### Chapter 271 Gu Yaotian's Plan

Gu Yaotian smashed the phone hard on the ground.

With a snap, the phone screen fell into a spider web.

Mrs. Gu hurriedly stroked Gu Yaotian's chest, "What did Jing Ting tell you, why are you so arrogant?"

"It's not about breaking the marriage!" Gu Yaotian hurriedly sat down, "This time he is determined to He broke off his engagement with Man Yin, and even the time for the press conference has been decided."

"What? Isn't there any room for negotiation?" Madam Gu opened her mouth in surprise.

Gu Yaotian sighed, "Yes."

"Then what should we do with Manyin?" Mrs. Gu was so anxious.

Gu Yaotian's eyes were gloomy and he didn't answer.

what to do? How does he know what to do?

If he had a way, he wouldn't be sitting here sulking now!

You must know that Sansheng Group is now firmly in the top ten companies in the sea market because it relies on the big tree of Fu Group, but once the Fu family is no longer related by marriage, the Fu family will never pull Sansheng again. , Sansheng will not only fall out of the top ten rankings immediately, but will even be suppressed by other companies.

After all, in the past few months since the marriage with the Fu family, Sansheng Group has relied on the Fu family to grab the resources of other companies, so he wants to save the marriage with the Fu family more than anyone else.

Rubbing his face irritably, Gu Yaotian suddenly thought of an attention and looked at Madam Gu, "How about letting Man Yin and Jing Tingsheng rice cook mature rice?"

"Ah?" Madam Gu was stunned for a moment.

Gu Yaotian said with a gloomy expression, "As long as Jing Ting has a substantial relationship with Man Yin, even if he wants to break off the marriage, he will not succeed unless he wants to be scolded by thousands of people!"

Mrs. Gu bit her lower lip, "This... ..Isn't that coercion?"

"It just needs to be forced. Only in this way can the engagement between Jing Ting and Man Yin be kept." Gu Yaotian stared at her closely, "Think about it, once the engagement between Jing Ting and Man Yin is gone, those companies will not only attack our group but not say anything. Their wives also laugh at us behind their backs. When you want to go out to party with your wives, do you get pointed and laughed at by them? Do you think you can no longer go out for shopping and beauty care casually in the future?"

Hearing this, Mrs. There was a flash of panic, and she shook her head again and again, "Of course I don't want to!"

Whether it was before her marriage or now, she has always come here with brocade clothes and jade food. She has never worried about money, and she never asks the price of anything she wants to buy. So she couldn't imagine that she would buy something in the future, and she still had to think about whether the money was enough.

Furthermore, she is now the C position in the wives group, because she has a good son-in-law, so the wives are holding her and flattering her, but once Fu Jingting's son-in-law is gone, the wives will definitely leave immediately. Then she laughed and taunted her in turn, just thinking about such a day, she couldn't help shivering.

Listening to Mrs. Gu's words, Gu Yaotian smiled with satisfaction, "So, we can only take this risky move!"

"Husband, how do you want Jing Ting and Manyin to cook cooked rice?" Mrs. Gu squeezed the palm of her hand. ask.

Gu Yaotian narrowed his eyes, "It's not easy, let Manyin invite Jing Ting to the hotel, and then Manyin takes the opportunity to prescribe medicine for Jing Ting, and when the time is up, I will arrange for some media to come over, so that if Jing Ting still If you insist on breaking off the marriage, you will undoubtedly anger netizens. You can see if the netizens will let him go, and whether they will let the Fu Group go."

"I understand, that is to use public opinion to force Jing Ting to marry Manyin." Madam Gu Nod.

"That's right, so you call Man Yin now and ask her to come back. The plan must be carried out tonight without delay." Gu Yaotian said with a serious expression.

"But she didn't answer the call to Man Yin before!" Mrs. Gu said with some embarrassment.

Gu Yaocai didn't care and stood up, "Then continue to fight until she picks up. After all, we only have so little time."

Madam Gu was at a loss for words, she could only do as he said and took out her mobile phone to call Gu Manyin.

On the other side, in an abandoned old warehouse, a man held a ringing mobile phone and walked to the two men at the door of the warehouse.

“Mr. Li, Gu Manyin’s phone rang again.” The man handed over the phone.

Li Chuan glanced lightly, “Don’t worry about it, let it ring.”

“Yes!” The man put the phone back when he heard his words.

Next to him, Lin Tianchen looked at his watch, “It’s getting late, you go in and let them start. After dark, throw people in a crowded place.”

“Understood!” The man’s expression condensed, and he turned back to the warehouse.

Lin Tianchen took out a pack of cigarettes from his pocket, took out two, and handed one to Li Chuan.

Li Chuan didn’t refuse and took it.

At this moment, a panicked female voice came from the warehouse behind them, “Who are you!”

It was Gu Manyin, she woke up.

Gu Manyin was woken up by being splashed with water. After waking up, she found that she was not only in an unfamiliar place, but also tied up with five flowers, and her face suddenly turned pale.

She suddenly understood that she was kidnapped again!

“Who are we?” A few men standing in front of Gu Manyin gave a wretched smile, rubbed their hands and replied, “Of course we are the ones dedicated to serving you!”

Hearing the word “serving”, Gu Manyin’s pupils snapped. shrink.

what happened?

Isn’t it Rong Shu who they want to serve? Why become her?

“Okay, what are you talking about with him? Hurry up and start. I’m still waiting for the video to be handed over to the employer.” Not far away, a man with a video camera urged impatiently.

Gu Manyin looked at the man, recognized it at once, and widened her eyes, "It's you!"

It was the one who took her to the alley !

The eyes of the man holding the camera flickered slightly, but soon returned to normal. He turned on the camera and pointed at Gu Manyin, "Okay, my camera is already on, come on!"

". " The men were gearing up, and walked towards Gu Manyin with a smile.

Gu Manyin realized what they were going to do, her heart contracted instantly, and her face became even paler, and she hurriedly shouted, "You guys stop, don't come over!"

However, the men turned a deaf ear and continued on.

Soon, several men came to her, pushed her to the ground, and imprisoned her hands and feet.

Then, one of the men suddenly took out a syringe, and the syringe had already sucked some pale pink liquid.

After the man flicked the syringe, he looked at Gu Manyin with a wicked smile and said, "Do you know what's in it? It's a good thing to turn a fairy into a prostitute."

As he spoke, he was horrified by Gu Manyin. Watching, he plunged the syringe into her arm.

Gu Manyin's expression changed, she twisted and struggled violently, and roared in a shrill voice, "Let go of me, I warn you to let me go immediately, or I will let you die without a burial!"

"Let us die without a burial!" Land?" The men sneered in disdain.

The one with the syringe slapped her directly in the face.

"Ah!" Gu Manyin's face was slapped to one side in an instant, with burning pain, a buzzing sound in his head, the corners of his mouth were also broken, and a little blood flowed out, looking so miserable.

The man threw away the syringe, grabbed her hair, and said viciously, "You're a plaything, don't beg for mercy, and he even brazenly said that we would die without a place to die. Are you afraid that we won't take care of you? In that case, brothers. , then we can't let her down, we have to take care of her well, I heard that she is the ex-wife of the president of the Fu Group, playing with the rich woman, think about it and get motivated!"

## Chapter 272 Gu Manyin's End

The men were all excited and began to tear Gu Manyin's clothes.

Gu Manyin recovered from her daze, and roared with a grim expression, "I'm not the ex-wife of the president of the Fu Group. You are mistaken, I'm not Rong Shu!"

She finally understood why she was tied up, why all this People will say that they are here to serve her.

Because these idiots mistakenly recognized her as Rong Shu.

Sure enough, the men stopped when they heard this.

The man who got the syringe even asked, "Aren't you Rong Shu?"

Gu Manyin nodded repeatedly with red eyes, "No, I'm Gu Manyin, a friend of your employer!"

"This..." The men looked at each other. Man looking back with a camera.

The man who took the photo replied indifferently, "Don't listen to her, she lied to you, the employer said that there is a red mole on Rong Shu's wrist, and she has it on her wrist, so who is she not Rong Shu? In addition, the employer She also said that Rong Shu is very smart, and it is very likely that she will deliberately say that she is not Rong Shu to mislead you and let you let her go, so you must not be fooled!"

Hearing this, the men looked at Gu Manyin's wrist, where Sure enough, there was a red mole.

Gu Manyin was also dumbfounded.

She had always known that she had a red mole on her wrist, but she didn't expect Rong Shu to have one too!

But will it be so coincidental?

Red moles are rare in the first place, not to mention they are all grown on the wrist, no matter how you think about it, it is impossible!

There must be a problem here.

It's just that before Gu Manyin could figure out what was wrong, the man who took the syringe slapped her on the other half of the face and said angrily, "Okay, you're still lying to us, brothers, fuck her!"

Others The men nodded one after another and rushed towards Gu Manyin like a devil.

Outside the warehouse, both Lin Tianchen and Li Chuan heard Gu Manyin's shrill screams, but there was no expression on their faces.

Because for them, Gu Manyin's fate was brought about by herself.

Who made her want Rong Shu's life repeatedly!

...

at night, the lights are on.

A few sneaky people carried a sack to the downtown area, and then quickly fled by throwing the sack on the ground when no one was paying attention.

Not long after they escaped, someone found the sack and stepped forward to check it out of curiosity. When they saw that there was actually a naked woman inside, they quickly called the police.

That night, the news that Sansheng Group's daughter was not even an inch, and the news that it was suspected of being violated was on the hot search list of major websites and a.

For a while, there was a lot of discussion on the Internet.

Rong Shu was about to go to sleep, but Lin Tianchen didn't expect to call, "Look at the Internet!"

"What?" Rong Shu was puzzled.

Lin Tianchen pushed his glasses, "Remember what I said, do you want to deal with Gu Manyin today? You can see the results online."

Hearing his words, the sleepiness in Rong Shu's eyes disappeared instantly, and then she lifted the quilt and got out of bed. , walked quickly towards the study.

She just turned on the computer, and before she had time to search, some relevant news recommendations popped up.

Rong Shu clicked in and saw a video.

The video is short, less than a minute, but very informative.

Rong Shu saw a naked woman being released from the sack by the policewoman, who then covered the woman with a blanket and put the woman into an ambulance.

The video ends when the ambulance is gone.

Although the woman was covered with mosaics all over her body, Rong Shu could still recognize it at a glance, and that was Gu Manyin.

“Did you let someone leave her there?” Rong Shu picked up the phone again and asked.

Lin Tianchen nodded slightly, “Yes.”

“Aren’t you afraid of being found out?” Rong Shu raised her eyebrows.

Lin Tianchen smiled, “Are you worried about me?”

“No.” Rong Shu replied lightly.

Lin Tianchen shrugged his shoulders, not angry.

How could he be angry with his angel.

“Don’t worry, it won’t be found out.” Lin Tianchen looked at Li Chuan who was sitting in front of the computer and quickly tapped the keyboard and replied.

Rong Shu didn’t know the scene on his side, and squinted slightly, “Are you so confident?”

“Of course!” Lin Tianchen nodded.

Rong Shu pouted, “If that’s the case, then I wish you good luck.”

“Thank you.” Lin Tianchen smiled lowly, and then asked, “Do you like this result?”

Rong Shu knew what he meant. Whether she liked seeing Gu Manyin’s end like this, she curled her lips slightly and replied, “Honestly, it’s pretty cool, but I don’t advocate this kind of behavior that uses violence to suppress violence, I prefer to send her directly to prison. .”

After the video just now, she now somewhat believes that Lin Tianchen is not from Gu Manyin’s side.

So she is willing to talk to him a few more words.

“I know what you mean, but we don’t have any evidence of Gu Manyin’s crime in our hands. Even if we know what she did to you, without evidence, it’s impossible to send her to prison, so we can only use this method. Deal with her.” Lin Tianchen said while rubbing his temples.

He had mistakenly thought that Gu Manyin was an angel before, so even if he knew what bad things Gu Manyin had done, he never left any evidence of her doing bad things, and even helped her clear up a lot of evidence.

So now, he is somewhat regretful in his heart.

Rong Shu sighed, "Yeah, there is no evidence, the only evidence of Gu Manyin before was also stolen by you!"

If there was evidence, she would have taken Gu Manyin in long ago.

Even if Fu Jingting wanted to protect it, he couldn't protect it!

After all, what Gu Manyin said in the recording was so clear and logical that anyone could hear it. Gu Manyin couldn't possibly have any split personality.

In Lin Tianchen's always cold and ruthless eyes, there was a rare trace of guilty conscience and embarrassment. He touched the tip of his nose and replied, "Sorry!"

"Forget it, what's the use of talking about this, what's the situation with Gu Manyin now?" Rong Shu waved her hand, turned the subject back.

Lin Tianchen's glasses reflected the light and replied, "It's very serious, the lower part is torn, the damaged uterus must be removed, and I won't be able to conceive a child for the rest of my life."

This is what he found after a little inspection before letting Gu Manyin be thrown into the downtown area. the result of.

Rong Shu gasped, "So miserable?"

For a woman, having her uterus removed is a very tragic and cruel thing.

But compared to Gu Manyin killing her, she felt that Gu Manyin only lost one uterus, and it wasn't too bad.

So Rong Shu quickly calmed down, sighed and said, "I see, it's getting late, I should go to bed, I'll continue eating melons tomorrow."

"Well, go and rest." Lin Tianchen nodded.

Rong Shu hung up the phone, turned off the computer, and went back to the room.

Right now, in the hospital.

Gu Manyin had already come out of the operating room and was sent to the hospital.

Mrs. Gu was sitting beside the hospital bed, looking at Gu Manyin, whose face was as pale as paper and like a dead man, she cried, “Manyin, my Manyin woohoo...”

Gu Yaotian was also in the ward, standing He was smoking in front of the window, and hearing Madam Gu’s cry, he was already annoyed, but now he is even more annoyed.

He threw the cigarette butt on the ground, crushed it hard, and then scolded sullenly, “Okay, don’t cry, it’s annoying to cry!”

Madam Gu stopped crying, then looked at him angrily, “Gu Yaotian, daughter It’s all like this, I’m sad and sad and cry a few times and you’re annoying, are you still human?”

“You...” Gu Yaotian choked, and soon sighed with a headache, “Okay, okay, keep crying!”

Gu Yaotian Madam really continued to cry, “Yaotian, what are you talking about? How could Manyin be bullied? God is really blind!”

Gu Yaotian looked at Gu Manyin, who was unconscious, with a gloomy expression on his face, “Yeah, God is blind, Manyin has been bullied, and our plan is in vain!”

Madam Gu glared at him, “This is all When are you still thinking about your plan, don’t you worry about your daughter’s accident?”

“If I didn’t worry, I wouldn’t be here now, but I’m worried now that Man Yin was bullied. There has been a lot of uproar on the Internet, and Jing Ting must know that, now the divorce is a certainty.” Gu Yaotian pinched his forehead.

Mrs. Gu finally realized the seriousness of the matter, and she couldn’t care about crying anymore. She quickly asked, “Then... what should we do now?”

Gu Yaotian’s eyes were gloomy, “What else can I do, accept my fate!”

Even Jing Ting He loves Manyin. If something like this happens to Manyin, Jing Ting will definitely break off the marriage. Who would want to be a green turtle?

And if you don’t break off the marriage, the outside world will laugh at it.

“Do you really want to retire?” Mrs. Gu was a little reluctant.

What will the wives think of her once they break off the marriage?

“Otherwise? Not only do we have to agree to Fu Jingting’s divorce, we should even take the initiative to break the marriage. Now everyone in the circle knows that Man Yin has happened. If we don’t take the initiative to break the marriage, they will laugh at us even more, look down on us, and even accuse us. I don’t know what to say behind the back, we lie down on the Fu family and don’t let go.” Gu Yaotian replied tiredly.

Mrs. Gu covered her face and cried again, “Why do we encounter such a thing!”

Gu Yaotian stopped talking, just looked at Gu Manyin with an unpleasant expression.

Why does this happen?

It’s not all Gu Manyin’s fault, can’t you just stay at home if you have nothing to do? If you have to run out, hurting the Gu family becomes a joke.

At this time, there was a knock on the door of the ward, and it was Gu Yaotian’s assistant.

“What’s the matter?” Gu Yaotian looked at his assistant and asked in a deep voice.

The assistant opened his mouth and replied, “Mr. Gu, it’s not good, there are a lot of media reporters coming from outside the hospital, wanting to know the latest situation of the young lady.”

Gu Yaotian’s face sank when he heard this.

Madam Gu’s face turned red with anger, “Go away, let them go!”

Those media actually wanted to use her daughter to gain popularity!

It just didn’t lose its conscience!

“Let the security guard drive them all away. If anyone doesn’t leave, call the police and sue them for harassment!” Gu Yaotian roared.

The assistant nodded, “I know Mr. Gu, I’ll do it right away.”

After that, he turned and left.

As soon as the assistant left the front foot, a doctor came on the back foot.

“Mr. Gu, the test results of Miss Gu’s body fluids have come out. The results show that there are six males.” While the doctor said, he gave Gu Manyin a strange look.

It is said that the circle of the rich second generation is chaotic, and he didn't believe it before.

Now, he is convinced!

"Six?" Madam Gu stood up in shock at this number, her body trembling.

Gu Yaotian is the same, can't believe that so many men violated her daughter.

"Manyin, my poor Manyin woo woo..." Madam Gu threw herself on Gu Manyin, crying heartbroken.

Gu Yaotian clenched his back teeth and slammed his fist on the wall, "Bastard!"

"Yaotian, you have to avenge Manyin!" Mrs. Gu looked up at Gu Yaotian.

Gu Yaotian took a deep breath, tried his best to suppress the anger in his heart, and nodded gloomily, "Of course, I'll call the police and let those six bastards sit in jail!"

He took out his mobile phone and called the police.

Madam Gu thought for a while and took out her cell phone.

No matter what, Manyin has not dissolved the engagement with Jing Ting yet, they are still fiancées. If something like this happened to Manyin, you should tell Jing Ting.

