### Chapter 171 Slapped

Gu Yaotian didn't answer, and asked in a gloomy tone, "Where is Gu Manyin?"

"Manyin is in the room." Madam Gu replied.

Gu Yaotian narrowed his eyes and walked upstairs.

Madam Gu saw him so angry, her heart skipped a beat.

Could it be that Manyin did something to offend him?

Thinking about it, Madam Gu also quickly stood up and followed.

Gu Yaotian came to Gu Manyin's room, raised his hand and knocked on the door vigorously.

The next second, the door opened, and Gu Manyin appeared behind the door wearing a nightdress with obvious pajamas on her face, "Dad, what's wrong?"

Gu Yaotian felt even more angry when he saw her like this.

He was pissed off at the meeting, but she was fine and slept soundly at home.

The more he thought about it, the more angry Gu Yaotian finally couldn't hold back, he raised his hand and slapped him.

Clap!

Gu Manyin was knocked to the ground, and she was stunned.

Mrs. Gu, who rushed over, even screamed, and hurried up to hug her, "Manyin."

Gu Manyin covered her face and looked up at Gu Yaotian, whose face was darkened in disbelief.

The same goes for Mrs. Gu. In addition to being shocked, there is also anger, "Gu Yaotian, you are crazy, what are you doing to beat your daughter?"

"Why did I beat her, ask her what she did?" Gu Yaotian pointed at Gu Man with trembling fingers sound.

With Madam Gu's help, Gu Manyin stood up and said tearfully, "Dad, what the hell did I do, tell me."

“Yes, tell me.” Madam Gu touched her daughter’s face, tears of distress. They all came out, “Manyin, does it hurt?”

There were several finger prints on such a white and tender face.

It can be seen that the slap just now, Yaotian hit hard.

“It hurts.” Gu Manyin bit her lip, and tears also flowed out.

“It hurts!” Gu Yaotian said coldly, “Tell me, I can win the cooperation seat, I thought you persuaded Jing Ting to open the back door for me, but I didn’t expect that you changed someone else’s plan. .”

Hearing this, Gu Manyin’s eyes flashed with a guilty conscience.

Madam Gu was also stunned. But soon, Mrs. Gu didn’t feel anything, “If you change it, you will change it. It’s not a big deal. Is it necessary

to beat the child?”

Be careful, take Assistant Zhang away, and leave him alone in the monitored reception room, doesn’t it make it clear that you are sending the evidence to someone else.” Gu Yaotian looked at Gu Manyin indifferently.

Gu Manyin’s body froze for a moment, “I... I didn’t know there was surveillance there.”

“Hmph, I don’t know now, it’s too late, do you know how much I was when the girl Rong Shu pointed out that the plan was not mine. Shame, there are more than 20 bosses there, how can I hang out in the mall after you let me!” Gu Yaotian said.

Gu Manyin lowered her head and did not dare to say a word.

Mrs. Gu patted her and said goodbye, “Yaotian, it’s not that serious.”

“Why not, I’ve lost my face this time. Everyone knows that I have a daughter who has been replaced by someone else’s plan and whose hands and feet are not clean. Do you know the joke of the sea market?”

Gu Yaotian pointed at Madam Gu again, “And yourself, believe it or not, if you go out to chat with the wives now, they will all look at you with ridicule.”

Madam Gu heard that, Immediately he became nervous, “No... no?”

“Why not?” Gu Yaotian sneered.

Madam Gu believed it, and looked at Gu Manyin with complicated eyes.

Gu Manyin noticed that Mrs. Gu was beginning to blame herself, she gritted her teeth, and immediately cried, "But I'm also for you, Dad, I don't want you to get a co-op seat."

When Mrs. Gu heard this, the blame in her heart dissipated immediately, and she nodded, "Yeah Yaotian, Manyin also does bad things with good intentions."

Gu Yaotian sarcastically said, "It's because you are always accustomed to her. She has developed this temperament, even if she is poisonous, she is still stupid, she does not do things cleanly, and still leaves traces of evidence, believe it or not, sooner or later, our family will be implicated by her."

Gu Manyin's eyes widened, "Dad ?"

She couldn't believe that her father looked at her like that and said she was poisonous and stupid.

For a while, Gu Manyin felt a strong hatred in her heart, and her eyes were scarlet.

In order not to let Gu Yaotian find out, she hurriedly lowered her head, giving people a very aggrieved and sad look.

Gu Yaotian's head hurt a little, probably because he was angry.

He rubbed his temples, "In the past two days, you can stay at home for me to reflect."

After speaking, he turned around and went out, preparing to go downstairs to take some medicine for the headache.

After Gu Yaotian left, Mrs. Gu immediately comforted, "Manyin, your father was angry just now, and all he said was angry, don't take it to heart."

Gu Manyin nodded and hummed, "Mom, I want to be quiet, go out."

"Okay." Mrs. Gu sighed and agreed.

She came downstairs and saw Gu Yaotian sitting on the sofa, taking medicine with his head raised. She originally wanted to complain about him, but seeing this scene, she couldn't complain anymore.

Mrs. Gu walked over and sat down, "Yaotian, Manyin knows she's wrong, so you can forgive her this time."

Gu Yaotian sighed, "I'm afraid, there will be a second and third time, it really isn't a kiss..."

“Yao God!” As if stimulated by something, Madam Gu immediately interrupted him with a loud voice, “Never say such things.”

Gu Yaotian snorted, “Okay, I won’t say it, in short, I also understand, Manyin is smart, but it’s all a little clever, and things are never perfect, and things will go wrong sooner or later, and I’m not worried about the future. Give Sansheng to her, but fortunately, we still have romance.”

Referring to the eldest daughter, Mrs. Gu wiped her tears, “It’s been almost two days, why hasn’t the romance come to us, Yaotian, I am I feel more and more that Manyin suspected that we didn’t want her in the first place, that’s why we didn’t come, Yaotian, let’s take the initiative to find Manqing and let Manqing know that we have not given up on her.”

Gu Yaotian nodded, “Okay, I will arrange it. The assistant posted a message online, take a photo of your necklace for me.”

“Hey!” Mrs. Gu hurriedly agreed with a tearful smile.

At the railing on the second floor, when Gu Manyin heard that they were about to start looking for Gu Manyin, the hand on the railing clenched tightly.

Sure enough, she knew that this sister was not a good one. Before she came back, she would rob her of the love of her parents and the inheritance of Sansheng.

So, how could she let this sister who robbed her come back!

Gu Manyin turned around, entered the room, took out her mobile phone and made a call, “Hey, it’s me, the person I asked you to find, have you found it?”

A man’s voice came from the other end of the phone, “Not yet. .”

Waste!

Gu Manyin stomped her feet.

It’s been two days, and Gu Manqing hasn’t been found yet. It’s not trash or something.

“I’m giving you two days, if you can’t find it, wait for me!” Gu Manyin threatened coldly.

Afterwards, she put down her mobile phone, changed her clothes in a hurry and went out, and drove to the Fu Group.

Now that the matter of her changing plans has come to light, on Jing Ting’s side, she must go over to appease her.

When he came to the Fu Group, Gu Manyin walked to the elevator for the president as usual.

As a result, she was stopped by the front desk before she even got there, "Miss Gu, do you have an appointment?"

Gu Manyin's eyes widened in disbelief, "An appointment? Me?"

"Yes." The front desk nodded with a smile. I was gossiping in my heart.

This Miss Gu shouldn't have broken up with the president, or why wouldn't the president let her go up?

Chapter 172 Belittling Two People

"Are you new here?" Gu Manyin looked at the front desk with a bad expression.

The front desk shook his head, "Of course not."

"If not, then why did you stop me, you don't know who I am?" Gu Manyin pointed to herself.

She is Jing Ting's fiancée, and later the chairman and wife of the president of Fu Group.

How dare this front desk stop her?

Facing Gu Manyin's questioning, the front desk was also under great pressure.

She tried her best to maintain the smile on her face, and replied apologetically, "Miss Gu, I know who you are, but I really can't let you go. This was ordered by President Fu himself."

"Jing Ting ordered?" Gu Man Yin was stunned for a moment, then clenched her palms tightly, and asked in a cold voice, "What did you order?"

"President Fu ordered that you must make an appointment when you come to Fu's in the future. If you don't have an appointment, we won't let you go. If Miss Gu doesn't believe it, you can contact President Fu in person."

After speaking, the front desk bowed slightly and walked to the special elevator to block her, preventing Gu Manyin from going up.

Seeing this, Gu Manyin's face turned red with anger.

Just wait, she will let Jing Ting fire the front desk in a while.

Gu Manyin snorted, turned around and went to the lounge area in the lobby to call Fu Jingting.

Fu Jingting was still in a meeting at the hotel, when he heard the phone ringing, he frowned, and then looked at the phone screen.

Seeing that the call was from Gu Manyin, his expression turned cold, and he hung up the phone.

Gu Manyin was stunned when she saw the mobile phone interface that jumped back to the main menu.

Jing Ting actually hung up her phone?

While angry, Gu Manyin also felt a sense of crisis in her heart.

What is he doing? Why don't you answer her phone?

Is it because she changed her plan and was angry with her, or...

Gu Manyin bit her lower lip, stopped thinking about it, and called Fu Jingting again.

In any case, she must let him pick it up.

"It's all over, let's talk about the precautions for cooperation and the rules, my side..."

