### Chapter 1431 – Finally Met

And dreamed of something, but when I woke up, I couldn't remember it clearly.

It's just that she probably knows that she dreamed of Gu Yaotian and his wife, and the dream was also a little sad, and when she woke up, her eyes were moist.

This naturally could not hide the man's eyes, but he did not ask her anything, but silently took a towel with ice cubes and handed it to her, asking her to apply her eyes.

Rong Shu felt warm in her heart, and took the towel and put it on her eyes.

After applying ice for a while, the redness and swelling on the eyes subsided a little, Feng Mama served breakfast, and Fu Jingting took Rong Shu over for breakfast.

During the meal, the man has been paying attention to Rong Shu's emotions.

Seeing her eat two bites in a daze, she couldn't help sighing, "Don't be nervous, we just went to meet Gu Yaotian and them, we won't do anything, if you don't want to see them, I'll tell them now, we won't go over."

"No, it's still going to pass." Rong Shu shook her head, "You are right, no matter what, they are my biological parents, even if my feelings for them are very complicated, I should go to meet them, maybe this is the last time."

Fu Jingting squeezed her soft hand, "Don't worry, I will always accompany you."

"Hmm." Rong Shu squeezed the corners of her mouth and forced a smile to the man.

After the meal, the two got in the car and left for the Third Hospital.

In the Third Hospital, Gu Yaotian and Mrs. Gu were also looking forward to their arrival.

Finally, when she was an hour, Mrs. Gu heard movement outside the ward, and immediately ran over excitedly to open the door, "Shu" She was just about to open her mouth to call Rong Shu's name, but she didn't see Rong Shu, she only saw Fu Jingting, the excitement and joy on her face froze at once, and her voice was a little lost, "

Why are you, Shushu?" She didn't come?

Fu Jingting didn't answer, just took a step to the side, and then the tight woman who was covered by him was exposed.

When Mrs. Gu saw Rong Shu, her lost eyes regained their brightness, and she covered her lips at once, tears flowed, "Shushu"

Her daughter is coming, her daughter is coming!

Mrs. Gu's indescribable joy and joy in her heart, tears flowed even harder.

Seeing Mrs. Gu like this, Rong Shu's lips opened, and a touch of sourness welled up in her heart.

Although she had long known from Fu Jingting, Gu Yaotian and his wife quickly accepted that she was their biological daughter, and they were sincerely happy about it.

She also knew that men wouldn't lie to her and wouldn't joke about this kind of thing.

But now when he really saw Mrs. Gu's reaction, he knew that what the man said was quite convergent, and the real situation was that Mrs. Gu was happier than what the man said.

This made her emotions more complicated.

"Shushu." After Mrs. Gu was excited for a while, she suddenly opened her arms and wanted to hug Rong Shu.

This is her daughter, the daughter she has missed for more than twenty years and wants to hug.

When she was just born, after a few times, her daughter disappeared.

Now, as long as she keeps holding her daughter, she will never let go.

She wanted to tell her daughter how much she had missed her in the past twenty years.

However, the moment she saw Mrs. Gu coming towards her, Rong Shu seemed to be stimulated by something, her pupils shrank, and she suddenly hid behind the man.

Fu Jingting also took advantage of the trend to protect her.

Mrs. Gu stopped in time, saw Fu Jingting in front of her, and looked at Rong Shu, who lowered her head behind him and refused her hug, and her face suddenly turned pale.

"Shushu" Mrs. Gu called out to Rong Shu with a trembling voice, feeling extremely sad in her heart.

Her daughter, rejected her hug.

The daughter has not yet accepted her as a mother.

Mrs. Gu's reaction, Rong Shu saw it in her eyes, and her heart became more and more unpleasant.

But she did not forget that she is still the daughter of the Rong family, and she is still carrying the hatred of the Rong family, in addition to these, she has not forgotten the harm that the Gu family couple hurt her in the past.

These added up, so that she could not accept them, could not let go.

Therefore, she avoided, even if she wanted to feel her mother's embrace at that moment, but reason still made her soberly avoid.

It's just that Mrs. Gu's appearance still makes her feel a little more guilty.

"I'm sorry for me, I'm not used to people touching me." Rong Shu bit her lip and said in a low voice.

Mrs. Gu naturally heard the regret from her tone, and her mood improved again, quickly wiped her tears, smiled and shook her head, "It's okay Shushu, mom no, I don't know you're not used to it, so it's me who should say sorry." The

daughter still accepts her as a mother, and she is not easy to use the title of mother.

And the daughter is very sorry for the hug she just rejected her, does it mean that the daughter is actually not so resistant to the fact that she is her mother in her heart?

Anyway, knowing this already made her very happy.

Mrs. Gu took a deep breath, stabilized her emotions again, and showed a happy smile to Rong Shu and Fu Jingting, "Shushu, Jingting, you come first, your father is not, Yaotian is still waiting for you inside."

With that, she stepped aside and let the doorway out.

Fu Jingting took Rong Shu's hand and nodded to her, "Excuse me."

After that, he took Rong Shu in.

Mrs. Gu closed the door and walked last.

Rong Shu and Fu Jingting entered the ward, and Gu Yaotian's gaze immediately fell on them.

Of course, more precisely, it fell on Rong Shu.

Seeing Rong Shu, Gu Yaotian's eyes also turned red, and his heart suddenly surged up

## Chapter 1432: Parental Love

Mrs. Gu and Gu Yaotian saw that Rong Shu did not object to that father, and the husband and wife burst into tears with joy.

Does this mean that children really aren't that resistant to them?

"Shushu, how is your health now?" Mrs. Gu was also a little more bold, approached Rong Shu, and asked with concern, "Is there anything uncomfortable?" If there is, be sure to say it, pregnancy is originally a very painful thing, you are still young, have not experienced this, so if there is anything you are puzzled about, you must say it, so that we can better help you, you know?

"Your mother is right, Shushu"

Gu Yaotian also echoed.

But before he finished speaking, he was interrupted by Rong Shu, "I know this, I don't need you to remind me, there are many people around me who care about me." The

expressions on Mrs. Gu and Gu Yaotian's faces became lost at the same time.

Mrs. Gu nodded even more sarcastically, "It's the same, but we're still worried about you, so Shushu, don't resist, okay?"

Rong Shu pursed her slightly pale lips and did not speak.

Fu Jingting touched her head, and did not speak, the ward suddenly changed quietly, and the atmosphere was particularly uncomfortable.

But soon, Mrs. Gu took another breath, and a smile appeared on her face again, "By the way, you guys came so early, did you have breakfast?" I made a lot of breakfast, let's eat some together, right? With

that, he went to the kitchen to get it.

Gu Yaotian also nodded, "Yesterday, your mother knew that you would come, so she specially went to buy a lot of ingredients, in order to cook for you once, you can taste it."

“No thanks.” Rong Shu bit her lip and refused, “We have breakfast, you don’t have to think about it.” Hearing

that she had eaten, Mrs. Gu’s footsteps stopped, but soon, she continued to smile and said, “It’s okay to eat breakfast, you guys have been delayed a lot on the way here, it is estimated that your stomach is also a little hungry, eat some more, okay Shushu?”

She looked at Rong Shu expectantly, and there was even a hint of begging in her eyes.

She wanted Rong Shu to try her cooking.

When Gu Yaotian saw his wife like this, he sighed in his heart, and also helped and said: “Shushu, your mother has never cooked in the past twenty years, not that she can’t, but she doesn’t want to, because before she was pregnant with you, she wouldn’t have been, but after she became pregnant with you, she began to learn to cook, because she said that she wanted to cook for her daughter and cook for a lifetime, but after you were taken away, your mother’s whole person lost all her spirit, and many skills were specially learned for you.” , and never used it again. Hearing

this, Rong Shu’s pupils flashed and looked at Mrs. Gu.

