Chapter 211 Probing

“Don’t be angry, sit first.” Lin Tianchen opened the chair for her.

Gu Manyin put the bag on the table forcefully, “How can I not be angry, I could have killed Rong Shu today, as long as she dies, I will never suffer from it again, but you...”

“Fu Jingting is in the hospital . . .” Lin Tianchen interrupted her.

Gu Manyin was stunned, “What? Jing Ting is in the hospital?”

“That’s right, and he was right outside the door of Rong Shu’s operating room. He saw me entering the operating room, so think about it, since I gave Rong Shu a hand. Rong Shu lost her life during the operation, do you think Fu Jingting would not suspect a thorough investigation?” Lin Tianchen pushed his glasses and looked at her.

Gu Manyin bit her lip, “You’re right, you can’t kill Rong Shu, but you can always get rid of the child in Rong Shu’s belly, why don’t you do it?”

She looked at Lin Tianchen angrily. .

Lin Tianchen poured her a glass of water, “Don’t worry, there is a chance, don’t you believe me?”

“But I’m afraid that if I delay too long, Jing Ting will recognize the child and remarry Rong Shu.” Gu Man Tone clenched her fists.

The corner of Lin Tianchen’s mouth raised a sarcastic arc, “I think you are overthinking it, Fu Jingting is not Rong Shu, he knows that the child in Rong Shu’s womb belongs to him, so he went to the operating room specially today to wait for Rong Shu’s surgery. You know, he doesn’t like the child in Rong Shu’s belly so much, so what you think can’t be realized.”

“Don’t be afraid of 10,000, just in case, don’t forget, as I told you before, Jing Ting really The person I love is Rong Shu.” Gu Manyin said solemnly.

A glint of light flashed in Lin Tianchen’s eyes, “Speaking of which, I have never asked you, why are you so afraid of Rong Shu? Rong Shu has already divorced Fu Jingting, and looking at her appearance, she has nothing to do with Fu Jingting. Although Fu Jingting loves Rong Shu, he doesn’t know it yet, so he won’t reunite with Rong Shu, so what are you afraid of?”

Hearing these words, Gu Manyin’s eyes flashed with a guilty conscience, a little unhappy. “That’s not what you should ask.”

She replaced Rong Shu's identity and pretended to be Jing Ting's pen pal. She would not tell anyone, especially Jing Ting and Lin Tianchen.

If she said it, no one knew whether Lin Tianchen would suspect it, and she also pretended to be his savior.

"Really, since you don't say it, then forget it." Lin Tianchen shrugged his shoulders, as if he was really not interested.

Just as Gu Manyin was about to breathe a sigh of relief, she heard Lin Tianchen ask again, "By the way, Manyin, do you still remember, when was the first time we met?"

Gu Manyin panicked, "Why do you suddenly Asking this?"

"It's nothing, I just miss the past." Lin Tianchen took a sip of tea and said with a smile.

Gu Manyin was furious to death.

A big man, there is nothing to reminisce about the past.

What's wrong with your brain!

I thought so in my heart, but Gu Manyin kept a smile on her face, and replied, "Of course it's time for me to save you."

Lin Tianchen tapped his fingers on the table lightly, but didn't answer.

Gu Manyin's heart lifted all of a sudden, and the smile on her face could hardly be maintained.

She clenched her hands tightly, suppressed her inner panic, and tried to make her voice sound natural, "Isn't it right?"

Seven years ago, when they first met, he told her excitedly that he had finally found her.

She said at the time that she didn't know him, and he said it didn't matter if she didn't know him. After all, it was the second time they met, and the first time they met must be his real benefactor when he saved him, so she shouldn't be able to answer wrong.

Lin Tianchen suddenly laughed, "Of course you are right, the first time we met was when you saved me."

He deliberately took the word "save me" a little harder.

Gu Manyin didn't hear anything wrong, and heaved a sigh of relief.

However, at this time, Lin Tianchen said again, "Then, do you still remember, where did you save me?"

Gu Manyin's heart just fell back to its original place, but now it hangs high again, and wants to kill someone in anger.

But more than that, he was nervous and apprehensive.

What does he mean? Why are you asking these all of a sudden?

Could it be that he knew that her savior was fake and was testing her?

Thinking of this possibility, Gu Manyin's face turned pale, and she didn't know what to do in a panic.

She couldn't answer Lin Tianchen's question.

Because she didn't even know where his real savior saved him, let alone what trouble he encountered at the time, and he never told her, so how did she answer?

But it's not enough if you don't answer, then tell him directly, doesn't she know?

After thinking about it, Gu Manyin finally gave the safest answer, "I'm sorry Tianchen, I forgot."

She just said that she forgot, but didn't say that she didn't know.

So he definitely couldn't be sure whether she was lying or not.

Just when Gu Manyin was getting more and more uncertain, Lin Tianchen hooked his lips, "It's okay, it's been more than ten years, it's normal for you to forget, after all, you were too young at the time."

Seeing that he didn't doubt himself, Gu Manyin sighed slightly.

It seems she made the right move.

After that, Gu Manyin took Lin Tianchen's arm, "Tianchen, tell me where the first time we met, I will never forget this time."

"Okay." Lin Tianchen lowered his eyelids, covering Sen Leng in his eyes, "The first time we met was at the playground. At that time, I fell and was injured and couldn't walk. Someone came over and wanted to take me away. It was you who showed up in time to scare the traffickers away."

It was so.

Gu Manyin narrowed her eyes, and then suddenly slapped her thigh, "Tianchen, when you said that, I remembered, yes, the first time we met was at the playground, and I didn't know where I had the courage to go. It's a little scary to meet the traffickers now."

"You are very brave." Lin Tianchen said with a smile, but there was no smile in his eyes, only full of scorn and ridicule.

He made up a paragraph casually, and she really took it seriously.

Sure enough, fakes are fakes.

Gu Manyin looked at Lin Tianchen's usual smile, and was completely relieved.

It seems that he did not suspect that she was impersonating. The reason why he asked her this was really just recalling the past.

Otherwise, he must have exposed her directly. How could he tolerate her continuing to pretend.

Thinking about it, Gu Manyin picked up the cup in front of her, took a sip of water, then stood up and said goodbye, "Tianchen, what, I want to see Jingting next, so I'll go first."

She could no longer If she stays, it will be troublesome if he asks something she can't answer in a while, after all, it doesn't work out every time.

"Okay." Lin Tianchen also stood up and nodded in agreement.

Gu Manyin quickly left.

Lin Tianchen watched her, knowing that her figure had disappeared outside the box, the smile on his face was completely suppressed, and it was frighteningly cold.

"Gu Manyin, dare to pretend to be my angel, I will make your life worse than death!" Lin Tianchen whispered in a cold voice.

It's true that there was a reason for him to recognize the wrong person in this matter, but Gu Manyin should know if she ever saved him.

But she didn't deny it, and directly and shamelessly pretended to be his angel, enjoying his sacrifices with peace of mind. Based on this, he would not let her go.

Looking at the teacup Gu Manyin had just drank, Lin Tianchen smiled evilly.

Then, he took out his mobile phone and sent a text message to Rong Shu.

Rong Shu frowned when she saw the content of the text message.

Chapter 212 The Loan Has Been Paid Off

Lu Qi, who was pitting the apple next to him, saw it, put down the apple and asked, "What's the matter with you, baby?"

"Look at this." Rong Shu handed over the phone.

Lu Qi took it and read aloud, "I will make Gu Manyin pay the price soon, Lin Tianchen."

Lu Qi looked at her with wide eyes, "Baby, this is a text message from Lin Tianchen. , how could he have your phone number?"

"It's not easy to get someone's phone number, just check it out." Rong Shu said lightly, but her eyebrows were furrowed tightly, "But I care more about him. The content of this text message made Gu Manyin pay the price. Could it be that what he said in the ward was true, and he really wanted to deal with the people who hurt me?"

Lu Qi curled his lips, "It doesn't matter if he is real or not, in short, he If we want to deal with it, we can deal with it, it is also good for us."

"That's right." Rong Shu nodded.

Lu Qi returned the phone to her, "Okay, don't reply to the text message, don't forget, I'm not sure if he really wants to deal with Gu Manyin, if it's fake, then this text message is his. It was deliberately thrown to lure us into the bait and wanted to fix us, so we just ignore it."

Rong Shu hummed, "Don't worry, I know."

After she finished speaking, she deleted Lin Tianchen's text message.

Lu Qi continued to nibble on the apple, "By the way, I have donated that ring for you."

Rong Shu's eyes flickered when she heard this, although she nodded, "Okay."

"Then I'll go first . Now, I'll pick you up at the auction in two days." Lu Qi threw the finished apple core into the trash can and clapped his hands.

Rong Shu smiled, "I see, let's go."

"Goodbye." Lu Qi waved his hand and walked towards the door.

Rong Shu was the only one left in the office. She reached out and took out a pen from the pen holder and started working on the documents.

At this time, Chen Xingnuo knocked on the door and came in with an eager expression, "Mr. Rong."

"What's wrong?" Rong Shu stopped and looked at her.

Chen Xingnuo looked around and saw that there was a glass of water on the table. He didn't have time to ask, so he picked it up and raised his head to drink.

"Hey..." Rong Shu just wanted to tell that she had drunk it, but when she heard Chen Xingnuo's swallowing sound, she had to swallow her words and shook her head in disbelief, "Why are you so thirsty?"

"Don't mention it, I ran all the way up." Chen Xingnuo put down the cup and said with a sigh of relief.

Rong Shu's eyes widened in surprise, "You ran up? Don't tell me, you ran up the safety stairs from the finance department."

"Yes, I came up the safety stairs. The elevator just went down, and I have something urgent. I want to ask you, so I'm too lazy to wait." Chen Xingnuo pulled out the chair opposite her and sat down.

Rong Shu saw the sweat seeping from her forehead, smiled and handed over a piece of paper, "Wipe it."

"Thank you." Chen Xingnuo took the tissue.

Rong Shu got up, took a clean quilt, poured her a glass of water in front of the water dispenser, put it in front of her, and asked, "By the way, you just said that you have something urgent to ask me, what's the urgency?"

"That's right. Tiansheng's loan." Chen Xingnuo threw the tissue into the trash can, and his expression became serious, "Mr. Rong, who is that Mr. Zhong, who actually paid off all the loans of several of our banks, the bank just called when I came to inform me, I was completely stunned."

Rong Shu was at a loss, "Wait, what are you talking about, what Mr. Zhong, what is the loan repaid?"

Looking at her reaction, Chen Xing Nuo blinked, "Mr. Rong, you don't know Mr. Zhong?"

Rong Shu shook his head, "I haven't heard of it."

"That's weird, you don't know each other, why did he help us repay the loan, and the repayment instructions said it is clearly written that you are an acquaintance, so it is

obvious that you paid the loan for the sake of President Rong, so why don't you know it, is it possible that you are your secret lover of President Rong?"

Speaking of which, Chen Xingnuo looked envious, "If you are really in love with such a big deal, Mr. Rong, you should just follow."

"Go, go, what nonsense." Rong Shu frowned tightly, "Xing Nuo, You mean, Mr. Zhong, help us repay all the loans from all the banks, is that what you mean?"

"Yes, from now on, our Tiansheng is no longer in debt, and the money we earn in the future will not be It was given to the bank, but ours." Chen Xingnuo said happily.

Rong Shu couldn't be happy, her red lips pursed into a straight line.

A person she didn't know helped Tian Cheng repay the loan. She didn't think it was a pie from the sky, but only thought there was a conspiracy.

One billion, who is so generous!

"Is there any loan repayment information?" Rong Shu squinted and asked.

Chen Xingnuo patted his forehead, "Yes, I forgot it, wait, I'll bring it to you."

After speaking, she took out a stack of loan repayment information from the folder she carried with her and handed it to Rong Shu.

After Rong Shu took it, she didn't check it immediately, and asked again, "Have you announced the loan repayment?"

"No, I'll tell you first." Chen Xingnuo shook his head.

Rong Shu breathed a sigh of relief, "That's good, you can go back to the finance department first, keep this matter a secret, don't make any public noise, and talk about it when I figure out who is paying the loan."

"Okay." Chen Xingnuo responded Make a noise and go out.

Only then did Rong Shu start to check the loan repayment information, looking for clues about who the loan repayer was.

Soon, she found it as she wished.

Seeing the string of symbols zh on a certain page, she immediately understood who the loan repayer was.

Rong Shu immediately picked up the mobile phone, opened zh's WeChat, instead of typing as usual, she clicked on the voice call.

In the Fu Group, Fu Jingting was in a meeting when suddenly the phone rang, interrupting the meeting.

Fu Jingting narrowed his eyes displeased, " Whose cell phone?"

No one spoke in the conference room.

When Fu Jingting saw this, his face was ugly, and his voice became even colder, "I remember I said before that when you are in a meeting, mute your mobile phone, do you all ignore it?"

Facing his anger, someone in the conference room finally raised his voice. Hand, "Mr. Fu, that... It's not our cell phone calling, it's your cell phone..."

Fu Jingting was slightly startled, "Mine?"

"Yes." The man nodded.

Fu Jingting put down the document in his hand, pushed his wheelchair from the big screen back to the conference table, and found that it was his cell phone ringing.

At this time, the ringtone of the voice call, almost no one used the voice call to contact him, and he was relatively unfamiliar with the ringtone of the voice call, so he didn't realize that it was his own.

Fu Jingting's face improved a lot, he picked up the phone, and planned to see who sent it.

Unexpectedly, what I saw was actually Rong Shu.

Why did she contact him at this time?

"The meeting is suspended, I'll go take a call." After speaking, Fu Jingting walked out of the conference room with his mobile phone.

There was a lot of discussion in the conference room.

"Hey, this is the boss. Only the state officials are allowed to set fires, and the people are not allowed to light the lights. It is agreed that the mobile phone will be silent during the meeting. We are all quiet, and he is not quiet."

"Yeah, he also said that he is not allowed to answer calls during the meeting. The phone call, he broke this rule himself, double standard."

“Seeing that Mr. Fu is so careful about this call, I think it must be Miss Gu.”

“It must be, look at Mr. Fu’s gentle eyes.” The

meeting Outside, Fu Jingting didn’t know that the people inside were talking about him. He came to the corridor and looked at the still ringing mobile phone with a hint of hesitation in his eyes, hesitating whether he should answer it or not.

He was afraid that he would be exposed if he took it.

But in the end, he still crossed the green answer button and answered the voice, “Hello?”

Chapter 213 He is a middle-aged man

Listening to the hoarse male voice from the phone, Rong Shu fell silent.

It turns out that the voice of zh is so ugly?

And it sounds like he is quite old, he looks like he is in his forties.

And men in their 40s rarely have self-discipline, and generally either have a big belly or are bald.

Thinking that she might have had a relationship with a man in his forties with a bald and big belly, Rong Shu’s stomach was a little churning, and she couldn’t help retching.

When Fu Jingting heard it, his expression tightened, “How... how are you?”

He almost used his original voice, but in the end, he responded in time and changed back to a deliberately disguised voice.

Rong Shu didn’t notice the strangeness in her stomach because it was too uncomfortable. She shook her head weakly, “I’m fine, thank you Mr. Zhong for your concern.”

Hearing this ‘Mr. Zhong’, Fu Jingting instantly understood her purpose of contacting him. .

“You came to me for a loan?” Fu Jingting asked with his eyes down.

Rong Shu took a deep breath and her expression became serious, "Yes, I want to know, why did you do this, Mr. Zhong?"

"I said before that you are the mother of my child, and I will be responsible for you." Fu Jingting squeezed his throat back.

Rong Shu pursed her lips, "But I said, I don't need it."

"Whether you need it or not is your business, but whether you are responsible or not is my business." Fu Jingting said.

Rong Shu was blocked by his words.

Yes, she doesn't need him to be responsible, but she can't stop him from taking responsibility.

"Okay, if you want to be responsible, you can take it. You can help me repay the loan. It's a bit too big, more than one billion." Rong Shu said with some pain.

Just ask, who can come up with more than one billion yuan at once to help people pay off their debts.

Fu Jingting chuckled lightly, "It's only a few billion, not much to me."

"No... not much?" Rong Shu almost choked on her own saliva.

Fu Jingting snorted, "Yes, not much."

The market value of the Fu Group is US\$100 billion, and his personal assets are as high as US\$80 billion, of which the Fu Group brings half and the other half comes from others. Industry brought him.

So, he is very rich.

Listening to the man's understatement that more than one billion is not much, Rong Shu admitted that he was a little sour.

Sure enough, people are more popular than dead people.

If Tian Cheng could come up with more than one billion yuan now, she would be laughing madly.

"Although Mr. Zhong doesn't say much, it's still a lot for me. Even if I'm responsible, it's too much. So Mr. Zhong, you should ask someone to go to the bank to withdraw the funds. If you really want to be responsible, give me a suite. Or a car will do." Rong Shu rubbed his brows and said.

In short, she couldn't accept these billions.

What happened that night should be the fault of the two of them, so she couldn't accept the money with peace of mind.

"Sorry, the money has already arrived, and the bank has also withdrawn your loan information, so the money cannot be withdrawn." Fu Jingting stated the facts in a low voice.

Rong Shu bit her lip, "Why is this..."

"It's a foregone conclusion, you don't need to feel bad about it, it's my initiative, not yours, so you don't need to feel pressured, okay, I'm still having a meeting here. Let's talk again."

As if afraid that Rong Shu would refuse, Fu Jingting cut off the communication directly.

On the other side, Rong Shu looked at the screen that jumped back to the WeChat interface and sighed.

It seems that the money is really irreversible.

But even so, she would not accept it.

Thinking about it, Rong Shu bowed her head and typed the billions, just as I borrowed it from you, and when my company makes money, I will give it back to you.

Fu Jingting returned to the door of the conference room. Just as he put his hand on the pusher and was about to push the door, the phone in the other hand suddenly vibrated.

He put his hand down from the pusher, raised his phone and saw that it was a message from Rong Shu.

He opened the message, looked at the content above, and frowned.

Sure enough, no matter how much he said, she still wouldn't accept it.

Forget it, she can pay it back if she wants. It will be several years before the Tiansheng Group starts business and spends more than one billion yuan, which will not affect the operation of the group.

At that time, can she still find zh?

Fu Jingting's mouth twitched into a smile that was not a smile, then put the phone in his pocket and pushed the door in.