Maybe Jing Ting will take pity on Man Yin for the sake of being bullied, and then he will not break off the marriage?

With this thought in mind, Mrs. Gu called Fu Jingting.

Fu Jingting answered, his voice was cold and indifferent, "What's the matter?"

"Jingting, something happened to Manyin, you..."

"I know." Fu Jingting sat in the living room, staring at the TV opposite, and replied lightly.

On the TV, the news of Gu Manyin's accident happened to be playing, but his face was calm, as if the accident was not his fiancée, but an unimportant person.

Mrs. Gu couldn't accept his attitude, and said with a stern face, "Jing Ting, since you know what happened to Man Yin, why are you still so indifferent?"

"Why not? What should I do?" Fu Jingting asked with a blank expression.

Mrs. Gu pinched the phone, "Can't you come to the hospital to see her?" Just as Fu Jingting was about to answer, the phone was snatched away.

Wang Shuqin holds the phone in one hand, the other on her hips, and stands with her legs apart. In addition, her round body looks like a compass, which makes her quite happy.

"What are you looking at, what's so good about a dirty shoe?" Wang Shuqin yelled into the phone in disgust.

In short, how much she liked Gu Manyin in the past, and how much she dislikes Gu Manyin now that she has been bullied.

How can a dirty woman marry her son and enter her Fu family's door!

When Mrs. Gu heard Wang Shuqin's words, she almost fell on her back in anger, "You... you dare to call my daughter a broken shoe?"

"Isn't it? She has been played with, not a broken shoe, and she is lying naked. On the street, the prostitutes in the brothel are not open to her!" Wang Shuqin scolded spittle.

"You...you..." Madam Gu shivered.

Born into a wealthy family, she scolds people in turn, how can she compare to Wang Shuqin from the market.

Wang Shuqin's two words made her unable to connect directly.

Wang Shuqin curled her lips, "What are you, you still want my son to see your broken-shoe girl and go to your Spring and Autumn Dream!"

She cut off the communication and returned the phone to Fu Jingting, sweeping away the arrogance just now, smiled and persuaded, "Jing Ting, you must not go to Gu Manyin, do you know?"

A smile flashed in Fu Jingting's eyes, and he nodded slightly, "Don't worry Mom, I didn't plan to go to see her."

"That's good. , that's good!" Wang Shuqin laughed even more happily.

Fu Jingting's eyelids drooped, "I'm going to break up the engagement with Gu Manyin." Wang Shuqin was startled at

first, then nodded quickly, "Sure, that woman has been played badly, this engagement must be broken, and after the breakup, Mom will introduce it to you. A better one."

Fu Jingting frowned slightly, "Okay mom, I'll talk about these things later, you go to rest first." "Okay

, I'm really tired, so I'll go back first." Wang Shuqin yawned and went upstairs .

Fu Jingting was still sitting on the sofa and continued to stare at the TV.

On the TV, Gu Manyin's incident was being broadcast in detail.

The above clearly stated that Gu Manyin was found in the downtown area and was naked in a sack, which was obviously a problem.

Normally, if a criminal wants to violate a woman, he must abduct the woman to a place where there are few people and no surveillance, because in this way, no one will find out.

But Gu Manyin's situation is different. The person who violated her put her in a sack and threw her in the downtown area, as if to let people find out that she was violated earlier, and let the news of her violation be quickly known to people all over the world.

Fu Jingting narrowed his eyes.

That person's purpose was obvious, to destroy Gu Manyin.

But who is it?

Just as I was thinking, the phone rang again.

Fu Jingting collected his thoughts, picked up his phone and glanced at it, Assistant Zhang called.

"What's the matter?" Fu Jingting answered the phone.

Chapter 274 Don't Want Your Things

Assistant Zhang's helpless voice came, "Mr. Fu, a lot of media called me and wanted to interview you. I guess they wanted to interview your attitude towards Gu

Manyin's accident." Fu Jingting frowned, " Which media are they?"

"Except for the biggest ones, there are others."

Fu Jingting pursed his thin lips, "Then warn them, if you want to interview, then prepare yourself for bankruptcy!"

"Yes . !" Assistant Zhang nodded without hesitation.

If you want him to say, those media deserve it.

For the sake of popularity, I actually wanted to interview President Fu at this juncture. Isn't it courting death?

"That's right, Mr. Fu." Assistant Zhang remembered something again and said, "Last time you asked me to ask Shi Mozhi if he knew that your heart is now Shi Qing, I have already asked him clearly, he has always known, so these six He has been paying attention to you secretly for years, so after the hypnosis on your body weakened, he appeared immediately."

Fu Jingting raised his chin, "So it is!"

"In addition, Shimo will go to the group tomorrow to help you relieve hypnosis and spiritual suggestion. , and your sealed memory." Assistant Zhang said again.

Fu Jingting hummed, saying he knew, and then asked, "Is there any problem with Shi Qing's death?"

"Not yet." Assistant Zhang shook his head regretfully, "After all, it has been six years, if you want to investigate It is clear that it is not so fast. I have contacted the traffic control department to see if I can still find the monitoring of the car accident that year. If I can find it, I can carry out a detailed investigation based on the monitoring. If I can't find it, it will be difficult. "

Fu Jingting's eyes darkened, "You can try to start with Gu Manyin." " It probably wo

n't work either!" Assistant Zhang sighed, "If Shi Qing's death is really related to Gu Manyin, then Gu Manyin will definitely not Admit, even if she admits, we can't produce conclusive evidence, she can refute with the judge, saying that we forced her to admit, then she will still be acquitted!"

Fu Jingting heard this, brows furrowed. Chuan word.

Yes, without evidence, it would be difficult to convict Gu Manyin, otherwise he would have thrown Gu Manyin into prison long ago when his hypnosis had weakened.

But he didn't have any evidence that Gu Manyin had attacked Rong Shu, only Lu Qi, Cheng Huai and the others were witnesses, and these witnesses were all from Rong Shu's side. Even if they went to court, Gu Manyin could still say that these witnesses They were all helping Rong Shu and deliberately slandering her, so it was useless no matter how many witnesses there were, as long as there had to be substantial evidence, otherwise Gu Manyin could still get away with impunity.

Of course, even if the law couldn't make Gu Manyin pay the price, he could do it privately.

Thinking, Fu Jingting's eyes flashed, and his voice was cold and he said, "I know, continue to investigate Shi Qing's death, in addition, make a summary of all the cooperation projects between Fu and Sansheng, before tomorrow's press conference, I will see."

Assistant Zhang knew that he was going to cut off all cooperation with Sansheng Group, and quickly nodded in response, "Understood!"

Fu Jingting stopped talking and put down the phone.

The next morning, Rong Shu finished packing, changed her shoes at the entrance, and was ready to go out to the company.

As soon as she opened the door, she saw the man leaning against the wall beside the door.

"Why are you?" Rong Shu was stunned for a moment, then she couldn't help frowning, and asked a little displeased, "What are you doing here?"

Fu Jingting stood up straight and handed her the paper bag he had been holding in his hand. "Have you eaten breakfast?"

Rong Shu glanced at the bag in front of her, "You came here to bring me breakfast?"

Fu Jingting nodded slightly, "I want to see you too."

"Haha." Rong Shu sneered, "But I don't want to see you!"

Fu Jingting's eyes dimmed for a moment, but soon returned to normal, and said in a soft voice, "There are mango porridge, mango sago, etc., all of which you like to eat, try it?"

Rong Shu poured out Not surprised he knew what she liked to eat, after all she had written those letters before.

"You often prepare these things for Gu Manyin?" Rong Shu still didn't pick up the bag and asked with raised eyebrows.

Fu Jingting realized that it was not good, and knew in his heart that it was a matter of death, but his thin lips moved, but he still answered, "Yes!"

First of all, there is no need to lie, after all, he really did it.

But at that time, he didn't know that Gu Manyin was fake!

Rong Shu was quite surprised by Fu Jingting's honesty.

But what about honesty, the thought of him giving her the same breakfast as Gu Manyin made her sick.

“Mr. Fu, you’d better take this breakfast back to Miss Gu. I don’t need it, and I don’t like these things for a long time.” After speaking, Rong Shu was about to leave Fu Jingting.

Fu Jingting suddenly grabbed her, with a hint of apology on his face, “I’m sorry, I didn’t think carefully, I will...”

“There is no future!” Rong Shu raised her hand to interrupt him, and said coldly, “President Fu, listen to me. Can’t you come out, I just don’t want to accept what you gave, it’s that simple!”

Fu Jingting’s thin lips pursed slightly.

Of course he could hear it, but he deliberately didn’t want to admit it.

“President Fu, can you let me go?” Rong Shu’s voice sounded again.

Fu Jingting’s eyes flickered slightly, he regained his senses, and let go of his hand.

Rong Shu patted his sleeve, as if there was something dirty on the sleeve.

Seeing this scene, Fu Jingting slowly tightened his hand holding the paper bag.

Did she despise him so much?

“Okay, Mr. Fu.” Rong Shu put down her hands after patting her sleeves, and looked at Fu Jingting with a light expression, “Can you please not come to me in the future? It will make me feel very annoying, isn’t it good to stay with your fiancée? And your fiancée had an accident last night, presumably she needs your company now, but you keep running towards my ex-wife, don’t you feel sorry for her?”

“I’ve never been sorry for her.” Fu Jingting didn’t like her pushing herself towards other women, and said with a stinky expression, “And after this morning, she will not be my fiancée.”

“What did you say?” Rong Shu His eyes widened in surprise.

Then, she suddenly remembered that a few days ago, Fu Jinglin called her to tell her that Fu Jingting wanted to break up with Gu Manyin.

So, what Fu Jinglin said is true, not joking?

Sure enough, the next second, Fu Jingting’s words confirmed her thoughts.

“I want to break up the engagement with Gu Manyin. There will be a press conference at ten o’clock. You must watch it!” Fu Jingting looked at Rong Shu and said.

Rong Shu frowned, “Why should I watch it? I’m not interested in your business.”

Hearing her refusal, Fu Jingting was not angry, and said with thin lips, “It doesn’t matter if you don’t watch it, I can do it when it’s over. Call to tell you the whole process of the press conference.”

After speaking, he looked at her for a while, turned and walked towards the elevator.

Rong Shu looked at his back, “Who wants to listen to what process you are talking about, I’ll tell you, if you call, I won’t answer at all!”

Fu Jingting paused for a while, and soon entered the elevator as if he didn’t hear it. .  
downstairs.

Assistant Zhang saw him come out, holding a paper bag in his hand, pushing his glasses, without the slightest surprise, he said sympathetically, “Sure enough, Miss Rong will accept everything from everyone, but she won’t accept what Mr. Fu sent you.”

Although Fu Jingting knew what he said was right, his face darkened, “If you don’t speak, no one will treat you as a mute!”

“Hehe!” Assistant Zhang scratched his head and smiled.

Fu Jingting threw the paper bag to him, “Eat it all!”

“All...all?” Assistant Zhang caught it in a hurry, raising the volume in disbelief.

### **Chapter 275 The Press Conference Begins**

Fu Jingting nodded expressionlessly, “Yes, all!”

Assistant Zhang twitched the corners of his mouth, “Mr. Fu, isn’t this too much, I haven’t had breakfast for a long time...”

“Eat!” Fu Jingting couldn’t bear it Beak cut him off.

Assistant Zhang held a breakfast that was enough for two people, and his face was full of tears.

Revenge, definitely revenge, revenge for what he just said.

Knowing that President Fu has such a small mind, he will not talk much!

A slip of a step becomes an eternal hatred!

Assistant Zhang looked at the paper bag in his arms and shook his head with a wry smile.

Time passed minute by minute, and soon it was ten o'clock.

Rong Shu handed the processed documents to Secretary Tong, then looked at the computer, biting her lips and wondering whether she wanted to watch Fu Jingting's press conference.

After hesitating for a while, Rong Shu finally decided to take a look.

Say, why not watch it.

Gu Manyin was divorced. It's such a cool thing, don't look at it for nothing.

Thinking like this, Rong Shu reached out to the mouse and clicked on the official website of the Fu Group.

In the live broadcast room, Fu Jingting stood on the rostrum of the conference room with a microphone, and looked at the media reporters below with a blank expression.

Those reporters were so stunned by him that the noisy conference room fell silent. Only the barrage in the live broadcast room kept scrolling, either complimenting Fu Jingting for being handsome or curious about the content of the press conference.

Many netizens have already guessed that the content of this press conference is related to Gu Manyin. After all, Gu Manyin had an accident last night. Today, Fu Jingting held a press conference, and he wondered why.

"Quiet?" Fu Jingting finally spoke.

The reporters below looked like elementary school students, nodding their heads in a hurry, and the audience watching the live broadcast room was full of laughter.

Who doesn't know that reporters are the toughest and most daring creatures. As long as there is news, they can die.

But now that they met Fu Jingting, it was like a mouse meeting a cat.

“Since it’s quiet, let me talk about the content of today’s press conference, which is the marriage with the Gu family. I announce that starting today, my engagement with Miss Gu Manyin of the Gu family is officially cancelled!” Fu Jingting looked directly at the camera, The voice said indifferently.

Unexpectedly, the reporters below and the audience in the live broadcast room were not too surprised.

Because they had already anticipated it.

Gu Manyin had this happened, and it was normal to break up the engagement.

Ordinary men can’t accept that their object has been played by others, let alone a wealthy family.

So now when everyone hears that Fu Jingting rescinds the engagement, no one thinks that he did something wrong.

Of course, there are some who think that he is a bit too much, and think that even if the marriage contract is to be terminated, it should not be terminated when the fiancée is in the most pain.

However, such voices were quickly scolded by clear-minded netizens, who dared not speak again.

In front of the computer, listening to Fu Jingting’s words, Rong Shu understood that from this moment on, he and Gu Manyin had nothing to do with each other.

But she couldn’t help feeling a little ridiculous.

Three months ago, Fu Jingting and Gu Manyin held a high-profile engagement ceremony at the Rehabilitation Banquet. Although she destroyed the last engagement ceremony, people all over the world knew that they were unmarried couples.

After that, the two people frequently showed their affection and envy others, but now it has become a joke.

Gu Manyin was bullied and became a joke in the circle and outside the circle, and it is estimated that no one will dare to see it in the future.

As for Fu Jingting, he has a high status and others dare not talk about him in person, but in private, he will definitely laugh at him for being green, and maybe even look at the top of his head from time to time.

Rong Shu turned the pen, all gloating in his eyes.

On the other hand, Li Chuan, Lu Qi, Cheng Huai and the three of them also watched the live broadcast of the press conference at their own homes. After listening to Fu Jingting's announcement that the engagement with Gu Manyin was terminated, the expressions on the faces of the three were different, but they all had one thing in common. , that is very unpleasant!

They really wanted Fu Jingting and Gu Manyin to be tied to death.

But they also knew that this was unrealistic, and they could only watch Fu Jingting and Gu Manyin's engagement dissolve.

At the press conference, some reporters began to ask questions, "Mr. Fu, did you negotiate with the Gu family to terminate the engagement, or did you unilaterally announce the termination?"

Fu Jingting raised his eyes and glanced at the reporter lightly. Does announcing make any difference? Such redundant questions will only waste time, next!"

The reporter sat back red-faced.

Another reporter stood up again, "Mr. Fu, I heard from a certain channel that you intend to break off your marriage with Miss Gu before, is it true?"

As soon as this question came out, other people's eyes lit up instantly.

I had planned to break off the marriage with the daughter of the Gu family before. It seems that there is more news here.

Fu Jingting narrowed his eyes, "Where did you hear that?" The

reporter didn't hide it, and replied truthfully, "I have a friend who works in Sansheng Group, and I heard Mr. Gu talk to someone on the phone by chance."

Fu Jingting Wei Wei raised his chin, "You're right. Before what happened to Miss Gu Manyin last night, I did plan to break up the engagement with her."

These words made the reporters present and the audience in the live broadcast room, all Shocked beyond words.

While shocked, I was also curious as to why.

Rong Shu was also very curious.

Earlier, Fu Jinglin called to say that Fu Jingting was going to break up the engagement with Gu Manyin, but Fu Jinglin didn't say the reason.

So now, she still wants to know.

In addition to him, Lu Qi, Cheng Huai and Li Chuan did the same, staring closely at Fu Jingting in the live broadcast.

“Mr. Fu , why, can you tell me the reason?” The reporter continued to ask excitedly.

Fu Jingting pursed his thin lips, “Because I can’t be with a woman who plots against me and has a vicious heart!”

Everyone was in an uproar.

Calculations, vicious hearts.

These two words together are enough to make people think of a lot of things.

In the hospital ward, seeing this, Gu Yaotian was so angry that he almost smashed the remote control at the TV. Mrs. Gu wiped away her tears, “Jing Ting

, how can he say that? It’s not enough for him to break off the marriage. He has to say such words to smear Man Yin. He is going to send Man Yin to hell!”

Saying that he has a vicious heart in public means that everyone will believe that what he said is true and that Man Yin is really vicious.

After all, no one would think that the boss of a leading company would lie in public.

And Manyin, who was labeled as vicious, has since become the target of public criticism. Even if the bullying is over, everyone will remember her viciousness and will not have any contact with her.

Moreover, inside and outside the circle will also doubt their family education, as well as the character of their husband and wife, and then alienate them and exclude them.

Even Mrs. Gu, a full-time wife, can think of it, but how can Gu Yaotian not.

He gritted his teeth and looked at Fu Jingting on the TV with dark eyes. He didn’t speak, and he didn’t know what he was thinking.

In Tiancheng Group, Rong Shu didn’t expect Fu Jingting to call Gu Manyin vicious in public.

Although he didn’t announce what Gu Manyin did, just the words vicious-hearted were enough to make people think about it.

This is another shot in Gu Manyin’s heart, making Gu Manyin unable to get up again.

Why did he do this?

Just because Gu Manyin impersonated her?

Even Cheng Huai was surprised, but after the surprise, he smiled meaningfully, "Love makes him live, hate makes him die, Jing Ting, you are really scary!"

Chapter 276 Three Eagles With One Arrow

On the spot, the press conference continues.

