Chapter 391 Doubt about life

Assistant Zhang took the doctor to the hotel. Could it be that Fu Jingting was ill?

“Then I asked Assistant Zhang what happened. Assistant Zhang said that Mr. Fu had a bad stomach. I was very curious. With Assistant Zhang taking care of Mr. Fu, how could he have a bad stomach, so I followed him to the presidential suite. , I heard that Fu always eats leftovers to eat his stomach.” Chen Xingnuo laughed out of breath.

The president and chairman of Tangtang Multinational Group actually eats leftovers and eats badly.

If this is spread out, I am afraid that a large number of people will die of laughter.

The corner of Rong Shu’s mouth twitched, she never expected that Fu Jingting was actually ill.

Still this disease.

“Why does he eat leftovers?” Rong Shu held her forehead with a smile in her eyes.

Only Li Chuan on the side did not smile, and his expression was a little gloomy.

Chen Xingnuo took a long breath and calmly replied, “It’s not because of you, President Rong.”

“Me?” Rong Shu pointed to herself.

Chen Xingnuo nodded, “Mr. Fu occupied the lunch you ordered at noon by himself, but he couldn’t finish it, and he was reluctant to throw it away, so he kept it for the hotel to heat it up at night, but he never ate any leftovers. Once you eat it, your stomach can’t stand it, so you’ll be spoiled.”

Rong Shu raised her eyebrows.

That’s actually the reason.

“Sister, why did you order lunch for Fu Jingting?” At this moment, Li Chuan suddenly asked unhappily.

Rong Shu heard it and explained with a smile, “He ordered breakfast for me in the morning, and I just pay him back.”

“He ordered breakfast for you, but you can refuse it.” Li Chuan stared at her closely, his eyes narrowed. The palpitating light said, “So, sister, why do you accept it? Didn’t you say that you don’t love Fu Jingting anymore, you want to stay away from Fu Jingting, why do you accept his breakfast? And just now, Fu Jingting had a bad stomach, why do you want to be concerned about how he got a bad stomach, sister, are you falling in love with him again?”

Facing his aggressive questioning, the expression on Rong Shu’s face slowly solidified, and his brows furrowed.

Although she can’t see what he looks like at the moment, she can imagine that his current mental state and mental state must be wrong.

“Xiaochuan, you’re cold first...”

“Sister, answer me!” Before Rong Shu could finish speaking, Li Chuan interrupted her directly, and leaned over to her, trying to push her down on the sofa.

However, before Li Chuan could meet Rong Shu, Chen Xingnuo turned his face dark, lifted Li Chuan’s back collar, lifted him calmly beside Rong Shu, and threw him directly on the sofa opposite.

“Boy, give me some peace of mind!” Chen Xingnuo stood in front of Rong Shu and looked at Li Chuan with a warning.

Li Chuan lowered his head, making it difficult to see Lian Shan’s expression.

Rong Shu moved forward twice, touched the hem of Chen Xingnuo’s clothes, and then grabbed it tightly, “Xingnuo, what’s wrong? What happened?”

Chen Xingnuo turned around, “This kid, just went crazy. Now, I want to force you to answer the questions just now.”

Hearing this, Rong Shu’s eyes widened slightly, obviously startled, “Xiaochuan...”

She probably knew why Xiaochuan had a sudden mental illness.

From the questions Xiaochuan asked her, it can be seen that Xiaochuan saw that she asked Fu Jingting a few more questions, and felt that she was concerned about Fu Jingting, so she thought that her feelings for Fu Jingting had rekindled, and then was stimulated by such thoughts, It happened when I couldn’t accept it.

With a sigh, Rong Shu said, “Xiao Chuan, I didn’t fall in love with Fu Jingting. The reason why I ask these questions is to see Xingnuo laugh like this. I just want to know what kind of joke Fu Jingting is making. It doesn’t mean anything else.” Li

Chuan Looking up at her, his mouth opened, as if he wanted to say something, but in the end he didn't say anything, got up and left.

It seemed that he knew that he had almost hurt Rong Shu again, and Li Chuan's back looked a little shrinking.

Chen Xingnuo akimbo, "This kid, obviously made a mistake, but he ran away instead."

Rong Shu rubbed his brows.

She is no longer surprised.

The last time Xiaochuan poisoned her was also. After being told by her, he suddenly walked away like this, and then disappeared for several days.

I don't know if it will disappear this time.

"Mr. Rong, I want to tell you, this kid really needs to be taken to psychotherapy quickly, he will lose control in this moment, and he will get it in the future, and his temper should be changed, his self-esteem is too strong, he will leave as soon as he encounters something. Too much like a child." Chen Xingnuo said seriously as he watched Li Chuan leave.

Rong Shu sighed, "What you said, Xingnuo, give me your phone, and by the way, help me to open WeChat and find Xiaochuan's page."

"Okay." Chen Xingnuo nodded as he did.

Rong Shu got the mobile phone, and with the memory of WeChat, she held down her voice and began to speak, "Xiaochuan, I don't blame you for what happened just now, can we go back to Haishi with me tomorrow, shall we go back to see a psychiatrist?"

Hearing the sound effect sent, Rong Shu put down the phone and started waiting.

After two minutes of waiting, the phone vibrated.

Rong Shu hurriedly asked, "Xingnuo, did Xiaochuan reply, and what did he reply?"

Chen Xingnuo lowered his head, "I see, yes, he replied with a good word, Mr. Rong, you posted so many , he just replied a word, it can be seen that he is still arguing."

In her opinion, people like Li Chuan are only suitable for being a younger brother, not a lover.

Therefore, due to his personality and temper, plus his self-esteem, he won't take the initiative to bow his head every time there is a conflict, and you have to coax him.

And Li Chuan likes President Rong, so she doesn't want President Rong to like him in the end.

Listening to Chen Xingnuo's words, Rong Shu put down the phone and smiled, "It's okay this time, at least he replied to me, since he replied, then I'm relieved, Xingnuo, I want to sleep for a while."

"Okay, I'll help you over." Chen Xingnuo helped her up.

On the top floor, the Presidential Suite.

The doctor left after prescribing the medicine for Fu Jingting.

Assistant Zhang walked into Fu Jingting's room with a glass of warm water, and saw Fu Jingting leaning on the head of the bed with a pale face, a gloating flash of schadenfreude in his eyes.

This is the reward for eating alone!

"Cough!" Assistant Zhang coughed lightly, restrained the urge to laugh, and handed over the water glass, "Mr. Fu, take the medicine." Fu

Jingting took the water glass, then picked up the medicine by the bedside, and ate it expressionlessly go down.

"Rong Shu should know about me, right?" Fu Jingting put down the water glass and said solemnly.

Assistant Zhang pushed his glasses, "It should be, Miss Chen overheard our conversation with the doctor just now. Miss Chen will definitely tell Miss Rong."

Fu Jingting's face turned black.

Rong Shu knew, what would she think of him.

Will you laugh at him?

Thinking of Chen Xingnuo's smile at that time, Fu Jingting's heart sank to the bottom.

Rong Shu hates him so much now, how could she not laugh at him when she heard his jokes, she must be very happy.

His image is completely ruined!

Fu Jingting raised his arm and covered his eyes, a little unwilling to face the world.

This is the first time he has lost face since he grew up so big.

Seeing Fu Jingting's doubts about life, Assistant Zhang felt a little embarrassed and gloated. He picked up the water glass by the bed and said, "Mr. Fu, I'm going out first?"

Fu Jingting hummed.

Assistant Zhang turned and walked towards the door.

He won't bother Mr. Fu anymore.

Leave this to President Fu to calm down and return to the human world.

The next day, the three of Rong Shu set foot on the plane back to Haishi.

Fu Jingting was not together. He still had some things to do in Nanjiang. He had to check the accounts of the branch company, and he would go back after checking.

"Baby!" As soon as Rong Shu got off the plane and walked out of the aisle, he heard Lu Qi's cheerful voice coming from the front.

Chapter 392 Looking for a nanny

Chen Xingnuo smiled and told Rong Shu, "Mr. Rong, Lu Qi is in front."

Rong Shu nodded, "I heard, let's go, let's go over."

"I'm coming." Li Chuan stretched out his hand and pushed the wheelchair.

Chen Xingnuo shrugged and gave him the position.

If he wants to push, push it, she just relaxes a bit.

The three walked towards the landing.

Arriving in front of Lu Qi, Lu Qi looked at Rong Shu, "Baby, it's not bad, you actually brought Li Chuan back." Li Chuan turned his

head and ignored it. Rong Shu smiled and replied, "Of course I have to bring it back, how can I leave him alone? By the way, Aqi

, how is the psychiatrist you asked you to find?"

Now, he is also a psychiatrist." Lu Qi said disapprovingly.

Rong Shu frowned slightly.

Lu Qi saw it and asked cautiously, "Baby, are you not satisfied with Lin Tianchen being this kid's psychiatrist?"

"No, just him." Rong Shu shook her head back.

In fact, at first, she really didn't really want to find Lin Tianchen.

Lin Tianchen is a bit weird in itself, and she is worried about letting him be Xiaochuan's psychiatrist.

But she couldn't deny that Lin Tianchen was indeed a very high-level psychiatrist, so it wouldn't hurt to let Lin Tianchen give it a try.

