### Chapter 401 Charity Fund

"It's true that I'm not the nanny Mr. Lu looked for. The nanny Mr. Lu looked for was surnamed Wang."

"Yes, yes, the nanny I'm looking for is indeed Wang." Lu Qi nodded again and again, and then looked at Aunt Zhang more suspiciously, "But you How do you know?"

Aunt Zhang smiled and said, "I and Sister Wang are colleagues from the same housekeeping company. Before Sister Wang came, something happened suddenly at home, so I changed the task with me this time and asked me to take care of Miss Rong."  
“

Is that so?" Lu Qi narrowed his eyes, obviously still in disbelief.

Because he did not receive a call from the housekeeping company.

Aunt Zhang nodded, "Of course, if Mr. Lu doesn't believe it, you can call and ask."

"You don't dare to think I'm afraid?" Lu Qi snorted and really took out his mobile phone and made a call.

Two minutes later, he put down the phone with an unhappy face.

Rong Shu groped to the coffee table in front of her, put the milk on it, and asked, "How is it? Is that what Aunt Zhang said?"

Lu Tou, "Yes, Fatty Chen, he actually said that he forgot to tell me, he really pissed me off. Now, how could he forget such an important thing?"

Rong Shu smiled, "Since Aunt Zhang said so, so be it, and Aunt Zhang took good care of you."

"Thank you, Miss Rong, for your praise, Miss Rong. Just satisfied." Aunt Zhang looked at Rong Shu kindly.

As for Rong Shu's identity, she knew very well that she was the ex-wife of her eldest young master.

However, she had always been working in the back kitchen of the old house, and rarely went to the front yard. In addition, Miss Rong rarely went to the old house, so she had never met Miss Rong, but from the old lady and sister Feng. heard about it.

The old lady and Sister Feng have always said that Miss Rong is very suitable for the eldest young master. Now she sees Miss Rong and thinks so. The most important thing is that the eldest young master also loves Miss Rong very much.

So she couldn't understand, since the eldest young master loves Miss Rong, why did you want to get a divorce in the first place, and then pursued it hard after a divorce. Isn't that why you have nothing to do when you have enough to eat?

"By the way, Aqi, what's the matter with you?" Rong Shu then remembered the business and asked.

Lu Qi put the mangoes on the coffee table, "I'll give you some mangoes, and I'll help my mother with a message, so she can find her when she has time."

"Looking for my aunt?" Rong Shu tilted her head in confusion, "What's wrong with my aunt? Do you want to tell me?"

"I don't know either, but looking at my mother's appearance at the time, it should be." Lu Tou.

Rong Shu was even more puzzled, "Since you have something to tell me, why didn't you tell me on the phone?"

"Who knows, maybe you have to tell me face to face, anyway, you will find out when you go there." Lu Qi shrugged.

Rong Shu smiled, "That's the only way to go, but it's definitely not possible to go now. Auntie will definitely cry if she finds out that I can't see my eyes. I don't want her to worry. I'll go when my eyes are healed."

"I Guess you will do this, so I told my mother recently that you might not come to our house until some time later, and my mother agreed." Lu Qi said with a smile.

Rong Shu squeezed the corner of her mouth, "That's good."

At this moment, the phone rang suddenly.

Rong Shu took the phone out of his pocket and handed it to Lu Qi, "Aqi, look who's calling?"

Lu Qi looked up, "Lin Tianchen."

"I see." Rong Shu took the phone When I came back, I pressed the answer button according to my memory and put the phone to my ear, "Dr. Lin."

"I have already submitted an application for Chen Xiuzhi's medical charity fund. With my guarantee, the foundation will approve the payment soon." Lin Tianchen said.

Rong Shu hummed, "I'm sorry to bother you."

"It's nothing, I will do what you ordered."

Rong Shu laughed, and then asked, "By the way, how is Xiaochuan's treatment?"

"The treatment has just started, How can it be?" Lin Tianchen replied.

Rong Shu pursed her red lips, "I know, I heard Aqi say that Xiaochuan's condition is very serious, and the treatment cycle alone will take a long time, this is only the first day, there must be no progress in the treatment, I just want to ask, Did the treatment go well? Is he cooperating with the treatment?" On

the other end of the phone, Lin Tianchen sat in the office chair, looked up at Li Chuan, who was sleeping on the sofa opposite, his glasses reflected light, "He cooperated in his mouth, but in his heart Very contradictory."

"Contradictory?" Rong Shu frowned.

Lin Tianchen nodded, "That's right, he subconsciously resisted psychotherapy in his heart, he couldn't open his heart, he didn't want to tell me anything, and he didn't answer the questions I asked, so naturally my treatment wouldn't go smoothly.

"I understand, please, I will communicate with him and try to get him to cooperate." Rong Shu replied embarrassedly, and then asked, "Is Xiaochuan still with you now?"

"Here, he has a few days. I didn't rest much, so I fell asleep under hypnosis." Lin Tianchen said, pushing his glasses.

Rong Shu nodded, "I see, I'll contact him when he wakes up."

After the call, Lu Qi bit the mango and asked, "Why is Lin Tianchen looking for you?"

"Tell me about Chen Xiuzhi's charitable fund application. Go up." Rong Shu left the phone beside her.

Lu Qi pouted, "Baby, I really don't understand what you're thinking. Chen Xiuzhi helped the murderer who hurt you to blame, and you even helped her apply for a charity fund. I don't care if it's me."

Rong Shu He rubbed his temples and chuckled, "It is true that Chen Xiuzhi is wrong, but the child is innocent, Li Zhaodi obviously won't really give money, if the child doesn't have surgery, he will really die. Her life is just over, she can help if she can, and Chen

Xiuzhi herself said that after the child's operation, she will go to the orphanage as a volunteer, which can be regarded as atonement for herself."

Lu Qi sighed, "You Yeah, it's just too kind, but sometimes, being kind is not necessarily a good thing."

"I know, don't worry, I'm measured." Rong Shu patted him on the shoulder, signaling him not to worry.

"Forget it, you said so, what else can I do? I have to watch you more in the future and protect you more carefully."

Afterwards, Lu Qi touched his stomach and changed the subject, "I said this. I'm a little hungry, baby, let me stay for dinner."

"Okay." Rong Shu agreed.

Aunt Zhang looked at the time, "It's almost time to prepare dinner, Miss Rong, then I'll go to the kitchen first."

"Well." Rong Shu nodded.

Aunt Zhang's craftsmanship is very good, which can be seen from the pastries eaten in the afternoon.

Lu Qichi left with a big shoulder and a round waist, very satisfied.

Even Rong Shu ate half a bowl of rice more than usual, and had to lie down on the sofa for a long time before returning to her room after taking a bath with the help of Aunt Zhang.

Aunt Zhang turned off the light for her and left the room gently.

