Chapter 1421 – The Truth Behind That Year

That police family is not simple, it is also in politics, and the base camp is still from the capital.

There was that police officer who came forward to protect Rong Hao, how could he fight.

Even if Rong Shu was arrested at that time, she was not released after being locked up for long.

He was unwilling, Rong Hao killed his daughter, was that a human life, or a human life that had not yet had time to open his eyes and see the world.

Why did Rong Hao kill his daughter, but she was only locked up for a few days and released.

So he hate, he swears, in this life he and Rong Hao will not die, either he dies or I die, but also to avenge his daughter, and finally he did it, but he never expected that his daughter was still alive and raised by Rong Hao!

“That’s right, if you don’t know, you should really hate, that year, Rong Hao found the police officer before implementing the plan and told him his plan, the police officer did not agree at that time, and finally agreed under Rong Hao’s bitter pleading, just because the police officer once owed Rong Hao a favor, and then the plan unfolded smoothly, Rong Hao held the toy and led you to the river, and then threw the toy into the river, Let you mistakenly think that the child has died, to achieve revenge on you, but also to completely turn Rong Shu into your own daughter, after which the police officer arrested Rong Hao, locked Rong Hao for a few days, and then risked dismissal and released Rong Hao.

“So it was, so it was!” Mrs. Gu murmured vigorously.

Gu Yaotian didn’t speak, and lowered his head and didn’t know what he was thinking.

Fu Jingting said again: “With Rong Shu’s company, Rong Hao’s wife quickly returned to normal, and Rong Hao also slowly accepted Rong Shu, treating Rong Shu as her own daughter, the name Rong Shu was also specially checked by Rong Hao to explain it to her, representing beauty, beauty, happiness, Rong Hao He hopes that Rong Shu can grow up into a woman who thinks she is beautiful and happy in her later life, which shows how much Rong Shu expects from Rong Shu.”

“But so what?” Gu Yaotian gritted his teeth, “Do I still have to thank him for this?” My daughter is not what I let him steal, my daughter, I don’t need me to let him raise, I love

my daughter, my daughter is by my side, it will only be happier than living in the Rong family, and the love I give to my daughter will only be more than Rong Hao.

Mrs.

Gu also looked at Fu Jingting with hatred, "That's right, our daughter, don't need him to raise it, he stole our daughter and separated our family of three for more than twenty years, we will only hate him more than thank him."

Fu Jingting was also not angry, and the corners of his mouth hooked a mocking arc, "Are you sure you shouldn't thank Rong Hao?" First of all, don't forget, it was you who dealt with Rong Hao first, forced Rong Hao's employees to death, forced Tiansheng almost went bankrupt, Rong Hao stole Rong Shu, just to take revenge on you, he was right, and even in the end, he didn't do anything to Rong Shu, but raised her like his own daughter, so that she grew up to be what she is now, but have you ever thought that if you didn't deal with Rong Hao at the beginning, would Rong Hao steal Rong Shu? He doesn't steal Rong Shu, Rong Shu will indeed grow up by your side, but with your doting, do you really think that the current Rong Shu is not Gu Manyin?

This sentence completely stopped Gu Yaotian and his wife.

Yes, if Manqing really grew up beside them from childhood, with the doting of their two pairs of children, the children would indeed be raised like that by them.

Gu Manyin is an example.

The reason why they love Gu Manyin is because they regard Gu Manyin as a stand-in for their daughter and as a spiritual comfort, so they will pamper her so much.

In fact, they don't know that it is not good to raise Gu Manyin like that, nor do they know that they are not good people themselves.

But so what, Gu Manyin was not their biological daughter in the first place, they raised her because of spiritual comfort, even if Gu Manyin became so bad, it didn't matter to them.

However, as long as they thought that Rong Shu might be raised like that by them, they couldn't accept it.

It can be seen that they still have three views in their hearts, knowing what is bad and good, and what is good and what is bad.

The two of them have come to this point in their lives, and they can't change it.

But they also want their children to be happy and kind.

Therefore, they really couldn't imagine what it would be like if Manqing really grew up around and became like Gu Manyin.

Looking at the reaction of Gu Yaotian and his wife, Fu Jingting snorted mockingly, "It seems that you still know that if Rong Shu becomes like Gu Manyin, it is not good, so shouldn't you thank Rong Hao?"

Gu Yaotian clenched his fists desperately, wanting to say that he couldn't thank Rong Hao in his life, but when the words came to his lips, he couldn't say anything.

At this time, Mrs. Gu suddenly walked towards Fu Jingting.

"Ayun." Seeing this, Gu Yaotian quickly stopped her, "What are you doing?"
Mrs.

Gu looked back at him, her eyes tearful, "Yaotian, I think daughter, you know, although Li Zhaodi pretended to be a comic love to return to us, but in fact, my heart has never accepted her, in my heart, I have always had no mother-daughter affection for her, I didn't know what was going on before, I thought it was me who was too cold-blooded as a mother, obviously a child I was looking forward to giving birth, but they were separated for more than twenty years, How can I have no feelings for my daughter at all, so in these months, I have always blamed myself, until now I know that I am not without feelings for my daughter, I have no feelings for people who are not my daughter, until I heard that Rong Shu is my daughter just now, Yaotian do you know? My heart was beating fast and I was happy because I knew my real daughter. "

Gu Yaotian's lips moved, and he was speechless.

As a husband, he does know how his wife feels these months.

In fact, except for his wife, why is he not like this?

Although he is not as serious as his wife, many times, he is also intimate with Manqing, and always feels that it is not right.

It's just that he has never been able to think of what is wrong, and only now he knows that there is a lack of blood between them.

Without blood, after all, there is nothing missing.

"Jing Ting" Mrs. Gu came to Fu Jingting, her eyes looked at him urgently, "You tell me, love her" "

Her name is Rong Shu." Fu Jingting corrected her.

Mrs. Gu's expression suddenly felt a little sad.

You know, the name Manqing, but she decided it when she was pregnant.

Now, she can't shout that.

However, Mrs. Gu also knew that they owed too much for the mandarin, and they really did not have the qualifications to call her so.

“Okay, Rong Shu, how is she now?” Mrs. Gu clasped her hands together tightly and asked.

Gu Yaotian also stared at Fu Jingting with his eyes, obviously wanting to know the answer.

Even if they are ashamed to face this daughter, they really love their daughter.

Hearing that their daughter almost died twice, how can they not be excited as parents, how not to be nervous?

What’s more, they raised their daughters like this.

They raised two adopted daughters in a row, both of whom have hurt their own daughters.

Even their parents.

They are really unqualified and really do not accompany her parents!

“She has nothing to do for the time being, and the child is saved.” Fu Jingting looked at Mrs. Gu and replied faintly.

Chapter 1422 – The Real Choice

Hearing that the child was fine, Mrs. Gu was relieved at first, but soon realized something, and asked, “Are you saying that it’s okay for the time being, does that mean that Shushu is not really out of danger yet?”

Gu Yaotian’s expression also became even more tense.

Fu Jingting raised his chin noncommittally, “Yes, her body is very bad, she shouldn’t have been pregnant now, but I didn’t expect it, just so coincidentally, she was pregnant with a child, so she had to be hospitalized now to raise the fetus, originally she only needed to stay in the hospital for three or four months, and when the fetus was completely stable, she could be discharged from the hospital to recuperate at home, but because Li Zhaodi was so bad, her body vitality was greatly damaged, and in the next ten months, she could basically only lie in bed, Until we gave birth, and this is possible, our last child.

That is to say, after this time, Rong Shu will never be able to give birth again.

Mrs. Gu stumbled two steps in shock, "How so"

Gu Yaotian was also very uncomfortable.

But more is still happy, happy Rong Shu is fine, and their little grandson is also fine.

"Then Shushu, has she inherited my kidney failure?" At this time, Gu Yaotian thought of the most important point and stared at Fu Jingting and asked.

His kidney failure was inherited precisely because of genetics.

Therefore, he will suffer from oligospermia, in this life, it is impossible to even have children, or because of luck, he has a daughter Rong Shu.

Now, what he is most afraid of is that Rong Shu also inherits his kidney failure.