In Tiancheng Group, Rong Shu called Secretary Tong up, "Notify the senior management of the major departments to hold a meeting."

Now that we have figured out who repays the loan, and there is no conspiracy behind it, we can naturally tell everyone.

And she believed that this time, she could suppress Duan Xingbang again. After all, she made Tiancheng's loan settle, and Duan Tianbang did nothing. In this way, Tiancheng's heart would gradually drift towards her. .

"Yes." Tong Xi nodded and went to make arrangements.

Rong Shu got up and went to the conference room.

A few days later, the day of the auction arrived.

In the evening, Rong Shu put on a dress, put on makeup, and went to the banquet venue with Lu Qi.

When he arrived at the door of the hotel, Rong Shu just got off the car when Cheng Huai ran over, "Rong Shu, you are so beautiful tonight."

He looked Rong Shu up and down, and his eyes were full of surprise.

Rong Shu fluttered a strand of curly hair beside her ear, and replied with a smile, "Thank you, by the way, why are you here, why don't you go in?"

"I'm waiting for you specially," Cheng Huai said.

Lu Qi got down from the driver's seat, rolled his eyes at him, and said in a bad tone, "Who asked you to wait?"

Cheng Huai answered politely, "No one asked me to wait, I was the one who waited, but I didn't wait for you, but Rong Shu, you were just an incidental." "

You..."

When the quarrel started, Rong Shu hurriedly raised her hand to stop, "Okay, don't make trouble, there are so many people coming and going, you are not ashamed, okay, hurry in."

When she came forward, the two men naturally stopped. .

Lu Qi adjusted his tie, and the phone rang.

He took a look at it, raised his eyebrows and said, "Baby, it's that kid Li Chuan. There are too many cars here and it's a bit noisy. I'll pick you up next to me. You wait for me here."

"Well, let's go." Rong Shu nodded.

Lu Qi glared at Cheng Huai and went to the side to answer the phone.

Cheng Huai pouted, "I didn't provoke him again, it's really inexplicable."

Rong Shu snorted, "I'm sorry, Cheng Huai, Ah Qi..."

"It's alright, I'm not angry." Cheng Huai waved his hand, and then thought of something, Seriously asked, "By the way, I heard that Tiancheng's debts were cleared, what happened? Where did you get so much money? You don't know how to do any transactions, right?"

Rong Shu was dumbfounded when she heard this, "Why? Maybe it was the one who paid it back, saying that he was responsible for me and the child."

Cheng Huai suddenly understood, "It turns out to be him, since it is him, it makes sense, that rich man is very rich, and his personal assets are all It's tens of billions of dollars, and one billion is a drop in the bucket for him."

"So rich?" Rong Shu looked surprised.

Although the Mr. Zhong said that he was very rich, she did not expect that his personal funds were all that much, plus the group behind him.

Hiss...

Rong Shu can't imagine it.

In short, that Mr. Zhong is as rich as Fu Jingting.

"Yes, he is the richest among us. Didn't I tell you before?" Cheng Huai looked at her.

Rong Shu smiled coldly, "You never told me that he was a middle-aged man in his forties."

"Pfft!" Cheng Huai almost laughed, "How do you know he is in his forties?"

"Listen to the voice, I had a voice call with him two days ago. His voice was hoarse and vicissitudes of life, similar to someone in his 40s. It was not pleasant to listen to. Moreover, such a voice was only used by those middle-aged greasy men with big belly

and bald heads. I've heard it, so I even suspect that he is like that." Rong Shu said, the disgust on his face was not concealed.

Chapter 214 The toilet storm

Cheng Huai covered his stomach and couldn't stop laughing.

Fu Jingting is equal to a middle-aged, bald, greasy man in his forties.

God, he couldn't help laughing when he thought of Fu Jingting's image.

Rong Shu looked at Cheng Huai who was about to laugh inexplicably, "You laughed like this, could it be that I'm wrong?"

"No, no, no." Cheng Huai waved his hands again and again, "You are not wrong, you are right. , he is indeed in his forties, the hair in the middle is bald, the stomach is quite big, and the eyes are small, in short, it is as ugly as it is ugly."

Listening to his description, Rong Shu couldn't help shivering, and quickly stopped Said, "Okay, don't talk anymore, I can't stand it anymore."

Everyone has a love for beauty, and she admits that she is also a layman who values appearance.

In short, she really couldn't accept that she had had a relationship with such a man, even if it had been so long, she still felt disgusting.

"Okay, I won't say it, I won't say it." Cheng Huai rubbed his aching cheeks and nodded again and again.

Rong Shu pursed her red lips, "I can't figure it out, how can you make friends with such a person, your images together are completely incompatible."

"Didn't I say, I'm not too good with him. Friends, it's just a nodding acquaintance." Cheng Huai shrugged and replied.

At this time, Lu Qi answered the phone and came back.

Rong Shu looked at him, "What did Xiaochuan say?"

"He said that he has come back and will also participate in the auction tonight. After the auction, see you at the banquet." Lu Qi put the phone in his pocket and replied .

Rong Shu nodded, "That's fine, but didn't we agree? He'll call us when he comes back, and we'll pick him up at the airport, but he won't call."

“His plane was late, and it took half an hour to get off. The plane, we went to pick him up and come back late, so he might as well come directly, okay baby, let’s go first.” Lu Qi said.

Rong Shu hummed.

The three walked towards the hotel door and entered the auction site smoothly.

Rong Shu and Lu Qi were in the back row, and Cheng Huai was in the front row, so after entering the auction site, the three separated.

Rong Shu found her place according to the invitation, and as soon as she sat down, she felt a gaze fell on her.

She froze for a moment, looking left and right, trying to find out who was looking at her.

But after looking around, she couldn’t find it when the line of sight disappeared, so she simply gave up.

In a box on the second floor of the auction site, after Assistant Zhang pushed the door and came in, Fu Jingting left the windowsill and returned to the sofa with a cane.

“Anything?” Fu Jingting picked up a booklet of auction items and looked at it.

Assistant Zhang stood behind him and replied, “Mr. Fu, the Gu family is here. They want to come to the box to say hello to you.”

“No, we can meet you at the banquet after the auction.” road.

Assistant Zhang nodded, “Yes, then I’ll reply to them right away.”

Oh, don’t think he doesn’t know, the Gu family just wants to sit in the box and don’t want to sit in the hall with others.

After all, the box is a representative of identity. Although the Gu family has a lot of power, it is still far from being able to sit in the box of this auction, so they can’t wait to come and sit in the box.

Assistant Zhang went out, and Fu Jingting wanted to go to the window sill again.

Just as he closed the auction book, ready to put it back on the shelf.

The result was not stable, the auction book fell to the ground, and the originally closed auction book was also opened due to the vibration.

Fu Jingting frowned and bent down to pick it up.

As soon as he picked it up, his pupils shrank suddenly, "This is..."

Fu Jingting saw a familiar ring on it, it was his and Rong Shu's wedding ring!

Although there are some differences between the women's model and the men's model, the difference is not too big, not to mention that it is a unique wedding ring in the world, so he will recognize it at a glance.

Fu Jingting hurriedly looked at the donor's information below, and sure enough, he saw the words of Miss Rong, his face suddenly gloomy.

She actually donated the wedding ring and participated in the auction!

For a time, Fu Jingting's heart was filled with anger.

He didn't lose his wedding ring, it was still in the drawer in the room.

And she took it out for business.

Fu Jingting suddenly felt betrayed, stood up, walked to the window, looked down at Rong Shu below, his eyes were gloomy and gloomy.

Rong Shu felt the sight falling on her again, and this time she also clearly noticed that the owner of the sight had an opinion on her, and she was not very happy.

"Baby, what's the matter with you?" Lu Qi, who was a few places away, saw Rong Shu who was nervous and hurriedly asked.

Rong Shu wanted to say that someone would look at her again, but then she thought that it would be useless to say it, and she might not be able to find that person, so she simply shook her head, "I'm fine, I'll go to the bathroom."

She finished reading the design book, the above She has no interest in the auction items, and naturally she doesn't care that she will miss good things if she leaves the table.

"Okay, come back early." Lu Qi urged.

Rong Shu nodded, got up and left the position.

In the bathroom, Rong Shu came out of the cubicle after using the toilet and went to the sink to wash her hands.

At this time, she heard a flushing sound, and then, through the mirror, she saw that a compartment door behind her was also open.

Gu Manyin came out from the inside and just met Rong Shu in the mirror.

Gu Manyin obviously didn't expect to see Rong Shu here. After being surprised, she nodded with a smile, "Miss Rong, what a coincidence."

"It's a coincidence." Rong Shu nodded slightly and replied lightly.

Gu Manyin was , and after her eyes became cold, she also walked to the sink to wash her hands.

At this time, Rong Shu had already washed her hands. She took a hand towel from the box next to her and began to wipe her hands.

Gu Manyin looked at the hand sanitizer that was empty on her side, and became angry, then looked at Rong Shu, "Miss Rong, can you pass me the hand sanitizer on your side?"

"No." Rong Shu wiped his fingers and refused without hesitation.

They are enemies, why should they give her something.

Gu Manyin didn't expect Rong Shu's rejection so bluntly, without even giving face, she bit her lip angrily.

Then, she thought of something, and the corner of her mouth twitched coldly, then stepped aside, knocked Rong Shu away, and occupied the washstand that Rong Shu had just now.

Rong Shu also didn't expect Gu Manyin to do this. After staggering a few steps, he held onto the edge of the washbasin in time to avoid the tragedy of falling.

"I'm sorry, Miss Rong, I didn't mean it, you shouldn't care about it, right?" Gu Manyin rubbed her hands together and asked pretendingly, but her eyes were full of malicious smiles.

Rong Shu looked at her coldly, and when she saw that she was a little uncomfortable and her expression was a little stiff, she suddenly raised the bag in her hand and smashed it on her head.

Gu Manyin was hit unpreparedly, her hair was messed up, the makeup on her face was smudged, and more importantly, her brain was throbbing with pain.

"Rong Shu, you dare to hit me!" Gu Manyin shivered and glared at Rong Shu with gnashing teeth.

Rong Shu took another hand towel, slowly wiped the cosmetic residue on the bag, and said in a cold voice, "I'm sorry, Miss Gu, I didn't mean it, so Miss Gu, you shouldn't care about it, right?"

The familiar words made Gu Manyin's face turn red and white, like a palette, looking extremely ridiculous.

Isn't this what she said to Rong Shu just now, but Rong Shu returned it intact.

This is obviously to hit her in the face!

Chapter 215 Auction Bidding

Seeing Gu Manyin's shivering expression, Rong Shu's mouth twitched, and she was in a good mood, "What? Miss Gu is not happy? Miss Gu did the same to me just now, I'm not angry, why is Miss Gu being punished? If you treat me like this, you will be angry. Miss Gu is too stingy. She is so stingy, but she can't be the wife of the Fu Group."

"Who said I was angry!" Gu Manyin squeezed her hands tightly, deeply The anger in his heart under the air pressure, the voice retorted sharply.

She knew that Rong Shu was deliberately angry with her.

She is not fooled, she will let Rong Shu know that she is more suitable to be the president's wife of the Fu Group!

"Not bad, not bad." Rong Shu clapped her hands and applauded, "Miss Gu is very generous and I admire her generosity. Since Miss Gu is no longer angry, I will leave first."

After speaking, Rong Shu threw away the hand towel in her hand, He passed Gu Manyin's side and walked towards the bathroom door.

After walking two steps, she suddenly stopped again, turned her head to Gu Manyin with a meaningful smile, "By the way, Miss Gu, you are looking good now, especially this dress, which is very suitable for tonight's banquet."

Rong Shu's eyes fell on the fur shawl on Gu Manyin's shoulder and the small crocodile leather handbag in his hand, and a trace of sarcasm flashed in his eyes.

Last time at the dress shop, she and Chen Xingnuo deliberately said that those dresses and furs matched well, in order to set a trap for Gu Manyin.

I didn't expect Gu Manyin to be so stupid, and she actually wore it. It seems that there will be a good show to watch at the banquet for a while.

Rong Shu smiled and left the bathroom.

After she left, Gu Manyin touched her face, looked at the dress on her body again, and smiled smugly, "Hmph, you have some eyesight." After she

finished speaking, Gu Manyin put her hand down from her face, ready to wash again. Start, after all, I just touched the makeup on my face.

However, just as Gu Manyin turned back to the mirror and saw herself in the mirror, she shouted with a ghastly expression, "Aaaaah!"

She didn't look at the mirror just now, so she didn't know what she looked like at the moment.

Now that I read it, I understand that when Rong Shu said that she was good-looking, she was not really saying that she was good-looking, but satirizing her.

Her current appearance, except for her dress, is still in good condition, her face makeup and hair can't be seen at all, it's messy, her flowers are sparse, and her whole person is like a crazy woman, which must have been caused when Rong Shu beat her just now.

Gu Manyin looked at the mirror and said resentfully, "Rong Shu, wait for me, I will definitely kill you and the wild bastard in your stomach, otherwise I will not be Gu Manyin!" At the

door, ready to come in Mrs. Li, who was going to the toilet, just heard this, and she withdrew her foot as she stepped in.

She pursed her slightly thin lips, and her majestic face was full of disgust, "The surname is Gu, it seems that she is the daughter of Sansheng Group. It's ridiculous to be so vicious."

Mrs. Li glanced coldly at the bathroom door and turned around. I'm gone, and I'm not going to use the bathroom here.

She is disgusting.

Rong Shu returned to the auction site, and Lu Qi hurriedly asked, "Darling, why are you coming back now?"

Rong Shu helped her skirt and sat down, "I encountered some trouble."

"What trouble?" Lu Qi briefly became nervous, "Baby, are you okay?"

“Don’t worry, no, I have already dealt with it.” Rong Shu smiled at him.

Lu Tou, “That’s good, the next auction item is yours.”

Hearing this, Rong Shu narrowed her eyes.

So soon, it’s her turn.

Soon, as an antique on the stage was taken away, the next auction item was sent to the display stand.

The big screen behind the auctioneer even introduced the information of the ring in detail, but concealed the confidence of the donor. For the donor’s piece, only Miss Rong is the code name, which means that this ring is a Donated by Miss Rong.

This is also a kind of privacy protection for donors.

But some people still guessed the identity of Rong Shu. After all, in the huge sea market, although there are many people with the surname Rong, the only one who is famous is the one from Tiancheng Group.

“It’s Rong Shu and Jing Ting’s wedding ring!” Gu Manyin looked at the ring on the big screen, her eyes turning red.

This ring was donated by Rong Shu, who donated all her wedding rings.

The funny thing is, Jing Ting hasn’t given her a ring yet

. Gu Manyin went crazy with jealousy, “Dad, I want this ring.”

Gu Yaotian also knew that the ring was donated, and frowned in disapproval. , “What are you doing? Someone else has worn it. If you want it, go to Jing Ting to buy a new one.”

“Jing Ting won’t buy it.” Gu Manyin squeezed the palm of his hand.

It’s not that she didn’t hint that Jing Ting would buy her a pair of rings, but Jing Ting said that all you need is one ring. If you buy too many, it doesn’t make sense. Buy it for her when you get married.

But they are not officially engaged yet, and they will wait until next year at least for their marriage. She doesn’t want to wait. She would rather have one worn by Rong Shu, at least it was bought by Jing Ting.

Gu Yaotian couldn’t beat Gu Manyin, so he could only nod his head in agreement and let her bid on her own for a while.

The auction of this ring has begun, with a starting price of 200,000.

Because the main diamond is a rare pink diamond, the price is naturally relatively high.

“300,000!” Gu Manyin immediately raised the sign.

Fu Jingting on the second floor of the box, Rong Shu, Lu Qi and Cheng Huai in the back row all heard her voice, and their expressions were different.

Rong Shu, Lu, Cheng Huai and the others were surprised, and Fu Jingting was puzzled.

What is Manyin doing with this ring?

Fu Jingting rang the bell.

When the auctioneer received the news, he immediately made an offer, “There is an additional 100,000, 300,000 guests in the No. 1 box on the second floor, is there anyone else who wants to increase the price?”

Gu Manyin heard someone robbing her, so she looked up at Box 1 on the second floor.

The window of the box was closed, she couldn't see the scene inside, didn't know who was inside, bit her lip angrily, “400,000!”

She also added 100,000 unceremoniously without any hesitation. For this ring, it is a must.

Fu Jingting frowned and rang the bell again.

The auctioneer reported, “The number of guests in the box will increase to 500,000.”

Gu Manyin shivered angrily and glared at the box, “600,000!”

“Baby, Gu Manyin and the people on the second floor seem to be Fighting.” Lu Qi said to Rong Shu.

Rong Shu nodded and looked at the second floor, “I don't know who the people on the second floor are, why they insist on this ring.”

Although she was surprised that Gu Manyin bought it, she could understand it.

After all, Fu Jingting bought this ring. Gu Manyin might want to keep it for herself, but she doesn't know about the people on the second floor.

“Baby, I suddenly want to play too.” Suddenly, Lu Qi said playfully.

Rong Shu raised her eyebrows, "What do you want to do?"

Lu Qi's mouth twitched and he held up the sign, "One million!"

The whole auction site was shocked when they heard this amount.

Although the ring was valuable, it was only 500,000 yuan at most. The Miss Gu and the mysterious guest on the second floor bid 600,000 to 700,000 yuan. They already felt that it was too high and it was not worth it at all.

Unexpectedly, another stupid person with more money appeared at this moment, and he directly bid one million.

"Aqi, what are you doing, you're crazy!" Rong Shu looked at Lu Qi in shock.

Lu Qi made a boeing gesture at her, "Don't worry, baby, I know what I'm doing, and I have a sense of it, don't worry."

Seeing that his expression was so serious, it didn't seem like he was joking, Rong Shu sighed, "Forget it, I don't care about you, just don't play around!"

"All right, safe." Lu Qi waved his hand.

Chapter 216

Gu Manyin also heard that the person who had just bid one million was Lu Qi, guessing that he definitely wanted to buy the ring back for Rong Shu.

Hmm, don't even think about it.

"1.2 million!" Gu Manyin raised the placard again.

The corner of Gu Yaotian's eyes jumped next to him, and he hurriedly stopped him and said, "Just Man Yin, don't increase the price. This ring is not worth 1.2 million at all."

