### Chapter 141 Sense of Superiority

Seeing that Fu Jingting agreed with Cheng Huai's words, Gu Manyin secretly hated.

She knew that Cheng Huai was deliberately digging a trap for her to stumble. She didn't want to climb, so he insisted on her.

The point is, she has to jump into the trap, otherwise she will really become a hypocritical person.

Thinking of this, Gu Manyin scolded Cheng Huai several times in her heart, but said with a smile on her face, "Mr. Cheng is joking, I just said that the mountain is too high, and I didn't say that I want to go back."

"Oh? So you still have to climb the mountain . ?" Cheng Huai raised his eyebrows to look at her.

Gu Manyin nodded, "Of course."

"Really." Cheng Huai smiled and said nothing.

Fu Jingting looked at Gu Manyin, "Manyin, you don't need to care about Cheng Huai's words. If you really don't want to crawl, you can..."

"It's okay, Jingting, I can." Gu Manyin raised his hand to block his lips, blocking him the words behind him.

Seeing her insistence, Fu Jingting could only give up.

"It's really greasy." Chen Xingnuo looked at the two of them, and couldn't help shivering with chills.

Rong Shu smiled, "Why are you greasy?"

Chen Xingnuo curled his lips and said, "We are here to climb the mountain, look at their greasy and crooked energy, acting in a TV series, and blocking my lips, I got goosebumps all over the place, Isn't this not greasy?"

Rong Shu glanced back at Fu Jingting and Gu Manyin, smiled and nodded, "It's a bit."

"Okay, Mr. Rong, let's go, don't look at it, hot eyes." Chen Xingnuo Holding her arm, he said.

Rong Shu snorted and entered the mountain entrance.

At the end, Fu Jingting heard her conversation with Chen Xingnuo, and his eyes darkened.

greasy?

Is his relationship with Manyin like this in their opinion?

“Jing Ting, what are you thinking?” Gu Manyin shook his arm.

Fu Jingting came back to his senses, his eyes flashed, “It’s nothing, let’s go.” The

two also entered the mountain entrance.

Since no one else was willing to walk with them, Fu Jingting and Gu Manyin walked last.

At the beginning, the seven people marched slowly in column.

However, halfway through, Fu Jinglin suddenly proposed a competition to see who gets to the top of the mountain first.

When making the proposal, he deliberately gave Lu Qi a provocative look.

Lu Qi naturally couldn’t bear this arrogant boy and agreed to participate in the competition.

Cheng Huai joined in the fun and joined.

Chen Xingnuo also wanted to join, but was ordered by Lu Qi to stay with Rong Shu to protect Rong Shu.

After all, letting Rong Shu and Fu Jingting and Gu Manyin walk together, he was worried.

In this way, the three men ran away in unison, leaving behind Rong Shu, Chen Xingnuo, and Fu Jingting, Gu Manyin and four people walking slowly behind.

After walking for a while, Gu Manyin suddenly sat down on a rock, gasping for breath, “Jing Ting, I’m so tired.”

Fu Jingting also stopped, took a bottle of water from his bag, unscrewed it and handed it over. Give it to her, “Have a drink.”

“Thank you Jing Ting.” Gu Manyin took it with a smile.

Fu Jingting took out another bottle of water and handed it to Rong Shu.

Although Rong Shu was a little surprised by his actions, he still refused, and said softly, "Thank you, Mr. Fu, but no need. I'm afraid I'll pick it up later. Your fiancée will split her personality again and kill me."

After speaking, She pulled Chen Xingnuo away.

Fu Jingting watched her walk away, pursed her thin lips, and took the water back.

Gu Manyin could see that he was a little unhappy, the hand holding the water bottle tightened, and the water bottle was deformed.

Are you upset because Rong Shu rejected it?

Gu Manyin lowered her eyelids to hide the wickedness in her eyes, and said apologetically, "I'm sorry Jingting, it's all because of me, Miss Rong..."

"It has nothing to do with you." Fu Jingting put the bottle of water back in his backpack, Looking at her, "Have you rested yet?"

Gu Manyin nodded, "Okay."

"Then let's go on." Fu Jingting reached out to her, intending to pull her up.

But Gu Manyin sat still, "I'm sorry Jingting, my foot hurts too much, I may not be able to walk."

"Foot pain?" Fu Jingting frowned and looked at her foot, "Did it twist?"

"No." She shook her head, "It's just because I haven't exercised for too long, so..."

Fu Jingting understood, rubbed his temples, put his backpack in front, and squatted down with his back to Gu Manyin, "Come up. A

flash of joy flashed in Gu Manyin's eyes, but it quickly disappeared, pretending to be dazed and puzzled, "Jing Ting, what are you doing?"

"I'll carry you up." Fu Jingting looked at the mountain in front of him and said in a low voice.

Gu Manyin waved his hand, "It's not good, it's still so long before we reach the top of the mountain."

"It's alright, come up." Fu Jingting said again.

Gu Manyin didn't refuse anymore, and lay on his back.

Fu Jingting stood up behind her back and walked towards the front.

Soon, the two caught up with Rong Shu and Chen Xingnuo.

Seeing the two figures in front, Gu Manyin rolled her eyes slightly, pointed at a rock in front of her intentionally, and said loudly, "Look over there, Jing Ting, the shape of that rock is so strange."

Hearing her voice, Rong Rong said in a loud voice. Shu and Chen Xingnuo turned back subconsciously.

Seeing Fu Jingting coming with Gu Manyin on his back, both of them were stunned.

"I'm going, but I actually climbed the mountain with Gu Manyin on my back. Is Mr. Fu treating himself as a superman?" Chen Xingnuo said in a low voice.

Rong Shu shrugged, "If they want, you can manage it."

"I don't care." Chen Xingnuo rolled his eyes, "I just can't stand Gu Manyin's squeamishness, don't think I don't know her. That voice is to let us see President Fu carrying her."

Rong Shu smiled, "Okay, someone is here, don't say anything."

Chen Xingnuo stuck out his tongue and closed his mouth.

"Miss Rong, Miss Chen." Coming to Rong Shu and Chen Xingnuo's side, Gu Manyin smiled and waved to them.

However, the two ignored her and sat on the side of the road with fans to dissipate heat.

Fu Jingting looked at Rong Shu.

She seemed tired from walking, hammering her calf with one hand.

Chen Xingnuo sat next to her and handed her water.

After she took it, she showed a bright smile to Chen Xingnuo.

Comparing the indifferent look she gave her just now, Fu Jingting's eyes darkened, his heart was a little irritable, and even the expression on his face sank, and then he walked straight forward with Gu Manyin behind his back.

Chen Xingnuo looked at their backs and tilted his head in confusion, "Strange, what is wrong with Mr. Fu, who messed with him?"

“Who knows?” Rong Shu took a sip of water and looked forward. , replied lightly.

Seemingly aware that they were watching, Gu Manyin turned her head and smiled smugly at Rong Shu, then wrapped her arms around the neck of the man under her, swearing her sovereignty.

Before Rong Shu could respond, Chen Xingnuo laughed angrily, “Mr. Rong, that woman is provoking you. You don’t love President Fu anymore. She still does this, do you think you will be jealous of her?”

Rong Shu drank He dipped into the water and smiled lightly, “I don’t know where she has a sense of superiority. I think I still love Fu Jingting, and I’ll be jealous. Okay, let’s not talk about these irrelevant people, let’s go on, Ah Qi and the others are probably all We ‘ve reached the top of the mountain.”

“Well.” Chen Xingnuo put the bottle cap on, stood up, and put the bag on his back again.

Rong Shu is the same.

The two walked while chatting, keeping a short distance from Fu Jingting and Gu Manyin.

After about an hour, the summit arrived.

Lu Qi saw Rong Shu, his eyes lit up, “Baby!”

He trotted over and took the backpack from Rong Shu.

As for Chen Xingnuo, he subconsciously ignored it.

Chen Xingnuo didn’t need him to take the bag, rolled his eyes and walked to the camp.

Rong Shu looked at Lu Qi, sweating profusely, “How long have you been here?”

Chapter 142 Lighter

“It won’t be long, half an hour.” Lu Qi took out a handkerchief and wiped her sweat in distress.

Rong Shu blinked, “Half an hour? I thought you were there very early.”

“Uh...” Lu Qi smiled awkwardly, “It was indeed Fu Jinglin who could reach the top of the mountain a long time ago. That kid’s fault, went the wrong way, that’s why...”

“Whatever is called is my fault, it’s obviously that you can’t run away and I cheated and pointed me the wrong way.” Fu Jinglin came over and heard Lu Qi say that he Bad words, retorted angrily.

Lu Qi snorted proudly, “Even if I deliberately tricked you into pointing you the wrong way, but you still left, how stupid you are.”

“You...” Fu Jinglin clenched his fists angrily.

Rong Shu held her forehead, “Enough for the two of you, stop arguing, I have a headache.”

“Then baby, I’ll press it for you, it won’t hurt if you press it.” Lu Qi said and walked behind her, Press her temples.

Seeing this, Fu Jinglin murmured, “A sycophant.”

Lu Qi heard it, and also replied in a low voice, “Some people can’t be a sycophant.”

Rong Shu saw that the two children, one big and one small, were still fighting, and the corners of her mouth twitched speechlessly. He sighed, “If you are arguing, just leave me alone and let me be quiet.”

“Don’t make noise, don’t make noise, we won’t make noise, baby.” Lu Qi quickly comforted him.

Fu Jinglin also nodded, indicating that he was no longer arguing.

The two did what they said and fell silent.

Rong Shu’s whole body was quiet.