The reporter continued to ask, "Mr. Fu, why do you say that Miss Gu has a vicious heart? Did Miss Gu do something? Can you tell me more specifically?"

Other media reporters and the audience in the live broadcast room were also looking forward to watching. With Fu Jingting.

For them, in addition to the gossip in the entertainment industry, it is the gossip of the rich and wealthy that interests them the most.

Because I can't get in touch, I am very curious.

Fu Jingting pursed his thin lips, "No, you just need to know that the real reason for my termination of the engagement is like this. There is no need to know about the rest. That's it, today's press conference is over!"

After he finished speaking, he put down the microphone, with his hands in his trouser pockets, he walked out of the conference room with his long legs.

The reason why he didn't want to expose the disgusting things Gu Manyin did was mainly because he didn't want to push Rong Shu to the forefront.

Even if Rong Shu was a victim of what Gu Manyin did, some people with ulterior motives would guess whether Rong Shu did something that made Gu Manyin treat her like that.

The departure of Fu Jingting made the audience in the live broadcast room and the media at the press conference very uncomfortable.

Because he threw a blockbuster, but he didn't take it apart to show them, aroused their curiosity but walked away. It's really not a human thing.

But they didn't dare to stop Fu Jingting, so they could only turn their eyes to Fu Jingting's assistant, hoping that Fu Jingting's assistant could answer one or two things for them.

Assistant Zhang looked at the eyes of these people, and the corners of his mouth kept twitching.

He could see at a glance what these people were thinking.

To be honest, he also felt that his boss was a bit reckless.

But who makes people the boss!

With a secret sigh, Assistant Zhang picked up the microphone and began to deal with the media.

Of course, it is impossible for these media to know anything from him.

In the end, there was no way. These media left the Fu family and went to Sansheng to interview Gu Yaotian and see if they could find something from Gu Yaotian.

But Gu Yaotian did not accept the interview, but only posted a video on the official website.

In the video, Gu Yaotian's eyes are red and haggard, a proper picture of his grief because of his daughter's accident.

He looked at the camera and said, "Hello, netizens, I'm Gu Yaotian. The things about my daughter being bullied have been high on the Internet for the past two days. I'm sorry for taking up network resources, and I hope netizens don't want to. Pay attention to this matter again, my daughter is the victim, she is still in the ICU ward and has not woken up, if she wakes up and sees so many people talking about her sadness on the Internet, how broken she will be!"

said Here, he raised his hand, wiped the corners of his eyes, and continued, "As for President Fu's statement at the press conference that my daughter has a vicious heart, this is completely slander. I admit that my daughter has some flaws in her character, but it is definitely not vicious. Besides, who did she harm? Everyone is fine, so I urge everyone not to believe Mr. Fu's words and post some chilling comments on the Internet. You must know that your comments may also turn into a knife and kill you. Get rid of my daughter!"

Gu Yaotian took a deep breath and stared at the camera, as if he was going to see someone through the camera, "I don't know why you said that, Mr. Fu, but I think you two had a love affair. It is really unfair for you to say that to the woman. Of course, I also know that Man Yin has been bullied and shamed you, so you can't wait to break the engagement. I understand and accept it. From now on, the Fu Gu family will It doesn't matter anymore, alright, that's all I have to say, thank you everyone!"

After speaking, he bowed deeply to the camera, and the video ended.

Netizens who watched this video, whether they were disgusted with Gu Manyin or ordinary passers-by who eat melons, all changed their attitudes at this moment.

“Yeah, Gu Manyin is a victim, and it’s not that she wants to be bullied. Instead, those netizens are still scolding her as shameless on the Internet, saying disgusting things like a slap that doesn’t make a sound, I really doubt they have any Sanguan, are you not afraid that the victim will not want to commit suicide after seeing these comments after waking up?”

“These keyboard warriors are not afraid, they only care about themselves, and who cares about the victim.”

“I think what Mr. Gu said makes sense. Yes, Mr. Fu said that Gu Manyin had a vicious heart, but we did not see any vicious things Gu Manyin did, so it remains to be verified whether this is true or not, not to mention that he and Gu Manyin had a love affair. , Now it’s quite disrespectful to say that about the woman.”

“ ... ”

For a while, there was a lot of discussion on the Internet, some believed in Fu Jingting, and some scolded Fu Jingting, but they all turned into sympathy for Gu Manyin.

In the office of the president of the Fu Group, Fu Jingting looked at these comments with no expression on his face, but his whole body was full of cold air.

Assistant Zhang stood behind him, pushed his glasses and said, “I have to say, Gu Yaotian is very good at it, and all the blame is on you and the people who bullied Gu Manyin, they became a pure victim, what’s wrong? None of them.”

Originally, after President Fu revealed Gu Manyin’s true face, everyone on the Internet believed that Gu Manyin was indeed such a person, so even if Gu Manyin was bullied, netizens did not sympathize with President Fu. The divorced clapped hands.

But now, as soon as Gu Yaotian’s video came out, the situation was reversed. Netizens began to doubt whether Mr. Fu’s words were true or false, and most netizens thought it was false. First of all, they did not see what Gu Manyin did, and secondly, Gu Manyin was another victim of this incident.

And people often subconsciously sympathize with the weak and the victims, so the current situation is that all the bad comments about Gu Manyin on the Internet have stopped, and the Sansheng Group’s stock market has also risen.

In short, Gu Yaotian took one step and killed two birds with one stone!

Ah no, it should kill three birds with one stone.

Gu Yaotian also took revenge for President Fu's divorce, because Gu Yaotian's words just now clearly meant that President Fu deliberately smeared Gu Manyin. As a man, if he wants to smear his ex-fiancée after breaking off the marriage, it will naturally poke the ill feelings of netizens. Aren't many netizens starting to scold President Fu now?

Sure enough, ginger is still old and spicy.

Assistant Zhang shook his head with emotion.

Rong Shu also wanted to understand all of this.

She realized even more that Gu Yaotian, an old fox, was not easy to deal with.

So she can't take it lightly because she has won against Gu Yaotian a few times before, otherwise she doesn't know how she died.

Thinking of this, Rong Shu narrowed her beautiful almond eyes slightly, her face full of seriousness.

On the other side, Li Chuan turned off the computer and called Lin Tianchen, "When are you going to release Gu Manyin's video, now Gu Yaotian has cleaned up Gu Manyin."

"No hurry." Lin Tianchen's eyes She replied in a reflective manner, "When Gu Manyin wakes up, he will say, I know her, and she will definitely do something, so when the video is released, she can be shot into the abyss again."

Li Chuan nodded thoughtfully, "I see."

Lin Tianchen also asked, "Have you dealt with the surveillance?"

"Okay, I'll send it to you later." Li Chuan replied.

Lin Tianchen hummed, "Okay."

Fu Group.

After reading the summary of all cooperation with Sansheng Group, Fu Jingting handed the summary to Assistant Zhang, "Notice, starting today, all cooperation with Sansheng Group will be cancelled!"

Chapter 277 Dusty Memories

Didn't Gu Yaotian step on him to push up the Sansheng Group's stock market, then he would step back again!

"Understood, but the liquidated damages..."

"It's just compensation!" Fu Jingting pursed his lips and said lightly.

Gu Yaotian said those words in the video, probably because he thought there was liquidated damages, so he was not afraid of him canceling the cooperation.

It's a pity that Sansheng is not as rich as Fu's, and Gu Yaotian is not as rich as him. He doesn't care about this liquidated damages at all.

"Yes." Assistant Zhang nodded and followed suit.

About half an hour later, Gu Yaotian received a notice to cancel the cooperation, including the liquidated damages from Fu from the finance department.

This time, Gu Yaotian was completely stunned.

He knew that what he said in the video would offend Fu Jingting.

But he did not expect that Fu Jingting would rather pay liquidated damages than cancel all cooperation with Sansheng!

For a time, Gu Yaotian panicked.

You must know that the Sansheng Group has already begun to decline. The reason why it is still in the top ten companies in the sea market is because of the cooperation of the Fu Group.

Now that the cooperation is gone, Gu Yaotian can't imagine how the Sansheng Group will fall, and those directors in the group will not let him go.

Just as he was thinking about something, there was a knock on the office door, and the assistant came in anxiously, "Mr. Gu, it's not good, Director Wang and the others have jointly held a meeting and let you come over."

Gu Yaotian's pupils shrank, and his heart froze. a bit.

Afterwards, he stood up from the chair with a wry smile, as if he were ten years older all of a sudden.

"I see, let's go!"

Fu Group.

Assistant Zhang reported the current situation of Sansheng Group to Fu Jingting.

Fu Jingting was processing the documents, and hummed without raising his head, indicating that he understood.

At this moment, Assistant Zhang's cell phone rang.

"Mr. Fu, I'll take a call." Assistant Zhang looked at Fu Jingting and said.

Fu Jingting nodded slightly, "Go ahead."

With permission, Assistant Zhang took out the phone, saw the caller ID, raised his brows, and answered.

Two minutes later, he hung up the phone and looked at Fu Jingting, "Mr. Fu, Mr. Shi is here!"

Hearing this, Fu Jingting paused with the pen in his hand, then raised his head, squinted his eyes, and urged in an undisguised tone, "Let him come up!"

"Yes, I'll pick him up." Assistant Zhang said, and went out to pick him up.

Soon, Shi Mo appeared in Fu Jingting's office, still expressionless in white clothes and trousers.

Fu Jingting also looked at him indifferently.

The two stared at each other for a while, and finally Fu Jingting was the first to break the eerie silence.

"Sorry, I didn't know my heart now belongs to your brother." Fu Jingting stood up and said.

Shi Mo's silver-gray eyes fell on his heart, "It was given to you by Shi Qing voluntarily, you don't need to say sorry to me."

Voluntary?

Fu Jingting's eyes flashed.

Perhaps the heart was indeed given to him by Shi Qing voluntarily, just as Shi Qing voluntarily fulfilled Gu Manyin and let Shi Mo hypnotize him.

But Shi Qing's car accident, he still thinks there is a problem.

And Shi Mo didn't seem to realize that there was a problem.

“Can we start now?” Shi Mo didn’t know what Fu Jingting was thinking, looked at Fu Jingting and asked.

Fu Jingting recovered his thoughts and nodded slightly, “Okay.”

Forget it, I won’t tell Shi Mo for the time being.

It’s not too late to wait until the results of his investigation come out.

Shi Mo motioned to Fu Jingting to sit down. After Fu Jingting sat down, he suddenly thought of something, and pursed

his thin lips, “Lin Tianchen said, I have a memory that has been sealed, what memory is it?”

sealed memory.

But the picture flashed so fast that he couldn’t capture it at all, so that he still didn’t know what memory it was.

Shi Mo’s expression and eyes still did not fluctuate, and he replied coldly, “It’s your memory of finding out that Gu Manyin is not Maple Leaf.”

“What?” Fu Jingting’s pupils shrank, then looked at him gloomily, “What do you mean? , I already found out that Gu Manyin is not Maple Leaf?”

“Yes!” Shi Mo put on his gloves and replied.

Fu Jingting clenched his fists tightly, and a strong low pressure radiated from his body.

Shi Mo glanced at him, “Sorry.”

When Fu Jingting heard the apology, his eyes narrowed, and he quickly suppressed his anger and calmed down.

To be honest, when he heard that Shi Mo sealed his memory, he was really angry and wanted to kill Shi Mo.

But then he thought that his current heart belonged to younger brother Shimo, and he had no choice but to give up.

“Let’s start, unravel the hypnosis, spiritual suggestion, and memory on me.” Fu Jingting waved his hand and said tiredly.

Shi Mo nodded slightly, “Close your eyes.”

Fu Jingting did as he did.

Suddenly, he heard a crisp finger snap, and his head began to feel dizzy.

In the next second, he completely lost consciousness and fell into darkness.

I don't know how long it took.

Fu Jingting saw a white light in the darkness, he followed the white light subconsciously, and then he woke up.

Looking at Shi Mo, who was sitting across from the desk and drinking tea, Fu Jingting rubbed his temples, "Alright?"

"As for your memory, I have also untied it, you can recall that memory if you think about it carefully."

Fu Jingting rubbed his thumb after hearing this, and lowered his eyes to recall.

After a while, he saw the picture in his mind that flashed very quickly, but now it has become very slow.

Fu Jingting integrated these pictures and got a complete memory.

Six years ago, not long after he met Gu Manyin and established a relationship, he had already discovered that Gu Manyin was no longer Maple Leaf.

Because the flaws in Gu Manyin's body are so obvious, it's hard not to notice.

But just when he was about to ask Zhang Cheng to find out where the real Maple Leaf was, he met Shi Mo, and then Shi Mo hypnotized him, and he forgot the memory of finding out that Gu Manyin was not Maple Leaf.

Fu Jingting's eyes turned red, his fists were clenched tightly, and the veins on the back of his hands were showing.

It turned out that he already knew that Gu Manyin was not Maple Leaf, but he forgot about it because of Shimo.

If Mo hadn't made a move at that time, he and Rong Shu would never have come this far!

Thinking of this, Fu Jingting looked at Shi Mo with gloomy eyes, and his voice was chilling, "If it wasn't for Shi Qing's heart, I would never have let you go!"

Shi Mo's expression was still calm, and he didn't say anything. Any emotion of fear at his words.

This is one of the symptoms of affective disorder. There is not much response to any emotion, and there may even be no response.

Fu Jingting was a little frustrated.

He rubbed his eyebrows, "And the hypnosis of my family and assistant, when did you do it?"

"Six years ago, not long after I hypnotized you, I specifically found them, hypnotized them, and made them forget to see me." Shi Mo replied lightly.

Fu Jingting's thin lips pursed a bit cold, "Untie it for them."

"It's not necessary, their hypnosis is very shallow, it just prevents them from discovering the flaws in Gu Manyin, you tell them directly that Gu Manyin is not Maple Leaf, they The hypnosis will naturally be lifted."

It turned out to be so.

Fu Jingting raised his chin, "I see, let's go."

He waved his hand.

Assistant Zhang sent Shi Mo out.

After returning, Fu Jingting instructed, "Contact Shi Mo's teacher, and he said that Shi Mo's confinement does not need to be closed, just when I repay Shi Qing's heart!"

Chapter 278 Fu Jinglin who did something wrong

Assistant Zhang was not too surprised by Fu Jingting's decision, and nodded slightly, "Understood!"

"Go, take these documents with you by the way!" Fu Jingting pinched the bridge of his nose.

Assistant Zhang looked at the stack of documents and reached out to hold them.

Not long after he left, Fu Jingting's cell phone rang. It was Fu Jinglin's call.

"Brother, I saw your press conference!" On the other end of the phone, Fu Jinglin was wearing a basketball uniform and was sitting on the row of chairs beside the court,

sweating profusely. It was obvious that he had just finished exercising, with undisguised excitement on his face. color.

Fu Jingting leaned back, "Then what?"

"And then of course congratulations!" Fu Jinglin wiped his sweat, "Brother, congratulations on your escape from

the sea of ??misery!" Fu Jingting's thin lips hooked, "Okay, I see, You play well, hang up first."

Hearing Fu Jinglin's slightly short breathing, he guessed that Jinglin must be playing.

During this period of time, the U17 expedition competition was in the white-hot stage, and there were two or three competitions every day, so this call was probably also called by Jing Lin during the break.

"Wait bro, don't hang up yet!" Fu Jinglin threw the towel away and hurriedly stopped.

Fu Jingting frowned, "What else do you have to do?"

"It's not a big deal, I just wanted to ask you, is it true that... Gu Manyin was caught on the Internet?" Fu Jinglin asked very curiously.

He also just saw it on the Internet, and he didn't read it in detail, so he didn't know the truth.

Fu Jingting hummed, "It's true!"

"Hi..." Fu Jinglin gasped, shocked.

But soon, he calmed down again, curled his lips and said, "Sure enough, she will be retributed for doing bad things. She has done so many bad things to Sister Rong Shu, and this is her retribution."

Fu Jingting's eyes flashed slightly.

These words reminded him that Gu Manyin's biggest enemy was Rong Shu, and maybe this incident had something to do with Rong Shu.

Of course, he didn't mean what Rong Shu did. Rong Shu's character, even if he wanted to retaliate against a person, would only take legal measures, and would not use this method, but the people around Rong Shu were not necessarily.

So is it Lu Qi or Li Chuan?

Or... Cheng Huai?

Thinking of the eyes these three people looked at Rong Shu, Fu Jingting's face couldn't help turning black, and his heart was very irritable.

These three people have annoying thoughts towards Rong Shu, and it is indeed possible for them to do such a thing to Gu Manyin for Rong Shu!

"Brother? Brother?" Fu Jinglin didn't hear Fu Jingting's voice for a long time, and shouted twice at a high volume.

Fu Jingting's eyes froze, and he came back to his senses, "What's the matter?"

"I asked you something just now, but you didn't respond a few times. What are you doing?" Fu Jinglin pouted and said unhappily.

Fu Jingting rubbed his temples, "Thinking about something, what did you just ask?"

"I want to ask, when you were discharged from the hospital last time, why did you want to break up with Gu Manyin?" Fu Jinglin asked his question again.

He never believed that it was the elder brother who said at the press conference that Gu Manyin's vicious heart was relieved.

Didn't eldest brother already know that Gu Manyin had a bad heart?

So there must be other reasons!

Last time he didn't ask, this time, he must ask clearly.

"You should know that I was with Gu Manyin at first because she was my pen pal, right?" Fu Jingting said lightly, looking at the computer screen.

Fu Jinglin nodded again and again, "I know!"

Although he was still young at the time, only ten years old, he still knew very well that his eldest brother had a pen pal and fell in love with that pen pal.

It's just that he doesn't know the name of the eldest brother's pen pal, and he's not interested in these things.

"Then I know now that Gu Manyin is fake. She is not my pen pal, but the real pen pal, but Rong Shu." When Fu Jingting talked about Rong Shu, his voice softened obviously.

"Fuck me!" Fu Jinglin jumped up from the row of chairs in shock.

The coaches and teammates next to him were frightened by him.

