, “Apologize? You want me to apologize to her?”

He pointed at Gu Gu manga.

Fu Jingting stared at him, “You don’t want to apologize?”

“That’s right, I don’t apologize, why should I apologize? I admit that I wronged her this time, but what she did to the baby before was not wronged, right? How many times have you apologized? Didn’t you come to apologize for her?”

Lu Qi looked at Fu Jingting mockingly, “And she, the one who hurt the baby, is hiding behind you, without even making an apology, I said these things. What’s wrong? Did I force her to come out and apologize to the baby like you are now? No, so why do you ask me?”

Fu Jingting’s face was dark and not very good-looking.

Gu Manyin lowered her head even more embarrassedly.

Cheng Huai propped his head up, watching them while watching the play, and pulling Chen Xingnuo to watch with him.

Only Fu Jinglin, the idiot, blinked and asked, “Brother, what did Sister Manyin do to Sister Rong Shu to make you apologize to Sister Rong Shu?”

Gu Manyin ‘s eyes .

This Fu Jinglin, which pot can’t be lifted without opening it.

Intentional?

“Shut up.” Fu Jingting also frowned and scolded.

Fu Jinglin was a little aggrieved.

He just asked what he wanted to know and told him to shut up.

Why.

Seeing Fu Jinglin's displeasure, Lu Qi rolled his eyes and wrapped his arms, "Hey boy, you want to know, I'll tell you."

"Okay." Fu Jinglin's eyes lit up.

"Jing Ting..." Gu Manyin anxiously pulled Fu Jingting's arm, wanting Fu Jingting to stop him.

But it was too late, Lu Qi had already said, "Boy, your prospective sister-in-law is a standard femme fatale. At first she used public opinion to frame her baby for hitting her with a car six years ago. Fortunately, our baby got the Otherwise, it will be difficult to wash."

"Besides, in the resort area, your prospective sister-in-law used the shower gel to design the baby to fall and knock on the head, and even pushed the baby off two days ago. Stairs, I want to kill the baby, how about it, now you know what your prospective sister-in-law did to the baby?" Lu Qi looked at Fu Jinglin who was already stunned with satisfaction.

Besides Fu Jinglin, Cheng Huai and Chen Xingnuo were also shocked.

Because of this, they really don't know.

"Brother, is this true? Sister Manyin really did this to Sister Rong Shu?" Fu Jinglin clenched his fists and looked at Fu Jingting with a complicated expression.

During this time, his mind was all on basketball, and he really didn't know what happened to Sister Rong Shu.

Fu Jingting's face was gloomy and he didn't speak.

Gu Manyin grabbed his arm tightly and didn't say a word.

Seeing this scene, what else did Fu Jinglin not know, what Lu Qi said was true.

During this time, he has understood that Sister Manyin is not as beautiful as he thought at first.

But he didn't expect that she was even more unbearable than he imagined, so vicious that she did these things to Sister Rong Shu.

Chapter 133 Persuading to Break Up

Fu Jinglin lowered his head deeply, as if he had been hit hard.

Lu Qi looked at Fu Jingting with a sneer, "Mr. Fu, do you want me to apologize now?"
The

implication is that if he is asked to apologize, he will break out more breaking news.

Fu Jingting understood, his face was cold.

Gu Manyin was also a little scared, took his arm, smiled reluctantly and said, "Forget it, Jing Ting, Mr. Lu is right, I have done so many bad things to Miss Rong, they should not apologize. ."

Lu Qi curled his lips, "It seems that you don't intend to make me apologize, then I'll leave, the air is really smelly after staying here for a long time."

He fanned his nose with his hand as he spoke. Go upstairs.

Chen Xingnuo yawned, "I'm tired from riding, I'll go back to my room and sleep for a while."

"You're all gone, then I'll go too." Cheng Huai also got up.

Soon, there were only three Fu Jingting left in the living room.

Fu Jinglin looked at Fu Jingting and then at Gu Manyin.

Finally, he grabbed Fu Jingting's arm and walked towards the balcony, "Brother, I have something to tell you."

"What?" Fu Jingting pulled out his hand.

Fu Jinglin closed the balcony door, "Brother, you know what Gu Manyin did to Sister Rong Shu, right?"

Ever since he knew what Gu Manyin did, he felt disgusting to call her sister.

Just call your name.

Fu Jingting's thin lips pursed, "I know."

Fu Jinglin was very unhappy, "Then you are still with her?"

Fu Jingting frowned, "This is my business, not yours."

"Why doesn't it have anything to do with me, I'm your brother, can't I care about you?"
Fu Jinglin said with his eyes wide open, "Brother, listen to me, you should break up with Gu Manyin quickly, she's too bad, I I never agree with you to be with her."

Such a person is too scary, and what will happen in the future.

At that time, what should I do if I implicate the big brother and the Fu family?

"Okay, take care of yourself, I don't need you to take care of me." Fu Jingting replied impatiently, and then opened the door to the balcony.

Gu Manyin was standing behind the door, looking at them with red eyes.

"Jing Ting..." Gu Manyin bit her lip and shouted.

Fu Jingting sighed, "Did you hear that?"

Gu Manyin nodded, "Yeah."

Fu Jinglin was a little embarrassed, his eyes flickered and he dared not look at her.

After all, he spoke ill of people and was heard by the person involved. No matter how thick-skinned he was, he would feel embarrassed at the moment and leave with a light cough.

Gu Manyin suddenly stopped him, "Brother Jinglin."

Fu Jinglin stopped, "What's the matter? If you stop me, I want to apologize to you. If I tell you, I won't apologize. I'm not wrong."

She was so bad, she could even kill people.

What's wrong with him not letting his eldest brother be with her.

"Fu Jinglin!" Fu Jingting pursed his lips in displeasure and called out Fu Jinglin's name sharply.

Fu Jinglin clenched his fists and was about to speak.

Gu Manyin said, "No, brother Jinglin, I'm not asking you to apologize, I just want to tell you that I did something that I'm sorry for Miss Rong, but there are reasons for that, and it's not mine. The original intention, I..."

“Whether there is a reason or not, and whether it is your intention or not, but you do it, you do it, don’t you?”

Fu Jinglin interrupted her and said, “I thought that you are really a gentle and kind big sister, and also support you and big brother together, but now I know how wrong I am, you are evil-hearted. , you don’t deserve to be with my eldest brother at all, you will only cause trouble for my eldest brother.”

After speaking, he snorted at her and left.

Gu Manyin looked at Fu Jinglin’s back, biting her lower lip with her teeth, and her eyes were full of evil.

After Cheng Huai, is even Fu Jinglin going to destroy her and Jing Ting?

This is the purpose of Rong Shu and Lu Qi, to turn against her and the people around Jing Ting bit by bit, and then come to oppose her and Jing Ting together.

Thinking of this, Gu Manyin trembled with anger, hating these people to death.

Fu Jingting thought she was crying, so he hugged her from now on, “Sorry Manyin, Jinglin is still young, and his speech is a little out of mind, don’t worry about it.”

Gu Manyin cleaned up the expression on his face and shook his head slightly, “I I don’t blame him, after all, he was right, I was just a little scared.”

“What are you afraid of?” Fu Jingting turned her around.

Gu Manyin put her face against the position of his chest and heart, listening to his heartbeat, and replied with a trembling voice, “Jinglin asked you to break up with me, I’m afraid you will really break up with me.”

Fu Jingting sighed, He held up her face and looked down at her seriously, “No, trust me.”

She was the one he only chased after a few times.

How could he be willing to break up with her.

Gu Manyin blinked, “Really?”

“Really.” Fu Jingting nodded.

“But... but Jinglin is your younger brother. He will definitely join up with his aunt to let you and me break up. When the time comes, will you still be so firm in the face of persecution from your family?” Gu Manyin looked at him.

Fu Jingting straightened her hair, "Yes, the Fu family is my master, and they don't dare to persecute me, so don't worry."

"Well, I'm relieved." Gu Manyin laughed and put her face back on his chest.

He gently hugged her and stroked her hair. His movements seemed gentle, but his eyes were cold and without the slightest warmth.