After closing the door, Aunt Zhang took out her mobile phone and called Fu Jingting, "Eldest young master."

Fu Jingting hummed, "Aunt Zhang, Rong Shu rested?"

If there is no rest, Aunt Zhang should not dare to give it to him. on the phone.

Otherwise, it will definitely be exposed.

Aunt Zhang replied, "Yes, Miss Rong just fell asleep."

Then, she explained the process of serving Rong Shu today in detail.

When Fu Jingting heard that Lu Qi was still staying in Repulse Bay for dinner, Jun's face turned black, "I see, it's good that she doesn't doubt your identity. You take good care of her and let me know if anything happens."

"Don't worry . Eldest young master." Aunt Zhang responded.

Fu Jingting heard Assistant Zhang's voice next to him, nodded, and said into the phone, "I'll hang up first if there's nothing else."

After speaking, he hung up the phone and walked over, "What's the matter?"

Chapter 402 Another file bag

Assistant Zhang pointed to the people in the detention center behind him, "Li Zhaodi has agreed, but she doesn't need us to do anything. She said that she has a way to convince Gu Yaotian and his wife that she is the real Gu Manqing."

Fu Jingting squinted, " What can she do?"

Assistant Zhang shook his head, "I don't know. I asked her, but she wouldn't say anything.

" Change." Fu Jingting pursed his lips and said lightly.

Anyway, his purpose is to help Li Zhaodi, and to be honest with Manqing's identity.

Since Li Zhaodi can do it himself, he naturally doesn't have to take action.

"Let's go, go back to Fu Mansion first." Fu Jingting squeezed his eyebrows and said in a tired voice.

Assistant Zhang looked at him, "Don't go back to the hospital?"

Fu Jingting glanced at him lightly, "Rong Shu has been discharged from the hospital, what am I still doing there?"

Assistant Zhang twitched the corner of his mouth, "I see, then I'll call Go to the hospital and go through the discharge procedures."

Then Fu Jingting looked away, opened the door and got into the car.

Although Rong Shu was not in the hospital, that was one of the reasons why he didn't want to go back to the hospital.

But another reason was that he didn't want to be hospitalized anymore. The whiplash on his back had already scabbed over. As long as he didn't rub it hard, it wouldn't open and bleed again.

In this way, naturally there is no need to stay in the hospital.

Assistant Zhang got into the driver's seat and drove out of the detention center.

...

The next day, Gu Yaotian was going to go out to Sansheng Group.

As soon as he walked out of the villa, he saw another document bag in the mailbox next to the villa gate.

Gu Yaotian stopped, his face suddenly turned ugly.

Yesterday's file bag contains the paternity test of myself and Manqing.

What's in here today?

Could it be related to romance again?

Gu Yaotian walked over, put the briefcase under his arm, and then pulled the file bag out.

Due to the excessive force, the document bag was directly scratched by the edge of the letter box, and the paper inside was exposed and fell to the ground.

Gu Yaotian looked down, and happened to meet Li Zhaodi's personal information on a line of paper.

Who is Li Zhaodi?

Gu Yaotian frowned, feeling that the name was somewhat familiar.

But soon he remembered, wasn't Li Zhaodi the name before the romance!

Sure enough, this is something related to romance.

What does the person who sent these things mean?

From yesterday's fake paternity test, it can be seen that the person who sent the thing is definitely not a good person, and it is obviously aimed at romance.

Annoyingly, he checked the surveillance yesterday, but he didn't even see who put things in the mailbox.

Gu Yaotian squinted his eyes, bent down to pick up the information on the ground, looked down, and found that this was the information of Manqing from childhood to adulthood, very detailed, and many things in detail, Manqing had never told their husband and wife.

So he didn't know for a while whether what was said above was true or not.

But whether it's true or not, he just needs to know that the people who send these are uneasy and kind.

And when Manqing just looked back at home, he rarely even went out, and he didn't take the initiative to get to know anyone in the circle, so he couldn't talk about who he was feuding with.

The only one who has hatred is Rong Shu. After all, Rong Shu was hurt by romance.

So these things were probably sent by Rong Shu.

"Hmph, very scheming!" Gu Yaotian kneaded the information in his hand and kneaded it into a ball.

This must be Rong Shu's means of revenge.

Rong Shu wanted to alienate their family's relationship, make them suspect that the romance is not biological, and then make people laugh at him, Gu Yaotian, raising children for others.

Too bad he wouldn't believe her.

Gu Yaotian sneered, ready to throw the information in his hands into the trash can.

However, just as he was rubbing the document bag, he suddenly felt that there was something inside.

Gu Yaotian frowned suspiciously, then put his hand into the file bag and took out the thing.

is a photo!

Gu Yaotian looked at the photo, there were two people in the photo, a middle-aged man and a romantic one.

In the photo, the background behind the middle-aged man is completely different from the background behind Man Qing, which shows that this photo is obviously synthesized.

Of course, this is not important, what is important is that Man Qing actually looks so similar to this middle-aged man.

Who is this middle-aged man?

Gu Yaotian didn't know the middle-aged man in the photo, but he was very concerned about the identity of this middle-aged man.

Because this middle-aged man is so similar to Manqing, he is like a father and daughter.

Wait, father and daughter!

Gu Yaotian's face changed greatly, he realized something, and suddenly tightened the photo in his hand.

This photo was deliberately combined, and the purpose was obviously to make him compare the appearance of Man Qing and this middle-aged man.

So if these things are really sent by Rong Shu, then Rong Shu's purpose is already obvious, that is, to tell him that Man Qing and this middle-aged man are father and daughter.

Seeing such similar two faces, Gu Yaotian never believed that romance had nothing to do with this middle-aged man.

Even the paternity test yesterday, he began to wonder if it was fake.

Thinking of this, Gu Yaotian returned to Gu's house with these documents and photos.

Mrs. Gu was putting on a mask, and when she saw him coming in, she was quite surprised, "Husband, didn't you go out, why are you back?"

Gu Yaotian didn't say anything, and threw the two paper balls in his hand to her, "Take a look. "

What?" Mrs. Gu opened it in confusion.

She is not stupid. After reading the above, she understood the meaning and stood up from the sofa in shock. The mask on her face fell off.

"Husband, this..." Mrs. Gu's hand trembled while holding the documents and photos, "I absolutely don't believe this is true."

“So, I’m going to re-examine whether Manqing is our daughter or not. Really romantic.” Gu Yaotian said gloomily.

Mrs. Gu looked at him timidly, “Then what if it’s not after verification?”

Gu Yaotian clenched his fist tightly, “If not, I will never let her go, dare to pretend to be my Gu Yaotian’s daughter, I will let her know something. It’s the price!”

He Gu Yao was born with infertility, and from the moment he knew it, he no longer expected to have a child of his own, but fortunately, a miracle happened to him, and he had his own daughter.