Mrs. Gu’s eyes were red, and she was also looking at her, “Shushu” Rong Shu’s throat was blocked, “

What about Gu Manyin?” Haven’t you done it for Gu Manyin?

“No, no, no.” Mrs. Gu quickly shook her head and replied, “Shushu, I definitely haven’t cooked a meal for Gu Manyin, nor have I combed her hair once, because I know that she is not you, I can tell clearly, even if her appearance pulls me back from the brink of collapse, but I know that no matter how good she is, she is not my daughter, those skills, I learned specifically for you, if I use it on Gu Manyin, then I am sorry for my biological daughter, so I have never done this for her, I didn’t even hold her much when she was a child, Shushu, what my mother said is true.

“What your mother said is indeed true, not only your mother, but even me, although I do dote on Gu Manyin, but I also know that Gu Manyin is not you, my doting on her, just for the doting of a tool person, there is not much father-daughter love, maybe some people will say that I am too cold, but so what, she has never been my biological daughter, from beginning to end, you are the child that our husband and wife love the most.”

Mrs. Gu choked and nodded, “Shushu, in the past twenty years, the family has always reserved a room for you, every year on your birthday, your father and I have prepared gifts for you, even your father and I are buying clothes for you every year, from when you were just born, until now, it has never been broken, there is a room at home, it is specially put for me and your father to prepare for you, Li Zhaodi has not touched it, Even if your father and I really thought that Li Zhaodi was you, I didn’t give her those

clothes and birthday gifts I bought for you, because there was a voice in my heart that kept me from doing this, telling me that if I did that, I would definitely regret it for the rest of my life.

It turned out that she did the right thing and insisted on the voice in her heart, otherwise today, she would owe her daughter another one.

Rong Shu could see that what Gu Yaotian and his wife said was true, and they didn't lie to her, and they couldn't say the shock in their hearts.

They actually did so much for a daughter who may have died for more than twenty years.

Not to mention Rong Shu, even Fu Jingting was surprised.

No wonder he went to the Gu family several times during his hypnosis, and every time the Gu family couple did not allow him and Gu Manyin to go up to the fourth floor.

At that time, he was still curious and asked Gu Manyin what the reason was.

Even Gu Manyin herself said that she didn't know what was on the fourth floor, why her parents didn't let her go up, and said that since she was a child, her parents didn't let her go up, and if she found that she went up, she would definitely teach her a hard lesson.

There was even a time when she was not convinced and had to go up to find out.

However, the stairs on the fourth floor were specially welded with a door, locked all year round, and you could not enter the fourth floor without a key.

Gu Manyin didn't know at that time, just went to the fourth floor, and then was caught on the spot by Gu Yaotian and his wife.

Gu Manyin said that she always remembered that day, she had always doted on her parents, and that day she actually beat her fiercely, and Mrs. Gu used a kind of complexity

Chapter 1433 – You are very much like your grandmother

In her memory, she had never seen her grandmother in the Rong family, and she had never heard her father mention her grandmother.

When she was a child, she was also curious about how her grandparents didn't have it, but her father never answered her, just touched her head, revealing a look she couldn't read at the time.

After growing up, she understood that her father's eyes were sad and sad.

She was curious about why her father mentioned that her grandparents would show such sadness and sadness, so she secretly checked, and later learned that after the Rong family went bankrupt for the first time, her grandparents were forced to die by coming to the door to ask for debts.

No wonder Dad is reluctant to mention this every time, and every time he brings it up, he is so sad.

Since she was a child, she has never felt the love from her grandparents' generation, and it was not until she married into the Fu family that she felt the love from her grandmother for the first time, which was so kind and warm.

Now Gu Yaotian suddenly mentioned her own grandmother, which also made her a little curious, what does her own grandmother look like, is she the same kind old man as Fu Jingting's grandmother?

As if seeing what Rong Shu was thinking, Gu Yaotian replied with a gentle expression, "Your grandmother, she is actually a very dignified person.

Rong Shu was slightly startled.

Majesty?

He is not a kind and kind person like Fu Jingting's grandmother.

Fu Jingting touched Rong Shu's hair, "This point President Gu is right, Old Mrs. Gu is indeed the most majestic old lady, although the grandmother looks gentle and kind, but when facing big things, she is also majestic, you should know this."

Rong Shu nodded, "I know."

She had seen her grandmother look serious when she got down to business.

"And Old Lady Gu is even more majestic than my grandmother, I have seen her old man a few times, and every time I see her, her expression is smiling, and she looks quite a terrible old lady."

"President Fu is right, but it's not right." Gu Yaotian shook his head slightly, "Shushu, although your grandma looks like this on the surface, but in fact, she is also a gentle and kind person inside, when your grandmother was young, she was a young lady of a

large family, because of that era, she suffered serious hardships, so she would become unsmiling, but in fact, in private, she will still show her soft side, and your grandma is good at embroidery, many of her embroidery works have been included in the National Museum, and many of them have been sent as national gifts to establish diplomatic relations, and your grandma has a rule.” , that is, never embroidered for your family, but after you were born, she broke this rule. Something

instantly appeared in Rong Shu’s mind, and she blurted out, “swaddling”

“That’s right.” Gu Yaotian saw that she knew this, and smiled more kindly, “In order to welcome your birth, your grandmother specially broke her own rules and embroidered a swaddle for you, when you were taken away, you were wrapped in this swaddle at that time, that is your grandmother a stitch and a thread, spent ten months to personally embroider for you, at that time she was already seventy years old, her eyes were no longer good, and she had already sealed the needle and did not embroider, your arrival made her very happy, so she picked up the needle and thread again, with this pair of eyes that are not clear, The swaddle was embroidered in ten months, in fact, according to the normal embroidery progress, ten months can not finish embroidering a swaddling.

Rong Shu was noncommittal about this.

Although she can’t embroider, she also knows how difficult it is.

A palm-sized purse, if it is embroidered with the highest technology, must be embroidered for two or three months, not to mention such a large swaddling.

“Then she” seemed to know what Rong Shu was going to ask, Gu Yaotian sighed, “

Your grandmother used that swaddle after you were born, so she stayed up all night every three or five, and finally finished embroidering the swaddle after you were born, but she also fell down because of this, she was seriously ill, her body was not very good, and her eyes were almost completely blind.”

Rong Shu’s pupils contracted, “How could this be”

At this moment, Rong Shu felt uncomfortable in her heart.

She had never seen the old lady of the Gu family, and before that, she had no impression of this old lady, when she heard Fu Jingting say that this old lady was not smiling and was very majestic.

She also thought that this old lady was a very mean and ruthless person, and Gu Yaotian would be so bad, was it because of this old lady.

But now hearing what the old lady did for herself, she suddenly didn’t dare to think so.

An old lady, risking serious illness and blindness, staying up late for her soon-to-be-born granddaughter to embroider some swaddling, based on this, you can know that this old lady is definitely not what she thinks.

On the contrary, she is really what Gu Yaotian said, a mean woman on the outside, but in fact a soft and kind old lady inside.

That swaddling, that old lady, the greatest blessing and the best gift to her granddaughter.

Rong Shu lowered her eyes, clenched her fists, and felt very sad, "What about later?" Is she okay?