"Okay, then I'll contact him in a while." After speaking, Lu Qi looked at Li Chuan again, "Boy, get treatment, this is good for you, otherwise you will be destroyed by yourself if you let it go on like this.

Li Chuan's eyes flashed, then turned his head away, "I know." "

That's right, let's go, the car is parked outside." Lu Qi reached out and pulled a suitcase in Chen Xingnuo's hand.

Chen Xingnuo glanced at him gratefully, "Mr. Lu, you are such a good person, and you actually help me share the weight."

Lu Qi snorted at her, "If you don't make fun of me in the future, I can be better."

A group of people walked to the parking lot talking and laughing.

Soon, the first hospital arrived.

Lu Qi sent Li Chuan in and handed it over to Lin Tianchen.

Rong Shu didn't go, just sat in the car and waited.

After waiting for about ten minutes, Lu Qi came back.

Rong Shu heard him sit up and asked, "How is it?"

"Lin Tianchen has accepted Xiaochuan as a patient, and will start to ease his mind from today, and Lin Tianchen said that Xiaochuan's psychological condition is too serious, and it is almost reaching the point of split personality. So the treatment time will be very long, and there will be several stages of treatment, and it may take two or three years to recover." Lu Qi pressed his eyebrows and said with emotion.

Rong Shu sighed, "Two or three years is indeed a long time, but it's a good thing to be cured, take your time."

"That's the only way." Lu Tou, then started the car, "Baby, you have to go back to the third hospital. , or Repulse Bay?"

"Repulse Bay, my head is fine now, but I can't see my eyes. In the hospital, I don't need to live all the time, just go for regular checkups, Ah Qi, I'll go to the third one in a while. At the hospital, help me go through the discharge procedures." Rong Shu retracted her thoughts.

Lu Qi turned the steering wheel, "Okay, but Li Zhaodi's side, when are you going to deal with it?"

"Just today, the sooner the better." Rong Shu narrowed her eyes and said coldly, "The portrait of Li Zhaodi you sent me, I have already sent it to the police, and after asking your staff there, they will go to Gu's house to summon Li Zhaodi."

"When did you send it to the police?" Lu Qi was curious.

"Just when you took Xiaochuan to the First Hospital." Rong Shu patted the bag on her leg.

The co-pilot Chen Xingnuo turned his head and interjected, "I helped President Rong to post it."

"Yes." Rong Shu smiled.

Soon, Repulse Bay arrived.

Lu Qi and Chen Xingnuo helped Rong Shu into the house.

Lu Qi suddenly thought of something and suggested, "Baby, why don't I arrange a nanny for you, stay here to take care of you until your eyes recover, or I won't worry about you alone."

"Mr. Lu This is a good note." Chen Xingnuo also agreed.

Rong Shu sat down on the sofa, "I know, I've thought about it, but I haven't contacted the housekeeping company yet."

In her situation, she really needs a nanny.

During this time, she couldn't go to the group and could only stay at home. Without a nanny, she couldn't take care of herself at all.

Can't let Xing Nuo or anyone else come here to take care of her?

"Then let me get in touch. The Liu family is doing housekeeping services. Fatty Liu is my classmate. If I look for him, he will definitely arrange a nanny with a clean background and clean hands and feet, so that you don't have to worry about the nanny having clean hands and feet when you use it. Problem." Lu Qi patted his chest and assured.

Rong Shu took the water cup that Chen Xingnuo handed over, "Okay, then I'll leave it to you."

"It's a small matter, the babysitter will be in place at the latest at night." Lu Qi said.

As soon as he finished speaking, the phone rang.

Lu Qi took out his mobile phone from his pocket and looked at it, then smiled bitterly, "Baby, I may have to go back first, there will be an entertainment later."

"Then go, I have Xingnuo here, you don't have to worry." Rong Shu took a sip and said.

Chen Xingnuo sat next to him and changed the channel with the TV remote control. He nodded when he heard this, "Yes, there is me. I will accompany President Rong until the nanny arrives."

"In that case, I will Don't worry, baby, I'll go first." Lu Qi put away his phone and left.

Rong Shu turned her head and said to Chen Xingnuo beside her, "Help me dial Cheng Huai's number."

Chen Xingnuo took over the phone, dug out Cheng Huai's phone number and dialed, "It's alright."

"Thank you." Rong Shu Get your phone back and put it to your ear.

The phone was connected, and Cheng Huai's yawning voice came, "Rong Shu, what are you looking for?"

"Are you sleeping?" Rong Shu raised her eyebrows and asked.

Cheng Huai chuckled, "Yeah, I was busy with work all night last night, and I didn't sleep until eleven o'clock in the morning."

At eleven o'clock in the morning, it was only after two o'clock in the afternoon.

In other words, he only slept for more than three hours.

“Sorry, I woke you up.” Rong Shu apologized a little embarrassedly.

Cheng Huai sat up from the bed, “No, it’s almost time for me to wake up. I have other things to do in a while, so just talk about it.

” Dispose of Li Zhaodi.” Rong Shu pursed her red lips and said in a deep voice.

Cheng Huai blinked in astonishment, “Why? We haven’t started asking Li Zhaodi to do anything yet, so why should we end this plan?”

“Because Li Zhaodi, as an introvert, has already betrayed us. When we arranged for her to enter Gu’s house, we forgot to People have greed. During the time Li Zhaodi was in the Gu family, she was already fascinated by the wealth and wealth. She was no longer willing to be a fake Gu Manqing. She wanted to stay in the Gu family forever and be the real Gu Man. Love.”

“What?” Cheng Huai was so shocked by Rong Shu’s words that everyone was dumbfounded, “She...she actually has such thoughts, Rong Shu, how do you know?”

“I didn’t know at first, Knowing that I checked it out, and that the injury on my head was hit by her, then I knew it.” Rong Shu said.

This time, Cheng Huai completely believed her.

Because she had no reason to wrong Li Zhaodi, nor could she have wronged Li Zhaodi.

That is to say, Li Zhaodi really betrayed them.

“Damn!” Cheng Huai angrily slammed the edge of the bed, his face was extremely ugly, as if someone slapped him in the face.

Isn’t it just being slapped in the face?

Because Li Zhaodi was the one he was looking for, and the Neiyang plan was also mentioned by him. As a result, Neiyang had betrayed them before he even started work.

Where does this put his face!

Chapter 393: The Police Station Summons

The most important thing is that this inner response also hurt Rong Shu!

“It should be terminated, and it should be terminated immediately. I’ll call her out.”  
Cheng Huai was about to hang up immediately.

Rong Shu stopped him, “Wait, don’t worry, I called the police when I was injured, and now it was found out that it was Li Zhaodi who injured me, and the police also knew that they would summon Li Zhaodi to cooperate with the investigation, so We’ll just go to the police station at that time.”

“Alright.” Cheng Huai nodded, but then he was angry, and then growled irritably, “Damn, I think I’m good at seeing people, but I didn’t expect this. Once, I was actually planted in the hands of such a woman, I was really mad.”

Rong Shu laughed at herself, “It’s not just you, I also didn’t see her scheming so deep, I can only say that we are too conceited, Why is it all in our hands, but now reality has given us a blow, but that’s okay, if we suffer a loss, we won’t be fooled again in the future.”

“That’s right.” Cheng Huai smiled bitterly, and then apologized. “I’m sorry, Rong Shu, for hurting you.”

“It’s okay, let’s do it for now, the police will inform us that we can go there, and I will contact you again.” Rong Shu pinched her brows.

Cheng Huai hummed, “Okay.”

At the same time, the Gu family.

Gu Yaotian’s husband and wife and Gu Manqing were having dinner, and she didn’t know what was going on. Gu Manqing suddenly felt gloomy and had a bad premonition.

Suddenly, the phone rang.

Gu Manqing put down her chopsticks, took her cell phone out of her pocket and looked at it. Seeing that the caller ID was from Haishi Public Security, her face changed greatly, and she stood up subconsciously.

This move aroused the doubts of Gu Yaotian and his wife.

“Man Qing, what’s wrong?” Gu Yaotian put down his chopsticks and asked.

Mrs. Gu also looked at her with concern, “Yeah Manqing, why is your face so ugly all of a sudden, whose phone is it?”

“Yes... it’s my former adoptive father.” Gu Manqing lowered her eyelids to hide the guilty conscience in her eyes and lied.

Gu Yaotian slapped the table with a gloomy expression, "Did I call you to ask for money?"

"Yeah...it should be." Gu Man's head lowered.

Gu Yaotian snorted coldly, "I said before that I told you to stop contacting that family, why don't you listen? This is the first time I've asked you for money?"

"Yeah." Mrs. Gu also nodded. He echoed, "Think about how that family treated you. You still remember what they did. The more you remember them, the more they haunt you."

"I'm sorry parents, I know I'm wrong." Gu Manqing squeezed. At the corner of his mouth, he said apologetically, hating the Li family very much in his heart.

Where did she contact the Li family, she was eager to break away from the Li family for the rest of her life.

When she went to the mall before, she happened to meet an aunt in Lijiacun who was working as a cleaner in the mall. The aunt was kind to her, she asked her for contact information, and she gave it.

Unexpectedly, the aunt actually gave her contact information to the couple, and then the couple, knowing that she was doing so well, actually violated the conditions that they had promised to Mr. Cheng, and took the initiative to call her and ask her for money.