"I don't care, I can't let Rong Shu agree." Gu Manyin She bit her lip, her eyes blushing.

Gu Yaotian frowned and wanted to say something when another male voice rang out, "One million fifteen!"

This voice...

Rong Shu's face lit up with joy, "It's Xiaochuan, Ah Qi, it's Xiaochuan."

"I know it's that one. Boy." Lu Tou, then raised his placard, "One million and seventy thousand."

Gu Manyin hated Lu Qi and the man who had bid one and a half million.

These two men are here for her.

“Two million!” Gu Manyin squeezed the brand in her hand, and she decided to increase the price by 300,000.

The crowd was in an uproar.

Fu Jingting in the box on the second floor frowned into Sichuan characters.

What is the manga wanting to do?

Why insist on that ring.

“Three million!” Fu Jingting pressed the button.

The auctioneer took a deep breath and called out his bid with a trembling voice.

The people present were surprised again.

One million at a time.

Who is so big?

Everyone looked towards Box No. 1 on the stairs.

Gu Yaotian too, he squinted his eyes and began to wonder if the No. 1 box was Fu Jingting.

Gu Yaotian was very dissatisfied with Fu Jingting’s refusal to let them enter the box.

He is Fu Jingting’s future father-in-law, isn’t Fu Jingting afraid that he will be unhappy?

“Three and a half million!” At this time, Lu Qi made another bid.

Immediately afterwards, Li Chuan’s voice also rang out, “Four million.”

“Four and a half million!” Cheng Huai, who had never been involved, suddenly joined in.

Rong Shu shook her head again and again, “It’s crazy, you are crazy.”

“Don’t be afraid, baby, haven’t you seen it yet, we didn’t want to buy that ring at all, we were just looking at Gu Manyin.” Lu Qi shook the sign and laughed.

Rong Shu rolled his eyes at him, "Of course I guessed it, but don't forget, there's another one on the second floor. The person sitting in the box at the auction has a very complicated identity, and it's not something we can easily offend. The one on the second floor was the one who got the ring, not Gu Manyin. You guys who raised the price maliciously were unintentionally offending the other party."

"Don't worry, we have already offended you. The young owner of this auction is a college classmate with me. I have asked him for a long time, and it is Fu Jingting who is in the No. 1 box."

Lu Qi pouted, "Fu Jingting and Gu Manyin are in the same group, so no matter who they are, we will win."

Rong Shu was slightly stunned . , "Fu Jingting?"

"Yes." Lu Tou.

Rong Shu bit her lip, feeling complicated and unbearable in her heart.

It turned out that the first bidder with Gu Manyin was Fu Jingting.

Why did Fu Jingting buy this ring? This is her wedding ring. Why did he buy it and give it to Gu Manyin?

how is this possible.

Rong Shu shook his head and rejected this guess.

Taking his ex-wife's wedding ring and giving it to the current one is something that most people can't do, so he should have other goals.

Anyway, she didn't want this ring for a long time, so why should she think about what other people would buy it for?

"Five million!" Fu Jingting quoted again in the second floor box.

Gu Manyin wanted to raise her placard, but Gu Yaotian held her down.

Gu Yaotian looked at her with a gloomy face, "If you dare to make an offer, I will break your leg."

She thought of buying a ring worn by others for millions of dollars.

Even if she is jealous of Rong Shu, she is not convinced that Rong Shu has a ring from Fu Jingting.

In the end, Gu Manyin was still afraid, and could only watch helplessly as the ring was taken away by the mysterious man in the box on the second floor.

There was a lot of discussion among the people present.

Five million to buy a ring, I don't know if the people on the second floor are stupid or what.

The ring was quickly sent to the second floor.

Fu Jingting looked at the ring of black velvet cloth, his eyes dark and unclear.

When Rong Shu left Fu's house, she didn't wear anything except the ring.

But now, even this ring has returned to him in this way.

Since then, there have been no items related to him from Rong Shu's place.

Thinking of this, Fu Jingting clenched the ring abruptly, his heart seemed to be pierced, and it hurt a little.

The auction ended soon, and everyone got up and left the auction site and went to the banquet hall upstairs.

After seeing that the people downstairs were all gone, Fu Jingting got up from the sofa and walked out of the box with crutches.

As soon as he went out, he saw Gu Yaotian and Gu Manyin approaching.

Gu Manyin's eyes widened in disbelief, "Jing Ting... The one who bought the ring is really you!"

"It's me." Fu Jingting's eyes flashed slightly, and he admitted generously.

As long as you have the heart to check, you can find out that it is him who is in Box 1.

So there is nothing to admit.

"Why?" Gu Manyin's eyes instantly became wet, she bit her lip and looked at him, as if he had done something wrong to her, "Why did you buy that ring, do you want to give it back to Miss Rong?"

Gu Yaotian was also tight Staring at Fu Jingting.

Fu Jingting frowned, "Nothing, when the ring was bought, it had the Fu family's totem engraved on the inside, so it's not suitable for living outside."

This was indeed one of the reasons why he bought the ring.

Another reason was that he really didn't want other people to get such a ring. When he thought that the ring might be bought by Lu Qi, Cheng Huai, and another man, he was inexplicably angry.

Gu Manyin didn't know what Fu Jingting was thinking, but when she heard his ring, her tears stopped, "Really?"

Fu Jingting took the ring out of his pocket and handed it to her, "You can take a look."

Gu Man Yin really took it over and checked it out.

Seeing this, Fu Jingting pursed his thin lips.

Although he really let her see it, but she really saw it, and he was inexplicably dazzled, because she didn't believe his performance.

The most important thing is that she once said in the letter that she would trust him, but he suddenly thought about it, she never seemed to do it. Just as he was thinking about it, he heard Gu Manyin

's surprised voice, "Really." Fu Jingting collected his thoughts and replied with thin lips, "Of course." "Sorry Jingting, I misunderstood you, I thought You bought it for Miss Rong." Gu Manyin returned the ring to Fu Jingting. Gu Yaotian laughed loudly, "Since it's a misunderstanding, it's good to say it." Fu Jingting hummed, took the ring, and subconsciously wiped the ring with his thumb.

After wiping it, he suddenly realized that he actually disliked Manyin for soiling the ring.

"Jing Ting?" Gu Manyin reached out and waved in front of Fu Jingting.

Fu Jingting regained his senses, "What's wrong?"

"I want to ask you what's wrong, why did you suddenly lose your mind?" Gu Manyin looked at him and asked.

Fu Jingting lowered his eyes and said in a low voice, "It's okay, I just thought of something. By the way, Manyin, why did you take this ring?"

He put the ring back in his pocket and stared at Gu Manyin with scrutiny.

Gu Manyin bowed her head aggrievedly, "It's not all because Jing Ting, you don't want to give me the ring, you have to give it when you get married, so when I saw this ring donated by Miss Rong, I thought that you still have one. , I feel that if I buy it and make a pair with yours, it can be considered as what you gave to me, so I will bid for it."

Read This Time, I Will Get My Divorce Chapter 217-218

Chapter 217 The Banquet Begins

It turned out to be so.

Fu Jingting raised his chin slightly.

He also thought that she was deliberately targeting Rong Shu.

“I’m going to tell you about Jing Ting.” Gu Yaotian looked at Fu Jingting with a stern face, “Although Man Yin has not officially engaged you yet, the engagement banquet that was ruined by Rong Shu last time has already been announced to the outside world. It has been announced that Man Yin is your fiancée. Since she is your fiancée, why don’t you give me a ring? If you don’t have anything, others will laugh at Man Yin.”

“Dad, don’t be like this, Jing Ting has his own ideas. Let’s not force him.” Gu Manyin pulled Gu Yaotian’s sleeve and quickly advised.

While persuading her, she did not forget to look at Fu Jingting apologetically, as if she was afraid that he would be angry, “I’m sorry, Jingting, don’t mind what my dad said.”

“It’s okay, uncle is right, I should give it to you. A ring.” Fu Jingting replied in a cold voice.

The reason why he never gave Manyin the ring was because he didn’t want to give it, so he deliberately said that he would give it after marriage.

As for why he didn’t want to give it, he couldn’t say it himself, but Gu Yaotian was right, Manyin had already assumed the name of his fiancée, if he didn’t give him a ring, people in the circle would look down on Manyin to some extent.

“Jing Ting, are you telling the truth?” Gu Manyin looked at Fu Jingting with joy.

Seeing her so happy, Fu Jingting’s eyes softened, “Really.”

Man Yin is the woman he loves, and he once said that he wants to make her happy for a lifetime.

How could he not give her the ring because of the unspeakable emotion in his heart.

“Jing Ting, you are so kind.” Gu Manyin happily threw herself into Fu Jingting’s arms.

Gu Yaotian pretended to be annoyed and glared at her, "A single ring has thrown away my father. Sure enough, girls are outgoing."

"Dad!" Gu Manyin turned around and called out in a pretentious way, but in reality she looked at Fu Jingting. A look that only they themselves can understand.

That's right, their father and daughter came to Jing Ting on purpose.

Before they came up again, they had already inquired about it clearly. It was Fu Jingting who was in the No. 1 box. That's why they planned this out, and asked Jing Ting to give her a ring and sit down. Realize the title of her fiancée.

Unexpectedly, it was really successful, and the success was very smooth.

"Jing Ting, shall we go to choose a ring tomorrow? I want dr, although that ring is a light luxury, the price is generally not expensive, it can even be said to be cheap, but I want it because it means that a man can only buy one." Gu Manyin looked up at Fu Jingting, "Jing Ting, is it alright?"

When Fu Jingting heard 'A man can only buy one', his brows twitched slightly and he thought subconsciously. She said no, but looking at her expectant eyes, she finally suppressed the refusal in her heart and nodded, "Yes."

"Thank you Jing Ting." Gu Manyin hugged him happily.

Fu Jingting's thin lips twitched, but he couldn't be happy, he just felt very irritable.

After a few seconds, he gently pushed Gu Manyin away, "Okay, Uncle Manyin, let's go to the banquet first, Mr. Li and Mrs. Li are waiting for us to take care of him."

"You're right, then let's hurry up. Go." Gu Yaotian nodded.

The Li family is stronger than the Gu family.

Although they can't compare to the Fu family, they should also hold it and not offend the Gu family.

At this time, in the brightly lit banquet hall, everyone toasted and staggered.

Rong Shu looked around with a glass of juice, looking for something.

Lu Qi came over with a plate of dim sum and handed it to her, "It can be considered that Cheng Huai has been sent away, and I don't know what he has been crazy about recently. He is obviously a friend of Fu Jingting. If you don't go to Fu Jingting, you have to go around us. I can't drive away, it's annoying."

“Okay, he’s not malicious, and he has a good personality, talkative, and it’s easy to get along with him.” Rong Shu took the snacks and said with a smile.

Although she didn’t understand why Cheng Huai kept coming to them recently.

But she knew that Cheng Huai was not their enemy.

“Forget it, let’s not talk about him, baby, what were you looking at just now?” Lu Qi asked after drinking a sip of red wine.

“Looking for Xiaochuan, I haven’t seen him since the auction, only heard his voice.” Rong Shu rubbed her brows and returned.

“I’m so happy to hear that my sister thinks of me so.” As soon as she finished speaking, a gentle man’s voice sounded behind her.

Rong Shu’s face suddenly showed a pleasant smile of the couple’s surprise, then she quickly turned around and saw the young man who was less than two meters away from her. She took a step forward, “Xiao Chuan, it’s really you!”

“It’s me.” Li Chuan smiled Nodding, then stretched out his arms and hugged her. Although the movements were tight, they were gentle.

Li Chuan buried his head on Rong Shu’s shoulder, rubbed his head gently, his voice was gentle, with a hint of choking, “Sister, I miss you so much.”

Rong Shu couldn’t help crying and touched his head, “Okay, I I miss you too, darling, get up and watch.”

“No, sister, let me hold her for a while.” Li Chuan not only didn’t let go of her, but hugged her even tighter.

Rong Shu only treated him as a child, shook his head helplessly, and went with him.

Seeing this scene, Lu Qi on the side almost rolled his eyes to the sky.

Li Chuan, this kid, will put on a pretense and use a little milk dog to deceive the baby in exchange for close contact with the baby, contempt!

However, under his contempt, Lu Qi had to admit that he envied Li Chuan, and that Li Chuan could hug his baby like this.

If it was him, the baby would have pushed him away.

Lu Qi smiled bitterly, raised his head and drank the red wine in the glass.

Not far away, Fu Jingting and his party walked into the banquet hall. Through the crowd, they also saw the scene of Rong Shu and Li Chuan hugging.

Fu Jingting's pupils shrank a little, and the hand holding the crutch also tightened suddenly, his face was even darker and ugly, and there were violent storms in his eyes.

Li Chuan actually came back.

As soon as she came back, Rong Shu hugged and hugged him. Did she just like these men circling around her so much?

Feeling the cold air coming from the man beside her, Gu Manyin turned her head and glanced, seeing the jealousy in the man's eyes, her eyes darkened.

"Jing Ting, the one who hugged Miss Rong should be called Li Chuan. The model who destroyed my recovery banquet with Miss Rong before thought he had left the sea market. I didn't expect him to appear again now and hug Miss Rong. Together, Mr. Lu, as Miss Rong's boyfriend, actually stood by and watched without stopping, what is the relationship between the three of them?"

Gu Manyin's mouth curled into a malicious arc, which quickly disappeared. .

Fu Jingting's face was extremely ugly. He only felt that the picture of Rong Shu and Li Chuan hugging was very dazzling, which made him want to go up and separate them, and told Rong Shu that he was not going to be so intimate with other men.

But he also knew very well that he was not qualified.

"That's their business. No matter what their relationship is, it has nothing to do with us."

Gu Manyin hurriedly followed.

On Rong Shu's side, Lu Qi put down the empty wine glass, stepped forward and pulled Li Chuan away, "Alright, alright, I've had enough for so long." Li Chuan

gave him a dissatisfied look.

Lu Qi looked back and said, "Don't forget, I'm baby's nominal boyfriend now. You hold baby like this, what do you want others to think?" Li

Chuan was stunned, then looked around, and sure enough he saw someone pointing. Pointing, guessing the relationship between the three of them, seeing that he was looking over, and hurriedly looked away as if nothing had happened.

However, as soon as he took his eyes back, those people continued, and what they said was not very pleasant. Some people even said that Rong Shu was shrewd and looked for men everywhere.

Chapter 218 Finding fault at the banquet

Rong Shu also heard it, smiled lightly, and didn't take it to heart.

She had heard these words many times before.

"Sister, are you not angry?" Li Chuan asked with a frown, looking at the smiling Rong Shu.

Rong Shu took a sip of juice, "What's there to be angry about."

"They said that to you." Li Chuan squinted and glanced at these people, as if he wanted to remember the faces of these people.

Rong Shu smiled, "Let them talk if they say it. I can still keep their mouths shut. I can't get angry with so many people."

"But I'm angry." The look in Li Chuan's eyes There was a flash of gloom, and it was fleeting.

These people, should insult my sister, he will not let one of them go!

Rong Shu didn't know what Li Chuan was thinking, and patted him on the shoulder, "Okay, I know you're wrong for me, but I'm not angry anymore, so don't worry about it, just let them go, a bunch of them. There's no need to care about people with broken mouths." Li Chuan

nodded with a smile, "I understand, sister."

"I'll go get another glass when the juice is finished." Rong Shu put the empty glass aside and went to the fruit area again. .

Only Li Chuan and Lu Qi were left at the scene.

Lu Qi put his hand on his shoulder and said in a low voice, "Boy, do you want to take action against these people?"

Li Chuan dropped his hand and replied coldly, "If they dare to slander my sister, I will naturally teach them a lesson. "

I support you, but take it easy, in case they suspect the baby..."

“I know.” Li Chuan cut his words with lowered eyes.

Lu Qi patted his shoulder, “It’s good to know, okay, baby is back, don’t let any flaws come out.”

Li Chuan hummed.

Rong Shu came over with a glass of mango juice and asked with a smile, “What are you talking about, I could see your serious faces when I was there just now.”

“We’re talking about what gift to give you on your birthday. .” Lu Qi laughed and hit haha.

Li Chuan nodded cooperatively, “Yeah, sister, what do you want?”

Rong Shu couldn’t help laughing and crying, “My birthday is in June next year, and there is still half a year, so you can discuss preparing gifts for me, don’t you think it’s too early? “

Not early, some gifts need to be customized in advance.” Li Chuan shook his head and replied gently.

Lu Qi hummed twice, “Yes, baby.”

“You are talking about preparing a birthday present for Rong Shu, add me.” At this moment, Cheng Huai suddenly came over and interjected.

Lu Qi rolled his eyes at him, “What does baby’s birthday have to do with you?”

“Why not, I’m also Rong Shu’s friend.” Cheng Huai said with his chest out.

Lu Qi sneered, “Correct, your friend is Fu Jingting.”

“So what, there is no limit to the number of friends, and Rong Shu and I are still partners, right?” Cheng Huai blinked at Rong Shu.

Lu Qi pouted and was speechless.

Li Chuan narrowed his eyes, “Sister, what have you cooperated with Mr. Cheng?”

“I won’t tell you about some very important details.” Rong Shu replied with a smile.

This is the grievance of the three Rong Gu Cheng families, and there is no need to tell Xiaochuan.

Telling Xiaochuan will only make Xiaochuan worried.

Seeing that Rong Shu was reluctant to speak, Li Chuan's eyes darkened, and he seemed very disappointed.

"By the way, Rong Shu, I'll take you to meet some big businessmen." At this moment, Cheng Huai suddenly said.

Rong Shu's eyes lit up slightly, and then looked at him suspiciously, "Why are you so kind to connect with me?"

"Just thank you for taking care of Doudou last time, okay, let's go, don't let the big guys wait." After speaking, Cheng Huai directly grabbed her wrist and pulled her away.

Although Lu Qi was dissatisfied, for the sake of the baby's career, he did not stop him.

Li Chuan looked at Cheng Huai's back gloomily, "Lu Qi, when did the relationship between him and his sister become so good?"

"

How come more than two months have passed, Cheng Huai and elder sister are so familiar, and Cheng Huai's look at elder sister makes him dislike it very much.

"Because of cooperation." Lu Qi shook the red wine and replied.

