Chapter 17 Banquet

At the same time, the Fu Mansion.

Fu Jingting stared at the hot search that was arched up, frowning tightly.

Assistant Zhang stood beside him tremblingly, "Sir, I didn't do this. Someone must have spread it on purpose. Do I need someone to suppress the hot search?"

"No need." Emotions "This should be done by the family."

Assistant Zhang understood.

The Gu family deliberately exposed the video to suppress Rong Shu. If the husband helped to suppress it, the Gu family would not be happy. The husband did not want to offend the future old husband because of Rong Shu.

"Then this matter..."

"Don't worry about it." Fu Jingting turned off the phone, raised his head and asked, "Has the blue heart arrived?"

Assistant Zhang nodded, "It arrived yesterday, according to your instructions, engraved with Miss Gu's letter. English name."

"Well, you can go out."

Fu Jingting lowered his head and pressed his temple, looking past the red divorce certificate in the trash can, his head hurt even more.

...

Sansheng Group has a very good reputation in the sea market, and the Gu family invited some high-class people to hold a banquet for their daughter. Naturally, those opportunities to climb the dragon and attach the phoenix and have a safe and beautiful appearance are indispensable.

Gu Yaotian and his wife were walking in the crowd, smiling.

He is an elegant middle-aged man with a beard on his chin, and his wife's face is cold and airy, a typical lady's wife.

The piano sounded slowly.

Everyone looked at Gu Manyin, who was dressed in a green dress, fresh and refined, sitting at the piano and playing gracefully and calmly, like a gleaming body, attracting everyone's attention.

After the song was over, Fu Jingting walked over from the crowd and held Gu Manyin's hand, saying that she was a golden boy and a jade girl.

Gu Yaotian smiled, "Write more about attending the Gu family's banquet during your busy schedule. In addition to celebrating the little girl's recovery today, there is another important announcement to announce."

He glanced at the crowd, and finally settled on Fu Jingting, "I announce that Fu Jingting, the president of the Fu Group, will be my son-in-law, Gu Yaotian."

As soon as these words came out, there was a bang.

As everyone knows, the news of President Fu's divorce has been buzzing, and now he has become the son-in-law of the Gu family, which reminds me of the video that was hotly searched yesterday.

People can't help but sigh.

On the importance of the right match.

Fu Jingting has a handsome appearance and a high bearing. He is a perfect match for Gu Manyin, who is also gentle and beautiful, like a handsome man.

He took out a golden brocade box, opened it, and knelt in front of Gu Manyin on one knee.

The meaning of marriage proposal is self-evident.

Gu Manyin's face was full of surprise, and she covered her mouth in disbelief.

At this moment, the man said, "Gu Manyin, you..."

Suddenly, an inappropriate laughter interrupted Fu Jingting.

"I'm sorry everyone, I'm late."

This voice...

Fu Jingting's eyes were complicated for a moment, and he turned his head to look over.

The charming and enchanting Rong Shu appeared slowly, followed by Lu Qi and Li Chuan.

People were surprised when they saw her.

Who is present, who doesn't know that she is Fu Jingting's ex-wife?

She appeared at this juncture...

Seeing that her son's good things were planned, Wang Shuqin suddenly jumped out and pointed at Rong Shu, angrily said, "Who let you in? Get out!

Lu Qi put his arms around his chest" Let's attend Miss Gu's banquet. "

You..."

Gu Yaotian stopped Wang Shuqin, who was still talking, and stared at Rong Shu.

He is an old fritters, naturally he will not be impulsive, and the ridiculousness is obviously much lighter. "Although I have not sent an invitation to you, the visitor is a guest, and the family welcomes it."

"She caused my daughter to have a car accident. People?"

When Mrs. Gu saw Rong Shu's first glance, she always felt that this person felt strange to her, and she couldn't say that it was strange.

Immediately, she thought that this person almost killed Gu Manyin.

Mrs. Gu's face was completely cold, and she was not polite at all, "Miss Rong, I haven't settled the account with you six years ago, how dare you appear in my house?"

Chapter 18

All around were watching the show, but Rong Shu turned a blind eye.

She just glanced at Fu Jingting who was kneeling on one knee with a half-smile, then looked at Mrs. Gu, and said lazily, "First of all, I'm sorry I didn't invite you, and secondly, who is the video on the hot search? It must be true? If you want to tell me that it was six years ago, I am really wronged." At the

end, her eyes fell on Gu Manyin.

Gu Manyin's face turned pale, and she quickly hid behind Fu Jingting.

Seeing this scene, everyone blamed Rong Shu. "This woman is so courageous . She

bumped into someone six years ago and still has the face to attend the banquet? " Rong Shu said nonsense, "What a girl with sharp teeth and sharp mouth, since you said

you were wronged, then go and explain to the police.” When Mrs. Gu was about to call, she was stopped by Fu Jingting. The man who had been silent for a long time finally said, “Rong Shu, this is not where you should be.” Threatening her? Rong Shu was still laughing, raising her eyebrows, somewhat sarcastically, “Then where should I go? Mr. Fu, after all, I have been married to you for six years. Although you are not very good to me, I admit that I have never done it. I’m sorry about you, you posted a fake video on the Internet to slander me, don’t you want to give me a way to live?” Fu Jingting’s eyelids jumped, and the palm of his hand tightened slightly as he held the brocade box. Assistant Zhang was about to explain to the boss, but was stopped by Fu Jingting. He looked at her deeply, “Gu Manyin won’t pursue it, you don’t have to.” Rong Shu seemed to have heard the biggest joke, “Are you kidding me?” She glanced at all of them and sat down unhurriedly. Going to the chair, “Li Chuan, take a look at the gift I gave to Miss Gu.”

So, under everyone’s astonished gaze, Li Chuan put the video on the projector onto the wall screen.

Everyone saw a different scene from the hot search.

Gu Yaotian opened his mouth at this moment, his eyes were gloomy and gloomy, “Miss Rong, how can you prove this is true? Now that technology is advanced, anything can be faked.”

Rong Shu would have expected him to say this.

She glanced at Li Chuan.

The latter made a phone call, and soon, a person got out of the car at the door.

Most of the people who came out were acquainted with him, and he was a well-known computer technologist in the city.

His words are more reliable than anyone else’s.

“I can prove that Miss Rong’s video is genuine, and the video circulating on the Internet has been edited by someone.”

As soon as these words came out, everyone’s expressions changed, especially Fu Jingting, whose expression was simply wonderful.

He sullenly said, “Rong Shu, have you had enough trouble?”

Lu Qi put his arms around his chest and sneered, “I said Fu Jingting, you are really pitiful. You were deceived by others as a fool! Let’s not talk about the video, the car accident that year. , as long as you serve the dim sum, go to the original investigators to investigate, won’t you understand the truth?”

Fu Jingting's face was extremely cold, and a pair of black eyes with no temperature fell on Gu Manyin, hiding an unknown turbulence. ,very dangerous.

Gu Manyin panicked.

I didn't expect Rong Shu to come up with evidence!

She shook her head, with fear in her eyes, "I...I didn't lie to you, Jing Ting...I didn't...you listen to me..."

The explanation at the moment was too pale.

The facts were put in front of her eyes, and it was useless for her to say anything!

Seeing this scene, Lu Qi didn't mention his anger, and said with a smile, "Fu Jingting, there is one more thing you probably don't understand. In the past few years when Gu Manyin was in a coma, my baby has been going to the hospital to give her blood. She deliberately bumped into Gu Manyin, why does she keep donating blood? She is for you, it's ridiculous that you, a man who thinks he is very shrewd, are so blind!"