When Mrs. Gu heard this, she was also very nervous, "Yes, Jing Ting, you quickly tell us, Shushu, does she have it" "

No." Fu Jingting shook his head, "When your kidney failure occurred, I was worried that Rong Shu might be genetic, so Lin Tianchen and I gave her a thorough examination, and also sent the genetic history of the Gu family, and found that the kidney failure of your Gu family is only passed on to men and not women, and it is still directly male inheritance, and daughters and children born to daughters will not have."

That is to say, grandpa passes to father, father passes to son, and son is passing on to his son.

And the aunt born to the grandfather will not be genetic, and the children born to the aunt will not be either.

Hearing this, Gu Yaotian and his wife were overjoyed, "Great, great."

"Yaotian, Shushu has no inheritance." Mrs. Gu looked at Gu Yaotian excitedly.

Gu Yaotian nodded, "Yes, God opened his eyes."

All this time, he felt that God did not open his eyes, why let him get such a disease.

But now, when he heard that his daughter was not sick, he was suddenly relieved.

It's funny to say, when he didn't know that Rong Shu was his daughter before, he didn't care whether Li Zhaodi would inherit it.

But now that he knew that Rong Shu was his daughter, he was suddenly worried about whether Rong Shu would be genetic.

It can be seen that in his heart, he, like Ayun, is also rejecting Li Zhaodi, so although he is good to Li Zhaodi, many real concerns are not, until now that the real daughter appears, his fatherly love has not been fully exerted.

What I didn't expect in the past, I think of now.

"Li Zhaodi went to find Rong Shu, just to let Rong Shu beat the child and donate a kidney to you and save your life." Fu Jingting said again.

Mrs. Gu's face suddenly turned ugly, "How dare she!"

Even though she knew that Li Zhaodi did this to save her husband.

But so what?

Li Zhaodi dared to pay attention to her daughter, and she was equally unforgivable.

That was her daughter who had been thinking about her for more than 20 years.

Also angry was Gu Yaotian.

He looked at Fu Jingting, "So now, people have been arrested by you, right?"

"That's right, she tried to kill my wife, naturally I can't let her go." Fu Jingting's face was expressionless, "My wife's health is not good, if she loses a kidney by beating the child, she will definitely not survive, so such a person, I will deal with it well, come over today, in addition to telling you this, I just want to know your attitude."

"What do you mean?" Gu Yaotian squinted.

Fu Jingting looked at him calmly, "I want to know what kind of reaction you will have after knowing that Rong Shu is your daughter, whether you will continue to hate her, or will you let go of your hatred to make up for her."

"Make up for it, of course." Gu Yaotian didn't reply, Mrs. Gu was already excited, "I was looking forward to her arrival so much, finally she came, but as a mother, I didn't raise her, didn't participate in her growth, and even let my two adopted daughters hurt her repeatedly, myself and her husband also repeatedly hurt her, and spoke badly about her, I'm sorry for her, I'm a mother who owes her, so of course I want to make up for her, as a mother, how can I hate my children."

Gu Yaotian was the same, closed his eyes, and said in pain: "I know your intentions, as a child who grew up caught in the hatred of the two families, once he knows his true identity, what kind of collapse will he face."

Because this kind of thing, just substitute yourself.

Rong Shu was stolen from them by Rong Hao since she was a child and grew up beside Rong Hao.

Rong Hao treated her like a treasure, raising her into a child with three views and good morality, and she did not know her identity since she was a child, thinking that she was the daughter of the Rong family.

Even if she later knows that she is not the biological daughter of the Rong family, but the child that Rong Hao is holding, her dependence and gratitude to Rong Hao in her heart will only be greater, because she will feel that she is a child abandoned by her biological parents, so she was brought back by Rong Hao to raise her, and this nurturing grace is enough to make Rong Shu more to the Rong family

Chapter 1423: Gu Yaotian's Decision

Mrs. Gu also wanted to keep him, and was asking about Rong Shu.

After knowing that Rong Shu was her daughter, she really wanted to know Rong Shu, wanted to know Rong Shu's past, and wanted to know all of Rong Shu's experiences from childhood to adulthood.

Even more want to immediately appear next to Rong Shu, hold Rong Shu in his arms, and tell Rong Shu about his thoughts for more than twenty years.

She really wanted to hug her daughter.

But Mrs. Gu also knew that both Rong Shu and Fu Jingting hated them.

They were also not qualified to leave Fu Jingting behind and ask Fu Jingting everything about Rongshu.

"Woo-woo," Mrs. Gu cried silently.

Gu Yaotian also leaned on the head of the bed, only feeling ridiculous and ironic.

“Maybe God doesn’t like me, so as early as twenty years ago, he set up retribution for me.” Gu Yaotian coughed a few times and said in a hoarse voice.

Mrs. Gu raised her head and looked at him, “Yaotian”

“Everything was my fault.” Gu Yaotian hammered his chest with self-blame, “If it weren’t for my jealousy of Rong Hao, I don’t tolerate it, all this would not happen today, it’s my fault, if it was back then, I wasn’t so jealous of Rong Hao, I wouldn’t have stolen the secrets of Rong Hao’s company, the employees of Rong Hao’s company wouldn’t have jumped off the building to commit suicide, and Rong Hao wouldn’t have stolen our daughter, it’s precisely because I’m so bad, so God can’t stand it, let Rong Hao successfully steal Manqing, let Manqing become Rong Hao’s daughter, and then today, more than twenty years later, let us know the truth, In order to make me completely collapse.

“Yaotian.” Mrs. Gu hugged him.

The despair of the couple crying.

Seeing this, the doctors and nurses outside the door did not know whether to come in or not.

“Ayun, we owe Rong Shu, and we hurt Rong Shu to this point.” Gu Yaotian said again.

Mrs. Gu closed her eyes and nodded in collapse, “I know, I know, we are sorry for her.”

“So I wanted to do something for her at the end.” Gu Yaotian narrowed his eyes and looked at her.

Mrs. Gu hurriedly asked, “What do you want to do?”

Gu Yaotian let out a long sigh, “Fu Jingting’s purpose for coming today is already obvious, he hopes that I will choose to die myself.”

Mrs. Gu’s face changed drastically, “No, no!

She hugged Gu Yaotian tightly, “I don’t allow you to do this.”

Gu Yaotian patted her back gently, “Ayun, in fact, you also know very well in your heart what Fu Jingting means, and you also understand that I really have no salvation, the only hope is Rong Shu’s kidney, but she is our daughter, are you really willing to let her use her kidney to save me?”

“I” Mrs. Gu was speechless, holding Gu Yaotian’s hand, and also loosened a little.

Gu Yaotian smiled, "It's not just you, I don't want to, she is my only child, the continuation of my life, I love her so much, how can I let her do this, not to mention, she still has our grandson in her belly, just based on these, we can't let her do this, otherwise it's our selfishness as parents, not to mention, we already owe her, how can we have the face to let her save me?"

"But I don't want you to be gone." Mrs. Gu was full of despair.

Gu Yaotian looked very open, "Actually, I'm tired, all my life, I'm jealous of others, I'm calculating others, but in the end, I didn't get anything, only got this broken body, I'm like this now, I have also suffered retribution, but also for everything I have done in the past, paid the price I deserve, in fact, I also want to open now, Fu Jingting is right, I should thank Rong Hao, he helped us teach our daughter well, If my daughter really grows up under our knees, she will really be the second Gu Manyin, and will my daughter have a good end at that time? I can't see it.

Mrs. Gu couldn't refute this.

Gu Manyin ended up like that, not to mention their daughter.

In the saying, if Rong Shu really grew up under their knees, would Fu Jingting still fall in love with her?

At that time, what did she do, will Fu Jingting still help her protect her?

Surely not!

Then their daughter will face imprisonment.

"Ayun, Rong Shu is in pain now, on the one hand, she bears the hatred of the Rong family, on the other hand, she also has to bear the pressure that our biological parents give her, she can't avenge the Rong family, she will feel indebted to the Rong family, but if she takes revenge, it means that she has to deal with our biological parents with her own hands, she will be more painful in her heart, these two sandwich him in the middle, making her breathless, the best way for now, is my death."