The moment he learned that his wife was pregnant, he was so happy that he went crazy. He even often went to temples to worship Buddha, hoping that the Buddha would bless his child with the safe birth. However, the child was born and was taken away by that bastard Rong Hao shortly after the full moon. drowning.

It took him more than 20 years to accept that his only child was gone, but some time ago, he knew that his only child was not dead, and he found it back by himself. At that time, he cried with excitement For a while.

However, some people now suggest to him that the current romance may not be real romance, but a fake, how can he not be angry in his heart.

He, Gu Yaotian, attaches the most importance to his only child. If this romance is really not his daughter, he will let this fake know how to write dead words. No one can pretend to be his only daughter, and no one is qualified to pretend to be. !

“Go, go to the police station, I want to say hello to the police station, pick up the romance for a while, and go to the hospital for a paternity test. This time, I will do a few more to see if she is fake. “Gu Yaotian said, took Madam Gu’s hand and walked outside the villa.

Mrs. Gu is also eager to know if Gu Manqing is her daughter, so she has always paid attention to her image. At this moment, she doesn’t even care about washing the mask essence on her face, so she immediately followed Gu Yaotian out of the house and rushed to the police station.

Soon, the couple came to the detention center of the police station and met Gu Manqing.

Gu Manqing looked at them with joy, "Dad, Mom, why are you here?"

Gu Yaotian didn't say anything, he just handed her the things in his hand, "Let's take a look."

"What is this?" Gu Manqing was puzzled took it, then opened it and looked at it.

Seeing her profile, she didn't react much after a glint of light flashed in her eyes.

It was not until she saw that photo that her complexion suddenly changed.

"Dad!" Gu Manqing clenched the photo in her hand and looked at Gu Yaotian eagerly, "This photo..."

"You want to ask, where did this photo come from?" Gu Yaotian cut off her words.

Gu Manqing's mouth opened, obviously that's what she meant.

Gu Yaotian didn't give a shit, and answered coldly, "I found it in the mailbox this morning, not only that, but I also found it yesterday, but it's not a photo, but your paternity test with me. The strange thing is, The above identification results show that we are not father and daughter."

"It's impossible!" Gu Manqing immediately said loudly, "How could we not be father and daughter, this is absolutely false, Dad, someone must be trying to divide We take care of the family."

She was sure that Rong Shu and Mr. Cheng did this, they put these things in the mailbox, the purpose was to tell her parents that she was not the real daughter of the family.

They really did what they said. They said they wanted to expose her identity, and they immediately started to act. They really didn't show any affection.

Rong Shu did this, but she didn't feel anything.

But what Mr. Cheng did, it really broke her heart!

"I also don't believe that the test results are fake. After all, we did the paternity test together, and our hair did not fall into the hands of others, so the authenticity of the test yesterday has yet to be confirmed, but this photo made me I'm very concerned, Manqing, how do you explain this photo? Why are the people on it so similar to you!" Gu Yaotian pointed at the photo in Gu Manqing's hand and said in a deep voice.

Gu Manqing lowered her head and stared at the photo in her hand, especially the middle-aged man, she could not wait to stare out two holes.

Since she came to Haishi and Gu's house, she has never seen the couple that she hated so much.

However, she didn't expect to see Rong Shu and the others in this way again.

They are really actively disgusting her.

"I don't know, I really don't know why this person is so similar to me, I don't even know who he is, and I haven't seen him before, Dad, you believe me." Gu Manqing put her hand on her heart, A look eager to make people believe her.

Gu Yaotian's eyes sank, but he didn't speak. He didn't know whether he believed it or not. Gu Manqing couldn't see it

, so she turned to look at Madam Gu, and said eagerly, "Mom, what I said is true, I really don't know, you believe me, Mom!"

The person who was leading her away, looking at Gu Manqing's excited and eager expression, moved her mouth and was about to say "I believe in you" when Gu Yaotian, who knew her well, pulled her arm.

Mrs. Gu reacted instantly and showed an apologetic expression towards Gu Manqing, "I'm sorry Manqing, it's not that my mother doesn't want to believe you, it's just that the man in the photo is too similar to you, if you say it doesn't matter, I'm afraid no one will believe it."

"Your mother is right, although our doubts about your identity hurt your heart, but please understand us. Romance is our only daughter. We have been sad for more than 20 years. Finally learned that she is still alive, so how happy and happy we are in our hearts, you should be able to imagine, so I absolutely do not allow anyone to pretend to be romantic, if you are really romantic, I think you should not mind, nor will you Afraid of our doubts, right?" Gu Yaotian stared at her closely.

Gu Manyin drooped her eyelids, covering the darkness under her eyes, and forced a smile on her face, "Of course, why are you really afraid."

"That's good, so I decided to take you to be a parent-child again. Appraisal, this time, go to a few more institutions to do it. If the final appraisal results show that you are my Gu Yaotian's daughter, then I will not let the people who separate us from the Gu family. But if it turns out that you are not my Gu Yaotian's daughter in the end, I'm sorry, I won't let you and the people who alienate me from my family, understand?" Gu Yaotian asked with narrowed eyes.

Gu Manqing's hand under her sleeve was tightly clenched, "Understood!"

She had already recognized the pair of parents and only wanted them.

So in any case, Gu Manqing's identity, she must take it seriously!

Thinking of her secret weapon and the consensus she had reached with Fu Jingting, Gu Manqing took a breath, no longer panicked and nervous, but laughed, "Dad, shall we do it now?"

Gu Manqing looked relaxed, not at all afraid to do the appraisal, Gu Yaotian's eyes flashed a ray of light, and it was fleeting, and he replied with a hum, "Of course, I have already told the police, you can come out for two hours temporarily."

"Okay." Gu Man Nodding affectionately.

Afterwards, she followed Gu Yaotian and his wife out of the detention center and went to an appraisal agency.

On the way, Gu Yaotian called Rong Shu.

Rong Shu was eating breakfast when she heard the phone ring and called Aunt Zhang.

Aunt Zhang picked up her cell phone and looked at it, seeing that it was Gu Yaotian's call, her expression sank, and then she was calm again and handed the cell phone to him with a smile, "Miss Rong, it's a call from Gu Yaotian. "

Gu Yaotian?" A hint of surprise flashed across Rong Shu's face, then she took the phone and answered the phone, "Mr. Gu, what a rare customer, you actually called me."

"Hmph, Rong Shu, these two God, did you put the things in my mailbox?" Gu Yaotian's gloomy voice came.

The stuff in the mailbox...

Rong Shu narrowed her eyes.

Yesterday, Cheng Huai asked someone to put something in Gu's mailbox. She knew that it was the real paternity test of Gu Yaotian and Li Zhaodi.

Then, Cheng Huai must have let it go today, but I just don't know what Cheng Huai put.