If she hadn't used Mr. Cheng to suppress the couple, I'm afraid the couple would have come directly to Hai Shi.

"Just know it's wrong, I'll change the number in a while, and I'll break up with them completely." Gu Yaotian picked up the chopsticks again and instructed.

Gu Manqing nodded again and again, "I know, I'll make it clear to them."

She got up and walked out of the restaurant.

If it was really the call from the Li family, she naturally didn't need to avoid her parents.

However, this call was not from the Li family, but from the police station.

She didn't know why the police station called her. Just in case, it was better for her to go out to pick up.

When she came to the living room, Gu Manqing answered the phone, put the phone to her ear, and said in a slightly trembling voice, "Hello..."

"Is it Miss Gu Manqing?" An indifferent voice came from the other end of the phone. .

Hearing this voice, Gu Manqing knew that it was definitely not a good thing. Holding the mobile phone, she couldn't help but tighten her hand, "I am."

"Since it is Miss Gu Manqing, please come to the police within an hour. Come to the bureau to cooperate with the investigation of the case," said the other end of the phone.

Gu Manqing's face changed, "Case investigation? What kind of case investigation?"

The only thing she did recently, which could be called a case, was attacking Miss Rong.

Could it be that this is what the police station is referring to?

If this is the case, does that mean that Chen Xiuzhi confessed her?

But it's not right. Although Chen Xiuzhi knows her appearance, she doesn't know her name. Even if she confesses, the police can't find her so quickly. After all, the police can't see her through Chen Xiuzhi's memory. What does it look like.

So it's definitely not this thing, it's definitely not!

Gu Manqing took a deep breath and told herself this in her heart.

However, what the police station said next completely broke Gu Manqing's hope, "It's about your case of attacking Miss Rong Shu."

Papa!

As soon as the phone in Gu Manqing's hand came loose, it fell directly to the ground and the screen went black.

And her whole body was sluggishly frozen in place, her hands and feet were cold, and her body was shaking slightly.

Actually this is really the case.

She was actually found out!

That Miss Rong is Gu Manqing's secret, isn't she going to keep it?

And Mr. Cheng, what would he think of her after he knew she had betrayed them?

For a time, a huge sense of fear hit, and Gu Manqing was so panicked that she couldn't breathe.

She doesn't want to go to the police station.

Because she knew that if she went to the police station, maybe she would not be able to come back.

But if you don't go...

Thinking of something, Gu Manqing squatted down and picked up the phone on the ground.

Fortunately, the phone is not broken, but the screen is broken, and it does not affect the use of restarting except for the shutdown.

Gu Manqing hurriedly searched for the consequences of refusing the police station's subpoena. Seeing the answers on the Internet, her heart was completely cold.

If you refuse to be summoned by the police station, a police officer will come to your door and forcibly detain him by force.

In that case, the news of her crime will be spread immediately, and parents will know.

No, you can't let your parents know.

Gu Manqing bit her lip and thought, isn't it the police station, she goes, as long as she doesn't admit it, that's fine?

Thinking of this, Gu Manqing took a deep breath and went back to the restaurant.

Mrs. Gu saw that her face was pale, and she looked overly frightened. She felt distressed, "Manqing, what's the matter? Did those shameless people in the Li family scold you?"

"No, I thought of something wrong. Happy things, Dad, Mom, I want to go out to relax." Gu Man's eyes flashed, looking at Gu Yaotian and his wife.

Gu Yaotian nodded, "Go, I'll transfer some money to you later to buy something you like."

"Thank you Dad." Gu Man thanked him affectionately.

Gu Yaotian smiled, "You are my only daughter, thank you."

Gu Manqing lowered her eyelids to hide the gloom in her eyes.

That's it, the better the parents treat her, the less she wants to leave the Gu family, not only because of the family's wealth, but also because of their parents' favor.

So no matter what, Gu Manqing's identity cannot be lost, she must find a way to get through this crisis.

After pinching her palms, Gu Manqing left Gu's house and went to the police station.

Rong Shu and Cheng Huai also went out to the police station one after another.

Perhaps it was deliberately arranged by God, and the three people's car arrived at the police station almost at the same time.

Then the three of them met in front of the police station.

#### Chapter 394

Seeing Rong Shu and Cheng Huai, Gu Manqing subconsciously felt guilty and scared, took a step back involuntarily, and quickly lowered her head to avoid their sight.

It was too obvious that she didn't dare to face them. At first glance, she did something that was sorry for them.

Cheng Huai already fully believed that the person who attacked Rong Shu was her.

He stared at her coldly, "What are you hiding? When you see our two old clubs, shouldn't you say hello?"

Listening to his emotionless words, Gu Manqing buried her head lower while her heart hurt. .

She didn't expect that she was so lucky to meet Rong Shu and Cheng Huai at the same time here.

If only Rong Shu was okay, she could still cope.

But in the face of Cheng Huai...

Gu Manqing bit her lip, and she was inexplicably flustered in her heart.

She liked Cheng Huai and was taken to Haishi. The first time she saw him, she fell in love with him, because she was so grown up and had never seen such a handsome and excellent man.

But she also knew that she didn't deserve him, and he wouldn't like her, so she hid her emotions in the deepest part of her heart so that he wouldn't find out.

Although she never wanted to be with him, she also hoped that he would remember her, so during this time, she worked hard to change herself, learn various knowledge and

skills, and make herself better, just for one day, The image of her in his mind has changed from a disheveled face at the beginning to a dazzling white swan.

Maybe at that time, she can be worthy of him and have the qualification to be with him?

But now, Mr. Cheng must know about her hurting Miss Rong. It can be seen from his cold attitude and tone that he hates her.

And this is indeed the most unacceptable thing to her. She can accept everyone, including Miss Rong's disgust, but she can't accept his.

Thinking about it, Gu Manqing's eyes turned red, and she quickly raised her head to look at Cheng Huai, "Mr. Cheng, I..."

"Okay Cheng Huai, let's go first. If you have anything to do, tell me at the police station." Rong Shu suddenly spoke up, interrupting her with a cold and indifferent voice.

Cheng Huai snorted, pushed up her wheelchair, and said to Chen Xingnuo, "Just wait for us in the car."

"Okay." Chen Xingnuo nodded in agreement.

It just so happened that she didn't really want to enter the police station. After all, there was too much blood on her hands. Although it was the blood of damned people, entering the police station still made her a little guilty.

Cheng Huai pushed Rong Shu into the police station, without looking at Gu Manqing during the whole process.

Gu Manqing stood there, biting her lips and looking at their backs, her palms slowly clenched.

In the car, Chen Xingnuo lit a lady's cigarette, took a comfortable sip, then looked at Gu Manqing outside with a half-smile, and smiled.

This woman actually likes Cheng Huai.

Interesting, so much fun!

Seemingly feeling Chen Xingnuo's eyes, Gu Manqing glanced back, just in time to meet Chen Xingnuo's eyes that seemed to be able to see through everything.

When she came to the interrogation room, when Gu Manqing saw Rong Shu, Cheng Huai, and Chen Xiuzhi inside, her eyes sank.

Sure enough, it was the woman Chen Xiuzhi who confessed her.

I just don't know how the police found her.

"Cheng Huai!" Rong Shu pulled Cheng Huai's sleeve.

Cheng Huai lowered her head, "What's wrong?"

"What was Li Zhaodi's reaction when she saw Chen Xiuzhi?" She asked in a low voice.

Chen Xiuzhi was brought by the police station from Lin Tianchen.

Since Chen Xiuzhi was only the one to blame, not the one who really attacked her, she greeted Lin Tianchen and did not let Lin Tianchen really use Chen Xiuzhi to test the medicine, but only asked Lin Tianchen to temporarily lock up Chen Xiuzhi.

However, I heard that Lin Tianchen locked Chen Xiuzhi in the morgue of the hospital and asked her to guard the corpse for several days. Chen Xiuzhi was so frightened that she was in a trance for a while.

"No reaction." Cheng Huai glanced at Gu Manqing and returned.

Rong Shu pursed her red lips, "Looks like she's acting very well." As she

was talking, a police officer pointed to the interrogation position opposite and said to Gu Manqing, "You sit over there."

Gu Manqing raised her head. Looking, it happened to be next to Chen Xiuzhi.

She didn't say anything, walked over and sat down.

Rong Shu and Cheng Huai were standing next to several police officers.

The leading police officer said, "Gu Manqing, do you know the person next to you?"

Gu Manqing's eyes flashed slightly, then she turned her head to look at Chen Xiuzhi, and shook her head with a puzzled look on her face, "I don't know, I've never seen it before."

Chen Xiuzhi opened her eyes in disbelief, "You lied!"

These days, she was locked in the hospital, she knew that she was hypnotized, and then explained everything.

At first, she was afraid that her son would not be saved after being told everything, but Dr. Lin told her that after so many days, the person who made her take the blame did not pay the hospital where her son was, which made her again angry and hateful.

Fortunately, in the end, Dr. Lin said that he could help her apply for a charitable fund and treat her son's illness, as long as she charged the person who made her take the blame.

For the sake of her son, she was willing to promise Dr. Lin, but now the person who made her bear the blame actually said that she didn't know her!

"I didn't lie, I really don't know you." Gu Manqing blinked, her face full of innocence.

Afterwards, she passed Rong Shu and Cheng Huai and looked at the police officers on the opposite side, "Officer, I really don't know her."