Gu Yaotian gently stroked the back of Mrs. Gu's hand, "And even if we really want Rong Shu's kidney, it will not necessarily succeed, didn't the doctor say, my body, I can't hold me off the operating table at all, even if I can, I don't want my daughter's life to exchange my life, I am destined to not live, if my death can make Rong Shu completely let go of the hatred of our husband and wife, in fact, I think it is worth it, we love our daughter so much, Would you really like to see your daughter hate us all the time?"

Mrs.

Gu shook her head.

Of course not!

No mother can accept that her daughter hates herself.

“Isn’t this right, so this is the only thing we can do for Rong Shu, if Rong Shu has not been able to let go of hatred, then for her, it is not a good thing, she will always be immersed in the pain of the Rong family and the Gu family, we have done so many things to hurt her, it is time to do something for her, don’t forget, when she came to your stomach, we once swore that we must make our daughter healthy and happy for a lifetime, but in fact, We didn’t do it, we brought her only hatred, only pain, we are not a qualified parent, and now we should fulfill the promise we made at that time. Gu Yaotian said.

Mrs. Gu couldn’t stop sobbing anymore.

Gu Yaotian hugged her, “And, maybe after doing this, Rong Shu will be willing to accept us and recognize us?” Although I may not be there at that time, you must live well, watch her give birth to the child, watch our grandson grow up well, and then tell her and her grandson, their father and grandfather, are not good people, but really love them. Mrs.

Gu cried sadly.

Then Gu Yaotian patted her shoulder, “Okay, don’t cry, bring my mobile phone.”

“What for?” Mrs. Gu asked choked.

“Call the lawyer.” Gu Yaotian said, “I want to change my will, I originally thought that Li Zhaodi was our daughter, so I have already made a will, except for the one left for you, everything else will be given to her.”

Because of the debt, he divided his property into three parts, one of which was given to Mrs. Gu as money for the rest of his life.

The other two were given to Li Zhaodi.

Thinking that his husband and wife had not given her father’s love and mother’s love in the past twenty years, so she suffered a lot, so he left most of his inheritance to Li Zhaodi, only hoping that she would not worry about money in the future.

After all, they owe her, and the only way to make up for it is money.

But now, they know that Li Zhaodi is not their daughter, but Rong Shu, and the natural heritage must also be revised.

Mrs. Gu had no opinion on this, but when she heard that she didn’t leave Li Zhaodi at all, she was still a little soft-hearted”Yaotian, leave a little for Li Zhaodi, anyway, she has also been with us for so long, and it also makes us feel the joy of heaven, give her two

million, as compensation, not to mention, this time she was caught by Fu Jingting to save you.” ”

Gu Yaotian thought about it, and finally agreed to Mrs. Gu's words, leaving two million for Li Zhaodi, and the rest, except for the one given to Mrs. Gu, was all changed to Rong Shu's name, including Sansheng Group.

Although he also knows that the above is still continuing to investigate the mining incident of Sansheng Group in the past, once the investigation is clear, Sansheng Group will face the greatest heavy blow, and two-thirds of the industry can not be saved.

But there is still a third left, and that third, if integrated into Tiansheng, will also bring Tiansheng great help, maybe Tiansheng can be relisted.

This is the only thing he can give to his daughter as a father.

After the lawyer on the other end of the phone revised the will, Gu Yaotian hung up the phone, and then called Fu Jingting.

Fu Jingting was on his way back to the hospital at this time, and saw that the mobile phone rang, it was Gu Yaotian's call, and his face was not surprised at all, and he directly put it to his ear to connect, "It seems that President Gu has figured it out."

"Yes, I figured it out, I will pave the most suitable path for my daughter, but until then, I want to meet her." Gu Yaotian said.

Mrs. Gu also shook her palm nervously.

After all, that's their daughter, and who doesn't want to see them.

Even Fu Jingting didn't feel that there was anything wrong with Gu Yaotian's request, and he pondered for a moment before replying: "I came to see you today, Rong Shu doesn't know, so you want to see her, I still need to talk to her, but whether she sees you or not, that's her own decision."

"Okay, you just have to bring the words." Gu Yaotian nodded.

Fu Jingting snorted and hung up the phone directly.

Assistant Zhang, who was driving, asked, "President Fu, did Gu Yaotian really figure it out?" Do you really think that's done?

Fu Jingting rubbed his temples, "He will, his feelings for Rong Shu are not fake."

"I really didn't expect that he would actually accept Miss Rong as his daughter so quickly, and I thought that there was still hatred and misunderstanding between the two people, even if Gu Yaotian was rare in the daughter, it was impossible to accept Miss Rong so quickly, but I didn't expect that I still underestimated him." Assistant Zhang said while driving the car.

Fu Jingting lightly opened his thin lips and said lightly: "It's very simple, because in his life, there will not be a child, it is a miracle that he has Xiaoyezi's daughter, so he will regard this daughter as his own eyes, even if this daughter has a feud with him, he will not care, he just knows that it is his daughter."

If it were him, he might too.

After all, as a father, it is natural to love one's own child, and although this child has hatred for himself, it is of their own choice as parents.

Children can't be blamed either.

"Miss Rong, in fact, she is still happy." Assistant Zhang sighed, "The two pairs of parents I met were very good to her, but they were just making people."

Fu Jingting was noncommittal.

Indeed, creation is manipulative.

"President Fu, do you say that Madame will agree with Gu Yaotian and them?" Assistant Zhang asked again.

Fu Jingting looked out the window, "I don't know, look at her own decision, no matter what decision she makes, I support her."

After that, the car was quiet and no one spoke.

Fu Jingting leaned back on the seat, closed his eyes slightly, and took a nap.

Assistant Zhang saw him like this from the rearview mirror and turned on the car noise reduction so that he could rest better.

Soon, the hospital arrived.

Fu Jingting didn't need Assistant Zhang to wake up, he opened his eyes, obviously, he was not asleep at all.

After Fu Jingting got out of the car, he walked straight into the hospital and walked to the ward.

When he arrived outside the door of the ward, he heard the voices of Rong Shu and a man from inside.

Listen carefully, who is that man not Cheng Huai?

Fu Jingting's face suddenly darkened, and he pushed the door in, "Why are you here?" Cheng

Huai was sitting on the edge of the hospital bed, holding an apple in his hand and nibbling on it, half of it, hearing Fu Jingting's question, he immediately turned his head to look at it, and beckoned to him happily, "Yo, it's back."

In this way, it seems that he is the owner of this ward.

Fu Jingting's handsome face became better, "Let me ask you, why are you here?"

He asked again.

Cheng Huai gnawed off the remaining apples in a few bites and threw the kernels into the trash, only then replied, "Of course I came to visit Rong Shu, otherwise what else could I do?"

Rong Shu covered her lips and smiled.

Fu Jingting walked over, sat on the edge of the bed, and took Rong Shu into his arms as if he were sovereign, "I mean, how did you know we were here?" If I'm not mistaken, we didn't announce this incident in the hospital, and we didn't tell anyone, right?

"If you don't announce it, I can't call and ask myself." Cheng Huai smiled at Rong Shu, "After I returned from the inspection before, I called Rong Shu and said that we would eat together, but she said that she went abroad with you, so the dinner could only be postponed, and now that you are all back, it is time to get together, so I called her again, and then she told me that I still couldn't go, saying that I was in the hospital, no, I came over."

Fu Jingting looked at Rong Shu, "Why didn't you tell me when he came?"

"It's not anyone else, it's your friend, so I didn't tell you." Rong Shu smiled at him.

Fu Jingting snorted, and then said to Cheng Huai with a look of disgust, "Okay, you have seen it now, you can go." The

corner of Cheng Huai's mouth twitched, "Please, I've only been here for less than ten minutes, and you will drive me away, is there a person like you?"

"It's been long enough, delay us to rest, okay, hurry up." Fu Jingting said, got up directly, pulled Cheng Huai up from the chair, and then pushed him outside the ward.

Cheng Huai had no choice, he could only go out, but he didn't forget to turn back and say to Rong Shu: "That's okay, this time I will leave first, and I will come to see you next time."

"Okay, goodbye." Rong Shu waved goodbye to him.

Seeing this, Fu Jingting's face darkened, and finally he directly pushed Cheng Huai out the door.

Cheng Huai almost hit the opposite wall, and after turning around, he raised his middle finger to him, "Fu Jingting, you don't talk about martial virtue."