Gu Yaotian shook his head, "No, after falling, her body is getting worse and worse, often lying in bed, but it's normal, she suffered too much because of her identity when she was young, her body has long collapsed, and it is already a miracle that she can last until she is in her seventies to completely fall, in fact, your grandmother also knows very well that her body is about to die, so she is so desperately embroidered for you, because she doesn't want her to be gone one day, I didn't even have a gift for my granddaughter.

Rong Shu bit her lip, "I, I don't deserve her to do this at all, do I?" "

"Don't say that." Fu Jingting patted her shoulder gently, "For Old Lady Gu, you are her granddaughter, the continuation of her bloodline, and the offspring she is most looking forward to, everything about you is worth it in her opinion, otherwise she will not fight like this, you are the best existence in her heart."

"President Fu is right." Gu Yaotian also nodded, "Your grandma is looking forward to your birth, since your mother conceived you, I have often seen a smile on your grandmother's face, you must know that before that, your grandmother has not smiled for almost more than ten years, and your grandmother also knows that her body is not good, maybe it will be gone one day, so she will do this, don't feel sorry for your grandma."

Rong Shu closed her eyes, and a tear flowed, which was for the old lady she had never seen before, but loved her very much.

"You just said I look like her, is that true?" Rong Shu's eyes were red and she looked at Gu Yaotian.

Gu Yaotian snorted, "Really, I don't have to lie to you, your side face is exactly the same as your grandmother, by the way, I still have photos here." Saying

that, Gu Yaotian took the mobile phone and clicked a few times, "This is the photo of your grandmother before she died, do you want to see it?"

Rong Shu's mouth opened, not knowing whether to look at it or not.

Because she had never seen this old lady, she suddenly wanted to see her pictures first, and she suddenly had no courage and guts.

"Take a look." Fu Jingting looked at Rong Shu, "Old lady Gu is different from them, she has pure love for you, she has not hurt you, you should take a look."

Rong Shu was moved by the words and walked towards Gu Yaotian.

Or in other words, in fact, she also wants to see it in her heart, but there are too many grudges in the middle, so she doesn't know what to do.

But at this time, someone stood up to support her, and she naturally knew how to choose.

### **Chapter 1434 – A Photo at Just Birth**

Seeing Rong Shu walking towards him, Gu Yaotian was trembling with excitement, and looking at Rong Shu's eyes, it was even hotter and hotter.

His daughter, finally approached him.

"Shushu" Gu Yaotian's voice shouted Rong Shu was also more gentle and kind.

Rong Shu avoided his excited eyes, took the mobile phone he handed over, and the first thing that came into view was an expressionless old lady.

Although her face was expressionless, she was not mean at all, on the contrary, she could clearly see the tenderness in her eyes.

Is this her grandmother, dear grandma?

The old lady in the photo, estimated to be in her seventies, is sitting on an old-fashioned Taishi chair.

The old lady sits very upright, her waist is straight, and her temperament is also extraordinary, and she looks like a young lady born in a famous family, even if she is old, her temperament is not old at all.

And Rong Shu can still vaguely see the beauty of the old lady when she was young.

"It's beautiful." Fu Jingting came behind her at some point and was looking at this photo with her.

Rong Shu didn't know why, but she was quite proud in her heart, and she wanted to say back that of course, this was her grandmother.

However, she quickly reacted, although the old lady in the photo was her grandmother, but she had no impression of this grandmother, which made her unable to say anything.

I could only answer quietly, "Well, it's quite beautiful."

"It's really similar to you." Fu Jingting looked at the photo, and then looked at Rong Shu's side face, "I probably know now what you will look like when you are old in the future."

Rong Shu touched her face, "Didn't you say everything, I look very similar to the old lady, then naturally I am the same as the old lady when I am old."

"Yes, just as beautiful." Fu Jingting laughed lowly.

Rong Shu blushed by her amusement, gave him a blank look, and then continued to stare at the photo, her thumb involuntarily rubbing the face of the old lady in the photo.

The more she looked, the more she felt a sense of intimacy, which is probably the reason for the blood relationship.

Gu Yaotian saw the relationship between the two in his eyes, and his heart was very relieved.

He was thinking that Fu Jingting loved his daughter so much that he would die in the future, and he didn't have to worry that his daughter would be bullied by others.

Fu Jingting should love his daughter and protect her for the rest of his life.

"Here, in addition to your grandmother's photo, there is also your grandfather's, if you are interested, you can also take a look." Gu Yaotian suddenly said again.

Rong Shu was stunned for a moment.

There was even a grandfather's.

She listened to Fu Jingting and Gu Yaotian talk about her grandmother, and she had a little impression of her grandmother, but for her grandfather, she didn't have it at all.

Gu Yaotian saw it, and spoke, "Your grandfather died early, when he died, I was only about ten years old, so many years have passed, if it weren't for the photos of the past

that I saved, maybe I would have forgotten your grandfather a long time ago, so I have no way to tell you, what kind of person your grandfather is, after all, he was still young when he died, and I don't have much impression of him, but the only thing I know, It's your grandfather who is also a good person for future generations.

"Is it" Rong Shu couldn't hear the emotion clearly, but her finger involuntarily slid back, and an old and somewhat blurry photo jumped out.

The picture shows a man, a man dressed in clothes from the fifties and sixties.

The man is not old, he should be in his early twenties, and he is sitting on a bar stool, smiling very brightly at the camera.

The whole person looks a little similar to Gu Yaotian, it should be Gu Yaotian's father, her grandfather.

Fu Jingting also saw the appearance of the old man of the Gu family for the first time, and after reading it, he nodded slightly, "No wonder you look so good, it turns out that the ancestor has good genes."

He praised Rong Shu.

Rong Shu blushed, "Less poor mouth."

"It's true." Fu Jingting raised his chin, "In the future, my child will only look better." Rong Shu firmly believes this.

She and Fu Jingting are both very good-looking, and the baby who integrates their genes will definitely only be better.

Rong Shu returned the phone to Gu Yaotian and touched his stomach.

Gu Yaotian took the phone tremblingly, "Don't look at it?"

"Already seen, nothing to see." Rong Shu replied softly.

Gu Yaotian sighed, "Actually, there are still many photos of you when you were just born in the back, don't you want to see them?"

"Newborn" Rong Shu bit her lip.

Unexpectedly, there were such photos in his mobile phone.

Before Rong Shu could answer, Fu Jingting had already spoken, "I see, speaking of which, I haven't seen you just born."

Gu Yaotian gave the mobile phone to Fu Jingting very cheerfully.

It's also quite emotional to say.

Fu Jingting was hypnotized by Gu Manyin, in fact, he knew about it later.

In the past, he had never wanted to climb the Fu family high, after all, he couldn't climb high.

Until one day, Gu Manyin suddenly told him that she and Fu Jingting were together, and he couldn't believe it, after all, the gap between the Fu family and the Gu family was too big, and Gu Manyin had no qualifications to contact Fu Jingting, how did the two get together.

Gu Manyin did not lie to him, and told him that she accidentally learned that Fu Jingting was a pen pal with Rong Shu again, and Fu Jingting was likely to like Rong Shu, so she pretended to be Rong Shu to meet Fu Jingting, originally thought that Fu Jingting could not recognize it, but did not expect Fu Jingting to recognize her at once that she was not Maple Leaf, so she found a very powerful one unwillingly

Red and soft, it's very cute to look at.

Rong Shu tilted her head slightly, and when she saw the photo, she turned her head in disgust, "Ugly."

It looked really ugly to her, red and wrinkled, like a monkey.

Gu Yaotian smiled and said, "This is how you just looked when you were carried out of the delivery room, and after that, you will look good, and there will be a photo of your full moon behind."

That was also the only one, and she was stolen by Rong Hao after that.