But not long after, Fu Jingting suddenly thought of something, looked down the mountain and asked, “By the way, sister Rong Shu, where is my elder brother?”

“And at the back.” Rong Shu replied casually.

Lu Qi laughed, “A big man can’t even win with two women. It’s really useless if he hasn’t come up for so long.”

“You’re talking nonsense, it’s not my eldest brother’s fault. It must be Gu Manyin, she must have dragged my eldest brother down.” Fu Jinglin explained to Fu Jingting angrily.

Rong Shu raised his eyebrows.

I have to say, in a sense, this guy really nailed it.

Fu Jingting hadn't come up yet, and it was indeed Gu Manyin who held him back.

Sure enough, Fu Jinglin's words were soon confirmed.

Fu Jingting finally reached the top of the mountain with Gu Manyin on his back.

He put Gu Manyin down, and was supported by Fu Jinglin to sit on the stone beside him, closing his eyes slightly to adjust his fatigue.

After all, climbing a mountain with a person weighing 80 to 90 pounds on his back is a very physically exhausting thing.

Even though he has been exercising all year round, he is too tired to sit there, panting slightly.

And Fu Jinglin stood beside him, fanning his sweat and handing him water.

"Jing Ting, are you okay?" Gu Manyin walked over and asked with concern.

Fu Jingting opened his eyes and was about to answer.

Fu Jinglin stood in front of him, staring at Gu Manyin angrily, "Do you think my elder brother is okay?"

"I..." Gu Manyin took a step back, frightened by the viciousness in his eyes.

Fu Jinglin said again, "What am I, you don't have long legs, you insist on my eldest brother's back, I don't know how to go by myself."

Gu Manyin's eyes turned red from the fierceness, as if she wanted to cry or not.

Fu Jinglin was annoyed to see her like this, and wanted to speak again.

Fu Jingting interrupted him, "Okay, don't talk about it, it's my own responsibility, it's not about Manyin, you step aside."

"Big brother?" Fu Jinglin looked back at him, his face very dissatisfied, "I It's because of you that you let me go?"

"Do you let me go?" Fu Jingting narrowed his eyes.

Fu Jinglin's mouth moved, and finally gave Gu Manyin a fierce look, but he moved away.

"Jing Ting..." Gu Manyin finally saw Fu Jingting.

Fu Jingting handed her a tissue, "Stop crying."

"Yeah." Gu Manyin nodded aggrievedly.

At this time, the four Rong Shu who were picking up firewood and stones came back.

Seeing Fu Jingting and Gu Manyin, Cheng Huai put down a few small stones in his hand and smiled playfully, "Yo Jingting, you have finally come up, it

's not easy." Fu Jingting glanced at him lightly, and said nothing. He ignored it, and quickly retracted his gaze.

But before taking it back, he casually looked at Rong Shu for two seconds.

Rong Shu is building a stove with the stones that Cheng Huai Luqi picked up, preparing to warm up the lunch he brought.

After all, it's getting late, and we climbed the mountain again. Everyone is hungry, and it's time to prepare for dinner.

"Okay, is there a lighter?" After setting up the stove, Rong Shu clapped her hands and asked Cheng Huai and Lu Qi.

Lu Qi shook his head, "I don't, I don't smoke, what about you?"

He looked at Cheng Huai.

Cheng Huai touched his pocket, then smiled awkwardly, "Sorry, I forgot to bring it."

"I didn't bring it either." Chen Xingnuo and Fu Jinglin also said.

Rong Shu looked at the sky speechlessly, "So everyone didn't bring it, what about lunch?"

"..." Several people fell silent.

Just when Rong Shu was thinking about whether to send someone to take the cable car down the mountain to get it, Fu Jingting's cold voice came, "I have it."

He took out a precious-looking metal lighter, got up and walked to Rong Shu, and handed it to Rong Shu. give her.

Rong Shu looked at it and hesitated whether to pick it up.

Lu Qi saw her moving, his eyes sank, and then he stood up and looked at Fu Jingting with a smile, "Mr. Fu, you should put away the lighter, we don't dare to take your things, in case your The fiancée is jealous again, aren't we going to suffer again."

Fu Jingting frowned, looking at Gu Manyin behind him.

Gu Manyin said with a smile, "Mr. Lu, you also think of me too narrowly, it's just a lighter, I'm not that careful, even this bit of jealousy."

After she finished speaking, she looked at Rong Shu again and smiled. No change, "Miss Rong, just take it."

Rong Shu looked back at Gu Manyin for a few seconds, then reached out and took the lighter in Fu Jingting's hand, "Okay, then I'll take it, thank you Gu Miss and President Fu are gone."

"You're welcome." Gu Manyin replied.

Although Fu Jingting didn't speak, his frown loosened, obviously satisfied with Rong Shu's acceptance of the lighter.

"Baby, did you really take it?" Lu Qi was a little unhappy.

Rong Shu opened the lid of the lighter and started making a fire, "Why not, everyone is hungry, it's more important to fill your stomach."

"But..." Lu Qi wanted to say something else.

Rong Shu instructed him, "Go and get the lunch box."

"Oh." Lu Qi obediently went to get the lunch box.

Meals are cooked quickly.

Rong Shu gave everyone one by one, and finally took two boxes and walked towards Fu Jingting and Gu Manyin.

"Here." Rong Shu handed the lunch box to the two of them.

Gu Manyin narrowed her eyes, then asked with a smile, "Miss Rong, this is..."

Fu Jingting also looked at Rong Shu.

Even Lu Qi and Cheng Huai looked over.

Rong Shu replied indifferently, "Remuneration for lighters."

“So that’s the case, then thank you Miss Rong.” Gu Manyin reached out and took the lunch box.

“Thank you.” Fu Jingting also accepted.

When picking up, his fingertips touched Rong Shu’s fingertips.

Rong Shu shrugged and looked at him.

He just happened to look over.

The two looked at each other.

When Gu Manyin next to him saw this scene, his fingernails poked into the palm of his hand.

“Jing Ting, what are you doing looking at Miss Rong? Miss Rong is embarrassed.” Gu Manyin tried her best to maintain the smile on her face, and said softly.

However, the soft voice was mixed with coldness.

Only then did Fu Jingting and Rong Shu come back to their senses, and at the same time avert their eyes.

Rong Shu shoved the lunch box into his hand and turned to leave.

Fu Jingting looked at the lunch box in his hand, thinking that this was made by Rong Shu himself, he was inexplicably happy, and the corners of his mouth twitched.

### **Chapter 143 Discussion**

When Gu Manyin saw it, she gritted her teeth secretly, wishing she could throw out the lunch box in her hand.

But she knew that if she did, these people would start running against her again.

Thinking about it, Gu Manyin closed her eyes, took a deep breath, and managed to suppress the anger in her heart.

The people started to eat.

Fu Jingting also opened the lunch box, and the aroma of the food wafted out immediately.

He took a bite and it was delicious.

But he felt that it was not as delicious as the bowl of noodles last night.

He didn't know why he felt this way, it was obvious that the chef's craftsmanship was better than that of Rong Shu.

But in the mouth, the taste is a little worse, and it feels like something is missing.

As for what, he couldn't say.

"Manyin, why don't you eat?" Fu Jingting raised his eyes and saw that Gu Manyin didn't eat next to him, and he didn't even open the lid of the lunch box, so he couldn't help but ask.

Gu Manyin's eyes flashed slightly, and she smiled, "I'm not hungry yet, I don't want to eat yet."

"I don't think I'm not hungry, but I don't dare to eat." Lu Qi's sarcastic voice came.

Gu Manyin's face sank, "Mr. Lu, what are you trying to say?"

Lu Qi pouted, "I just wanted to say, this meal is hot for the baby, you have harmed our baby so many times, I guess it didn't matter. That face eats this meal, not to mention, are you afraid that our baby will be poisoned in it?"

Gu Manyin's pupils trembled slightly, and she soon lowered her eyelids, reluctantly smiled and replied. "Mr. Lu is joking. I don't have anything to eat. It's really because I'm not hungry. I'll go over there to blow the air."

After she finished speaking, she put down the lunch box and walked towards the cliff not far away.

Fu Jingting pursed his thin lips, worried that she was alone, and covered the lunch box and went over.

Lu Qi looked at the figure of the two leaving and cut, "I really know how to argue."

"Okay, you can't keep your mouth shut even if you eat." Rong Shu rolled her eyes and stuffed a piece of meat into his mouth.

Lu Qirong jumped up, "Baby, are you murdering?"

Rong Shu snorted and said, "Who made your mouth open so wide."

Others laughed when they heard this.

Lu Qi sat down again with a depressed look on his face.

Fu Jingting, who was not far away, looked at this happy picture, his eyes darkened.

Obviously they came to climb the mountain together, but for some reason, he and Manyin couldn't get in with them.

Even Cheng Huai and Jing Lin distanced themselves from him and Man Yin.

And this was not there before, it seems that it has gradually become like this since he and Manyin were together.

"Jing Ting, what are you thinking?" At this moment, Gu Manyin's voice sounded beside him.

Fu Jingting collected his thoughts and turned his head back, "It's nothing."

Gu Manyin nodded, as if she believed it.

She looked at the mountains in the distance, "In fact, Mr. Lu is right, I don't eat, it's because I don't have the face to eat that meal, although it wasn't my intention to hurt Miss Rong, but I still hurt her, so why should I? I'm embarrassed to eat Miss Rong's hot meal."

"I know." Fu Jingting raised his chin, "I'm sorry, but I didn't think about it, so I should have brought more food."

"It's okay." Gu Manyin hugged him Arm, resting his head on his shoulder, smiled and said, "I can bear it for a while, and the same will be true when I go down the mountain to eat later."