"Nonsense, nonsense!" Chen Xiuzhi didn't expect Gu Manqing to be so shameless, she pointed at her emotionally, and said angrily, "It was you who found me, and said that after you attacked Miss Rong, let me help you take the blame, but you are now You actually said you didn't know me, police officer, what I said was true, it was really Miss Rong who attacked her, I didn't lie!"

"You said I attacked Miss Rong?" Gu Man smiled, "Then you said , why should I attack Miss Rong, do you have any evidence to prove that I attacked Miss Rong?"

"I..." Chen Xiuzhi choked and said weakly, "I really don't have any evidence, but I just know that Miss Rong is You attacked, you attacked her because you thought she would threaten your identity, which is what you told me at the time."

When she heard 'she will threaten your identity', Gu Manqing's expression changed, His eyes subconsciously looked towards Rong Shu.

Unexpectedly, Rong Shu had been looking at her all the time, and this time, she just met Rong Shu's gaze.

Gu Manqing didn't know that Rong Shu couldn't see, she looked at Rong Shu's cold eyes, her pupils shrank a bit, then she quickly retracted her gaze, and continued to argue with Chen Xiuzhi at a louder volume, as if this could cover up her abnormality.

However, no matter how much she concealed it, her abnormality just now was seen by Cheng Huai and the others.

Rong Shu narrowed her eyes, not knowing what she was thinking.

The debate between Gu Manqing and Chen Xiuzhi continued, and several police officers were overwhelmed.

"Okay, let's be quiet first!" The leading police officer patted the table impatiently, signaling the two to stop arguing.

Both fell silent.

At this time, Rong Shu suddenly said, "Li Zhaodi, you are still arguing, and you are so calm in quibbling, I admire it."

Hearing the words of Li Zhaodi, Gu Manqing's eyes flashed gloomily.

She hadn't heard anyone call her this name for a long time. For her, besides being rustic, the more important thing was that this name reminded her all the time what an embarrassing birth she had.

Therefore, she has been forgetting everything in the past, including this name, but now, Rong Shu mentions this name again, which makes her instantly feel that she has returned to the unbearable past.

### **Chapter 395 Li Zhaodi's explanation**

Taking a deep breath, Gu Manqing suppressed the anger in her heart, and said with a stunned and sad face, "Miss Rong, what do you mean? Do you believe her and think I really attacked you?"

Rong Shu was noncommittal.

Gu Manqing hurriedly shook her head, "I didn't, Miss Rong, I belong to you and Mr. Cheng, how could I attack you, it's unreasonable, Miss Rong, you believe me, Mr. Cheng, you also believe me, I really I didn't do that."

Cheng Huai sneered and ignored her.

Seeing his attitude, Gu Manqing froze for a while, and became more and more panicked.

"Mr. Cheng..." Gu Manqing opened his mouth and called out Cheng Huai's name in a low voice.

She could see that Mr. Cheng didn't know how to dislike her, and he didn't even bother to pay attention to her.

This scared her even more than being disgusted by him.

He hates her, at least it shows that he is willing to look at her.

And he was too lazy to pay attention to her, obviously he didn't want to even look at her.

At this moment, Gu Manqing began to regret that she had not acted cautiously, why she did not wear a mask when she saw Chen Xiuzhi.

In this way, even if Chen Xiuzhi confessed to her, she would not be found out, and Mr. Cheng would not hate her or ignore her.

Gu Manqing squeezed her hands together tightly, thinking extremely angrily.

Rong Shu spoke again, "No, I'm pretty sure about this, it's you who did it, so I can't believe you, do you know how we found you? According to Chen Xiuzhi's description of your appearance, we hired a painter, Draw your portrait and show it to Chen Xiuzhi, so that you can be absolutely sure that the murderer is you."

Gu Manqing opened her eyes.

It turned out to be so.

There is still such a way to investigate the case!

Sure enough, she still has a lot to learn!

"Miss Rong, even so, but something like a portrait..."

"You don't have to argue any more, I know what you're going to say." Rong Shu raised her hand and cut off Gu Manqing's words again.

She raised her lips mockingly, and said, "You want to say that things like portraits cannot be used as evidence, because you can be drawn on purpose, and then Chen Xiuzhi will deliberately point out that the murderer is you, right?"

"I..." Gu Man His expression changed, and he was speechless.

It can be seen that Rong Shu spoke her mind.

Rong Shu said coldly, "Okay, since the portrait is not enough evidence, then I will show the most illustrative evidence, that is, after you attacked me, you went to Chen Xiuzhi's house and stayed at Chen Xiuzhi's house for a long time. There must be fingerprints left by you, although it is a bit troublesome, but if I pay a lot of money and send someone to Chen Xiuzhi's house to test a little bit, do you think you will find your fingerprints?"

"Rong Shu said. That's right, once you find your fingerprints at Chen Xiuzhi's house, it will prove that what Chen Xiuzhi said is true, that you attacked Rong Shu and convicted Chen Xiuzhi." Cheng Huai rubbed his chin in agreement.

Gu Manqing's face turned pale.

Because she remembered that when she was at Chen Xiuzhi's house, she took off her gloves.

At that time, the thin gloves were stained with a lot of Rong Shu's blood, and then she took off the gloves and went to the bathroom to wash her hands. At that time, her hands touched many places in the bathroom, so there must be her fingerprints in the bathroom.

Thinking of this, Gu Manqing's body began to tremble, and she could no longer hide the fear on her face.

Seeing this, Cheng Huai said in a cold voice, "Looking at your appearance, you have admitted your crime. Come on, why did you betray us, why did you attack Rong Shu?"

"You didn't listen to what Chen Xiuzhi said just now, Did she attack me because she felt that I threatened her identity?" Rong Shu said.

Cheng Huai frowned, "Identity? What kind of identity does she have? Could it be that she thinks you will steal her Li Zhaodi's identity?"

Rong Shu rolled her eyes, "What's the matter, she thinks that I will threaten her Gu Manqing's identity, because I know her Gu Manqing's identity is fake, she is afraid that I will make her fake Gu Manqing Your identity will be revealed."

"But it's not right. If you attack you because you are afraid that you will be exposed, then you should be beaten to death. After all, only dead people can't speak, and you are not the only one who knows that she is not. She really cares about Manqing, and I also know that she should also attack me." Cheng Huai said thoughtfully.

Rong Shu's hand on the armrest lightly tapped twice, "Just ask her this question."

She turned her head to Li Zhaodi's direction, "Li Zhaodi, you attacked me because you were afraid that I would say that you didn't really care. Manqing, and why did you destroy my red mole? I advise you to explain it honestly, maybe I will treat you lightly for the sake of your honesty."

Gu Manqing drooped Eyelids, covering the obscurity in the eyes.

After a while, she suddenly raised her head, looking desperate, and sneered, "Yes, I was afraid that you would say that I wasn't really Gu Manqing that I did it to you."

Anyway, she attacked Rong Shu. , I have already admitted it, so it's nothing to say.

“Li Zhaodi, are you ill? We asked you for you, and you were specially arranged to be the inner responder of the Gu family. We will expose you when we are crazy.” Cheng Huai patted the table angrily.

Gu Manqing bit her lips, “You won’t expose me now, but in the future, after I help you complete the task, you will definitely expose me and let me leave the Gu family.”

Cheng Huai opened her eyes, “So you really are In order not to leave the Gu family, then...”

“That’s right, since you let me be Gu Manqing, you should let me be Gu Manqing all the time, right?” Gu Manqing told him and Rong Shu her true thoughts.

Cheng Huai listened, and his three views were shattered, “You...you actually think so?”

“Okay Cheng Huai, didn’t I tell you this before? There’s no need to be so surprised. She really thinks so. We brought her into this circle, which inspired her inner greed. She wants to be Gu Manqing forever. It’s understandable to enjoy glory and wealth, after all, people’s hearts are never satisfied.” Rong Shu pulled Cheng Huai’s arm and said coldly.

Gu Manqing squeezed her palm tightly and said nothing.

Although what Rong Shu said was true, it was indeed what she was thinking.

But when she heard it, it was particularly harsh. She even felt that Rong Shu was deliberately humiliating her and smearing her in front of Mr. Cheng. After finishing her current image in Mr. Cheng’s heart, I am afraid it has been completely destroyed.

But it doesn’t matter, when she becomes better and better in the future, she believes that Mr. Cheng will change her mind.

The current crisis is only temporary!

“Li Zhaodi, I just want to know the last point now, which you haven’t answered yet, that is my red mole. What secret does it have that you want to destroy it?” Rong Shu raised her left hand and pointed at the one on her wrist. Bandage, asked coldly.

A dim light flashed in Gu Manqing’s eyes, and it was fleeting, “There is no secret, just a fortune teller told me to beware of people with red moles around me, otherwise that person will punish me and make me unlucky, Gu Manyin. There are red moles. When I was in the house, I always bullied me. I happened to see your red mole, Miss Rong, in the restaurant that day, so I wanted to destroy it. I think you will expose that I’m not really Gu Manqing, so I’ll do it to you.”

She can admit her ambition to be Gu Manqing forever, or she can admit that she attacked Rong Shu.

But she couldn't tell the secret of the red mole.

Once she said it, she was really done.

"Mr. Fortune teller? I'm sorry?" Cheng Huai laughed angrily, "Li Zhaodi, you are engaged in feudal superstition, do you think I will believe your nonsense?"