Li Chuan turned to look at him, "What kind of cooperation is it?"

Lu Qi spread his hands, "Don't ask more, since baby doesn't want to tell you, I naturally can't go against her, let's go, brother will take you to meet a few entertainment circles. The boss." On the

other hand, under the leadership of Cheng Huai, Rong Shu met a lot of business executives and got a lot of business cards.

Although many of these bosses gave them business cards just because of Cheng Huai's face, some of them were given because of her own conversation.

Although that part is not much, for Rong Shu, it is also a joyful thing.

At least, she has passed the eyes of these bosses, and I believe that cooperation will be much smoother in the future.

"Rong Shu, I'm going to the bathroom, you..."

"I went to the rest area, I've been standing for a long time, I just wanted to sit down." Rong Shu cut off Cheng Huai's words and said to him with a smile.

Cheng Huai nodded, "Okay, then I'll go to the bathroom first."

He put the wine glass on the tray of the passing waiter, turned around and left the hall.

Rong Shu put the business card in her handbag and put it away, ready to go to the rest area.

Just two steps away, she was stopped by a yin and yang female voice, "Isn't this Rong Shu, why are you alone now, where are your boyfriends?"

Hearing this, Rong Shu pursed her red lips. Turning around, he looked blankly at Meng Ke and Gu Manyin who were approaching.

Gu Manyin pulled La Mengke's arm, "Don't do this, Xiaoke."

Then she smiled embarrassedly at Rong Shu, "Miss Rong, I apologize to you on behalf of Xiaoke, I'm sorry, she didn't do it on purpose. , she's just being outspoken."

"Be outspoken?" Rong Shu laughed angrily, "Do you know what being outspoken means? Being outspoken means that what she said is true, but it's just too fast, since you use this Words, it means that you agree with her words, if so, why do you apologize, don't you think it's too fake and hypocritical!"

"Miss Rong, how can you be like this..." Gu Manyin bit her lips, a look Looking aggrieved, "Even if I use the wrong words, you don't have to say I'm hypocritical."

"That's right." Meng Ke scratched her neck, "Manyin just said the wrong thing, do you need this? And I'm wrong, you and so many men kiss me..."

"Are you envious?" Rong Shu raised her arms and looked at her sneeringly.

Meng Jue blushed and shouted angrily, "Who is envious?"

"Since you are not envious, why do you want to talk to me about Cheng Huai and the others? Even if you want to find fault with me, you don't have to. Use the men around me as an excuse." Rong Shu sneered.

"I...I..." Meng Ke's eyes were red with anger, and he was speechless.

Rong Shu glanced coldly at the two of them, her eyes full of disdain, "Before you come to find fault with me next time, I advise you to think of a better slot first, otherwise it will be easy to make a joke!" After she finished

speaking, she turned around, about to leave.

Gu Manyin bit her lower lip, and after a flash of sternness flashed in her eyes, she suddenly reached out to grab Rong Shu's arm.

As soon as her hand grabbed Rong Shu's arm, she looked like she was being pushed, she stepped back in horror, and then fell to the ground. The red wine in her hand also shattered, soaking her body dress.

This scene made the whole banquet quiet, and they all looked here.

Seeing this, Gu Manyin raised her head and looked at Rong Shu with tears on her face, "Miss Rong, you are too much, I just touched you, why did you push me?"

Chapter 219 We Believe Her

Rong Shu had some doubts about how she fell.

Hearing this, Rong Shu instantly understood that Gu Manyin fell by herself, and just wanted to frame her.

Rong Shu smiled and looked at Gu Manyin coldly, "When did I push you?"

"You didn't push me, did I fall myself?" Gu Manyin raised her head and confronted her angrily. See.

Rong Shu sneered, "That's really possible, maybe you fell yourself, and then deliberately framed me."

"Rong Shu, you have no shame!" As soon as she finished speaking, Meng Ke pointed angrily. She, "Manyin was pushed to the ground by you. You actually said that she fell by herself, just to frame you. Who would risk injury to do such a thing?"

"That's right." People nodded.

The corner of Gu Manyin's mouth tickled slightly, and there was a hint of pride in his eyes.

Rong Shu, I'm here to see how you resolve it.

"Have you heard it." Meng Ke put on his hips and said again, "No one believes that Manyin would do this, not to mention, I saw Manyin that you pushed with my own eyes, and now you have something to say."

"I..." Rong Shu Just as he was about to speak, a deep male voice came, "Manyin!"

"Jing Ting." Gu Manyin looked at the man walking quickly with tears in his eyes, and extended his hand to the man.

The man helped her up, looked at her red dress stained with red wine, and frowned, "What's going on?"

"Yeah Manyin, tell Dad, what happened?" Gu Yaotian, who came with Fu Jingting, also asked. .

When asking, he also gave Rong Shu a gloomy look, obviously suspecting that Rong Shu did Gu Manyin's fall.

Rong Shu rolled her eyes, sneered, and said nothing.

Gu Manyin leaned against Fu Jingting's arms and replied sobbing, "I just saw Miss Rong with Xiaoke, and came over to take care of Miss Rong. I didn't expect that Miss Rong accidentally pushed me."

"Manyin, what do you mean by being careless? It's already this time. Why should you give her face and tell President Fu directly that Rong Shu deliberately pushed you down." Meng Ke said with a slap in the face.

Fu Jingting turned to look at Rong Shu, seeing that Rong Shu's expression was indifferent, without the slightest panic, he already understood in his heart that there was something else hidden in this matter.

But for the sake of fairness, he still asked, "Rong Shu, did you push Man Yin?"

Before Rong Shu could answer, Gu Yaotian snorted coldly, "Jing Ting, the girls from the Meng family are watching. What are you asking about?"

"Yes, Mr. Fu, not only me, but everyone else saw it." Meng Ke pointed to the crowd watching the excitement.

Everyone did not expect that she would actually involve them in this matter, and they were so angry that they died for a while.

But because of Fu Jingting's presence, this woman is also a friend of Fu Jingting's fiancée, and they are not easy to offend. After all, offending her means offending Fu Jingting's fiancée, which is equivalent to offending Fu Jingting.

So they would rather offend Rong Shu than offend this woman.

So everyone hurriedly nodded, indicating that they had indeed seen it.

I don't know why, but seeing this scene, Fu Jingting felt an inexplicable anger in his heart, so that his face turned ugly.

But in the eyes of others, they thought he was angry, and Rong Shu actually pushed Gu Manyin.

Even Gu Manyin thought so, and showed a smug smile to Rong Shu where no one could see it.

Rong Shu saw it, and twitched the corner of his mouth mockingly.

The little man is lucky!

"Rong Shu, what do you want to say?" Fu Jingting looked at Rong Shu with a cold and indifferent voice.

Gu Yaotian was a little displeased, "Jing Ting, everyone present saw her push Manyin, and you asked her to say something, just send her to the police station."

Fu Jingting frowned, ignoring him, still looking at Rong Shu .

He wanted her to say that she didn't do it.

However, Rong Shu snapped her nails and smiled lightly, "What can I say, who will believe it, do you?"

Fu Jingting's thin lips moved slightly, and the sentence 'I will' almost blurted out.

But reason made him hold back at the last moment, and he lowered his eyelids and did not respond.

At this moment, three nice male voices came at the same time, "I believe!"

Everyone looked together.

I saw three handsome men with different looks and heights, but they were all walking towards this side side by side. The aura was so great that the crowd automatically separated.

These three people are Lu Qi, Cheng Huai and Li Chuan.

The three walked in front of Rong Shu and blocked Rong Shu behind like a protector, then looked around at the crowd with sharp eyes, and

said loudly, "We believe she did not push people." Great deterrent.

Some people bowed their heads in guilt.

Of course, there are also some dead pigs who are not afraid of boiling water, and even began to talk in a low voice.

Saying that Rong Shu is good at manipulating men, flirting with three men at the same time, and the three men get along pretty well.

However, most of the people who said this were women, and the sourness in their voices and the envy and jealousy on their faces could not be concealed.

It is conceivable that they also want to be like Rong Shu, and there are so many excellent men around them holding and protecting them.

And this includes Gu Manyin.

She has always known that Rong Shu has a good relationship with men, so after she learned that it was Fu Jingting who communicated with Rong Shu, she made Ji pretend to be Rong Shu and snatched Fu Jingting over.

I thought that if Fu Jingting was taken away, Rong Shu would have nothing.

Unexpectedly, without Fu Jingting, there will be more excellent men around Rong Shu.

God is so unfair!

Gu Manyin bit her lip, her eyes red with anger.

Fu Jingting's expression didn't look much better. The moment Lu Qi and the three appeared, an unexplainable hostility rose in his heart.

That hostility, when Rong Shu showed a surprise smile to them, became more and more obvious, making him have the urge to kill these three people.

"What can you believe? Everyone present saw Rong Shu pushing my daughter. What can you three prove?" Gu Yaotian shouted with a livid face.

Gu Manyin even more cooperatively grasped Fu Jingting's sleeve, and sobbed aggrievedly in Fu Jingting's arms.

At this moment, someone came again, the protagonists of the banquet, Mr. Li and Mrs. Li.

"What's wrong?" Mrs. Li walked over holding her husband's hand, glanced at Gu Manyin in Fu Jingting's arms, and asked with a faint smile.

“Mr. Li, Mrs. Li, you came at the right time.” Gu Yaotian gave Rong Shu a sad look, and then told what happened just now.

After listening to Mrs. Li, she raised her chin, “So it is, so you are arguing about whether Miss Rong pushed Miss Gu, right?”

“Yes.” Gu Yaotian nodded, his voice gloomy, “but I believe it was she who pushed Miss Gu. I took my daughter, and everyone present was watching, this is what the girl from the Meng family said.”

Rong Shu smiled and said nothing.

Lu Qi said with a bad face, “She said it herself, so you believe it?”

Li Chuan also stood up, his usual gentle face was cold at the moment, “Yes, my sister is definitely not that kind of person, I understand. She, if she really pushed it, she would admit it, but since she doesn’t admit it, it’s not her.”

“Yeah, I also think Rong Shu didn’t push Gu Manyin, but Gu Manyin, but she directed and acted. What about a criminal record?” Cheng Huai looked at Gu Manyin with a half-smile.

Gu Manyin shrank into Fu Jingting’s arms, looking very scared.

Gu Yaotian pointed at the noses of Rong Shu and the others, “Don’t slander Manyin there!”

Chapter 220 Drive Them Out

“Have these young people slandered Miss Gu? I don’t think it’s a matter of mouth, but evidence. What do you think?” Suddenly, Mrs. Li released Mrs. Li’s arm, stepped forward, and smiled at everyone. said meaningfully.

Everyone nodded, feeling reasonable.

Gu Manyin looked at the smile on Mrs. Li’s face, her heart froze for a moment, and an ominous premonition suddenly rose, and her body tensed up.

Fu Jingting noticed Gu Manyin’s strangeness, and lowered his head to ask her, “What’s wrong?”

“I... I’m fine.” Gu Manyin squeezed the corners of his mouth and replied, “It’s just that I fell a little hurt, Jing Ting, you Can you take me to the doctor?”

She told her intuitively and left here immediately.

Otherwise things will happen beyond her control.

Fu Jingting subconsciously wanted to say, wait until this matter is resolved before going.

But looking at Gu Manyin's begging eyes, he finally nodded in agreement.

He held Gu Manyin's arm and turned to leave.

Rong Shuxing narrowed her eyes and stopped them coldly, "Stop, things haven't been figured out yet, what are you going to do?"

"That is, baby is still the one who pushes people in your mouth, isn't she still standing here well? Didn't you go, what are you going for? Could it be a guilty conscience?" Lu Qi also said.

Cheng Huai and Li Chuan nodded.

A trace of mockery flashed in Mrs. Li's eyes. "We didn't leave." Gu Manyin

turned around, her eyes were red, and she said in a wronged voice, "I just feel pain in my body, I want to see a doctor, and Jing Ting can testify."

Just come back."

"Wait for you to come back, who knows how long it will take." Li Chuan said in a light voice, wrapping his arms around.

"That's right, you don't need to go to see the doctor by yourself. What if the injury gets worse, so let's call the doctor over, Mrs. Li, can you?" Cheng Huai looked at Mrs. Li.

Mrs. Li nodded, "Of course you can."

Then she called a waiter and told him to call a doctor.

Gu Manyin didn't have time to stop her, so she could only watch the waiter walk away, her heart burning with anger.

She knew it.

These people are targeting her, and they are deliberately making trouble with her!

"Miss Gu, your expression seems a little wrong. Is it because we are unhappy that we called a doctor for you? That's not good, we are doing it for your own good. If you don't thank you, it's too much to be angry." Lu He looked at Gu Manyin, and criticized him as if you were very naive.

The others followed suit, "Yeah, Miss Gu, this is not right for you."

"You guys..." Gu Manyin was so angry that she died.

Fu Jingting patted her on the shoulder, "Alright Manyin, what they said is right, you really shouldn't be angry."

"I..." Gu Manyin trembled.

Is she angry about this?

She was clearly angry that these people prevented her from leaving!

But in this case, Gu Manyin couldn't say it, he could only suppress his anger and stop talking.

Soon the doctor came.

Gu Manyin didn't dare to refuse under everyone's attention, so he could only ask the doctor to check.

After the doctor's examination, he said, "This lady is fine, just a little skin on her arm has been broken, so just put on a Band-Aid."

"I see, send the doctor out." Mrs. Li said to the waiter who brought the doctor over.

After the waiter and the doctor left, Rong Shu flipped her hair and said, "Okay, the farce is over, since Miss Gu is fine, let's continue with what we just did, and figure out how Miss Gu fell as soon as possible. , finish it early."

"Hmph, you said that no matter how much you can't wash away the manga, it's a fact that you pushed." Meng Ke pointed at Rong Shu.

Fu Jingting glanced at Meng Ke coldly, and a trace of disgust rose in his heart.

He inexplicably disliked those who accused Rong Shu.

Gu Yaotian also answered, "Mengjia girl is right, so there is nothing to say about this matter, Mrs. Li, she must be able to come here, it must be an invitation from you, but for such a person with bad character, I think, You'd better drive away, so as not to ruin the banquet."

Fu Jingting frowned, "Uncle, this matter has not been clarified.

", and so many people present saw it, Jing Ting, don't you protect your ex-wife?" Gu Yaotian's eyes widened.

Gu Manyin even more sobbed sadly.

Fu Jingting felt a little irritable, pulled his tie, and replied in a low voice, "I'm not protecting anyone. I have to give evidence for everything. Even if I see it, what about the evidence?"

Rong Shu looked at him in surprise, obviously surprised at him. To be fair.

It's not like him.

Didn't he always trust Gu Manyin the most without limit?

"Hmph, Fu Jingting, I think you're protecting your ex-wife." Gu Yaotian turned his eyes to Rong Shu, yin and yang got angry, "I can't believe that you are very good at seducing men, and a few men around you are not enough, even your ex-husband. All..."

"Old man, what did you say, believe it or not, I'll beat you!" Lu Qi was furious, and he clenched his fists and was about to rush up.

"Aqi, stop!" Rong Shu pursed her red lips and stopped him loudly.

Cheng Huai even stepped forward to hold Lu Qi, "Okay Lu Qi, don't mess around, I know you are angry, and I am angry, but you can't hit people, we didn't see how Gu Manyin fell, but once you The beating, everyone present saw it, it will be very troublesome at that time."

Although Li Chuan regretted that Lu Qi didn't clean up Gu Yaotian, he had already decided in his heart that when he returned, he would teach Gu Yaotian a lesson.

Gu Yaotian didn't know that he was being targeted, he took a step back with lingering fears, and then pointed to Lu Qi in embarrassment, "Well, you Lu family boy, you dare to do something to me, Madam Lu, when your Li family invites people, don't you? Why do you invite everyone?"

Mrs. Li smiled, "You are right, it is indeed my fault to invite you without screening."

Suddenly, her smile sank and her expression changed. He became dignified and shouted loudly, "Come here, drive out the Gu family father and daughter!"

As soon as these words came out, everyone present was stunned.

Shouldn't they be chasing a few Rong Shu, how come it was the Gu family's father and daughter?

The crowd discussed.

Even Rong Shu and the others were puzzled.

When they heard Mrs. Li's first words, they thought they were the ones to be driven out.

Unexpectedly, it was Gu Yaotian and Gu Manyin.

Fu Jingting looked at Mrs. Li, his eyelids drooped, as if he understood something, he rubbed his brows tiredly, and let go of the hand that had been holding Gu Manyin halfway.

"Manyin, I'm disappointed!" he said suddenly.

"Jing Ting..." Gu Manyin panicked and wanted to grab his sleeve, but he avoided him.

Gu Manyin's heart sank to the bottom.

Her intuition was right, and Mrs. Li's laughter was very problematic at the time.

Sure enough, the current situation has completely exceeded her expectations and control.

Gu Yaotian's face was ugly, "Mrs. Li, are you kidding me?"

"Of course not." Mrs. Li smiled and looked at him.

Gu Yaotian's old face twitched a few times, "May I ask the reason, we are the victims, but you want to drive us away, if you don't give us a reason, your Li family can't stand, and after today, your Li family is me. The enemy of the Gu family."

"Is Mr. Gu threatening my old woman?" Mrs. Li asked with a smile.

Gu Yaotian's voice was stiff, "I don't dare, but I think it's unfair to me."

"Don't worry, I have always been fair, I drove you away, naturally there are my reasons, one of which is your daughter." Mrs. Li looked towards Gu Manyin.

Chapter 221 Dressing up against the theme

Everyone instantly turned their attention to Gu Manyin.

Gu Manyin became the target of public criticism.

She subconsciously wanted to hide behind Fu Jingting.

But Fu Jingting put his hand firmly on her shoulder, not allowing her to hide, and said in a deep voice, "Manyin, since you have done something wrong, you must learn to take it and face it!"

Gu Manyin's eyes widened in disbelief. Looking at him, it seemed that he was accusing him not only of not helping her, but of making her admit her mistake.

For a moment, Gu Manyin bit her lower lip, and a trace of hatred flashed in her eyes.

Although it was very fast, Fu Jingting caught it and was stunned for a moment.

Man Yin hates him?

Just because he didn't help her?