Before Fu Jingting finished speaking, he was interrupted by the ringing of the mobile phone again.

He saw that Gu Manyin was still calling, his face was dark and ugly, even a trace of impatience flashed in his eyes, and he hung up the phone again.

As a result, it hung up for a few seconds, and then rang again.

A boss sitting at the bottom right of him glanced curiously, saw the 'Manyin' note on his mobile phone, and immediately smiled clearly, "President Fu, since it's your fiancée, just pick up the call, in case What's the matter?"

Rong Shu, who was at the end of the conference table and farthest from Fu Jingting, raised her eyebrows when she heard this.

It was actually Gu Manyin's phone number.

Rong Shu looked at Fu Jingting with interest.

Didn't he love Gu Manyin deeply?

Now they don't even want to answer Gu Manyin's phone call, and even get impatient with Gu Manyin's call. Could it be that something went wrong between the two of them?

Rong Shu was not the only one who had the same guess, but the other bosses were also thinking about it.

After all, everyone saw Fu Jingting's actions just now.

If there is a problem between Mr. Fu and that girl from the Gu family, then they should redefine their attitude towards the Gu family.

In the past two months, since the Gu family climbed up to President Fu, they have become arrogant. They have long been disliked by the Gu family, and naturally they wished that the Gu family would be rejected by President Fu.

"Sorry, let's suspend the meeting for a while, and I'll go out to answer a call." Fu Jingting didn't know what the people below were thinking, and stood up with the still ringing mobile phone.

He knew that with this posture, if he didn't answer, Man Yin would definitely call back.

Even if he shuts down himself, Manyin will call Assistant Zhang's phone.

"Understand, business matters are important, and family matters are also important, Mr. Fu, go quickly, don't make your fiancée wait for a long time." The bosses below said with a smile.

Fu Jingting nodded slightly and walked out of the conference room.

Assistant Zhang naturally went out with him.

After the two left, the meeting room became lively.

"Mr. Fu is a rare young talent, but unfortunately, I can't see women very well, but I actually like that girl from the Gu family. You can see how troublesome the girl from the Gu family just made the phone call. When women are together, Mr. Fu will be tired in the future."

"No, that's what happened to a little lover of mine before. I just kept calling without answering the phone. It was really annoying."

"President Rong." Suddenly, A boss looked at Rong Shu.

Rong Shu was drinking tea while listening to their gossip about Fu Jingting and Gu Manyin. It was interesting to hear, but she didn't expect someone to cue her.

“Mr. Zhang, what’s the matter?” Rong Shu put down the teacup and smiled politely at the boss who called her.

President Zhang said, “In terms of looks and abilities, you are better than that girl from the Gu family. It’s really not a blessing for President Fu to divorce you and choose that girl from the Gu family.”

Rong Shu looked at him for a few seconds and immediately understood what this person was thinking. .

This person was jealous of her, a junior, and actually passed his senior to get a cooperative seat, so he wanted to provoke her, Fu Jingting, and Gu Manyin to deepen the grievance between the three of them.

Really shameless.

Rong Shu scolded Mr. Zhang in his heart, but said with a smile on his face, “President Zhang is joking, how can Mr. Fu be called unlucky, on the contrary, he is very blessed, after all, he has found true love, and Aren’t all-powerful male gods and little confused all popular now, Mr. Fu likes Miss Gu’s kind of little confused, as for me...”

Rong Shu’s smile became stronger and stronger, “Mr. Zhang, you just said that my appearance and ability are better than Miss Gu, so I will shamelessly call myself an almighty goddess , so I should also find someone who is confused with Miss Gu. The corresponding little puppy, the puppy is young and sweet-mouthed, so my divorce from President Fu will be a good thing for me and President Fu, and President Zhang will stop talking about unfortunate things in the future.”

“Rong What I’ve always said is...” President Zhang twitched the corners of his mouth.

This woman is really thick-skinned. First of all, she belittled Mr. Fu and the girl from the Gu family, saying that Mr. Fu has a unique taste and likes trash that can’t know anything, and also said that Mr. Fu is not young and can’t coax people. She also said that the girl from the Gu family was the trash that President Fu liked and knew nothing.

After she finished speaking, she even shamelessly praised herself, which was really disappointing.

Not only Mr. Zhang felt speechless, but other bosses also felt speechless at Rong Shu’s remarks against Mr. Zhang.

At the same time, they all understand in their hearts that this girl is not easy to mess with, and if she dares to target her, she will dare to fight back.

Also, if it’s really annoying, Gu Yaotian won’t suffer in her hands.

Rong Shu looked at the people who were no longer speaking and were honest, and raised the teacup again, blocking the curvature of the corners of her mouth.

Outside the conference room, Fu Jingting answered the phone.

Before he could speak, Gu Manyin's voice came over, with grievances and complaints, "Jing Ting, why didn't you answer my call?"

"I'm in a meeting." Fu Jingting frowned and replied lightly. .

Gu Manyin bit her lip, "But you answered my phone in a meeting before, Jing Ting, are you angry with me?"

Fu Jingting lowered his eyes, covering the gloom in his eyes, "Then tell me, What are you angry about?"

"You're angry at me for changing Miss Rong's plan." Gu Manyin replied in a low voice.

Fu Jingting pursed his lips, "Looks like you know."

"Well, Dad came back and told me." Gu Manyin nodded, "So I hurriedly went to Fu Shi to find you and wanted to explain to you, but I couldn't go up, Jing Ting, you told the front desk not to let me go up. ?"

Fu Jingting didn't answer and asked, "Are you in the Fu family now?"

"Well, I'm in the hall." Gu Manyin nodded.

Fu Jingting rubbed his brows, "I see, you are waiting for me there. If you have anything to say, wait until I come back after the meeting."

After that, he hung up the phone.

Gu Manyin stomped his feet angrily.

This was the first time he took the initiative to hang up her phone!

Fu Jingting returned to the conference room.

The people in the conference room were whispering what to say, and when they saw him come in, they immediately shut up and said nothing.

Fu Jingting's eyes sank, seeing the joke in Rong Shu's eyes, and realizing that the group of people were talking about him just now, his thin lips pursed, and his voice became much deeper, "Go on."

The meeting lasted for more than an hour. It finally came to an end.

The crowd began to disperse.

Rong Shu walked last as usual.

As soon as she reached the door, she was stopped by Fu Jingting, "Wait a minute."

"Mr. Fu called me?" Rong Shu stopped.

Fu Jingting handed over a document.

Rong Shu took it in doubt, "This is..."

"This is Gu Yaotian's plan, and the one that was replaced by Manyin. I thought it was yours. It made a lot of revisions and suggestions for you. You can read it. At first glance, it will also be beneficial to your future cooperation." Fu Jingting explained lightly.

Rong Shu heard the words and opened the document in her hand, and she saw a lot of analysis and suggestions marked in red.

She looked at it for a few seconds, closed the document, and looked at the man in front of her in confusion, "Why does Mr. Fu help me do this?"

At that time, they didn't even know that the project belonged to Gu Yaotian, they thought it was hers, he Don't you think it's superfluous to modify it for her?

Because this is not necessary at all. Looking at the points marked above, everyone knows how bad this plan is, and they just throw it away. Why bother to revise it is really hard to understand.

Fu Jingting's eyelids drooped, covering the deep eyes, "I'm not helping you, I have revised and suggested everyone."

"That's it." Rong Shu nodded, she believed it without thinking too much.

Also, she was not seen by him.

Why would you give her a small stove alone.

“I see, I’ll take a good look, thank you, Mr. Fu.” Rong Shu bowed slightly to Fu Jingting.

Fu Jingting hummed, “Don’t be late for signing the contract tomorrow.”

“Yes, then I’ll leave first.” Rong Shu smiled politely and rustled his hair, then turned and went out.

Fu Jingting looked at her back, raised his hand slightly, and seemed to want to hold her.

But in the end, he gave up.

“President Fu.” At this moment, Assistant Zhang came over.

Fu Jingting put his hand back in his trouser pocket, “What’s the matter?”

“Doctor Steve has already boarded the plane.” Assistant Zhang replied.

A glimmer of light flashed in Fu Jingting’s eyes, and it was fleeting, “I see, is the psychological clinic arranged for Dr. Steve ready?”

“It’s all arranged, according to his request, after he arrives, you can go directly to the clinic.” Assistant Zhang said.

Fu Jingting raised his chin, “Let’s go, go back to Mrs. Fu.”

“Yes.” Assistant Zhang nodded.

Soon, the two returned to the Fu Group.

Walking into the hall, Gu Manyin saw them.

“Jing Ting!” Gu Manyin got up quickly, ran towards Fu Jingting, then threw himself into his arms and hugged his waist tightly.

People around him cast envious or jealous eyes.

In the past, Fu Jingting would naturally not care about these gazes and let them watch.

But now, he doesn’t know the reason, he just doesn’t want these people to gossip about him and Manyin.

“Okay Manyin, stand up first.” Fu Jingting frowned slightly and pulled Gu Manyin out of his arms.

After Gu Manyin stood up, he looked at him with red eyes, “Jing Ting, I…”

“Go to the office.” After Fu Jingting said this, he walked towards the elevator.

Seeing that he didn't wait for her, Gu Manyin squeezed her palm, and then quickly followed.

The office has arrived.