Chapter 396 Aren't You Gu Manqing?

Gu Manqing's eyes flashed.

What she said was indeed nonsense.

But so what, as long as you can hide the secret of the red mole.

"My thoughts are the same as Cheng Huai's. I don't believe what nonsense you said." Rong Shu frowned.

Gu Manqing bit her lip, "What I said is true."

"Since it is true, then tell me who the fortune teller is?" Rong Shu asked.

Gu Manqing's eyelids drooped, "I don't know, I met him by chance, he gave me a fortune and left."

"Oh, full of flaws." Cheng Huai laughed angrily.

Gu Manqing squeezed her palm, "I know you don't believe it, but that's the truth."

"Okay, since you are so stubborn and refuse to explain, then I'll check it myself. After I find out the secret of this red mole, I'll check it out. You are the first to settle the account." Rong Shu patted the armrest of the wheelchair, "Cheng Huai, you have already asked all the questions, let's go, and leave the rest to the police station."

"Well, I just went back to discuss and expose her. Fake care about Manqing." Cheng Huai nodded.

Gu Manqing's face changed, "You want to expose me?"

"You have already betrayed us by attacking Rong Shu. Do you think we will let you continue to be this Gu Manqing? And you don't want to be Gu Man all the time. Love, then it means that you have long been unwilling to do things for us and break down the Gu family, because you know that once the Gu family collapses, even if you really become Gu Manqing forever, you will not be able to live where you are now. It's a luxurious life." Cheng Huai looked at her and sneered.

Gu Manqing's expression was vacant, and her mind was obviously exposed.

Just as he said, she didn't want to be Li Zhaodi again, she just wanted to be Gu Manqing all the time.

But if she always acts as Gu Manqing, then the Gu family and Sansheng must exist, otherwise everything she did today would be meaningless.

Therefore, when she attacked Rong Shu, she had already decided to stand on the side of the Gu family.

Seeing Gu Manqing's silence, Cheng Huai laughed at himself.

In vain, he claims to have a good eye for seeing people. He has grown up so much that he has never missed anyone.

However, now, it has fallen into the hands of such a woman, which is really a dog.

"Okay Li Zhaodi, cherish your remaining wealthy days, because soon, you will be back to Li Zhaodi again." After speaking, Cheng Huai pushed Rong Shu out of the interrogation room.

Gu Manqing lowered her eyelids to hide the dullness in her eyes.

Change back to Li Zhaodi?

Impossible, she would never allow it!

Outside the police station, Cheng Huai pushed Rong Shu towards her car.

On the way, she kept her head down and touched her bandaged wrist, as if thinking about something.

Seeing this, Cheng Huai couldn't help but ask, "Still thinking about your red mole?"

Rong Shu hummed, "Yeah, I have to think, Li Zhaodi's act of destroying my red mole is too strange. She refused to say the reason, so I always have a lump in my heart."

"Li Zhaodi attacked you because she thought you would expose her identity, and Chen Xiuzhi told you before that red moles can threaten Li Zhaodi's identity? And the identity Li Zhaodi cares most about is Gu Manqing, so is it true that Gu Manqing has a red mole on her wrist, and then Li Zhaodi thinks that you are really Gu Manqing, that's why..."

"How is that possible." Rong Shu interrupted him dumbfoundedly, shook his head and said, "How could I be Gu Manqing, I'm my parents' daughter, have you heard that my parents hugged their daughter outside?"

“Then Not really.” Cheng Huai shrugged.

“That’s enough.” Rong Shu rolled her eyes at him.

Cheng Huai chuckled, then thought of something, and stared down at her face.

Although Rong Shu couldn’t see it, he could feel his gaze and couldn’t help frowning, “What are you doing?”

“Rong Shu, did I tell you a long time ago that your eyes are very similar to Mrs. Gu?” Cheng Huai looked into her eyes.

Rong Shu raised her hand and touched it, “Yes, I hurt my foot, you said that when you accompanied me to the hospital.”

“Yes, I still feel very similar now, plus Li Zhaodi is abnormal to you, so you are real It’s not impossible for Gu Manqing,” Cheng Huai said, rubbing his chin.

Rong Shu was startled for a moment, and the hand on the armrest of the wheelchair could not help but tighten a lot, “No, it’s just that the eyes are similar, but they are not similar in other places. If you can’t rely on the similarity of the eyes, you can say that I am Gu Man. Qing, Li Zhaodi’s eyes are also very similar to Mrs. Gu.”

“That’s true.” Cheng Huai nodded, “But anyway, your red mole always revolves around Gu Manqing’s identity. Next, I’m going to inquire about the real Gu Manqing, whether there are any red moles on her body, especially her wrists. If so, Rong Shu, you may be really Gu Manqing. At that time, I hope you better follow Gu Yaotian and his wife will do a paternity test.”

Rong Shu bit her lower lip and said nothing.

Because she still doesn’t think she is Gu Manqing.

If he is true, then what is his hatred for the Gu family?

So she would rather accept that she is not the daughter of the Rong family than to accept that she is really Gu Manqing.

Seeing Rong Shu’s resistance and fear, Cheng Huai thought about it for a moment and then knew the reason.

He sighed and reassured, “Don’t worry, you didn’t say it just now, your parents have never adopted a daughter, so the possibility that you are the daughter of the Rong family is still the greatest, and you haven’t checked yourself out from Nanjiang. What’s your background, so...”

"I know." Rong Shu closed her eyes, trying to calm down, "Let's go first."

Seeing that she didn't want to say more on this topic, Cheng Huai also closed her mouth and continued to push her forward.

As soon as they left the police station on the front foot, the police station notified Gu Yaotian and his wife to come to the police station on the back foot.

Gu Manqing had already admitted to attacking Rong Shu, so the police station would naturally notify her parents.

After Gu Yaotian and his wife heard that Gu Manqing injured Rong Shu and was arrested, they almost fainted.

Because they only got one Gu Manyin in, they didn't expect how long it would take for Gu Manqing to get in too.

Most importantly, both daughters were sent in by Rong Shu.

This made Gu Yaotian angry and could not help but wonder if the Gu family and the Rong family were in conflict.

Otherwise, why did they take care of their family members and fall into the hands of the Rong family one by one?

"Husband, what should I do!" Madam Gu panicked and cried, "We have lost Man Yin, so we can't lose Man Love, Man Yin has a grudge against Rong Shu, so I understand that he will target Rong Shu, but why? Now Man Qing is also attacking Rong Shu? What the hell is going on?"

Gu Yaotian's face was dark and ugly, "You ask me, who should I ask?"

"..." Mrs. Gu choked, and then she realized that she Really asked the wrong person.

He has been at home with himself, and it is indeed impossible to know why.

"Okay, go to the police station first to find out what's going on." Gu Yaotian took a deep breath and stood up from the sofa.

Maybe it was because he stood up too fast, maybe because he was angry when he heard that Gu Manqing was arrested, which caused his lack of blood and stamina. He shook his body and almost fell down.

Madam Gu quickly supported him, and asked anxiously and worriedly, "Husband, what's the matter with you, are you alright?"

Gu Yaotian closed his eyes slightly to adjust his physical condition, and then waved his hand, "I'm fine, let's go, hurry up to the police Find a way to save Manqing."

Gu Manyin doesn't care, after all, he has committed a big crime, and it's not his own, so he can leave it alone.

But the romance is different. It is his own and his only daughter. No matter what, he must save it!

### Chapter 397

The husband and wife left home and rushed to the police station.

Soon, they met Gu Manqing.

Mrs. Gu hugged Gu Manqing and cried sadly, "You child, you scared your mother to death, do you know how worried your mother is when you heard that you were arrested at the police station?"

She cried while hammering Rear back.

Gu Mrs' sorrow's self-hearted and worried, lifting his hand, and hugged the lady, I apologized, I couldn't afford my mother. "

Is this the mother's kind of love for children?

She finally I feel it, beautiful, warm, and nostalgic!

So it really can't blame her for wanting to be Gu Manqing all the time.

Although Gu Yaotian is not as emotional as an emotion, look at the eyes of the temper, but also does not cover up. "You are not hurt?"

Gu hurts that he asked, she attacked the room, there is It is not hurt by it.

Gu Yumin, happy, "No."

"That's good." Gu Yaotian was tone, then the expression was serious, "said, how is it going to attack, why do you want to attack the room? Your sister's end? Didn't you see that, how dare you provoke her?"

He didn't plan to confront Rong Shu for the time being, because Sansheng and the Gu family had just recovered, so it was hard to keep up with Rong Shu.

Unexpectedly, this girl, Man Qing, was actually confused.

It's okay to go up, but in the end, he still lost, and was brought in here by Rong Shu.

"Sorry, my father, I don't want, I really see my mother has been sad for my sister, so I think something to do for my mother and my sister." Gu, the lower, the smaller, the smaller.

Mrs. Gu was stunned, "So Manqing, you are for me..."

Gu Manqing hummed like a mosquito.

Madam Gu was moved and hugged her again, "Love..."

"It's alright, don't cry!" Gu Yaotian was dizzy due to Madam Gu's crying, and hurriedly stopped her.

Madam Gu sniffed and stopped crying immediately.

Gu Yaotian looked back at Manqing, "I know you're doing it for your mother, but you're too impulsive."