I don't know why, but the person in his arms is obviously his love.

But he found that he felt less and less throbbing towards her, and his heart became more and more calm.

...

At night, it rained heavily, accompanied by strong winds and thunder, making the outside of the villa look like the end of the world.

Gu Manyin's face was pale with fright, and she screamed when the thunder struck.

"Miss Chen, please close the curtains, it's terrible." Gu Manyin curled up on the sofa and begged Chen Xingnuo, who was standing in front of the floor-to-ceiling windows, admiring the scenery outside.

Chen Xingnuo turned his head and glanced at her slightly, with contempt in his heart.

But thinking that it is better to do less than one thing, I still draw the curtains.

"Thank you, Miss Chen." Gu Manyin breathed a sigh of relief and smiled gratefully at Chen Xingnuo.

Chen Xingnuo said lightly, "You don't need to thank me, if it wasn't for Mr. Fu standing behind you, you thought I would take care of you?" After

that, she lifted her feet to the kitchen.

Gu Manyin lowered her eyelids to hide the hatred in her eyes, and made a look of grievance.

Fu Jingting came downstairs with a lady's coat and frowned when he saw her like this, "Manyin, what's wrong with you?"

"I'm fine." Gu Manyin raised her head and smiled, "I don't care about Miss Chen. Fu Jingting pursed his lips, "

Chen Xingnuo bullied you?"

“No.” Gu Manyin waved her hands again and again, “I was afraid of thunder, so I asked Miss Chen to close the curtains, which made Miss Chen unable to appreciate the outside scene, so Miss Chen is not happy, she didn’t bully me, I feel sorry for her myself.”

“You didn’t feel sorry for her.” Fu Jingting put his coat over her, “The villa is public, you are afraid of thunder, so it’s okay to let her close the curtains, so you don’t have to feel guilty, is it still cold now?”

“It’s not cold anymore.” Gu Manyin shook his head with a smile.

Fu Jingting hummed, “That’s good.”

At this moment, there were several footsteps upstairs.

Cheng Huai, Lu Qi and Rong Shu slowly came down from the upstairs.

Cheng Huai scratched his hair and said loudly, “What time is it, why isn’t dinner ready, what is the chef doing?”

Chapter 134 Cooking

“Stop howling, the chef is not here.” Chen Xingnuo came out of the kitchen and replied.

Cheng Huai looked at her, “Where did the chef go?”

“In the afternoon, the chef went out to buy and never came back. I called just now and said that there was a landslide on the way back, and the chef was blocked on the road. Not coming.” Chen Xingnuo shrugged.

Fu Jinglin blinked, “Then what about our dinner tonight?”

“What else can I do? I can solve it myself. I went to the kitchen to see it, and the ingredients are all there.” Chen Xingnuo pointed to the direction of the kitchen.

Fu Jinglin wailed, “You mean, let’s cook our own food?”

“Or else?” Chen Xingnuo rolled his eyes at him.

The corners of Cheng Huai’s mouth twitched, “Does anyone know how to cook?”

Everyone fell silent when he said this.

After a while, except for Rong Shu, everyone shook their heads one after another, saying no.

Yes, the people present were all from wealthy families, and they were served from childhood to adulthood, so how could they cook?

"It's over, it looks like I won't be able to eat tonight." Cheng Huai touched his stomach and said with a wry smile.

Chen Xingnuo squinted at him, "It's you who brought me here and left me without food."

Cheng Huai pouted, "Who would have known that the chef was so unlucky to encounter a landslide."

"Yeah." Chen Xing Noah sighed.

Gu Manyin pulled Fu Jingting's sleeve, "Jingting, what should I do, I'm so hungry?"

Fu Jingting's thin lips moved, and he replied, "There should be some snacks, go to the kitchen to find them, and let's have a look."

"Also . That's the only way." Gu Manyin nodded.

The two went to the kitchen.

Fu Jinglin didn't want to go with Gu Manyin, so he didn't go.

Soon, the two came out again, but their hands were empty and there was nothing.

Lu Qi laughed, "Didn't we go looking for snacks, where are the snacks?"

Fu Jingting ignored him with a cold face.

Gu Manyin replied softly, "There are no snacks in the kitchen."

"Damn, I don't even have snacks. It seems that we are destined to be hungry tonight." Cheng Huai said dejectedly.

Lu Qi looked at Rong Shu next to him, "Baby, are you hungry?"

Fu Jingting heard this and looked at Rong Shu, with an imperceptible concern in his eyes.

Gu Manyin still caught it, and clenched her palms.

"A little bit, how about you?" Rong Shu nodded.

Lu Qi touched his stomach, "I'm hungry too."

“Then let me cook.” Rong Shu said.

Except for Fu Jinglin and Fu Jingting, everyone was shocked.

“Baby, can you cook?” Lu Qi looked at Rong Shu in shock.

Before Rong Shu could answer, Fu Jinglin answered first with bright eyes, “Sister Rong Shu knows how to cook, and the food she cooks is delicious.”

“Have you ever eaten?” Lu Qi turned his eyes to him dissatisfied. . Fu Jinglin raised his chin proudly, “Of course, I have eaten for six years, and looking at you, I am so surprised that Sister Rong Shu knows

how to cook. It seems that I have never eaten anything cooked by Sister Rong Shu.”

It hurt Lu Qi’s heart.

Lu Qi ignored him with a sullen face, took Rong Shu’s hand, and said distressedly, “No wonder your hands were so rough before. It turns out that in addition to doing housework, you have to cook for the Fu family, baby, are you stupid?”

” Well, it’s all over.” Rong Shu smiled and pulled her hand back.

Lu Qi snorted coldly, “You think it’s over, I don’t think so. You were also pampered and raised since you were a child. How can you be able to do all the laundry and cooking when you marry into Fu’s family.”

As he said that, he turned around and stared at Fu Jingting angrily, “Is it your Fu family who asked her to do it, as the richest man in the sea, don’t you have a servant at home, and you actually let your wife do what servants do to serve you all? My family, I can’t bear to let her do things, but your family is so reassuring, it’s really disgusting.”

The treasure he had kept in his heart for more than ten years and had been caring for it carefully, actually made compromises at the Fu family.

Think angry.

“That is, what era is this, and there is still a family that treats his wife as a human being, Mr. Fu, does your family still live in the Qing Dynasty?” Chen Xingnuo glanced at Fu Jingting with contempt.

Afterwards, she looked at Gu Manyin again, “Miss Gu, you heard that, the Fu family is a family that will spar with daughters-in-law. If you marry in, life will probably not be easy.”

Gu Manyin bit her lips, reluctantly. With a smile, he replied, “No, my aunt is very good. I believe they won’t treat me like this.”

“Don’t talk too early, who knows what will happen in the future.” Cheng Huai also added a sentence.

Fu Jingting listened to a few people mocking the Fu family one by one. Although his face was gloomy, he did not refute.

Because what Lu Qi said is indeed true, the Fu family did treat Rong Shu as a servant for the past six years, and only did so because her mother didn’t like Rong Shu.

He also knew that what his mother did was wrong, but because he didn’t love her, he chose not to intervene and let his mother treat Rong Shu like this. After all, although he did not directly bully Rong Shu, his laissez-faire behavior itself is also a bullying to Rong Shu.

Fu Jinglin who was beside him didn’t speak, his youthful face flushed with shame.

He just wanted to show off that he had eaten Sister Rong Shu’s meal, but he didn’t expect that the Fu family’s bullying of Sister Rong Shu would be brought out.

“I’m sorry Sister Rong Shu.” Fu Jinglin bowed to Rong Shu and apologized.

Although he has apologized before, it does not prevent him from apologizing again.

Rong Shu glanced at him, didn’t take his apology to heart, rubbed her brows, “Okay, get up, get out of the way, don’t block me from going to the kitchen to cook.”

“Sister Rong Shu, Can I order?” Fu Jinglin approached her and looked at her with shining eyes.

Rong Shu’s mouth twitched.

Is this kid so thick-skinned?

When did she say she was going to cook for him, and she even came to order.

“No.” Rong Shu refused.