Thinking, Rong Shu's eyes flashed, and she said lightly, "I'm sorry, Mr. Gu, I don't understand what you're talking about."

"I don't understand?" Gu Yaotian sneered, "Rong Shu, we have fought so many times. Then you don't speak secretly, you deliberately sent me a paternity test because you attacked me in a romantic way, to alienate my Gu family, and take revenge on my Gu family, don't you think it's too much?"

Rong Shu smiled, "I have passed. I'm sorry, Mr. Gu, I don't think I'm going too far. Li Zhaodi attacked me, so I'm only allowed to suffer, don't you want me to take revenge? There is no such reason in the world."

"Indeed, you can take revenge, but with To get revenge by alienating other people's families, I can only say that you, Rong Shu, are too despicable, just like Rong Hao back then." Gu Yaotian mocked.

He admitted that twenty-six years ago, he had gone too far, and he did not expect that he would kill the technician. It was only reasonable for Rong Hao to take revenge on him.

But Rong Shu can take revenge on him, just come at him, but Rong Hao chose to hit his daughter, isn't this despicable?

#### Chapter 404 Appraisal Institution

Now Rong Shu is the same, Manqing hurt her, she can use other means of revenge, but she insists that Manqing is not real Manqing, and wants the Gu family to collapse.

What is the difference between this method of revenge and Rong Hao's past, revenge is not aimed at the enemy himself, but at the enemy's family!

So, Rong Shu really deserves to be Rong Hao's seed!

On the other end of the phone, Rong Shu heard that Gu Yaotian mentioned Rong Hao and was still belittling Rong Hao. She was furious and shouted coldly, "Shut up, you are not qualified to speak of my father."

She knew why Gu Yaotian said that his father was despicable, It must be referring to the incident when Dad took Gu Manqing away twenty-six years ago.

"I'm not qualified?" Gu Yaotian snorted coldly, "Rong Hao took my daughter away and separated my daughter from me and my wife for 26 years. Do you think I'm qualified!"

Rong Shu bit her lips, "Yes, my father He took away Gu Manqing, but Gu Yaotian, don't forget, if you hadn't shamelessly stolen Tiancheng's technology, and forced Tiancheng to almost go bankrupt after killing the technicians, my father wouldn't have done that!"

"Humph ! , What's the use of talking about these now, Rong Hao is dead, my grievance with him is gone, now it's my Gu family's grievance with you Rong Shu, didn't you say that Manqing is not my daughter, I'm taking Manqing now The appraisal agency is going to re-do the paternity test, so I invite you to come to the scene now to see if the last romance is my daughter."

Gu Yaotian squinted his eyes and said coldly, "If the final test result comes out, it confirms that the romance is my daughter. Qing is my daughter, what you sent me by Rong Shu is the evidence that you spread rumors and slander my Gu family, and I Gu Yaotian will definitely pursue your criminal responsibility."

When he was in the detention center, he opened his mouth and asked Man Qing to do it. In the paternity test, Manqing agreed without hesitation and timidity, and behaved very calmly.

So it can be seen that the romance is definitely a real romance.

As long as the middle-aged man in the photo, why is it so similar to Man Qing, maybe it's also from Rong Shu.

"I will be held criminally responsible?" Rong Shu's mouth twitched, "Okay, then I'll wait!"

Li Zhaodi is the biological child of the Li family.

Since Gu Yaotian is going to do a paternity test, go ahead and see how Gu Yaotian will react when the test results come out.

When the news spread that he had raised children for others, the Gu family became a joke in the circle.

After that, Gu Yaotian revealed the address of the appraisal agency.

Rong Shu took it to heart and hung up the phone directly.

"Aunt Zhang, help me dial Cheng Huai's number." Rong Shu handed the phone to Aunt Zhang.

After Aunt Zhang took it, she found Cheng Huai's phone number and dialed, "It's alright, Miss Rong."

"Thank you, Aunt Zhang." Rong Shu took her phone back.

Aunt Zhang smiled, "Miss Rong, I'm going to dry the clothes first. Call me for anything."

Rong Shu hummed, "Okay, you're busy."

Aunt Zhang nodded, took out her phone, and walked to the balcony .

Although she didn't listen too much to the phone call between Miss Rong and Gu Yaotian just now, she roughly heard some key points.

She wants to talk to the eldest young master.

Rong Shu didn't know it was fake for Aunt Zhang to hang clothes, but it was the real thing to contact Fu Jingting.

At this time, she had already got on the phone with Cheng Huai, and told Cheng Huai the content of the phone call with Gu Yaotian just now.

After hearing this, Cheng Huai sneered disdainfully, "Looking at his appearance, he seems to be very confident that Li Zhaodi is his daughter."

"It should be the reason for the first paternity test, after all, the result of the first paternity test said that They are father and daughter, so Gu Yaotian also firmly believes that the result will be the same this time." Rong Shu said quietly.

Cheng Huai pouted, "Since he wants to think so, that's a good thing, because the more confident he is now, the more desperate he will be after he learns the real appraisal results, right?"

Rong Shu chuckled, "You're right, so next, I'll go to the scene to witness it, but unfortunately, I can't see his expression after that."

She touched her eyes, and a trace of regret flashed in her eyes. and anxious.

It's been so many days, her eyes can't see anything, and she doesn't mean to restore her vision at all.

If it goes on like this, she is afraid that she will not recover.

"It's okay, I'll record it for you when the time comes, and it won't be too late to watch when your eyes recover." Cheng Huai patted his chest and said.

Rong Shu raised her eyebrows, "Can you help me record it?"

"Yes, I've already returned to the sea market, and I'll be there in about half an hour. When that time comes, I'll bring Li Daniu and his wife there together, I believe there must be a good show. Look." Cheng Huai said with a smile, the wicked taste in his tone was not concealed at all.

Rong Shu curled the corners of her lips, "I see, then I'll wait and see."

"Don't worry, I'll make sure you're satisfied, okay, let's do this first, and I'll tell you when I get there."

"Well." The

call ended, Rong Shu put down her phone and said, "Aunt Zhang." On the

balcony, Aunt Zhang heard her call, and quickly put away her phone, "Come on."

Soon, the two packed up and went out. Aunt Zhang drove the car, Rong Shu. Shu sits in the back seat.

On the way, Rong Shu began to tell Aunt Zhang that when she saw Gu Yaotian and the others, she should go and not expose what she could not see.

Gu Yaotian is her enemy, someone who can't wait to get rid of her to avoid future troubles.

So if Gu Yaotian knew that she couldn't see her eyes, she might be tricked.

After Aunt Zhang repeatedly assured that she would never be exposed, Rong Shu was reluctantly relieved.

Half an hour later, the appraisal agency Gu Yaotian said arrived.