He would no longer be able to take pictures of his daughter.

Hearing that there were still photos of the full moon, Fu Jingting quickly slid his thumb and flipped back, and found that the photos behind were similar to the first one.

But then the more he flipped down, Fu Jingting gradually saw something different.

That is, the baby in the photo is growing day by day, from the beginning of the red, to the back gradually faded red skin, the skin became snow-white, the face also from wrinkled, gradually opened, became round and cute.

That is to say, this is a series of photos, a photo recording Rong Shu from birth to the full moon, one a day, a total of thirty.

Sure enough, Fu Jingting silently counted in his heart, and after counting to the thirtieth sheet, he slipped back, and the back could not be rowed, and there was no more.

In other words, this is indeed what he guessed, it is to record the photo of Rong Shu's full moon.

Although Rong Shu disliked the photo on the surface, in fact, she also kept watching when the man slid the photo.

After seeing that there was no more, she also understood that these photos were records of her thirty days of birth.

Rong Shu looked at Gu Yaotian.

It just so happened that Gu Yaotian was also looking at her, and the gentleness and kindness in his eyes were so obvious.

Rong Shu only felt as if her heart was burned, and hurriedly looked away.

Gu Yaotian sighed in disappointment.

"Can I make a copy of these photos?" Fu Jingting looked at Gu Yaotian and suddenly asked.

Gu Yaotian picked up his mood and agreed without hesitation, "Of course."

"Thank you." Fu Jingting thanked and took out his mobile phone.

Rong Shu hugged his arm, "What are you doing, what is there to copy this photo."

"It's lovely." Fu Jingting chuckled, "And this is when you were a child, of course I want to make a copy, and I can take it out at any time in the future."

After that, he had already begun to copy.

Rong Shu saw that she couldn't stop the man, so she went with the man.

Soon, Fu Jingting made a copy of the photo.

Mrs. Gu also came with a hearty dish, and after putting the dish on the table, she wiped her hands and looked at Rong Shu solemnly, "Shushu, it's time to eat."

Rong Shu stood in place and did not move.

Fu Jingting took her hand, "It's okay, let's go."

After that, he led her over.

When Mrs. Gu saw the two coming, her nervous mood suddenly relaxed and she smiled, "Shushu, Jing Ting, you sit first, I'll help your father over."

After that, Mrs. Gu walked towards Gu Yaotian.

After a while, Mrs. Gu pushed Gu Yaotian to the dining table.

After the two sat down, Mrs. Gu looked at Gu Yaotian, and then at her daughter and son-in-law on the opposite side, crying and unable to help herself, "I'm so happy, at this moment, I finally realized my dream."

Rong Shu's eyes flashed, and she could guess what her so-called dream was.

It's nothing more than a family reunion.

Sure enough, Mrs. Gu took the tissue handed by Gu Yaotian and choked up and said, "Shushu, after you were just born, my father and I began to fantasize about your life when you grow up, and we all said that when you grow up, you will definitely be able to marry the best man under the sky, because only such a man is worthy of our daughter."

When he heard the words of the best man under the sky, Fu Jingting's chest stood up slightly.

That's right, he's the best man under the sun.

Although Fu Jingting's movements were hidden, Rong Shu still saw it, and he was a little crying and laughing.

This man is really cheeky.

Gu Yaotian and Mrs. Gu didn't see it, but they saw Rong Shu smile, although I don't know why she laughed, but as long as she was happy, they were equally happy as parents.

Mrs. Gu continued, "Then your father and I were thinking, when you get married, we must not live too far away, and finally buy two houses in the same place, so that it will be convenient for us to reunite in the future, and it is convenient for us to help you bring up your children, and now this wish has finally come true."

Although the child has not yet been born, their grandson has arrived.

However, Gu Yaotian's eyes still flashed a trace of disappointment.

Because of him, he is destined to not see the birth of his grandson.

But it doesn't matter, at least before he dies, he knows that his grandson is coming.

"Okay, let's eat first, the children are hungry." Gu Yaotian reminded Mrs. Gu.

Mrs. Gu also reacted and nodded repeatedly, "Yes, yes, eat first, eat first." Mrs

. Gu greeted while picking up the chopsticks and sandwiching a lot of dishes for Rong Shu, "Shushu, these are my mother's good dishes, and they were also specially learned for you before, but now they have not been made for more than twenty years, the craftsmanship is a little rusty, and the taste may not be so good, you taste it." Rong

Shu looked at the many dishes in the bowl, her mouth opened, and she wanted to say something, but looking at Mrs. Gu's eager eyes, she couldn't say anything.

Finally, she also picked up the chopsticks, and under the slowly wide-eyed gazes of Gu Yaotian and Mrs. Gu, she took a chopstick dish and put it in her mouth.

Mrs. Gu's body trembled with excitement.

The daughter ate.

The daughter ate the meal she had cooked with her own hands.

Not to mention Mrs. Gu, Gu Yaotian was also very pleased and happy.

Because Rong Shu can do this, it can only mean one thing, that is, she really does not resist them so much in her heart.

"Shushu, how does it taste?" Mrs. Gu clenched the chopsticks in her hand and asked nervously.

Rong Shu swallowed the food in her mouth, looked at her, and did not answer, because she had an indescribable emotion in her heart.

It turns out that this is the taste of mother, the dish that mother makes?

The taste of the dish, in fact, is really just General, not very good, but not unpalatable.

But when she ate it in her mouth, she felt particularly delicious, and there was a very warm feeling that made her want to cry.

This feeling, she also experienced for the first time, a little panicked, and a little nostalgic.

The world says that the taste of mother, she has never known what the taste of mother is, until now, she may have experienced it.

“Shushu, what’s wrong? Is it not delicious? Looking at Rong Shu’s moist eyes, Mrs. Gu was anxious and quickly stood up, “Don’t eat it if it’s not delicious, spit it out quickly, beware of hurting your stomach.”

Gu Yaotian was also worried, “Yes, spit it out quickly.”

Fu Jingting did not speak, because he could see that Rong Shu was crying, not because of the bad taste, but because of the feeling that these dishes gave her.

He patted her on the back and silently calmed her emotions.

Rong Shu glanced at the man, squeezed a smile at the man, indicating that he was fine, and then looked at Mrs. Gu Yaotian and shook his head at them, “No, it tastes good.”

Hearing

this, Mrs. Gu breathed a sigh of relief, “That’s good, scare me to death.”

She also thought that the food she cooked tasted terrible, and she was worried that something would happen to her daughter.

“Then Shushu eat more, whatever you want to eat in the future, my mother will make it for you.” Mrs. Gu said, and excitedly sandwiched a lot of dishes for Rong Shu.

Gu Yaotian also occasionally clipped some to her.

Perhaps because she wanted to experience the feeling of her parents, Rong Shu did not refuse or stop it, symbolically ate some of the dishes they clipped, and then put down her chopsticks, “I’m done eating.” ”

She couldn’t continue to eat, and these alone had already made her psychological defenses begin to tremble.

If she continued to eat, she didn’t know what she would become, whether she would immediately let go of all her grudges and hatred, and recognize them on the spot.

Because she knew that she had longed for her mother's love for too long, if Mrs. Gu had been attacking her heart defense like this, she might not really be able to last long.

So today's meeting must be over, and it cannot continue.

Rong Shu put down her mobile phone and stood up with a slight trembling figure.

Fu Jingting also got up and gently hugged her in his arms.

From beginning to end, he never touched his chopsticks and ate this table.

First of all, this table of dishes was specially prepared by Mrs. Gu for Rong Shu, and he always knew that Rong Shu was actually very eager for maternal love.