As soon as Gu Manyin entered, she continued to say what she had not finished, “Jing Ting, I know you are still angry with me, but Jing Ting, I really don't know that I did the plan to change Miss Rong, I completely I don't have the slightest impression, when my father told me, I was completely stunned.”

Fu Jingting turned around, “You don't know?”

“Yes, I really don't know, I think it may be my second personality. Yes.” Gu Manyin lowered her head.

Fu Jingting looked at her with scrutiny, “Your second personality only appears when you are stimulated. You were the only one in the reception room at that time. Tell me Manyin, how did you get stimulated?”

“I am not entertaining . The room was stimulated, I... When I came to deliver the project, I saw Miss Rong downstairs.” Gu Manyin raised her head and replied.

Fu Jingting was slightly startled, “Have you seen Rong Shu?”

“Well, Miss Rong was leaving from the Fu family at that time. She divorced you and came back to the Fu family, so I inevitably thought about it a little more, and then...then maybe it was Because I thought a bit more, my second personality came out.” As she spoke, Gu Manyin sobbed softly.

Fu Jingting sighed, “Forget it, that's all for this matter, Mr. Gu has also apologized, and I also ordered you not to come up at will without permission, which can be regarded as a punishment for you.”

Gu Manyin bit her lip, “Jing Ting, do you really want to do this? Can you change the punishment?”

“No, Rong Shu has won the cooperation seat and will come to Fu's more often in the future. If you see her, you will have to ask again. Whatever you want to do, it's decided like this.” Fu Jingting said unconvincingly.

Although Gu Manyin felt uncomfortable, she dared to say anything, so she could only nod her head, “Okay, but Jing Ting, did my father really lose his co-op seat?”

"The plan he handed in was unsightly, so I naturally I won't give him a position." Fu Jingting said lightly.

"But... but he's my father, Jing Ting, can you..."

"No!" Fu Jingting interrupted her.

Gu Manyin's face was a little bad.

Fu Jingting looked at her, "Manyin, I know what you want to say, it's just that you want me to look at you and give President Gu a chance, but you must know Manyin, I mentioned this co-op seat at the beginning. It's a fair competition, and there will be no insider information. If I open the back door for President Gu, what will you make others think of me?"

"I see, I'm sorry Jing Ting, I won't anymore." Gu Manyin lowered her head in disappointment.

Fu Jingting hugged her gently, "It's good to know, don't worry, I will give President Gu some preferential treatment in other cooperation."

"Well, thank you Jing Ting, Jing Ting, you are so kind." Gu Manyin stood on tiptoe, kissed his cheek happily.

Fu Jingting frowned subconsciously, then raised his hand to wipe his face while Gu Manyin lowered his head.

After wiping, he asked, "By the way, Manyin, do you remember what I said to you about seeing a psychiatrist last time at the villa in Chief Chen's Racecourse?"

"Remember." Gu Manyin nodded.

"Just remember, Dr. Steve is already on his way to Haishi, and he will be there tomorrow. I will take you to see him tomorrow." Fu Jingting said.

Gu Manyin's pupils shrank, and her heart began to panic, "Have you found a doctor?"

"Yes." Fu Jingting responded.

Hearing his answer, Gu Manyin only felt a surge of anger welling up in her heart.

She took a deep breath, tried her best to suppress her anger, and then looked at Fu Jingting with a questioning look, "You found a doctor, why didn't you tell me, when did you find it?"

"The second time after you agreed to see a doctor. This morning, I contacted Assistant Zhang and asked him to arrange it." Fu Jingting looked at Gu Manyin, whose expression became more and more nervous, and squinted slightly, "Are you afraid of seeing a doctor?"

#### Chapter 174 Gu Manyin's Worries

Gu Manyin's heart skipped a beat, and she suddenly realized that she had overreacted, which aroused his suspicion.

She squeezed the palm of her hand, quickly adjusted her mind, shook her head and replied, "No, I'm not afraid, I'm just worried."

"What are you worried about?" Fu Jingting still looked at her.

Gu Manyin looked very sad, "I'm worried that the doctor will lock me up, I've watched TV, and the doctor inside will lock the patients with split personality in a room, Jing Ting, will I also? Are you locked up?"

She grabbed the man's sleeve.

The man dispelled his doubts and stroked her hair, "No, the TV shows are all fake, the doctor will only enlighten you slowly, and won't do anything else for you."

"Really?" Gu Man Yin also looked at him a little worriedly.

Fu Jingting nodded, "Really, don't worry."

"Well, Jing Ting, you said that, then I'm relieved, Jing Ting, I'll go to the bathroom." Gu Manyin loosened his sleeves and pretended to be relieved to smile. stand up.

Fu Jingting nodded, "Go."

Gu Manyin turned around and walked towards the bathroom.

After entering the bathroom, she closed the door, and the expression on her face instantly turned gloomy.

She sat on the toilet seat, took out her cell phone and made a call.

The call was quickly connected. Lin Tianchen had just finished an operation when a tired voice came, "Manyin, are you looking for me?"

"Tianchen, I need your help." Gu Manyin clenched her phone tightly. said in a low voice.

Lin Tianchen's glasses reflected slightly, "What are you busy, is it because of Rong Shu's pregnancy?"

"No, Rong Shu's pregnancy is not in a hurry, I am most anxious now about my affairs, Jing Ting gave me a psychological solution. Doctor, you want to take me to see a doctor, but I'm not sick at all, what if I go and get exposed by the doctor?" Gu Manyin looked anxious.

If Jing Ting told her to find a doctor in advance, she would still have time to make friends with the doctor and let the doctor help cover.

But now Jing Ting caught her off guard and made her unable to do anything at all, which really pissed her off.

"So you asked me to help you find a way to deal with that psychiatrist, and at the same time let the psychiatrist diagnose that you do have a split personality, right?" Lin Tianchen immediately understood what Gu Manyin meant, pushed his glasses and said.

Gu Manyin nodded again and again, "Yes, that's right, Tianchen, help me think about it."

"It's simple." Lin Tianchen pulled out his office chair and sat down, "When you go to see a psychiatrist, the psychiatrist will definitely induce The second person appears, to confirm whether you have a split personality, and then you will act in a play."

"Acting?" Gu Manyin frowned.

Lin Tianchen snorted, "Yes, acting, your second personality is an extremely vicious being who is full of hatred for Rong Shu. When that time comes, you will act in that scene."

"Is that okay?" Gu Gu Man Yin bit her lip and was a little worried, "I can fool Jing Ting, but can I really fool a psychiatrist? You are also a psychology major, you should understand that no matter how good a person is in acting, it is acting after all. It's impossible for a psychiatrist to not see it."

Otherwise, why does the criminal investigation team of the police station have a psychiatrist as a consultant.

That's why, a psychiatrist can easily see through whether a person is real or fake.

A glint of light flashed in Lin Tianchen's eyes, "Don't worry, you can just act, and leave the rest to me."

Hearing what he said, Gu Manyin could only reluctantly believe it.

I don't believe what else can be done, she has no other way.

“Okay, I see.” Gu Manyin squeezed the corner of his mouth.

Lin Tianchen asked again, “By the way, do you know which psychiatrist Fu Jingting hired?”

“I really don’t know.” Gu Manyin frowned.

Lin Tianchen snorted again, “It’s alright, you go and ask clearly, and tell me after you ask.”

“Okay.” Gu Manyin nodded.

At the end of the call, she breathed a sigh of relief, then stood up and flushed the toilet, pretending that she did go to the toilet, then opened the door and went out.

“Jing Ting.”

Fu Jingting was sitting behind his desk, staring at the computer seriously.

When Gu Manyin called him, there was no response.

This made Gu Manyin pursed her lower lip and felt a little unhappy in her heart.

She wanted to see what he was looking at.

Gu Manyin raised her foot and walked over, “Jing Ting, what are you doing?”

Fu Jingting’s eyes darkened, he clicked the mouse and closed the page, “It’s nothing.”

“Oh.” Gu Manyin seemed to believe it, laughing. After a while, he didn’t ask any further questions, and lowered his eyelids to hide the coldness in his eyes.

nothing?

Don’t because she didn’t see it just now, he was looking at something related to Rong Shu.

“That’s right, Jing Ting.” Gu Manyin thought of what Lin Tianchen had asked herself to ask just now, picked up Fu Jingting’s big hand, played with his fingers, and asked tentatively, “You said just now that the psychiatrist for me is already here in Haihai. We’re on our way to the city, isn’t the other party

from Miishi ?” “From abroad.” Fu Jingting took a sip of the iced coffee on the table with one hand.

Gu Manyin's eyes flashed, and she continued to talk, "Overseas? It must be very powerful, otherwise why did you spend so much effort to invite him from abroad? Who is he?"

Fu Jingting didn't think much about it, just as she was Really curious, she put down the coffee and replied, "Doctor Steve."

Gu Manyin had never heard of it, so she silently wrote down the name, intending to find a chance to send it to Lin Tianchen later.

At this moment, there was a knock on the door.

Fu Jingting pulled out his hand, "Come in!"

The door opened, and Assistant Zhang came in from outside, "Mr. Fu, you promised Mr. Cheng's Mr. Cheng to go to the Huanyu Hotel for dinner yesterday. It's almost time, do you want to go?"

"Prepare the car." Fu Jingting stood up and tidied up The suit on the body ordered.

Assistant Zhang went out.

Fu Jingting looked at Gu Manyin.

Gu Manyin hurriedly put down her phone and smiled at him, "Jing Ting, are you going out?"