Aunt Zhang parked the car, took out the wheelchair from the trunk, opened the back seat door, and helped Rong Shu down from the car.

The reason why she sits in a wheelchair is because she doesn't want to expose her eyesight in front of Gu Yaotian. Sitting in a wheelchair will only make Gu Yaotian think that her leg is injured, not that there is a problem with her eyes.

Otherwise, if you don't use a wheelchair, you have to be supported by Aunt Zhang all the time, which is easy to expose.

"Miss Rong, are you seated? I started to push." ??Aunt Zhang asked after closing the car door.

Rong Shu nodded, "Okay, let's go."

Aunt Zhang pushed her and walked towards the door of the appraisal agency.

However, when she walked to the gate, Aunt Zhang looked at the steps in front of her and started to get into trouble.

Rong Shu couldn't see it. She was only curious about why Aunt Zhang suddenly stopped and asked, "What's wrong with Aunt Zhang?"

"There are steps, so I can't push it up." Aunt Zhang said with a sigh.

Rong Shu smiled, "What's the matter? I'll get down first. Can you get the wheelchair up first, and then help me up?"

“Miss Rong said that, if that’s the case, then I…”

“I Come on.” Before Aunt Zhang could finish her words, a cold and low male voice cut off her words.

Rong Shu frowned, “Fu Jingting?”

Fu Jingting nodded slightly, “It’s me.”

After saying that, he exchanged glances with Aunt Zhang.

Aunt Zhang released her hand from the pusher of the wheelchair and took a step back.

Fu Jingting stood in the place where Aunt Zhang had just been, and held the armrest of the wheelchair, “Sit down, I’ll push you up.”

“Wait, I uh…”

Rong Shu just said a few words, she felt herself The wheelchair under her vibrated, and then she felt the wheelchair vacate.

Without thinking, she knew that it was Fu Jingting who was carrying her and the wheelchair up the steps, and the sound of heavy footsteps in her ears could prove it.

Rong Shu quickly grabbed the armrest of the wheelchair to stabilize her figure, for fear that she would fall off the wheelchair.

After a few seconds, probably when the steps were finished, Rong Shu felt the wheelchair fall to the ground, and her tense body finally relaxed.

However, the anger in her heart did not dissipate, she turned her head and shouted behind her, “Fu Jingting, you are so messed up!

” “

Who asked you to lift up with someone and a wheelchair, do you know that this is very dangerous!” Rong Shu took a deep breath and said coldly.

Fu Jingting lowered his eyes, “There will be no danger, I will always protect you, you will not fall.”

"I mean you!" Rong Shu frowned, "You are not afraid that your strength will suddenly be interrupted, and I will fall with the wheelchair. , smashed his foot, or dislocated his arm?"

Hearing this, Fu Jingting's pupils dilated slightly, and finally his face suddenly rose with a strong smile, "Rong Shu, are you worried about me?"

He clenched his fists, showing that he inner excitement.

Rong Shu was stunned for a moment, then turned her head back, and said in a cold voice, "You think too much, I'm not worried about you, I'm just afraid that if you are really injured, I will be responsible again."

Fu Jingting's eyes flashed . A trace of loss, but soon disappeared again, and smiled softly, "So that's the case, well, it seems that I think too much, but what you just said, I will take it as you are worried about me."

Rong Shu Wrinkled his nose, "Whatever you think, I ask you, why are you here?"

"A spy appeared in my group, and someone stole the documents in my office. I found the spy's fingerprints on the desk, so I brought it here. Let someone identify it." Fu Jingting's eyes flickered slightly, and his expression did not change.

Aunt Zhang on the side rolled her eyes.

Great young master, you don't even blush when you lie.

After hearing Fu Jingting's words, Rong Shu opened her eyes in surprise, "What? There are spies in the Fu Group and they stole the documents from your office?"

Fu Jingting hummed.

Rong Shu smiled, "Isn't it, Mr. Fu, is your group's security so weak? Can you come and go in your office freely?"

Tiancheng Group is far inferior to Fu Shi, and no one dares to come and go freely in her office.

It's really funny that Fu Jingting's office can.

How could Fu Jingting not hear that Rong Shu was laughing at him, not only was he not angry, but a smile appeared in his eyes, "I was too conceited and felt that no one would dare to steal from Fu's, so I let the spy get in the gap, how about you? What's the matter with you coming here?"

"Gu Yaotian wants to do a paternity test with Li Zhaodi again, and he wants me to come and have a look, so I'm here." Rong Shu said lightly.

Fu Jingting raised his chin, "I see."

"Aren't you curious, why did he invite me?" Rong Shu asked in surprise.

Fu Jingting shook his head, "No need, I'll find out in a while."

"In a while?" Rong Shu narrowed her eyes, "Do you want to come with me?"

"Want to see the excitement, aren't you welcome?" Fu Jingting looked down at her.

Rong Shu pursed her lips, "I said you're not welcome, so you won't go?"

"Of course not."

"That's all it takes." Rong Shu shrugged, "You're saying this is not my territory, so I can stop you. You can't go anywhere."

Fu Jingting laughed softly, "If that's the case, then I'll push you over."

"No need, just have Aunt Zhang." Rong Shu shook her head and rejected him.

Fu Jingting looked at Aunt Zhang.

Aunt Zhang immediately said knowingly, "Miss Rong, let this gentleman push it. When this gentleman was carrying the wheelchair up the steps, I rushed over and accidentally twisted my foot."

"What? Is it serious? ?" Rong Shu immediately stood up and asked.

Aunt Zhang smiled, "It's not serious, I didn't twist my muscles and bones, just a little pain. I'll just go back and get some medicine later."

Rong Shu's lips moved, and she wanted to say something.

Fu Jingting was the first to speak, "Since your nanny has been twisted, I'll push you over." After

speaking, he no longer gave Rong Shu a chance to speak, and pushed her directly into the door of the appraisal agency.

Rong Shu's brows were frowning all the time, she always felt something was wrong, strange, but she couldn't tell what was wrong,

but Rong Shu didn't think much about it. character.

When he came to the department specializing in paternity testing, Fu Jingting saw Gu Yaotian and his wife, Gu Manqing, and an assistant who looked like a film from a distance.

Gu Manqing heard the rolling sound of the wheel, turned her head to look, and saw the three of Rong Shu walking towards them.

Her gaze was fixed on Rong Shu's face for a while, and finally she turned her gaze to Fu Jingting, and met Fu Jingting's bottomless eyes.

The two seemed to have exchanged something. After Gu Manqing nodded slightly, she looked back and reminded Gu Yaotian and his wife, "Dad, Mom, Miss Rong is here."

Gu Yaotian was thinking about things with his head down, when he heard this, immediately look up.