"Aren't you hungry?" Fu Jingting turned his head to look at her.

Gu Manyin shook her head, "It's okay, I'm not very hungry, are you hungry? If you're hungry, go back to eat." After speaking

, she raised her head and let go of his arm.

Fu Jingting stood still, "It's okay, I'm not hungry, I'll accompany you back down the mountain to eat."

"Jing Ting, you are so kind." Gu Manyin put her head back again.

Chen Xingnuo, who came to get water, heard the conversation between the two, and couldn't help rolling his eyes, then returned to Rong Shu and the others, and retell the conversation between the two.

"Listen, Mr. Fu said that he would accompany her back down the mountain to eat, but she really refused to persuade her. I doubt whether she really loves Mr. Fu. Mr. Fu carried her all the way up to the point of exhaustion. I will never believe Mr. Fu. She's not hungry, but Gu Manyin believes that woman, she doesn't even have any doubts, and she's quite happy that Mr. Fu is hungry to accompany her." Chen Xingnuo sneered.

"She is an extremely selfish person, and she doesn't really think about others, but it can't be said that she doesn't love Jing Ting, it can only be said that her love for Jing Ting is far inferior to her own, otherwise she would also I won't repeatedly hurt others and let Jing Ting wipe her butt." Cheng Huai twisted the bottle of water and said sarcastically.

Lu Tou, "Yes, if she really thinks about Fu Jingting as much as herself, she will only think about how to help him instead of causing him trouble all the time."

"So in the end, she still doesn't love President Fu enough, right? Right." Chen Xingnuo said while rubbing his chin.

Cheng Huai replied, "Yes, maybe something big will happen someday, such as earthquakes, floods, etc. In order to escape, she will leave Jing Ting without hesitation, and even use Jing Ting to avoid danger.

"Tsk, isn't it very dangerous to be with such a poisonous woman?" Chen Xingnuo said with a smile.

Rong Shu, who had never spoken, curled her lips, "If such a thing happened, I believe that President Fu would be willing, after all, he loves Miss Gu so much."

"That's true."

Several people smiled.

Only Fu Jinglin had a dark face and remained silent.

Although he didn't like what they said about the elder brother, he couldn't deny that what they said made sense. After all, Gu Manyin did so many bad things to Sister Rong Shu, and the elder brother knew about it but still didn't break up with Gu Manyin. In Big Brother's heart, how important Gu Manyin is, so important that he doesn't even care if his character is good or bad.

Therefore, such a big brother may really be willing to lose his life for Gu Manyin.

Thinking of this, Fu Jinglin looked at Gu Manyin again, and it was even more displeasing to the eye.

He was out of breath for a while, picked up a small stone, and threw it at Gu Manyin's back.

Gu Manyin was hit and cried out, "Ah!"

She covered her smashed shoulder and squatted down.

"What's wrong with Manyin?" Fu Jingting asked quickly with a nervous expression.

Gu Manyin turned her head to look at Rong Shu and the others, bit her lip, and asked with red eyes, "I know you don't like me, but you don't need to throw stones at me, right?"

"Throw stones?" Fu Jingting narrowed his eyes dangerously. He got up, locked Rong Shu and a few people, "Who did it?"

Rong Shu drank water with a calm expression, ignoring it.

Lu Qi listened to the song with headphones on, but also did not respond.

Chen Xingnuo and Cheng Huai played games together, pretending they didn't hear anything.

Seeing this, Fu Jingting pursed his thin lips a little coldly, and finally fixed his gaze on Fu Jinglin, who had his head lowered, and looked at Fu Jinglin, who had a problem, "Fu Jinglin, stand up!"

"What do you want me to do?" Fu Jinglin was named , a trace of guilt flashed in his eyes, and he stood up.

"Apologize." Fu Jingting ordered in a deep voice.

Fu Jinglin said angrily, "Why?"

"It's up to you to fight Manyin."

"How do you know it's me?" Fu Jinglin's eyes widened.

Lu Qi also stood up and patted him on the shoulder with a smile, "Silly boy, your panic just now is written on your face, who can't tell it's you."

"Yes... Is that so?" Fu Jinglin was dumbfounded. wink.

Rong Shu and Cheng Huai and Chen Xingnuo couldn't help laughing when they saw him like this.

Lu Qi sighed directly, "Hey, what a stupid boy."

Fu Jinglin blushed, "Who is stupid, I'm just not good at pretending to lie, unlike some people..."

He looked at the woman beside Fu Jingting with contempt. .

Gu Man clenched his fists angrily, wishing to tear Fu Jinglin apart.

She originally planned to only drive him and Wang Shuqin out of Fu Mansion after marrying Jing Ting.

But now she has changed her mind. She wants to drive the two mothers and sons out of the Fu family completely, which is the fate of offending her.

Chapter 144 Bitten by a Snake

"Fine Fu Jinglin, hurry up and apologize to Man Yin." Fu Jingting frowned and urged impatiently.

Fu Jinglin bowed his head knowingly, "I'm sorry."

He said reluctantly.

Fu Jingting's whole body was filled with cold air, "Fu Jinglin, where's your sincerity?"

Fu Jinglin pouted his mouth high and increased his volume, "Sorry, Sister Manyin, is this okay?" "It's okay, okay

." Gu Manyin hurriedly laughed He waved his hand, expressing his forgiveness.

Fu Jinglin hummed, turned and walked not far away, sulking alone.

Looking at his back, Fu Jingting's eyes sank, then he looked at Gu Manyin beside him, "Sorry Manyin, Jinglin is ignorant, you..."

"It's alright, I didn't take it to heart." Gu Manyin Smile.

Fu Jingting's brows relaxed, "By the way, is there any injury?"

"No." Gu Manyin shook his head.

Fu Jingting raised his chin slightly, "That's good."

“Hey baby, where are you going?” As soon as he finished speaking, he heard Lu Qi’s loud voice.

Fu Jingting subconsciously turned his head to look at Rong Shu.

I saw Rong Shu walking towards the stream not far away, “I’ll wash my face.”

“Oh, then be careful, don’t fall into the river.” Lu Qi urged.

Rong Shu stopped and rolled her eyes at him, “That creek is so shallow, how could it fall into it, you are

a fool?” Lu Qi laughed, “I’m not worried about you.”

“Okay, I’ll be back soon.” Rong Shu turned her head back and continued to walk forward.

Fu Jingting took all the interactions between the two into his eyes, with shadows all over his eyes.

Seeing him like this, Gu Manyin next to him knew that he was eating, so he couldn’t help biting his lower lip slowly.

“It’s interesting, it’s really interesting.” Not far away, Cheng Huai looked at these people with a playful smile on his face.

“Jing Ting, I’m going to wash my hands too.” At this moment, Gu Manyin suddenly said to Fu Jingting.

Fu Jingting looked at Rong Shu, who was squatting by the stream, and didn’t agree immediately, “Let’s go later, wait for Rong Shu to finish washing.”

Now, he was completely uneasy about letting Man Yin and Rong Shu stay together alone.

It’s not that he is worried about Rong Shu, but he is worried about Man Yin. No one knows when Man Yin’s second personality will appear.

“But my hands are all sweaty and I’m not feeling at all.” Gu Manyin spread out her palms to show Fu Jingting.

Fu Jingting looked at her wet palms, but still didn’t agree, “Just bear with it.”

“Okay.” Gu Manyin lowered her head sadly, a little disappointed.

If he had seen her like this before, Fu Jingting would have softened his heart.

But at this moment, his heart was not touched in the slightest. He even felt that her actions did not affect him as much as before. On the other hand, it was Rong Shu...

Thinking about it, Fu Jingting looked at Rong Shu's back. , eyes dark.

"Brother, come here." In the distance, Fu Jinglin waved to Fu Jingting.

"I'll go take a look." Fu Jingting said to Gu Manyin.

Gu Manyin nodded, "Go ahead."

Fu Jingting hummed and walked towards Fu Jinglin, "Why did you ask me to come here?"

"I have something to tell you." Fu Jinglin smiled mysteriously.

Gu Manyin looked at the two brothers who were talking, not knowing if Fu Jinglin was speaking ill of her to Fu Jingting.

But whether it was or not, she didn't care.

It's just bad talk, she has a way to make Jing Ting not believe it.

Hooking her lips, Gu Manyin retracted her gaze and walked towards the stream.

Rong Shu had already washed her face, and was squatting by the stream to touch up her makeup with a make-up mirror.

Gu Manyin came over and squatted down three or four meters away from her.

Gu Manyin put her hand into the icy stream, turned her head to greet Rong Shu with a smile, "Miss Rong."

Rong Shu squinted at her, but did not respond, she closed the mirror and put it in the bag next to her, ready to wash her hands and leave .

Gu Manyin understood Rong Shu's actions and did not stop her.

After all, she really just came to wash her hands, and didn't plan to do anything to Rong Shu.

First of all, this place is undisclosed, and they will find out when there is movement.

If she had to attack Rong Shu here, she would be seeking her own death, and the gain would outweigh the loss.

Rong Shu washed her hands, dried them with a handkerchief, stood up, picked up her bag and left.

Gu Manyin glanced out of the corner of the eye, and suddenly saw a black snake sitting on the branch behind Rong Shu.

The snake had already raised its neck and was spitting out snake letters, staring at Rong Shu with a pair of icy snake eyes, as if it was about to bite at any time.

Seeing this scene, Gu Manyin was startled and almost cried out.

But soon, she covered her lips again, calmed down quickly, and at the same time, a plan emerged in her mind.

With so many people staring at her here, she really can't do anything to Rong Shu, but that doesn't mean she can't use a snake to deal with Rong Shu.