Lu Qi clapped his hands and smiled, “ Did you hear it, baby said no!”

Fu Jinglin glared at him, then looked at Rong Shu, his face full of grievances, “Why?”

“Because we are two unrelated people. Personally, why should I cook for someone who doesn’t matter, and your elder brother and your sister-in-law are both here, if you want to eat, go find them.” Rong Shu pointed to Fu Jingting and Gu Manyin, and walked towards the kitchen. go with.

Lu Qi smiled proudly at Fu Jinglin, then followed her.

Chen Xingnuo suddenly thought of something, raised his hand and said loudly, “Mr. Rong, I’ll help you, can you make more?”

“And me, Rong Shu, your foot was injured last time, but I took you to the hospital. Yes.” Cheng Huai said unwillingly.

Rong Shu smiled, “Okay, let’s all come and help.”

“Yes.” Cheng Huai and Chen Xingnuo followed with a smile.

The three Fu Jingting in the living room could hear chatter and laughter from the kitchen from time to time.

Not knowing what the people inside said, Rong Shu laughed loudly.

Fu Jingting sat on the sofa with pursed lips, and when he thought of her laughing at Lu Lu and them, he was quite irritated.

Fu Jinglin was also uneasy.

Sister Rong Shu would rather cook for Brother Huai and that woman than cook for him.

Did he just hate her like that?

Gu Manyin didn’t speak either, bowed her head slightly, and twisted her hands together, not knowing what she was thinking.

Soon, the rich aroma of food wafted out of the kitchen.

After Fu Jinglin smelled it, he felt even more hungry, and his stomach was growling.

Fu Jingting’s Adam’s apple couldn’t help but slide, his eyes darkened.

He knew that Rong Shu could cook because Rong Shu had cooked it for him before, but he never ate it.

It turns out that her cooking skills are so good that the aroma alone makes people mouth-watering, but you can imagine how delicious it is when she eats it.

“Jing Ting, how about we cook too?” Suddenly, Gu Manyin pulled Fu Jingting’s sleeve and suggested.

Chapter 135 Unpalatable Food

She was starving and couldn't take it anymore.

The smell of this dish makes me even more hungry.

Fu Jingting looked at Gu Manyin's uncomfortable appearance, and finally agreed, "Let's go."

"Well." Gu Manyin nodded with a smile.

After walking a few steps, she suddenly stopped and looked back at Fu Jinglin on the sofa, "Brother Jinglin, do you want to come with me?"

"I'm not going with you." Fu Jinglin replied coldly.

Gu Manyin lowered her head sadly.

Fu Jingting pursed his lips, "If you don't come to help, then don't eat tonight."

After speaking, he dragged Gu Manyin to the kitchen.

Fu Jinglin on the sofa scratched his hair angrily, wanting to say not to eat.

But the growling stomach made him unable to speak.

In the end, Fu Jinglin went to the kitchen in desperation.

The kitchen is huge, and ten people can move around in it.

When the three of Fu Jingting came in, they happened to see the scene where Rong Shu was in trouble.

The dishes in the pot rose into the air, turned over and fell back into the pot.

Lu Qi, Cheng Huai and Chen Xingnuo stood by, dumbfounded.

"It's amazing." Chen Xingnuo exclaimed.

Cheng Huai nodded, "Chef!"

"Baby..." Lu Qi frowned, feeling both happy and sad.

I am happy that I can eat the food made by my baby in a while.

The sad thing is that the baby he was holding in his hand was actually trained by the Fu family to master even the difficult technique of flipping the pot with one hand. You must know that baby has never done this before.

Thinking about it, Lu Qi turned his head and glared fiercely at the three who came in.

The three of Fu Jingting were also watching Rong Shu's troubles, but they suddenly came back to their senses when they felt Lu Qi's eyes.

They were actually fascinated by seeing Rong Shu upside down.

"Let's go, go over there." Fu Jingting coughed lightly, looked away, and pointed to the stove on the other side.

Gu Manyin took his arm and went with him.

Fu Jinglin looked at Rong Shu, then at his elder brother, and followed in a dejected manner.

The three came to the stove, looked at the pots and pans in front of them, and suddenly got into trouble.

Because they haven't cooked, they can't even recognize everything, so they don't know where to start now.

"Jing Ting, how do you do it?" Gu Manyin picked up the spatula and looked at it, then asked the man beside him in trouble.

The man was silent for a few seconds, "Let's wash the vegetables first, let's see what I want to eat?"

"But where are the vegetables?" Gu Manyin looked blank.

Fu Jinglin sneered, "Even if I don't know how to cook, I know the food is in the refrigerator."

After speaking, he turned and walked towards the refrigerator.

Gu Manyin bit her lower lip, her eyes reddened, "Jing Ting, am I so useless? I don't even know where the dishes are."

"No, it's normal for me to not know how to cook." Fu Jingting touched her hair.

However, when Lu Qi heard it, he rolled his eyes, "What's normal, is this common sense? You don't even know common sense, you can see how wasteful Mr. Fu's fiancée is, and Mr. Fu, you can lie to her without changing your face. It's normal to say

it's normal, and she seems to believe it, how mindless she is, she can't even hear comforting words."

"Pfft!" Chen Xingnuo and Cheng Huai couldn't help laughing.

Rong Shu also raised the corner of his mouth.

Fu Jingting looked at Lu Qi with an ugly face, his eyes were very cold.

Gu Manyin even looked like she was about to cry, "Lu Qi, you're going too far!"

She actually said she was a waste, no brains!

"Where am I going too far? I'm just telling the truth. If you can't accept it, I'm going too far?" Lu Qi spread his hands and smiled condescendingly.

Gu Manyin's chest rose and fell violently.

Lu Qi still wanted to ridicule her, but was stopped by Rong Shu, "Okay, Aqi, don't talk about it, it will be very troublesome to get angry for a while."

"Okay, since you said that baby, then I will Shut up." Lu Qi said with a smile.

Gu Manyin pinched her palms and looked at Fu Jingting, "Jingting, do you think I'm stupid too, and don't even know common sense."

"No." Fu Jingting replied.

"Really not?" Gu Manyin obviously didn't believe it.

Fu Jingting only felt a little tired in his heart, but he nodded patiently, "Really."

Gu Manyin saw that he was serious, and his mood improved.

At this time, Fu Jinglin had already returned with the dishes he wanted to eat, and there were always a lot of them.

"Brother, let's do this." He looked at Fu Jingting excitedly.

However, Fu Jingting frowned and looked at the dishes he brought, "Do you know how to do it, so you can take so much?"

Fu Jinglin's expression stiffened, obviously he hadn't thought about it.

"Then what?" He scratched his head.

Fu Jingting was silent.

Gu Manyin didn't even know what to say.

Next to him, Rong Shu was instructing Lu Qi and the three of them to take plates and condiments, and they were very busy.

On the other hand, the three of Fu Jingting's side watched the cold pot and the cold stove without moving for a long time.

There is a stark contrast on both sides.

After a while, Fu Jingting sighed softly, took out his mobile phone, and searched for the teaching of cooking, and then he started to move.

However, the cooked meal seemed very unappetizing.

"Brother, is your black eggplant?" Fu Jinglin asked very politely, pointing to a dish in front of him that couldn't see its original appearance.

Fu Jingting pursed his thin lips into a straight line, and hummed in a stiff voice.

Fu Jinglin twitched the corner of his mouth and pointed to another plate, "Is this a potato?"

Fu Jingting squinted and glanced at him coldly.

He shrank his neck and didn't dare to ask any further questions.

Gu Manyin saw that the atmosphere was a little stiff, smiled, and took the initiative to ease up, "Okay, brother Jinglin, although these dishes don't look pretty, they should still taste good, after all, Jing Ting made them himself, try it. "

She handed Fu Jinglin a pair of chopsticks.

Fu Jinglin pretended not to see it, picked up another pair, and stretched it out towards the eggplant.

Gu Manyin's chopsticks froze in the air.

Fu Jingting squeezed her hand, "It's okay, eat by yourself."

"Yeah." Gu Manyin squeezed the corners of her mouth and forced a smile, but she secretly remembered Fu Jinglin who hated her own face.