“Xiao Fu, what are you doing?” the coach warned with a dark face, “Be quiet, everyone rests.”

Only then did Fu Jinglin realize that his reaction just now was too big, and smiled embarrassedly, “I’m sorry coach, I know I’m wrong.”

After speaking, he walked out of the stadium with his mobile phone and went to a quiet place, and then said to the phone again, “Brother, do you think Sister Rong Shu is your pen pal?”

Fu Jingting was noncommittal A hum.

Fu Jinglin scratched his head, “So, Gu Manyin pretended to be Sister Rong Shu?”

Fu Jingting hummed.

Fu Jinglin slammed the wall angrily, “Damn, that woman Gu Manyin is so shameless, I’ve never seen anyone more disgusting than her, she can do things like occupying a magpie’s nest, but how on earth does she know you and her Sister Rong Shu corresponded?”

“She and Rong Shu are college roommates. They have seen the letter I wrote to Rong Shu, and based on the information in the letter, they guessed my identity, so they pretended to be Rong Shu.” Fu Jingting He said with a cold face, and his tone was full of disgust for Gu Manyin.

“So that’s what happened, I peeked at Sister Rong Shu’s letter... Wait, letter?”

Speaking of which, Fu Jinglin raised his voice, suddenly remembered something, and his eyes widened.

Three months ago, he saw a lot of letters from Sister Rong Shu, the envelopes were all yellow, and it looked like they were a few years old.

Are those letters...

After swallowing, Fu Jinglin clenched the phone with both hands and asked tentatively, “Brother, what are your and Sister Rong Shu’s pen names?”

“Why are you asking this?” Fu Jingting frowned.

Fu Jinglin stomped his feet, “Oh brother, you answer me first, I’ll be useful!”

Fu Jingting heard the urging in his tone, pursed his thin lips, and slowly spit out two names, "Xiao Zhong, Maple Leaf!"

"Hiss ..." Fu Jinglin raised his head and gasped again, "It's really Xiao Zhong!"

"What do you mean?" Fu Jingting narrowed his eyes, "Do you know something?"

Fu Jinglin lowered his head and replied in a low voice, "Yes, three A few months ago, I was released on bail by Sister Rong Shu because of a fight, so I followed her to her apartment, and then I saw a lot of letters there. I took a random letter and read it. I also brought that letter home, brother, you have seen it."

As he said this, Fu Jingting remembered that one night three months ago, he saw a letter in Jinglin's room. .

The envelope was the same as the one he sent to Maple Leaf in the past. He had a vague feeling in his heart and picked up the letter, but before he could read it carefully, the letter was snatched back by Jing Lin.

It turned out that the letter was really written by him to Maple Leaf!

Fu Jinglin also understood at this moment that he had done something bad. Originally, eldest brother and sister Rong Shu could have known each other earlier, but it was because of him that it was delayed until now, and he felt very guilty.

"Brother, I..."

"Why didn't you let me read that letter at that time!" Fu Jingting squeezed the phone tightly and asked indifferently.

Fu Jinglin shrank his neck in a guilty conscience, "...I took that letter back from Sister Calm Shu, I really wanted to show it to you, I wanted to tell you that Sister Rong Shu was actually in love with someone by letters, but later I took it back. I found that Sister Rong Shu was not as annoying as I thought at first, so I was afraid that after I told you, you would be angry with Sister Rong Shu, so..."

He didn't say anything later.

But Fu Jingting understands the meaning.

He pinched the phone, as if he was suppressing something. After a few seconds, he hung up the phone directly, put his hand on his eyes, and his breath was very low.

## Chapter 279 I have caught someone

It turned out that three months ago, he had the opportunity to know that Rong Shu was the real Maple Leaf.

Three months ago, he had just divorced Rong Shu. If he knew that Rong Shu was Maple Leaf at that time, Gu Manyin would not have had a chance to attack Rong Shu, and maybe he would have recovered Rong Shu long ago.

However, no if!

It is true that Jinglin's reason for this incident made him miss Rong Shu's recognition.

But he also had to admit that he also had his own reasons. If he had strengthened his faith when Jinglin snatched the letter, and snatched the letter back, things would not have developed to this point.

All I can say is that this is all a joke!

Over there, Fu Jinglin, who was hung up by Fu Jingting, felt extremely uneasy, and walked around with his mobile phone in his hand, "It's miserable, eldest brother must hate me now!"

He also regretted why he didn't let eldest brother Look at that letter.

If eldest brother saw it, there would be nothing to do with Gu Manyin, eldest brother and sister Rong Shu would have remarried long ago.

But all of this was screwed up by him!

"No, I have to find a way to make it up." Fu Jinglin rolled his eyes, and then called Rong Shu, "Sister Rong Shu, help!"

Rong Shu was processing the documents and didn't look at the phone at all, and answered the phone directly, Unexpectedly, it was Fu Jinglin who called and asked her to save her life.

"What's the matter? You're in trouble again?" Rong Shu put the phone on her shoulder and asked lightly.

Fu Jinglin snorted twice, "Who is in the game, Sister Rong Shu, can't you hope that I will order it?"

"It's not that I don't want to hope for you, but you seem to be the fate of the game." Rong Shu aside Signed back.

Fu Jinglin's face turned red with anger, "Sister Rong Shu, you are too much!"

"Okay, I'm joking with you. If you have anything to say, I'm still busy." Rong Shu closed the signed document, After putting it aside, I took another copy to continue processing.

Fu Jinglin scratched his hair and replied dully, "That's right, I may be hated by my elder brother!"

Immediately afterwards, he told the story of the letter.

After Rong Shu finished listening, the pen in her hand stopped, and only then did she know that something like this happened after the kid took the letter.

Seeing that Rong Shu didn't speak, Fu Jinglin became anxious, "Sister Rong Shu, this time my eldest brother hates me to death, you must save me!"

"Sorry, this is your family's business, I won't interfere." Rong Shu finished, and continued to read the document.

Fu Jinglin didn't expect her to refuse, so he blinked in surprise, "Why, it's also about you, if it wasn't for me..."

"Okay, stop talking!" Rong Shu interrupted him with a slight frown, "I know what you want to say, it's all because of you, that's why my brother and I didn't know each other, right?"

Fu Jinglin nodded repeatedly, "Yes, if I had let my brother read the letter, maybe you and my brother would have remarried long ago. "

You're wrong!" Rong Shu turned the document expressionlessly, "Even if you showed Fu Jingting the letter at that time, he and I would not remarry."

"Why?" Fu Jinglin Surprised open mouth. Rong Shu's red lips parted lightly, and she replied in a cold voice, "There is no reason, but if I really want to say why, it is that I don't love him, so why should I remarry

a man I don't love?"

She hangs up.

At this moment, there was a knock on the office door.

Rong Shu spit out a sentence without raising her head, "Come in!"

Tong Xi put down her hands and walked in, stopping in front of her desk, "Mr. Rong, there was a call from the police station just now, telling you to go to the police station

and arrest him. Here comes the person who cast the horror image on your floor-to-ceiling window!”

Hearing this, Rong Shu raised her head suddenly, “Caught?”

“Yes!” Secretary Tong nodded.

Rong Shu laughed.

There was no response from the police station for so long, she thought it was because the police station didn’t catch anyone and closed the case without permission.

“I see, I’ll go right there!” Rong Shu put down the pen, picked up her bag, and walked towards the office door.

As soon as he left the office, he saw Li Chuan walking towards him.

“Sister, are you going out?” Li Chuan stopped opposite Rong Shu and asked while looking at the bag on Rong Shu’s shoulder.

Rong Shu nodded slightly, “Yes, go to the police station.”

“Go to the police station?” Li Chuan narrowed his eyes slightly, “Sister, is something wrong?”

“It’s not a big deal, arrest me. A suspicious person who cast a skeleton image on my floor-to-ceiling window in the middle of the night!” Rong Shu replied succinctly.

Li Chuan’s face sank, “Putting skeletons on your floor-to-ceiling windows in the middle of the night?”

“Yes!”

“Sister, why didn’t you tell me about this?” Li Chuan took Rong Shu’s hand, his eyes full of disapproval, “What if that person is some kind of vicious person?”

Looking at his nervous and concerned eyes, Rong Shu’s heart was warm, and she patted the back of his hand with a smile, “Don’t worry, I’m fine, right? , and someone has already caught it.”

“I know you’re fine, but if you’re fine this time, it doesn’t mean you’ll be fine next time!” Li Chuan was still worried.

Rong Shu smiled, “Okay, okay, I understand, next time what happens, I’ll be the first to tell you, okay?”

Li Chuan nodded with satisfaction and hummed.

Rong Shu didn't know whether to laugh or cry, "Okay, I'll go to the police station first. If you have something to do with me, wait until I get back."

"I'm fine, I just came to see you. Since you're going, I'll go with you."

After speaking, for fear that she would refuse, Li Chuan directly took her hand and walked towards the elevator.

in the car.

Rong Shu, who was sitting in the co-pilot, suddenly remembered something and turned to look at Li Chuan who was driving, "By the way, Xiaochuan, didn't I tell you last time that Xingnuo needs your hair? You said to think about it, how about it?"

Hearing this, Li Chuan's eyes flashed, but he quickly regained his composure, and replied with a gentle smile, "I think it's okay, I'm the biological son of my parents, how could I still be someone else's son? , As for her saying that I look like her master, it is probably fate, after all, there are not many people who look alike in the world."

"That's true." Rong Shu held her head, "I've seen pictures of your parents. , you do look a lot like them, maybe Xing Nuo has made a mistake, so let's talk to Xing Nuo in a while to tell her not to hit your hair."

"Yeah." Li Chuan nodded with a smile.

When Rong Shu turned his head to the car window and looked at the scenery outside the window, the smile on his face disappeared instantly, replaced by a twisted expression and hatred.

Ye Guoliang's old man, who abandoned him and his mother in those days, is now dying. After knowing that the other sons are unreliable, he came to him again.

Does Ye Guoliang really think that after he goes back, he can feel at ease?

Oh, naive!

He was even more eager for Ye Guoliang to die than the other brothers!

Ten minutes later, the police arrived.

Li Chuan parked the car, and just as Rong Shu opened the door, another car came and honked its horn at her, signaling her to get out of the way.

Rong Shu frowned, took a few steps forward, and the car followed, and finally stopped in the vacant seat she just stood.

Soon, the door of the car opened, and a person who was familiar to Rong Shu came down, Gu Yaotian!

Gu Yaotian had already seen Rong Shu in the car, so there was no accident.

Looking at each other, Gu Yaotian asked with a gloomy face, "What are you doing here at the police station?"

"This is my private matter, doesn't it seem to have nothing to do with President Gu?" Rong Shu smiled lightly.

Li Chuan was more direct. After glancing at Gu Yaotian, he said to Rong Shu, "Sister, there is no need to waste time with unimportant people. Let's go first."

Rong Shu nodded slightly.

But just as she was about to turn around, Gu Yaotian suddenly narrowed his eyes and stopped her, "Stop!"

Chapter 280 It Was Meng Ke

Rong Shu stopped, "Is there anything else to do with Mr. Gu?"

Li Chuan also looked back at Gu Yaotian.

Gu Yaotian took a few steps towards the two of them, staring at Rong Shu sullenly, "Did you do it when Man Yin was bullied?"

At first, he really thought that Man Yin was bullied was just an accident.

But later he calmed down and analyzed it carefully, and found that the backside of this matter was not so simple.

If Manyin was just accidentally bullied, then the person who bullied Manyin would never throw Manyin in the downtown area for fear of being caught.

However, the people who bullied Manyin left Manyin in the downtown area and deliberately exposed Manyin in the eyes of the public in order to destroy Manyin, so no matter how you look at this matter, there is one hand in control.

And the most likely one is Rong Shu.

Only she has a mortal hatred with Manyin!

Hearing Gu Yaotian's questioning, Rong Shu was very happy, "Why, you can't find the real murderer, so you smashed the pot on my head?"

Li Chuan, who was beside her, did not speak, and lowered his eyelids.

Gu Yaotian snorted coldly, "I didn't let you take the blame, I told me intuitively that this matter must have something to do with you!"

Rong Shu's eyes flashed slightly.

He was right, it really had something to do with her.

Although it was Lin Tianchen who took the shot, Lin Tianchen was also for her, so it was right to say that it had something to do with her!

But so what, she just doesn't admit it.

Thinking, Rong Shu hooked her lips, "Just rely on intuition to convict me, no wonder Sansheng Group is getting worse and worse now, I heard that President Fu canceled all cooperation between Fu and Sansheng, congratulations to Gu Gu Boss."

"You..." Gu Yaotian blew his beard and stared, and after a while he said with a sneer, "What a clever little girl!"

This girl is clearly mocking that he now manages Sansheng by intuition and has no real ability!

He even laughed at him for offending Fu Jingting by posting a video, and felt that Fu Jingting would not cancel the cooperation, and then was slapped in the face by Fu Jingting.

This little girl is really hard to deal with!

Gu Yaotian looked at Rong Shu sadly.

Rong Shu was not afraid at all, but looked at him with a smile, "Thank you for your compliment, Mr. Gu, I don't think there's anything wrong with being sharp and eloquent, at least when I meet people I hate, I can say that he is the same as my grandson, what do you think, Mr. Gu?"

The corner of Gu Yaotian's mouth twitched, and he couldn't tell that she was connoting him.

But he can't get angry, or he won't admit that he is a grandson!

Thinking of this, Gu Yaotian took several deep breaths in a row before he managed to suppress the anger in his heart and forced out a fake smile, "What you said!"

"Pfft!" Li Chuan laughed outright without giving face.

Gu Yaotian glared at him suddenly, as if he wanted to stare him out two holes.

Li Chuan noticed it, slowly put away the smile on his face, and stared at him.

Looking at Li Chuan's dark and cold eyes, Gu Yaotian only felt as if he was looking at a jackal, which made his heart tremble and his scalp numb.

what happened?

How could this little model have such a terrifying look?

Especially those eyes are still so familiar, as if they have seen it before, where is it?

Gu Yaotian frowned, unable to remember.

Rong Shu looked at the time, "Okay Xiaochuan, let's go!"

Li Chuan smiled again and gave a gentle hum.

The two walked forward.

Gu Yaotian finally regained his senses, looked at the backs of the two with dark eyes, and shouted, "Rong Shu, you'd better ask God to bless you, don't let me find out that Manyin is really related to you, or I, Gu Yaotian, will go bankrupt. I'll never let you go!"

Man Yin was the one who planned to marry the Fu family, but now that this happened, even forcing Man Yin and Jing Ting Sheng Mi to cook cooked rice would not work.

So his years of hard work are now ruined, how can he not be angry.

Hearing Gu Yaotian's threat, Rong Shu paused for a while, and then replied in a cold voice without looking back, "Yes, then I'll wait."

Li Chuan didn't speak, but he turned back, his eyes were the same as before, Sen. Staring at Gu Yaotian coldly, as if to keep Gu Yaotian firmly in his heart, he didn't turn his head back until he was about to go up the steps.

Outside the interrogation room, Rong Shu stood in front of the door and saw the suspect inside through the glass on the door, an ordinary-looking, thin man.

The man was sitting on a chair, wrapped in a gray windbreaker, his neck and shoulders were shrunk together, and he looked scared and uneasy.

Yes, they were all arrested and brought to the police station, so it's no wonder you're not afraid!

"Is he putting that kind of image on my floor-to-ceiling window?" Rong Shu looked at it for a while, and after withdrawing her gaze, she asked the male policeman next to her.

On the other hand, Li Chuan continued to stare at the man, not knowing what he was thinking.

Rong Shu didn't care, just looked at the male policeman and waited for the male policeman's answer.

The male policeman nodded, "Yes, we checked the surveillance of several road sections and finally locked him down. His name is Shi Dafan, a paparazzi!"

"Paparazzi?" Rong Shu raised an eyebrow.

No wonder when she found this person that night, this person immediately hid the crime tools in his clothes and ran away.

At that time, she felt that this action was very familiar, wasn't it the way the paparazzi ran away when they were stalking the artist.

"Did he explain why he put horror images on my sister's window?" Li Chuan didn't look at Shi Dafan anymore, and turned to ask the male police officer.

Rong Shu patted his forehead, "Yes, I almost forgot to ask."

"Yes, after he was arrested, we told him honestly as soon as we asked him. He said that he was asked by a lady named Meng Ke. It took 100,000 to do this, and the purpose is to scare you, Miss Rong."

"Meng Ke?" Rong Shu and Li Chuan exclaimed at the same time.

Obviously neither of them thought that Meng Ke did it.

On their way here, they were still guessing whether Gu Manyin asked this man to do it.

The result was beyond their expectations, it was Meng Ke!

"Then did this Shi Dafan say, why did Meng Ke scare me?" Rong Shu pursed her red lips and asked again.

The male policeman shook his head, "Is that so? That Shi Dafan didn't ask, so if you want to know, you can only ask Ms. Meng Ke in person."

"I see." Rong Shu rubbed his temples, "This matter, although it's not a problem. It's not a criminal case, but it has already constituted a crime of intimidation, so now I call the police in the name of the crime of intimidation, and ask you to bring Meng Ke here, is it okay?" Rong Shu looked at the male police officer.

The male policeman smiled, "Of course not, I'll inform them of their successors now, you can rest next to them now."

Rong Shu hummed, "Okay, thank you." The male policeman left.

Rong Shu and Li Chuan went to the next row of chairs and sat down, waiting for Meng Ke to come over.

As for the man in the interrogation room, Rong Shu was not interested in going in to meet him. The police station who should ask has already asked.

And the man used money to do things, he didn't know much, and he couldn't ask anything else when he saw it, it was just a waste of time.

In the hospital, Meng Ke watched Gu Manyin and was about to go back. As soon as she stepped out of the elevator, she received a call from the police station.

"Is it Miss Meng Ke?"

"I am, who are you?" Meng Ke asked with a puzzled face, and began to feel uneasy in her heart.

"I'm here at the police station."

"The police station?" Meng Ke's voice rose suddenly, attracting the curiosity of nearby patients and medical staff, including Assistant Zhang with a bag of medicine.