"You came to see my wife privately, you talked about martial virtue?" Fu Jingting said coldly.

Cheng Huai pouted, "I won't do anything."

"That's right, I didn't do anything to you, I just threw you out." Fu Jingting stood at the door, his tall figure like a door god.

Cheng Huai rolled his eyes, "Gotta go, I can't talk about you."

He sorted out his clothes, and then his expression became serious, "Jing Ting, I came here, in addition to visiting Rong Shu, I also look for you, is Li Zhaodi here with you?"

Fu Jingting narrowed his eyes, "Why are you asking this?" This thing has nothing to do with youRelationship?

"Of course there is." Cheng Huai looked at him, "Don't forget, although Li Zhaodi was planned by me and Rong Shu together, but the person was found by me, and now she suddenly disappeared, and the police did not move, so I guess that the one who can make the police unable to move, in addition to us officials, is only you, what do you want to do?"

He asked this, not because he was worried about Li Zhaodi.

He was just afraid that Fu Jingting would mess around and cause trouble.

Fu Jingting's thin lips pursed into a straight line, "Since you asked, then I won't hide from you, Li Zhaodi almost made a big mistake and killed Rong Shu, so do you think, I shouldn't arrest her?" "

Chapter 1425: Cheng Huai's Problem

Cheng Huai's face changed drastically, "What? She almost killed Rong Shu with one corpse and two lives? What the hell is going on here?"

He only felt that his mind was messing around.

Fu Jingting did not sell the pass, and directly said everything as it was.

After Cheng Huai listened, he took a step back in disbelief, "Rong Shu turned out to be Gu Yaotian's daughter?"

"That's right." Fu Jingting looked at him, "Actually, you should have thought of it a long time ago, from the time that necklace was in Rong Shu's hands, you should have thought that there might be a problem with her identity, if Rong Hao really killed Gu Manqing back then, why did you keep the necklace?" Is it better to stay as a memorial?
Cheng

Huai had nothing to say about this.

Yes, the daughter's necklace is in Rong Shu's hands, which is originally very suspicious.

But none of them thought deeply about the problem behind this.

"How could things be?" Cheng Huai only felt that his mind was even more chaotic, "No wonder you said that Li Zhaodi almost killed Rong Shu, how could she not be stimulated after knowing her identity." This

kind of thing, no one can stand it, let alone Rong Shu, who was pregnant and her body was getting worse and worse.

God forbid that he did not die on the spot.

"Do Gu Yaotian and his wife know about this matter?" After a long time, Cheng Huai regained his voice and looked at Fu Jingting and asked.

Fu Jingting leaned against the cold wall, "I know, I know it today, I personally went to tell them." "Why

?" Cheng Huai expressed puzzlement, "Isn't it enough to let Rong Shu know about this matter, why let Gu Yaotian know about them?"

"Because I want to see Gu Yaotian's attitude towards Rong Shu and whether he will make his own choice for Rong Shu."

"What do you mean?"

Fu Jingting looked at him indifferently, "Xiao Yezi knows that her identity is so broken, carrying the hatred of the two families, and carrying the complicated emotions of her biological parents, so that she doesn't know whether she should avenge the Rong family, if she doesn't take revenge, she is sorry for the Rong family's nurturing grace, if she takes revenge, it means that she will personally send her biological parents to prison, which makes her herself unacceptable, So she is very likely to commit suicide in order to escape all this, even if she will not do this, but in the next time, she will fall into depression for a lifetime, not free, I don't want to see my wife end up so painful, so I told Gu Yaotian all this.

"And then?"

"Then." Fu Jingting pursed his thin lips, "I want to see if Gu Yaotian will have a fatherly love for this daughter after learning that Xiao Yezi is his biological daughter, if he will, he will know what kind of pain Rong Shu will face now, in order not to let Rong Shu face such pain, he will definitely have the opportunity to do something for Rong Shu, and what he should do most is to give up continuing treatment, as long as he chooses to die himself, then Rong Shu's hatred for the Gu family will completely dissipate, and there will be no more thoughts of revenge, There is no need to feel bitter about the hatred of the two families.

Cheng Huai finally understood his consciousness and nodded, "According to what you said, it should indeed let Gu Yaotian know that Gu Yaotian died in exchange for everyone's peace, this is indeed a very cost-effective solution, but is Gu Yaotian willing?"

This is what Cheng Huai is most worried about.

You know, no matter what, Rong Shu grew up in Rong's family.

If Gu Yaotian was raised by his enemies because Rong Shu was raised by enemies, and his heart was full of hatred for himself, and thus he had no father-daughter affection for Rong Shu, then Fu Jingting's calculation would not succeed.

So now, what he was most worried about was whether Gu Yaotian had agreed to this matter.

“He agreed.” Fu Jingting’s answer made Cheng Huai’s anxious mood suddenly become excited.

“What do you say? Gu Yaotian agreed?”

“That’s right.” Fu Jingting bowed, “When I left Gu Yaotian’s place, I received a call from him, and he agreed, but before that, he wanted to see Rong Shu.

“He actually agreed.” Cheng Huai clasped his hands, happy at the same time, but also a little surprised, “Unexpectedly, Gu Yaotian didn’t mind that Rong Shu was raised by enemies, nor did he mind that Rong Shu had hatred for them in his heart, so he agreed so cheerfully.”

“This is probably Gu Yaotian’s only advantage.” Fu Jingting pursed his lips and said lightly: “I have to say that we underestimated Gu Yaotian, and we always thought that this was calculating, narrow-minded, and jealous, full of shortcomings, and couldn’t find an advantage, but I didn’t expect that he valued family affection so much.”

This was expected and unexpected by all of them.

“But this is good, he accepts Rong Shu, it is a good thing for Rong Shu, but this matter, does Rong Shu know?” Cheng Huai asked.

Fu Jingting shook his head, “I haven’t told her yet, but I plan to tell her later.”

“No matter what, let’s tell her, after all, it is her biological parents, although there are many things between them, maybe she will not choose to recognize Gu Yaotian and his wife, but in the end it is the person who brought her into this world, it is very likely that she will not be seen this time, and she will not see her in the future.”

“I know, I will say it, but in the end, I support her in what she chooses.” Fu Jingting said lightly.

Cheng Huai nodded, “Indeed.

“Okay, you should know, you already know, there is nothing else, you go back.” Fu Jingting began to rush people.

The corner of Cheng Huai’s mouth twitched, “Wait a minute, you let me go and see Li Zhaodi.”

“See what she does?” Fu Jingting squinted.

“She’s the person I found, no matter what, I, the former employer, should also visit her, and I also have some questions for her.” Cheng Huai returned.

“What problem?”

“Of course, I want to ask her, do you regret your choice at that time, don’t worry, she almost hurt Rong Shu, how could I let her go.”

Fu Jingting looked at him fixedly for a while, waved his hand to find a bodyguard, and asked the bodyguard to take him with him.

Then, Fu Jingting closed the door and returned to the room.

Rong Shu saw that he had returned, put down the mobile phone in his hand, “Send the person away?”

“Hmm.” Fu Jingting walked over, sat down on the edge of the bed, and took her into his arms, “Why are you looking at your phone again?”

“It’s boring, you can’t always stop watching, sometimes I want to know what’s going on in the outside world.” Rong Shu smiled at him.

Fu Jingting rubbed her face, and did not mean to take her mobile phone away.

Although I don’t approve of her playing with my phone, I’m worried about radiation or something.

But like she said, it’s impossible to really stop her from playing, that’s too extreme.

“Wife, I want to tell you something.”

Fu Jingting hugged her and leaned against the head of the bed.

Rong Shu also rested her head on his chest, “You say, what’s the matter.”

“Today I didn’t go to the group, but to the third hospital.” Fu Jingting said.

A trace of doubt appeared on Rong Shu’s face, “The Third Hospital? What are you doing there?”

Was there anyone who was treated in the Third Hospital, where he went to see the patients?

Seeing the puzzlement on her face, Fu Jingting pursed his thin lips, “Gu Yaotian is in the Third Hospital.” Rong

Shu's pupils shrank suddenly, and he didn't expect to suddenly hear the name Gu Yaotian.