Just wait, after she and Jing Ting get married, she will definitely drive Fu Jinglin out of Fu's mansion.

"Shut up!" Just as Gu Manyin and Fu Jingting were about to eat, Fu Jinglin suddenly retched with a twisted expression and spat out the food in his mouth.

"What's this? It's so unpalatable. One bite is salty, and two bites are sweet. Big brother, your craftsmanship is truly amazing." Fu Jinglin hurriedly drank water and extended his thumb to Fu Jingting.

Fu Jingting frowned, "It

's very unpalatable?" "Is it super unpalatable?" Fu Jinglin shouted loudly.

Fu Jingting looked down at the dish he made, hesitated for a moment, and put a piece in his mouth. His brows furrowed even tighter, but he still swallowed the dish.

"Brother, how is it, isn't it bad?" Fu Jinglin approached him and asked with a smile.

Fu Jingting didn't speak, he drank water expressionlessly, which was considered a tacit consent.

Seeing this, Gu Manyin silently stretched out the chopsticks that had been stretched out.

Forget it, she still didn't eat it.

Gu Manyin's actions were seen by Rong Shu who was enjoying the food at the next table.

Rong Shu didn't want to pay attention, and ate her hearty dinner quietly.

Cheng Huai and Chen Xingnuo didn't want to cause trouble either.

I have to say that Rong Shu's dishes are so delicious.

Especially this fish, so delicious that one can't wait to swallow the tongue.

Only Lu Qi rolled his eyes and made a bad idea.

He put down his chopsticks, turned his head to look at the next table, "Miss Gu, this is the dinner that President Fu personally cooked, why don't you eat it?"

Chapter 136 Gu Manyin vomited

Gu Manyin didn't expect that he would suddenly mention herself, so she smiled politely, "I..."

"Are you disgusted?" Lu Qi interrupted her explanation.

Gu Manyin hurriedly shook her head in denial, "I don't."

"Then why don't you eat it?" Lu Qi returned to the original point.

Everyone in Rong Shu knew that he was doing something, and deliberately provoked Gu Manyin and Fu Jingting. They became interested, put down their chopsticks, and watched a good show.

"That's right, Miss Gu, since you don't dislike Jing Ting, then you can eat it." Cheng Huai said with a smile that was not a smile, holding his head.

Chen Xingnuo also nodded, "This is made by President Fu himself. It's not good for Miss Gu if you don't eat it, and you don't love President Fu, so you can't help but give your beloved face."

Fu Jinglin's mouth moved, He also wanted to say something, but was stopped by Fu Jingting's cold eyes.

As for Rong Shu, she drank the soup calmly without opening her mouth. If it weren't for the playfulness in her eyes, it would be as if everything had nothing to do with her.

Gu Manyin looked at this group of people with red eyes and hated to death.

These people are clearly deliberately harassing her, letting her eat such unpalatable meals, making her laugh at her, and in order to achieve their goals, they even moved out of Jing Ting to persecute her.

If she doesn't eat it, she dislikes Jing Ting, or doesn't love Jing Ting. When Jing Ting doesn't say it, she will definitely doubt her feelings for him in her heart. This group of people is really vicious.

"Okay, I'll eat!" Gu Manyin took a deep breath and replied with a forced smile.

Lu Qi and the others were stunned for a moment, and then laughed successfully.

"Miss Gu is really good. She always really loves Fu." Chen Xingnuo gave a thumbs up.

Gu Manyin smiled and said nothing.

Love?

What does this have to do with true love? Isn't it because they forced her to make it impossible for her to refuse?

Gu Manyin bit her lip and picked up the chopsticks.

Fu Jingting held her hand, "Don't eat it, don't pay attention to them."

"It doesn't matter, they are right, this is your first time cooking for me, and I will always try it." After that, Gu Manyin gently took his hand away.

Although Fu Jingting still disapproved of her eating, he did not stop it.

Perhaps, he also wanted to know how she would react after eating these meals.

Under the gazes of several people, Gu Manyin stretched out his chopsticks to a plate of potatoes, and took a potato stick that didn't look like shredded potatoes.

"Eat, what are you stopping for?" Seeing that she was holding a potato stick in her mouth, Lu Qi began to urge.

Gu Manyin hated in her heart, and knew that she couldn't eat it, so after closing her eyes, she mustered up the courage to put the potato stick in her mouth.

In an instant, an indescribable strange taste spread out in the mouth.

Her face changed and changed, and finally she couldn't hold back, covered her mouth and got up and ran to the bathroom.

When she entered the bathroom, she could still hear the frantic laughter of several people from Lu Qi behind her.

"Jing Ting, it seems that Miss Gu doesn't like your craftsmanship very much. She couldn't stand it and vomited." Cheng Huai said to Fu Jingting teasingly drinking the juice.

"Maybe Miss Gu doesn't love you very much, Mr. Fu, otherwise, why would you vomit? If it were me, even if the baby's cooking was unpalatable, I would swallow it into my stomach without changing my face, and wouldn't be so uncomfortable. Throw it out for face." Lu Qi also smiled.

Fu Jingting's face turned black, and he pursed his thin lips and did not speak.

In fact, he understood Man Yin's behavior, after all, the food was really unpalatable.

But when he saw her vomit, he was still a little uncomfortable, just like what Lu Qi said, she did this without thinking about whether it would make him unable to get off the stage.

“Okay, let’s eat quickly, stop talking.” Rong Shu, who had been quiet and never spoke, finally spoke up when she saw Fu Jingting’s bad expression.

She didn’t give Fu Jingting steps.

Instead, he was worried that a few people in Lu Qi had made a fuss about it, and it would not end well if he completely angered him.

Lu Qi and the others obviously realized that Fu Jingting was angry, shrugged his shoulders and stopped talking, and continued to eat.

At this time, Gu Manyin came back after rinsing his mouth, pulled out the chair and sat down, carefully looking at the man beside him.

She seemed to know that her actions just now would make it difficult for men to step down. She lowered her head and said apologetically, “Jing Ting, I’m sorry, I didn’t vomit on purpose, I just...”

“It’s okay, the food is really bad. Vomiting is also normal.” Fu Jingting interrupted her with his eyes down.

Hearing the coldness in his voice, Gu Manyin’s heart tightened, knowing that he had an opinion on her, and she was so angry that she died.

It’s all Rong Shu’s fault.

If they didn’t have to force her to eat, she wouldn’t vomit, and Jing Ting wouldn’t have any opinion on her.

For a while, the three of Fu Jingting’s side didn’t speak anymore, they didn’t know what to say, and they didn’t even move their chopsticks. The atmosphere was very depressed.

However, the people next door to Rong Shu were talking and laughing and eating lively.

The aroma of vegetables on their table floated over, and the three of them breathed into Fu Jingting, making the three of them even more uncomfortable, as if a cat was scratching in their hearts.

“Ah, ah, I can’t take it anymore, I’m so hungry!” Fu Jinglin slapped the table, “Brother, can someone order some meals and arrange for them to be delivered by helicopter?”

Hearing this, Gu Manyin's eyes lit up. , looking at Fu Jingting.

Fu Jingting rubbed his brows and shook his head, "No, it's a thunderstorm outside, it's very dangerous for helicopters to come over, and it's easy to get into trouble."

"Then we'll be hungry all the time?" Fu Jinglin's eyes widened.

Fu Jingting looked up at him, "If you don't want to be hungry, just eat."

"Then I'd rather be hungry than eat these." Fu Jinglin said angrily.

Fu Jingting's breath became cold, but he didn't force it, "If you don't eat, get out!"

"Let's go." Fu Jinglin stood up and left his seat, but instead of going upstairs, he walked towards Rong Shu next door.

When Lu Qi saw it, he raised his eyebrows slightly, "Baby, that kid is here."

Rong Shu turned her head to look, and Fu Jinglin smiled at her, "Sister Rong Shu."

Tsk, what a stupid laugh!

Rong Shu rolled her eyes in her heart, pretended not to hear, and looked away.