"That... is there anything you want to do with me?" Meng Ke swallowed and asked in a trembling voice.

Since the last time she was detained for half a month, she is now afraid when she hears the police station or words related to the police station.

In particular, she has recently done something that I don't know if it's illegal.

### Chapter 281 Li Chuan's Mental State

"That's Miss Meng, we received an alarm from Miss Rong, saying that someone was throwing horrific images on her floor-to-ceiling windows in the middle of the night, and now the person who cast the images has been caught and explained that you asked him to do it, so I can invite you now. Do you want to go to the police station?" The female police officer said in a gentle voice on the phone.

But in Meng Ke's ears, it was like urging a dead soul, making her face pale with fright, "What... what? Rong Shu called the police?"

Assistant Zhang was not interested in Meng Ke, and when he was about to leave, he suddenly heard Meng Ke called out Rong Shu's name, and then stopped subconsciously.

"Yes, Miss Rong called the police, so Miss Meng, come to the police station right now!" the policewoman said again.

Meng Ke hurriedly shook her head, "No, I'm not going!"

She was already detained and feared that she didn't want to go to the police station for anything.

However, the policewoman's face sank and her voice became cold, "Miss Meng, if you don't come, you are refusing to investigate. We can arrest you, and even detain you."

Upon hearing the arrest and detention, Meng Ke's heart shrank, and cold sweat broke out on her forehead. She held the phone in both hands and nodded, "Don't arrest me, I... I'll come right over!"

"Okay!" The policewoman laughed again, "Then I'll be at the police station. Waiting for Miss Meng."

After speaking, the policewoman hung up the phone.

Meng Ke was flustered and afraid, and walked towards the hospital gate with a stiff pace.

Assistant Zhang squinted at her figure, and finally went in the other direction.

"I asked you to get some medicine, why have you been gone for so long?" Fu Jingting, who was watching the financial report with his tablet, frowned slightly and sounded a little displeased when he saw Assistant Zhang coming back.

Assistant Zhang handed him the medicine, "Mr. Fu, I just met Meng Ke when I came back."

"And then?" Fu Jingting replied disinterestedly while sliding the tablet.

Assistant Zhang took a sip of water, "Then I heard her on the phone, mentioned Miss Rong, and said that Miss Rong called the police or something."

"What?" Fu Jingting put down the tablet with a condensed expression, with undisguised concern in his voice, "Has something happened to Rong Shu?"

"I haven't heard of it." Assistant Zhang shook his head, "But I don't think it's a big deal. Now that Meng Ke has gone to the police station, Miss Rong is probably also."

"Drive, go to the police station!" Fu Jingting narrowed his eyes slightly and commanded in a deep voice.

Assistant Zhang responded and started the car.

Half an hour later, the police arrived.

As soon as Fu Jingting got out of the car, he saw Meng Ke's figure entering the police station.

He frowned and walked over with long legs.

As soon as he entered, he saw Rong Shu sitting in the lounge area of the hall, and Li Chuan beside her.

Fu Jingting pursed his thin lips, feeling very unhappy.

He found that almost every time he saw her, she was accompanied by a man, either Li Chuan or Lu Qi, or Cheng Huai.

Don't these men have their own business to do?

Haunt her every time!

Fu Jingting walked over with an unpleasant expression, and when he walked not far behind them, he saw a policewoman with a terrified Meng Ke going to Rong Shu and Li Chuan.

Rong Shu stood up and looked at Meng Ke, who was pale, "Why do you want people to put pictures of skeletons in my floor-to-ceiling windows?"

"Putting pictures of skeletons in the floor-to-ceiling windows?"

Rong Shu heard his voice and turned around in surprise, "Why are you here?"

Li Chuan also stood up and took a step behind Rong Shu calmly, as if trying to block Rong Shu.

Seeing this, Fu Jingting's eyes flashed with cold light, and he simply walked over to Rong Shu.

In this way, Li Chuan couldn't stop him even if he wanted to.

Unless Li Chuan pushed him away.

But this is the police station, does Li Chuan dare?

Fu Jingting gave Li Chuan a sneering look.

Li Chuan's fists on both sides were clenched, and his eyes were full of bloodthirsty madness.

He wanted to kill this man, wanted to kill Fu Jingting!

Only in this way will he not feel inferior every time he sees this man and feel that he is the shadow of this man.

The most important thing is that this man is still his biggest threat to get Sister Rong Shu!

Fu Jingting noticed Li Chuan's eyes, his eyes sank, and then he looked at Rong Shu.

Does she know that this Li Chuan is not that simple?

"Mr. Fu, what are you looking at me for?" Seeing that Fu Jingting didn't speak, Rong Shu stared at herself and couldn't help frowning her beautiful brows. Fu Jingting's eyes

flickered slightly, and he lightly opened his thin lips and replied, "I heard that you are at the police station, so I came to see you. What happened to the skeletons in the floor-to-ceiling windows that you just said?"

Meng Ke glanced.

When Meng Ke met his emotionless gaze, she couldn't help shivering, and the fear on her face became more obvious.

Rong Shu took Fu Jingting's deterrent to Meng Ke in her eyes, and didn't react much, and replied lightly, "This is my business, and it has nothing to do with you, Mr. Fu, so don't worry about it, Mr. Fu."

Listen . When she said that, Li Chuan's thin lips curled up, and his mood was obviously much better.

Fu Jingting was in a bad mood.

He cared about her and came here specially, but was treated by her with such an attitude!

It's weird to be in a good mood!

"Okay, you haven't answered my question just now, why did you let me do this!" Rong Shu looked at Meng Ke and said again.

Meng Ke dared not look at her, and opened her mouth with a guilty conscience, "I...I..."

"Don't hesitate, tell the truth!" Fu Jingting frowned impatiently.

Rong Shu rolled his eyes at him.

She said it all, it's her business, and he doesn't need to care about it.

In the end, he didn't seem to hear, and even helped her urge the prisoner!

Li Chuan also glanced at Fu Jingting coldly, pursed his lips and said nothing.

Only he himself knew what he was suppressing at the moment.

Among these people, the one Meng Ke was most afraid of was Fu Jingting.

Hearing Fu Jingting's words, she shivered a little, and didn't dare not to follow suit, so she could only answer honestly, "I... I just want to scare you."

"Scare me?" Rong Shu was obviously a little unconvinced , "It's that simple?"

Meng Ke nodded again and again, "Yes!"

Rong Shu stared at her for a while, and finally determined that she was indeed not lying, and her face sank, "Why do you do this, I haven't offended you recently, have I?"

"You have!" Meng Ke suddenly raised his head as if stimulated, and looked at Rong Shu angrily, "You made me lose so much face at the last banquet, that's why I did this to beg for myself. Give me justice!"

"Fairness?" Fu Jingting said in a cold voice, "You are embarrassed because you have no brains, and you have to do it for Gu Manyin, it has nothing to do with Rong Shu, so what qualifications do you have to seek justice! "

Rong Shu looked at him with a subtle look.

It was strange for him to speak to her.

It made her a little uncomfortable!

Li Chuan, on the other hand, lowered his head and said nothing, making it difficult to see his expression.

“Mr. Fu, are you helping Rong Shu speak?” Meng Ke looked at Fu Jingting in disbelief, and now he couldn’t accept that he actually helped Rong Shu instead of Man Yin.

“She is the one I love, of course I will help her!” Fu Jingting looked back at Rong Shu with affectionate eyes.

Rong Shu didn’t expect that he would confess to her in public. After being stunned for a while, he subconsciously avoided his gaze and ignored it.

Li Chuan clenched his fists even tighter, and the anger in his heart that wanted to destroy everything became stronger.

Meng Ke was immediately dumbfounded, “Love...love Rongshu?”

She pointed to Fu Jingting, then to Rongshu, and finally asked loudly, “What about Manyin?”

“This is my business, it’s not your turn to ask questions. !” Fu Jingting’s face was gloomy.

Meng Ke’s neck shrank, and her voice was no longer as assertive as before, and became more erratic, “I... I just care about Man Yin.”

## Chapter 282: Detention Again

“Okay!” Rong Shu rubbed her forehead, and her tone became impatient, “Instead of caring about others, you should first care about yourself and whether you will be detained!”

“Detained?” Meng Ke’s expression changed, “Why should I be detained? I’ve already come to the police station!”

“Do you really understand or pretend you don’t understand?” Li Chuan looked at her coldly with his arms around his arms, “You let me put them on my sister’s floor-to-ceiling windows. That kind of image has already constituted a crime, the crime of intentional intimidation!”

“No... what kind of crime of intentional intimidation, I didn't intimidate her, I just frightened her, why did she commit a crime? It's a prank at best!” Meng Ke panicked. said endlessly.

Seeing her like this, Rong Shu already knew in her heart that this woman was not pretending, she really didn't understand that this kind of behavior was a crime.

I've seen someone who is blind, but I've never seen someone so blind!

Rong Shu looked at Meng Ke with a hopeless expression, “Officer, please tell her if she is a crime!”

“Okay.” The male policeman who had not spoken all the time nodded and stepped forward, “Meng Ke Miss, you have indeed committed the crime of intentional intimidation. If you just let someone put an image on Miss Rong's floor-to-ceiling window once, it can be said to be a prank, but it is different a few times in a row. You are intentional and purposeful. “

That's right, especially in the middle of the night, when most people see a skeleton appearing on their floor-to-ceiling windows in the middle of the night, they are easily frightened. The slightest one may fall to the ground, and the more serious one may be Insane!” Li Chuan stared at Meng Ke, looking at her like a dead object.

Fu Jingting glanced at Rong Shu's lower abdomen and said, “And Rong Shu is pregnant, your shock may cause her to miscarry, can you afford the consequences?”

It was his child, Rong Shu could choose No, but no one else has the right to decide whether or not his child goes or stays.

Meng Ke should be glad that the child is okay, otherwise, he will never let the Meng family go.

But now Rong Shu has not taken away the child, is she planning to stay?

Thinking of this, Fu Jingting's heart suddenly filled with joy and anticipation.

Looking forward to the birth of their baby, that must be lovely.

The most important thing is that maybe she will forgive him and get back with him again for the sake of the child!

“I'm not, I'm not!” Meng Ke suddenly shook his head violently and stepped back, his face full of fear, “I just wanted to scare her, I didn't think about making her mentally ill or having a miscarriage, besides, isn't she okay now? ?”

Meng Ke pointed at Rong Shu, "Look, she has nothing to do, so why do you say that I was deliberately intimidating!" Li Chuan frowned

, just about to speak.

Rong Shu's mouth tickled sarcastically, and she was the first to speak, "In this world, there are always people who take chances and think that the victim is not in an accident, and they feel that they are right, but unfortunately, I don't do this, police officer, she will. What's the punishment?" The

male policeman thought for a moment and replied, "Actually, what she said just now is right. Although she committed the crime of intentional intimidation, you did not have an accident, Miss Rong, so her punishment will not be too severe. I will be imprisoned, but only for education and education. As for how long I will be detained, I will have to wait for the notification from above."

When Fu Jingting heard this, his eyes narrowed, not knowing what he was thinking.

Rong Shu nodded slightly, "Okay, then lock her up first, and let me know when the results come out."

"Of course!" The male policeman responded with a smile, and was about to go up to arrest Meng Ke.

Meng Ke didn't want to be detained, so she quickly backed away and even wanted to run away.

But just as she took a step, Li Chuan suddenly stretched out a foot.

Meng Ke stumbled to the ground like this and was caught by the male police.

Meng Ke knew that she couldn't run away, and she was so frightened that she burst into tears.

She hurriedly looked at Rong Shu, "Rong Shu, I know I'm wrong, can you let me go, I don't want to be detained, please, I really know I'm wrong..."

Meng Ke cried for a while Tears and snot, what a pity.

But none of the people present sympathized with her.

Rong Shu looked at her coldly, "I knew why today, everyone is adults, adults should be responsible for everything they do, and I don't think you really know anything wrong, you just You are afraid of being detained, so you can't admit your fault to me, but in your heart, you still don't feel that you are wrong, am I right?"

Rong Shu lowered her head and brought her face close to Meng Ke.

Meng Ke met her eyes that seemed to be able to read people's hearts, her cry stopped, and her eyes wandered away with a guilty conscience, unable to speak.

Rong Shu taunted her lips, "You can't catch up, it looks like I got it right!"

Meng Ke's lips moved, as if she wanted to say something, but in the end she didn't say anything and lowered her head resignedly.

The male police took her away and took her to the interrogation room, together with that Shi Dafan, to make a detailed record.

As a police officer, Rong Shu can leave temporarily and come back after Meng Ke's trial.

"Sister, let's go back." Li Chuan said to Rong Shu.

Rong Shu nodded, "

Okay, let's go back." "I'll be leaving later, I have something to do." At this moment, Fu Jingting suddenly said something to Rong Shu.

Li Chuan squinted and looked at him with some dissatisfaction, "Mr. Fu, it's your business whether you go or not, it has nothing to do with us, you don't need to tell us."

Rong Shu nodded, agreeing with Li Chuan's words.

Fu Jingting's eyes darkened. After glancing coldly at Li Chuan, he put his eyes back on Rong Shu, his voice softened, "I have something to tell you."

"What?" Rong Shu looked suspiciously. he.

"It's not convenient here, go over there." Fu Jingting pointed to the corner in front.

Rong Shu frowned slightly, a little unwilling .

Fu Jingting saw it and grabbed her arm directly, "Come with me!" After

saying that, he was about to pull her over.

Seeing this, Li Chuan's face turned cold, he also stretched out his hand and grabbed Rong Shu's other arm, "Sister, don't go."

Before Rong Shu could answer, Fu Jingting's eyes fell on Li Chuan's hand, and his voice was cold. "Let go of her!"

“If you want to let go, you are the one who is the least qualified to touch my sister!” Li Chuan did not let go, but tightened his grip, looking directly at Fu Jingting and said.

Fu Jingting was enraged by these words, his face sank, and the cold breath around his body made people tremble.

Li Chuan also did his part.

The two men looked at each other like this, their eyes equally terrifying.

But after a while, Li Chuan’s momentum was gradually suppressed by Fu Jingting.

After all, he is not like Fu Jingting, who fights in shopping malls all the year round, and has cultivated a very oppressive aura and aura of a superior.

Therefore, Li Chuan was quickly defeated.

Li Chuan, who was defeated, had a very bad expression on his face, and the wave of wanting to destroy everything surged in his heart, so that the hand he held on Rong Shu’s arm became tighter and tighter, as if he was about to break Rong Shu’s arm.

“Hey... it hurts!” Rong Shu suddenly frowned and cried out in pain, looked down at Li Chuan’s hand, and quickly said, “Xiao Chuan, let me go, you are hurting me!”

Hearing this, she was on the edge of madness. Li Chuan woke up all of a sudden, only to realize what he had done, his pupils shrank, and he quickly apologized, “Sister, I’m sorry!”

Just as he was about to let go of his hand, his hand was pulled away from Fu Jingting’s calm Shu’s arm.

“Are you alright?” Fu Jingting looked at Rong Shu and asked nervously.

Rong Shu saw the nervousness in his eyes and looked away, “It’s okay.”

“Show me.” Fu Jingting was still a little worried and wanted to pick up her sleeve.

Chapter 283 Li Chuan is very dangerous

“No need!” Rong Shu frowned, put her hands behind her back, and refused very simply.

Fu Jingting's hand froze in the air, and after a while, he clenched it into a fist and retracted it, feeling quite disappointed.

"Sister, I'm sorry..." Li Chuan bowed his head and apologized again, with a very remorseful expression on his face.

He really didn't mean to hurt her.

He just couldn't hold back the anger in his heart, so he started subconsciously.

Rong Shu looked at the always gentle young man, now like a big dog who made a mistake, and his heart softened suddenly.

She reached out and touched his hair and smiled tenderly, "Okay, I don't blame you."

"Really?" Li Chuan raised his head and looked at her with bright eyes.

Rong Shu hummed, "Really!"

Only then did Li Chuan put aside his inner anxiety and laughed again.

Fu Jingting, who was on the side, saw this scene and felt dazzling.

Of course, what he cared more about was Li Chuan.

This person, intuition told him that it was very dangerous!

"Rong Shu, come with me first, I really have something very important to tell you." Fu Jingting frowned and said solemnly.

Seeing him so serious, Rong Shu thought that there was something important, her heart sank, and nodded in agreement, "Okay!"

"Sister?"

Rong Shu patted the back of his hand, "I'll be back soon."

After speaking, she walked straight towards the corner that Fu Jingting had just pointed to.

Fu Jingting didn't even look at Li Chuan, and walked over with his long legs.

Li Chuan stared at the two people in the corner, his eyes were blood red, and his two fists were tightly squeezed together. Because of too much force, his hands were shaking slightly, and the veins on the back of his hands were showing.

He really wanted to, really wanted to kill Fu Jingting!

Then he killed Cheng Huai and Lu Qi, and killed all those who wanted to rob Rong Shu from him.

After killing these people, he took Sister Rong Shu abroad and locked her in the cage he carefully built for her, so that she could never leave him in her life, and only had him in her heart!

In the corner, Rong Shu turned around and looked up at Fu Jingting, "Mr. Fu, what do you want with me?"

"I want to tell you, stay away from Li Chuan!" Fu Jingting said in a very serious tone.

"Huh?" Rong Shu was stunned for a while, then her eyes widened in disbelief, "You asked me to come here and say something important, but you told me to keep me away from Xiaochuan? Are you okay?"

She was angry He snorted and turned to leave.

No wonder he had to call her here, he didn't want Xiaochuan to listen, so he had this idea in mind!

"Wait!" Fu Jingting reached out and grabbed her.

"Let go of me!" Rong Shu shook her hand.

Fu Jingting held on tight, "Rong Shu, I'm serious, Li Chuan is very dangerous. If you get close to him, he will hurt you sooner or later."

Rong Shu laughed angrily, "Hurt? Fu Jingting, say this. Don't you think it's funny? He's my brother, I know him, he's gentle and kind, he won't hurt me like you said, the one who really hurts me, isn't it you?"