Thinking of this, Gu Manyin narrowed her eyes, stood up suddenly, and said loudly, "Miss Rong!"

Rong Shu stopped subconsciously when she heard her voice.

The snake behind her was also stimulated by her and Gu Manyin's actions.

I saw that the snake shrank its neck, and then a catapult jumped up from the branch and rushed towards Rong Shu's neck.

Seeing that the snake was about to land on Rong Shu and give Rong Shu a bite on her neck, the smile on Gu Manyin's face grew brighter.

But at this moment, Chen Xingnuo's extremely urgent voice came, "Mr. Rong, squat down!"

Although Rong Shu didn't know what was going on, she listened to her frightened tone, did not hesitate, and hurriedly squatted obediently. Down.

Because of Rong Shu's sudden squatting, the snake flew over Rong Shu's head and landed on Gu Manyin on the opposite side.

Gu Manyin turned her head to look at the snake on her shoulder, she was so frightened that she shrank her body and screamed, "Ah!"

And because of her sudden movement, the snake took a bite directly on her neck, He fell into the creek and swam away quickly.

This scene happened between the electric light and flint, and it was too fast for people to respond.

When Fu Jingting and a group of people rushed over, they happened to see Gu Manyin's eyelids rolled and fainted.

"Manyin!" Fu Jingting's expression tightened, he walked over quickly, and helped Gu Manyin on the ground.

Lu Qi also came to Rong Shu, "Baby, what's the matter?"

Rong Shu was still in shock at this moment, her mouth was open, but she couldn't make a sound.

Finally, Chen Xingnuo replied, "It's a snake. President Rong was almost bitten by a snake just now."

"What? Snake?" Have you been bitten?"

Although Fu Jingting hugged Gu Manyin, his eyes also fell on Rong Shu.

Rong Shu shook her head, "I'm fine, it wasn't me who was bitten, it was Miss Gu."

"That's good, that's good." Lu Qi patted his chest, "As long as it's not baby, you're bitten, as for the others..."

He looked at Gu Manyin, gloating in his eyes, "You deserve it!"

"Shut up!" Rong Shu bumped Lu Qi with her elbow, signaling him to pay attention.

Fu Jingting's face was gloomy and ugly.

He originally planned to teach Lu Qi a lesson, but when he saw Rong Shu's actions, his eyes became cold, but in the end he gave up.

"Jing Ting, hurry up and see where Gu Manyin was bitten." At this moment, Cheng Huai reminded.

Fu Jingting lowered his head to check, and found traces of snake bites on Gu Manyin's neck. The two blood holes made the scalp numb.

Fu Jinglin swallowed and said, "Brother, is this not poisonous?"

## Chapter 145 Rong Shu's Plan

Fu Jingting's pupils shrank, and the hand holding Gu Manyin tightened a lot. Cheng Huai touched his chin and said

, "There's no black blood, it doesn't look like a poisonous snake, but it's not necessarily. Jing Ting, take her down the mountain and find a doctor for a serum."

Go the cable car.

Watching the cable car gradually disappear into the mist, Rong Shu and his party found a place to sit and waited for the cable car to come back.

"Baby, how did you meet the snake?" Lu Qi asked Rong Shu a bottle of water.

After Rong Shu took it, she held it in her palm and did not unscrew it.

She shook her head and replied, "I don't know either." She had no idea about the snake's appearance.

Before Gu Manyin was bitten, she didn't even know what happened.

"It's up to me." Chen Xingnuo raised his hand.

The others looked at her.

She said slowly, "That's right, I was going to the creek to wash my face, and then I saw a snake hanging on the branch behind Mr. Rong. Originally, the snake didn't intend to attack anyone, but it was Gu Manyin. He suddenly stood up and called President Rong, which scared the snake, and the snake rushed towards President Rong."

"So you mean that the snake originally bit Sister Rong Shu?" Fu Jinglin Surprised mouth.

Chen Xingnuo nodded, "Yes, I asked President Rong to squat down, so that snake fell on Gu Manyin, who was opposite to President Rong, and bit Gu Manyin."

"This is really dramatic." Cheng Huai smiled.

Only then did Rong Shu understand the cause and effect. She took Chen Xingnuo's hand and was grateful, "Xingnuo, thank you."

If Chen Xingnuo hadn't made her crouch down suddenly.

Maybe it was her who was bitten.

“No thanks, it’s also Mr. Rong, you believe me without reservation, otherwise it’s useless even if I remind you.” Chen Xingnuo smiled.

“I really didn’t expect that there are snakes on this mountain, and I was lucky enough to meet them.” Rong Shu said with a wry smile.

Although she has calmed down now, she can’t help but feel a little scared when she thinks of the snake.

Lu Qi put his hands behind his head, “Speaking of which, I still have to blame the woman Gu Manyin, if she hadn’t stood up suddenly and startled the snake, the snake wouldn’t have attacked the baby, but luckily she was bitten in the end. It’s Gu Manyin himself, I feel much better.”

“Speaking of which, I feel that the snake seemed to be frightened by Gu Manyin on purpose.” Chen Xingnuo touched his chin and said suddenly.

Several people were shocked by her words.

“Chen Xingnuo, you said that the snake was deliberately frightened by Gu Manyin?” Lu Qi stared at Chen Xingnuo.

“No?” Fu Jinglin opened his mouth.

Cheng Huai wrapped his arms around his shoulder, “Why not, don’t forget what Gu Manyin did to your sister Rong Shu, there’s nothing she can’t do.” “...” Fu Jinglin was speechless and looked at To Rong Shu.

Rong Shu frowned, not knowing what she was thinking.

Chen Xingnuo nodded and replied, “Yes, I suspect she did it on purpose, because when the snake flew towards Mr. Rong, I saw her smiling, and she was not surprised by the appearance of the snake at all, so I think it’s very likely that she found the snake long ago, and then stood up and shouted to stop President Rong.”

“If that’s the case, then she was bitten by herself.” Cheng Huai sneered at the corners of his mouth. radian.

“It must be true.” Lu Qi slapped his leg angrily, his face cold, “I knew that she was willing to give up on Bao’er, and she wanted to do it. Sure enough, this is what happened.”

“This woman, It’s the worst one I’ve ever seen.” Chen Xingnuo sighed.

She didn’t understand, even if President Rong and President Fu got married, it made Gu Manyin feel bad.

But now that President Rong and President Fu have divorced, and President Fu also loves Gu Manyin wholeheartedly, is it necessary for Gu Manyin to target President Rong like this?

“Boy.” Cheng Huai looked at Fu Jinglin, “You can see what happened today, you have to be careful in the future, don’t offend Gu Manyin if you don’t have anything to do, or she will attack you with her careful attention.”

“I... I know.” Fu Jinglin nodded hastily.

He knew that Gu Manyin was bad, but he hadn’t seen Gu Manyin’s bad side with his own eyes.

But now that he finally saw it, he had to admit that he was frightened.

“No, this matter is not over, we must teach Gu Manyin a lesson.” Lu Qi clenched his fists and said angrily.

Rong Shu pursed her red lips, “How can you teach her a lesson? There is no evidence that she did this on purpose, only Xing Nuo is the only witness, and Xing Nuo is from our side, Gu Manyin and the others are absolutely fine. Say, we asked Xingnuo to frame him on purpose.”

“Rong Shu is right.” Cheng Huai also nodded, “Because it wasn’t Gu Manyin who directly attacked Rong Shu, so I really can’t do anything about Gu Manyin.”

Lu Still unwilling, “Then let’s just forget it?”

Rong Shu narrowed his eyes, “Of course not, she can do it so that we can’t show any evidence to deal with her, of course we can.”

“Baby, you What are you going to do?” Lu Qi’s eyes lit up.

Rong Shu hooked her fingers and motioned them to get closer.

A few people passed by.

Rong Shu was about to speak when Lu Qi suddenly said, “Wait.”

“What’s wrong?” Rong Shu looked at him.

Lu Qi pushed Fu Jinglin away, “Baby, this kid is Fu Jingting’s younger brother, and he is from their side. You can’t let him listen.”

“Who said I was from there, I’m not.” Fu Jinglin replied loudly road.

Lu Qi raised his arms, "Aren't you Fu Jingting's brother, why not?"

"I'm his brother, but that doesn't mean I'm from his side. Unless he breaks up with Gu Manyin, I won't stand with him. Go aside." Fu Jinglin hummed.

Lu Qi raised his eyebrows, "Are you serious?"

"Of course!" Fu Jinglin nodded without hesitation.

Lu Qi pouted, "Really, I won't let you listen."

"You..." Fu Jinglin wanted to hit someone angrily.

Rong Shu looked at the two people who were about to quarrel from time to time, and only felt a headache, "Okay, Aqi, how old is he, how old are you, why are you still arguing with a child, stop making trouble, let him listen if he wants to. Okay ."

"But baby, what if he tells Fu Jingting and Gu Manyin?" Lu Qi was a little worried.

Rong Shu looked at Fu Jingting with sharp eyes, "Would you do that?"

Fu Jinglin shook his head repeatedly, "I definitely won't, I swear!"

He raised three fingers.

Rong Shu nodded slightly, "That's it."

Seeing that she had made such a decision, Lu Qi shrugged his shoulders and refused to persuade him. He just gave Fu Jinglin a warning look, "Boy, you better not say it, or don't blame me. You 're welcome."

"You don't have that chance." Fu Jinglin was triumphant.

Lu Qi rolled his eyes, "Hopefully."

Soon, Rong Shu revealed his plan.

After several people heard it, they all laughed badly.

"That's a good idea." Lu Zhi gave a thumbs up.