Fu Jingting felt the woman stiffen in his arms for a moment, and sighed, "Wife, don't get excited first, calm down first, okay?" "

Rong Shu was silent in his arms for a long time, and then relaxed his stiff body, "I wasn't excited, I just suddenly heard this name, which is a little complicated."

If she had heard this name before, she would only be full of hatred.

But now, after knowing that he was her biological father, when she heard this name, in addition to hatred, it was more complicated, and she didn't know how to face it.

Even, there is escape.

But if Gu Yaotian didn't have so much affection for Gu Manqing's daughter, she wouldn't be like this.

But Gu Yaotian

"I know." Fu Jingting gently patted Rong Shu's back.

Rong Shu pulled the man's clothes tight, "Why did you go to see him?" Intuition told her that he must have gone to see Gu Yaotian because of her.

Sure enough, Fu Jingting's following answer confirmed her guess.

He gently stroked her, "I'm for you, so after thinking about it, I decided to go to see Gu Yaotian."

"You told him my identity?" Rong Shu looked at the man.

In addition to this, she really couldn't imagine what his reason was to see Gu Yaotian, he couldn't go to visit his father-in-law because Gu Yaotian was her father, right?

What kind of joke, not to mention her complicated feelings for Gu Yaotian, she is unwilling to see Gu Yaotian.

He was a person who had no blood relationship with Gu Yaotian, but instead agreed to hate Gu Yaotian, how could he go to see Gu Yaotian.

It can only be said that when he went to see Gu Yaotian, it was only possible that he told Gu Yaotian all this.

Sure enough, Fu Jingting nodded slowly under Rong Shu's gaze, "Yes, I told him." "Why?" Rong Shu clenched her palms.

Fu Jingting did not hide it, and directly replied, "Because this matter can no longer be hidden, it is better to simply pick it all out."

"And then?" Rong Shu stared at the man, "What is their reaction?"

She suddenly wondered how Gu Yaotian and his wife would feel when they learned that they were their daughter.

Whether to continue to hate her as much as before, or

"they're happy." Fu Jingting replied.

Rong Shu's pupils trembled, "What? Glad?"

She couldn't believe it.

Fu Jingting bowed, "Yes, they are very happy, to be honest, when I saw it at that time, I was also a little surprised, even if they love their daughter very much, but if they hear their daughter, in fact, they are the enemy they have always hated, or they were raised by the enemy, the mood should be more or less complicated, but Gu Yaotian and his wife, really did not feel complicated for too long to accept, and they were still very happy and excited, especially Mrs. Gu, Also asked me a lot about you at that time.

"Is it" Rong Shu's mouth opened, her voice was a little dry, and she also had an indescribable feeling in her heart.

Happy?

Maybe there is, there is no one who does not like to hear that their biological parents have feelings for them.

But while also happy, Rong Shu was also under more pressure.

Just because the more Gu Yaotian and his wife had feelings for her, the more she didn't know what to do.

“You told her?” Rong Shu lowered her eyes and asked.

Fu Jingting shook his head, “No, I didn’t tell her a lot about you, I just told her that you are okay now, and the child is saved, she is very happy and relieved.”

“Yes.” Rong Shu bit her lip, feeling even more uncomfortable.

“Why did you tell them my identity?”

That’s the answer she wants to know the most right now.

Fu Jingting touched her hair, “Because I want to know what feelings they have for you when they learn that you are their daughter, and whether they will make sacrifices to you.”

“What do you mean?” Rong Shu looked at the man.

The man did not hide from her, and directly said what he meant, “I want to know, Gu Yaotian will choose to give up treatment for you, if he really loves your daughter, he knows the pain that your daughter is facing, and he will naturally choose to give up treatment and end his life early, so that you don’t fall into the grudge between the two families, unable to extricate yourself, and suffer for a lifetime.”

“What, you actually have this purpose? You” Fu Jingting pressed his forehead against her head, “

Wife, don’t think I’m ruthless, Gu Yaotian hurt your father, hurt Tiansheng’s employees, and also hurt so many people in the mine, he is a monstrous crime, even if he is not sick, he will be sentenced to death in the future, and he is now sick, this disease cannot be cured, I didn’t let him commit suicide, but let him give up treatment, waiting for the disease to take him away, it is already a favor, you should also understand, right?” And this way of dying is also the most decent way to give him.

Rong Shu was speechless.

Because she knew that what the man said was true.

With all the crimes committed by Gu Yaotian, it was definitely a death sentence.

But they let Gu Yaotian choose to give up treatment on his own, waiting for the disease to take him away, which means that they have no intention of calling the police, nor do they plan to send Gu Yaotian to prison.

Instead, let Gu Yaotian wait for death by himself.

This was indeed the most decent way for Gu Yaotian, a person who had committed a heinous crime.

However,

Fu Jingting seemed to see what Rong Shu was thinking, and put her hand to her mouth and kissed it, "If he really loves you, he knows that we are doing this for his own good, and also for his last filial piety, and he should also do this, he is making amends for all the harm done to your daughter in the past."

Rong Shu closed her eyes and tears flowed.

Even though she hated Gu Yaotian in her heart, when she knew that Gu Yaotian loved her daughter so much, she was also full of flavors in her heart.

"What's more, Gu Yaotian wouldn't have lived long in the first place." Fu Jingting said again.

Rong Shu choked, "I know, I know" "

He agreed."

"What?" Rong Shu looked up at him sharply, "You said, he" "

Yes." Fu Jingting bowed his head, "After knowing my intention to go to him, he didn't think about it for long, and then agreed, he was willing to give up his life in order to make up for you."

"Did he really agree?"

Fu Jingting snorted, "Really, but he said that he wants to see you, what about you?" Would you like to meet him?

Rong Shu bit her lip, "I don't know."

If Gu Yaotian was still a simple enemy, and Gu Yaotian wanted to see her, she might have agreed, anyway, this enemy would live it wasn't long before she went over to see the miserable end of her enemies.

But now that she learned that Gu Yaotian was her biological father or a biological father who loved her, she suddenly did not have the guts or the courage to meet him.

Because she didn't know, what identity should she use to meet him, the daughter of the Rong family, or the daughter of the Gu family?

After seeing Gu Yaotian, what kind of attitude should he use to face him, is it like in the past, or with the same attitude as his father?

She thought, she can't do it, right?

Rong Shu buried her face in the man's arms and hid herself like an ostrich.

Seeing this, Fu Jingting was not surprised at all, "It's okay if you don't know, think about it, you can see it if you want, you can't see it if you don't want to see it, I support you."

"What about you?" Rong Shu's voice came out of his arms muffled, "Do you want me to see him?" Should I go see him again?

She was now desperate to hear what others thought and opinion.

Because she didn't want to face it alone, it was too depressing.

Fu Jingting looked at the top of Rong Shu's head, "Do you want to hear the truth?" "

Rong Shu bit her lip, "If I don't want to hear the truth, why should I ask you specifically?"

Fu Jingting laughed, "That's what I said, okay, then I'll tell you my opinion."

"Hmm." Rong Shu nodded.

Fu Jingting looked at the ceiling, "Wife, in fact, I want you to meet him." Rong

Shu's pupils contracted slightly, how could he not expect that the man's true words were actually like this.

"Why?" She looked at him incomprehensibly, "You know the grudge and hatred between me and Gu Yaotian, and you also know my complicated relationship with him now, why do you think that I should go to see him?"

"Because he's your real father." Fu Jingting withdrew his gaze from the ceiling and fell on her face again, "Because, he is a father who really loves you, if he doesn't love you, mind that you are raised by enemies, of course you can choose not to see him, but he is not that kind of person, on the contrary, he doesn't mind at all, he only knows that you are his daughter, he is very happy, based on this, you should also go to meet him, believe in your own heart, in addition to hatred for him, but also for these reasons, it is very complicated for him, right?"

This completely hit Rong Shu's heart, and her lips opened and did not answer.

Fu Jingting gently stroked her head, "So go and meet, he doesn't have many days left, of course, I don't support you to recognize him, I just hope that you will not have regrets in the future and will not let yourself regret."

"Why do you think I'll regret it?" Rong Shu clenched her palms.