"Well, let's go to the entertainment, I'll take you back by the way." Fu Jingting said.

Gu Manyin nodded in agreement.

Soon, Fu Jingting sent Gu Manyin back to Gu's house.

Assistant Zhang turned around, drove away, and headed to the Huanyu Hotel.

On the way, when passing by Sansheng Group, Fu Jingting saw many young girls gathered around the downstairs of Sansheng Group, and security guards were registering them.

"What's going on?" Fu Jingting asked suspiciously.

Assistant Zhang glanced at the rearview mirror and immediately understood, and replied, "The official website of Sansheng Group released a message in the morning, looking for girls with a special necklace. Those girls should be trying their luck."

“Looking for special The girl with the necklace?” Fu Jingting narrowed his eyes, and Rong Shu’s face subconsciously appeared in his mind.

Rong Shu has Gu Manqing’s necklace in her hand.

Now the Gu family’s Sansheng Group is suddenly looking for a girl with a special necklace. Could it be that the special necklace refers to the one in Rong Shu’s hand?

Thinking about it, Fu Jingting took out his mobile phone and clicked on the official website of Sansheng Group, wanting to see the specific news.

Then, he saw the photo below the message.

In the photo is a necklace, a necklace that is very similar to Rong Shu’s hand.

Sure enough, the special necklace on the news refers to the one in Rong Shu’s hand, and the one in the photo should be Mrs. Gu’s mother necklace.

But it’s very strange. For the Gu family, the necklace in Rong Shu’s hand should have disappeared with Gu Manqing’s death more than 20 years ago. They don’t know that the necklace was left by Rong Hao, so why does the Gu family still have it? Looking for that necklace?

And he was looking for it when Rong Shu just got the necklace. In addition, there was a strange place, that is, the news said that he was looking for a girl with a special necklace.

In other words, what the Gu family was really looking for was a girl, not a necklace.

“Check why the Gu family is looking for a girl with a special necklace.” Fu Jingting tapped his finger on the car lock and instructed in a deep voice.

The Gu family must be looking for Rong Shu.

It’s just that the family doesn’t know.

“Yes.” Assistant Zhang nodded.

Fu Jingting lowered his head, took out his hand and hesitated for a moment, then made a phone call.

Tiansheng Group.

Rong Shu was revising a very troublesome document, and when she was having a clue about the revision, the phone rang, completely interrupting her train of thought.

Therefore, Rong Shu didn't even look at the caller ID, she grabbed the phone and put it to her ear, "Who?"

Hearing the impatience in the woman's tone, Fu Jingting fell silent.

Is she not happy to connect to his phone now?

"Don't say I'm hanging up." Seeing that there was no voice on the other end of the phone, Rong Shu rubbed her eyebrows and said another sentence.

Fu Jingting pursed his thin lips, and finally said, "It's me."

Rong Shu was stunned when he heard his voice, then took the phone to him and glanced at it, seeing that it was indeed Fu Jingting's number, and put the phone away again. Turning back to his ear, he said in a light tone, "Mr. Fu, what's the matter?"

"Have you seen the news from Sansheng Group?" Fu Jingting asked her.

"News?" Rong Shu was confused, "What news?"

It seemed that he didn't see it.

So is this the first to tell her now?

With a little pleasure, Fu Jingting coughed lightly against his lips, "The Gu family is looking for the person who owns the daughter's necklace, which is you."

"What? The Gu family is looking for me?" Rong Shu clenched the pen in her hand.

Fu Jingting nodded, "Yes, but they didn't know it was you, because they didn't know that the daughter's necklace was in your hand."

"Wait a minute, let me see." Rong Shu dropped the pen and put the phone on her shoulder, Then hit the keyboard.

Soon, she saw the news released by Sansheng Group.

"Strange, how did the Gu family know that the necklace is still there?" Rong Shu's eyebrows were tightened.

Like Fu Jingting, she didn't think the Gu family knew that the necklace was still there.

But the news told her that the Gu family knew about it and was still looking for someone with the necklace.

“I don’t know, but the release time happened just a few days after you got the necklace, so I think maybe they learned that the necklace is still there by chance.” Fu Jingting pondered for a few seconds to guess.

Rong Shu nodded, thinking that it should be the same.

“It’s just that if the Gu family finds out that the necklace is still there by chance, then they should only find the necklace, why are they looking for the person who has the necklace, and it’s a girl, they shouldn’t think that Gu Manqing is still alive. Right?” Rong Shu said.

Fu Jingting’s pupils shrank, “Perhaps your guess is right, the Gu family thinks that Gu Manqing is still alive.” The

Gu family did not know where they got the news. They knew that Gu Manqing’s necklace was still there, but they didn’t know that the necklace was in Rong Shu. In the hand, I only know that it is in the hands of a girl.

Then I thought that the girl was Gu Manqing, so I started this kind of activity.

“No way.” Rong Shu was really stunned and stood up, “Grandma said, Gu Manqing was drowned by my father, how could it be...”

“Why not?” Fu Jingting interrupted her , “The necklace in your hand is the evidence.”

Necklace?

Rong Shu subconsciously touched the necklace on his neck.

In order to prevent it from being lost, she has been wearing the necklace during this time.

“Why do you say that the necklace is evidence that Gu Manqing may still be alive?” Rong Shu pursed her lips and asked.

Fu Jingting rested his arms on the car window and rested his head on his hands, and then replied, “If your father really killed Gu Manqing, why do you have to make an extra effort to take the necklace off Gu Manqing’s neck, everyone is dead, leave it behind. What’s the use of that?”

Rong Shu’s eyes widened slightly.

Yes indeed.

Since they are going to kill people, why should they leave something behind? It doesn't make sense.

"Secondly, before your father died, he specially asked you to get the necklace, saying that there was a secret behind the necklace. The secret was told to you last time by your grandmother, but that doesn't mean the necklace is useless." Fu Jingting added.

Rong Shu bit her lip, "I know, Dad left that necklace, in addition to wanting me to know the secret behind it, there must be something else for me to do, otherwise why would he give me the necklace and let my grandmother put Rong Gu directly. Tell me about the grievances between the two families."

Fu Jingting listened to her words, and there was a flash of appreciation in his eyes.

She is much smarter than he imagined.

"Maybe the real purpose of your father giving you the necklace is to let you find Gu Manqing." Fu Jingting thought for a while and said.

Rong Shu was surprisingly not surprised.

Because, she also vaguely guessed.

"Maybe it wasn't Gu Manqing that my father drowned, but some kind of toy. People mistakenly thought it was Gu Manqing, but the real Gu Manqing was put away by my father long ago and has grown up now." Rong Shu He stroked the necklace and whispered.

Fu Jingting rubbed his fingers and asked with a hint of anticipation, "Do you need me to help you check her whereabouts?"

"No." Rong Shu pursed her lips, and refused in a cold voice, "This is my own business, I don't need your help, I can handle it myself, and if you want to help, you should help Miss Gu, it's hers Sister."

Speaking of which, if Gu Manqing was still alive, his father really asked him to find Gu Manqing.

She also had to figure out why her father asked her to find Gu Manqing, whether to return it to the Gu family, or have other ideas.

Although he had long known that Rong Shu would refuse, when he heard it, Fu Jingting was still a little uncomfortable.

He lowered his eyelids, "Gu's family will find it by himself, so I don't need help."

“Then you said you want to help me?” Rong Shu rolled her eyes in her heart.

“...” Fu Jingting stopped talking.

Rong Shu heard a knock on the door, “Okay, Mr. Fu, although I don’t know why you told me that the Gu family was looking for the necklace, I still want to thank you. I have something to do, hang up first.”

Putting down the phone, Rong Shu sat down again, “Come in.”

Tong Xi pushed open the door and came in, “Mr. Rong, President Duan is back.”

Hearing this, Rong Shu smiled, “Come back. It’s just right, immediately notify all high-level executives for a meeting.”

“Yes.” Tong Xi knew what the next meeting represented, and nodded happily.

On the other side, Duan Xingbang received the meeting notice and snorted coldly, “It seems that she really can’t wait to admit defeat.”

“Mr. Duan, how do you know that she must lose, what if she wins?” said worriedly.

Duan Xingbang gave him a cool look, his tone full of disdain, “Will she win? I don’t know what level she is, let alone her, even if we haven’t been exposed to new energy, we all ask ourselves that we can’t write a good plan. , I don’t believe that she can still write it and win the cooperation seat.”

“But she is so active in holding meetings, I am a little worried...”

“Okay, there’s nothing to worry about, she definitely didn’t get her seat, let’s go, let’s go to the conference room and see what she wants to say.”

After speaking, Duan Xingbang left the office first.

The higher-ups looked at his conceited back, sighed, and followed.

People in the conference room have almost arrived.

Rong Shu, as the first person on the lower left of the main seat, looked at the time and asked, “How many people are still missing?”

Chapter 176 Take the management right

Tong Xi, who was behind him, replied immediately, “There are two more, President Duan and Manager Wang.”

“Well.” Rong Shu nodded, indicating that she understood.

Not long after, the door of the conference room opened, and Duan Xingbang brought Manager Wang in from outside.

Rong Shu’s eyes met Duan Xingbang, “Mr. Duan, you’re late.”

Duan Xingbang pulled out the chair and sat down, “Some things have been delayed, right?”