"I know, I'm sorry dad." Gu Manqing apologized with flickering eyes.

Gu Yaotian sighed, "It is already done, now it is useless, you tell me, how to hurt, I see how to save you out."

"Miss Miss is not serious, It's just that the head is hurt." Qi You replied.

She knew that her parents would definitely save her.

Therefore, after admitting that she had indeed attacked Rong Shu, she did not panic.

Because she knew that she was the only child of the Gu family.

As for Miss Rong and Mr. Cheng wanting to expose that she is not really Gu Manqing...

Thinking of her secret weapon, Gu Manqing's mouth curved slightly.

"It's just a head injury, it doesn't seem serious, and it doesn't constitute a criminal case. Even if it is punished, it will be administrative detention for a few days at most." Gu Yaotian narrowed his eyes and analyzed.

Gu, when you are bright, busy, “Dad, what you mean is, I won’t help?”

“Of course, you said that you can’t make a criminal case, you will not sit in prison.” His daughter was in prison, and quickly replied.

Gu Manqing shook her hands excitedly.

Very good!

Although she knew that her parents would definitely keep her out.

But I didn’t expect that she didn’t have to sit by itself.

“You mother and daughter are chatting first, and I’ll go out and ask the police station about bail.” Gu Yaotian said to Mrs. Gu.

Nu people nodded, “Go back quickly.”

Gu Yao Tianmou should have a micro-interrogation room.

About ten minutes later, he came back, his face a little unsightly.

Seeing this, Mrs. Gu and Gu Manqing felt uneasy in their hearts.

“Husband, how is it? Can you bail?” Mrs. Gu asked worriedly.

Gu Manqing also stared at Gu Yaotian.

Gu Yaotian rubbed his temples, “Yes, yes, but you have to ask Rong Shu to sign a letter of understanding, otherwise, you will be detained.”

“Then let’s go to Rong Shu.” Madam Gu said immediately.

Gu, “Don’t!”

Gu Yaotian’s husband and wife looked at her, “I don’t want it. Why don’t you?”

Gu Yongxiao, did not dare to let them look at her eyes, afraid to expose the look in the eyes.

She can’t let her parents find Rong Shu now.

If Rong Shu told her parents about the red mole, it would be troublesome.

“Because Miss Rong will not agree, Miss Rong hates our family so much, she will definitely not sign the letter of understanding, she will even humiliate you parents, I don’t

want you to be humiliated by her, so parents, don't go to her, I am willing to be detained, anyway, I will come out soon." Gu Manqing looked at Gu Yaotian and his wife, smiled and said, as if thinking about them.

Gu Yaotian and his wife were very warm in their hearts.

Sure enough, it is still good for their children.

If it was Gu Manyin at this moment, he would definitely not do it. I wish they would go to Rong Shu to sign a letter of understanding.

"Manqing, are you really willing to be detained?" Gu Yaotian looked at Gu Manqing and asked seriously.

Gu, looking back, "Really, so parents, don't go find her, Miss Miss said to wait for you to find her, then you can humiliate you, we can't get up, can't get into her. willing."

"Yaotian, it makes sense." Mrs. Gu said after some thought.

Gu Yaotian also admitted that there is a bit of truth, and ultimately sigh, "It's all, you can rest assured, Dad will make the police station less than a few days."

"Well, thank you Dad."

Although being detained is not a good thing.

But after the future, she is willing to endure.

Gu Yaotian's husband and wife went out to negotiate with the police.

It didn't take long for Rong Shu to receive a call from the police about Gu Manqing's disposal.

"Okay, I understand, thank you for letting me know." Rong Shu nodded slightly in response to the police, then hung up the phone.

Cheng Huai saw that her expression was slightly gloomy, and asked, "What's wrong?"

"The police have already decided on Li Zhaodi's disposal, and they will be detained for fifteen days." Rong Shu replied.

"It's only been fifteen days of detention, so the result is a little light." Chen Xingnuo said while nibbling at the apple, frowning.

Rong Shu pursed her lips.

She was a little unhappy because she felt too light.

Although she had asked her lawyer, she knew that even if Li Zhaodi injured her, it was not a condition for imprisonment because it was a minor injury, and she would only be detained for more than 20 days.

Unexpectedly, he was only detained for fifteen days.

“It’s a little light, so why don’t I say hello to the police?” Cheng Huai said with narrowed eyes.

Rong Shu shook her head, “Forget it, when you say hello to the police, aren’t you giving your family’s political enemies a handle? That’s it, anyway, for Li Zhaodi, the most serious punishment is not being detained, but being deprived of her current status. Everything.”

Cheng Huai smiled, “That’s true, but when will we make it clear to the Gu family?”

“It can be done now, but we can’t come to the door and say it in person, otherwise, Li Zhaodi is the one we arranged for the Gu family to deal with, and the Gu family will know about it. Once the Gu family publicizes it, the reputation of the two of us will definitely be greatly affected. You will The Cheng family will be implicated, and I will also implicate Sansheng.” Rong Shu said in a deep voice with a sullen face.

You must know that in the business world, who is the most hated person, that is, in addition to the two-faced person, it is the internal response arranged by others.

If the people in the circle know that she and Chenghu are actually arranged, the people in the circle will also doubt that their company is also arranged, then thus crowded them.

This is definitely a fatal blow to them.

#### Chapter 398 Fu Jingting’s Shock

“You’re right.” Cheng Huai nodded seriously.

It is indeed impossible to tell Gu Yaotian and his wife personally that Li Zhaodi is not really Gu Manqing.

“But have you ever thought that Li Zhaodi will tell Gu Yaotian and the others that she is the inner responder arranged by you? Li Zhaodi has decided to join the Gu family for Gu Manqing’s identity. It is not impossible for her to recruit you.” At that time, Chen Xingnuo suddenly said something.

Rong Shu smiled, “You don’t know that, Li Zhaodi would never say it.”

“Why?” Chen Xingnuo blinked in confusion.

Cheng Huai explained, “Because once she speaks out, she is an inner responder, even if Gu Yaotian and his wife think that she is Gu Manqing, Gu Yaotian and his wife’s feelings for her will fade. “

It turns out that this is the case. I really can’t compare with you smart people.” Chen Xingnuo sighed.

Cheng Huai looked at Rong Shu, “Then how are you going to tell Gu Yaotian and the others?”

“It’s very simple, don’t you have the paternity test of Li Zhaodi and Gu Yaotian in your hand? Just send a copy.” Rong Shu said lightly.

Cheng Huai raised his eyebrows, “Yeah, this is a good idea, okay, I’ll arrange it in a while.” As he

was talking, the doorbell rang.

Chen Xingnuo stood up from the sofa, “Mr. Rong, I’ll open the door.”

“Okay.” Rong Shu nodded.

Chen Xingnuo walked towards the entrance, opened the door, and there stood a middle-aged woman with a gentle and amiable smile.

“Who are you?” Chen Xingnuo squinted and looked up and down the other side.

The middle-aged woman replied with a smile, “I’m Miss Rong’s nanny.”

“It turns out to be the nanny, wait a moment.” Chen Xingnuo put down her vigilance, turned her head and shouted into the room, “Mr. Rong, Mr. Lu arranged The babysitter has arrived.”

“So soon?” Rong Shu was slightly surprised, and then replied, “I see, please invite her in.”

Chen Xingnuo responded and invited the nanny into the room.

As soon as the nanny entered the room, Cheng Huai’s eyes widened in surprise, “You...” The

nanny hurriedly raised a finger at him and shook his head.

Cheng Huai nodded knowingly and stopped talking.

The exchange between the two was seen by Chen Xingnuo.

Chen Xingnuo pointed to the nanny and then to Cheng Huai, clearly written in his eyes, what is your relationship?

Cheng Huai snorted twice, but didn't speak, his heart was really messed up.

Didn't Chen Xingnuo just say that the nanny was found by Lu Qi?

How come Aunt Zhang?

Can Lu Qi invite Aunt Zhang?

Hehe, it's impossible to think about it, Aunt Zhang is a servant of the Fu family and served Jing Ting's mother before.

After Jing Ting's mother died, she stayed in the Fu family's old house and served the old lady with Feng's mother.

So it is self-evident who Zhang Ma invited.

Although Rong Shu couldn't see what was going on, she heard Cheng Huai's surprised 'you' and asked, "Cheng Huai, do you know this nanny?"

Cheng Huai coughed and replied, "Yes. Yes, this is Auntie Zhang, the gold medal nanny in the circle, I saw it once by chance, it's amazing that Lu Qi can invite Auntie Zhang."

Chen Xingnuo looked at him with a half-smile but lip-mouthed him, "You're lying."

Cheng Huai rolled his eyes, ignoring her.

"Aunt Zhang, this is the person you want to take care of." Cheng Huai pointed at Rong Shu and said to Aunt Zhang.

Aunt Zhang smiled and stepped forward, "I know, I have seen the photo of Miss Rong. Hello, Miss Rong, my surname is Zhang. Just call me Aunt Zhang. Next, I will take care of you."

Since Aunt Zhang belongs to Cheng Huai, and listening to Cheng Huai's tone, she also respects Aunt Zhang very much.

Rong Shu felt relieved, and replied with a smile, "Okay, then I'll trouble Aunt Zhang."