She sneered and looked at him .

Facing her gaze, Fu Jingting's heart was stabbed, but he couldn't refute it.

Yes, the one who really hurt her was him.

Even if it wasn't his original intention before, he still did it, and he couldn't veto it all.

Seeing that Fu Jingting didn't speak anymore, Rong Shu shook off his hand forcefully, and warned me, "Don't tell me that Xiaochuan or Aqi want to hurt me in the future, or I'll never finish with you!"

She said coldly. Glancing at him, he walked towards Li Chuan.

Fu Jingting raised his hand to his heart, only to feel a dull pain there.

He still remembered his indifference to her in the past six years, and remembered it carefully.

He didn't feel anything before, but now he realizes that it was so uncomfortable to be treated coldly.

"Sister." Seeing that Rong Shu's face was a little bad, Li Chuan quickly suppressed his dark emotions and asked with concern, "What did he tell you?"

Rong Shu looked at him, her eyes flashing, and then She shook her head, "It's nothing, let's go back."

What she said to Xiaochuan just now would only hurt Xiaochuan's heart.

Seeing that Rong Shu was reluctant to tell Byte Set, Li Chuan's eyes darkened, but he quickly returned to normal. He sighed, "Okay, let's go back."

Neither of the two went to see Fu Jingting, but went directly to the police station lobby. Go to the exit.

When he was about to arrive, suddenly the door of an office opened, and Gu Yaotian came out, followed by a policeman.

He was saying to the police officer with a gloomy old face, "We must find those six beasts!"

"Don't worry, Mr. Gu, this is our duty." The police officer nodded.

Gu Yaotian's expression improved a lot.

Suddenly, he felt that someone was looking at him, turned his head to look, saw that it was Rong Shu, snorted sullenly, and left the police station without saying hello.

Rong Shu didn't have any opinion on his departure, but was quite interested in the six beasts he mentioned.

"Officer." Rong Shu stopped the police officer who had just spoken to Gu Yaotian.

The police officer stopped and asked, "What's wrong with Miss Rong?"

Rong Shu was one of the major taxpayers in Haishi, and the police officer knew it naturally.

Rong Shu smiled at him, "May I ask what Mr. Gu said just now, what do you mean by six beasts?"

Li Chuan heard her question, his eyelids drooped without a trace, covering the look in his eyes.

Neither Rong Shu nor the police noticed anything unusual about him.

The police officer replied, "That's right, Mr. Gu came here because he wanted to inquire about the surveillance of Miss Gu the night of the accident and find the six suspects who violated Miss Gu."

"Six?" Rong Shu was stunned by this number.

She always thought that only one person violated Gu Manyin.

Unexpectedly, Lin Tianchen arranged six. It seems that he hates Gu Manyin even more than she imagined!

Rong Shu's wariness against Lin Tianchen was raised again, even heavier than before.

It is true that Gu Manyin pretended to be her. Lin Tianchen hated Gu Manyin and wanted to clean up Gu Manyin. After all, he was deceived, so he was angry.

But Lin Tianchen's kindness to Gu Manyin before was also real, but because Gu Manyin was no longer his savior, he put people to death. This method was really scary.

She was even thinking, if she used up her kindness one day, would Lin Tianchen treat her like this?

Thinking of this, Rong Shu couldn't help shivering.

The police officer didn't know what she was thinking, thinking she was frightened by the number, and nodded slightly, "Yes, six, please don't publicize it, Miss Rong, it will easily cause trouble for our investigation."

"Okay." Rong Shu twitched the corners of his mouth and agreed.

The policeman is gone.

Rong Shu stayed on the spot for a while, until Li Chuan called her, she barely suppressed the restlessness in her heart, smiled reluctantly, and left the police station with him.

That night, the police station called, and the verdict of Meng Ke and Shi Dafan came down, and the fast Rong Shu was stunned for a while.

When did the police station work so powerfully and efficiently?

Without thinking much, Rong Shu hurriedly asked Meng Ke and Shi Dafan how they were sentenced and how long they were sentenced.

Rong Shu soon got the answer.

Shi Dafan was not the mastermind, but Cong, who was also detained for ten days.

As the mastermind, Meng Ke was detained for 20 days and compensated her for her mental damages of 200,000 yuan.

This number made Rong Shu stunned.

On the way back in the afternoon, she called to inquire about Meng Ke's situation. The lawyer told her that although Meng Ke had committed the crime of intimidation, the circumstances were not serious, and she would be detained for a maximum of ten days, with a mental damage fee of 50,000 yuan.

But now Meng Ke has been detained for 20 days, and the mental damage fee has increased several times. Obviously there is a problem!

Chapter 284 Gu Manyin wakes up

Later, Rong Shu thought of Fu Jingting still staying at the police station when she and Xiao Chuan left in the afternoon.

Could it be that Fu Jingting was doing this at that time?

Intentionally let the police station aggravate the punishment of Meng Ke and that Shi Dafan?

Thinking, Rong Shu pursed her red lips and called Fu Jingting.

In Fu Mansion, Fu Jingting was having a video conference in his study when the sudden ringing of his mobile phone interrupted his speech, which made him a little unhappy.

But after seeing the caller ID, the displeasure on his face instantly disappeared, replaced by a little joy.

She would actually take the initiative to call him!

Fu Jingting grabbed the phone and didn't answer it immediately, but looked at the computer screen, "The meeting is suspended first, I'll take a call first."

After speaking, under the dumbfounded gaze of a group of people in the computer, he got up and went to the balcony.

“Don’t answer the phone during the meeting, it seems to be an iron rule set by President Fu himself?”

“Yes, but now he broke it personally, but he doesn’t seem to be in pain.”

“Whose phone number do you say?”

Who knows, but judging from his radiant appearance, I guess he is his sweetheart?”

Fu Jingting didn’t know how the people at the meeting were talking about him after he left. After answering Rong Shu’s phone call, “What’s the matter?”

His voice was low and hoarse, with a hint of tenderness, which was particularly nice.

Rong Shu only felt a little itchy in her ears, so she couldn’t help but took the phone away, rubbed her ears, and then put the phone back in again, and asked with a cold face, “Meng Ke’s punishment was aggravated by you. Is it?”

It turned out that she called him for this!

For a time, the joy in Fu Jingting’s heart disappeared without a trace, and he lowered his eyes and said, “It’s me.”

Rong Shu was stunned for a moment when he admitted it so bluntly, but he quickly regained his composure and asked coldly, “Why? Why do you do this? This matter has nothing to do with you, right?”

“I know, I just want to Do something for you.” Fu Jingting replied lightly with thin lips.

Rong Shu’s eyes widened slightly, “Want to do something for me...?”

“Yes!” Fu Jingting nodded.

Rong Shu smiled, sarcastically, “Mr. Fu, don’t you think it’s too late? If you said that before the divorce, I might have been moved, but now, I just find it ridiculous!”

She was full of mockery. Looking at him, “you know what? How much have I expected from you in the past six years? When your mother and your brother bullied me, how much I wanted you to speak to me, those people in the circle. When laughing at me, Mrs. Fu, I want you to stand up and help me out, but what about you? You didn’t do it once. As a husband, you didn’t do anything at all, so now you say to do something for me , what’s the use? It will only appear hypocritical!”

Hearing her accusations, Fu Jingting's heart seemed to be pierced by a knife, the pain was dull, and the painful breathing was a little hard to come up with, and the hand holding the mobile phone could not get up. A little trembling.

"I'm sorry..." Fu Jingtingjun apologized with a pale face.

He admitted that he had never done this for her.

It was he who owed her.

"You don't have to say sorry to me, because I don't care anymore." Rong Shu took a deep breath, then turned the topic back to the previous one, and said in a cool and indifferent voice, "Meng Ke's business is my business, not yours. Intervene, the police station will judge what you want, so I ask Mr. Fu to cancel your arrangement with the police station, thank you!"

After speaking, she hung up the phone.

Fu Jingting took down the phone and put it in front of him.

He looked down slightly at the mobile phone interface that had jumped back to the main menu, his eyes were dark, and the expression on his face was very lonely.

I don't know how long it took, Fu Jingting closed his eyes. When he opened them, his eyes were incomprehensible. Then he put away the phone and turned back to the study.

Meanwhile, the hospital.

Gu Manyin, who had been in a coma for two days, finally woke up.

Madam Gu's tears of joy came out. She quickly pushed Gu Manyin, who was about to get up, back to the hospital bed, "Manyin, don't move, lie down!"

"Mom..." Gu Manyin looked at Madam Gu weakly, Her voice was hoarse, "Mom, what's my current condition?"

She was in so much pain right now, especially below, that she couldn't even move.

She was so afraid of being paralyzed.

Mrs. Gu's lips parted, and she didn't want to answer.

Seeing this, Gu Manyin instantly understood that her situation was serious.

She stretched out her hand and grabbed Mrs. Gu's arm tightly. She was very emotional, "Mom, tell me, am I paralyzed? Mom, tell me!"

Mrs. Gu was in pain when she grabbed her, and she quickly grabbed her hand. He pulled it out, "No, no, you're not paralyzed."

"Then why am I not feeling down?" Gu Man roared with tears in his eyes, both eyes bulging, bloodshot, and her The ferocious expression looks very terrifying, like a ghost.

Mrs. Gu was frightened, she couldn't help but took a step back, "You are unconscious below, the doctor gave you the injection, just because you were afraid that you would move around and cause the wound to rupture. Now ."

"Really?" Gu Manyin looked at her hopefully.

Mrs. Gu nodded, "Really, how could Mom lie to you?"

She touched Gu Manyin's head.

Gu Manyin saw the seriousness in Mrs. Gu's eyes, and was relieved, she let go, and smiled with tears in her eyes, "That's good, that's good!"

She wasn't disabled!

She is such a proud person, she absolutely cannot accept her imperfect self!

"By the way, Mom, why does the doctor block my perception?" Gu Manyin stared at Madam Gu and asked again.

Mrs. Gu first sighed, then covered her face and cried, "It's not those damned, the manic sound is severely torn under you, and even the uterus... I'm afraid I won't be able to have children in the future!"

Boom!

Gu Manyin felt like a thunderclap had sounded in his head, and the whole world was spinning.

Can't have children anymore...

Then how could she marry Jing Ting and have children for Jing Ting?

And women who can't have children are not crippled but better than crippled.

Her whole life was ruined!

“Ahhhh!” Gu Manyin screamed like crazy, her whole face was distorted to the extreme, and the hatred in her eyes almost turned into a real knife.

“Rong Shu, Rong Shu!” Gu Manyin clutched the sheets under her with both hands, trembling violently, shouting the name non-stop, the poison in her tone made people feel dizzy.

Madam Gu endured the goose bumps on her body, and hurriedly asked, “Manyin, what’s wrong with Rong Shu?”

“Mom, it was Rong Shu who harmed me. The way I am now, it’s because of Rong Shu!” Gu Manyin looked at Gu Madam, roaring hoarsely.

“What?” Madam Gu covered her lips in shock.

Gu Yaotian heard that Gu Manyin was awake, and rushed over from Sansheng Group. As soon as he walked to the door, he heard Manyin say it was Rong Shu.

His old face changed, he quickly stepped into the ward, and said solemnly, “Manyin, is what you said true? Is it really Rong Shu who caused you to be bullied?”

Gu Manyin’s eyes flashed with a guilty conscience, and then she nodded firmly, “It’s her, it’s her, she specially tricked me to Beibin Road, and then had me kidnapped and taken away from a warehouse...Dad, You want to avenge me, and those six men, I want them to die without a place to be buried!”

Gu Yaotian nodded grimly, his eyes filled with ruthlessness, “Don’t worry, Dad will definitely do it for you. revenge!”

### **Chapter 285**

He knew that this matter must have something to do with Rong Shu!

More than 20 years ago, Rong Hao killed his first daughter, and now Rong Hao’s daughter has ruined his second daughter, and the chance for him to marry the Fu family is completely gone.

If he doesn’t tidy up Rong’s family, he doesn’t trust him!

Hearing that Gu Yaotian promised to avenge himself, Gu Manyin smiled.

Then, she thought of something and asked, “By the way, mother, how did you find me?”

The six men humiliated her inhumanly, and she couldn't hold back and fainted in the middle of nowhere. know what happened next.

"We didn't find you, but passers-by found you in the downtown area." Madam Gu shook her head and replied.

Gu Manyin's pupils shrank for a moment, and great uneasiness rose in her heart, "Downtown?"

Mrs. Gu nodded with red eyes, "Yes, that night, you were put into a sack with your naked body and left in the downtown. Passersby looked curiously, only to find you and then call the police."

"Call the police!" Hearing these two words, Gu Manyin's eyes darkened and he almost fainted again.

Her fingernails were pinching her palms tightly, and the palms of her hands were torn apart by the fingernails, oozing bright red.

But she didn't seem to feel the pain, and said emotionally, "You mean, I was bullied and exposed? Now everyone knows that I am Gu Manyin, and my dignified Gu family daughter was bullied by others. Already?"

Although Madam Gu really wanted to deceive in good faith, Madam Gu knew that she would not be able to deceive for long, as long as Manyin went online, she would find out that she was lying.

So, it is better to admit it directly.

"Yes." Madam Gu nodded sadly.

Gu Yaotian patted Mrs. Gu's shoulder to comfort her.

"How could this be..." Gu Manyin's head was dizzy, and her whole body collapsed.

Everyone knew she was being bullied.

Now she can even fully imagine how the netizens on the Internet will talk about her, how the young masters in the circle will laugh at her, and how the media will use her to gain popularity!

"Where's Jing Ting? Does Jing Ting also know?" Gu Manyin asked again with red eyes.

Madam Gu couldn't bear to turn her head away.

Seeing her like this, Gu Manyin's heart froze, "Jing Ting...I know..."

Gu Yaotian patted the table angrily, "Not only did he know, but he also took the opportunity to break up the engagement!"

"..." Gu Manyin didn't speak. Now, both eyes stared blankly at the ceiling, the whole person seemed to have lost his soul, and it was frightening.

After a few seconds, she suddenly laughed, and her laughter was filled with grief and anger, and tears came out.

Mrs. Gu looked distressed, "Manyin..."

"Okay, Manyin is uncomfortable now, you let her vent." Gu Yaotian grabbed Mrs. Gu who wanted to go up to comfort Gu Manyin.

Madam Gu had no choice but to nod her head.

At this time, there was a knock on the door of the ward, and it was Gu Yaotian's assistant.

"Mr. Gu, you found the girl with a special necklace that you posted earlier!" The assistant walked in and said hurriedly.

Gu Yaotian and Mrs. Gu's expressions froze at the same time.

Even Gu Manyin couldn't stop crying and laughing, her breath stuck in her throat, and she coughed violently, her face turning red.

But Gu Yaotian and his wife didn't care about her, they both stared at the assistant.

"What did you say? Have you found romance?" Mrs. Gu's hands were shaking with excitement.

Gu Yaotian is the same.

Like his wife, he desperately hopes to find the eldest daughter, Manqing.

Because this eldest daughter is his own.

The most important thing is that now Gu Manyin is completely ruined, he can only put all his hopes on Manqing.

"Yes." The assistant nodded, "When I was in the hospital just now, I was stopped by a girl who gave this to me." The assistant said, spread out her hand, and suddenly there was an old necklace in her palm. .

Seeing this necklace, Mrs. Gu burst into tears on the spot, covered her lips with both hands, and cried silently.

Gu Yaotian was a little calmer than her, but his hand to take the necklace was trembling unabashedly.

Gu Yaotian took the necklace over, opened the back of the pendant directly, saw the three-letter initials of Gu Manqing's name, and suddenly laughed, "It's a romantic necklace, this is a romantic necklace."

Mrs. Gu I saw it too, and nodded again and again, "It's romance, it's my romance, where is my romance now?"

"In the hospital lobby, I asked her to wait for me there." The assistant replied.

Mrs. Gu took Gu Yaotian's hand, "Yaotian, let's go, let's go see the romance."

"Alright, let's go!" Gu Yaotian put the necklace away carefully.

The husband and wife hurried out of the ward, followed by the assistant.

None of the three looked at Gu Manyin behind him.

Especially for Gu Yaotian and his wife, how can the current Gu Manyin compare to the return of Gu Manqing.

"Ahhhh!" Gu Man roared loudly, and kept picking up the things by the bedside and smashing them on the floor and walls to vent the anger in his heart.

She obviously did so much to prevent her parents from finding Gu Manqing, and she also asked the detectives to find Gu Manqing, but they were not found.

But who would have thought that Gu Manqing would actually come to her door at this juncture!

God is really unfair, it's not enough to have a Rong Shu to rob her, but also to get a Gu Manqing.

But soon, Gu Manyin calmed down again, staring at the ceiling with both eyes gloomy.

It's true that when Gu Manqing comes back, she will split her parents' favor, her property and inheritance advice, but a person who lives in someone else's house all the year round, she doesn't believe she can't fight it.

Therefore, the most urgent task now is to deal with the matter of being bullied first. Gu Manqing can take it easy first.

Thinking about it, Gu Manyin took a deep breath, took the phone beside the pillow, and called Lin Tianchen with a gloomy expression.

Lin Tianchen was seeing a patient when he heard the phone ringing next to him. He tilted his head and saw the caller ID, and his glasses were reflective.

He didn't answer immediately, but turned his head back, tore off the prescription and handed it to the patient opposite, "You're fine, just take two courses of medicine and you'll be fine."

"Okay, thank you doctor." The patient answered with both hands. After passing the prescription, I stood up gratefully.

Lin Tianchen hummed lightly, "Go get the medicine."

"Hey." The patient nodded and turned to go out.

Lin Tianchen picked up the phone and answered the phone.

Before he could speak, Gu Manyin's voice full of hatred came, "Lin Tianchen, didn't you say that you have already led Rong Shu to Beibin Road, why is it me who was bullied in the end!" The corner of

Lin Tianchen's lips were hooked, but the words he said were full of apology, "I did lead Rong Shu there, but I didn't expect that it was you who had an accident in the end. I also saw the news of your accident that night, only to find out that Rong Shu didn't go. After checking, I found out that Rong Shu encountered something on the way, and left halfway, and both you and Rong Shu have a red mole on their wrists, so those people recognized Rong Shu as you."