Rong Shu smiled, “Of course. No. “

Of course she knew that Duan Xingbang was late on purpose, in order to dispose of her.

Let him be complacent for a while now, because soon he won’t be complacent.

“Okay, since everyone is here, today’s meeting officially begins, the last time...”

Rong Shu was interrupted by Duan Xingbang before she could finish her words, “Niece, today is the day when the results of the new energy technology cooperation seat will be announced. , you should also tell us the result?”

“Yes, President Rong, tell us, have you got the cooperation seat?” Duan Xingbang’s faction also started talking.

Rong Shu frowned slightly.

A senior who supported her patted the table, “Enough of you, the meeting has just started, can we talk about this later?”

“Why do we need to talk about it later, we only care about the result now.” Duan Xingbang’s person answered.

Duan Xingbang looked at Rong Shu even more contemptuously, “Niece, since we are all curious, you should tell us first.”

“Yeah, tell us quickly.” His people followed suit.

The high-level man who supported Rong Shu blushed, “Don’t go too far!”

“Okay, Manager Li, sit down first. Since they want to know, then I’ll tell them that, anyway, today’s meeting will not be the same. What to say.” Rong Shu looked at Duan Xingbang coldly.

Since Duan Xingbang was so eager to give her half the management rights.

Why isn't she perfect.

Thinking, the corner of Rong Shu's mouth twitched.

Duan Xingbang looked at her smile, his heart skipped a beat, something was wrong, and the contempt on his face couldn't be maintained anymore.

The expression of this dead girl will not really win the cooperation seat, will it?

No, it's impossible, she must be pretending to be calm, and she's already panicked in her heart, yes, that's it!

Duan Xingbang kept denying it in his heart, but his clenched fists revealed his restlessness at the moment.

When Rong Shu saw it, she sneered in her heart, then lightly opened her red lips, and said slowly, "The cooperation seat, I won!"

As soon as these words came out, the whole audience was shocked.

Whether it was supporting her or Duan Xingbang, they couldn't believe what they heard.

Cooperative seat, actually won?

"Mr. Rong, is this true?" Manager Li trembled with excitement.

Rong Shu nodded seriously, "Really."

"That's great!" Manager Li clenched his fist, his face full of joy.

The rest of the people who supported Rong Shu were also very excited.

Everyone knows what new energy technology represents and represents reform.

Once the new energy technology is fully mature, the world's power energy will be replaced by new energy in the future.

Tiansheng was able to board the big ship of new energy so early, and the rise of the future can already be foreseen.

Compared with the excitement of Rong Shu's faction, the people on Duan Xingbang's side all looked ugly, as if they had eaten flies.

Especially Duan Xingbang.

He clapped the table and stood up with a distorted expression, "This is impossible! How can you win the cooperation seat."

The meeting room fell silent for a moment.

Rong Shu looked at him lightly, not afraid of his doubts, "Why is it impossible."

"I don't know what your abilities are, and I'm not sure you can win it. You think you are a person who doesn't understand new energy at all. Can you?" Duan Xingbang mocked.

Rong Shu laughed, "But it was me who didn't know anything and won the seat. What do you think, Mr. Duan?"

"You..." Duan Xingbang choked angrily.

Afterwards, he thought of something, narrowed his eyes, and then looked at Rong Shu's eyes, which made him even more contemptuous, "I see, you must have seduced Mr. Fu and asked Mr. Fu to open the back door for you, right?"

Rong Shu's face sank and she also stood up, "Mr. Duan should keep his mouth clean when he speaks, I won this cooperation seat because of my ability, what does it have to do with Fu Jingting, what evidence do you have for me seducing Fu Jingting? And who doesn't know that Fu Jingting loves the daughter of the Gu family and divorced my ex-wife who has been married for six years for the sake of the daughter of the family. Do you think he can be seduced by me?"

"That's right, Mr. Duan, I still have to talk. Evidence, this kind of speculation without evidence is casually presented, it not only seems pricey, but also shows that you are narrow-minded and refuse to admit that President Rong is excellent." Manager Li glanced at Duan Xingbang sarcastically.

He had already seen Duan Xingbang not pleasing to the eye.

Now that he has the opportunity to step on Duan Xingbang, he naturally won't let it go.

"Okay, you are reasonable, I can't tell you!" Duan Xingbang sat down angrily.

Rong Shu looked at him indifferently, "It seems that Duan always has nothing to say. In that case, please ask President Duan to fulfill his promise."

"What promise?" Duan Xingbang was stunned for a moment.

Rong Shu stretched out his hand backwards.

Tong Xi handed her a document in the crook of his arm.

After she took it, she pushed it in front of Duan Xingbang, "Last meeting, I made a bet with Mr. Duan, if I can win the cooperation seat, you will divide the management rights of Tiansheng into half of me, and now I win, Duan Should I do it?"

Rong Shu looked at him with a smile.

"..." Duan Xingbang's mouth twitched, his fists clenched tightly.

Manager Wang, who was on his right, lowered his head even more.

Sure enough, he was guessed. Mr. Rong was so active in holding the meeting. It was definitely not a loss, but he couldn't wait to take over the management from Mr. Duan. He had persuaded Mr. Duan, but Mr. Duan was too conceited and felt that Mr. Rong was impossible. Win, the result is now being slapped in the face. "Niece..." Duan Xingbang forced a smile, trying to say something. Rong Shu interrupted him with a constant smile, "Mr. Duan, don't you want to cheat? But cheating is useless. When the bet was signed, everyone here heard it, and I also recorded it. , Duan wants to hear what you said at that time?" She raised her phone and swung it. Duan Xingbang's face was bluish and white, very ugly, "No need, I agree with what I said!" So many people are witnesses of the bet, and he can't stand it at all. If he insists on letting him go, his people will doubt whether he is worthy of their support, so he can only accept it. If it's a big deal, he will find a chance to catch this dead girl and take back his rights. "Since President Duan accepts it, please ask President Duan to sign." Rong Shu smiled and handed a pen. Duan Xingbang pulled it coldly, opened the document and signed his name. Seeing this, Rong Shu's smile deepened, and at the same time she was completely relieved. Duan Xingbang signed, and half of the management rights were in hand. Now she is a veritable President Rong.

Next, it is time to plan if the other half of the management power is taken back from Duan Xingbang, and when all the management power is back, she will be able to kick Duan Xingbang out of Tiancheng.

After the meeting, Rong Shu returned to the office, picked up her mobile phone and called Lu Qi to announce the good news.

At the same time, the Fu Group.

Assistant Zhang walked into the president's office, "Mr. Fu, you asked me to check it before, and I checked it out."

Fu Jingting released the mouse and raised his head, "Oh?"

"According to the news from the Propaganda Department, Gu Yaotian posted that news, They are looking for their eldest daughter." Assistant Zhang said.

Chapter 177 The Nervous Cheng Huai

Fu Jingting narrowed his eyes.

Sure enough...

“Have you figured out how Gu Yaotian and the others know that their eldest daughter might still be alive?” Fu Jingting looked at Assistant Zhang and asked.

Assistant Zhang pushed up his glasses, “Yes, Mrs. Gu was in the dt jewelry store, and overheard the store manager talking about a girl who was holding her daughter’s necklace, so Mrs. Gu guessed that the girl might be her older brother. Daughter.” That’s right.

Rong Shu said in her grandmother’s ward before that when she found the necklace, she went to the dt jewelry store to ask about the necklace.

Mrs. Gu has been wearing dt jewelry, and her identity is usually served by the store manager herself, so the store manager should have seen the necklace on Mrs. Gu’s neck, and then brought Rong Shu to the store with her daughter’s necklace. , told Mrs. Gu.

It’s just that the store manager didn’t tell Mrs. Gu the name of Rong Shu, so Mrs. Gu didn’t know that it was Rong Shu who was holding her daughter’s necklace, not her eldest daughter at all.

Everything is explained.

Fu Jingting waved his hand, indicating that Assistant Zhang can go out.

After Assistant Zhang went out.

Fu Jingting picked up the phone and sent the survey results to Rong Shu.

Rong Shu was discussing with Lu Qi where to go to celebrate at night, when she heard the phone rang, she quickly paused the conversation with Lu Qi, and took the phone to look at it.

Seeing the text message sent by Fu Jingting, she pursed her red lips and clicked on your guess. You are right, Gu Yaotian and the others are looking for Gu Manqing.

Rong Shu squeezed the palm of her hand, and then put the phone back to her ear, “Aqi, I have something to do here, so I won’t talk about it.”

“Okay.” Lu Qi didn’t think much, nodded in agreement.

After hanging up the phone, Rong Shu replied to Fu Jingting, how are you sure?

Fu Group.

Fu Jingting leaned on the back of the chair, crossed his fingers on his lower abdomen, and stared at the phone on the opposite table for a moment.

It had been several minutes since he sent a message to Rong Shu.

Why hasn’t she texted back?

Are you busy?

Just as I was thinking, the phone ding-dong came on.

Fu Jingting’s deep eyes also lit up instantly, he parted his hands, moved forward, and picked up the phone.

Seeing that it was indeed Rong Shu’s reply, he raised his thin lips slightly and dialed her number directly.

Rong Shu was still seriously waiting for Fu Jingting’s reply, but the phone suddenly rang, so frightened that she didn’t hold it, and the phone slipped from her hand.

Fortunately, there was a table below, and the phone didn’t fall on the ground, which made her breathe a sigh of relief.