Seeing Fu Jingting pushing Rong Shu over, his old face instantly turned gloomy, and then with Madam Gu's support, he stood up from the row of chairs, "Fu Jingting, why are you here? You came here with Rong Shu, could it be you two? Are you together again?"

Fu Jingting lightly opened his thin lips, and replied indifferently, "What does this have to do with you?"

"It doesn't matter, I'm just saying that Mr. Fu, you are ruthless enough, and you loved Manyin before. Life and death, now..."

Fu Jingting squinted his eyes and said in a cold voice, "I remember I told you that I have never loved Gu Manyin, so how can you talk about being ruthless?"

Gu Yaotian sneered, "Never Haven't you ever been in love? After Man Yin wakes up, is your feelings for Man Yin fake?"

Hearing his question, Rong Shu propped up her head.

She said that she was also curious about whether Fu Jingting ever loved Gu Manyin.

To be honest, Fu Jingting said that she never loved Gu Manyin, she absolutely didn't believe it.

Just like Gu Yaotian's opinion, after Gu Manyin woke up, what he did to Gu Manyin was not love or what ?

It seemed that he understood what Rong Shu was thinking. Fu Jingting wanted to pat her on the shoulder and tell her that he really never loved Gu Manyin. It was hypnosis that made him think he loved Gu Manyin.

But then he thought of something, and held back the thought again, stared at Gu Yaotian, and said indifferently, "It's not fake, is it still true? Gu Manyin pretended to be Rong Shu, so I'm so good to her, otherwise you think, I Would you like her?" The

implication was that if Gu Manyin didn't pretend to be Rong Shu, he wouldn't even look at Gu Manyin.

From beginning to end, he loved Rong Shu.

"You..." Gu Yao was in a bad mood, and pointed at Fu Jingting with trembling fingers, "You're just..."

"Okay, Mr. Gu, this topic ends here, I have a love-hate relationship between your little daughter and Mr. Fu. I'm not interested." Rong Shu tapped her fingers on the armrest of the wheelchair, and said impatiently, "I'm here today to witness whether you and Miss Li Zhaodi are father and daughter, so it's better to just talk about business, other You can go back and talk slowly, so is the test done now? When will the results come out?"

Gu Yaotian sneered, "That's what you said, today is for the paternity test, other things should be put down first, The appraisal hasn't been done yet, it's waiting for you, since you're here now, then do it right away, I'll let you see if Manqing is my daughter after all."

After he finished speaking, he ripped off a few strands of hair, " Rong Shu, I see, I have pulled out my own hair now."

"And me." She didn't speak, just looked at Rong Shu's Madam Gu in disgust, and pulled out a few of her own hair.

Gu Yaotian took out a few small waterproof bags from his pocket, divided his hair and Mrs. Gu's hair into several parts, then looked at Gu Manqing, "Manqing, you also pull out some hairs."

Gu Manqing nodded . , "Okay."

Then, she looked at Rong Shu, raised the corner of her mouth, raised her hand to the top of her head, then pressed the hairpin with one hand, and grabbed the hair under the hairpin with the other, picked a few off, and handed it to her. Gu Yaotian, "Dad, hair."

Chapter 406 Rong Shu's Hair

She handed over her hair so readily, which not only relieved Madam Gu and Gu Yaotian, but also made Fu Jingting and Rong Shu frown.

For Gu Yaotian and his wife, the fact that Gu Manqing gave them her hair for appraisal without hesitation meant that Manqing was really their daughter, so how could they not breathe a sigh of relief.

At the same time, they were also very excited that they could send Rong Shu to the police station.

Although Rong Shu won't be imprisoned after being sent to the police station, he will also be criticized and educated and fined. At that time, he will let the media operate again, and Rong Shu's face will be lost.

This can also be regarded as finding a place for all the humiliation suffered by Rong Shu during this period of time.

Beside her, Rong Shu's hand on the armrest of the wheelchair clenched tightly.

what happened?

Why did Li Zhaodi give Gu Yaotian her hair so directly?

She's not Gu Yaotian's daughter, so if she gives her hair, isn't she afraid of the final appraisal result?

"President Fu." Rong Shu pulled back the sleeve of the man behind him.

The man lowered his head, "What's wrong?"

"Li Zhaodi, did you really pull out your hair for Gu Yaotian?" Rong Shu bit her lips and asked in a low voice.

Fu Jingting narrowed his eyes and replied, "Really, Li Zhaodi did pull out her hair from her head."

This was what he saw with his own eyes.

He was also surprised that Li Zhaodi dared!

"What!" Rong Shu squeezed her palms even tighter.

I actually pulled my hair out!

Could it be that Li Zhaodi bought this institution, so he was not afraid?

Seeing to see what Rong Shu was thinking, Fu Jingting shook his head, "Impossible, Li Zhaodi can't bribe the people of this institution, this institution is under the name of the

Lin family, and it also cooperates with the state, so let alone Li Zhaodi, even Gu Yaotian can't even buy it."

"Then why is Li Zhaodi still..."

"I don't know for now, let's take a look first." Fu Jingting stared at Gu Manqing and said in a cold voice.

Gu Manqing noticed the look in his eyes, smiled at him implicitly, then pointed to her hair and then to Rong Shu's hair.

Fu Jingting suddenly understood everything.

No wonder Li Zhaodi dared to pull out her hair for identification, because the hair that Li Zhaodi pulled out was not Li Zhaodi's own, but Rong Shu's.

Li Zhaodi didn't know when she got Rong Shu's hair, and then put it on her own hair. When it was time for identification, she would take off Rong Shu's hair. In this way, no matter where the identification was done, how many times it was done, the final results will show that Gu Yaotian is the father and daughter.

This is Li Zhaodi's secret weapon, so yesterday he said he could help Li Zhaodi cover up his identity, but Li Zhaodi couldn't explain it.

Because of Rong Shu's hair, he really didn't need to go to the dark box to operate.

Thinking of this, Fu Jingting's face turned cold.

He was still down on this Li Zhaodi.

This Li Zhaodi was much smarter than he imagined.

This IQ is not comparable to Gu Manyin. If this person was born in a wealthy family and received elite education since childhood, he can guarantee that this woman must be a remarkable person.

Gu Yaotian didn't know what Rong Shu and Fu Jingting were talking about. After he put together Gu Manqing's hair separately, he handed one of them to the assistant, "Take it in and let someone do an expedited appraisal, I need it within half an hour. See the result."

"Yes." The assistant nodded in response, and just took the hair.

Rong Shu pursed her lips and called to stop, "Wait a minute."

"What do you want to do?" Gu Yaotian frowned, his old face full of dissatisfaction.

Rong Shu said lightly, "You ask your assistant to send it in for appraisal. Who knows if your assistant will do any little tricks, Aunt Zhang, please follow along and keep an eye on your hair."

"Rong Shu, don't go too far!" Gu Yaotian pointed at Rong Shu with a dark face.