Seeing her ignoring her, Fu Jinglin's expression darkened for a moment, and then he didn't leave, standing beside the table, holding his fingers, looking at the food on the table, his eyes full of desire.

Being stared at by him like this, Rong Shu and the others couldn't eat anymore.

Lu Qi put down the juice in his hand, "Boy, what are you doing?"

Fu Jinglin ignored him and looked at Rong Shu expectantly, "Sister Rong Shu, your food is delicious."

Rong Shu ticked Lips, "What, want to eat?"

Seeing that she understood what he meant, Fu Jinglin's eyes lit up instantly, and he nodded quickly, "Is that okay?"

"Brother Jinglin, come back." Before waiting for Rong Shu to answer, Gu Man Yin was the first to speak, "It's not good for you to ask others to eat like this."

"What does it have to do with you, I want you to take care of it?" Fu Jinglin replied impatiently.

Gu Manyin bit her lower lip, her eyes moistened, "I care about you."

"I don't need you to care, just care about my elder brother." Fu Jinglin pouted and said.

"Jing Ting..." Gu Manyin threw herself into Fu Jingting's arms sadly, seeking comfort.

I thought Fu Jingting would coax her as usual, and even asked Fu Jinglin to apologize to her.

But this time, Fu Jingting didn't say anything except hugging her, his eyelids drooping slightly, he didn't know what he was thinking.

Gu Manyin is really aggrieved now.

Lu Qi was happy, but he rarely praised Fu Jinglin, "Boy, you did a good job!"

Fu Jinglin ignored him as usual, looked at Rong Shu with shining eyes, and asked again, "Sister Rong Shu, is it alright?"

Chapter 137 Power Outage

"Of course not, it's not that you have nothing to eat, but your elder brother made a big table. Well, it's over there, you can go back and eat." Lu Qi pointed at Fu Jingting and refused.

Fu Jinglin glared at him, "I didn't ask you, why would you answer."

"It's just that I'm baby's boyfriend." Lu Qi took Rong Shu's shoulders.

Rong Shu didn't push away either.

When Lu saw her cooperation, her face became even more smug, "How is it, do you still have any questions?"

Fu Jinglin's face turned red with anger, but soon, he turned his attention to Rong Shu again, his tone full of coquettishness, "Sister Rong Shu... I'm really hungry, please let me eat some, please!"

He folded his hands and swung back and forth twice, with a pitiful expression on his face.

Rong Shu suddenly remembered a little golden retriever that she had raised many years ago. For a little food, she also stood up with her front paws and bowed to people, just like Fu Jinglin at this time.

Rong Shu couldn't help but softened and pointed to the empty seat, "Okay, let's eat."

"Okay, long live Sister Rong Shu!" Fu Jinglin jumped up happily, then quickly ran to the kitchen to get the dishes.

"Baby, do you really let him eat?" Lu Qi looked at Rong Shu in disbelief, and Cheng Huai and Chen Xingnuo were also very surprised.

Even Fu Jingting was stunned.

Didn't she say that she wouldn't be nice to the Fu family?

Why let Jing Lin eat?

"Yes, I really let him eat." Rong Shu nodded and replied.

Lu Qi frowned, "Why?"

Fu Jingting pricked up his ears secretly.

He also wondered why.

"It's very simple. The way he looked just now reminds me a little." Rong Shu said with a smile, a flash of nostalgia in his eyes.

From his distant memory, Lu Qi dug out the appearance of Ditty and nodded, "It does look a bit like it."

"What are you talking about Ditty?" Suddenly, Fu Jingting stood up, looking at Rong Shu with a tense expression and asked, There was undisguised urgency in his voice.

Dot, is that the dot he thought?

Rong Shu and Lu Qi looked at each other, not understanding why Fu Jingting was so excited.

Just when the two were about to answer, Dot was a little golden retriever.

Gu Manyin suddenly bent over, buried herself under the table and coughed loudly.

Fu Jingting's expression tightened, he immediately patted her on the back, and asked with concern, "Manyin, what's the matter with you?"

“Jingting, I’m a little dizzy, maybe I have a cold, can you help me back to the room?” Gu Manyin He looked up at him with his pale face.

“Okay.” Fu Jingting nodded in agreement.

Gu Manyin said weakly, and heaved a sigh of relief.

She knew who Diandian was. It was a golden retriever. She had seen it in Jing Ting’s letters, but she didn’t expect that Rong Shu would suddenly mention it, and Jing Ting heard it.

But fortunately, her interruption ended the topic of Diandian, otherwise Jing Ting would definitely know that the Diandian in Rong Shu’s mouth was the Diandian he thought, so that he knew that Rong Shu was the one who communicated with him. The one he really loves.

“Hey, where’s my brother?” Fu Jinglin came out with the bowls and chopsticks. Seeing that Fu Jingting and Gu Manyin were gone, he asked suspiciously.

Lu Qi pointed upstairs, “Go back to your room, go back too, don’t eat.”

“If you tell me not to eat, I won’t eat.” Fu Jinglin rolled his eyes, then sat down and began to eat.

The moment the delicious meal was eaten, he was almost moved to tears.

“This is what people eat.” Fu Jinglin sighed happily.

However, in the next second, Rong Shu put down his chopsticks and poured a basin of cold water on him to wash away his happiness. “Remember to put the table and wash the dishes after eating.”

“Why?” Fu Jinglin widened his eyes.

“Why?” Rong Shu looked at him with a half-smile, “because I made the rice, Xing Nuo washed the dishes, Cheng Huai killed the fish, and Aqi delivered the plates and seasonings, so you can’t Free food, right?”

“I…” Fu Jinglin lowered his head, “I see.”

Rong Shu looked at the tuft of hair on top of his head, and couldn’t help but reached out and touched, “Good.”

Fu Jinglin blushed, “Are you treating me like a child?”

“You think so.” Rong Shu got up and went upstairs to her room.

Lu Qi and the others had almost eaten, and began to disperse.

In the end, only Fu Jinglin was left on the table.

He picked up the rest of the dishes on the plate and poured them all into his bowl, humming and eating deliciously.

...

In the middle of the night, Rong Shu was a little thirsty, so she got up and went to the coffee table to pour water.

Sadly, the kettle on the coffee table ran out of water.

In desperation, Rong Shu had to go out and go downstairs for a drink.

The thunder outside was gone, but the rain was still falling, and the wind was blowing so hard that the scalp of those who heard it was numb, and it was very penetrating.

Rong Shu couldn't help rubbing her arms.

At this moment, the overhead light went out all of a sudden, and the whole villa seemed to be swallowed up by darkness, and nothing could be seen in the darkness.

Rong Shu was startled, subconsciously snorted, and held onto the railing beside her, daring not to move.

Because she can't see anything, if she walks around at will, she will either step down and fall down the stairs, or hit something, and she will be easily injured.

"Aqi, Aqi?" Rong Shu shouted in a trembling voice, hoping that Lu Qi could hear and rush over to find her.

She regrets it so much now that she didn't bring her mobile phone when she went out.

Otherwise, she could use her phone to light up.

With a click, a door opened.

Immediately afterwards, the sound of footsteps came, accompanied by a bright light.

It should be the light of a cell phone flashlight.

When Rong Shu saw the light, the fear in her heart suddenly eased a lot, and her tense body gradually relaxed.

“Aqi, is that you?” She asked as she looked at the person walking by.

The man was facing the light, and the phone in his hand was shining on the ground. She couldn't see his appearance, so she wasn't sure if it was Lu Qi.

When Fu Jingting heard that Rong Shu recognized himself as Lu Qi, Jun's face darkened.

How does he look like Lu Qi?

“It's me.” Fu Jingting's thin lips parted lightly, and he spat out two words.

Rong Shu was stunned, “Mr. Fu? Why are you?”

“Why, very disappointed?” Fu Jingting pursed his lips, his tone a little unpleasant.

Rong Shu shook her head, “That's not true, it's just a bit of an accident.”

In such a dark situation where she couldn't see anything, no matter who came, she would not be disappointed, she would only feel happy because she was saved.

It's just that she didn't expect that the person who came was not Lu Qi who she called, but Fu Jingting.