Therefore, he also did not want to participate in the relationship between Mrs. Gu and her, and also wanted her to feel her mother's love and soothe the last regret in his heart.

Secondly, he is not hungry!

"President Gu, Mrs. Gu, my wife has already eaten, the time is not early, we will leave first." Fu Jingting looked at Gu Yaotian, then at Mrs. Gu, and took his leave.

Rong Shu's head was lowered from beginning to end, unable to see the expression, and did not speak.

Gu Yaotian saw it more clearly than Mrs. Gu, and also understood that Rong Shu's current state was not quite right, nodded and agreed, "Okay, pay attention to safety on the road, if you can, call us or send us a message when you arrive, let us know that you have a safe journey."

Fu Jingting did not respond, and did not know whether he agreed or not.

Mrs. Gu didn't speak, but a pair of eyes looked at Rong Shu with reluctance.

My daughter has not been here for a long time, why is she leaving.

She hasn't finished eating these dishes yet, and she hasn't hugged her daughter yet.

Mrs. Gu didn't know what to think, suddenly put the chopsticks in her hand, and came to Rong Shu in three or two steps to follow, and when Rong Shu and Fu Jingting were not prepared for a while, she actually stretched out her hand and held Rong Shu in her arms.

Rong Shu subconsciously struggled.

But Mrs. Gu hugged her very tightly, and she couldn't break free at all.

Fu Jingting originally wanted to help her, but Gu Yaotian gave him a look at this time, begging him not to do this, and let Mrs. Gu hug Rong Shu and hug her.

Fu Jingting looked at Mrs. Gu, who was holding Rong Shu and crying, and looked at Mrs. Gu, who struggled twice, and then suddenly stopped, standing there stunned, letting Mrs. Gu hold Rong Shu, and finally gave up the plan to separate the two people.

He could see that Rong Shu also wanted to feel his mother's embrace, and the struggle at the beginning was more just not used to it.

"Shushu, my mother misses you so much, I really miss you." At this time, Mrs. Gu spoke, her voice full of choking and longing.

Rong Shu's body trembled, and her heart was also swollen and tight.

Mrs. Gu let go of her slightly, held her face with both hands, and looked at her with teary eyes, "Shushu, mom really loves you, you are the child I asked your father for medicine for several years, and it took several years of test tubes to successfully conceive, you are the person that my father and I love the most, but I'm sorry, Mom and Dad lost you, and made a lot of acts that hurt you, Mom and Dad are really guilty, but Mom and Dad don't beg you to forgive us, We just want to tell you how much we miss you and how much we love you.

Although

Gu Yaotian did not speak, he looked at Rong Shu's eyes, he was so sincere.

The meaning is also obvious, what Mrs. Gu said is exactly what he also wants to express.

Rong Shu bit her lip desperately, her mouth opened, as if she wanted to say something, but she couldn't make a sound.

Mrs. Gu touched her emaciated face, "Shushu, will you come back tomorrow?" Mom wants to take you to the Gu family, look at your room, see the birthday gifts that Mom and Dad have prepared for you for more than twenty years, and also want your grandparents to know that you have always been there.

Rong Shu closed her eyes and replied a few words in a hoarse voice, "Let's talk about it."

She didn't say yes, but she didn't say no.

This answer had already made Gu Yaotian and Mrs. Gu extremely happy and excited.

If there is no refusal, it means that it is possible to agree.

So there is no hurry, take your time, there is still time.

“Good, good, mom doesn’t force you, mom is waiting for your answer.” Mrs. Gu cried with joy and nodded repeatedly.

Rong Shu grabbed Fu Jingting’s opponent, “Let’s go.”

She was afraid that if she didn’t go again, she really couldn’t bear it.

Fu Jingting snorted, nodded to Gu Yaotian and his wife, and left with Rong Shu.

Mrs. Gu reluctantly followed behind to send them away, and kept sending them to the car in the parking lot, even if the car was far away, she stood in place and waved goodbye.

Rong Shu saw this scene from the rearview mirror, and her mood could no longer be suppressed, and she cried.

Fu Jingting was so sad to hear her cry, and he was also very distressed, and then pulled the car over to a roadside, unfastened his seat belt, leaned over, and took her into his arms, “Don’t cry, I know that Gu Yaotian they let your heart tear a lot, but it’s not your fault, they are your biological parents, their love for you is deserved, you can accept it without any psychological burden, because it was originally yours, You don’t have to feel sorry for the Rong family just because you feel that you have received some love from Gu Yaotian and his wife.

“I know, but”

Rong Shu buried her head in the man’s arms, crying silently.

The man gently patted her on the back tirelessly, “Don’t worry, no matter what, you still have me, and our children, we will always accompany you.”

This sentence did make Rong Shu calm down a little and close her eyes in the man’s arms.

She was not in good health, plus the pregnant woman was also sleepy, and after being quiet for a while, she smelled the mint fragrance on the man’s body and fell asleep.

Fu Jingting waited for a while, felt that there was no movement in his arms, looked down, found that she was asleep this time, laughed lowly, and then put the co-pilot’s seat flat so that she could sleep well.

After doing this, he took off his coat and gently draped it over her, only then started the car and returned to the First Hospital.

Watching Fu Jingting come back with Rong Shu in his arms, Lin Tianchen frowned, "What's wrong with her?"

"Tired of crying, asleep." Fu Jingting gently placed Rong Shu on the hospital bed and looked back.

Lin Tianchen pushed his glasses in displeasure, "Her current bad body, you actually made her cry?"

"How else?" Fu Jingting covered Rong Shu with a quilt, straightened up and glanced at Lin Tianchen faintly, "Don't forget who she is going to see today, how much Gu Yaotian and his wife love their only daughter is well known, do you think small." When Ye Zi went there, wouldn't he be moved by Gu Yaotian and his wife and cry?

A trace of confusion appeared in Lin Tianchen's eyes, "Sorry, I don't understand what you said about parental affection, but I only know that she can't cry often, which is not good for the body and the fetus."

"I know, it's just a special case today, I'll pay attention to it in the future." Fu Jingting sat down on the edge of the bed and looked at Rong Shu's pale eyes, his eyebrows full of tenderness.

At this time, his mobile phone dinged, and news came.

Fu Jingting took a look at the message sent by Gu Yaotian, asking if they had arrived safely.

Fu Jingting didn't want to go back, but remembering Gu Yaotian's love for Rong Shu, he finally patiently and returned with a hmm.

Even though he was very indifferent, Gu Yaotian, who saw the response, was still very happy, and his hands trembled and typed to take good care of Shushu.

"I don't need you to remind me, I will too." Fu Jingting typed with one hand, and after replying with such a sentence, he put the phone away.

Lin Tianchen witnessed it in full, "Gu Yaotian really took out the posture of his father now."

“He loves Xiaoye, it’s not surprising that he would remind me like this, are you okay?” Fu Jingting looked at him indifferently and asked.

Lin Tianchen pushed his glasses, “The time for your heart re-examination has arrived, I came to remind you.”

Fu Jingting frowned slightly, only then remembered that it was indeed an appointment today, and lightly said with thin lips, “Let’s go.”

Lin Tianchen didn’t say anything more, turned around and walked outside the door of the ward.

Fu Jingting looked at Mother Feng, “Take good care of her, I’ll be back in a while.”

“Don’t worry, Young Master.” Mother Feng smiled and nodded, “I will take care of the young lady.”

Fu Jingting snorted and also left the ward.

Time passed quickly, and in the blink of an eye it was already evening.

Fu Jingting was sitting on the edge of the hospital bed reading a book and heard movement from the hospital bed.