The same is true for Mrs. Gu, looking at Rong Shu with disgust in her eyes, as if Rong Shu had done something heinous.

At this time, Gu Manqing took a step forward, "Dad, Mom, since Miss Rong doesn't trust us, let her people follow her, and let Miss Rong take a good look at whether our people will play tricks or not. In the end, Miss Rong was convinced that she lost."

Hearing these words, Gu Yaotian and his wife suddenly lost their anger.

Especially Gu Yaotian, who actually laughed, "Manqing, you are right, since she wants to be watched, then let her people watch, Li Qing, why don't you go in?"

Gu Yaotian said to his assistant.

The assistant nodded, took the hair and entered the appraisal room.

Aunt Zhang also followed Rong Shu's gesture, staring at the assistant's hand and the hair in her hand.

What followed was a half-hour waiting time.

Rong Shu and Gu Yaotian did not speak, they were all quietly waiting for the identification results to come out.

As time passed by, Rong Shu became anxious.

"President Fu!" She whispered to Fu Jingting again.

No way, Aunt Zhang was in the appraisal room, staring at the appraisal.

The only person she can call here is Fu Jingting.

Hearing her voice, Fu Jingting squatted beside Rong Shu's wheelchair under the surprised eyes of Gu Yaotian and the others, as if he was a knight accepting the princess's orders.

Gu Yaotian's face was very ugly.

Fu Jingting's move made him unable to refute any longer, saying that Fu Jingting loved Man Yin.

Because he had never seen Fu Jingting condescend to Man Yin like this before.

“What’s wrong?” Fu Jingting lightly opened his thin lips, looked at Rong Shu and asked in a low voice.

Rong Shu bit her lower lip, “Li Zhaodi, what’s her expression now, is she nervous?”

Fu Jingting didn’t look at Gu Manqing, her eyes flashed back and said, “Don’t be nervous.”

Li Zhaodi was holding Rong Shu’s hair, how could it be possible will be nervous.

Rong Shu stopped Fu Jingting’s answer and couldn’t help but hammered the armrest of the wheelchair, “Why is this happening!”

Why wasn’t Li Zhaodi nervous?

Just when Rong Shu couldn’t understand, there were a few footsteps behind him.

Cheng Huai brought two people, a man and a woman, towards this side.

Cheng Huai saw Rong Shu sitting in a wheelchair, his eyes widened and he waved with a smile, “Rong Shu.”

It was Cheng Huai!

Rong Shu’s back suddenly straightened, she turned her head in the direction of the voice, pretended to see Cheng Huai, and responded with a smile, “You’re finally here.”

Fu Jingting had a panoramic view of Rong Shu’s reaction, Jun’s face turned black down.

Seeing Cheng Huai, she was so happy?

The sourness and air-conditioning emanating from Fu Jingting’s body filled the air. Cheng Huai noticed it, and when he looked down, he found Fu Jingting squatting beside the wheelchair. He was shocked, “Jing Ting? Why are you here?”

Fu Jingting stood up. There was no answer, obviously ignoring him.

Cheng Huai shrugged his shoulders and didn’t care, turning his eyes to Rong Shu, “Rong Shu, I have already brought you.”

He pointed behind him.

Rong Shu couldn’t see, but Fu Jingting saw the person behind him.

It was a middle-aged couple, their faces were old and sallow, and their clothes were old and gray. They supported each other, and their bodies were tight and hunched, looking very restrained.

However, in their eyes that kept looking at the surrounding environment, they unabashedly revealed greed and shrewdness, showing that their true characters were not as honest and restrained as they appeared to be.

Of course, this is not the most important thing. The important thing is that when Fu Jingting saw the middle-aged man's face that was similar to Li Zhaodi's, he immediately understood the identity of the couple.

This couple is probably Li Zhaodi's biological parents.

### Chapter 407

Thinking about it, Fu Jingting turned to look at Gu Manqing.

Gu Manqing also saw Li Daniu and his wife, she stood up from the row of chairs in fright, her body trembled slightly, and the fear in her eyes was clearly visible.

Why, why did this couple come here?

Mr. Cheng!

Gu Manqing opened her eyes wide and stared at Cheng Huai in disbelief.

It's him.

The couple came with him.

So he brought the couple!

Gu Manqing squeezed her palm tightly, looking at Cheng Huai with hurt and hatred.

She probably knew why he brought the couple, because he wanted the couple to reveal her identity!

Too much, really too much.

She loves him so much, but he treats her like that!

Cheng Huai naturally felt the look in Gu Manqing's eyes when he looked at him. He felt inexplicable and didn't understand why she looked at him with the look of a heartbroken man.

Cheng Huai didn't think much about it, and smiled playfully, "Li Zhaodi, seeing your biological parents coming, shouldn't you come over to say hello, what are you doing there?"

Biological parents?

Gu Yaotian and his wife sank their faces in displeasure.

Gu Yaotian stared at Cheng Huai even more and said coldly, "Cheng family boy, what nonsense are you talking about, what are your biological parents? My wife and I are the romantic biological parents."

Although the identification results have not come out yet, he It has been determined that Manqing is his daughter.

Cheng Huai wrapped his arms and smiled, "Mr. Gu, I'm not talking nonsense. The two people I brought are Li Zhaodi's real parents. If you don't believe me, take a look."

He took a step to the side, exposing the couple behind Li Daniu. came out.

Seeing this couple, Gu Yaotian and his wife's expressions changed drastically.

"Yaotian..." Madam Gu grasped Gu Yaotian's arm, her voice trembling, "It's him, it's the person in the photo."

Gu Yaotian gritted his back teeth and didn't answer, his eyes fixed on Li Daniu.

Of course he knew that this middle-aged man was in the photo, and he recognized it.

But he didn't expect that the middle-aged man in the photo actually appeared in front of him.

Just when Gu Yaotian raised his feet and was about to go to Li Daniu to ask him about his identity, Li Daniu and his wife's eyes lit up, and then they walked towards Gu Manqing excitedly.

Seeing the two people who were closer to her, Gu Manqing's face gradually became pale, and the trembling of her body became more and more obvious.

"Rong Shu, Li Zhaodi is afraid of Li Daniu and his wife." Cheng Huai came to Rong Shu and whispered.

Fu Jingting narrowed his eyes.

It turned out that Li Zhaodi's biological father was called Li Daniu.

Rong Shu chuckled, "Of course she is afraid, don't forget, what kind of life Li Zhaodi lived in the past."

As Cheng Huai and Rong Shu said, Gu Manqing was indeed afraid of Li Daniu and his wife.

Because the shadow and fear the couple brought her was too deep.

Growing up, she was either beaten or kicked by the couple, or verbally abused by the couple, so she was subconsciously scared when she saw them now.

"Zhao Di!" Li Daniu and his wife came to Gu Manqing.