“I heard your voice, so I came out to have a look.” Fu Jingting replied.

Because of his hunger, he didn't sleep very deeply, and he heard her as soon as she called.

Even if she called Lu Qi, he couldn't help coming out.

“So it is.” Rong Shu nodded, indicating that she understood.

Fu Jingting looked at her, “It's so late, what are you doing out here?”

“Drinking water, but I didn't expect the power outage before I went downstairs.” Rong Shu replied with a wry smile.

Fu Jingting hummed, “Then you go ahead, and I'll show you the way.”

“You show me the way?” Rong Shu raised her eyebrows and looked at him.

He was still facing the light, and she couldn't see his face, only the outline of his face.

Fu Jingting raised his chin, “Is there any problem?”

“No, then thank you.” Rong Shu bowed slightly to thank him.

Although his kindness surprised her.

However, there are free lights, no need for white.

Rong Shu held onto the railing and slowly went downstairs first.

Fu Jingting walked right behind her, holding up her phone to illuminate it.

The two came to the living room.

Standing in front of the coffee table, Rong Shu picked up the kettle and shook it. Hearing that there was water in it, she smiled slightly.

Fu Jingting stood beside her, looking at her smile, his eyes darkened slightly.

“By the way, do you want to drink?” When Rong Shu was pouring water from the cup, she suddenly remembered that there was another person, turned her head and asked the man beside her.

Chapter 138 Sleeping

The man was not thirsty at first, but for some reason, he nodded, “Give me a cup.”

Rong Shu snorted, picked up another cup, poured a glass of water and handed it to him.

“Thank you.” Fu Jingting took it.

“No.” Rong Shu waved her hand, then lowered her head to drink water.

However, Fu Jingting held the water glass and didn’t drink, and kept staring at her.

After drinking the water, Rong Shu put down the cup and was about to say that she could go back to her room when she suddenly heard a cooing sound.

She subconsciously looked in the direction of the source of the sound, it was Fu Jingting’s belly.

Fu Jingting didn’t expect his stomach to growl at this time, and for the first time there was an embarrassment on his usually cold and expressionless face.

When Rong Shu saw it, she slightly hooked her lips and wanted to laugh.

After all, such Fu Jingting is rare to see.

“That...” At this moment, Fu Jingting’s Adam’s apple slid twice and suddenly spoke.

Rong Shu looked at him, “What’s the matter?”

“Can you help me with something?” Fu Jingting asked with his eyes lowered.

Rong Shu raised her eyebrows, “You asked me to cook you food?”

“Well.” Fu Jingting nodded.

He was really hungry.

Rong Shu pursed her lips, feeling a little ironic in her heart.

In the past six years, in order to capture his heart, she learned to cook, but he never eats it or even looks at it.

But now he took the initiative to ask her to cook for him, which was ridiculous.

Seeing Rong Shu’s delay in answering, Fu Jingting’s eyes darkened slightly, and he felt a little disappointed, but he said indifferently, “You think I didn’t say it.”

“No, I’ll do it for you.” Rong Shu raised her head. To see him.

Fu Jingting was startled for a moment, then looked at her in slight surprise, “You agree?”

Rong Shu nodded, “Just thank you for showing me the way, let’s go, go to the kitchen.”

Fu Jingting raised his thin lips. , hmm.

The two came to the kitchen.

Rong Shu opened the refrigerator, and there were very few vegetables left, only some leafy vegetables.

She thought about it and turned her head.

Unexpectedly, Fu Jingting was standing behind her, bending slightly, looking at the refrigerator with her.

Then Rong Shu’s lips touched Fu Jingting’s lips.

Both were stunned.

A few seconds later, Fu Jingting was the first to react, took a step back, stood up straight, and said in a low and hoarse voice, "Sorry."

He didn't expect that she would suddenly turn around.

Rong Shu blushed a little, covered her lips and replied awkwardly, "It's not your fault, it's me who should apologize."

It was she who turned around and met him.

For a while, neither of them spoke, and the huge kitchen became extraordinarily quiet, with only the sound of shallow breathing.

After a while, Fu Jingting's thin lips moved, and he took the initiative to break the silence, "What did you just want to ask me?"

Rong Shu knew that he was taking the initiative to resolve the embarrassment just now, so she stopped being silent, nodded and replied, "I want to say, there's no food in the refrigerator, can I make you a bowl of noodles?"

"Yes." Fu Jingting agreed.

Rong Shu took out a handful of vegetables and walked towards the sink.

Fu Jingting followed her step by step and illuminated her.

Soon, a bowl of noodles is ready.

The two came to the restaurant.

Rong Shu put the noodles on the table, "Eat it."

"Thank you." Fu Jingting looked at the hot and fragrant noodles, and thanked him with a soft expression.

Rong Shu yawned, wiped the tears oozing from the corners of her eyes, and urged in a sleepy voice, "Okay, hurry up and eat, and take me back to the third floor after eating."

"Okay." Fu Jingting looked at her for a moment. The impatient look on his face, inexplicably felt a little cute.

Afterwards, Fu Jingting pulled out the chair and sat down, and began to eat noodles.

Rong Shu sat next to him, holding his head, waiting for him to finish eating.

However, after waiting for a while, her yawns became more and more frequent, her eyelids became heavier, and her head rose a little bit, looking like she was too sleepy.

Seeing this, Fu Jingting flashed a smile that he didn't even know he did not know, and then accelerated the speed of eating noodles.

But before he could finish eating, Rong Shu couldn't stand it any longer, and fell directly on the table and fell asleep.

Fu Jingting was stunned for a moment, then suddenly laughed.

But soon, he cleaned up his expression again, put down his chopsticks and got up, walked behind Rong Shu, and pushed her gently, "Rong Shu, wake up, go upstairs."

Rong Shu was dreaming at this time, dreaming that she was being The monster grabbed, frowned immediately, pouted and muttered, "Don't touch me, let go!"

Fu Jingting thought she was awake, and subconsciously took her hand away.

But after a while, he didn't see Rong Shu stand up, so he knew that she wasn't awake at all, she was just talking in her sleep.

Helplessly rubbing his brows, Fu Jingting also gave up the idea of ??waking up Rong Shu, and directly picked her up and walked upstairs.

On the third floor, Fu Jingting saw an open door at a glance, guessing that it should be Rong Shu's room.

He went in with Rong Shu in his arms, walked to the bed with the limited light of the mobile phone flashlight, bent down and put Rong Shu on the bed, but unexpectedly Rong Shu was holding onto his neck.

Fu Jingting couldn't stand up, so he could only hunched over to look at the woman on the bed, and said in a low voice, "Rong Shu, let go."

"Don't go." Rong Shu said suddenly, the expression on her face was also a little scared, as if she was having a nightmare.

It was the first time that Fu Jingting saw her like this, and his heart moved, and he said softly, "Okay, I won't go."

Maybe after hearing it, the fear on Rong Shu's face gradually disappeared, and the corners of his mouth were slightly hooked.

Fu Jingting stared at her lips, and suddenly remembered the unexpected kiss in the kitchen just now.

Although it was just a little bit of water, the soft touch of her lips was deeply engraved in his memory.

He couldn't help lowering his head, locked Rong Shu's lips, and kissed it.

It felt as good as he remembered, soft and sweet, making him want to ask for more.

In fact, Fu Jingting did the same.

He knelt on one knee on the bed, reached out and raised Rong Shu's chin, and the moment her lips opened, her tongue slipped in.

"Hmm..." Rong Shu snorted, her voice soft and long, with a hint of temptation, which made Fu Jingting's eyes darker and the kiss deeper.

Gradually, Fu Jingting began to feel dissatisfied with this, and stretched out his big hand towards Rong Shu.

Even the kiss gradually moved down to Rong Shu's neck.

But at this moment, Rong Shu suddenly called out a name, "Aqi..."

Fu Jingting seemed to have been sprayed with a basin of cold water, and his whole body woke up instantly, his face dark and ugly.

He threw Rong Shu's arm off his neck, stood up straight and stood by the bed, staring gloomily at the woman on the bed.

She was actually under him, calling out another man's name.