He quickly put down the book in his hand and looked over, just in time to see the scene where Rong Shu opened his eyes.

“Wake up.” Fu Jingting asked in a gentle voice.

Rong Shu looked at him and smiled slightly, “Well, wake up, how long have I slept?”

She rubbed her temples and sat up with the man’s help.

The man stuffed a soft pillow behind her so that she could lean on it with peace of mind, and then brought her another glass of water, “Five hours.”

“Five hours?” Rong Shu drank the water, hearing this, the whole person was stunned for a moment, “I slept for so long?”

She remembered that she should have fallen asleep at three o’clock in the afternoon, slept for five hours, so isn’t it eight o’clock now?

It’s getting dark.

Rong Shu held the water cup and quickly looked towards the window, sure enough, it was dark outside, neon lights flashing, obviously it was night.

Fu Jingting chuckled, "You are pregnant, it is normal to sleep for so long, and if you can sleep for a long time, we will be more at ease." These

are all said by the doctor and Mother Feng.

During pregnancy, pregnant women have poor energy and are prone to drowsiness.

However, many times, pregnant women are sleepy, and they may not be able to sleep and sleep peacefully, which is not good health.

And Rong Shu can sleep and sleep peacefully, which shows that her body is not so weak for the time being.

Rong Shu handed the water cup to the man.

The man took it and put it aside, "I'm hungry, I'll let Mother Feng get you something to eat, what do you want to eat?"

Rong Shu shook her head, "I don't know, you let Mother Feng watch it."

"Good." Fu Jingting touched her hair, got up and walked towards the kitchen.

Rong Shu took the mobile phone and opened it to check if anyone had contacted him while he was asleep.

At a glance, there are really many, and there are quite a few, all of them are concerned and condolences sent by close people, especially Mrs. Lu and Lu Qi the most, they are worried that she has not come out or something.

There is also the concern of the secretarial assistants on the company's side.

Seeing this, Rong Shu's heart was warm.

When Fu Jingting came out, he saw her laughing, walked over and asked, "What are you laughing at?"

Rong Shu did not hide it, and handed him the mobile phone, "They are all worried about me, it's good to have them."

"Yes, but it's not me, it's better?" Fu Jingting took her hand and put it to his heart.

Rong Shu replied with a smile: "Yes, my husband is the best, by the way, I remember that you are not going to do a retest today, how about it?"

She looked at his chest and was worried about his situation.

The man slightly hooked his lips and replied, "Everything is fine, it's no big deal, don't worry." "That's

good." Hearing this, Rong Shu nodded reassuringly.

After that, Mama Feng came with her dinner.

As usual, it is still very light, but the color and smell are complete.

Rong Shu sniffed and felt that there was no discomfort before picking up the chopsticks and starting to eat.

Mother Feng and Fu Jingting stood by and looked at her nervously, and when they saw that she didn't vomit until she swallowed, they both breathed a sigh of relief.

Seeing this, Rong Shu was also amused in her heart.

As for?

But seeing the two people caring so much about herself, she felt that she was already the happiest person in the world.

But why, she would think of Gu Yaotian and his wife at this time?

When they ate with Gu Yaotian and his wife during the day, they were also like this, looking at her nervously and with concern, and after seeing her swallow, they didn't have any discomfort reaction, and then they were relieved.

Their appearance is the same as Fu Jingting and Feng Ma now.

Seeing that Rong Shu suddenly lost her mind, Fu Jingting probably knew what she was thinking, pulled out a tissue, and gently wiped the corner of her mouth, "Li Zhaodi is still locked up by me, do you want to meet her?" Li

Zhaodi has already said everything he should say, so now that Rong Shu wants to see her, he will not worry about what harm Li Zhaodi will cause to Rong Shu.

What's more, Li Zhaodi is still tied.

Rong Shu didn't expect the man to suddenly mention this, the chopsticks in his hand paused, and he turned to look at the man.

"Why do you ask me if I want to see Li Zhaodi?"

She asked the man.

Fu Jingting looked at her and replied, "Because Gu Yaotian and his wife, Li Zhaodi is sandwiched between you, I think you will definitely have a lot of things you want to ask her, which is why I have always locked her up and did not dispose of her."

Rong Shu pursed her red lips and fell silent.

Indeed, as the man said, after Li Zhaodi came to her and told her her identity, her life suddenly changed.

But I have to admit that the man is right, she does have a lot to say to Li

Chapter 1438 – Gu Manyin is a stand-in

Because she didn't expect that Rong Shu was so difficult to deal with, but it didn't matter, Rong Shu's woman was too soft-hearted and pretended to be kind, and she could drive Rong Shu out sooner or later.

But before she could plan everything, she accidentally saw Rong Shu exchanging letters with someone.

She had an idea at that time, so she peeked at the letters to see if she could start with the letters and suppress Rong Shu.

What she didn't expect was that the person who corresponded with Rong Shu was actually the next generation heir of the Fu family, Fu Jingting!

She had never befriended Fu Jingting, she wanted to come, but there was no chance, so even if she wanted to marry that man, she could only give up, after all, the family lineage was too far apart.

But for some of Fu Jingting's many things, she still knows, because Fu Jingting used to be this university, their senior, and she once saw Fu Jingting's papers left in school, so she could recognize at a glance that it was Fu Jingting who corresponded with Rong Shu.

She never expected that Rong Shu, who was not as good as her family lineage, could actually befriend Fu Jingting, and from the letters Fu Jingting wrote to Rong Shu, she could see Fu Jingting's love for Rong Shu.

A man as tall as Fu Jingting actually fell in love with Rong Shu and fell in love with the woman who could not compare to her.

How could this be acceptable to her?

All along, she has listened to her father say that the Rong family is their enemy, so she has also regarded everyone in the Rong family as enemies since she was a child, and when her father is against Rong Hao, she is against Rong Shu.

She has always felt that Rong Shu is not comparable to her anywhere, so she has always been high in front of Rong Shu, but now, Rong Shu not only knows Fu Jingting, who she is not qualified to befriend, but also has Fu Jingting's heart.

Then if in the future, Rong Shu marries into the Fu family, won't she always have to be trampled on the soles of Rong Shu's feet?

This kind of thing, just thinking about it, she feels intolerable.

She had to find a way to ruin it all.

So, she worked hard to look through Rong Shu's letters, and finally found the most important point from the details of the letters, that is, Rong Shu and Fu Jingting did not know each other's true identities.

She didn't know why they didn't know, why didn't they investigate each other, but so what, I don't know well, gave her a chance.

So, she deliberately pretended to be Rong Shu to meet with Fu Jingting and told Fu Jingting that she was Maple Leaf, and Fu Jingting believed it at first.

But not long after, Fu Jingting gradually realized that there was something wrong with her, she was not Maple Leaf, and he wanted to debunk her in person and find the real Maple Leaf.

How could she allow that if Fu Jingting found Rong Shu, then Rong Shu would still weigh on her for the rest of her life, and she would also be ridiculed by the world for impersonating Rong Shu.

This is a double blow for her, so she must stop all this, and absolutely cannot let Fu Jingting go to Rong Shu.

At that time, she remembered her boyfriend who was still dating, and heard his boyfriend say that he had a brother who was hypnotized, so she begged her boyfriend bitterly to let him find his brother to help hypnotize Fu Jingting.

At that time, she did not dare to tell her boyfriend that she wanted to break up with him and be with Fu Jingting, and did not want her boyfriend to know that she had never loved him and was with him, just because of his face, bringing out a lot of face, making her very vain.