Otherwise, she just changed the phone, and will have to replace it with a new one.

“Hello?” Rong Shu said in a bad tone.

Fu Jingting heard her anger and raised his brows.

Did he offend her?

Without thinking too much, Fu Jingting’s thin lips moved, “I asked Assistant Zhang to check.”

Then, he told the results of Assistant Zhang’s investigation just now.

After hearing this, Rong Shu raised her chin suddenly, “So that’s the case.”

She thought that someone had told the Gu family that Gu Manqing might still be alive.

Unexpectedly, when she went to the store to inquire, she left traces.

“I see, thank you Mr. Fu for telling me this.” Rong Shu apologized.

Fu Jingting hummed, “Next, are you going to find Gu Manqing?”

“Yes, always make sure that she is really alive.” Rong Shu nodded.

If Gu Manqing was still alive, she thought she should know why her father asked her to find Gu Manqing.

However, how to find it is still a question.

Thinking, Rong Shu rubbed her eyebrows, her voice a little tired, “Mr. Fu, if there is nothing else, I will hang up first.”

Fu Jingting’s thin lips moved, and he wanted to talk to her for a while.

But he had no idea what to say, and finally nodded, “Okay.”

Rong Shu hung up the phone, instead of putting down the phone, Rong Shu sent a message to Cheng Huai, asking him to go out to meet, saying that he had something to tell him.

When Cheng Huai saw it, he naturally agreed, and then got into the room to find a doctor.

But after searching for a long time, he could not find a suitable one.

The butler saw the hills of clothes on his bed, and the corners of his mouth twitched, “Master, what are you wearing?”

“I don’t know.” Cheng Huai sat down on the bed with his head down.

He just wanted to wear something special to see Rong Shu.

But rummaging through the cloakroom, it just didn’t work out.

The housekeeper picked up a few pieces of clothes, “Master, these are your favorites.”

“It’s not enough.” Cheng Huai shook his head.

He wanted to change his style, preferably one that Rong Shu could not forget at a glance.

Seeing that Cheng Huai was so entangled, the housekeeper thought for a while and asked, "Master, who are you going to meet with suddenly changing your dressing style?"

"A friend." Cheng Huai replied.

The housekeeper rolled his eyes and asked again, "Male and female?"

"Female." Cheng Huai returned.

The butler's eyes widened, and he was immediately relieved.

Great, his young master will finally be able to do cabbage.

Otherwise, why does the young master have to worry about what to wear? If you are meeting ordinary friends, just wear it casually, so the young master must go to see the girl he likes.

The housekeeper wiped away his tears of excitement, "Master, who is that young lady, do you need me to prepare a gift for you?"

Cheng Huai naturally understood that the housekeeper saw that he had someone he liked, and did not deny it. After thinking about it, he said, "Prepare a bunch of flowers."

Rong Shu still didn't know his intentions.

So he can't prepare too many gifts at once, he can only come little by little, so as not to scare her.

"Okay, I'm going to prepare now." The butler went out happily.

Cheng Huai had to face the pile of clothes by himself again.

But soon, he came up with an idea to contact the modeling team.

Two hours later, Cheng Huai came to Rong Shuyue's place, a quiet cafe.

After Cheng Huai entered, he looked left and right and saw Rong Shu in the corner.

Rong Shu was playing with her phone with her head down, and didn't notice him coming.

He tightened the bouquet in his arms a little nervously, took a deep breath, and walked towards the corner.

In the process of walking, his heartbeat accelerated obviously, and even his steps became a little stiff.

After all, holding a flower and coming to the appointment of the person you like, it is impossible to be calm in your heart.

And in this case, it looks like a blind date.

Finally, Cheng Huai came to Rong Shu and looked down at her, "Rong Shu, I... I'm here."

Rong Shu raised her head, saw Cheng Huai's appearance at the moment, and opened her mouth in surprise, "You... how are you? This dress?"

The oversized top, ripped jeans and sneakers, as well as the highlighted but messy hair, plus the flowers he held in his arms, was funny how he looked at it.

Rong Shu couldn't help laughing out loud, "It doesn't match you at all, why are you stimulated?"

Looking at her smile, Cheng Huai was not surprised, because when the stylist finished styling him, he had already guessed.

He just told the stylist that he wanted to meet the girl he liked, but he didn't expect the stylist to make him such a ghost, and he said that the girls like this now.

No matter how stupid he is, he knows that girls nowadays like the domineering president.

If it weren't for the lack of time, he would definitely fight with the stylist and ask the stylist to change him back to the way he was before.

"Don't mention it, it's all tears." Cheng Huai sighed, and then handed over the flowers in his arms.

Rong Shu pointed at herself in surprise, "For me?"

"Yes, do you like it?" Cheng Huai nodded and clenched his fist nervously.

Although this flower was prepared by the housekeeper, it was a white rose designated by him.

He wanted to send red roses, but their current relationship was obviously not suitable.

"I like it, but why did you think about sending me flowers? I thought you brought the flowers to meet a girl later, but I didn't expect them to be for me." Rong Shu was a little flattered and took the flowers.

## Chapter 178 Dating

Seeing that she accepted the flowers, Cheng Huai breathed a sigh of relief, and then laughed condescendingly, "No girl outside can compare to you, we are partners now, in order to maintain our friendly relationship, send Flowers should be too."

Rong Shu laughed, "You really can talk, thank you, the flowers are beautiful."

She shook the white rose in her arms.

Cheng Huai pulled out the chair and sat down, "As long as you like it."

"Let's see what to drink?" Rong Shu put the flowers aside and handed him a menu.

Cheng Huai took it and looked at it, and ordered a glass of Blue Mountain.

Rong Shu ordered a glass of milk.

Soon, the waiter brought coffee and milk over.

Cheng Huai looked at the milk in Rong Shu's hand, thought about her pregnancy, hesitated for two seconds, and asked, "Are you okay?"

"Huh?" Rong Shu looked up at him, "What do you mean?"

"That's it. You are pregnant, I heard that pregnant women are uncomfortable in the first few months, are you uncomfortable?" Cheng Huai asked.

Rong Shu heard the concern in his tone and smiled, "It's alright, it's just that some smells will make you uncomfortable, but the rest will be fine."

"That's good." Cheng Huai nodded and stirred. Taking a cup of coffee, "this child, what are you going to do? Has that friend of mine told you what he thinks?"

"Yes." Rong Shu took a sip of milk and replied.

Cheng Huai looked at her, "Then you..."

"I don't plan to stay." Rong Shu lowered her eyes and said softly.

Cheng Huai was taken aback, "Do you want to kill him?"

“Well, I won’t let my child become an illegitimate child, so I can only kill him.” Rong Shu said holding the milk cup.

Cheng Huai opened his mouth, “That’s true.”

She didn’t know that the child in her womb belonged to Fu Jingting, she thought it belonged to a strange man, and it was okay to destroy it.

I am afraid that with her personality, even if she knew that the child belonged to Fu Jingting, she would still not stay. If she stayed, the grievances between her, Fu Jingting and Gu Manyin would become even more embarrassing, and her child would become A point-and-shoot presence.

It’s right to knock it out.

“Since you’ve made up your mind, I don’t advise you either. When will the surgery, I will accompany you.” Cheng Huai asked with a smile.

In fact, it would be good for him to kill it.

He likes her, but that doesn’t mean he likes other men’s children.

“Weekend, but you don’t need to accompany me, Ah Qi will accompany me.” Rong Shu replied with a smile.

Cheng Huai pouted, “He? Can he do it?”

“Okay, I came to you, not to talk about this.” Rong Shu waved her hand, not wanting to continue the topic.

Cheng Huai shrugged, “Then what do you want to say?”

Rong Shu took off her daughter’s necklace around her neck and pushed it in front of him.

Cheng Huai fixed his eyes, “Isn’t this on Mrs. Gu’s neck?”

Last time, he accompanied Rong Shu to the hospital to see her feet, and met Mrs. Gu in the parking lot.

At that time, he saw the necklace on Mrs. Gu’s neck.

Rong Shu’s smile deepened, “Take a closer look, is this really Mrs. Gu’s?”

Cheng Huai raised her eyebrows, did as she said, and watched it for a while, and finally saw some problems, “These The place is a little different.”

"Yes, this is not Mrs. Gu's necklace, but it has a great relationship with Mrs. Gu's necklace. They are mother-daughter necklaces, Mrs. Gu's is the mother, mine is the daughter, the second More than ten years ago, Gu Yaotian gave it to his eldest daughter Gu Manqing." Rong Shu leaned back and explained.

Cheng Huai understood, raised his chin, "Isn't Gu Manqing dead? Why is the necklace in your hand, aren't you Gu Manqing?"

Since the Cheng family decided to destroy the Gu family, he has been investigating Having passed the Gu family, you naturally know what happened between the Gu family and the Rong family more than 20 years ago.

So when I heard the name Gu Manqing, it was not surprising who it was.

"Go, you are Gu Manqing." Rong Shu gave him an angry look.

Her mother was pregnant for ten months, and it was almost difficult to give birth.

How could it be Gu Manqing.

Cheng Huai stared at Rong Shu's face, "Seriously, your eyes are quite similar to Mrs. Gu's."

"It's just a coincidence. There are many similar people in the world, so they can't be all relatives." Rong Shu said lightly.

Cheng Huai smiled, "That's true."