But what annoyed him the most was that he had done something wrong to her again, and this was the third time.

Thinking of this, Fu Jingting turned and left with a sullen face.

Rong Shu turned over, hugged the quilt, and said again in a dissatisfied tone, "Aqi, don't take my little bit..."

That night, Fu Jingting almost stayed up all night, thinking all the time why he did that to Rong Shu and why her mood would be affected by her, and she would not be like herself.

So that when he woke up the next day, Fu Jingting's face was full of fatigue, and there was a faint blue and black under his eyelids.

Gu Manyin saw it, and hurriedly asked with concern, "Jing Ting, did you sleep last night?" Just as

Fu Jingting was about to answer, Cheng Huai came over with a bottle of beer, "Yo, Jing Ting, it seems that last night The nightlife is good, the dark circles are all over, let the chef get you some oysters to nourish your kidneys, or you won't be able to give Miss Gu enough happiness in the future."

Gu Manyin understood, her face flushed, and she lowered her head in embarrassment head.

Fu Jingting frowned, with a cold face, and directly rewarded Cheng Huai with one word, "Go away!"

Chapter 139 Marks on the Neck

Cheng Huai wasn't angry either, he laughed twice, and while drinking beer, he walked towards the sofa and turned on the TV to watch.

Not long after, several people got up and came downstairs, except Rong Shu.

Gu Manyin watched them greet each other, but ignored her and Jing Ting, feeling very uncomfortable.

When she couldn't see it, were they deliberately excluding her and Jing Ting?

"Boss Lu, is President Rong still up?" At this moment, Chen Xingnuo asked suddenly.

After Fu Jingting heard it, his eyes flickered slightly, and soon returned to normal.

"No, baby was tired from cooking last night, let her sleep a little longer." Lu Qi also opened a bottle of beer and answered.

Chen Xingnuo nodded and stopped asking.

Soon, the chef came over and informed everyone that breakfast was ready.

Everyone moved their positions and left the living room to the dining room.

Rong Shu hasn't come down yet.

Lu Qi looked at his watch and stood up from his chair, "You guys eat first, I'll go upstairs to wake up the baby."

"Go, go." Cheng Huai waved his hand, signaling him to go quickly.

Seeing this, Fu Jinglin muttered dissatisfiedly, "Why should he shout?"

Cheng Huai laughed when he heard what he said, "He is Rong Shu's boyfriend, why do you say that?"

"Hmph, he What's worthy of being Sister Rong Shu's boyfriend?" Fu Jinglin said with a dark face.

Cheng Huai raised the corners of his mouth, "Does he deserve you? You don't even look at how old you are. You don't even have all the hair, so you just miss a woman."

Fu Jinglin blushed, stood up in shame, and said loudly, "Who misses a woman?"

"You don't want a woman, so why do you have an opinion on who Rong Shu is with?" Cheng Huai held his head and looked at him with a half-smile.

"I... I just think they're not suitable for each other." Fu Jinglin replied with dodging eyes.

Fu Jingting at the next table rubbed his coffee cup and lowered his eyelids.

He thought so too.

As early as when Lu Qi and Rong Shu were together, he thought they were not suitable.

Gu Manyin saw the man's movements out of the corner of his eye, and after guessing what he was thinking, he bit his lip, and a jealous fire surged in his heart, but he smiled and said, "Brother Jinglin, you are wrong, Miss Rong and Mr. Lu's childhood sweethearts, growing up together, know each other best, and no one is more suitable to be together than them."

"However I heard that most childhood sweethearts are not suitable for being together because they know each other too well." Fu Jinglin replied impatiently.

Gu Manyin frowned, and quickly laughed again, "That's true, but it's not absolute."

"Anyway, I just don't think they are suitable." Fu Jinglin poked the sandwich on the plate with a fork, humming. He hummed, "It's like you and my eldest brother don't suit each other."

Gu Manyin's face froze, obviously he didn't expect that he would suddenly target her, and he secretly hated her.

Cheng Huai and Chen Xingnuo on the side laughed directly.

No way, who made Gu Manyin's expression so funny.

They can't help it.

"Jing Ting..." Gu Manyin looked aggrievedly at the man beside him.

The man rubbed his brows and scolded Fu Jinglin in disgust, "Okay, let's eat, whether Rong Shu and Lu Qi are compatible or not, it's their business, don't worry about it."

Fu Jinglin pouted and became quiet.

On the third floor, Lu Qi went to the door of Rong Shu's room, raised his hand and knocked on the door, "Baby, are you up?" In the

room, Rong Shu's brows moved, and the next moment, she opened her eyes.

She looked at the white ceiling and touched the quilt on her body, feeling a little dazed.

Did she remember that she fell asleep downstairs last night, but how could she wake up in the room?

So, how did she get back?

"Baby?" The knocking on the door continued.

Rong Shu's thoughts were interrupted, she patted her cheek and sat up, "Is something wrong?"

Hearing her response, Lu Qi took away his hand to open the door and said loudly, "Breakfast is ready, I'll call you down for breakfast. "

I see, you go down first, I'll be there in a while." Rong Shu sighed and replied lazily.

Lu nodded, "Okay, hurry up, breakfast will be cold in a while."

"Yeah." Rong Shu replied.

Lu Qi turned around and left.

Rong Shu heard the footsteps gradually disappearing, then lifted the quilt and got out of bed, went to the floor-to-ceiling window, and opened the curtains.

The dazzling white light came in, Rong Shu couldn't help raising his hand to block his eyes, and narrowed his eyes.

It wasn't until a while later that she slowly reopened her eyes.

It's not raining outside, and the sun is still out.

Rong Shu opened the floor-to-ceiling windows, smelled the air with a hint of grass after the rain, and laughed in a relaxed mood, then stretched and went to the bathroom to wash.

"Huh?" While brushing her teeth, she suddenly saw a small red mark on her neck in the mirror. The color was quite dark, making it hard to ignore.

Rong Shu couldn't bear to raise her hand to touch it, but after not touching the pimple bitten by the mosquito, her little face sank suddenly.

She is not an unmanned girl either. The last time she left a lot of marks on her body and neck, just like the one on her neck now.

So she was sure that the marks on her neck were the hickeys that were sucked out by someone.

Rong Shu instantly thought of a person, Fu Jingting.

She fell asleep on the first floor last night with him by her side.

So she should have been sent back to the room by him, so the marks on her neck are most likely done by him.

Thinking of this, Rong Shu's red lips pursed tightly, her heart was extremely complicated, there was anger, and there were other emotions.

After a while, she patted her cheek irritably, spat out the foam in her mouth, snorted in a hurry, went back to her room, changed her clothes and put on makeup, and covered the marks on her neck with a thick foundation. Then open the door and go downstairs.

"Baby, you've come down." Seeing Rong Shu coming, Lu Qi quickly pulled away the chair beside him.

Cheng Huai, Fu Jinglin and Chen Xingnuo also nodded.

Rong Shu smiled embarrassedly at them, "Sorry for making you wait for a long time."

"Okay, now, sit down and eat." Lu Qi patted the chair beside him.

Rong Shu hummed and sat down, picked up the knife and fork and began to eat.

During this period, she cast her eyes at Fu Jingting several times, as if she wanted to see something.

But Fu Jingting's expression was as cold as ever, so she couldn't see anything.

After the meal, Cheng Huai suddenly stood up and clapped his hands, "Everyone, how about we go to climb the mountain in a while? I heard that there is a viewing platform on the mountain, and it is very good to see the scenery there."

"Jingting, let's go." Gu Man Yin hugged the arm of the man beside him and looked at him expectantly.

Fu Jingting couldn't bear to see her disappointed look, and nodded in agreement.

"Okay, two people have signed up now, do you still want to go?" Cheng Huai looked at Rong Shu and the others.

"Baby, are you going?" Lu Qi asked Rong Shu sideways.

Fu Jingting also glanced at Rong Shu.

"What about you?" Rong Shu didn't answer.

Lu Qi smiled and said, "I'll go if you go, or I'll be here to accompany you if you don't go."

"Then go, anyway, it's a pity not to go." She thought about it and said.