"It seems that Mr. Fu already knows. Since that's the case, I won't give a shit." Mrs. Li took a sip of red wine and said, "Just now on the second floor, I saw with my own eyes that it was Miss Gu touching Miss Rong's arm, and Miss Rong didn't do anything, and Miss Gu fell to the ground by herself."

"In other words, Gu Manyin flopped herself and then slandered our baby, right." Lu Qi became excited.

Mrs. Li nodded, "That's right."

Cheng Huai and Li Chuan were also relieved.

Great, Mrs. Li is on their side.

Even Fu Jingting's furrowed brows relaxed a little.

Rong Shu bowed to Mrs. Li with a sincere attitude, "Thank you Mrs. Li for helping me testify."

Mrs. Li smiled at her, "I'm not all for you, I just can't stand someone playing on my site. That's all."

Gu Manyin's face turned red as he said this.

Gu Yaotian's face was also very ugly, but he still insisted on gritting his teeth, "But the girl from the Meng family didn't see that. She saw with her own eyes that it was Rong Shu who pushed Man Yin."

“Oh? Did you see it with your own eyes?” Mrs. Li looked at Meng Ke with a constant smile.

“I...I...” Meng Ke was also a little panicked at the moment. She didn’t expect that Mrs. Li was on the second floor just now.

Meng Ke looked at Mrs. Li, and then at Gu Manyin and Gu Yaotian.

Gu Manyin nodded to Meng Ke, “Xiao Ke, say it, say you saw it.”

“That’s right, Meng family girl, just say it. Since you saw it with your own eyes, there is nothing you can’t say.” Gu Yaotian Also supported.

“I...” Meng Ke hesitated, facing this group of people with higher identities than her, her pressure increased for a while, and finally she couldn’t hold it anymore, and suddenly burst into tears, “I...I didn’t see it with my own eyes. “

What?” Gu Yaotian’s face changed drastically, “You don’t?”

Gu Manyin’s eyes even skipped a killing intent.

Damn, Meng Ke actually betrayed her!

Meng Ke didn’t dare to look at Gu Yaotian’s father and daughter, she buried her head in a low voice, and said in a panicked voice, “I was so pissed off by Rong Shu at the time that I didn’t pay attention to Man Yin at all. After Man Yin cried out, I found out that she had fallen. But I didn’t see how she fell.”

“You...” Gu Yaotian’s hands trembled, “Then why did you say you saw it again?”

“Because Man Yin is my friend, So...”

“That’s why you said you saw it.” Rong Shu sneered, “It seems that you are really Gu Manyin’s good friend, but Gu Manyin doesn’t consider you a friend.”

“Ah?” Meng Ke looked at Gu Manyin blankly.

Fu Jingting also looked down because of Rong Shu’s words.

After Gu Manyin felt it, she quickly hid the anger and killing intent in her heart, and showed a sad expression to Meng Ke.

Meng Ke immediately put Cheng Huai’s words behind her, and felt guilty for betraying Gu Manyin as a friend.

“Manyin, I’m sorry, I...”

Gu Manyin turned her head away and didn't look at her.

Meng Ke lowered his eyelids in disappointment.

Mrs. Li saw this scene in her eyes and shook her head slightly.

Beside him, Gu Yaotian was still unwilling to give up, "Even if Meng Ke didn't see it, what about the others."

He glanced at the other guests, "They just said it, they saw it.

" one sound.

Gu Yaotian heard it and wanted to get angry, but thinking of the fist just now, he still endured it.

At this time, a guest stood up embarrassedly, "So what, Mr. Gu, we didn't actually see it. We just didn't want to offend Mr. Fu, so we said we saw it."

"Pfft!" Lu Qi and Cheng Huai exclaimed. laughed.

Rong Shu and the restrained Li Chuan also raised the corners of their mouths slightly, with smiles in their eyes.

Only Fu Jingting's expression was terrifyingly dark, "Just because you are afraid of offending me, so you call the white one black?"

"Because Miss Gu is your fiancée." The guest replied in a low voice.

Fu Jingting wanted to refute, but he didn't know where to refute.

Because Man Yin is his fiancée, Rong Shu will be wronged. If the next time the Gu family does anything in his name, it is because they are his in-laws, so these people have to help cover it up?

At this moment, Fu Jingting suddenly realized that he was too indulgent towards the Gu family.

Absolutely not!

"You...you..." Gu Yaotian didn't expect that these people were trying to please Fu Jingting, so they gave Meng Ke and Manyin perjury. His eyes darkened with anger, and he almost fainted.

At the same time, he also hated these people, Meng Ke, and Gu Manyin, a rebellious girl.

Having the will to deal with others, but not having the ability to control the audience, is a typical incompetence!

“Mr. Gu, what else do you have to say now, if you still have, then I can only go to the surveillance.” Mrs. Li looked at Gu Yaotian with a smile.

Gu Yaotian clenched his fists and replied in a dry voice, “No need for Mrs. Li, this matter is our fault, we have wronged Miss Rong, Man Yin, apologize.”

Gu Manyin was reluctant, but her face was now After she lost everything, everyone looked at her with a strange color. If she didn't apologize, she would be even more ugly.

Therefore, she could only humiliate say sorry to Rong Shu.

Rong Shu smiled, “I think Miss Gu should say sorry to Mrs. Li. You slandered me and affected the atmosphere of the banquet. Secondly, it's your outfit.”

Dress up?

Everyone looked at Gu Manyin's dress.

Some smart people saw it and laughed immediately.

Those who haven't seen it yet are confused, such as Lu Qi and Cheng Huai.

As for Li Chuan, he belonged to the group who saw it.

Fu Jingting also belonged to the group who saw it, his thin lips pressed tightly, “Manyin, who arranged your look for you?”

“What's wrong with my look?” Gu Manyin obviously didn't realize it yet. What happened to the face.

Rong Shu smiled, “Your dress is fine, the problem is the fur on your shoulders and the handbag in your hand.”

“That's right.” Mrs. Li's face sank, “This is the second time I drive you away. Reason, the theme of today's banquet is to protect wild animals, everyone else is well dressed, but you show up wearing fur and holding a crocodile leather handbag, are you hitting me and Lao Li in the face?”

Hear this , Gu Yaotian sucked in a breath, and then angrily yelled at Gu Manyin, “Come on, who made you look!”

Not to mention that he hadn't discovered it yet, but only when he said it did he realize that this rebellious girl actually wore it. A dress that goes against tonight's banquet.

Really pissed him off.

“There is no stylist, it’s me... No, it’s her, it’s Rong Shu who deliberately harmed me!” Gu Manyin thought of something and raised her finger to Rong Shu.

Everyone looked at Rong Shu again.

Fu Jingting frowned, “Manyin, don’t talk nonsense.”

“I didn’t talk nonsense, it’s really her, she made me wear it like this!” Gu Manyin stomped her feet anxiously.

Gu Yaotian had another reason to target Rong Shu, “Okay, so it was you.”

Rong Shu stopped Lu Qi and the three who wanted to say something.

Chapter 222 So Stupid

“You said it was me?” Rong Shu smiled, “Then tell me, how did I make you dress like this? Could it be that I went to your house to make you dress?”

“You are not at my house, It’s in a dress shop!” Gu Manyin said while holding her palm tightly.

The curvature of Rong Shu’s mouth became more and more intense, “Oh? In a dress shop? I remember that I was in a dress shop, and I didn’t let you wear it like this.”

“It was you and that Chen Xingnuo, who said those dresses were matched with fur and crocodile leather handbags. It’s very beautiful, that’s why I...”

“Pfft!” Rong Shu covered her stomach and laughed out loud.

Lu Qicheng, Huai Lichuan also laughed.

Even Mrs. Li shook her head sarcastically.

Only Fu Jingting, Gu Yaotian and Meng Ke did not laugh.

Fu Jingting rubbed his eyebrows wearily.

Meng Ke lowered his head very low.

Gu Yaotian couldn’t wait to find a hole to dig into.

How could he have such a stupid daughter!

“What are you laughing at!” Gu Manyin pinched her hands and glared at Rong Shu and the others.

Lu Qi rubbed his sour face with a smile, “It’s nothing, we’re just laughing. We’ve never seen someone as stupid as you. Baby said that it looks good in a combination. You just wear it like that. Are you out of your mind?”

” If she had a brain, we wouldn’t be able to see her now.” Li Chuan said softly, but his eyes were cold.

“You, you...” Gu Manyin’s body trembled violently.

Fu Jingting’s hand on her shoulder tightened a little, “It’s okay, Manyin, don’t make trouble.”

“Jingting... They’ve all said that about me. If you don’t help me, they say I’m making trouble?” Gu Manyin He stared at him with wide eyes.

Gu Yaotian was also very dissatisfied with him.

Fu Jingting pursed his thin lips, just about to say something.

Rong Shu snapped her nails and suddenly said, “Miss Gu, I did tell Xing Nuo at the dress shop that those dresses look good with fur waistcoats and crocodile leather handbags, but I didn’t recommend you to wear them, you and I are enemies. , how could I give you a proposal, but I didn’t expect that you not only eavesdropped on our conversation, but actually wore it out, and even wore it to such a banquet.”

“Don’t talk nonsense, you told Chen Xingnuo at that time. It’s so loud, obviously it’s for me to listen to, what do you mean by eavesdropping, you guys are clearly setting up a trap for me to dig in.” Gu Man roared with tears in his eyes.

Cheng Huai rolled his eyes, “Is there any evidence? What do you say without evidence? You have no brains, you are stupid, you can do whatever others say, and in the end, you will be beaten.”

“You...”

“Enough!” Mrs. Li frowned and interrupted Gu Manyin impatiently, “This is my place, if you want to go back to your Gu’s house, all right, please invite Miss Gu and Mr. Gu out, my banquet, They are not welcome.”

“Yes.” Several waiters who arrived at some point nodded and made a gesture of invitation to Gu Yaotian and Gu Manyin.

Although Gu Yaotian was angry, his face was completely lost, and he didn't want to stay here. He forced a smile and said, "Then Gu will not disturb Mrs. Li. Let's go first, Man Yin, go."

"Dad!" Gu The manga was a little reluctant.

Gu Yaotian grabbed her arm and pulled her out of Fu Jingting's arms. After waiting for Fu Jingting's glance, he forcibly took her away.

If you don't go, it will only make you more embarrassed.

"Come on, let's go now, I haven't apologized to my baby yet." Lu Qi pouted.

Rong Shu chuckled, "I don't care about their apology. I'm saying that their faces are gone tonight. I believe they can still see their jokes on the Internet tomorrow."

"Yes." Lu Qi smiled gloatingly. .

Fu Jingting glanced at him, frowning slightly, but said nothing.

"Are you the daughter of the Meng family?" At this moment, Mrs. Li suddenly turned her attention to Meng Ke.

Meng Ke raised his head shyly, "Yes...Yes...Meng Jianguo is my father."

"You are a loyal person, but your brain is not very good. You are stupid and don't know it when you are used as an arrow." Li The lady commented lightly.

Lu Qi and Cheng Huai sneered.

Meng Ke's face flushed with shame.

Being told by a noble elder in public that her brain is not easy to use is more uncomfortable than killing her.

"Okay, you can go too. I remember that I didn't invite the Meng family, so you were brought by the daughter of the Gu family. Since the daughter of the Gu family has left, there is no need for you to stay." Mrs. Li waved her hand and went down. Eviction order.

Meng Ke nodded again and again, and after saying yes, lowered her head and walked quickly towards the banquet door.

Along the way, she could feel many strange eyes falling on her, making her dare not look up.

Manyin is famous tonight, so why is she not.

I believe that tomorrow's circle will be laughing at her voice.

"It's all gone, let's go too." Lu Qi put his hands on the back of his head and said.

Li Chuan looked at Rong Shu's dress, "My sister's dress was also stained with red wine, it's time to go back and change it."

"I can't leave, I'll have to talk to someone later." Cheng Huai sighed regretfully.

Lu Qi smiled happily, "Then you can talk slowly, don't worry, it's okay to talk about the sea and the rocks."

He patted Cheng Huai on the shoulder, wishing that Cheng Huai would never appear beside the baby.

Don't think he can't see it, this fellow has a heart for the baby.

It's enough to have him and Li Chuan beside the baby, there is no need for another bastard who grabs the baby's attention from them.

Cheng Huai laughed and threw Lu Qi's hand away. After saying hello to Mrs. Li Rong Shu and Fu Jingting, he turned around and went to the rest room to find someone to talk about.

"Mrs. Li, it's getting late, and we really should go. I'm sorry for what happened tonight. I've ruined your banquet. I'm sorry." Saying that, Rong Shu bowed apologetically to Mrs. Li again.

Mrs. Li laughed, "To be honest, I was really angry at first, but when I saw your calm attitude, I admired you very much, go ahead and be careful on the road."

"Yes." Rong Shu shook her hand with her. Afterwards, he took Lu Qi and Li Chuan away.

When passing by Fu Jingting, she didn't even look at him, as if he didn't exist.

Fu Jingting's heart was empty, and he raised his hand subconsciously, trying to hold her and not let her go.

But until she disappeared, he didn't catch her either.

Finally, Fu Jingting lowered his eyelids, folded his fists and put his hands down.

Mrs. Li saw this scene, and Mrs. Li smiled and asked, "Mr. Fu, I have also heard about your divorce from Miss Rong. The outside world said that you didn't have feelings for Miss Rong before you left, but I just saw it, and it doesn't seem like that."

Fu Jingting put his hand in his trousers pocket, and replied with thin lips, "Mrs. Li is joking, that's not the case, the only person I love is Man Yin.

"Shu has feelings?

how is this possible!

Fu Jingting pursed his thin lips, forcibly pressing down the emotions that surged in his heart, and rejected Mrs. Li's words.

Mrs. Li raised her eyebrows and smiled meaningfully, "Well, it seems that I read it wrong, sorry."

"No problem." Fu Jingting lowered his eyes and replied lightly.

Mrs. Li took a sip of red wine, "Speaking of which, how did President Fu and Miss Gu fall in love with each other? Miss Gu has been a vegetative person for six years, and six years ago, I knew that you and Miss Gu didn't know each other."

"Manyin and I have known each other for a long time." Fu Jingting shook his head slightly, "It's been about ten years, but we met as pen pals by chance, until I officially met Manyin six years ago."

"That's it. Mrs. Li nodded suddenly, and then smiled again, "But I'm curious, why did President Fu fall in love with Miss Gu?"

Chapter 223 Gu Yaotian's Anger

Fu Jingting's thin lips moved, wanting to say that he fell in love with Manyin because he saw the beautiful quality of Manyin in those letters.

However, when the words came to his mouth, he couldn't say anything.

Does manga have a good quality?

Of course there is no second personality, but even if it is Manyin's main personality, he suddenly finds that he can't find it, but there are a lot of shortcomings, such as being careful and caring.

In short, the current manga is completely inconsistent with the lively, kind and beautiful manga he saw in the letter.

In fact, he is also a little in love, but he once swore before meeting Manyin that he would make Manyin happy for a lifetime.

So even if he doesn't love her, he won't give up on her.

Unless, Manyin is not the one who communicated with him, but is it possible?

A flash of self-mockery flashed in Fu Jingting's eyes, and it was fleeting. He brought a glass of red wine in the tray of the waiting waiter, and then replied, "If you fall in love, you will fall in love, there is no reason.

"Excellent, it stands to reason that you shouldn't fall in love with a woman like Miss Gu, and I don't believe that President Fu can't see what kind of person Miss Gu is." Mrs. Li shook her glass and smiled at him.

Fu Jingting pursed his lower lip, "I know, but I have a promise to Man Yin."

"President Fu is really a man of great promises, but to be honest, I hope you leave Miss Gu, she is not suitable for you, She is also not worthy of you, she is completely inferior to your ex-wife, and the most important thing is that she will have a catastrophe one day, I hope President Fu will think about it." After Mrs. Li said, she turned and left.

She said this all because of the face of Mrs. Fu. When she was young, she was bullied by her mother-in-law, and Mrs. Fu helped her a lot, so she came to persuade Fu Jingting because of this feeling.

As for whether Fu Jingting listened or not, it was none of her business.

Fu Jingting looked at Mrs. Li's back with deep eyes, as if thinking about something.

After a while, he finished drinking the red wine, took out his mobile phone, and sent a message to Rong Shu about what happened tonight. I'm sorry.

Rong Shu was sitting in the car, talking to Li Chuan Lu Qi, when suddenly the phone rang, she took it out and looked at it, her brows furrowed.

Li Chuan , who was driving, saw the impatience on her face through the rearview mirror and asked, "Sister, who is it?"

"Fu Jingting." Rong Shu replied.

The co-pilot Lu Qi quickly turned his head, "Why is he looking for you?"

"I don't know, he sent me a message, I'll take a look." Rong Shu clicked on Fu Jingting's text message.

Looking at the words above, she smiled mockingly.

Lu Qi grabbed the phone curiously and rolled his eyes, "I'm here to apologize for Gu Manyin again, he's apologized for Gu Manyin several times in the past few months, he's not tired of it, I'm all for it. I'm tired, baby, I'll reply for you."

After speaking, he clicked on the reply box and started typing, while typing, he said, "If you really feel sorry for me, then send Gu Manyin to prison. It shows that you apologized in good faith. You just apologized verbally but did nothing. You should take back this kind of insincere apology and move yourself, send it!"

Lu Qi returned the phone to Rong Shu, "How is it? Baby, I can reply."

"Not bad." Rong Shu rarely encouraged him.

Lu Qi was instantly happy.

Li Chuan rolled his eyes at him, and then immediately said, "Sister, I can do it too."

"Sister trusts you, but you should concentrate on driving, don't look around, it's dangerous." Rong Shu patted the driver's seat.

Li Chuan groaned in grievance.

Lu Qi smiled proudly at him.

Li Chuan was too lazy to pay attention to him.

At the banquet, Fu Jingting squinted when he saw Rong Shu's reply.

He could see at a glance that this was not Rong Shu's return.

After the divorce, Rong Shu's attitude towards him was extremely indifferent. Knowing that he sent it, she would only reply very concisely, and would not reply for such a long time.

So, is it Li Chuan or Lu Qi who responded to this news?

Where did these two people reply with Rong Shu's mobile phone, their home or Rong Shu's home?

But no matter who they reply, it doesn't matter if they are in their own home or Rong Shu's home.

Fu Jingting felt very uncomfortable and wanted to smash his phone into pieces.