"Because I know you, you have always been soft-hearted, Gu Yaotian is still alive now, you can't let go of the hatred of the Rong Gu family, but once he dies, the hatred of the Rong Gu family will naturally disappear with the wind, and the pressure on you is gone, and at that time, you may think of Gu Yaotian, think of this father who loves you very much, but has never raised you, and even hurt you, and you will also know that he did not raise you, he hurt you, All this is because of more than twenty years of grudges, because you were stolen by someone, but you know that if you are not stolen, you will be held by him in the palm of your hand, like a treasure to grow up, his love for you, will definitely not be less than Rong Hao, or even more, you will think of these, resulting in regret, regret that you did not see him at the end.

Rong Shu closed her eyes, and her tears flowed even harder.

Fu Jingting patted her back, "Don't cry, I'm telling you this, it's not to put pressure on you, just hope, you can figure it out, don't leave regrets for the future, you can not recognize Gu Yaotian, but you should go to see him, so that even in the future, if you think of him again, you won't feel regrets."

"I'll think again." Rong Shu said with a choked voice.

Although she knew that what the man said was reasonable, there were too many things between her and Gu Yaotian's husband and wife, and she couldn't do it, so she immediately agreed to see Gu Yaotian.

She had to calm herself down, listen to her heart, and listen to what was going on in her heart.

Fu Jingting also knew this, and reached out to turn off the light, "Okay, it's okay, there is still time, slowly think without hurry, sleep."

"Hmm." Rong Shu nodded.

The next day, Gu Yaotian rarely woke up early in the morning.

Mrs. Gu couldn't help but be a little surprised when she saw that he woke up so early and was still so energetic, "Husband, why did you wake up so early?"

You know, since Gu Yaotian's condition worsened, twenty-four hours a day, his awake time, at most, is only three or four hours, and he is basically concentrated in the afternoon.

It's still very rare to wake up early in the morning like now.

"Can't sleep." Gu Yaotian showed a weak and pale smile at Mrs. Gu, "I'm waiting for a call."

Saying that, he looked at the mobile phone on the side.

Mrs. Gu also followed and immediately understood whose call he was waiting for, and her expression became nervous, "Yaotian, you said, Shushu, will she agree with us?"

Gu Yaotian's lips moved, "I don't know, that kid is different from us."

He shook his head slightly, "We have done a lot of things to hurt her that child, and the two adopted daughters we raised, we have also done to her, so her hatred for us will only be much more than before we knew her identity, even if she now knows, we are her biological parents, she will not be like us, immediately let go of all hatred, calmly accept us, so she may not necessarily see us, she resents us in her heart."

Mrs.

Gu covered her face in pain, "It's all our fault, it's all our fault, it's that we didn't protect her well, didn't look at her well, so we asked her to be taken away by Rong Hao, and blame us parents for not recognizing her in the morning, otherwise all this wouldn't happen now, Yaotian, you say, why can't we recognize our daughter?" Obviously she looks so much like her mother-in-law, why didn't we doubt it at the beginning?

"Because of Rong Hao." Gu Yaotian sighed, "Who would have thought that Rong Hao hated us so much that he didn't kill our daughter and raise her well."

In other words, if it were him, he would definitely not raise the daughter of the enemy like Rong Shu.

So he took it for granted that Rong Hao was the same, so he never thought that Rong Shu was his daughter, even if Rong Shu looked like his mother, he felt that it was a coincidence.

After all, in this world, similar looks are not nothing.

"Yaotian, what if Shushu really doesn't want to see us?" Mrs. Gu was anxious and scared.

Gu Yaotian's lips twitched twice, not knowing what to say.

Mrs. Gu cried sadly, "But I want to see her, I want to see my daughter, Yaotian, I know that Shushu is my daughter, I am so happy, I was very calm when I faced Li Zhaodi, and I couldn't mention any feelings for her at all, but after learning that Shushu was my daughter yesterday, my heart was so excited, I didn't sleep all night, I was all thinking about recognizing Shushu, telling her how much I missed her and loved her in the past

twenty years, How sorry I am for her, Yaotian, I love my daughter very much, I want to see her, I really want to see her, I want to give her all the maternal love that has not been given to her in the past twenty years”

Seeing his wife crying like this, Gu Yaotian was also very unhappy in his heart.

His wife thought so, why didn't he think in his heart?

It's just that he is a man, emotionally and intellectually, more restrained than her.

But in fact, only he knew that he didn't sleep well last night, and he also thought that if Rong Shu was willing to recognize them, how could he, the father, make up for her.

Would she call him daddy?

“Yaotian.” At this time, Mrs. Gu lowered her hand from her face and looked at Gu Yaotian fixedly, “If Shushu is not willing to come to see us, then let's go see her, okay?” We parents already owe her a lot, so many things, we should take the initiative to do it? I want to meet her, I want to give her a lot of gifts, I want to tell her that in the past twenty years, I have been preparing clothes and gifts for her, I”

As soon as she was halfway through her words, Gu Yaotian's mobile phone placed at the end of the bed suddenly rang.

Mrs. Gu quickly looked at the phone, “Is it Shushu calling?”

“It's Fu Jingting.” Gu Yaotian suppressed the nervousness in his heart and replied.

Mrs. Gu's eyes were obviously a little disappointed, but soon a glimmer of hope rose, “It's Jing Ting, it's okay, they are husband and wife, his phone is Shushu's phone, maybe he called over, just to tell us that Shushu promised to see us, Yaotian, you answer quickly.” ”

Mrs. Gu hurriedly urged.

Gu Yaotian himself also wanted to answer the phone quickly, so under Mrs. Gu's urging, even if his hand trembled and he couldn't hold the phone, he was unwilling to put his hand down, but chose to reach over with both hands, took the phone over, and put it to his ear to answer, “Hello?”

"It's me." Fu Jingting spoke.

Gu Yaotian heard his voice, and his eyes were a little bleak.

Mrs. Gu is even more so.

However, Gu Yaotian was rational in the end, and soon regained his calm, "I know, President Fu is calling now, is it for what I told President Fu yesterday?"

On the

other end of the phone, Fu Jingting glanced at Rong Shu, who lowered her head and couldn't see her expression clearly, and raised her chin lightly, "That's right, I called to tell you that my wife promised to meet with you." Hearing

this, Mrs. Gu immediately covered her mouth and cried with joy, "Shushu agreed, Shushu agreed, Yaotian did you hear it, Shushu agreed, we can meet her" Although Gu Yaotian did not speak, his dim yellow eyes also turned a lot redder at the moment, and there was a faint watery light in his eyes, "

I heard it, I heard it." In

the trembling voice, it was difficult to hide the joy and excitement.

Rong Shu on the other end of the phone also heard the reaction of the husband and wife, and couldn't help biting her lips tightly, and her heart became more and more indescribable, sour, rising, and sweet.

Even Fu Jingting couldn't help but sigh that all this was really a trick by God.

If Gu Yaotian wasn't so bad, if Rong Hao hadn't stolen the child.

Rong Shu is definitely not less favored in the Gu family than the Rong family.

It's just that all this has already happened, and it's useless to think about it.

"President Fu, when will Shu Shushu come to see us?" Fu Jingting also called Rong Shu this along with Mrs. Gu.

It's just the first time to call it, probably not very familiar, so it is inevitable that there will be some stuttering and unaccustomedness.

Fu Jingting looked at Rong Shu.

Rong Shu's gaze fell on the mobile phone, and finally slowly said two words, "Tomorrow."

Gu Yaotian and Mrs. Gu heard it.

Mrs. Gu took the mobile phone even more excitedly, "Okay, good, tomorrow, tomorrow, Shushu, you"

She was about to ask Rong Shu's current situation and how her body was, but the words were not finished, and she found that the other end of the phone was silent.

She quickly took the phone to look at it, only to find that the call had been hung up.

Mrs. Gu put down the phone in disappointment, "Hang up" "

It's okay." Gu Yaotian took her hand and comforted, "The child is not used to us, and he can't let go of those things in his heart, so it's normal not to talk to us, she doesn't know what to say, so as not to be embarrassed, and when I see it tomorrow, maybe a lot of opportunities to say."

Advised by Gu Yaotian, Mrs. Gu nodded and felt that it was also, "Fortunately, many things are said in person, more sincere than on the phone, but I am very happy, Shushu finally agreed to see us, I thought that she would not agree."