He has evidence. Makes sense, Gu Manyin couldn't hear that he was lying.

Therefore, Gu Manyin believed Lin Tianchen's words.

After all, she is Lin Tianchen's angel, and Lin Tianchen will definitely not plot against her.

All I can say is that all of this is a coincidence, and if you want to blame it, you have to blame Rong Shu, why there is a mole on Rong Shu's wrist, and why Rong Shu left halfway.

If Rong Shu didn't leave halfway, she would not be bullied by those men!

Thinking of those men, Gu Manyin clenched her phone tightly and asked through gritted teeth, "The people who bullied me were all found by you. I want you to hand them over to me!"

She wanted to kill those people herself. man!

Lin Tianchen leaned back in the chair, "I can't do it, those men ran away when they found out that you were not Rong Shu after the news about you, they might be afraid that we would settle accounts with them. "

What? Run away?" Gu Manyin's voice became sharp.

Lin Tianchen turned the scalpel lazily, "Yeah, I'm looking for them now, but it's been two days and there's no news at all."

"Damn, they ran away!" Gu Manyin was furious.

How could she find those men to settle accounts after she ran away?

But thinking that Rong Shu was still there, she felt some comfort in her heart.

Since those men are not around, she will use Rong Shu first!

"Tianchen, I want you to continue looking for those men, and notify me as soon as there is news." Gu Man's eyes were splitting as he ordered.

Lin Tianchen pushed his glasses, "Okay." After the call, Gu Manyin

put down her phone, and opened various social networking sites to check the news about her online.

Seeing the ridicule and remarks that were extremely unkind to her on the Internet two days ago, she could not wait to find out all those people and kill them.

However, seeing the comments of the last two days, her complexion has slightly improved.

Because these comments are basically slandering her, and they all believe that she is a pure victim.

If that's the case, then she simply takes the identity of the victim completely!

Thinking about it, Gu Manyin narrowed her eyes, then made a phone call and went out, "Hey, is it Slag Lang Media? I'm Gu Manyin..." On the

other side, Rong Shu was called out by Cheng Huai, and the two came Arrived at a quiet cafe.

Rong Shu sighed and looked at the man opposite with some dissatisfaction, "Cheng Huai, are you sick? Call me out so late at night, I'm ready to rest."

Cheng Huai laughed twice, "I'm sorry. I'm sorry, it's my fault, but I told you to come out, it's a business!"

"What's the matter?" Rong Shu stirred the milk and took a sip.

Cheng Huai put away the contempt on his face and became serious, "I let the fake romance appear in front of Gu Yaotian and his wife."

Hearing this, Rong Shu paused when she was drinking milk.

Soon, she recovered, put down the milk and asked, "How is the situation now?"

"It went well, Gu Yaotian and his wife were guarding Gu Manyin in the hospital, so I asked Fake Manqing to go directly to the hospital to find Gu Yaotian and his wife, according to my stay. The eyeliner at the hospital said that Mrs. Gu has firmly believed that the fake romance is the real one, but Gu Yaotian is still a little rational, although he is excited, he still insists on doing the paternity test." Cheng Huai also took a sip of coffee. back.

"It seems that Gu Yaotian and his wife really love Gu Manqing, the eldest daughter." Rong Shu said while playing with the straw.

Otherwise, why is Mrs. Gu in such a hurry to recognize her daughter?

Even Gu Yaotian was very excited.

Thinking of this, Rong Shu felt an inexplicable subtle feeling in her heart, but she couldn't tell what that feeling was.

But she didn't think much about it, and soon she suppressed the strange feeling.

Cheng Huai shrugged and replied, "Of course they love it. After all, Gu Manqing is their only biological daughter. Gu Manyin was adopted only to appease Mrs. Gu .

"

It was also found out a few days ago. More than 20 years ago, after seeing Gu Manqing being drowned, Mrs. Gu had a mental problem. When she saw a baby about the same age as Gu Manqing, she thought it was Gu Manqing. Then go up and snatch it away, or hold a pillow all day as Gu Man's lover." Cheng Huai said.

Rong Shu's eyes widened in surprise, "Is there such a thing?"

"Yes." Cheng Huai nodded.

Rong Shu sighed, "But now I can't tell that Mrs. Gu is still mentally ill."

"It's been a long time ago. More than 20 years ago, in order to appease Mrs. Gu, Gu Yaotian went to the orphanage to find a man named Gu Manqing. The substitute, the current Gu Manyin, in order to make Gu Manyin look more like Gu Manqing, Gu Yaotian also specially made some traces on Gu Manyin's body, such as birthmarks." Cheng Huai said while drinking coffee.

Rong Shu nodded, "So that's the way it is, Gu Yaotian loves Madam Gu quite a bit."

"They are childhood sweethearts who grew up together, and they have no relationship. The most important thing is that apart from Madam Gu, no other woman would marry. To Gu Yaotian." Cheng Huai smiled and gloated.

Rong Shu became interested, "Oh? Gu Yaotian must have something wrong, right?"

"Bingo!" Cheng Huai snapped his fingers, "My Rong Shu is smart."

Rong Shu couldn't help rolling his eyes, "Go go, what your Rong Shu, be serious!"

Cheng Huai laughed twice, "OK, OK, I'll be serious." After

speaking, he coughed twice and cleared his throat. Afterwards, he said again, "Gu Yaotian has necrostermia, but it took me a lot of effort to find out, so it is already a great miracle that Mrs. Gu can give birth to Gu Manqing for him. He is also the only child in his life, so when Gu Manqing was born, he was so happy to order the necklace."

Hearing this, Rong Shu suddenly raised her chin, "No wonder Gu Yaotian looks at Sansheng Group. It's so heavy, knowing that Gu Manyin has no talent for business, she never thought of having another one, so it's like this."

"It's incredible, isn't it?" Cheng Huai laughed.

Rong Shu hummed, "Indeed, but none of these matters. What matters is, is the paternity test you arranged safe?"

"Don't worry, I arranged it with my privileges. No matter who takes the hair of Fake Manqing and Gu Yaotian for an appraisal, the result will show that they are parent and child. Of course, it is limited to all appraisal agencies in Haishi. It won't work anymore." Cheng Huai spread his hands and replied.

After all, the Cheng family's power is only in the sea market.

And the Cheng family can't interfere in the affairs of other cities, otherwise, like the Gao family, they will be investigated by the central government.

"That's good." Seeing Cheng Huai's reassurance, Rong Shu let out a sigh of relief, feeling relieved.

As for going to other cities for identification.

She felt that ordinary people should not go that far to do it.

The two stayed in the cafe for almost two hours before leaving.

Cheng Huai sent Rong Shu downstairs in Repulse Bay, "Doudou said he wanted to come to play with you, next time I will bring Doudou to find you."

Rong Shu smiled and nodded, "Okay, I also miss Doudou."

A glimmer of light flashed in Cheng Huai's eyes, "That's it!"

Very good, next time I have another excuse to find her.

"Yeah." Rong Shu nodded.

"It's getting late, then go in quickly, I'm leaving too, goodbye!" Cheng Huai waved his hand, rolled up the car window and left.

Rong Shu stood there and watched him, until his car was out of sight, then he was about to turn around and enter the building.

Just as she turned around, a familiar male voice suddenly sounded behind her, "Rong Shu!"

Rong Shu stopped and followed the sound.

I saw that about ten meters away from me, the door of an ordinary car opened, and Fu Jingting came out of it, walking towards her with long legs.

Rong Shu subconsciously frowned.

Good guy, he actually drives such an inconspicuous car.

No wonder she hadn't found him just now.

"Where did you and Cheng Huai just go?" Fu Jingting stopped in front of Rong Shu, looked at her, and asked in a low voice.

### Chapter 287

Rong Shu's brows furrowed even deeper.

What happened to the tone of his husband questioning his wife?

Has he not made up his mind yet?

"Where did Cheng Huai and I go? What does it have to do with you, and use you to ask? It's funny!" Rong Shu pouted and turned to leave.

Fu Jingting took her arm, "I'm just worried about you, it's so late..."

"I don't have to worry about you!" Rong Shu pulled out her arm and looked at her coldly, "You didn't worry about me in the past, now No need, okay, Mr. Fu, it's very late, you go back, I'm going back too."

After she finished speaking, she ignored him and turned around and entered the building.

Fu Jingting was not holding her back either, just quietly watched her disappear into the building.

Back at the apartment, Rong Shu took off her shoes and bag, and walked towards the bathroom barefoot.

After taking a shower, she went into the bedroom to rest.

She should have gone to bed at ten o'clock, but she was called out by Cheng Huai, and now she was so sleepy that she couldn't open her eyes.

Rong Shu yawned and walked to the floor-to-ceiling window, ready to close the curtains.

Suddenly, she glanced down and saw the roadside under the building, where the ordinary car was still parked.

In other words, Fu Jingting has not left yet.

Play soulful routines?

Rong Shu sneered, pulled the curtains without hesitation in the next second, and went back to the bed to lie down.

Downstairs, Fu Jingting sat in the driver's seat and kept looking up at a certain floor of the building.

Seeing that the lights on that floor were dim, he knew that she had fallen asleep.

Suddenly, Fu Jingting's cell phone rang.

He picked it up and glanced at it, Assistant Zhang called.

"What's the matter?" Fu Jingting turned on the loudspeaker, dropped the phone on the co-pilot's seat, and found a pack of cigarettes and a lighter from the car trunk.

Assistant Zhang replied, "It's not a big deal. It was news from the hospital that Gu Manyin woke up." into the mouth.

Seeing his indifferent attitude, Assistant Zhang was not surprised. He pushed on his glasses and said, "In addition, there is one more thing, Gu

Manqing is looking back at home!" "What?" , "Gu Manqing?"

"Yes." Assistant Zhang nodded.

Fu Jingting frowned, "Is it really Gu Manqing?"

"It is very likely that Gu Manqing came to Gu Yaotian and his wife with his daughter's necklace. Now Gu Yaotian and his wife are doing a paternity test with Gu Manqing. Gu Manqing did not let's go, so she is very likely to be real." Assistant Zhang replied seriously.

Fu Jingting's expression became solemn.

Daughter's necklace...

Isn't the daughter's necklace in Rong Shu's hands, why did it end up in someone else's hands?

Could it be fake?

No, it shouldn't be. If it is fake, Gu Yaotian and his wife cannot recognize it. After all, it is a gift they gave to their daughter. No one is more familiar with what the daughter's necklace looks like than them.

What's more, the daughter's necklace is custom-made, there is only one in the world, and there are no photos on the Internet at all, only the mother's necklace released by Gu Yaotian a few days ago.

Although the daughter necklace is very similar to the mother's necklace, there are some differences, so it is impossible for the outside world to counterfeit it.

The only explanation is that Gu Manqing may have something to do with Rong Shu.

Maybe Rong Shu gave that necklace to Gu Manqing, and then asked Gu Manqing to find Gu Yaotian.

Just why did Rong Shu do this?

Fu Jingting raised his eyes and glanced at the dark floor again, his eyebrows twisted into Sichuan characters.

"President Fu? President Fu?" Assistant Zhang couldn't help but shouted twice after hearing Fu Jingting's response for a long time.

Fu Jingting's eyes flashed and he came back to his senses, "Check the identity of Gu Manqing in the past, especially if she has contact with Rong Shu."

He was worried that Rong Shu would be deceived!

If that Gu Manqing had any other identity, it would be very dangerous for Rong Shu.

"Yes!" Although Assistant Zhang was curious as to why President Fu was bringing Gu Manqing and Miss Rong together, he didn't ask any further and nodded in agreement.

The phone was hung up, Fu Jingting put his hand out of the car window, flicked the soot again, and continued to stare at Rong Shu's floor.

This looks like one night.

The next day, Rong Shu packed up and was ready to go to Tiancheng.

As soon as the door opened, he saw Fu Jingting standing at the door.

Fu Jingting still had the same suit from last night, plus the tiredness on his face and the dark blue under his eyelids, Rong Shu knew that he didn't leave last night.

"You stayed in the car all night?" Rong Shu asked with a frown.

A glint flashed in Fu Jingting's eyes, "Are you following me?"

Otherwise, how could she have guessed that he had passed by in the car all of a sudden.

Rong Shu pouted, "You think too much, I didn't pay attention to you."

Hearing her denial, Fu Jingting's eyes dimmed for a moment, but he was not too disappointed.

She could notice that he hadn't left, which meant that she still paid attention to him.

He was already very happy.

"Breakfast!" Fu Jingting lifted the bag in his hand and handed it to Rong Shu. Afraid that she would refuse the same as last time, he quickly said, "Don't worry, it's not the ones from last time. I bought them in line at a nearby breakfast shop."

"You lined up to buy it yourself?" Rong Shu looked at him in surprise.

Fu Jingting nodded slightly, "Yes."

Rong Shu tutted.

She knew that the breakfast shop nearby was delicious, and she had bought it, but she rarely bought it, because those uncles and aunts would line up to buy it every day before dawn.

Unexpectedly, this man who has always been pampered, and who is rushing to do everything as soon as he opens his mouth, will actually go to the queue to buy breakfast in person.

Thinking of the scene where he was wearing a tall suit to grab breakfast with the uncles and aunts, Rong Shu couldn't help but laugh out loud.

"What are you laughing at?" Fu Jingting looked at her suspiciously.

Rong Shu waved her hand, "It's nothing, take your breakfast back, I'm not hungry."

However, as soon as she finished speaking, her stomach growled.

Fu Jingting looked down at her lower abdomen with a gentle look in his eyes, and quickly restrained it, not letting her find out.

"You're hungry!" Fu Jingting said.

Rong Shu's face flushed, and her eyes were a little embarrassed, "I don't!"

"Your stomach is screaming." Fu Jingting said again.

Rong Shu squeezed her palm, "You heard it wrong."

After speaking, she walked over to the elevator over him.

Fu Jingting looked at her with a smile in his eyes, then he caught up with her in two steps with long legs and walked beside her, "Okay, I heard it wrong, but you can eat this kind of breakfast. , I haven't bought it for anyone else."

Ding!

The elevator has arrived.

Rong Shu raised her foot and went in. There were two uncles and aunts inside, wearing training clothes. They should have gone to the community garden for morning exercise.

Rong Shu first smiled at them, then put it away, and then said to Fu Jingting who came in behind, "Have you ever bought it for anyone else, don't tell me, I don't care, because all the breakfast you buy, I will I won't accept it."

Hearing this, Fu Jingting's heart became blunt, his eyelids drooped, and his whole body exuded a low aura.

The uncle and aunt on the side couldn't stand it anymore, so he asked, "Girl, did you quarrel with your boyfriend?"

Fu Jingting heard the word "boyfriend", his eyes flickered, and soon returned to normal, apologizing to the uncle and aunt. Down, expressing embarrassment to disturb them.

This action of his is obviously to admit that he is Rong Shu's 'boyfriend' identity in the mouths of uncles and aunts.

Rong Shu was stunned.

How can this man be so shameless!

Just when Rong Shu was about to explain that Fu Jingting was not her boyfriend, the aunt suddenly smiled and said, "Girl, I heard everything you said just now, it's not good for you to be like this."

Chapter 288 A lot of media came

"Huh?" Rong Shu was stunned.

What's wrong with her?

The aunt laughed again, "It's normal for young couples to quarrel, but don't take it too seriously, and I think this young man is very sincere in admitting his mistake, and he bought you breakfast, so please forgive him, now the man who will coax his girlfriend will not If you don't cherish it, you will regret it for the rest of your life."

“No, auntie I...”

Ding, the elevator is here!

The aunt patted Rong Shu on the shoulder and cut off her words, “Girl, think about what I said.”

After that, the aunt looked at Fu Jingting again, “And the boy, don’t make your girlfriend angry in the future, we can be together. It’s fate, you have to cherish it.”

“Yes, I remember it, thank you.” Fu Jingting nodded slightly to express his gratitude.

He didn’t cherish Rong Shu in the past, and he will put her first in the future.

Seeing that Fu Jingting had listened to her words, the aunt took the arm of the uncle next to her and walked out of the elevator with a smile.

Rong Shu didn’t go out before the floor he pressed.

She scratched her hair, and said irritably, “What’s the matter, Fu Jingting, you are so cheeky. Aunt recognizes us as a couple, and you really dare to admit it!”

Fu Jingting pressed the close button, “It’s just that I don’t want the old man to know that he’s wrong. It’s too embarrassing.”

“Don’t come!” Rong Shu glared at him, “You obviously have ulterior motives.”

Fu Jingting raised his eyebrows and acquiesced.

Rong Shu rubbed her brows and calmed down a little, “Okay, I won’t care about you this time, but if there is another next time, Fu Jingting, I will definitely not.”

She looked at him coldly.

Fu Jingting felt a pain in his heart, lowered his eyelids, covered the sadness in his eyes and said, “Okay, then breakfast...”

“No!” Rong Shu faintly threw out two words, then walked out of the elevator without looking at him and walked to the place where he had parked.

Fu Jingting also followed with breakfast.

Rong Shu heard the footsteps behind her and ignored it. She took out the car key from her bag and pressed it, opened the door, and then got into the car and left.

Fu Jingting stood there and watched her leave, her thin lips pursed slightly.

Assistant Zhang, who came to pick up Fu Jingting not far away, saw this scene in his eyes, shook his head with emotion, and sighed.

It seems that President Fu still has a long way to go in his pursuit of his wife!

...

Tiansheng Group.

Rong Shu was processing the pile of documents when Secretary Tong knocked on the door and came in, "Mr. Rong, someone from the Meng family enterprise has come."

"Meng family?" Rong Shu raised her eyebrows.

Secretary Tong nodded, "yes, the chairman of the Meng family enterprise is here."

"I'm here for Meng Ke's business." Rong Shu taunted the corners of her lips.

"Yes, it's about Meng Ke, I apologize to you." Secretary Tong replied.