However, her boyfriend rejected her offer to let him find his brother, saying that he was unwilling to go to his brother, saying that his brother was different from ordinary people, and that hypnosis was not good.

She was so angry that she couldn't help it.

At that time, Fu Jingting suddenly went to the hospital, and after she inquired, she learned that Fu Jingting actually had a heart attack, and he had heart failure and would be gone at any time.

How does this work!

She finally had the opportunity to marry into the Fu family, how could Fu Jingting die, he died, who did she marry?

But to save Fu Jingting is not so easy at all, you must find a suitable heart, and she inquired from the doctor, Fu Jingting's blood type is very special, so the heart is extremely difficult to find, the Fu family is so powerful, looking for twenty years have not found a heart, she is far less than the Fu family's Gu family, how can she have that kind of ability.

I thought that all this was really going to come to naught, but unexpectedly, she saw her boyfriend's physical examination report, and the blood type on it was exactly the same as Fu Jingting.

At that moment, her whole body was excited, if the blood type is the same, then the possibility of matching is very high.

So she took advantage of her boyfriend's fall asleep, secretly took a little of his blood, took it for matching, and found that it was really matched.

She was extremely happy, feeling that she could finally marry into the Fu family, and she was still marrying into the Fu family as a lifesaver.

After that, she began to plan how to get her boyfriend's heart, and after planning for a long time, she decided to use a car accident to trick his boyfriend out.

In the end, the car accident was successful, and the boyfriend was indeed seriously injured and sent to the hospital, where the doctor told him that he could not be saved.

She offered to see her boyfriend for the last time, crying for her boyfriend to donate his heart, she fell in love with another man, and his boyfriend agreed, not only that, but she also persuaded his brother to let his brother help Fu Jingting hypnotize.

After that, Fu Jingting completely thought that she was Maple Leaf, and then it was logical to be with her in the end.

I thought that everything would develop so perfectly, but who knows, she actually had a car accident and became a vegetative person when looking for Rong Shu.

And during her period of becoming a vegetative person, Rong Shu actually married Fu Jingting.

When she woke up, it was a thunderbolt to hear the news, and she couldn't believe it was true.

Rong Shu and Fu Jingting are married, so did Fu Jingting fall in love with Rong Shu again, and did Rong Shu and Fu Jingting know each other that the other party was the real pen pal?

If she learned, would she still be alive?

Fortunately, all these worries did not last long, she knew that Rong Shu and Fu Jingting did not know that the other party was her pen pal, moreover, Fu Jingting's hypnotic effect still existed, and in the past six years, Rong Shu was extremely cold, and she did not realize that Rong Shu was his real lover, which was undoubtedly great news for her, and she still had a chance.

Sure enough, she proposed to Fu Jingting to let Fu Jingting divorce Rong Shu, and Fu Jingting agreed, but without waiting for Fu Jingting to take the initiative to talk to Rong Shu, Rong Shu actually filed for divorce herself.

Fortunately, Rong Shu herself knows how to get out, and she also saves her effort.

It's just that Rong Shu's existence is still her heart disease, and Rong Shu is alive, which means that all she did will be exposed sooner or later, so she must Rong Shu die.

But unexpectedly, even if Fu Jingting couldn't recognize Rong Shu, even if he didn't know that he loved Rong Shu, every time he saw Rong Shu in danger, he would go to save Rong Shu, and finally for Rong Shu, even the engagement with her was canceled, and finally he directly lifted hypnosis and sent her to prison and mental hospital.

She has been thinking many times, is the fate of these two people really predestined, and can it really not be separated no matter what?

Facts have proved that the fate of these two people is indeed destined, and they really can't be separated, not only can't be separated, but they are also back together and married.

That's all, now what makes her feel ridiculous is that Rong Shu is actually the biological daughter of her parents!

Ridiculous, really ridiculous.

She actually served as a stand-in for Rong Shu for more than twenty years!

Chapter 1439 – Start with Gu Manyin

Proud as Gu Manyin, where can he accept this kind of thing.

In her heart, she has always been high, and no woman can match her.

They didn't deserve to carry her shoes.

And now, everything she has has been snatched away by Rong Shu, men, family, parents, these have all become Rong Shu's, even herself, have become Rong Shu's stand-in.

She had never hated a person so much, and she swore that if she didn't smash the corpses of Rong Shu and Gu Yaotian into ten thousand pieces, she wouldn't call Gu Manyin.

Cracking sound.

Gu Manqing smashed everything that could be smashed in the room.

Su Cheng's hand passing by outside the door just heard the sound and stopped, his face extremely gloomy.

Assistant Li whispered, "Boss, she is so arrogant that she dares to smash your things."

Yes, after Su Man followed Su Cheng, everything he spent was given by Su Cheng.

Isn't Gu Manyin smashing something in Su City when he does this.

Su Cheng's old eyes narrowed dangerously, "Can you find out why she is angry?"

"I found it, it's related to Gu Yaotian and his wife." Assistant Li nodded.

Su Cheng raised his eyelids, "Oh? Is it related to Gu Yaotian and his wife?"

"Yes." Assistant Li continued to reply, "Gu Yaotian and his wife have found their real biological daughter, and that person is still Rong Shu, Gu Manyin can't stand it, that's why it's like this."

“What? Gu Yaotian and his wife’s biological daughter is Rong Shu? This incident made Su Cheng stunned.

Assistant Li pushed his glasses, “Yes, it’s true, the daughter of Gu Yaotian and his wife is indeed Rong Shu, not that Li Zhaodi, that Li Zhaodi is Rong Shu and Cheng Huai united to find the internal response, originally wanted Li Zhaodi to pretend to be Gu Manqing to go to Gu’s house to help collect evidence of Gu Yaotian’s crime, but I didn’t expect that Li Zhaodi’s woman couldn’t bear the heavenly wealth, so she wanted to become the real Gu Manqing, and then Li Zhaodi found that Rong Shu was the real Gu Manqing, Together with Fu Jingting, he confirmed Gu Manqing’s identity.

“Fu Jingting?” Su Cheng came interested, “In other words, Fu Jingting helped that Li Zhaodi concealed Rong Shu, right?”

“Yes.” Assistant Li bowed, “Because Fu Jingting felt that if Rong Shu knew about this matter, I am afraid that he would not be able to accept it, because he agreed to help Li Zhaodi hide Rong Shu’s true identity, that is, Gu Yaotian and his wife did not suspect Li Zhaodi’s identity.”

Su Cheng snorted, “Then he really loves that woman Rong Shu.”

“Yes, it’s a pity that we couldn’t be too sure of this before, so that we missed the opportunity to use Rong Shu’s woman to deal with Fu Jingting, and now Rong Shu’s woman is pregnant and recuperating in the hospital, and the hospital is guarded by Fu Jingting’s people, and we can’t contact Rong Shu.” Assistant Li sighed with some regret.

Su Cheng rubbed the dragon head on the crutch, “Then now does Rong Shu know his identity?”

If they don’t know, they can start with this.

However, Assistant Li’s next words made him a little regretful, “I know, two days ago, Gu Yaotian was seriously ill and went to the hospital, Li Zhaodi wanted to save him, so he went to find Rong Shu, and then said Rong Shu’s identity, although I don’t know how Rong Shu is now, but I think Rong Shu’s situation at that time should not be very good.”

Their people couldn’t enter where Rong Shu was, so they could only monitor Gu Yaotian and them.

These were all speculated by them based on the situation on Gu Yaotian’s side.

However, the conjecture is certainly the same reality.

Who let Gu Manyin that woman actually care about Gu Yaotian and his wife.