He rubbed his eyebrows, barely suppressed the anger in his heart, and asked Rong Shu as he typed?

Looking at Fu Jingting's reply, Rong Shu raised her eyebrows in surprise.

He actually saw that the text message just now was not answered by her.

But what if she saw it, should she still explain it?

A sneer flashed in Rong Shu's eyes, and then he turned off the phone, too lazy to look at it.

On the other side, Fu Jingting waited for several minutes, but he didn't get the news. He understood that Rong Shu would not return, and his thin lips were tightly squinted into a straight line.

What is she doing now, why doesn't she come back?

Are you busy, or with Li Chuan or Lu Qi...

crack!

Fu Jingting slammed the wine glass in his hand against the table with an ugly face.

Suddenly, the stem of the wine glass broke.

The broken gap cut through the palm of his hand, and the blood mixed with the red wine flowed down the table.

The waiter not far away saw it and rushed over to deal with it, "Mr. Fu, are you okay? I'll call a doctor for you."

"No." Fu Jingting took a tissue and wiped the wound on his hand expressionlessly.

He didn't seem to feel the pain. After wiping the wound, he tossed the tissue, then took out a decorative handkerchief from his chest pocket and wrapped it around his palm, which was considered a bandage.

"I'm leaving a little early, you tell Mr. Li and the others."

After speaking, he put his hands in his trouser pockets and strode away.

He couldn't think about what Rong Shu and Li Chuan were doing, or what they were doing with Lu Qi. As long as he thought about it, he felt inexplicably violent.

Therefore, he had to go to Rong Shu's place to see for himself to see if she had anything to do with Li Chuan .

Along the way, Fu Jingting drove very fast.

Seeing that they were about to reach Repulse Bay, suddenly the phone rang.

Fu Jingting frowned impatiently, reached out and picked up the phone, without looking at it, he answered directly, "Hello?"

"Jingting, it's me."

Gu Yaotian's voice came from the phone.

Fu Jingting controlled the steering wheel with one hand, "Uncle, what's the matter?"

"I want you to come and see Manyin." Gu Yaotian sighed and replied.

"What's wrong with Manyin?" Fu Jingting's tone was surprisingly calm.

Gu Yaotian was stunned for a moment.

What's going on, shouldn't he be worried and nervous?

Why so calm?

However, Gu Yaotian quickly thought it was because he was thinking too much, pinched the bridge of his nose and said, "It wasn't something that happened at the banquet, which made Man Yin feel ashamed. After coming back, he kept himself locked in the room and cried, why didn't he come out? , I'm a father, I'm worried that she will break her body from crying, so I can't do anything, just call you and ask you to come over to comfort her, and apologize to Man Yin by the way."

Fu Jingting pursed his lips, "You let me go over to comfort Man Yin. I can understand Yin, but why should I apologize? I don't think I need a place to apologize to Man Yin."

"Why not!" Gu Yaotian's face sank, "At the banquet, Man Yin was ridiculed by Rong Shu and the others. As your fiancé, you don't even help her, don't you need an apology?"

Hearing this, Fu Jingting's expression turned cold.

So this is the thinking of the Gu family?

Not admitting their own faults, they still want him to help them.

Why didn't he find out before that the Gu family was so... shameless!

“Uncle, what happened tonight is very clear. It was Man Yin who framed Rong Shu, and it was Man Yin who was wearing the wrong clothes. Since she did something wrong, she should admit her mistake, instead of letting my fiancé ignore her. It’s your fault, to protect her mindlessly, it’s not loving her, it’s hurting her!” Fu Jingting replied in a deep voice.

Chapter 224 Fu Jingting had a car accident

Gu Yaotian choked for a moment and knew that his words were very problematic.

But he is an elder, even if Fu Jingting knew that what he said was wrong, he shouldn’t say it outright.

Do you still want to be with the manga?

Thinking about it, Gu Yaotian snorted coldly, “Fu Jingting, Man Yin has done a lot of wrong things, what you did to Rong Shu before, don’t you help Man Yin as well, and finish Man Yin, now what about helping Man Yin? You’re harming Manyin, don’t you think it’s too late, you’ve already harmed

Manyin!” Fu Jingting’s pupils shrank a little, squeezed the phone tightly, but didn’t answer.

Yes, the things that happened to Rong Shu before were done by Man Yin’s second personality, but he also calmed down the second personality’s harm to Rong Shu in the cry of Man Yin, the main character.

So much so that Manyin’s second personality is becoming more and more vicious, and Rong Shu is still in the predicament of being targeted at any time.

So he not only hurt Man Yin, but also Rong Shu.

“Uncle, you’re right, maybe I should correct my soft-heartedness toward Man Yin, otherwise...”

Before Fu Jingting finished speaking, a shrill horn suddenly sounded in front of him.

Immediately afterwards, two dazzling high beams shone on his windshield.

The white light blurred his vision, Fu Jingting couldn’t see the road and scene in front of him, his brows furrowed tightly, and his face was extremely solemn.

But soon, he calmed down, dropped the phone, rolled down the car window, looked at the rearview mirror outside, and wanted to use the limited field of vision of the rearview mirror to park the car.

However, before he could turn around, the car in front with its high beams on, slammed into it.

boom!

A loud bang.

The body vibrated violently.

Fu Jingting slammed into the steering wheel, his forehead was instantly smashed, blood stained his entire face, and he lost consciousness after a while.

On the other end of the phone, Gu Yaotian hurriedly threw away his cell phone with an ugly face, "Fu Jingting actually hung up on me, does he still take me seriously?"

"Okay, what are you doing in such an atmosphere?" Mrs. Gu poured a glass tea for him.

After Gu Yaotian took it, he drank it in one breath, put the tea cup down heavily, and said, "I am his future husband, he just hung up the phone without saying hello, do you think I can be angry? Someone else's? The son-in-law is holding the father-in-law and coaxing him for fear that he will be neglected, but what about him, Fu Jingting? Don't tell us to lower his profile, even a smile is rare. Which son-in-law do you think is like him?"

Madam Gu stroked her hand. On his chest, "Jing Ting is cold-hearted, it's not like you don't know it."

"Being cold-hearted is not an excuse for him to hang up the phone without saying hello." Gu Yaotian took her hand away, raised his trouser legs and sat down, "I have this attitude towards my future father-in-law, and I really doubt whether he really loves Manyin." On the

second floor railing, Gu Manyin listened to this, his hand on the railing slowly tightened, his face The expression is even more incomprehensible.

Downstairs, Mrs. Gu gave Gu Yaotian an angry look, "Go, what are you talking about, how could Jing Ting not love Man Yin, but Jing Ting said that he fell in love with Man Yin very early, if it wasn't for Rong six years ago The family has stepped in, so Jing Ting and Man Yin are not married now, by the way, did Jing Ting want to come over?"

"No, I probably won't come over." Gu Yaotian rubbed his brows and replied. .

Gu Manyin bit her lower lip tightly.

The thing she was most worried about was still here.

Hearing her cry, Jing Ting didn't even say to come to see her. It can be seen that he has gradually begun to realize that she is not so important to

him. If he continues like this, even if he has not found out that the person he really loves is Rong Shu, I had already broken up with her.

No, she has to find a way to save it.

Gu Manyin squeezed the palm of her hand, put it down from the railing, and turned back to the room.

On the other side, Rong Shu and Li Chuan Lu Qi came back from eating hot pot outside. As soon as they got out of the car, they saw an ambulance from Ulla Ula passing by.

In the direction from which the ambulance came, there were still several police cars parked about 100 meters away from them. Several traffic policemen were circling the cordon. Outside the cordon, there were still people watching the fun.

"What's going on?" Rong Shu rolled down the car window and muttered while looking at the lively scene ahead.

Li Chuan beside him replied, "It should have been a car accident."

After speaking, he looked away and handed his bag to Rong Shu, "Sister, it's getting late, you should go back to rest first."

"Yes, baby, go back quickly. Right." Lu Qi, who had not come down from the co-pilot, also nodded.

Rong Shu hummed, "Then I'll go first."

She waved to the two of them, turned and walked towards the apartment door.

Lu Qi and Li Chuan watched her until she got in, and then drove away.

The next day, Rong Shu was woken up by Lu Qi's phone call.

She didn't open her eyes, she only stretched out her jade-like arm from the bed, grabbed the phone on the bedside table, and put the phone to her ear with the help of the muscle memory answer button. Unconsciously hoarse, "Hello."

"Baby, good news!" Lu Qi sounded loudly.

Rong Shu's ears hurt from the shock, and she woke up instantly. She opened her eyes and sat up from the bed. She rubbed her messy hair, and replied angrily, "What good news, what are you doing?"

"Fu Jingting came out . There was a car accident." Lu Qi replied excitedly.

Rong Shu's eyes widened, "What did you say? He had a car accident?"

"Yeah, that's the one we saw when we came back last night." Lu Tou.

Rong Shu wrinkled her nose, "Wait a minute, I'm a little confused. Are you saying that the car accident we saw last night belonged to Fu Jingting?"

"That's right."

"Why did he have a car accident with me?" Rong Shu didn't understand.

Could it be that Fu Jingting came to see her last night?

"I don't know either, but the news of his car accident has already exploded on the Internet. Now many reporters are standing outside the hospital, trying to find out how he is injured. The most important thing is that the Fu Group's stock market has also experienced turmoil. On

the other side, Lu Qi was wearing a colorful shirt and patted his thighs excitedly. Rong Shu rubbed his temples and was about to answer when the doorbell rang.

She just changed her words and said, "Aqi, wait a minute, I'm here. people. "

"Who is it?" Lu Qi asked quickly and vigilantly.

So early in the morning, is it Cheng Huai or that kid Li Chuan?

"I don't know, I'll go take a look. Alright, let's hang up first." Rong Shu put down her phone, lifted the quilt and got out of bed. After putting on

her shoes, she left the room and went to the entrance to open the door.

As soon as the door opened, a slap hit her in the face.

Rong Shu was stunned and covered her face. She looked at Wang Shuqin with a ferocious face outside the door in astonishment.

Wang Shuqin seemed to feel that a slap was not enough, so she raised her hand, ready to give her a slap.

Rong Shu quickly recovered, grabbed Wang Shuqin's hand, and slapped her back with a backhand. Go back.

With a snap, Wang Shuqin was slapped to the ground, showing how hard Rong Shu's slap was.

Wang Shuqin was stunned, unable to believe that she was actually beaten. It took a while for her to react and get up. Then he gritted his teeth and shouted, "Rong Shu, you little hoof, you dare to hit me, let's see how I deal with you. She scratched at Rong Shu's face with

open teeth and claws.

Rong Shu had been on guard against her for a long time. When she rushed over, she grabbed the feather duster on the shoe cabinet and slapped her face hard.

Chapter 225 Beating Wang Shuqin

How could Wang Shuqin beat Rong Shu, who had a weapon in his hand, and was quickly drawn and dodged around.

Rong Shu didn't stop because of this, but instead became more and more vigorous, as if she wanted to vent all the grievances she had suffered from Wang Shuqin in the past six years.

While smoking, she sneered and said, "What about hitting you, who said I can't hit you? Do you think you are still my mother-in-law? I tell you, you are nothing now, just a crazy woman, I beat crazy women That's it."

"You...you..." Wang Shuqin shivered angrily.

That is, as soon as she paused, Rong Shu's feather duster hit her calf, causing her to jump up in pain.

In the end, Wang Shuqin was afraid of being beaten, and kept shouting to stop.

Rong Shu was also a little tired. Seeing how embarrassed Wang Shuqin was being beaten by herself, she knew that she was almost done.

Wang Shuqin didn't expect that the current Rong Shu was so difficult to provoke, so she dared to do it, and for a while she regretted why she came up to her.

At this moment, the elevator in the corridor opened with a ding.

Fu Jinglin came out from inside and saw Rong Shu and Wang Shuqin at the door, his eyes lit up, and he quickly shouted, "Sister Rong Shu, Mom."

Rong Shu glanced at him lightly, not bothering to pay attention.

And Wang Shuqin is very tasty.

This is her son, and it wasn't her mother who started to call out.

It was Rong Shu's little hoof that really pissed her off.

"Mom, didn't I tell you not to come, you..."

Halfway through the sentence, Fu Jinglin finally found out that something was wrong with Wang Shuqin, and asked in surprise, "Mom, what's wrong with your face? Why is it swollen?" Wang Shuqin replied with a

twisted expression. "It wasn't that she was beaten. Not only did she hit me in the face, but she also beat my mother with a feather duster. Look at my mother's injuries."

She picked up her sleeves and showed him the bruises on her arms, one by one, which looked shocking.

Fu Jinglin opened his eyes wide and looked at the lazy woman leaning on the shoe cabinet in disbelief, "Sister Rong Shu, you...you really beat my mother?"

"When Shu replied, Wang Shuqin said dissatisfiedly.

Fu Jinglin ignored her and still looked at Rong Shu, "Sister Rong Shu, why did you hit my mother?"

Rong Shu snapped her nails, and said in a cold and indifferent voice, "Why, who told your mother to hit me, I can't fight back? "Fight back ? " Fu Jinglin was stunned for a moment, then looked at Wang Shuqin, "Mom, did you beat

Sister Rong Shu first?"

You made your brother like this, can I not hit her? After I said that, I slapped her, but she was fine. Not only did she slap me back, but she also slapped me with a feather duster a dozen times. Anyway, this matter is not over , I must call the police and sue her for intentional injury."

She pointed at Rong Shu's nose.

Fu Jinglin was anxious, and quickly said to Rong Shu, "Sister Rong Shu, please apologize to my mother."

He didn't want Rong Shu to go to jail.

Rong Shu looked at Fu Jinglin with a black question mark face, "You're stupid, why should I apologize to your mother?"

Fu Jinglin stomped her feet anxiously, "If you don't apologize, my mother will sue you, and then you will... .."

"Oh? So you're worried about me?" Rong Shu raised her eyebrows and looked at the young boy playfully.

The boy blushed red, and his eyes wandered away with a guilty conscience, "Who... who is worried about you, in short, you hurry up and apologize to my mother, or my mother will really call the police."

Rong Shu wrapped her arms and said lightly, "Do you think, even if I apologize, will your mother let me go?" When

Wang Shuqin heard this, she hummed proudly, "You are wise!"

Fu Jinglin was dumbfounded, and only then did he realize how simple his thoughts just now were.

Yes, Mom hates Sister Rong Shu so much, how could she dismiss the idea of ??calling the police because of Rong Shu's apology.

what to do?

Fu Jinglin clenched his fists, unable to think of a solution except anxiously.

Don't look at how tall and tall he is, but he is a young teenager who has not yet come out of the society. When he encounters a big event, he will be in a mess, and he doesn't know what to do.

Rong Shu looked a little funny.

This guy is kinda cute.

It's hard to believe that a vulgar woman like Wang Shuqin was born.

"Okay, if you want to call the police and arrest me, I don't think it's possible." Rong Shu covered her lips and sighed, and said lightly.

Fu Jinglin's eyes lit up and immediately looked at her.

Does Rong Shu have a solution?

Wang Shuqin curled her lips in disdain, "You said it's unlikely, then it's unlikely? Do you think you can stop me?"

"I won't stop you, on the contrary, you can call the police at any time, and when you see it, you will be arrested. It's me or you." Rong Shu replied with a smile.

Looking at her smile, Wang Shuqin felt a little uneasy in her heart, "You...what do you mean?"

"It's very simple, you came to me first, and you shot me first, so I can completely sue you for trespassing. People's house, if you commit violence against me, then if I hit you, it will naturally become a self-defense counterattack. Believe it or not, it will be me who will be acquitted and you will be detained." Rong Shu said with a hand spread.

Wang Shuqin's heart trembled, and her voice was no longer as assertive as before, and she became a little flustered, "You...you stop framing me, how is it possible."

"Then you can try it." Rong Shu did it An action to please.

Fu Jinglin quickly grabbed Wang Shuqin's arm and persuaded, "Mom, don't try it, in case it's true..."

If what Rong Shu said was true, the one who was arrested would be Mom.

He didn't want Rong Shu to be arrested, but he also didn't want his mother to be arrested, so this matter is best so far.

In fact, Wang Shuqin was also afraid, but for the sake of her face, she didn't want to say it directly. After thinking about it, she snorted coldly, "If you ask me to try it, I will try it. Who do you think you are?"

Rong Shu knew She was looking for steps for herself and rolled her eyes, "That's up to you, but I want to know what the hell are you doing here."

"You still have the guts to say." As soon as she mentioned this, Wang Shuqin's face turned hideous again. , Looking at Rong Shu's eyes, she could not wait to eat Rong Shu, "It was you who caused Jing Ting to have a car accident, you mourning star, a hoof!" As

she spoke, she wanted to greet Rong Shu again. .

Rong Shu narrowed her eyes and picked up the chicken feather duster just now again, "Why, the skin is itchy again, do you want to eat fried pork with bamboo shoots again?"

She looked at Wang Shuqin coldly.

When Wang Shuqin met her eyes, she shuddered, feeling that her body started to hurt again.

Fu Jinglin, who originally stretched out his hand to stop Wang Shuqin, also retracted his hand and looked at Rong Shu with admiration.

Sister Rong Shu is amazing.

It's surprising that his so violent and unreasonable mother can be so docile and obedient by Sister Rong Shu.

"It seems to be quiet." Rong Shu tapped the palm of his hand with a feather duster, "Since it is quiet, then explain what you just said. You just said that I caused Fu Jingting's car accident. Where is the evidence? There is no evidence, I can I'll sue you for defamation."

"Hmph, what evidence do you need to use? You must have asked him to kill Jing Ting in the car accident here in Repulse Bay." Wang Shuqin pointed to her nose.

"Mom, don't talk nonsense." Fu Jingting wanted to take her hand off.

Wang Shuqin pushed him away directly and continued to point.

Rong Shu froze for a moment and raised the feather duster.

After Wang Shuqin saw it, she immediately retracted her hand and carried it behind her back.

Seeing this, Rong Shu raised her eyebrows playfully.

It seemed that he had just beat her up, which scared her a lot. Seeing her raising the feather duster, the conditioned reflex was already there.

Chapter 226 Splash her all over

"Then tell me, why did I ask Fu Jingting to come here?" Rong Shu asked coldly, playing with the feather duster.

Wang Shuqin akimbo, "Why, you don't give up on Jing Ting."