"Yes, the kid can figure it out, I'm already satisfied." Gu Yaotian bowed.

Mrs. Gu put down her mobile phone, "No, I have to buy some vegetables and make something delicious for Shushu, I have never cooked for her, I don't know what she likes to eat, but I saw that she was also buying wormwood cake before, so bitter things she also likes to eat, so her taste is similar to mine, I will make a little more according to my own taste, Yaotian, I will go to buy vegetables first, I will buy it myself, you will rest here, what is the matter called the caregiver, Or call me and I'll go first.

After

that, she picked up her bag and hurried out, and she was still very happy.

Seeing this, Gu Yaotian couldn't help but laugh.

He knows how much his wife loves his daughter, because of their husband and wife's body, he originally thought that he would never have children in this life, because they had been testing for so many years, they had not succeeded once, and they were all planning to give up, who knew that one day, the hospital called them and told them that the test tube was successful and embryo transfer could be carried out, and no one knew how excited and happy their husband and wife were at that moment.

After that, the wife successfully conceived the child, and every day she carefully protected the child, singing for the child, and doing prenatal education for the child.

His husband and wife are also looking forward to the birth of the child, so they went to the jewelry store early to order a gift for the child, the mother and daughter necklace, that necklace, contains his father's best and deepest blessing for his daughter to come to this world.

But who knows, his daughter was just over the moon by her side, and she was taken away by Rong Hao, and since then, his wife has been greatly stimulated and almost went crazy, and his mental condition is not good, if he doesn't need to support the Gu family and support Sansheng, maybe he will also be crazy, after all, it is his only child.

In order to appease his wife's emotions, he had no choice, he could only go to the orphanage and choose an abandoned baby about the size of a child to adopt, with that abandoned baby, his wife's mental state was indeed much better, but he knew that although his wife loved Gu Manyin's adopted daughter, she loved very restrained.

The wife has never said that she wants to cook for Gu Manyin, nor has she ever cooked for Gu Manyin, nor has she personally bought clothes for Gu Manyin, because the wife clearly distinguishes the difference between a biological daughter and an adopted daughter, and the wife is only willing to give all her maternal love to her biological daughter.

He is the same, he knows that he is not a good person, and the adopted daughter he raised is not a good person, but he has never advised his adopted daughter not to follow him and not to become bad, just because she is not his own biological daughter

Chapter 1429 – The Checkmate of Man, His Words Are Good

In his life, he has not done anything bad in the first twenty years, but he has not done good things either.

In the next twenty years, he was carried away by jealousy, and he also lost his mind, and he was even more unable to bear the fingers of others, saying that he could only inherit the family business, and his good friends from childhood to adulthood were able to start from scratch by themselves, and they grew up together, but he could not compare with Rong Hao, and he would never be as good as Rong Hao.

These words, once or twice don't matter, after listening to more, he really can't accept it, he doesn't want to admit that he is not as good as Rong Hao, let alone admit himself, everywhere is not comparable to Rong Hao.

Obviously, when they were young, the academic results of the two of them were always better than Rong Hao, why did these people say that he was not as good as Rong Hao?

He was unwilling, and for a long time, the jealousy and red eyes in his heart completely changed him.

Especially by chance, I learned that Rong Hao's employees had improved a technology, and if that technology was widely used, Tiansheng Group would completely surpass Sansheng.

This was undoubtedly a huge blow to him, and it undoubtedly made him feel a sense of crisis completely.

Because he knew that if he really let Tiansheng surpass Sansheng, then next, those people who the outside world said that he was not comparable to Rong Hao, wouldn't they be more sure that he was not comparable to Rong Hao?

Therefore, he made up his mind not to let Rong Hao use this technique.

Then he arranged for someone to go over, originally wanted to buy the employee and let the employee jump to Sansheng with technology, but who knew that the employee was so heartfelt and refused to say anything.

There was no way, he arranged for someone to go over and prepare to steal the technology, as long as Tiansheng did not have this technology, Tiansheng Group could not surpass Sansheng, and those people in the outside world were even less likely to say that he was inferior to Rong Hao.

Everything was originally planned to go smoothly, but he didn't expect that the employee's psychological endurance was so fragile that he actually committed suicide by jumping off the building.

At that moment, he was also frightened and panicked.

Because he never wanted to take people's lives, he just wanted to steal the technology, he didn't want to harm people, but the death of that employee did indeed cause it.

The death of Tiansheng's employees caused Tiansheng's stock price to plummet, and Tiansheng was in danger, and Rong Hao stole his daughter in order to take revenge on him.

Originally, he thought at the beginning that if Rong Hao returned his daughter, he was willing to compensate the employee's family, as much as he wanted.

But before he could convey the meaning, Rong Hao actually threw his daughter into the river, which was his only daughter.

From that moment, he completely blackened, thinking that the fault of all this was caused by him first, Rong Hao could take revenge on him in other ways, why should he move his daughter, so he swore that he would never let Rong Hao have a good time in this life.

So in the past twenty years, he has stopped tripping Rong Hao all the time, dealing with Rong Hao, retaliating against Rong Hao's wife Li Xiuzhi mother and daughter to poison Rong Hao, and he wants Rong Hao to be in pain.

In addition to dealing with Rong Hao, he was also dealing with the Tiansheng Group, and in the end, Rong Hao could not stand his retaliation for more than twenty years, coupled with the reason for the poison, his mentality broke and he committed suicide by jumping off the building.

At that moment, he really felt very happy, because he had avenged his daughter.

But after that day, he couldn't be happy again, even he didn't know why he couldn't be happy, and there was always a feeling of blockage in his heart.

Only now did he know why this was the case.

He grew up with Rong Hao since he was a child, they are best friends, and it is impossible for the two sides to have no friendship at all.

But all this because he was intolerant and narrow-minded, so he and Rong Hao gradually drifted apart, and finally became enemies of life and death.

But really when Rong Hao was killed by himself, he was not as happy as he thought, and even dreamed of Rong Hao many times at midnight.

He knew that he was actually guilty of Rong Hao.

But he can't admit it, and if he admits it, it means that everything he did was wrong, he can't accept such a result, and he won't admit that he was wrong.

Therefore, he can only continue to deal with the daughter left by Rong Hao, and only after driving the Rong family to extinction and never seeing the Rong family again, he will not be affected by Rong Hao, let alone dream of Rong Hao.

He firmly believed that he was right to do so, so after Rong Hao died, he continued to deal with Rong Shu.

The reason why Rong Shu was targeted by Wang Shuqin for six years is naturally his masterpiece.

It is he who often makes people chew the root of his tongue in Wang Shuqin's ear, which makes Wang Shuqin hate Rong Shu more and more, so he will grind Rong Shu.

But who knew that all this became the biggest joke.

Rong Shu became his daughter.

More than twenty years ago, Rong Hao did not really take revenge on him, did not kill his daughter, and raised his daughter well and raised her to his ideal appearance.

Does this mean that Rong Hao has always had him as a friend in his heart?

So in addition to Fan Lina, it was also because her daughter was his friend, so she couldn't bear it?

Perhaps, since he was a child, that guy has been very soft-hearted and easy to sympathize with others.

This kind of thing, Rong Hao is not unable to do.

And what about him?

Compared to Rong Hao's messy sympathy, he is really a cold-hearted person.

Rong Hao did not kill his daughter, but also raised his daughter, but he really killed Rong Hao and tortured his own daughter.

His hands, stained with blood, had those of his former best friends and his daughter's.

Perhaps it is the checkmate of man, and the goodness that he once lost in the past is beginning to return.

Now his heart is full of all kinds of guilt, all kinds of self-blame, all kinds of regret.

He was wondering if he was a little kinder and a little more magnanimous, would his friendship with Rong Hao not end, and would his daughter be able to grow up to be the happiest girl in the world under the care of their two fathers?

After all, they said in high school that no matter who has a child in the future, they must be the godfather of the other party's child.

Rong Hao did it, but he didn't do anything.

The outside world is right, he is indeed not comparable to Rong Hao, whether it is character or ability.

Now that his daughter has returned, he should really put an end to all this for his daughter's sake.