Of course, this care does not mean having feelings for Gu Yaotian and his wife, but hating Gu Yaotian and his wife to the bone.

Gu Manyin, that woman was narrow-minded, and she couldn't see that her relatives who were good to her in the past were now good to her other daughter, so she planted eyeliner next to Gu Yaotian and his wife early in the morning, wondering if Gu Yaotian and his wife treated Li Zhaodi better than they did to her in the past.

If not, then it's good to say, maybe Gu Manyin's woman will let Gu Yaotian and his wife go.

But if Gu Yaotian and his wife treated Li Zhaodi better than her, then she would dispose of Gu Yaotian and his wife together.

Who let Gu Yaotian and his wife betray her?

All in all, the current Gu Manyin is such a psychology.

But what he didn't expect was that the people Gu Manyin sent to monitor Gu Yaotian and his wife also heard such a big secret.

Li Zhaodi is not her biological daughter, Rong Shu is.

No wonder Gu Manyin was angry like this, after all, Rong Shu was the person that Gu Manyin hated the most.

Now the person who hates the most has become the biological daughter of his parents in the past, who can stand this.

"That's it, since Rong Shu knows his identity, then if you want to start from this point, it's not okay, let's start with Gu Manyin, this woman." Su Cheng turned his head to look at the door in front of him, his eyes full of cruelty and viciousness.

Assistant Li's eyes flashed with a hint of essence, "Boss, what do you mean?"

"This woman, eating me, using mine, and smashing my things, does she think she doesn't have to pay anything?" Su Cheng sneered, "How is it possible, under this day, there is no lunch for nothing, she should also add bricks and bricks for me, doesn't she hate Rong Shu and the Gu family very much, you let her send people to monitor the Gu family, often make up some lies about the harmony of the family of three to stimulate her, as long as she is stimulated, she will definitely do something, maybe at that time, we can take advantage of the chaos to find an opportunity to attack Fu Jingting."

Su Cheng squinted his eyes and said sadly.

Assistant Li's eyes lit up, "Boss, what you said is, I will arrange it now."

“Well, go ahead.” Sioux City

#### Chapter 1440 – Mrs. Gu’s Soup

“Not seen?” Rong Shu was stunned.

Mother Feng nodded, “Yes, young lady, you have seen them before, they must be very good to you, so that you are more complicated with them in your heart, and you don’t know how to face them, since that’s the case, then calm each other first, don’t meet first, just the young lady you can think about what to do after that.”

Rong Shu bit her lip.

After a while, he agreed to Mama Feng’s proposal.

Because Mother Feng was right, after seeing Gu Yaotian and his wife once, the hatred for them in her heart dissipated a lot.

But this is clearly not possible.

If it completely dissipated, then she would really be sorry for the Rong family, so she should indeed avoid meeting them at this time.

“Mother Feng, then it will trouble you.” Rong Shu looked at Mama Feng.

Mother Feng nodded, “What is this, that young lady, you rest, I’ll send her.” “Good.” Rong Shu snorted.

Mother Feng went out.

On the first floor of the inpatient building, Mrs. Gu walked around the hall on the first floor with a thermal bucket, and she was anxious.

Can she not be anxious, she came here to see her daughter, but her daughter hates them, who knows if her daughter will agree to see them.

Mrs. Gu walked around, glancing in the direction of the elevator from time to time.

After watching it many times, she did not see the elevator door open, which made her both disappointed and helpless.

I don't know if my daughter will see her.

Mrs. Gu sighed.

In the next second, the sound of the elevator doors opening came.

Mrs. Gu quickly looked up, and Mother Feng walked out.

Mrs. Gu didn't know her, so after taking a look at Mother Feng, she withdrew her gaze, her eyes full of loss.

Not a daughter.

It seems that my daughter will not see her anymore.

The corner of Mrs. Gu's mouth hooked a bitter smile, and then she saw an additional figure in front of her, it was the old lady she saw just now.

"Mrs. Gu." Mother Feng stood in front of Mrs. Gu and shouted.

Mrs. Gu looked at Mother Feng puzzled, "You are?"

"I'm taking care of Mrs. Da Shao." Mother Feng replied.

Mrs. Gu didn't react at first to who this young lady was, but soon thought that Fu Jingting was the eldest of the third generation of the Fu family, and the servants of the Fu family called him the young lady.

And now, Rong Shu and Fu Jingting are married again, so it is self-evident who this old lady is in the mouth of the young lady.

Knowing that Mother Feng was Rong Shu's person, Mrs. Gu suddenly became excited, "Hello, did Shu Shu let you come?" Mrs

. Gu hurriedly asked, her eyes full of joy and expectation.

Mother Feng also met Mrs. Gu for the first time, and although she knew from the mouths of Fu Jingting and others that Mrs. Gu loved her daughter very much, she had never seen it.

Now that I saw it with my own eyes, I knew that what Fu Jingting and others said was true.

This woman really loves her daughter, and her eyes are full of feelings for the young lady.

It's really a trick by God, if it weren't for the grudge of the Rong Gu family, maybe the young lady would really be happier than in the Rong family under the upbringing of Gu Yaotian and his wife.

After all, Rong Hao still married his stepmother later.

And I heard that the daughter born to the stepmother and stepmother is not very good for the young lady.

That's why she sighed that God was teasing her.

"It's me." Mama Feng's attitude towards Mrs. Gu was a little better.

Putting aside the hatred and grudge of the two families, just based on Mrs. Gu's feelings for Rong Shu, she has a good impression of Mrs. Gu, after all, Mrs. Gu is really true to Mrs. Da Shao.

"Hello, hello," Mrs. Gu hurriedly greeted, and then asked expectantly, "Did that Shushu ask you to take me up?" Is she going to see me?

Looking at Mrs. Gu's excited and happy look, Mother Feng sighed, and then shook her head, "No, Mrs. Da Shao asked me to call you back, she doesn't want to see you for the time being." "What

?" Hearing that Rong Shu refused to meet, the happiness and joy on Mrs. Gu's face suddenly froze, and her face turned a little whiter.

Although she was mentally prepared and guessed that her daughter might not see her before she came, there was still a half chance of meeting.

Moreover, she was willing to think about the half chance of seeing her.

But who knows, the final choice is the missing part.

Rao is that she has prepared in her heart, and she can't help but feel a little disappointed and sad at this time.

"Shushu, why don't you want to see me?" Mrs. Gu asked busily.

Obviously, their mother and daughter still had dinner together yesterday.

Mama Feng replied lightly, "It's normal that Mrs. Da Young doesn't want to see you, after all, there are too many mixed between you, Madame Da Young is not so easy to accept you, if she accepts you easily, then who will she become?"

This sentence made Mrs. Gu completely speechless.

Yes, her daughter was raised by Rong Hao.

In my heart, I have always thought that I am the daughter of the Rong family, and if my daughter is so easy to recognize them, then my daughter's conscience will not be able to live.

"I see." Mrs. Gu smiled bitterly and lowered her head.

Then she thought of something, she handed the insulation bucket in her hand to Mother Feng, "Then this, can you help me bring it?" I know that she is not pregnant well, when I was pregnant with her before, the pregnancy was not good, this soup was specially configured by a health master, which is very good for pregnant women with bad pregnancy, so I specially boiled some for her and wanted her to try it.

Since she can't see her daughter, she also hopes that her daughter will drink this soup.

This is what she, a mother, cares about her daughter.

Mother Feng looked down at the insulation bucket in front of her, and then looked at Mrs. Gu's begging eyes, and finally relented, and took the insulation bucket, "Okay, I will help you bring it, but I don't know if Mrs. Da Young Lady drinks it or not."