Rong Shu snorted, "The apology is not even an apology. It can be seen that this apology is not sincere, just like the last time."

Last time, Mrs. Meng blocked her at the door of the court, apologized to her, and asked her to let Meng go. Ke, there is no apology.

Of course, she's not greedy for the apology, but since you're here to apologize, you don't even make a statement, which will only make people feel insincere.

And this time, Chairman Meng did the same.

She had to sigh that Chairman Meng and Mrs. Meng are indeed husband and wife. It's not that the family does not enter the same house. Maybe Mrs. Meng knew that she would not let Meng Ke go, so she specially asked Chairman Meng to come to her in person. .

But do you think that when Chairman Meng comes, she will let Meng Ke go?

Oh, it's a daydream, she doesn't care about Gu Yaotian, let alone a Meng family who can't even compare to Tiancheng!

"Mr. Rong, do you want to meet?" Secretary Tong looked at Rong Shu and asked.

Rong Shu lowered her head and continued to work on the documents, and replied in a cold voice, "No, let them go."

“Okay.” Tong Xi nodded and turned to go out.

I don't know how long it took, Rong Shu finally finished processing the pile of documents, then got up and walked to the floor-to-ceiling window, moving the pantothenic neck and wrist.

Suddenly, she saw several vans approaching not far below and parked in front of the group gate.

The car door opened, and a group of men and women carrying microphones and cameras were rushing towards the group gate like crazy.

That posture, as if smelling some shocking news, was beyond excited.

Rong Shu frowned, not understanding what happened to make this group of media so excited to come to Tiancheng.

But she felt uneasy in her heart.

Rong Shu took a deep breath and suppressed the uneasiness for a while, then turned back to the desk, picked up the landline and called Tong Xi's office.

“President Rong, do you have any orders?” Secretary Tong's respectful voice came.

Rong Shu pursed her red lips, “I saw a group of media coming to Tiancheng just now, and they are in the lobby now, you go ask...” Before

she could finish her words, her phone rang.

Rong Shu saw that Lu Qi was calling, grabbed the phone and said to Tong Xi, “Wait a minute.”

“Okay.” Tong Xi nodded.

Rong Shu put down the landline, swiped the answer button with a scallion-like finger, and answered Lu Qi's call, “Hey, Aqi.”

“Darling, are there a lot of media coming from your place?” Lu Qi's anxious voice came in. her eardrums.

This also made Rong Shu's previous anxiety reappear.

She clenched her phone and nodded, “Yes, there are about twenty people here, Ah Qi, what the hell is going on? Do you know something?”

Lu Qi said angrily, "It's not all that Gu Man. Yin, half an hour ago, she actually posted a message on her social platform, saying that she was bullied by others, and you planned it, and all the media came to you."

"What?" Rong Shu Her face changed slightly, "Gu Manyin actually said that?"

"No, it made me mad. I really wish I went to tear her up now, what the hell, I've never seen such a shameless woman!" Lu Qi shouted loudly.

After two seconds, he took a breath and managed to calm down, "Baby, let me tell you, you must not go out, otherwise the media will never let you go."

"I know." Rong Shu looked serious nod.

Lu Qi hummed twice, "It's good to know, but I don't worry about you alone in Tiancheng. I'll come over to accompany you." After

speaking, he was about to hang up.

Rong Shu hurriedly stopped him, "Don't, don't come here, you are still my boyfriend to the outside world, if you show up, those media will definitely hold you back, and maybe your company is going to go now. The media."

"Mr. Lu!" As soon as she finished speaking, she heard someone calling Lu Qi on the other end of the phone.

Lu Qi didn't know what to say to the man, and he said again after more than ten seconds, "Baby, you really said it, and some media also came downstairs in my company."

"Sorry, Ah Qi, yes. I've implicated you." Rong Shu twitched the corners of his mouth apologetically.

Lu Qi smiled indifferently, "Okay, I don't blame you, but I may have to deal with the media for the time being."

"Well, let's go." Rong Shu nodded.

Hanging up the phone, she picked up the handset of the landline she just put down, "Secretary Tong, you go to the lobby on the first floor now, arrange a few more security guards by the way, stop those media, and don't let them break in!

"Boss." Tong Xi responded.

Rong Shu put the microphone back on the landline and rubbed his eyebrows angrily.

Just like what Aqi said just now, Gu Manyin is a shameless woman, and she will make trouble as soon as she wakes up.

#### Chapter 289 Sending Blades

She originally thought that after Gu Manyin woke up, she learned what happened to her, and she fell into a slump and fell silent.

Unexpectedly, she thought too much and underestimated Gu Manyin's thick skin.

That's right, how could a vicious woman like Gu Manyin go silent just because she suffered a little, it would only be more crazy!

Thinking about it, Rong Shu pursed her red lips, picked up her phone and clicked on Gu Manyin's social platform, and saw the news that Lu Qi said.

Now this dynamic has been on the hot search, and the comments and forwarding have added up to more than one million, and even major media marketing accounts have begun to use this dynamic to talk about things.

Rong Shu opened the comment with a sullen face, and when she saw those who were all comforting Gu Manyin, she felt that her stomach was churning violently.

Gu Yaotian's previous video has already been cleaned up for Gu Manyin. Now, as soon as this video comes out, Gu Manyin has completely become a victim, except for those who know Gu Manyin's nature, or who can't stand Gu Manyin. No one would laugh at Gu Manyin being bullied, everyone would only sympathize with her and feel sorry for her.

It has to be said that Gu Manyin really deserves to be Gu Yaotian's daughter, and the methods of whitewashing are the same.

"Heh..." Rong Shu sneered, and without reading these comments, she left Gu Manyin's social platform and clicked into her own.

As soon as I clicked in, all kinds of beeps and vibrations sounded one after another, and the phone was stuck, and it took about a minute to recover.

Rong Shu's heart sank when she saw the bright red Jiujiu plus in the private message comments.

She opened the private message first, and saw all kinds of vicious swearing and aggressive emojis in the private message. Except for her tense face, there was no big accident. She had already guessed it.

Otherwise, she would not click into her social platform.

Because of Gu Manyin's post, which directly named Gu Manyin who was bullied by her, these netizens naturally believed them, and then went to her social platform to attack her.

Thinking about it, Rong Shu clicked the plus sign in the middle at the bottom of the screen, and also posted a message.

What she said was very simple. I didn't let anyone attack Gu Manyin with just one sentence.

Many netizens have been staying on Rong Shu's platform interface, so they soon saw this dynamic of Rong Shu.

Seeing that Rong Shu said that she didn't do anything to Gu Manyin, none of these netizens believed it. Instead, they scolded more fiercely, plus some sailors. In just two or three minutes, her comment area already had thousands of comments. The comments are all scolding.

Seeing this, Rong Shu couldn't help biting her lip. In the end, she was really upset, so she quit the social platform, out of sight.

At this moment, her cell phone rang.

Rong Shu glanced annoyed, it was an unfamiliar local number.

After a while, Rong Shu still answered, "Which one?"

"Is it Miss Rong?" It was a woman's voice.

"I am!" Rong Shu replied, rubbing her eyebrows.

When the woman heard Rong Shu admit her identity, her voice became extremely excited, "Hello, Miss Rong, I'm from Slag Lang Media. Regarding Miss Gu's online statement that she was bullied by you, it was you who planned this. Son, what do you think?"

Hearing this, Rong Shu tightened her cell phone suddenly, her face darkened, "How do you know my cell phone number?" The

woman was stunned for a moment, then directly ignored her question, no He urged patiently, "Miss Rong, answer my question first, did you really let someone insult Miss Gu?"

Rong Shu hung up the phone with a cold face.

This kind of reporter can't take care of it. If he does, the reporter will only ask endless questions, and the questions will become more and more tricky.

So there is no need to go on.

And in order to prevent this reporter from calling again, Mr. Rong directly added the number just now to the blacklist.

However, as soon as Rong Shu pulled in the number, the phone rang again, and it was still an unfamiliar local number.

Rong Shu guessed that the woman just called from a different number, or it was another reporter.

Therefore, she still hangs up directly and drags the blacklist!

But this was not the end. In the following time, there were unfamiliar phone calls one after another, and even some swearing text messages from netizens, which made Rong Shu feel exhausted.

She wanted to turn off her mobile phone many times, but thinking about the partners and customers who would occasionally call, she had to hold back and let these people call and send text messages without looking at it.

"President Rong!" Secretary Tong walked in anxiously.

Rong Shu opened her eyes, "what's the matter?"

"Mr. Rong, there are a lot of netizens downstairs from the group, who gave you a lot of blades and wreaths..." Secretary Tong glanced at her secretly and replied in a low voice.

Rong Shu's face turned cold, and there was an indescribable anger and grievance in his heart.

She obviously did nothing, but in the end she had to endure these scoldings and curses.

Looking at Rong Shu's slightly trembling body, Tong Xi asked with concern, "Mr. Rong, are you okay?"

Rong Shu shook her head, "I'm fine, you go and let the security guard catch all those who deliver the wreaths and send them directly. Go to the police station!"

"Okay." Tong Xi responded immediately, then thought of something, and said, "In addition, there is one more thing, the Internet is too violent, and now our Tiansheng stock market has experienced a serious decline, Mr. Duan has just issued a notice, saying that Mr. Rong should solve these troubles as soon as possible, or else hand over half of the management rights to him."

"Duan Xingbang!" Rong Shu slapped the table angrily, "Now Tiansheng Stock Market It's better for him to be turbulent, instead of stabilizing the stock market, he just wants to seize power!"

"No." Secretary Tong nodded in agreement with the enemy, but the next second, she became angry again, "But this time, many high-level executives support Duan. Boss, after all, this incident really points to Boss RongYou, they think it was you who caused Tiansheng to do this, so they are already discussing holding a general meeting of shareholders to re-determine whether you are qualified to hold that half of the management power. Rong Shu opened her mouth and was

speechless.

Because she couldn't deny that Tiancheng's stock market plummeted this time, she was indeed implicated.

Although it wasn't her move to Gu Manyin, Gu Manyin directly She threw the black pot to her, and she couldn't prove her innocence.

Unless Lin Tianchen stood up, he was the real black hand after all.

Thinking about it, Rong Shu pinched the bridge of her nose and said in a tired voice, "I see, you Go tell Duan Xingbang, I will solve it as soon as possible! "

"Yes. Secretary Tong glanced at her worriedly, then turned around and went out.

Rong Shu picked up the phone and dialed Lin Tianchen's number.

But when the call got through, no one answered, which made Rong Shu's heart sink to the bottom

. Did she deliberately not answer, or was she busy?

Rong Shu frowned and moved her fingers on the desk uneasily.

Suddenly, the phone rang again.

Rong Shu thought it was Lin Tianchen who saw the call she made and called back. , with a smile on her face, she quickly picked up the phone.

But when she saw that the caller ID was Cheng Huai, the joy on her face suddenly froze, and finally she sighed in disappointment and answered.

At the same time, the Fu Group When

Fu Jingting came out of the conference room after the meeting, Assistant Zhang walked over with a solemn expression, "Mr. Fu, something happened to Miss Rong. "

"What's the matter?" "Fu Jingting stopped and asked hurriedly.

Assistant Zhang pushed his glasses and replied, "Gu Manyin posted a post on the Internet, saying that she was bullied by Miss Rong, and netizens on the Internet believed it and ran to Miss Rong's social platform to confront Miss Rong. They insulted and even went to Tiancheng Group to send knives and wreaths to curse Miss Rong, and all the media went to Tiancheng to contain Miss Rong."

Chapter 290 Depressing the Heat

"What?" Fu Jingting's face changed slightly, and the breath all over his body instantly became low.

After a few seconds, he asked again, "How is Rong Shu now?"

"Miss Rong has been in the office and has not gone out, so those media and netizens did not hurt Miss Rong, but I guess it still affected Miss Rong's spirit. ." Assistant Zhang said.

Fu Jingting's eyes narrowed coldly, "You immediately expose some bad actors, suppress the news about Rong Shu on the Internet, and also remember all those marketing accounts that are malicious to Rong Shu and the worst netizens who scold them. Come down."

He was after these people to settle accounts!

"Understood!" Assistant Zhang nodded and immediately followed suit.

Fu Jingting took out his mobile phone from his trouser pocket and dialed Rong Shu's number, "Hello, the number you dialed is currently on the phone, please dial again..."

Are you on the phone?

Fu Jingting frowned.

Who is she talking to now?

The faces of Lu Qi and Li Chuan flashed in Fu Jingting's mind, and the more he thought about it, the more ugly their faces became.

Finally he put away his phone and walked towards the elevator.

He doesn't worry about her.

Just go and see for yourself!

Tiancheng Group, Rong Shu looked at the call from Fu Jingting, a strange color flashed in his eyes, and soon disappeared again.

She probably knew why he was calling.

I guess I saw those online.

"Rong Shu, are you still there?" On the other end of the phone, Cheng Huai couldn't hear the sound, and shouted.

Rong Shu put the phone back to her ear, "I'm still here, sorry, a call came in just now."

"Who is it?" Cheng Huai asked curiously.

Rong Shu's eyes flashed, "An irrelevant person, don't care."

"Okay." Cheng Huai shrugged and did not doubt her words, and said with a serious face, "Since Gu Manyin's matter was done by Lin Tianchen, we still have to ask him to come forward to prove your innocence, otherwise this will happen. This matter is very difficult to solve."

"I know." Rong Shu nodded, "I just called Lin Tianchen, but no one answered."

"He should be operating on someone, and a politician abroad has a brain tumor. , I learned that letting Lin Tianchen do the operation will increase the success rate of the operation, so I rushed over from abroad, and the operation time is today. It's impossible to end in a few hours." Cheng Huai said.

Rong Shu raised her chin suddenly, "So that's the case."

She was worried that Lin Tianchen didn't answer the phone on purpose.

Since it wasn't intentional, she was relieved.

“But I have to wait more than ten hours before I can ask him to help me prove my innocence?” Rong Shu frowned.

After more than ten hours, things must have fermented to the point of uncontrollable long ago.

And that’s not the most important thing. The most important thing is that Duan Xingbang may not have to wait for more than ten hours to let her hand over the management rights.

Cheng Huai sighed, “That’s right, you can only wait now, but I can temporarily help you suppress the storm on the Internet, so that you have time to take a breath, and stabilize Tiancheng’s stock first... Huh?”

He suddenly saw What, he blinked a few times in surprise.

“What’s wrong?” Rong Shu asked suspiciously.

Cheng Huai put his face in front of the computer, made sure he read it correctly, then swallowed his saliva and said, “Rong Shu, there is good news. There has been a lot less news about you on the Internet. Are you pressured?”

“No Huh?” Rong Shu shook her head.

Cheng Huai’s brows furrowed, “That’s weird, I just saw that there was a lot of commotion on the Internet, but now it’s almost disappeared, it must have been suppressed by someone, you said it wasn’t you, who would it be? It can’t be Lu Qi, and your godfather?”

“Impossible!” Rong Shu shook his head with certainty, “Lu Qi also went to a lot of media, he was busy dealing with those media, and he didn’t have time to help me. Pressing the news, as for Xiaochuan, he has a completely closed filming job today, I am afraid I don’t know what happened to me now, so it can’t be him.”

“It’s not Li Chuan or Lu Qi, who could it be? Cheng Huai thought of a person, and his face became heavy.

Rong Shu also thought of it, her red lips moved, and she slowly spit out three words, “Fu Jingting.”

It must be him, he called her just now.

“I also suspect it is him, and the possibility is very high, Rong Shu, if it is Fu Jingting, will you forgive him for this?” Cheng Huai asked tentatively.

Rong Shu lowered her eyes and said softly, “No, it’s two different things.”

Cheng Huai laughed immediately when he heard this, "That's good then."

Rong Shu just felt a little strange, "Aren't you Fu Jingting's friend? , why don't you want me to forgive Fu Jingting."

"Ah this..." Cheng Huai looked away with a guilty conscience, and smiled embarrassingly, "What, I'm not helping you, he used to be so much to you. , I naturally don't support him."

"Really, you are an enlightened person." Rong Shu nodded.

Cheng Huai was relieved when she saw that she believed it.

"Okay Cheng Huai, I won't tell you." Rong Shu rubbed his temples.

Cheng Huai snorted, "Okay, call me anytime if you have anything, and I will try my best to help you if I can. Also, be careful not to have direct contact with those netizens and the media, they are all lunatics. , it will easily hurt you, so you protect yourself and don't get hurt."

"Don't worry." Listening to his advice, Rong Shu smiled.

The phone hung up, she put down her phone, put her hand on the mouse, and searched the Internet for news about her.

It turned out , and only a few were found. The original hundreds of thousands of comments and retweets had all disappeared, replaced by the scandals of the stars in the entertainment industry. .

Who cheated, who chose a concubine, who evaded taxes, etc.

Don't talk about her, netizens can see that the stars are blocking the wooden warehouse for her.

But what about Mucang? The scandals of these stars have indeed attracted the attention of netizens, and a new round of scolding has been launched on the Internet.

But the object of scolding calmly became those stars.

"Huh..." Rong Shu got up and walked to the floor-to-ceiling windows to look down. When she saw that the original dozens of media were suddenly reduced by half, she knew that those media that had left were probably going to interview those celebrities.

This gave her a sigh of relief and gave her time to figure out a way to stabilize the stock market.

In the hospital, Gu Manyin was sitting on the hospital bed in a good mood, eating fruit.

Thinking of what I just saw on the Internet, those netizens' verbal violence towards Rong Shu, I couldn't help laughing happily.

Those netizens were really stupid. She only posted a post, and they all believed that she was bullied by Rong Shu.

But it is precisely because they are stupid that her purpose can be successful. She just wants to put a perpetrator's hat on Rong Shu's head, so that Rong Shu can't take it off.

Why is she defiled by those people, Rong Shu is still clean!

She refused, so Rong Shu had to go to hell to accompany her!

However, Rong Shu is also a fool. He actually posted some remarks on the Internet. Now, who doesn't know that the words "clean and self-clean" have become a derogatory term.