Chen Xingnuo nodded, "Yeah, it's exciting to think about it."

"I didn't expect that you would actually do such a thing." Cheng Huai looked at Rong Shu with a half-smile.

“No way, it’s normal to use extraordinary means in extraordinary times, isn’t it?” Rong Shu flipped her hair, revealing her slender swan neck.

Cheng Huai looked at the curvature of her fair and beautiful neck, her eyes paused, but soon returned to normal.

“Sister Rong Shu, give me the task she brought out.” Fu Jinglin raised his hand suddenly.

Rong Shu looked at him, “Of course I have to give it to you, and I can only give it to you. Because of your relationship with them, going to the second floor is the least likely to make them suspicious.”

“Understood!” Given the task to himself, Fu Jinglin laughed happily.

#### Chapter 146 It’s Not Accident

At this time, the cable car arrived.

Several people ended the conversation and took the cable car down the mountain.

As soon as she returned to the villa, Rong Shu saw the scene of the chef sending the doctor away.

“It looks like Gu Manyin is fine.” Chen Xingnuo said with his arms crossed.

Lu Qi pouted, “The scourge has been left for thousands of years, it’s not that easy to disappear.”

“Okay, don’t talk about it, let’s go first.” Rong Shu looked back and entered the villa.

Lu Qi and a few others followed.

Fu Jingting was on the phone in the living room, when he saw a few people coming in, his eyes flickered slightly.

“Jing Ting, is Miss Gu all right?” Although he had already guessed that Gu Manyin was fine, Cheng Huai asked politely to avoid being called too indifferent.

“It’s okay, that snake is not poisonous.” Fu Jingting put down the phone and replied.

“What a pity.” Chen Xingnuo said suddenly.

Fu Jingting frowned, and the whole body was cold.

He first glanced at Chen Xingnuo coldly, and then turned his attention to Cheng Huai, his voice without any emotion, "Take care of your people."

Before Cheng Huai answered, Lu Qi smiled and said, "Me too. I think what Director Chen said is quite right. It's a pity that it's not a poisonous snake. President Fu doesn't know yet. Gu

Manyin was bitten by a snake. Suddenly realized that this matter is not so simple.

Lu Qi grabbed Rong Shu's shoulders, "I mean, Gu Manyin discovered the snake long ago, and wanted to stimulate the snake to bite the baby, but it was Director Chen who saved the baby, and the snake bit the baby. Gu

Manyin's." Fu Jingting's pupils shrank, obviously shocked by the truth of this matter.

He looked at Rong Shu, "Is it true?"

Rong Shu looked away lightly, ignoring him.

Seeing this, Fu Jingting felt a little stuck in his heart, but his face was still cold as usual.

"Of course it's true, do you think we lied to you? We're not that shameless." Lu Qi rolled his eyes and said.

Fu Jingting glanced at the faces of the few people in front of him. From the expressions on their faces, he confirmed that what Lu Qi said was true, and his fists tightened.

Man Yin...

"Mr. Fu, how do you plan to deal with this matter? You have to give us an explanation, right?" Lu Qi sneered as he looked at Fu Jingting with his eyes down.

Fu Jingting pursed his lips and stood up, "I will."

"That's good, then we'll wait for your explanation, I hope President Fu won't let us down." Lu Qi smiled.

Fu Jingting ignored him and walked upstairs.

"Brother, wait for me." Fu Jinglin quickly chased after him, "I have something to tell you."

He had to persuade the elder brother.

Big brother must break up with Gu Manyin.

The figures of the two brothers disappeared at the entrance of the stairs.

Lu Qi smiled and approached Rong Shu, "Baby, guess what that kid Fu Jinglin wants to say to Fu Jingting?"

"Who knows, I'm not interested." Rong Shu smiled, then threw his hand off, "I went back to my room to change clothes."

After speaking, she also went upstairs.

Only Cheng Huai, Gu Manyin and Lu Qi were left in the living room.

The three looked at each other.

Chen Xingnuo yawned and said, "Then I'll go back to my room, take a bath and sleep."

"I'll ride a horse for a while." Cheng Huai also said.

One of the two went upstairs and the other went out of the villa.

"Where am I going?" Lu Qi looked at this, then at that, and finally sighed, and simply sat on the sofa and watched TV.

Cheng Huai came to the stable, chose a horse, and led him to the horse farm.

The racecourse is being cleaned at the moment, and you can only go in after cleaning.

Cheng Huai tied the horse aside, leaned against the fence with a glass of juice, and watched a group of workers clean the horse farm comfortably.

At this time, a worker suddenly bent over to pick up something, and then called to the worker with a red cap in the distance, "Captain, come here, I found something."

"What?" The captain trotted over.

The worker handed him the small glass bottle in his hand, "This is it. I just opened it and checked it. It's musk."

"Musk?" The captain frowned.

The worker nodded, "Yes, there are two in it, but judging from the height of the bottle and the volume of musk, there should have been three in this bottle, so I suspect it's the three we lost in the warehouse."

"Definitely . Yes, I just don't know where the third one in this bottle went." The captain said in a deep voice.

Cheng Huai walked over curiously, "What's wrong?" The

captain knew he was a customer, so he didn't hide it from him, and replied with a smile, "It was our employees who found Musk on the ground."

"Musk?" Cheng Huai raised his eyebrows, "What? "

It's a pill extracted from the secretions of male horses. It is used to stimulate the spring of mares. Because horses are an animal with a very low rate of spring, in order to breed ponies, we horse breeders will use this thing to Stimulate the mare to spring," the captain explained.

Cheng Huai nodded suddenly, "It turned out to be this kind of thing, but why is this kind of thing here?"

"We were also very surprised. When the workers went to check the warehouse yesterday, they found that there were three missing in the warehouse. I found it here." The captain scratched his hair, also very puzzled.

"It looks like it was stolen, and one was used." Cheng Huai said.

"This thing has no other use except for the mare. The person who stole this thing is too strange." The worker said with a puzzled look.

"Wait a minute, you just said, did you find out yesterday?" Cheng Huai asked with a serious face when he suddenly thought of something.

The captain nodded, "Yes, our warehouse has to be checked every day, and then we found that three musk are missing, but because it's not an important thing, I didn't care too much."

Cheng Huai narrowed his eyes.

Musk is only useful for mares, and it was stolen yesterday, and yesterday Rong Shu's mare suddenly had a spring on the horse farm. It is such a coincidence that it seems that Rong Shu almost fell off the horse is not an accident, but someone deliberately did it. .

The man used one musk to make Rong Shu's horse spring, and then threw the remaining two, along with the glass bottle. Perhaps the man thought that a small glass bottle would definitely not be found because of the size of the racecourse, so he threw it away. To the racecourse, right?

"By the way, is there surveillance in the warehouse?" Cheng Huai looked at the captain.

The captain shook his head, "No."

Cheng Huai had some regrets, but he was not discouraged, and said with a smile, "Can you give this to me?"

He pointed to the glass bottle in the captain's hand.

Although the captain was curious about what he wanted this for, he still gave it to him.

Cheng Huai thanked him, took the glass bottle and returned to his previous position to sit down.

The warehouse is not monitored, and it is difficult to find thieves, but it is not that there is no other way, that is, fingerprint examination.

I hope the thief's fingerprints are still left on this glass bottle.

In fact, Cheng Huai already had suspicions about who the thief was.

Among them, apart from Gu Manyin, he couldn't think of a second person, but if he doubted, he had to give evidence. Before the fingerprints came out, he didn't plan to speak up.

night.

The group was divided into two factions and had dinner in the restaurant.

Gu Manyin was also there, probably because of the shock during the day, so she had not recovered yet. At this moment, her entire face was still pale, and she looked like a weak Xi Shi, which made her lovable, but there was no one who loved her at the scene.

If it is said that people usually have attitudes towards Gu Manyin, they will ignore them if they can ignore them.

Now, she was just treating her like air, completely ignoring her. Even Fu Jingting looked indifferent, didn't take care of her to eat and pay attention to her emotional changes as usual.

This made Gu Manyin feel wronged. She clenched her chopsticks and looked at the man beside her, "Jing Ting, are you in a bad mood?"

Chapter 147 Like to eat mango

She was only bitten by a snake during the day. After he woke up from her, not only did he not care, he didn't even look at her.

How could she bear it.

"No." Fu Jingting replied indifferently while drinking the soup.

Gu Manyin listened to his somewhat cold voice, and her heart became more and more uncomfortable.

She bit her lower lip and forced a smile, "I'm really not in a bad mood, I'll see you..."

"Okay, let's eat." Fu Jingting interrupted her, a little impatient in his tone.

Gu Manyin's eyes instantly turned red.

Several people at the next table saw this scene and laughed softly.

Knowing that they were laughing at her, Gu Manyin's face was twisted with anger, but she couldn't attack. Not to mention how uncomfortable it was.

Soon, Fu Jingting finished eating, wiped the corners of his mouth gracefully, got up and left the restaurant.

Gu Manyin had only eaten half of it, and seeing him left without waiting for her, she lost her appetite, put down her chopsticks and chased after him.

"Jing Ting." Gu Manyin caught up with Fu Jingting panting and took his arm, "Jing Ting, what happened to you tonight?"

Fu Jingting pursed his thin lips slightly, but did not speak.

Gu Manyin looked at him with wet eyes, "Jing Ting, did I do something wrong, that's why you are so indifferent to me, if so, please tell me, I'm afraid of you.

", Fu Jingting turned around, "Manyin, tell me honestly, during the day, did you discover that snake long ago and deliberately frightened it to bite Rongshu?"

Gu Manyin's expression changed slightly. , "Jing Ting, why do you think so?"