For some unknown reason, Fu Jingting felt inexplicably happy when he heard that Rong Shu was also going, but it didn't show on his face.

Fu Jinglin also quickly raised his hand, "Since Sister Rong Shu is gone, then I'll go too."

Chen Xingnuo scratched his hair, and said in a lazy tone, "You all go, it doesn't make sense for me to stay here alone, then I Go too."

Chapter 140 Mountain Climbing

"Since everyone agrees to go climbing, why are you still standing there, not going back to change your clothes?" Cheng Huai rolled his eyes as he looked at the clothes of this group of people.

Lu Qi looked down at the silk floral shirt on his body, and the corners of his mouth twitched, "I'm really not suitable for climbing mountains."

"Then go change." Rong Shu waved his hand and motioned him to go quickly.

She didn't need to change. When she came down, she was wearing sports clothes, which was just right for mountain climbing.

"Jing Ting, then I'll go back to the room to change clothes." Gu Manyin said to Fu Jingting looking at the skirt on her body.

Fu Jingting raised his chin slightly, "Go ahead."

He didn't need to change. Although he wasn't wearing sports clothes, he could climb mountains.

"Wait for me." Gu Manyin left two words and turned back upstairs.

The others also went back to their rooms to change their clothes, and Cheng Huai went outside to prepare the car.

Only Rong Shu and Fu Jingting were left in the restaurant.

This is good for Rong Shu, because she has something to ask him.

"President Fu." Rong Shu said suddenly.

Fu Jingting looked at her, "What's the matter?"

"Did you send me back to the room last night?" Rong Shu looked back at him with calm eyes.

Fu Jingting nodded, "It's me."

Rong Shu's eyes darkened, "Why didn't you wake me up?"

"I did." Fu Jingting replied with thin lips, "But you slept too deeply and didn't wake up."

Rong Shu's eyes twitched, "Yes...is that so?"

"Well." Fu Jingting nodded.

Rong Shu could see that he was serious and didn't lie, and he felt a little embarrassed.

She can't even wake up, how can she sleep?

"Cough!" After two awkward coughs, Rong Shu suppressed the embarrassment in her heart and said, "Thank you, Mr. Fu, but..."

"What?" Fu Jingting took a sip of coffee.

Rong Shu lowered her eyelids, then looked at him carefully, "Did Mr. Fu ever do anything to me?"

"What did you do?" Fu Jingting raised his eyebrows and looked at her, "What do you mean?"

"For example, have you twisted me, like twisting your neck or something?" Rong Shu took a breath and asked.

She couldn't directly ask him if he kissed her, and she couldn't say it, she could only say it was screwed.

And she raised her neck on purpose, he would definitely understand what she was really referring to.

Fu Jingting rubbed the coffee cup again, and replied indifferently, "No."

"Really not?" Rong Shu frowned slightly, obviously in disbelief.

Fu Jingting looked at her, "Why should I screw you?"

"..." Rong Shu was speechless.

why?

How does she know why?

Just when Rong Shu was bored, Fu Jingting drank coffee and said, "Don't worry, I didn't do anything to you, I put you in the room and left."

His expression was cold, and there was no guilt at all.

Rong Shu stared at him for a while, but didn't see anything unusual in him, so she couldn't help but believe what he said.

Maybe the hickey on her neck wasn't really made by him, but it wasn't him, so who could it be?

Could it be that after he left last night, another person entered her room?

Thinking of this, Rong Shu clenched her hands tightly, her chest heaving violently, she was angry.

She really didn't expect that she would be...

“Baby, I’ll change it.” At this moment, Lu Qi’s voice came, interrupting Rong Shu’s thoughts.

Rong Shu looked at Lu Qi who came over, and asked in a deep voice, “Did you go out in the middle of the night last night?”

“Going out?” Lu Qi blinked, “No, I slept until morning, you asked me what to do? What?”

Rong Shu looked at him blankly, made sure he wasn’t lying, and waved his hand, “It’s nothing.” It’s

not Lu Qi, there are only four men here, apart from Fu Jingting and Lu Qi, there are only Cheng Huai and Fu Jinglin left. .

It shouldn’t be possible for Fu Jinglin to be in his teens, so only Cheng Huai is left.

Just thinking about it, Cheng Huai appeared, turned the car key in his hand, and walked in shyly, “The car has been refueled, and I also asked the chef to put a lot of food in the car, we can’t eat on the mountain at noon. Come down, you guys...”

Before he finished speaking, he felt a sharp and exploratory gaze fell on him, making him unable to speak any more behind him.

“Rong Shu, why are you looking at me like this? Is there anything on my face?” Cheng Huai touched his face suspiciously.

Rong Shu squinted, “Did you go out in the middle of the night last night?”

“No, why am I going out?” Cheng Huai had a strange expression on your face.

Rong Shu also saw that he was not lying, and his heart sank.

It’s not Fu Jingting, it’s not Lu Qi, it’s not Cheng Huai, who could it be?

There were only a few of them in the villa last night, no outsiders. Could it be that she had misunderstood that the bite on her neck was not a hickey, but a mosquito bite?

For a while, the expression on Rong Shu’s face was a little dull, and then left the restaurant in a trance.

Lu Qi and Cheng Huai looked at each other.

“What’s going on?” Cheng Huai asked.

Lu Qi shook his head and said he didn’t know.

Then in the next second, he suddenly thought of something, squinted at the man who was still sitting at the dining table drinking coffee, and asked in a bad tone, “Did you bully my baby?”

Fu Jingting listened to his words ‘my baby’, but felt extremely harsh, stood up with a cold face, ignored him, and walked out of the restaurant.

“What’s his attitude?” Lu Qi pointed in the direction where Fu Jingting was leaving, so angry.

Cheng Huai shrugged his shoulders and didn’t speak.

Soon, a group of people gathered outside the villa.

It is two kilometers away from the entrance to the mountain. It is too slow to walk, so we still have to drive.

A group of seven people drove towards the foot of the mountain in two cars.

Rong Shu had five people in one car, and Fu Jingting and Gu Manyin had two cars. Because no one wanted to sit with them, not even Fu Jinglin. It is conceivable that Fu Jingting and Gu Manyin are now two people who are not welcome. At the foot of the mountain, the seven people got off the car and started to climb the mountain. Gu Manyin looked up at the top of the mountain, with a hint of retreat on her face, “It’s so high, Jing Ting, do we really want to climb up, don’t we take the cable car?” Before Fu Jingting could answer, Lu Qi spoke first. “Why, do you want to take the cable car up the mountain?” “Can’t you?” Gu Manyin looked at him with innocent eyes. Lu Qi curled his lips, “It’s not impossible, but we agreed before that we don’t take the cable car up the mountain, but only when we go down the mountain, otherwise it’s called mountain climbing.” “But it’s too high.” Gu Manyin bit her lips, her tone full of words resist. “Then go back, don’t stay here to affect our mood to climb the mountain.” Lu Qi said impatiently. “You...” Gu Manyin’s face flushed red, then looked at Fu Jingting. Fu Jingting asked, “Manyin, do you want to go back? If you want to go back, I’ll take you back.” “I...” “Oh, Miss Gu won’t be able to eat at all, right?” Before Gu Manyin could answer, Cheng Huai interrupted her.

Gu Manyin had a bad premonition in her heart.

Rong Shu and Chen Xingnuo looked at each other and smiled.

They knew that Cheng Huai was going to do something.

“Mr. Cheng, what do you mean?” Gu Manyin squeezed her palms tightly and looked at Cheng Huai with a smile on her face.

The corners of Cheng Huai's mouth evoked a playful smile, "It doesn't make any sense, it means that Miss Gu is too hypocritical."

"Cheng Huai!" Fu Jingting pursed his lips and looked at him displeased.

Cheng Huai spread his hands, "Jing Ting, I'm not wrong. If your fiancée dislikes the mountain being too high and doesn't want to climb, don't come at the beginning, and then start shrinking again. What's not hypocritical?"

Fu Jingting frowned.

Although he didn't like Cheng Huai's attitude, he also denied that what Cheng Huai said was the truth.