Thinking of this, Gu Yaotian picked up his mobile phone again and made a call out, "Hey, police?" I am Gu Yaotian, I want to turn myself in"

This phone call said for a long time, Gu Yaotian and the police did not know what consensus had been reached, and the police did not immediately arrange for someone to come and take him away.

After all, according to the normal flow, even if he is now a patient who is still breathing, as long as the crime turns himself in, the police will come to the door.

But this time, the police agreed to let him stay in the hospital, preparing to come after a while.

And this matter, the police did not hide Fu Jingting, after ending the call with Gu Yaotian, they immediately contacted Fu Jingting and told Fu Jingting.

After Fu Jingting found out, he was a little surprised, but also felt as if it was reasonable.

Gu Yaotian really loves Rong Shu, and for the sake of Rong Shu's daughter, he can choose to give up his life.

Naturally, it is not so surprising to turn yourself in to all the bad things you have done in the past.

"That's a good thing." Fu Jingting lowered his eyes and murmured.

At least it can show that Gu Yaotian, this person, at the last moment, his conscience actually awakened.

It can also be regarded as being able to give Rong Hao an explanation.

Chapter 1430 – Only the Last Enemy Remains

"Jing Ting, what were you just muttering?" Rong Shu was holding a fruit plate and was eating fruit, and when she heard the man muttering there, she couldn't help but ask curiously.

The man put down his phone and turned around, smiling gently at her, "It's nothing, it's just talking about business."

Gu Yaotian turned himself in, but he still didn't tell her.

It was best for Gu Yaotian to tell her about this matter personally.

He told her that there was no sincerity in coming without Gu Yaotian telling her.

Hearing the man say that it was a serious matter, Rong Shu nodded and stopped asking.

At this time, Assistant Zhang knocked on the door and held a large stack of documents that needed to be signed by Fu Jingting himself.

Fu Jingting pointed to the small desk over there and asked Assistant Zhang to put it there.

That's where he's based.

Assistant Zhang went over to put the documents away, only then walked over again and nodded to Fu Jingting and said hello, "President Fu."

"What's going on?" Fu Jingting was reading Rong Shu's maternity examination report just now, and asked lightly.

And Rong Shu was still eating the plate of slightly sour strawberries, and while eating, he looked at Assistant Zhang.

Assistant Zhang replied, "This morning, Liu Linlin's second trial ended. Hearing this, Fu Jingting flipped his hand over the report.

Rong Shu also put down the fork in his hand, "Yes, calculate the time, it is indeed today's trial, but why didn't the court notify us this time?"

"I asked the other side not to notify some time ago, so as not to disturb your rest." Fu Jingting put the report aside and replied, "But this matter, even I forgot about it later."

Rong Shu was amused, "You have been around me in the past few days, and you must not be able to think of many other things."

After speaking, he looked at Assistant Zhang again, "This time, it's the final trial, right?"

"Yes, ma'am." Assistant Zhang nodded, "This time is the final trial, insisting on the original sentence in the first instance, Liu Linlin is still the death penalty, Liu Linlin is arguing and dissatisfied, and wants to appeal again, but it was rejected."

"Giving her a chance to appeal for things with conclusive evidence is already a matter of legal favor, how can it be possible to continue to give her a third chance, when legal resources are wasted for fun?" Fu Jingting said expressionlessly, and his tone was full of disgust for Liu Linlin.

Assistant Zhang pushed his glasses, "What President Fu said is, so this time, it has been completely nailed down, the court should have issued an announcement, after all,

many netizens are very concerned about the result of this matter, and the court will definitely give an explanation to the masses after the trial.”

“Then I’ll take a look.” Rong Shu said, and took out his mobile phone from Fu Jingting’s pocket.

Her mobile phone ran out of battery, and Fu Jingting refused to charge her, afraid that she would be bored playing games.

In fact, Fu Jingting did not completely let her play with her mobile phone, this is that she is too bored, playing with mobile phones, it is easy to be unrestrained.

This is the reason why Fu Jingting refused to charge her.

But this time, Fu Jingting saw her take his mobile phone, but he didn’t stop it.

Anyway, she just looked at the news, and after reading it, he took the phone back.

Rong Shu leaned on Fu Jingting with interest, opened his mobile phone, and searched for news about this matter on the Internet.

Sure enough, as soon as she entered the web page, she didn’t need to search at all, and Liu Linlin’s case automatically jumped out.

Looking at the comments enthusiastically cheered by netizens below, Rong Shu smiled, not feeling that netizens were too much.

It’s really what Liu Linlin did too badly.

It’s a person, it’s impossible not to get angry.

After all, there are several lives.

Although the Wang family is not a good thing, the Wang family has no grievances or hatred with her, and when she does this, she is completely indiscriminate in killing.

For netizens, the nature will only become more serious.

Because indiscriminate killing means that Liu Linlin herself is an antisocial person, if she runs to the street one day, will she also be assassinated on the street?

So for people like Liu Linlin, the death penalty is the best.

Rong Shu took the initiative to return the mobile phone to the man, and then looked at Assistant Zhang and asked, “When will it be executed?”

“A month later.” Assistant Zhang replied.

“So fast.”

“The death penalty is carried out immediately.” Assistant Zhang said: “If it weren’t for the fact that there were some death row prisoners lining up in front, she would have been executed sooner rather than a month later.”

Rong Shu nodded, indicating that she understood, “Her parents must be very broken.”
Mr

. Liu and Mrs. Liu are probably the saddest.

Assistant Zhang bowed, “It’s like this, this trial, their husband and wife also went, Mrs. Liu couldn’t stand the stimulation, suffered a stroke on the spot, and is still in the hospital for treatment, and Mr. Liu’s mental state is also a little wrong, looking like some mental disorders.”

“It’s the punishment they deserve.” Fu Jingting lightly opened his thin lips and said softly: “Although their husband and wife did not do anything, but they raised such evil spirits, the sins committed will only be greater in a sense, and they should naturally pay the price for the demons they raised now.”

“President Fu is right.” Assistant Zhang felt that it made sense.

Rong Shu touched her stomach, “We can teach the children well in the future.”

“It’s nature.” Fu Jingting raised his chin, “Our child will naturally teach well, and I believe he will not let us down.”

“Why are you so sure?” Rong Shu looked at him with a smile.

Fu Jingting touched her belly, “Because he is our child.”

Rong Shu couldn’t laugh or cry.

Assistant Zhang looked at the two showing affection, and pouted sourly.

President Fu is really excessive, knowing that he has fallen in love, and he actually shows affection with his wife.

“By the way, what about Elder Liu?” Rong Shu suddenly thought of something and asked again.

Assistant Zhang replied, “Elder Liu is still in detention, and it will be some time before his case can begin.”

“Does he know about Liu Linlin?”

“I don’t know, Mr. Fu didn’t let the police tell him.” Assistant Zhang shook his head back.

“He is old, if you tell him now, I am afraid that he will be greatly stimulated to die on the spot, and at that time, the police will have no way to retry his case, and for him, it will be cheaper for him.” Fu Jingting explained.

Rong Shu felt the same, so she didn’t ask more.

All in all, the fate of the Liu family is already doomed.

Liu Linlin and Liu Lao were not destined to live.

As for Mr. Liu and his wife, it depends on whether they have the courage to continue living.

But this is not worthy of sympathy, even if the family does look quite pitiful.

But ah, isn’t all this self-inflicted?

If they had been kind, they would not have ended up where they are today!

In the future, the Liu family can no longer ask.

Next, the ones who really have to deal with are Su Cheng and Gu Manyin.

As long as these two people settle it, she thinks, she and Fu Jingting can really live a peaceful life.

As for Gu Yaotian

,
Rong Shu’s eyelids drooped in complexity.

Time flies quickly.

The next day, Rong Shu was woken up by Fu Jingting.

Fu Jingting looked at her and asked if she remembered what she was going to do today.

Although Rong Shu did not answer, she did not know what to do today.

She, ah, promised to meet Gu Yaotian and his wife.

For this reason, last night, she lost sleep again, after the man fell asleep, she never fell asleep, so she looked at the dark ceiling with her eyes open, and looked at it for an unknown amount of time before falling asleep.

However, even when she fell asleep, she was having all kinds of complicated dreams.