"Chen Xingnuo saw that when the snake rushed towards Rong Shu, you were laughing. You were not surprised by the appearance of the snake." Fu Jing tried in court. look at her.

Gu Manyin opened her mouth and did not dare to look at him. She lowered her head slightly and sobbed softly, "I don't know, I really don't know."

"I don't know?" Fu Jingting frowned.

Gu Manyin snorted, "I was talking to Miss Rong by the creek, and suddenly my eyes darkened, and then I didn't know anything. When I woke up just now, I was surprised that I was bitten by a snake. It's ridiculous. , I have no idea how I was bitten."

"Could it be that your second personality came out to do it?" Fu Jingting pursed his thin lips tightly.

Gu Manyin shook her head, "I don't know, but you said that when Chen Xingnuo saw the snake attacking Miss Rong, I laughed for a while. Maybe my second personality really came out."

Fu Jingting rubbed it. Between the eyebrows, "Why did she appear at that time?" In the past two days, it was normal for Man Yin to see Rong Shu.

Why did the second personality suddenly appear?

"I think it may be that what Miss Rong said was heard by my second personality, that's why..." Gu Manyin bit her lip.

Fu Jingting's eyes narrowed slightly, "What?"

Gu Manyin had a bitter smile on his face, "Miss Rong said that my character is not good, that's why younger brother Jinglin disliked us and joined them, and said that if you continue like this, you Sooner or later, he will not want me..."

"Rong Shu wouldn't say these words." Fu Jingting subconsciously argued for Rong Shu.

Gu Manyin's face distorted for a moment, but she quickly cleared her expression and looked at him sadly, "Jing Ting, do you think I'm lying?"

Fu Jingting lowered his eyes, "No, but Rong Shu's character is not at all... "

It turns out that in your heart, you would rather believe Miss Rong than to believe me?" Gu Manyin's eyes widened, as if you were going too far.

Fu Jingting was a little tired in his heart, but he replied patiently, "I didn't believe you."

"But you also think that Miss Rong doesn't treat me that much, don't you?" Gu Manyin's voice choked.

Fu Jingting sighed, "I'm sorry, it's my fault, maybe I really thought of Rong Shu a little too well."

Man Yin's second personality mostly appears after some kind of stimulation.

Maybe, Rong Shu really said those words, which stimulated the second personality.

Gu Manyin was very proud when she saw that Fu Jingting was defeated by her own tears again.

She hugged the man and put her face on the man's chest, "It's okay, I forgive you."

Fu Jingting looked down at Gu Manyin in his arms, did not hug her back, and even had the urge to push her away.

He didn't know why he had such thoughts, and he couldn't find the answer, so he could only hold back and said in a low voice, "Manyin, when you go back tomorrow, I'll find you a good psychiatrist."

"Psychiatrist?" Gu Manyin stopped the smile on his face and looked up at the man.

The man nodded, "Your second personality is too dangerous and must be contained."

"But..."

"Manyin." Fu Jingting held up her face and looked directly at her with deep eyes, "Your second personality has already been You have done evil more than once or twice, as long as she is still there, she will continue to attack Rong Shu, I can wipe out your second personality, but I can't wipe it out all the time, do you understand?"

Gu Manyin thought. A tight, "So Jing Ting, you mean that if I don't cure my second personality, you will be separated from me, right?"

"Yes." Fu Jingting admitted without hesitation.

Whether it was him who killed the Tang family, he would never want a vicious daughter-in-law.

He has been tolerant of her because he loves her, but it is impossible to tolerate her forever.

Gu Manyin heard Fu Jingting's voice, and there was a bang in her head, as if it had been blown up.

Only then did she realize that even if she used split personality as a shield to murder Rong Shu, she would be displeased by Jing Ting in the long run.

Fortunately, luckily it was still in time.

"I see, I will cooperate with the treatment." Gu Manyin nodded quickly.

Fu Jingting touched her hair, "That's good."

Gu Manyin smiled and lowered her eyelids to hide the darkness in her eyes.

It seems that she has to speed up the pace of killing Rong Shu. Only in this way, she will not have to continue to pretend to have split personality, and she will no longer have to attack Rong Shu, causing Jing Ting's disgust.

The most important thing is that when Rong Shu dies, Jing Ting will no longer be affected by Rong Shu.

Gollum.

Gu Manyin's stomach suddenly rang.

Fu Jingting looked down at her, "Aren't you full?"

Gu Manyin nodded, "I just saw that you were so indifferent to me, I'm not in the mood to eat."

Fu Jingting took her hand, "Then go back to eat."

"No need. , I don't want to go back to face them, and they definitely don't want to see me." Gu Manyin shook his head and said.

Fu Jingting thought of Rong Shu's attitude towards Man Yin, and he was speechless.

After two seconds, he rubbed his eyebrows, "Then you wait for me, I'll get you some snacks, and you'll have it."

"Yeah." Gu Manyin agreed with a smile.

Fu Jingting let go of her hand and walked towards the restaurant.

People in the restaurant were surprised to see him back.

"Brother, aren't you full?" Fu Jinglin asked curiously when he saw Fu Jingting using a plate for dessert.

Fu Jingting put down the clip and replied, "It's for Manyin, she's not full."

Hearing that, Fu Jinglin curled his lips, "It's her again, she doesn't know if she's full, so she doesn't know how to get it, so I have to ask you to bring it to her."

Fu Jingting didn't bother to pay attention to him, walked to the other side of the long table, and saw the fruit area. There is a mango, ready to clip.

When Lu Qi saw it, he stopped it immediately, "Stop, that's baby's."

Rong Shu's?

Fu Jingting raised his head and looked at Rong Shu, with a hint of surprise in his eyes, "Do you like to eat mangoes?"

"Is there a problem?" Rong Shu looked at him calmly, her voice cold and indifferent.

Fu Jingting's thin lips moved, "No."

Lu Qi hummed, "Our baby loves mangoes since he was a child. I specially asked the chef to prepare this mango. If you want, tell the chef yourself."

Chapter 148 Sacks

"No need!" Fu Jingting replied indifferently, put down the clip, and prepared to leave with the plate in hand.

Seeing this, Lu Qi stopped him, "Wait a minute, Mr. Fu." Fu

Jingting stopped and looked at him blankly, "What else do you have to do?"

"You said you wanted to give us an account during the day, Fu Jingting. You shouldn't have forgotten, now that Miss Gu is awake, you should also honor it, right?"

Lu Qi crossed his arms and said with a half-smile, "We don't want much, just ask Miss Gu to come over, to the baby. It's enough to kowtow and apologize, how about it, isn't it too much?"

If there was no concrete evidence, he wouldn't just ask Gu Manyin to apologize.

Instead, they called the police directly and sent Gu Manyin to jail.

Fu Jingting frowned, "Kowtow to apologize?"

"That's right." Lu Tou.

Fu Jingting sneered and looked at Rong Shu, "Do you also want Man Yin to kowtow to you and apologize?"

Rong Shu put down the juice in her hand and slightly hooked her lips, "Miss Gu hurt me first, I don't think there is anything wrong with this. "

Don't just ask Gu Manyin to kowtow and apologize.

Even if Aqi proposed that Gu Manyin should have one arm and one leg, she felt that it should be. How many times Gu Manyin hurt her, every time she came to kill her, she didn't ask for Gu Manyin's life. She is kind.

Not to mention Rong Shu, even Cheng Huai, Chen Xingnuo and Fu Jinglin felt that there was no problem.

Fu Jingting's eyes sank, "It's okay to ask Man Yin to kowtow and apologize, but Rong Shu, you should also apologize to Man Yin."

"What?" Lu Qi was stunned.

The three of Cheng Huai were also a little sluggish.

Rong Shu even frowned, "I apologize to Gu Manyin? Why?"

"That's why, the victim is our darling, and why should darling apologize to her Gu Manyin? That's the truth." Lu Qi stared angrily, "Fu Jingting, you are so indiscriminate, I really doubt it. How on earth do you manage such a big Fu Group?"

It is a miracle that Fu Group has not gone bankrupt to have such a boss who does not distinguish between right and wrong.

Fu Jingting ignored Lu Qi's jumping feet, only looked at Rong Shu, and said coldly, "You know Man Yin's illness, but you deliberately said some specious words to stimulate Man Yin, causing her illness to flare up, so you use snakes to murder her. Shouldn't you apologize for your business?"

"Am I provoking her?" Rong Shu pointed at herself and laughed angrily.

When did she speak to stimulate Gu Manyin?

When she was by the stream, she didn't say a word to Gu Manyin.

Fu Jingting said again, "So I hope that while Man Yin apologizes to you, you can also apologize to Man Yin."

After speaking, he left the restaurant.

Rong Shu looked at the back of him leaving, her face full of ridicule.

"Baby." Lu Qi patted her on the shoulder, "Did you really say something to Gu Manyin to stimulate her?"

“Do you think I would? I don’t even care about her, how could I talk to her? .” Rong Shu gave him an angry look.

The corners of Cheng Huai’s mouth twitched sarcastically, “It seems that the wicked Gu Manyin told Jing Ting on purpose that you provoked her, so she murdered you.”

“What’s even more funny is that Fu Jingting actually believed it, he Don’t you have a brain?” Lu Qi almost cried with laughter.

Rong Shu’s eyes turned cold, “Why don’t you believe it? Gu Manyin is his heart and soul, and neither his lover nor his lover believe it. Who should he believe?”

“Anyway, that woman Gu Manyin is really shameless.” Lu Qi patted the table.

Chen Xingnuo nodded.

Anyway, Gu Manyin was the strangest woman she had ever seen.

The women of the Ye family in the capital are not so strange.