"You're welcome, Miss Rong, can I familiarize yourself with the environment of your apartment now, which will help you take care of you next ." It is also much more convenient." Aunt Zhang asked.

Rong Shu nodded, "Of course you can."

Aunt Zhang started to get acquainted with all parts of the apartment.

Rong Shu turned her head to the direction of Cheng Huai and the others, "Cheng Huai, Xingnuo, you have been with me for so long today, and now that Aunt Zhang is here, you should go back first, and I will invite you to dinner when Li Zhaodi's matter is over."

"Alright, then we'll say goodbye first." Cheng Huai stood up.

He really should go, there is one thing he must do.

Since they are going to expose Li Zhaodi's identity, how can the Li family ignore them? They should also be invited to put on a good show together.

The two walked out of Rong Shu's apartment.

Chen Xingnuo stopped in front of the elevator, and suddenly asked a question, "That Aunt Zhang, is Mr. Fu's person?"

Cheng Huai raised her eyebrows slightly, "You know this?"

"I can guess it from your expression."

Cheng Huai rubbed his eyebrows, "You guessed it right, she was indeed arranged by Fu Jingting, so I wondered, how did he get in front of Lu Qi and send the nanny here?"

"Ask President Fu." Chen Xingnuo shrugged.

Cheng Huai's expression faded, "I'm too lazy to ask a guy who doesn't keep his promises."

When he fell in love with Rong Shu, he told Fu Jingting that he wanted to pursue Rong Shu, and hoped that Fu Jingting would not stop him or regret the end to stop.

At that time, Fu Jingting agreed.

But now, Fu Jingting completely forgot what he had promised. Not only did he stop him from pursuing Rong Shu, but he also wanted to pursue Rong Shu back.

It really makes people angry!

Nanjiang, hotel.

Fu Jingting came back from the meeting in the branch office, and was sitting on a chair in the study, kneading the swollen Zhang Yixing. Assistant Zhang came in with his

mobile phone at this time to report, "Mr. Fu, Auntie Zhang has already arrived at Miss Rong's side." Fu Jingting raised his eyelids slightly, "I see, let Auntie Zhang take good care of her." "Don't worry, President Fu, Zhang Auntie will do it herself." Assistant Zhang said. Aunt Zhang is his distant aunt. He absolutely trusted her. "By the way, how did Rong Shu handle Li Zhaodi's matter?" Fu Jingting put his hand down from his temple and asked in a deep voice. That's what he's most concerned about right now. Assistant Zhang also looked serious, "I have inquired, Li Zhaodi has admitted her crime, but she did not make a reasonable explanation for the act of destroying the red mole on Miss Rong's wrist, instead saying that it was fortune-telling. The husband told her that people who have red moles around her will punish her and bring her unknown reasons, which is really ridiculous." "Wait a minute, what are you talking about, red moles?" Fu Jingting sat up straight. Assistant Zhang nodded, "Yes, Mr. Fu, don't you know that Miss Rong has a red mole on her wrist?" Fu Jingting shook his head. He really doesn't know. "I just thought that Li Zhaodi just maliciously cut her wrist. I don't know. She has a red mole on her wrist." Fu Jingting frowned. Assistant Zhang's eyes twitched, "Mr. Fu, you are also amazing. Miss Rong has been injured for so long. You don't know that her wrist injury is because the red mole was cut off, and you thought it was a random scratch."

Fu Jingting's thin lips pursed into a straight line, "When I was there, they didn't mention the red mole, that's why I was so shocked that Rong Shu actually had a red mole on her wrist!"

"Mr. Fu, you are so shocked, aren't you? Do you know the secret of Miss Rong's red mole?" Assistant Zhang looked at him in surprise.

Fu Jingting clenched his fists, noncommittal.

Assistant Zhang sucked in a breath, "Mr. Fu, do you really know? What's the secret?"

Chapter 399 Don't let her know

"The secret of Rong Shu's life experience!" Fu Jingting lightly opened his thin lips and replied word by word.

Assistant Zhang was dumbfounded, "The secret of life experience? Mr. Fu, you mean that there is something wrong with Miss Rong's life experience?"

Fu Jingting nodded, "Yes, she is not from the Rong family."

"How is this possible!" Assistant Zhang exclaimed "How could Miss Rong not belong to the Rong family? Everyone in the circle knows that Miss Rong, who was born by the

first Mrs. Rong in Nanjiang Hospital more than 20 years ago, went to that hospital yesterday and confirmed her It was Mrs. Rong's birth."

"Yes, twenty-six years ago, Mrs. Rong did give birth to Rong Shu in Nanjiang, but this Rong Shu is the real Rong Shu, not the one we see today." Fu Jingting Squinting.

Assistant Zhang was even more puzzled, "Mr. Fu, you mean that the current Miss Rong replaced the real Rong Shu?"

"Almost, the real Rong Shu may have died twenty-six years ago. Yesterday Rong Shu There are many medical reports of baby girls on the file that Shu looked at. The above medical reports all show that the baby girl is not in good condition and it is difficult to live to grow up, so I guess that the baby girl may not have lived past half a year. ." Fu Jingting said while rubbing his fingers.

Assistant Zhang looked at him, "Mr. Fu, why do you guess so?"

"Because of Rong Shu's red mole!" Fu Jingting pursed her lips tightly, "Twenty-six years ago, not long after Gu Manqing was full moon, she was arrested by Rong Hao. They were taken away, and in front of Gu Yaotian and his wife, they were thrown into the lake and drowned. However, neither the search and rescue team nor the salvage team retrieved Gu Manqing's body. Some people said that Gu Manqing was not dead, and others said that , Gu Manqing was swept away by the lake long ago, so I couldn't find it, but more people prefer that Gu Manqing died."

"Sure, after all, it is a baby, and it will definitely not survive if thrown into the lake." Assistant Zhang nodded, "But what does this have to do with Miss Rong?"

Fu Jingting squinted at him, "Of course it does. A month ago, according to Rong Shu, we have determined that Gu Manqing is not dead, and was thrown into the lake at the beginning. Yes, it could be a doll, or it could be an empty swaddling baby."

"That's true, Gu Manqing should be living somewhere well now." Assistant Zhang said.

Fu Jingting narrowed his eyes slightly, "Then what if this place is the Rong family?"

"The Rong family?" Assistant Zhang was stunned for a moment, then realized something and opened his mouth in disbelief, "Mr. Fu, don't you mean to say , Miss Rong is the real Gu Manqing, right?"

"Yes." Fu Jingting nodded and admitted, "Some time ago, I was in the parking lot of the hospital when I heard Mrs. Gu holding Li Zhaodi's hand and asked Li Zhaodi what happened to the red mole on her wrist. No, Li Zhaodi's answer was that the red mole was burnt off by a cigarette butt, so I understood at the time that the real Gu Manqing had a red mole on her wrist, and you said that Rong Shu had a red mole on her wrist, so Rong Shu's identity was already It's obvious that she is Gu Manqing."

“Hey...” Assistant Zhang took a deep breath and calmed down after a while, “Oh my god, how could things turn out like this, Rong Hao didn’t drown Gu Manqing, but Take Gu Manqing home and raise her as a biological child.”

Fu Jingting closed his eyes slightly, “That’s why I said that the real Rong Shu didn’t live past half a year, when Rong Hao took Gu Manqing away, the real Rong Shu It was only five months old, but at that time, there were no two baby girls in the Rong family, so I think that the real Rong Shu was already dead at that time, and Gu Manqing just replaced the real Rong Shu and became what we are now. I saw Rong Shu.”

Assistant Zhang rubbed his face and forced himself to calm down, “No wonder Li Zhaodi wants to remove the red mole on Miss Rong’s wrist, because Li Zhaodi already knows that Miss Rong is the real Gu Manqing, and Li Zhaodi is afraid of Miss Rong. The red mole on the wrist was seen by the Gu family, so...” The

following words were self-evident.

The library fell silent.

After a while, Assistant Zhang looked at Fu Jingting, and then spoke again, “Mr. Fu, do you want to tell Miss Rong about this?”

Fu Jingting tapped lightly with his fingers on the table, his voice was messy, without the slightest rhythm.

Apparently, the question stuck with him.

After a while, he rubbed his eyebrows and said, “I can’t tell.”

“Why?” Assistant Zhang wondered why.

Fu Jingting said with gloomy eyes, “She will collapse. In her cognition, she is the Rong family and has a mortal hatred with the Gu family. She deeply hates the Gu family, but if you tell her at this time, In fact, she is not the Rong family, but the Gu family who has a grudge against her, what would she think? If it was you, what would you think?”

Assistant Zhang lowered his eyes, put himself in and thought about it, and then his face became serious. He replied, “I’d go crazy. If I were Miss Rong, I’d always worked hard to avenge the Rong family, and then one day, I found out that my enemies were my biological parents, and I definitely couldn’t stand it.”

“That’s right, This is an unsolvable problem. If Rong Shu really knows her identity, she will face a choice, continue to avenge the Rong family and recognize the Gu family and her husband, but these two choices will bring her great pain. “

That's right." Assistant Zhang sighed, "If Miss Rong chooses to continue to take revenge, it will not be just against the enemy, but against her biological parents. Whether it is morality or ethics, Miss Rong will not take care of it, just the world." Her guidance is enough to crush Miss Rong, and if she chooses to recognize the Gu family, then Miss Rong will become a white-eyed wolf in the eyes of the world, and will not remember the kindness of the Rong family . "

With Rong Shu's character, knowing that Gu Yaotian and his wife are her biological parents, she can't avenge this revenge. At the same time, she doesn't want the grievances of the Rong family to be ignored, so in order to fully understand Rong Gu two She might sacrifice herself because of the family's grievances." Having said that, Fu Jingting clenched his fists violently.