"This necklace was left by my father from Gu Manqing, and has been at Rong's house since then. Did you see the message from Sansheng Group? Looking for a girl with a special necklace." Rong Shu looked at him and asked.

Cheng Huai snorted, "I see."

"Because after I found this necklace, I went to the dt store to inquire about the necklace's information, and then Mrs. Gu guessed that Gu Manqing was still alive, so Sansheng released it. That news is just to find Gu Manqing."

"So that's the case, I thought Gu Yaotian was drafting himself." Cheng Huai suddenly realized.

Rong Shu was amused by what he said.

Seeing her bright smile, Cheng Huai's eyes darkened, then he coughed lightly, and quickly turned his eyes away, "But Gu Manqing is dead, they can find a ghost."

“No, Gu Manqing is not necessarily dead. , I also doubt whether my father ever drowned Gu Manqing back then, so I’m looking for you today to find out whether Gu Manqing is dead or not, and if not, where is the person.” Rong Shuxiumei frowning.

Suddenly, a surprised female voice came, “Miss Rong, Mr. Cheng, are you here too?” A trace of disgust flashed in Cheng Huai’s eyes.

Rong Shu’s red lips also pursed, and she looked up to see Gu Manyin walking towards him.

“Yes, here comes the annoying person.” Cheng Huai sighed.

Rong Shu sipped the milk and smiled, “No way, the sea market is so big.”

“Miss Rong, Mr. Cheng, are you dating?” Gu Manyin came to the two of them and saw Rong Shu on the table The rose above, her eyes flashed, and she asked in surprise.

Cheng Huai propped her head up and looked at her, “Yeah, we’re just dating, so Miss Gu, can you go away? You’re disturbing us.”

“Ah, I’m sorry, I don’t know.” Gu Manyin was embarrassed Smile.

At this moment, another footstep sounded, “Manyin?”

“Jingting, I’m here!” Gu Manyin waved towards the door of the cafe.

Fu Jingting looked over, but did not expect to see Rong Shu, and was startled.

Why is she here?

Afterwards, Fu Jingting looked across from Rong Shu and saw another person.

The man turned his back to him, and although he couldn’t see his face, he could tell it was a man.

Is it Lu Qi?

Are they dating?

Thinking of this, Fu Jingting pursed his lips and walked over.

After the results passed, it was found that the man was not Lu Qi, but Cheng Huai. Cheng Huai saw the slight surprise in Fu Jingting

's eyes, and smiled and waved, "Jing Ting, what a coincidence, did you bring Miss Gu over for coffee?"

With a hint of sourness that he didn't even know, "You too?"

"Jing Ting, Mr. Cheng and Rong Shu are here for a date. Look, there are flowers." Gu Manyin took his arm and pointed to the flowers on the table with the other.

Fu Jingting's pupils shrank suddenly, "Dating?"

Rong Shu and Cheng Huai?

"That's right." Gu Manyin nodded with a smile, but the light of calculation flashed in her eyes.

Rong Shu caught it, her eyes were cold, and she was about to speak when Fu Jingting suddenly spoke first, with a hint of coldness in her tone, "Rong Shu, you and Cheng Huai went out on a date, does Lu Qi know?"

"I've only known so many men, and now I'm with Lu Qi, and I'm dating other men.

She is still so feisty.

### Chapter 179 I'm in Love with Rong Shu

Hearing his question, Rong Shu's face also sank, and she looked at him coldly, "Mr. Fu, what does this have to do with you, who are you to me, and take care of my business?"

"Yes . Ah Jingting, you really care a bit too much." Cheng Huai also looked at Fu Jingting with a half-smile.

Fu Jingting's thin lips pursed a little coldly, "Cheng Huai, didn't you know she has a boyfriend?"

"Yes." Cheng Huai shrugged.

Fu Jingting narrowed his eyes, "I know you're still with her..."

"Who said that if I sit with Rong Shu, it's a date?" Cheng Huai spread his hands, then looked coolly at Gu Manyin beside him, "Oh yes, yes You said it."

"I said it, but Mr. Cheng, you admitted it yourself." Gu Manyin hugged Fu Jingting's arm tightly.

Cheng Huai sneered, "I admit it, but there are many kinds of dates. Who stipulated that my date with Rong Shu would be the same as you. Can't we come out and talk about things?"

Gu Manyin choked, "What about flowers? What do you say about flowers? How can you bring flowers when talking about business?"

"What's wrong with the flowers? Are the flowers red roses? If Rong Shu and I are really going out on a date, why don't you bring red roses." Cheng Huai asked her back.

Gu Manyin opened her mouth and was speechless.

Fu Jingting frowned.

Did they really think too much, Rong Shu and Cheng Huai were not dating?

Thinking of this, the depression in Fu Jingting's heart suddenly eased a lot.

"Okay Cheng Huai." Rong Shu stood up and glanced at Fu Jingting and Gu Manyin coldly, "You don't need to tell them so much, they have dirty minds, and everything looks dirty, so it doesn't make any sense to tell them."

Miss Rong, do you think we have dirty minds?" Gu Manyin's eyes widened.

Rong Shuli ignored her and looked at Cheng Huai, "I just told you..."

"I know, I will check for you." Cheng Huai nodded.

Rong Shu smiled, "Thank you, let me know in time when there is a result, let's go."

"Okay." Cheng Huai also stood up.

Rong Shu picked up the flowers on the table and left the cafe with him.

Gu Manyin looked at their backs and bit her lower lip, "Jing Ting, they..."

"Okay." Fu Jingting frowned and interrupted her, "They're right, what's on their minds is what they're thinking. Nothing is right, Manyin, don't jump to conclusions in the future."

He was also at fault, he shouldn't be partial to his beliefs, thinking that everything Manyin said was right.

"Jing Ting, are you blaming me?" Gu Manyin looked at him in disbelief.

Fu Jingting's eyes flickered slightly, "No, I just feel that things haven't been clarified yet, so I think it's not good as I thought, and it's not fair to others, Man Yin, don't be so impulsive next time."

Gu Man Yin bowed his head aggrievedly, "I don't want to either, it was Cheng Huai who said they were dating."

"He played with you." Fu Jingting rubbed his brows and said.

Gu Manyin stomped her feet, "He's going too far."

"Okay, let's go, don't you want to drink this coffee?" Fu Jingting obviously didn't want to say more and changed the subject.

Gu Manyin also saw it, her eyes darkened, and then she nodded, "Yeah." Outside the cafe, Cheng Huai proposed to send Rong Shu back, but Rong Shu refused, because she also drove here.

Cheng Huai had no choice but to give up.

Watching Rong Shu drive away with the flowers she gave, Cheng Huai whistled and was in a good mood.

He and Rong Shu were indeed not dating, but Rong Shu accepted his flowers.

In the future, he will give Rong Shu a bunch every time to let Rong Shu get used to it. I believe that in the long run, Rong Shu will always be moved by him. A fake date will become a real date, right?

As for Lu Qi.

Cheng Huai smiled.

When he couldn't see it, she looked at Lu Qi's eyes, except for friendship, there was absolutely no relationship between men and women.

So whether she and Lu Qi are really together remains to be verified.

Cheng Huai leaned against the car door, looked at the cafe opposite, and turned the car keys in his hand leisurely, as if waiting for someone.

After waiting for about half an hour, Fu Jingting and Gu Manyin came out.

Seeing Cheng Huai, Fu Jingting narrowed his eyes.

Gu Manyin stood beside him and looked at Cheng Huai, "Mr. Cheng, why are you alone, Miss Rong?"

"She's gone." Cheng Huai and Gu Manyin looked at each other with a smile that didn't reach his eyes, "Gu Manyin. Miss, Mr. Fu and I have something to say, can you please walk away a little?"

"I'm Jing Ting's fiancée, is there anything I can't listen to?" Gu Manyin also laughed.

Cheng Huai replied mercilessly, "No."

"You..."

"Okay Manyin, wait for me in the car first, I'll come over later." Fu Jingting made a gesture to Gu Manyin.

Gu Manyin was a little reluctant, and after glancing at Cheng Huai with dark eyes, she left obediently.

Only Cheng Huai and Fu Jingting were left on the spot.

Two tall and handsome men with extraordinary temperament appeared on the street at the same time, which was very rare, and passersby cast surprising glances from time to time.

However, both of them are used to these glances, so they don't feel any discomfort, and they don't care, they just look at each other like that.

"What do you want to tell me?" Fu Jingting spoke first.

Cheng Huai fiddled with his funny hair, "I want to tell you that I'm in love with Rong Shu."

Fu Jingting's face changed instantly, "What did you say?"

"I said, I'm in love with Rong Shu. ." Cheng Huai repeated it with a smile.

Fu Jinglin grabbed him by the collar, "Are you in love with Rong Shu?"

"Yes." Cheng Huai looked at Fu Jingting with serious eyes.

Fu Jingting was in a trance. At first he thought he was joking, but now he understands that he is serious.

Cheng Huai really fell in love with Rong Shu.

How is this possible, how is it possible!

Fu Jingting was furious in his heart. In addition to his anger, there was also a feeling of being betrayed, which made his face very cold and ugly. "Do you know what you are talking about?"

"Of course I do." Cheng Huai took the collar from Fu Jingting. He pulled it out of his hand, took a step back, and patted the wrinkled collar, "I'm serious, I love Rong Shu."

"The Rong Shu you love is my ex-wife." Fu Jingting clenched his fists, Full of coldness.