Rong Shu was delighted, "As you said, if I let him come, he will come, then he won't give up on my ex-wife?"

"Don't talk nonsense, Jing Ting won't give up on you? You think it's beautiful, Jing Ting has never loved you." Wang Shuqin looked at her with her nostrils contemptuously.

Rong Shu looked away in disgust, "If that's the case, do you think I can call him over?"

"This..." Wang Shuqin choked.

But soon, she puffed up her chest and replied confidently, "Who knows what shady method you used to call Jing Ting over?"

"Tell you Wang Shuqin, if you dare to talk nonsense again, do you believe that I brush your mouth with the toilet?"

"You...you dare!" Wang Shuqin's eyes widened.

Rong Shu sneered, "See if I dare!"

She waved the feather duster.

Wang Shuqin stepped back subconsciously.

Because she retreated too fast, her left heel accidentally stepped on the forefoot of her right foot, and then her center of gravity became unstable, and she sat on the ground with her buttocks on the ground.

"Mom!" Fu Jinglin, who was silent on the side, hurried over to help someone.

Wang Shuqin rubbed her buttocks.

Rong Shu sent her two words unceremoniously, "You deserve it!"

"You..."

"What are you, you come up to slander me and cause Fu Jingting to have a car accident. I really gave you face?" Rong Shu looked at him with a cold expression. She, "Get out of my door now, or I'll make you embarrassed even more!"

"I want to see what kind of embarrassment you can give me!" Wang Shuqin didn't take Rong Shu's words to heart at all, she pushed Fu Jinglin away and stood in the middle of the door, "If you don't give me an explanation about Jing Ting, I will pay you back. I really won't go!"

"Mom..." Fu Jinglin humiliated his forehead, "Don't do that."

“You don’t mind my business.” Wang Shuqin gave him a dissatisfied look.

Rong Shu smiled angrily, “Okay, don’t go, then you don’t regret it.”

She turned around and walked into the room.

Fu Jinglin secretly thought that it was not good, and quickly asked loudly, “Sister Rong Shu, what are you doing?”

Rong Shu ignored him, walked straight into the bathroom, took a basin of water, then returned to the door and poured it directly at Wang Shuqin.

Wang Shuqin didn’t expect Rong Shu to come to this trick.

She wiped a handful of water from her face, and looking at the colorful stains in her hands, she knew that all the makeup on her face was gone, and she couldn’t stand it and screamed, “Ahhhh!”

Fu Jinglin originally wanted to take care of her, but now He also gave up the idea and put his head down deeply.

God, what a shame!

He didn’t even want to admit that this crazy woman was his own mother.

Rong Shu looked at the embarrassed Wang Shuqin, and smiled with satisfaction, “I said, if you don’t leave, I will embarrass you even more!”

Wang Shuqin took her hand away from her face, revealing an ugly face full of spots, resentful She stared at Rong Shu, “You wait for me, this matter is not over, I will not let you go!”

After that, she turned around and ran towards the elevator angrily.

Fu Jinglin looked at her, then at Rong Shu, his mouth opened, as if he wanted to say something.

But Rong Shu was too lazy to ask, and closed the door directly.

Fu Jinglin became lost, but looking at the closed door, he had to swallow the words and turned to chase Wang Shuqin, planning to calm her down and return to the basketball team.

In the living room, Rong Shu put the basin on the coffee table, picked up the phone, and called the old lady.

How is Fu Jingting, she doesn't care for a while, she only worries about the old lady.

Between the two brothers Fu Jingting and Fu Jinglin, the old lady hurts the most is Fu Jingting. If Fu Jingting has an accident, the old lady will definitely be hit hard.

Soon, the phone was connected, and the tired voice of the old lady came, "Shu Shu, did you miss your grandmother?"

"Well, I did." Rong Shu's expression softened and asked with concern, "Grandma, are you alright?" "The

old lady knew what she was referring to, and smiled kindly, "It's okay."

"But I don't seem to have the strength to hear your voice..." Rong Shu was still a little worried.

The old lady looked at her grandson who hadn't woken up on the hospital bed, and sighed, "Don't worry Shushu, I just haven't rested well, don't worry."

With such a big thing happening to Jing Ting, how could she fall asleep.

That's why she stayed here last night and didn't sleep a night.

"That's it." Seeing that the old lady didn't seem to be lying to her, Rong Shu's heart fell back to its original place.

Later, she persuaded, "Grandmother, I know that something happened to President Fu, and you are not feeling well, but you should pay attention to rest. You are old, so you should take good care of your health." The

old lady smiled and replied, "Okay, grandma knows, how about grandma go to rest when Jing Ting wakes up?"

"President Fu hasn't woken up yet?" Rong Shu raised her eyebrows.

The time of the car accident last night was about eleven o'clock in the evening, and I haven't woken up for nine hours now.

Seems to be hurt a little bit.

The old lady shook her head, "No, the doctor said that Jing Ting injured his internal organs and brain, so he won't wake up so early. By the way, Shushu, would you like to come and see Jing Ting?"

"No grandmother." Rong Shu lowered her eyelids, refused with a faint smile, "Mr. Fu and I have already divorced, so it's not suitable."

"That's fine." The old lady sighed in disappointment.

After that, Rong Shu chatted with her for a while before hanging up.

Packed up and went out, it was almost nine o'clock.

Rong Shu drove her car out of the parking lot, and when she passed the road at the west gate of Repulse Bay, she slowed down a little and turned her head to look out the window.

This is where the car accident happened last night, but it's been cleaned up now and there's no sign of a car accident at all.

Speaking of which, she still doesn't know why Fu Jingting had an accident here, but what does that have to do with her?

Rong Shu smiled, put on his sunglasses, and left again at a higher speed.

over there at the hospital.

The old lady was sitting beside the hospital bed, holding a water cup and a cotton swab to moisten Fu Jingting's lips.

Suddenly there was a knock on the door, and she answered without raising her head, "Come in." The

door opened, and Gu Manyin came in from outside holding a bunch of lilies. Seeing the old lady, she seemed to be frightened. She said timidly, "Old lady, you are here too." The

old lady frowned in disgust.

She couldn't stand the submissive look of this woman, as if someone had bullied her.

It's just such a thing, even Shu Shu's finger can't compare, and I don't know what Jing Ting thinks is better.

The old lady gave Fu Jingting a displeased glance, and then replied lightly, "My grandson has an accident and I'm not here, so tell me, where should I be?"

"No, no, that's not what I meant. I was just surprised that you are so old, old lady, that you came to take care of Jing Ting when you were not at home to rest." Gu Manyin suppressed the anger in her heart and waved her hand to explain.

Knowing that the old thing was here, she came later.

This old thing doesn't give her a good face every time, just wait, when she becomes Jing Ting's wife, she must toss this old thing well and make this old thing regret doing this to her now.

The old lady put the water glass on the head of the bed, "Is that flower for Jing Ting?"

Gu Manyin looked at the lily in her hand and nodded with a smile, "Yes, I don't know what kind of flowers Jing Ting likes, so After thinking about it, I bought a bunch of lilies."

"Wait, you just said, you don't know what kind of flowers Jing Ting likes?" The old lady suddenly narrowed her eyes.

Chapter 227 The old lady's suspicion

Gu Manyin's heart skipped a beat, she didn't know why she asked that, but she still squeezed the corners of her mouth and replied, "Yes... Yes." The

old lady smiled, with a meaningful smile, "This is strange, Jing Ting told me that you used to be pen pals and knew each other's preferences, but now you tell me, you don't know what kind of flowers Jing Ting likes, are you really Jing Ting's pen pal?"

Gu Manyin's pupils shrank . After a moment, he quickly lowered his eyes to hide the panic and guilt in his eyes, and responded calmly, "Of course, but I've been in a vegetative state for six years, so I forgot a lot of things, and Jing Ting also knows this. "

She kicked the ball to Fu Jingting just to tell the old lady that Jing Ting didn't mind her forgetting about it.

In this way, even if the old lady still suspects her, she will not hold on to her anymore.

"Really." The old lady raised her chin, not sure if she believed it or not.

At this time, the door of the ward was suddenly pushed open.

Wang Shuqin walked in cursingly.

The old lady's face sank, and she scolded, "What are you doing with such a big movement, don't you know this is a hospital?"

Wang Shuqin saw that the old lady was still there, so she quickly put away the fierceness on her face and smiled, "Mom, I am here. Didn't you pay attention?"

“Hmph, I’ve been married to Fu’s family for more than ten years, but I’m still so vulgar and I haven’t made any progress.” The old lady said annoyed.

Although Wang Shuqin was not convinced, she did not dare to refute.

Gu Manyin smiled slightly at her, “Auntie.”

Wang Shuqin suddenly became happy, “Yeah, Manyin is here too.”

“Yeah, such a big thing happened to Jing Ting, as my fiancée, Naturally, I should come and see him, if my parents weren’t too busy, they would have come too.” Gu Manyin flipped her hair and said with a gentle smile.

Wang Shuqin walked over, sat down beside her, took her hand and patted her kindly, how satisfied she was, “Good boy, it’s a blessing for Jing Ting to have you by his side.”

“Auntie...” Gu Man Yin’s face turned red, and she bowed her head in embarrassment.

Seeing this, the old lady sneered, “Fufu? I don’t think so, I’ll be thankful for not making the Fu family so smoky.”

Gu Manyin’s face froze, she couldn’t be shy anymore, her eyes were full of gloom.

Old things will find fault with her.

Wang Shuqin was also a little unhappy, “Mom, Man Yin is the fiancée chosen by Jing Ting, it’s not good for you to say that.”

“What’s wrong, isn’t what I said true, what happened at the Li family banquet last night, the circle it’s spread all over the place, who doesn’t know that your future daughter-in-law is not a simple role, just wait for her to come in and clean up your mother-in-law.” The old lady replied sarcastically.

“Mom, you’re talking too much. How could Manyin treat me like that, right?” Wang Shuqin looked at Gu Manyin beside her with uncertainty.

Gu Manyin nodded again and again, “Don’t worry, Auntie, you are Jing Ting’s mother. I am too late to be filial to you. How could I treat you like that.

” He ran to the back of his head anxiously and looked at the old lady proudly.

The old lady secretly whispered in her heart that she was too lazy to care about her.

“By the way, Auntie, what’s wrong with your clothes? Why are they wrinkled and wet?” Gu Manyin touched Wang Shuqin’s sleeve and suddenly asked.

Wang Shuqin pulled her face down, and said in a sharp voice, "It's not all Rong Shu's little hoof, who dared to splash me with water, if it weren't for me..."

"Have you gone to find Shu Shu?" The old lady slapped her on the head of the bed, she was interrupted.

Wang Shuqin's eyes rolled around, "I..."

"Don't hesitate, hurry up and say, are you looking for Shushu?" The old lady asked with a gloomy face.

Wang Shuqin simply gave it up, and replied, "I just went to find her, who made her cause Jingting to have a car accident."

Gu Manyin clenched her hands tightly.

What?

Jing Ting's car accident was caused by Rong Shu?

"Who told you that Jing Ting's car accident was Shu Shu's fault?" The old lady looked at Wang Shuqin, angrily.

Wang Shuqin snorted, "Jing Ting was involved in a car accident in Repulse Bay, where Rong Shu lives. Rong Shu must not give up on Jing Ting and wants to remarry Jing Ting, so she called Jing Ting over at night, causing Jing Ting to have a car accident, so it wasn't her fault, who else could it be?"

Gu Manyin lowered her head slightly, half of her face hidden in the shadows, making it impossible to see the jealousy on her face.

When she woke up in the morning, she heard her father say that Jing Ting had a car accident at around eleven o'clock last night, and then hurried over without asking Jing Ting in detail where the car accident happened.

Unexpectedly, he was in a car accident in Repulse Bay. No wonder he didn't want to go to Gu's house to see her. It turned out that he went to find Rong Shu.

Gu Manyin's body trembled slightly.

When Wang Shuqin saw it, she hurriedly asked, "Manyin, what's wrong with you?"

Gu Manyin raised her head, revealing a pair of wet red eyes, and replied with a choked voice, "I'm fine, I'm just..."

"I just heard Jing Ting . On Shu Shu's side, I'm not happy." The old lady pouted.

Gu Manyin was blocked and couldn't speak.

Wang Shuqin patted her thigh angrily, and scolded, "That little hoof!"

"I think it's light for Shu Shuguang to splash water on you." The old lady gave her a cold look.

Wang Shuqin was indignant, "Mom, why do you keep talking to outsiders."

"Who said Shu Shu is an outsider, even if she is not my granddaughter, she is still my granddaughter, much more lovable than the two of you." The old lady despised said.

Gu Manyin stood up and said sadly, "Auntie , I'm leaving first, the old lady doesn't welcome me very much." The

old lady sneered, too lazy to answer.

Wang Shuqin also got up, "Manyin, don't you wait for Jing Ting to wake up?"

"I'll come over when Jing Ting wakes up, please let my aunt let me know when the time comes." After speaking, Gu Manyin reluctantly looked at the man on the hospital bed. The man glanced at it, picked up the bag and left.

If she didn't leave, she was afraid that she couldn't help but want to strangle the old woman.

After leaving the ward, Gu Manyin took a breath, her expression changed, where there was still a bit of sadness, only the chilling viciousness,

she took out her phone, tapped it a few times, and put it to her ear, "Hey, Tianchen. , I want to see you!"

In a dimly lit basement, Lin Tianchen's glasses turned upside down, and he agreed, "Okay, let's meet in the box last time."

After the call, he took the phone in front of him and flipped it out. A number was called.

Tiansheng Group.

Rong Shu is chatting with Li Chuan.

She poured him a cup of coffee, "Aren't you working today, come to me, not afraid that your agent will find you everywhere?"

"I just finished the two-month glacier shooting, so the company specially approved I have a week off, let me have a good rest and adjust the jet lag." Li Chuan took a sip of coffee and replied warmly.

Rong Shu nodded, "I see."

"Sister, don't you think I'm annoying and want to drive me away?" Li Chuan looked at her aggrieved.

Rong Shu chuckled, "How come, you are my younger brother, how can a elder sister dislike his younger brother."

Li Chuan was happy again, but the smile did not reach the bottom of his eyes.

Little brother?

He has grown up.

"By the way, sister, have you read today's news?" Li Chuan asked suddenly.

Rong Shu was looking at the documents, and when she heard this, she tilted her head in confusion, "Are you referring to Fu Jingting's car accident?"

Chapter 228 The People You Know

"No, it's someone else's. I don't know what happened today. There are a lot of scandals in the Internet suddenly." Li Chuan replied.

Rong Shu was stunned, "Scandal?"

"Yes, for example, Mr. Wang of Hanmei Company has a lover's illegitimate child outside, Mr. Li of Wantong Company has evaded taxes, and Mr. Zhao of Long-distance Company has domestic violence against his wife and children, etc. In short, there are almost two The bosses of 30 companies have had a scandal, and now the Internet is a mess." Li Chuan said with a coffee cup to cover the icy curvature of the corner of his mouth.

Rong Shu opened her eyes slightly in surprise, "They didn't offend some big man, so big man deliberately punished them, but it's impossible for so many people to offend a big man at the same time."

"Who knows, maybe someone I don't like them, so I did this." Li Chuan smiled.

Rong Shu nodded, "That's what you said. Fortunately, Duan Xingbang didn't have these scandals. Otherwise, he would be on the Internet now. It doesn't matter if his reputation is gone, but he can't implicate Tiancheng."

“Don’t worry, Tiancheng will never have that situation. .” Li Chuan stroked the coffee cup.

Rong Shu laughed at him, “How can things be so absolute, even if...”

Before he could finish, he was interrupted by the ringing of the phone.

Rong Shu smiled apologetically at Li Chuan, picked up the phone and glanced at it, it was an unfamiliar local number.

“Hey, who is it?” Rong Shu touched the green answer button and put the phone to her ear.

On the other end of the phone, Lin Tianchen was silent for two seconds before speaking, “You didn’t save my phone number?”

Rong Shu blinked, “Lin Tianchen?”

“It’s me!”

“Sister, who is it?” Li Chuan looked at her mobile phone.

Rong Shu gave him a look to talk about later, and then asked, “What’s the matter with you?”

“Gu Manyin contacted me just now, it must be for your business.” Lin Tianchen clipped his phone between On his shoulders, he kept handling the animal carcasses on the operating table with both hands.

Rong Shu narrowed her eyes, “Why do you say that?”

“Because she hardly ever looks for me, she basically asks me to deal with you.” Lin Tianchen replied indifferently.

Rong Shu pursed her red lips, “You mean, you dealt with me before?”

Lin Tianchen paused with the scalpel in his hand, “Yes, I’m sorry, the person who stole your bag on a motorcycle is Me.”

“It’s actually you!” Rong Shu’s expression sank and stood up angrily.

Li Chuan followed and got up, “Sister, what’s the matter?”

“I’m fine.” Rong Shu rubbed her brows.

Then, she asked into the phone again, “What about my bag?”

"I threw it into the cesspool." Lin Tianchen replied apologetically.

He didn't know at the time that she was his angel.

So after robbing her bag, he directly helped Gu Manyin deal with it, because the mobile phone in the bag had evidence that Gu Manyin pushed her downstairs.

"Lin Tianchen, I remember you!" Rong Shu's lungs hurt, and she took a few deep breaths before she managed to calm down the anger in her heart, "Tell me, what did you want to do when you called me today?"

"I just said Now, Gu Manyin is looking for me, probably because he wants me to attack you again, so I want you to come over and listen to it together." Lin Tianchen saw that the animal carcass was almost handled, put down the scalpel, took off the gloves, and went to the side Washing her hands in front of the sink,

Rong Shu clenched her phone vigilantly, "How do I know, did you deliberately lead me over and then want Gu Manyin to deal with me? Don't forget, you and Gu Manyin have a very good relationship. , so why should I trust you?"

"I have a good relationship with Gu Manyin because I thought she was you, but now I know she's not, so naturally I won't be nice to her, and I can't tolerate her treatment of me. Deception, if you don't believe it, you can bring some more hands over." Lin Tianchen rubbed the foam on his hands to answer.

Rong Shu was silent.

After a while, she seemed to have made up her mind and bit her lip, "Okay, send me the address."

Since he said he could bring more people, she would bring more. She didn't believe it, even if it was a trap, she couldn't Get out of your body.