Assistant Zhang nodded, "It's really possible, so I really can't tell Miss Rong her true identity. If this is the case, things will be difficult. Miss Rong doesn't know that Gu Yaotian and his wife are her biological parents, so she will follow the original plan. The revenge plan, let Gu Yaotian and his wife lose their lives to Rong Hao and that technician back then."

Fu Jingting sighed slightly, "This is indeed a problem. As a child, Rong Shu must not hurt Gu Yaotian and his wife. In this way, you will keep people staring at Gu Yaotian and his wife. If Rong Shu attacks Gu Yaotian and his wife, it will endanger the lives of Gu Yaotian and his wife. Help Gu Yaotian and his wife, Gu Yaotian and his wife can die, but they must not die in Rong Shu's hands."

"I see." Assistant Zhang nodded solemnly.

"In addition, I will arrange a helicopter. I will rush back to Haishi immediately to see Li Zhaodi. After Li Zhaodi's betrayal by Rong Shu, they will definitely not let Li Zhaodi stay in Haishi again. They will definitely expose Li Zhaodi's identity to the Gu family. When her identity is revealed, the Gu family will continue to find the real Gu Manqing, although not many people know about the news of Rong Shu's red mole on her wrist being cut, but no one can keep it, and when will it reach the ears of Gu Yaotian and his wife."

Fu Jingting's eyes narrowed slightly . , "So for the good of Rong Shu, Li Zhaodi has to continue to be this Gu Manqing for the time being." When

she finds a suitable opportunity in the future, she will let Rong Shu know her true identity.

But definitely not now.

Assistant Zhang nodded, "I'll make arrangements now."

"Go." Fu Jingting waved his hand.

## Chapter 400 Gu Yaotian's Paternity Test

After Assistant Zhang left, Fu Jingting lowered his eyes and pondered.

The development of this matter was indeed beyond his expectations.

No one thought that Rong Shu was actually Gu Manqing.

And this is also doomed, Rong Shu's future is destined to be painful, unable to avenge the Rong family perfectly, nor to recognize Gu Yaotian and his wife.

She couldn't even know immediately that she was the daughter of Gu Yaotian's husband and wife, otherwise, what awaited her would be a fatal blow.

sea ??city.

After Gu Yaotian and his wife came out of the police station, they went directly back to Gu's house.

As soon as they returned to Gu's house, the servant came to the two with a file bag, "Sir, Madam, someone sent it to our mailbox at this time."

"What?" Gu Yaotian took the file bag with a puzzled face.

The servant shook his head, "I don't know, I didn't open it." "Okay, you go down first." Madam Gu said wearily.

The maid responded and turned around and went back to work.

Gu Yaotian and his wife walked to the sofa and sat down.

Madam Gu was pouring tea, while Gu Yaotian opened the document bag.

"What is it?" Madam Gu asked curiously.

Gu Yaotian shook his head, "I don't know, I haven't read it yet." After speaking, he took out the contents of the file bag.

Mrs. Gu first saw the words on it, and read out suspiciously, "Paternity test? Who's it?"

Gu Yaotian didn't speak, but he had an ominous premonition in his heart.

He quickly turned back the paternity test, turned to the last page, and saw the test name Gu Yaotian, Gu Manqing!

"It was you and Manqing." Mrs. Gu was surprised, "strange, who sent you and Manqing's paternity test?"

Gu Yaotian still didn't speak, but his face changed drastically in an instant, his eyes bulged, and then he stood up suddenly, "Why is this!

" Fog, apparently still don't know what happened.

Gu Yaotian's hand trembled while holding the paternity test, "Romance...not our daughter..."

"What?" Mrs. Gu was stunned, then looked at him with a foolish look, "Husband, what are you talking about? What, Manqing isn't our daughter? What are you kidding?"

"I'm not kidding, that's what I said." Gu Yaotian handed the paternity test to Mrs. Gu with a gloomy expression.

Upon hearing this, Mrs. Gu hurriedly took the paternity test and looked at it. She was instantly stunned when she saw the words 'non-father-daughter relationship'.

"How could this be?" Mrs. Gu's face turned pale, as if she had lost her soul, and she whispered in a low voice that this is impossible, how is this possible? How could romance not be our daughter? Husband, this is fake, right?

Gu Yaotian's mouth moved, trying to echo her words, but seeing the paternity test in her hand, he couldn't say it.

However, Mrs. Gu saw that he didn't speak, and she was anxious and angry, "Yaotian, what do you mean? Do you think this is true? How could it be true? I don't know who sent this paternity test. What if someone deliberately harassed us? We were all present when Manqing did a paternity test with us. We saw the test results with our own eyes, showing that Manqing was our daughter, so this test, It must be fake."

Hearing this, Gu Yaotian calmed down, "You're right, I'm too impulsive."

As his wife said, Manqing and their husband and wife were both identified, and the results showed that they were their daughter.

However, this one shows that it is not, and it is not known who sent it, so this identification obviously has no authenticity and credibility.

Even though he thought so, Gu Yaotian still had some lumps in his heart.

A man, whether the most important child is his own, even if he believes that it is his own, as long as someone says no, there will be more or less seeds of doubt in his heart.

And this seed will start to germinate over time, and then grow bigger and bigger.

Thinking of this, Gu Yaotian clenched his fists and said in a deep voice, “No, I want to find out who sent this thing, dare to make fun of me Gu Yaotian!”

Mrs. Gu nodded in support, “Yes, it is time to find out, This kind of instigator is so shameless.”

“I’ll go out and check the surveillance outside.”

After that, Gu Yaotian went out.

On the other hand, Cheng Huai contacted Rong Shu and told her that the paternity test had already been sent.

Rong Shu is eating snacks at the moment.

The desserts made by Aunt Zhang are very delicious. She, who doesn’t like sweets very much, likes them all.

Listening to Cheng Huai’s words, Rong Shu put down the half-eaten tiramisu and replied, “I see, but it’s not enough to send a paternity test, they may not believe it.”

“I know, so I In the future, I will send some things over one after another, this is just a prelude, in addition, I am also going to take over the couple from the Li family, there will definitely be a good show to watch then.” Cheng Huai smiled.

Rong Shu raised her eyebrows, “I really do have you, but that’s fine, doesn’t Li Zhaodi just want to be Gu Yaotian’s daughter, then let her remember who are her real parents.”

She admitted that she didn’t know at first . What kind of substitute for Gu Manqing should be found, and Li Zhaodi should not be brought into this circle to breed Li Zhaodi’s greed.

So she and Cheng Huai were at fault, but in the same way, Li Zhaodi herself was at fault.

Li Zhaodi promised to help them do things well, and she agreed willingly, not forcing them, so Li Zhaodi should abide by the contract and don’t forget to think about other things.

However, Li Zhaodi didn’t do it, and instead attacked them in turn, so they naturally wouldn’t let Li Zhaodi go. They should let Li Zhaodi suffer a little, learn a lesson, and let Li Zhaodi know that they can bring her into this circle , the same , or expel her.

“That’s right, that’s what I planned. Well, I’m almost at Lijia Village. I’ll talk about the rest when I get back.” Cheng Huai looked at the village in front of him and said into his phone.

Rong Shu hummed, “Okay, pay attention to safety.”

After the call, Aunt Zhang brought her a glass of milk, “Miss Rong, drink some milk.”

“Thank you Aunt Zhang.” Rong Shu took the milk with a smile.

At this time, the doorbell rang.

Aunt Zhang looked at the door, “Miss Rong, I’ll open the door.”

“Okay, trouble Aunt Zhang.” Rong Shu nodded.

Aunt Zhang walked towards the door and opened it.

Lu Qi stood outside the door carrying a bag of mangoes, and when he saw Aunt Zhang, his handsome face was full of doubts, “Who are you?”

Aunt Zhang’s eyes flickered, and then smiled and replied, “Hello Mr. Lu, I am It’s Miss Rong’s nanny.”

“Nanny?” Lu Qi was surprised, then quickly walked into the room, saw Rong Shu on the sofa, and quickly asked, “Baby, did you find this nanny yourself? I’ll give it to you. What about the nanny you arranged? Why don’t you use it?”

She couldn’t see it, and she didn’t know whether the nanny she was looking for was a good person.

So why did she have to find a nanny again? Was the nanny he found bad?

Listening to Lu Qi’s words, Rong Shu paused while drinking the milk, then raised her head in surprise and looked in the direction of Lu Qi’s voice, “Aqi, what are you talking about, Aunt Zhang didn’t come for me. “Me ?

” Lu Qi pointed to his nose, then looked at Aunt Zhang, and finally shook his head quickly, “Of course not, the nanny I was looking for was not her.”

“No?” Rong Shu was stunned.

Aunt Zhang was not the one that Ah Qi was looking for.

Where did Auntie Zhang come from?

Rong Shuxiu frowned.

Lu Qi stared at Aunt Zhang even more vigilantly, and was about to open his mouth to check Aunt Zhang's information, but Aunt Zhang spoke with a smile.