"I know." Cheng Huai disagreed, "You also said that she is your ex-wife. Since it is your ex-wife, it has nothing to do with you, then I am in love with her, and there is nothing wrong with it. Why are you so angry?"

He seemed to be He looked at Fu Jingting with a smile.

Fu Jingting was stunned for a moment.

Yes, Rong Shu has long since divorced him and has nothing to do with him. It is natural that Cheng Huai fell in love with her, and Cheng Huai did not betray him.

Why is he so angry?

A look of confusion appeared on Fu Jingting's face.

Reason tells him that he shouldn't be so angry, that Cheng Huai loves everyone is Cheng Huai's own freedom, but when he thinks that the person Cheng Huai falls in love with is Rong Shu, he can't help but want to get angry and stop.

As for the reason, he vaguely had the answer in his heart, but he didn't dare to pierce it for some reason, because there was a voice in his heart telling him that once it was pierced, he might not be able to accept the result.

Thinking, Fu Jingting took a deep breath, suppressed the anger in his heart, and looked at Cheng Huai coldly, "Even if Rong Shu has nothing to do with me, you can't love her, don't forget, she is Lu Qi's girlfriend."

Cheng Huai hooked his lips, "You don't know yet, Rong Shu and Lu Qi are not together at all, they are fake."

"What?" Fu Jingting was stunned, "Fake?"

"That's right." Cheng Huai nodded, "Rong Shu looked at Lu Qi's eyes, and there was no friendship at all, so how could they be together? It's just for the outside world to see."

After hearing his analysis, Fu Jingting realized that it was most likely true. Yes, there was a huge joy in his heart, but there was still no expression on his face.

Chapter 180 I Want To Ask Clearly

But soon, the joy in Fu Jingting's heart was broken by Cheng Huai's words.

Cheng Huai raised his arms, "So I plan to pursue Rong Shu, Jing Ting, what do you think?"

Fu Jingting's face was gloomy.

How does he feel?

He didn't feel good at all.

But Fu Jingting wouldn't say this. He lowered his eyes and said coldly, "If you want to chase, ask me what to do?"

Cheng Huai looked at the way he clearly wanted to stop, but forcibly endured it, his eyes flashed. With a bright light, "Of course I want to

say hello to you." "Hello?" Fu Jingting's thin lips pursed into a straight line.

Cheng Huai nodded, "Yes, after all, Rong Shu is your ex-wife anyway, so I definitely want to say hello to you. You won't be surprised when I'm with Rong Shu in the future."

Fu Jingting cold With a sigh, "Are you so sure that you can catch Rong Shu?"

"The hard work pays off. As long as I work hard, I can always impress her. At that time, Jing Ting will bless me, right?" Cheng Huai looked follow him.

Fu Jingting's thin lips moved, wanting to say of course.

But when the words came to his mouth, he couldn't say anything.

Cheng Huai was not surprised.

He knew that Fu Jingting had Rong Shu in his heart, and it would be strange if he could say a blessing.

Cheng Huai put his hand in his trouser pocket, "Alright Jing Ting, I've already said what I have to say. You don't object to my pursuit of Rong Shu, so I hope you won't stop it in the future."

“No, that’s it . What happened between you and Rong Shu has nothing to do with me.”  
Fu Jingting said lightly with a cold face.

Cheng Huai smiled, “Well, then Jing Ting, you’d better remember what you said today, if you come to stop in the future, don’t blame me Cheng Huai for not taking you as a friend, well, go and meet your fiancée, I It’s time to go, go back to the emotional teacher and ask how to chase girls, bye bye.”

He waved his hand, opened the door and got in the car.

The reason why he told Fu Jingting this was to cut off the possibility between Fu Jingting and Rong Shu before Fu Jingting discovered his feelings for Rong Shu.

In this way, even if Fu Jingting finds out that it is Rong Shu that he loves later, it will be too late. Fu Jingting will helplessly watch Rong Shu with him because of what he said today.

Thinking about it, Cheng Huai gave a meaningful smile to Fu Jingting outside the car and drove away.

Fu Jingting stood there, staring coldly at the direction Cheng Huai was leaving, his hands on both sides were tightly squeezed, and the aura around him was terrifyingly cold.

Cheng Huai actually fell in love with Rong Shu, and even threatened to pursue Rong Shu. Obviously two months ago, Cheng Huai didn’t have such feelings for Rong Shu, and he didn’t even have any contact with Rong Shu.

It’s him!

Fu Jingting’s pupils trembled.

It was he who took the initiative to push Cheng Huai in front of Rong Shu, deepened the acquaintance between Cheng Huai and Rong Shu, and made Cheng Huai fall in love with Rong Shu.

At this moment, Fu Jingting couldn’t tell what it was like in his heart, in short, it was very uncomfortable.

Gu Manyin came to him and asked softly, “Jing Ting, what are you looking at?” Fu Jingting lowered his eyes and said softly, “Nothing.” “Mr. Cheng is gone?” Gu

Manyin asked again. Fu Jingting hummed. Gu Manyin took his arm, “Jing Ting, what did Mr. Cheng tell you, you don’t seem to be in a good mood.” “I’m in a bad mood?” Fu Jingting looked at her slightly. Gu Manyin nodded, “Yeah, it’s very bad, it’s as if something was stolen.” Fu Jingting looked slightly startled. Has something been stolen?

He and Cheng Huai were talking about Rong Shu. Cheng Huai fell in love with Rong Shu. Could it be that because of this, he was in a bad mood?

Because you think Cheng Huai stole Rong Shu?

“Jing Ting, what’s the matter with you?” Seeing the unpredictable expression on his face, Gu Manyin couldn’t help but waved in front of him.

Fu Jingting regained his senses, lowered his eyelids, and covered the turbulence in his eyes, “It’s alright, Manyin, go back first.”

“You won’t send me back?” Gu Manyin widened his eyes in astonishment.

Fu Jingting’s eyes flickered, “I have something to do, I’m sorry.” After he finished speaking, he got into the car and left, leaving Gu Manyin to watch him go away, stomping his feet angrily.

Fu Jingting drove all the way to Repulse Bay.

He was going to find Rong Shu, trying to figure out why every time he saw her, his emotions would be affected by her, and he wanted to know why Cheng Huai and Lu Qi were so angry when they came into close contact with her.

Even if the voice in his heart stopped him and told him not to go, he didn’t care anymore.

He has to figure it out, otherwise, she will always affect him.

Half an hour later, Repulse Bay arrived.

Fu Jingting watched downstairs for a while, but still lifted his foot and walked in.

Soon, the elevator arrived.

Fu Jingting stepped out of the elevator and saw the door of Rong Shu’s apartment, which was actually open, and a voice came from inside, “Baby, can you go?”

It was Lu Qi!

Lu Qi is at her house!

Fu Jingting’s face sank, and he stopped subconsciously and did not move forward. The thought of trying to figure out everything in his heart was instantly diluted a lot.

“Okay, let’s go.” At this time, Rong Shu’s voice also rang.

Then, she came out of the apartment.

As if feeling something, Rong Shu raised her head, looked forward, saw Fu Jingting, and frowned.

“Baby, why didn’t you leave?” Lu Qi came out after closing the door, and was curious to see Rong Shu standing in front of him.

Rong Shu opened his mouth and replied, “Fu Jingting is here.”

“Where is it?” When Lu Qi heard the name, his expression suddenly turned bad.

He took a step forward, and he saw the person in front of him, and asked in a somewhat aggressive tone, “What are you doing here?”

Fu Jingting ignored him and stared at Rong Shu with deep eyes, as if he wanted to see something from her.

Rong Shu was a little uncomfortable when he saw him, and pursed her red lips, “Mr. Fu, what’s the matter with you?”

Fu Jingting’s eyes flashed.

He came here to find out why he was influenced by him every time, and why every time he saw her approaching other men, he felt uncomfortable.

But now that Lu Qi was beside her, he couldn’t ask.

Fu Jingting closed his eyes, and when he opened them, his eyes were still clear, “I’m here to apologize to you.”

“Huh?” Rong Shu frowned, “Apologize?” “Apologize for

what, are you treating my baby again ? What did you do?” Lu Qi scolded Fu Jingting angrily.

Fu Jingting still ignored him, only looked at Rong Shu, “Manyin misunderstood you and Cheng Huai in the coffee shop before, I’m really sorry.”

“It’s unnecessary, your apology is too cheap and too much, it seems worthless at all. , because I know that this won’t be the last time, I’m tired of hearing it, so take your apology back.” Rong Shu took Lu Qi’s arm, “Aqi, let’s go.”

“Okay. “Lu Qi smiled happily and walked towards the elevator with her.

When passing by Fu Jingting, Rong Shu looked at him sideways, "Also, please don't come here in the future, Mr. Fu, because you will cause me trouble, understand?"

After speaking, she didn't stop and continued with Lu Qi. Go forward.

Fu Jingting could still hear Lu Qi asking her, "Baby, what did he mean when he said that he misunderstood you and Cheng Huai in the coffee shop, why didn't you call me when you and Cheng Huai

went for coffee?" The coffee drinker, I have something to look for." Rong Shu replied.

But soon, the voices of her and Lu Qi disappeared along with the closed elevator door, and the corridor returned to silence.

Fu Jingting just looked at the direction where Rong Shu and Lu Qi were leaving, and his heart was empty.