Fu Jinglin lowered his head even more ashamed and angrily, without saying a word.

Because at the beginning, he really thought Gu Manyin was very good, even better than Sister Rong Shu.

For this reason, he also bullied Sister Rong Shu for six years, just because she felt that Sister Rong Shu had taken the position of Sister Manyin.

“Hey, hey, what are you doing?” Lu Qi suddenly saw Cheng Huai go to Gu Manyin’s place just now, picked up the cup that Gu Manyin had used, and put it in a bag.

Others were also very curious about his actions.

“I said Cheng Huai, you shouldn’t have a crush on Gu Manyin, so you’re going to secretly take back Gu Manyin’s cup to solve the lovesickness?” Lu Qi looked at Cheng Huai with disgust.

The corner of Cheng Huai’s mouth twitched, “What nonsense, who has a crush on Gu Manyin.”

“Then you are...”

“Of course I have my reasons for taking her quilt.” Cheng Huai blinked at Rong Shu.

Rong Shu raised her eyebrows, realizing that his reason might have something to do with her.

But he didn't want to say it, and she didn't ask.

Maybe in the future, she will still know.

Not long after, Cheng Huai's assistant came over.

Cheng Huai gave the assistant two waterproof bags, which were a glass bottle containing musk and a cup for Gu Manyin.

"Take it back and identify the fingerprints on these two things to see if they overlap." Cheng Huai said.

If the fingerprints on the glass bottle are the same as those on Gu Manyin's cup, it is enough to show that the musk was stolen by Gu Manyin and used to hurt Rong Shu from falling off a horse.

If it didn't, he'd take it as an accident.

"Understood." The assistant nodded and left.

Cheng Huai also returned to the villa.

In the middle of the night, Rong Shu was lying on the bed, and the mobile phone beside her suddenly lit up. It was a message from Lu Qi, baby, and the plan began.

Rong Shu's eyes darkened, she turned over and sat up, and replied with two words.

Then, she put on her coat and left the room lightly.

Cheng Huai, Chen Xingnuo, and Lu Qi also just came out of the room.

The three looked at each other.

Lu Qi lowered his voice and said, "Fu Jinglin's kid has already gone down first."

"Okay, let's go down too, I have everything ready." Cheng Huai took out a brown object from behind with a wicked smile on his face.

Lu Qi and Chen Xingnuo also had wicked smiles on their faces.

Seeing that the three of them couldn't wait any longer, Rong Shu couldn't help but smile, "Okay, let's go down." The

three of them crept downstairs.

On the second floor, Fu Jinglin pulled Gu Manyin to the stairs.

Gu Manyin refused to leave, and shook off Fu Jinglin's hand, "Brother Jinglin, what are you trying to say to me? If you want to say it, just say it here."

She didn't want to follow Fu Jinglin downstairs.

Fu Jinglin hated her so much. He suddenly came to her and told her that there must be some conspiracy to force her out of the room.

Seeing the vigilance and suspicion in Gu Manyin's eyes, Fu Jinglin felt a little guilty.

But thinking of the task that Sister Rong Shu gave him, he still said bravely, "It's Sister Manyin like this, I..."

Before he finished speaking, he saw a big hand reaching out from behind Gu Manyin. Also holding a towel.

Fu Jinglin breathed a sigh of relief, then smiled at Gu Manyin, "Sister Manyin, I want to say, take care of you."

After speaking, he stepped back.

Gu Manyin heard the movement behind her, and secretly said that it was not good. She was about to turn her head to look, but the big hand holding the towel had already covered her mouth and nose.

Gu Manyin only smelled a potion, and then she didn't know anything.

"Quick, quick, she fainted, put on the dress." Lu Qi hurriedly urged.

Cheng Huai unfolded the sack, covered it from Gu Manyin's head, and together with Chen Xingnuo, put Gu Manyin into the bag and tied it up.

Rong Shu, on the other hand, stood by the side with a large bottle of water, watching this scene with a smile.

"Boy, go downstairs to open the door." He Cheng Huai raised Gu Manyin, Lu Qi turned his head and said to Fu Jinglin on the stairs.

### **Chapter 149 Group Fighting Gu Manyin**

Fu Jinglin snorted twice, and hurriedly went to the living room on the first floor to open the door.

The door opened, and a group of people sneaked out with Gu Manyin.

When they came to the racecourse, Cheng Huai and Lu Qi threw the sack on the ground.

Rong Shu stepped forward, unscrewed the water bottle, and poured the water inside onto the sack.

Gu Manyin, who was in the sack, felt the ice water coming from his head, and shivered coldly, and he woke up immediately.

Then she found herself in a tiny space where she couldn't see anything.

She could only grope and feel the rough texture of the fabric on her body, and she understood everything in an instant.

She's got a sack!

For a while, Gu Manyin was in a rage, struggling hard, trying to get out of the sack, and roaring through gritted teeth, "Fu Jinglin, how dare you join forces with Rong Shu and the others to punish me?"

She is not stupid, there are only a few people in the villa. , Besides Rong Shu and the others who would put her sack, who else would it be?

Fu Jinglin stood beside Rong Shu and said in a low voice, "Sister Rong Shu, she actually knows that I did it with you?"

"Silly, who can't guess." Lu Qi gave him a chestnut.

Fu Jinglin angrily kicked Lu Qi with his foot.

Lu Qi stuck out his tongue and ran away quickly.

Just kidding, Fu Jinglin plays basketball. Although he is only a teenager, he is taller than him.

If he was really kicked by Fu Jinglin, he would not be in pain for a few days.

"Okay, don't make trouble." Rong Shu frowned and scolded when she saw that the two were making trouble again.

Like elementary school students, the two immediately calmed down obediently.

Gu Manyin in the sack heard Rong Shu and the others, her face twisted, "Okay Rong Shu, it's really you, how dare you treat me like this!"

Damn, what kind of sack is this, and he can't break free. !

"Why don't you dare?" Rong Shu pursed her lips coldly, "You dare to harm me many times, so why don't I dare to fight back?"

"..." Gu Manyin choked, but soon became arrogant again. "Aren't you afraid that Jing Ting will know?"

"Why are you afraid that he will know? Who is he to me?" Rong Shu rolled her eyes.

Gu Manyin sneered, "Just be brave. When Jing Ting finds out that you treat me like this, he will only hate you even more."

"So what?" Rong Shu said lightly.

Lu Qi even pouted, "I said Gu Manyin, do you think your words can irritate our baby? Don't you think that baby likes the surname Fu? I tell you, baby has long since stopped. I like it, so how could baby care about the attitude of that surnamed Fu?"

Hearing this, Gu Manyin's expression changed, "It's impossible!"

Rong Shu doesn't like Jing Ting? What an international joke.

How much Rong Shu likes Jing Ting, she knew when she was in college, otherwise, how could she be willing to be bullied by the Fu family for six years for Jing Ting, so she never believed that Rong Shu did not like Jing Ting.

"Believe it or not, come on, don't talk nonsense, big guy, let's do it." Lu Qi was already very impatient and waved.

Gu Manyin was horrified, and her voice panicked, "You...what do you want to do?"

"What do you want to do, you'll know soon." Cheng Huai rubbed his hands together and laughed hehely, like that, Like a hooligan on the side of the road, Chen Xingnuo rolled his eyes.

Several people surrounded Gu Manyin in the middle and started punching and kicking.

Considering that Gu Manyin was a woman, they didn't actually use much effort, but it was enough to make Gu Manyin feel the pain.

Besides the pain, what Gu Manyin couldn't bear the most was this insult.

She was curled up in the sack, her eyes were scarlet, and her arms were in front of her face, carefully protecting her face, her teeth biting her lower lip, preventing herself from screaming.

This hatred, she has written down, sooner or later, she will make these lives outside the world worse than death!

After a few minutes, Rong Shu stopped.

Lu Qi shook his hand, "It's really fun."

"I think so too." Fu Jinglin nodded in agreement.

Cheng Huai touched his chin, with regret written on his face, "It's a pity that she can't endure it too much. It's obviously painful, but she doesn't make a sound, which makes me feel a lot less accomplished."

"Never mind her, in short, we are President Rong. Take a breath." Chen Xingnuo said.

"That's true." Cheng Huai replied.

"Okay, untie the sealing rope and go back." Rong Shu ordered.

Lu Qi bent over and pulled the rope around the mouth of the sack.

"Look at her situation." Rong Shu pointed at Gu Manyin.

Lu Qi responded and opened the sack.

Cheng Huai also cooperated and turned on the flashlight of his mobile phone.

In this way, everyone can see Gu Manyin's situation clearly.

She was still curled up, her eyes closed, as if she had passed out.

And her exposed face and arms were also bluish and red, which made people know at a glance that she was not lightly beaten.

"It's not a big deal, it's just some flesh wounds, and it'll be fine after a few days." Chen Xingnuo squatted down, checked Gu Manyin's injuries, and said.

Cheng Huai raised his eyebrows, "You can still heal?"

"No, it's just that when you used to be a bodyguard, you would inevitably get some injuries on your body. You'll know it if you deal with it more." Chen Xingnuo stood up and replied lightly.

Rong Shu glanced at her, only to feel that she was becoming more and more mysterious.

At first, Rong Shu thought that Chen Xingnuo was the daughter of a big family, so she came to work in Tiancheng after concealing her identity. After all, Chen Xingnuo helped to rectify the Gao family. If there is no background, it is impossible to do it.

But now I heard that Chen Xingnuo used to be a bodyguard, which made Rong Shu veto the previous guess again.

But no matter what Chen Xingnuo's identity is, as long as it's on her side, it's enough.