And most importantly, if what he said was true, she would know in advance what Gu Manyin wanted to do to her next.

Soon, Rong Shu received a text message from Lin Tianchen's address.

She replied a few words and went over immediately.

When Lin Tianchen saw it, he pushed his glasses, put his mobile phone in his pocket, took a bottle of unlabeled medicine from the glass cabinet on the side, and walked out of the room full of animal carcasses and several human bodies. Specimen's spooky basement.

“Sister, are you going out?” Seeing Rong Shu packing her bags, Li Chuan asked quickly.

Rong Shu hummed and told him the phone call with Lin Tianchen just now.

After hearing this, he immediately said that he would also go together.

Rong Shu wanted to refuse. After all, this was a grudge between her and Gu Manyin, and she didn't want to involve him.

But looking at his expectant eyes, he finally softened.

The two walked towards the door.

Just after walking out of the office, Chen Xingnuo came over with a document, “Mr. Rong, where are you going?”

“There is something going on, what's the matter?” Rong Shu looked at her.

Chen Xingnuo shook the document in his hand, “Last month's financial statement, I need your signature.”

“Then you can leave my office first, I'll come back later .” “Okay

.” Chen Xing Nuo nodded, then saw Li Chuan beside her, her expression suddenly became serious.

“President Rong, this is...” Chen Xingnuo stared at Li Chuan and asked.

If Rong Shu hadn't seen the scrutiny of Xiaochuan in her eyes, Rong Shu would have thought that she fell in love with Xiaochuan at first sight.

“This is my younger brother, Li Chuan.” After Rong Shu introduced, he looked at Li Chuan again, “Xiao Chuan, this is my finance minister and my good friend, Chen Xingnuo.”

“Hello.” Li Chuan didn't seem to read it. When Chen Xingnuo saw her eyes, she looked very strange, and extended her hand to her with a smile.

“Hello.” Chen Xingnuo's eyes flashed, and he also reached out and held his hand.

Two seconds later, Li Chuan took the lead in pulling out his hand.

Chen Xingnuo turned his head and asked Rong Shu, “Mr. Rong, aren't you the only daughter, why do you have a younger brother?”

“It’s not a kiss,” Rong Shu explained.

Chen Xingnuo raised his chin suddenly, then turned his eyes back to Li Chuan, “Mr. Li, is your surname Li? Or are there other surnames in front, such as Cheng, or... Ye!”

“What do you mean?” The gentle smile on Li Chuan’s face faded a lot.

Rong Shu was also confused, “Yeah Xingnuo, what do you mean by asking this?”

Chen Xingnuo smiled, “Don’t get me wrong, I saw Mr. Li and suddenly felt that he was very similar. “

You suspect that I have something to do with that person?” Li Chuan stared at her.

Chen Xingnuo looked at him, “Yes.”

“That disappoints you, my surname is neither Cheng nor Ye, my surname is Li, so I have nothing to do with the person you mentioned.” Li Chuanli He straightened his cuffs, and then pulled Rong Shu’s hand, “Okay, sister, don’t waste time, let’s go.”

“That Xingnuo, we’ll go first, I’ll talk about what I have to come back.” Rong Shu looked at Chen Xingnuo.

Chen Xingnuo nodded, “Okay.”

She watched Rong Shu and Li Chuan go away, and didn’t look back until she got into the elevator, and made a phone call to go out, “Old man, I saw a young man who looked very much like the master. I suspect that he may be the person we are looking for, his name is Li Chuan, you can check his information.” On the

other side, in the car.

While driving, Li Chuan warned earnestly, “Sister, that Chen Xingnuo is not easy. She has been killed. You should stay away from her.”

Rong Shu was shocked when she heard this, “I have Human life? Xiaochuan, don’t scare me, how is this possible!”

Chapter 229 Kill Her Immediately

“It’s true, I have two bodyguards, who are retired mercenaries, and they have killed people in their hands, and Chen Xingnuo’s aura is the same as my two bodyguards.

The most important thing is that I and I When she shook hands, she felt the thick callus on her tiger's mouth, which is something that people who have been holding wooden warehouses all year round have." Li Chuan said solemnly.

Rong Shu sucked in a breath, "God, Xing Nuo is not so simple!"

"So sister, stay away from her." Li Chuan warned again.

Rong Shu shook her head, "No, Xing Nuo helped me, I suddenly stay away from her, isn't it ungrateful, and I believe she will not hurt me."

Besides, whoever rules that someone who has killed someone must be is the bad guy.

Don't the soldiers who guard the motherland's territory also have blood on their hands, but they are good.

Seeing Rong Shu's stubbornness, Li Chuan had nothing to do, and sighed, "Okay, but sister, I still hope you pay attention and don't trust her completely."

Rong Shu knew that he was doing it for her own good, and nodded with a smile, "Okay, I remember."

While speaking, the destination arrived.

Li Chuan parked the car and went down with Rong Shu.

Under the leadership of the waiter, the two came to the box where Lin Tianchen was.

He was standing in front of the window, playing with a small scalpel, and he slowly turned around when he heard the movement behind him.

"Just one?" Lin Tianchen glanced at Li Chuan, and then put all his eyes on Rong Shu.

Rong Shu replied indifferently, "Of course not, others are guarding in the dark."

On the way here, she contacted a security company, spent 100,000 yuan, and hired ten bodyguards.

The ten bodyguards should already be in the hotel now. When she first came, she vaguely felt that someone was watching her.

"Didn't you tell me to come over and hear how Gu Manyin will deal with me next? Where's Gu Manyin?" Rong Shu looked around and asked.

Lin Tianchen pulled out a chair and made a gesture of inviting her to sit, "She hasn't arrived yet, and she won't come to this box, this box is for you to listen to, I will talk to her in the next box, next door I installed a monitor."

He pointed to the monitor on the table.

"Really?" Rong Shu put down her bag and sat down.

Li Chuan sat down next to her.

Suddenly, Lin Tianchen's phone rang.

He took it out and took a look, the glasses turned back, and put the phone back, "She's already here, so I'll go first."

Rong Shu hummed.

Lin Tianchen adjusted his clothes and left the box.

Soon, Rong Shu heard the monitoring equipment on the table, and there was a voice.

It was Gu Manyin and Lin Tianchen.

"Where did you go just now, there is no one in the box." Gu Manyin complained, looking at Lin Tianchen who came in dissatisfied.

All along, every time she wanted to see him, he would arrive early and wait for her to come.

This was the first time. When she arrived, she didn't see him, which made her very unhappy and felt despised.

"Go to the bathroom, sorry." Lin Tianchen pulled out the chair and sat down.

Gu Manyin put the bag down heavily, "I see you this time, not for anything else, but for Rong Shu, I want you to kill her immediately!"

Lin Tianchen narrowed his eyes.

Next door, Rong Shu was even colder.

Gu Manyin actually wanted Lin Tianchen to kill her!

Do you want someone else to take the shot because you failed yourself?

“Sister...” Li Chuan clenched his fists, his usually gentle face was cold and heart-pounding, “That woman is too vicious!”

Rong Shu’s red lips pursed tightly, “I know, I already knew.”

During college, she knew that Gu Manyin had a wicked mind and was not a good person.

But it wasn’t until Gu Manyin woke up this time that she completely understood that Gu Manyin was a bad person without any conscience.

“You suddenly wanted me to kill her so fiercely. Did she provoke you again?” Lin Tianchen lowered his eyelids, covering the killing intent in his eyes, and poured a cup of tea for Gu Manyin.

Gu Manyin pushed away the tea cup, “Did you know about Jingting’s car accident?”

Lin Tianchen glanced at the tea she pushed away, his eyes sank, “Of course, but I’m resting today, so I didn’t go to the hospital to see him.

” Ting had a car accident in Repulse Bay, or around eleven o’clock last night. At that time, my father called him and asked him to come to see me at Gu’s house. He refused, but drove to Rong Shu. What do you think I should do? Can you be angry or hate!” Gu Manyin said with a distorted expression, trembling all over.

“Okay, I promise you, just drink a cup of tea and calm down. You only woke up a few months ago, and your body hasn’t fully recovered. It’s not good to be so angry.” Lin Tianchen put the teacup back in front of her, He also persuaded her to drink in a coaxing tone.

Gu Manyin liked the feeling of being held, and gave him a proud look, “Okay, for the sake of your good for me, then I’ll take a sip.”

Lin Tianchen smiled and said nothing.

Gu Manyin picked up the teacup and took a sip of the tea, “Why is it a little sweet?”

“I put a little sugar, didn’t you say tea was bitter?” Lin Tianchen pushed back his glasses.

Gu Manyin didn’t doubt it, and took another sip.

Before you know it, the cup of tea is finished.

Lin Tianchen looked at the empty teacup, and the corners of his lips ticked to catch the traces.

At this moment, Gu Manyin's cell phone rang. Seeing that it was Wang Shuqin calling, there was a hint of surprise on her face, and she answered quickly, "Auntie, is Jing Ting awake?"

"Yeah, just woke up."

"Then I Come here." She stood up.

Putting away the phone, Gu Manyin looked at Lin Tianchen, "Wait for Rong Shu to have an abortion, I don't know when, so killing her on the operating table is fine."

"Then what do you want me to do?" Lin Tianchen also stood up.

Gu Manyin clenched her fists and smiled grimly, "Traffic accident, kidnapping, poisoning, as long as you can kill her and the cub in her stomach, you can do whatever you want, anyway, I don't want to hear it again. If you say failure, forget about the last time, if I fail again this time, I will never care about you again for the rest of my life!"

Lin Tianchen seemed to be frightened, and his already pale face became even paler.

"Don't worry, I won't fail." He looked at her with a firm look.

Gu Manyin snorted with satisfaction, then turned and left.

Lin Tianchen is a dog that comes and goes when she calls him. She understands him. What he fears most is that his angel ignores him.

So all along, she has seized on his weakness and threatened him to do all kinds of things for her.

Outside the box, seeing Gu Manyin's figure disappear completely, Lin Tianchen swept away the paleness on his face, took off his glasses, and wiped his face expressionlessly.

lifetime?

Do you think you have a lifetime to live?

Whoa!

The sound of the sliding door opening came from behind.

Lin Tianchen put on his glasses, turned around, looked at Rong Shu with a cold expression, and said quickly, "Don't worry, I won't attack you, I just promised her falsely."

“Sister, don’t trust him.” Li Chuan was vigilant staring at Lin Tianchen.

This person, who can so lightly promise to kill without even hesitation, is enough to show that this person’s hands are not clean.

Moreover, this man has a very deep heart, and even he can’t see through it. If my sister makes friends with such a person, there will be no bones left to be tricked.

“I know.” Rong Shu nodded.

Of course she wouldn’t believe Lin Tianchen.

Even if she saved him.

“What do you mean by Gu Manyin’s last failure?” Rong Shu squeezed her palm and looked up at Lin Tianchen.

Chapter 230 Fu Jingting wakes up

Could it be that this person robbed her of her bag and killed her before she knew it?

Lin Tianchen has studied psychology and obtained a degree. Naturally, she can see what Rong Shu is thinking through her expression and eyes.

He wanted to hide it originally, but he didn’t expect her to be so smart, and she had already guessed it.

“The last time you went to the hospital to have an abortion, Gu Manyin asked me to kill you on the operating table, and then pretended to be an accident, but later I saw the red mole on your wrist, so I didn’t do it.” Lin Tianchen Some dare not look at her reply.

“Bastard!” Li Chuan, with red eyes, grabbed Lin Tianchen by the collar and wanted to beat him.

Lin Tianchen didn’t make any resistance, and let him call, as long as Rong Shu was relieved.

He must never let his angels hate him.

“Xiao Chuan!” Rong Shu grabbed Li Chuan’s arm, “Let go of her.”

“Sister, he wants to kill you!” Li Chuan was unwilling.

Rong Shu emphasized again, “Let go of him.”

“...” Li Chuan looked at the indifference in her eyes, and finally let Lin Tianchen go.

Rong Shu turned her head to look at Lin Tianchen, who was frowning and pulling on the folds of his collar, "If you didn't see the red mole on my wrist at that time, you would have let me die on the operating table, right?"

In fact, this question, She also knew that her question was a bit redundant.

But she still wanted to hear his answer.

Lin Tianchen's lips moved, and it took a long time for him to avoid her gaze, and then he replied, "...Yes!"

"Oh..." Rong Shu sneered, walked past him, and walked towards the elevator.

Although she didn't like Lin Tianchen very much, she saved him.

Knowing that the person she saved in the past, and repaying herself like this, even if he didn't know that the person who saved him was her, she couldn't feel better in her heart.

"Sister, wait for me." Li Chuan gave Lin Tianchen a gloomy look, and hurriedly walked towards Rong Shu.

Lin Tianchen didn't stop Rong Shu from leaving. As a doctor of psychology, he knew that her heart was severely impacted at the moment.

It's all Gu Manyin. If Gu Manyin hadn't replaced his angel, he wouldn't have made his angel sad.

Just wait, he will torture her and make her the most perfect specimen in his basement!

Lin Tianchen's eyes shone with a terrifying light.

Outside the hotel, Li Chuan finally caught up with Rong Shu.

"Sister, are you okay?" Li Chuan looked at her and asked with concern.

Rong Shu looked down at the red mole on her wrist and did not answer.

How could she be okay.

She just found out that she almost died.

Seeing that Rong Shu didn't speak, Li Chuan suddenly hugged her and put his chin on her shoulder, his voice full of affection, "Sister, don't be afraid, with me, I will always be by your side to protect you.

" These words warmed Rong Shu's heart, and the haze was instantly dispelled a lot.

She patted the big boy on the back and said softly, "Okay, I believe you, let go first, I'm a little out of breath."

"Oh." Li Chuan obediently let go of her and looked down at her stomach, the eyes are obscure, "Sister, you are pregnant, what's the matter?"

He wanted to ask this question when he was in the box.

But at that time, she was concentrating on listening to the conversation between Lin Tianchen and Gu Manyin. He didn't want to disturb him, so she endured it until now.

Rong Shu touched his stomach and said lightly, "It's just absurd overnight."

"The father of that child is..."

"I don't know." Rong Shu rubbed her eyebrows and replied.

Li Chuan's eyes flickered, "When I was in the box just now, Gu Manyin mentioned twice that he wanted to remove the child in your belly. Could it be that the child in your belly belongs to Fu Jingting?"

Rong Shu was taken aback. Then he shook his head with a laugh, "How is it possible, is it Fu Jingting's, I don't know yet, maybe Gu Manyin thought that the child in my womb was conceived before Fu Jingting and I divorced, and I was afraid that I would use the child to come back to me again. The Fu family, that's why I did everything possible to let me shed my child."

After all, no one knew whether she and Fu Jingting had a relationship during their marriage, and I believe Fu Jingting would not say this to Gu Manyin.

As for how Gu Manyin knew she was pregnant, she wasn't surprised. Maybe when Cheng Huai told Fu Jingting, Gu Manyin heard it, or Fu Jingting told her directly, and they couldn't avoid these reasons.

"Sister, do you plan to stay this child?" Li Chuan asked again, clenching his fists.

Rong Shu shook her head, "Of course not, when I finish my busy time, I will go abroad to do it."

She didn't dare to do it in China, so she could only go abroad.

She still doesn't believe that Gu Manyin's hand can still be stretched abroad!

When Li Chuan heard that Rong Shu did not intend to keep the child, Li Chuan released his clenched fist and smiled.

Meanwhile, the hospital.

Fu Jingting was wearing sick clothes and leaning on the bedside with a pale face. Assistant Zhang stood by the bed and reported the follow-up emotions of last night's car accident.

"You mean, the car accident last night was man-made?" Fu Jingting coughed a few times, his bloodless handsome face was gloomy and frightening.

Assistant Zhang nodded with a serious expression, "Yes, according to the monitoring by the traffic control department, the car followed you from the moment you left the banquet, and it didn't suddenly accelerate over you until you entered Repulse Bay. Then he turned around in front and hit you, but that car was not as good as Mr. Fu's, and the entire front of the car was smashed, and the driver died on the spot."

"Dead?" Fu Jingting's expression was condensed.

Assistant Zhang nodded, "Yes, according to the forensic identification, although the driver was seriously injured, the real cause of death was sudden death. The forensic doctor found a high concentration of stimulants in his stomach, and the driver's heart could not bear it, so he Sudden death, I guess the driver took stimulants to strengthen his courage." "Really

." Fu Jingting sneered at the corner of his lips, "Have you found out why the driver hit me?"

"I checked, the driver is an ordinary person. , I have no grievances with you, so I think the driver is just a pawn who was bought to hit you. The real murderer is someone else, but unfortunately the driver is dead, and we have no way to know who the murderer is from the driver's mouth. " Assistant Zhang sighed regretfully.

Fu Jingting was not too surprised by the result, and said with a blank face, "Then continue to investigate and find out the person behind."

"Yes!" Assistant Zhang nodded.

Fu Jingting rubbed his eyebrows, "Is the group okay while I'm in a coma?"

Assistant Zhang pushed down his glasses and replied, "In the beginning, there were some problems in the stock market, but I stabilized in time, and some other people's stories popped up on the Internet later. Scandal, the attention of netizens and investors has been taken away a lot, so now the stock market has rebounded."

"That's good." Fu Jingting closed his eyes and slapped his forehead with some discomfort.

Seeing this, Assistant Zhang hurriedly asked, "Mr. Fu, are you alright? Are you feeling sick? I'll call the doctor over here."

After that, he was about to ring the bell.

Fu Jingting opened his eyes and stopped him, "No, I'm fine, I just have a headache, and some very strange images flashed through my mind."

"A screen?" Assistant Zhang was surprised.

Fu Jingting pursed his lips, "It may be the sequelae of being hit on the head, it's fine."

Assistant Zhang saw that he didn't seem to be stubborn, so he gave up.

Suddenly, there was a knock on the door of the ward.

Assistant Zhang went to open the door and saw Gu Manyin outside, just about to say hello.

Gu Manyin suddenly pushed him away and ran quickly into the ward, regardless of whether Fu Jingting's injuries could stand, he hugged him and choked up, "Jingting, it's great, you finally woke up. "

Fu Jingting was hit by her like this, and the wound on his body split open immediately, he groaned in pain, sweat broke out, and his brows were deeply wrinkled together.