"Miss Chen, have you been a bodyguard?" Fu Jinglin looked at Chen Xingnuo with bright eyes.

Chen Xingnuo glanced at him, "What's the matter, is there any problem?"

"No, I just wanted to ask, do you know all kinds of martial arts?" Fu Jinglin asked.

Chen Xingnuo nodded, "Almost."

Fu Jinglin's face was full of excitement, "Then can you teach me?"

Boys, who doesn't like martial arts.

"No." However, Chen Xingnuo refused.

Fu Jinglin's expression darkened for a moment, but he quickly recovered, "Then I will worship you as a teacher?"

"I don't accept apprentices."

"Then how do you want to teach me?"

"I won't teach you anyway, You should die."

"Don't..." The

group gradually walked away until they could no longer see it. On the ground, Gu Manyin suddenly opened her eyes and sat up, her eyes filled with poison and monstrous anger. hatred.

"Rong Shu, Lu Qi, Cheng Huai, Fu Jinglin, wait for me!" Gu Manyin murmured with a grim expression on her face.

Afterwards, she endured the pain and stood up and limped towards the villa.

At this time, Rong Shu and the others had already returned to their rooms.

There was no one in the living room, Gu Manyin walked to the coffee table, poured two glasses of water, took a deep breath, and poured it on his face.

After wetting his face and hair, Gu Manyin raised his head and scratched his hair, and then ripped his clothes to make himself look even more embarrassed.

After doing this, she walked towards the stairs, then changed the gloomy expression on her face, and knocked on Fu Jingting's door crying, "Jing Ting... Jing Ting..."

Fu Jingting who was sleeping heard the sound and immediately woke up. .

He sat up and rubbed his temples, his face a little complicated.

He had just dreamed, but he actually dreamed of Rong Shu and the child in her belly.

That child was born, a boy, his child.

He was very happy, just when he was about to name the child, he suddenly heard the voice of Man Yin.

Is it also a dream?

#### Chapter 150 Questioning

Just when Fu Jingting couldn't tell whether Gu Manyin's voice was a reality or a dream, Gu Manyin's voice sounded again, "Jingting, open the door

, woohoo..." Hearing Gu Manyin's cry, Fu Jingting's eyes widened. The color is condensed, and it is determined that it is not a dream.

He lifted the quilt and got out of bed, turned on the light, and walked towards the door.

When the door opened, Fu Jingting saw the woman with messy hair and messy clothes outside the door. He couldn't help but startled, and frowned, "Manyin?"

"Jingting..." Gu Manyin raised her head and looked up with tears in her eyes follow him.

Only then did Fu Jingting find out that her face was still hurt, and her expression sank, "What's the matter?"

Gu Manyin listened to his question, her mouth slumped in grievance, and she cried even louder, and she was about to throw herself into his arms. go with.

Seeing this, Fu Jingting took a step back subconsciously and avoided her.

Gu Manyin fluttered for a while, her crying stopped, and she looked at him resentfully, "Jing Ting, you are hiding from me?"

"Cough." Fu Jingting also knew that his reaction just now hurt her a little, so he pressed his lips and coughed lightly. , explained, "I'm sorry Manyin, you know I have a habit of cleanliness."

"I know, but..."

"Okay, Manyin, let's talk about what happened to you first?" Fu Jingting interrupted her.

Gu Manyin bit her lower lip, "I was beaten with a sack."

When Fu Jingting heard the sack, Fu Jingting's first reaction was to laugh.

In fact, he really laughed. Although the corners of his mouth were only slightly hooked, Gu Manyin still saw it.

"Jing Ting!" Gu Manyin stomped angrily, "I was beaten, but you still laughed at me."

"Sorry." Fu Jingting coughed again, put away his smile, and asked in a deep voice, "Who beat me? What?"

Surprisingly, he didn't feel much anger when Man Yin was beaten.

"It's Miss Rong and the others. They asked Jing Lin's younger brother to trick me out of the room, and then they stunned me, put me in a sack, took me to the horse farm outside, beat and kicked me, Jing Ting, look at me, my body It's all wounds."

Gu Manyin rolled up her sleeves and showed him the large and small bruises on it, "They did all of this, and the water on my body was also spilled by them, Jing Ting, you have to give it to them. I call the shots, they are going too far."

Fu Jingting looked at the wound on Gu Manyin's arm, still not much angry, but his voice was a little cold, "I know, you go back to wash first, I will go to Jinglin."

"Okay. ." Gu Manyin nodded, and hurriedly returned to her room next door.

Fu Jingting looked up and looked upstairs, then walked upstairs.

"Fu Jinglin, come out!" He stood in front of Fu Jinglin's room and knocked on the door expressionlessly.

Fu Jinglin opened the door, and the moment he saw him, a trace of guilt flashed in his eyes, but soon disappeared again, yawned, and pretended to be sleepy, "Brother, what are you doing?"

“Manyin was beaten, are you? Didn’t you participate?” Fu Jingting stared at Fu Jinglin with deep eyes.

Fu Jinglin himself is a person who is not very good at covering up. When Fu Jingting’s sharp eyes looked at him, he immediately revealed the stuff, and he faltered and was speechless.

Fu Jingting’s face was gloomy, “You are really good, you can do such a thing.”

“She deserves it, who made her hurt Sister Rongshu.” Fu Jinglin hummed.

Fu Jingting frowned, “So you beat her because of the daytime.”

“So what?” Fu Jingting whispered.

Fu Jingting looked at him coldly for a while, “I won’t give you a penny of pocket money for the next three months, so you should reflect on it.”

After speaking, Fu Jingting ignored Fu Jinglin’s wailing and knocked on Cheng Huai again. door.

Soon, all the people on the third floor came out and were bustlingly standing in the corridor.

Everyone looked at each other and all knew what Fu Jingting was here for. Gu Manyin must have woken up and sued, so Fu Jingting came to ask them to ask for his guilt.

“I said Jing Ting, what did you want to do when you woke us all up in the middle of the night?” Cheng Huai stretched his waist, leaned against the door frame, and asked lazily.

“That’s right, are you sick?” Lu Qi pouted.

Rong Shu also leaned against the door frame, her eyes closed slightly, as if she fell asleep again.

Fu Jingting looked at her for two seconds, remembered his dream just now, his eyes darkened, he quickly turned his eyes away, and said coldly, “How are you going to explain the incident of Manyin being beaten?”

“What? Did you fight?” Lu Qi looked surprised, then clapped his hands and laughed, “Great, who did it, did it so well, I have to go and give him a pennant.”

“Pfft.” Rong Shu He laughed, but his eyes remained open.

Fu Jinglin’s face was dark and ugly, “Are we pretending to be stupid?”

“What are we pretending to be stupid?” Lu Qi spread his hands, “Why, Mr. Fu shouldn’t suspect that we hit Gu Manyin?”

” Looking at President Fu’s expression, I seem to think so.” Chen Xingnuo yawned.

“Jing Ting, you’re wrong, we’ve been sleeping in the room, how could we beat Gu Manyin? Besides, why are we hitting her when we don’t have anything to do?” Cheng Huai also looked very sleepy.

Fu Jingting looked at these people who refused to admit it, and his thin lips pursed a little coldly, “Fu Jinglin has admitted it, you still want to argue?”

“No, he admitted that it was his business, what does it have to do with us, we haven’t done it yet? Why do you have to admit it?” Lu Qi said, glaring at Fu Jinglin vaguely.

This kid, it’s really useless to tell the truth so quickly.

Fu Jinglin noticed his eyes and lowered his head knowingly.

He didn’t want to admit it so quickly, because he was really not good at lying, and he was afraid of this big brother.

Being stared at by the big brother, he can’t do it.

Knowing that Lu Qi was playing a rogue, Fu Jingting glanced at him coldly, and then turned his eyes to Rong Shu, “Aren’t you willing to admit it? You are playing Manyin just because of revenge for what Manyin did to you during the day. Isn’t it?”

Rong Shu opened her eyes, without the slightest drowsiness in her eyes, she looked at him so calmly and without emotion, “Do you have any evidence?”

Looking at her indifferent eyes, Fu Jingting frowned slightly. I was very upset.

He didn’t like her looking at him like that.

But why I don’t like it, I can’t tell.

“That’s right, what evidence do you have to prove that Gu Manyin was beaten, and it was we who took revenge on her?” Lu Qi also said, wrapping his arms.

“My injury is proof.” At this moment, Gu Manyin’s voice came.

Everyone looks.

Gu Manyin had already finished taking a shower, and came up after changing her clothes.

When everyone saw that her face was blue and purple, they couldn't hold back and laughed.

Gu Manyin's face was bluish and white, very ugly, "What are you laughing at!"

"It's nothing, we are definitely not laughing at Miss Gu, your face looks like a pig's head hahaha." Cheng Huai held her stomach, and tears came out of her laughter.

When the others heard this, they laughed again.

Although Rong Shu didn't smile as exaggeratedly as they did, the corners of her mouth and her slightly bent eyes also showed her good mood at the moment.

"You...you..." Gu Manyin humiliated and rushed into Fu Jingting's arms, "Jingting, they are too much!"

Fu Jinglin glanced at everyone coldly, and shouted, "Shut up!"

Everyone subconsciously stopped. laughed.

"Sorry, Jing Ting, it's really Miss Gu coughing... That's why we couldn't help it." Cheng Huai waved his hand and said embarrassedly, but there was no embarrassment in his eyes.

Lu Qi also spoke, "Miss Gu said your injury is proof that we hit you, right?"

"That's right." Gu Manyin came out of Fu Jingting's arms and nodded.

Rong Shu sneered, "With all due respect, Miss Gu, your injury cannot serve as evidence."