Seeing Gu Manqing's bright clothes, the greed in the eyes of Li Daniu and his wife was about to overflow.

This girl is doing very well at first glance. Her yellow and black face has turned white, she has grown flesh, and this clothes, the material is so good, it is very expensive at first glance, she really recognizes a rich man. It's good to be a parent.

But she didn't want to give her own parents and younger brother any favors at all, and patronized her own happiness.

After a while, they must let this girl take off her clothes, and they will definitely sell for a good price when they take them out. Not only that, but also let this girl give them all the valuables.

Li Daniu and his wife thought excitedly, but they still pretended to be worried.

"Zhao Di, you girl, it's really easy for me to find your mother." Li Daniu said angrily and worried.

"Yes, Zhao Di, if this Mr. Cheng hadn't found us and told me that you came to the city and recognized a pair of rich people as parents, we would have thought that you had been kidnapped, really, didn't I just yell at you with your dad, why are you running away from home?" Li Daniu's wife accused, and at the same time reached out to pat Gu Manqing's arm.

Gu Manqing's pupils shrank, and she subconsciously shouted, "Go away, don't touch me!"

She shoved Li Daniu's wife abruptly.

Li Daniu's wife was pushed and staggered and almost fell.

Fortunately, Li Daniu stopped her in time to prevent her from falling down.

"Wife, are you okay?" Li Daniu asked quickly.

Li Daniu's wife wiped away her tears sadly, "I'm fine, I'm just sad and sad, this child Zhao Di really has a big heart. With rich parents, he doesn't recognize his own parents."

"No." Li Daniu With a gloomy face, she looked at Gu Manqing viciously.

Seeing his eyes like this, Gu Manqing instantly remembered the past days, her face changed greatly with fright, and she hurriedly hid behind Gu Yaotian's husband and wife, her voice terrified, "Dad, Mom, I'm so scared."

"Manqing, don't . Don't be afraid, mom is here." Mrs. Gu hugged Gu Manqing and patted her on the back softly to comfort her.

Gu Yaotian directly confronted Li Daniu and his wife, "What do you want to do to my daughter?"

"Your daughter?" Li Daniu and his wife were stunned for a moment.

Afterwards, Li Daniu reacted, and as soon as he took away the ruthlessness on his face, he smiled flatteringly, "Yes, that girl called Di just now called your parents, so you just know your parents, hello, hello. Brother Gu, I am Li Daniu, Zhao Di's biological father."

He rubbed his hands, then stretched out his hand towards Gu Yaotian.

Gu Yaotian looked at his Zhang Xixi's hand and the nails covered with dirt, and was about to vomit in disgust. He slapped his hand away, and said in anger, "Shut up, who is your brother Gu!"

"Pfft!" Cheng Huai couldn't help laughing, "Gu Yaotian is two years older than Li Daniu, so he's not a younger brother."

Rong Shu sighed regretfully, "From your description, I knew that the scene was beautiful, but unfortunately I watched it. I don't see you."

"I'm not broadcasting you a live broadcast, besides, I'm still recording a video." Cheng Huai said, holding up his mobile phone.

Fu Jingting next to him glanced at him coldly, and soon turned his attention to Gu Yaotian and the others, his eyelids drooping, not knowing what he was thinking.

Li Daniu didn't get angry when he looked at his hand that was opened, but laughed without self-respect, "Yes, yes, I called it wrong, you are not a brother, it is a brother, I call you Gu Lao, Gu Lao Brother, are we also in-law now?"

"Who is your in-law?" Gu Yaotian shivered all over.

This shameless person, who just called him brother, is now climbing relatives with him.

Why is the skin so thick.

"Why is it not in-law." Li Daniu was unhappy, pointed at Gu Manqing in Madam Gu's arms and said, "This girl is my daughter. Now that I recognize you as my father, then our two families are naturally in-laws."

Having said that, Li Daniu laughed suddenly, and looked at Gu Manqing in admiration, "Zhao Di, Dad never thought that you were so capable, you ran out on your own, and you could still be the daughter of a rich family, yes, you are really proud of Dad. ."

Gu Manqing's face turned red and white, angry and angry, "You shut up, I didn't run out by myself! Also, I'm not your daughter?"

Li Daniu was upset, "Why aren't you my daughter, look at you? I look so much like me, who would believe it if it's not a father and a daughter? Also, you were born by your mother for ten months, and I watched it, so how can I admit it?"

#### Chapter 408 Gu Manqing's Lies

As soon as these words came out, not to mention that Gu Yaotian's face changed, even Mrs. Gu, who was holding Gu Manqing, loosened her hand a little bit.

Yes, if it wasn't for this person's daughter, how could Manqing be so similar to this person.

Gu Manqing felt their thoughts and panicked in her heart. She quickly took Madam Gu's hand, looked at Gu Yaotian and said, "Dad, Mom, don't believe him, I'm really not his daughter, really not!

"If not, please explain why you are so similar to Li Daniu." Cheng Huai looked at Gu Manqing with a wicked smile on the corner of his mouth.

Gu Manqing's eyes turned red, and she looked at him sadly and resentfully.

He was just too much.

Is he so eager to reveal her identity?

“You’re crazy.” Seeing Gu Manqing’s eyes again, Cheng Huai’s mouth twitched silently.

Rong Shu asked, “What’s wrong?”

“It’s okay, she hates me.” Cheng Huai said with a shrug.

Rong Shu smiled, “You brought Li

Daniu, it’s no wonder she doesn’t hate her.” Seeing the two laughing, Fu Jingting’s thin lips pursed into a straight line.

what happened?

Didn’t Rong Shu feel bad for Cheng Huai because of Cheng Huai’s concealment?

Why is the relationship between the two of them getting better now?

Could it be that Rong Shu forgave Cheng Huai?

Thinking of this possibility, Fu Jingting’s fists on both sides clenched violently.

On the opposite side, Gu Manqing faced the gazes of Gu Yaotian and Mrs. Gu, and knew that if she didn’t give an explanation, the matter would not go away, and they wouldn’t believe her words. After taking a deep breath, she cried and replied, “I... ..I don’t know why I resemble him so much, but I’m really not his daughter, Dad, Mom, you believe me.”

“Bah, you are obviously born to my mother, and I have raised you for more than 20 years, but now that you recognize the rich as your parents, you don’t recognize our two parents, right? Li Zhaodi, do you still have a conscience?” Li Daniu’s wife spat, and she stretched out her finger to poke Gu Manqing’s head.

Gu Manqing hid behind Gu Yaotian and his wife again, avoiding Li Daniu’s wife’s black, rough and dirty fingers.

Li Daniu’s wife was furious, “Okay Li Zhaodi, you are thick-skinned, right? You still dare to hide, let the old lady come out and see how she will deal with you, the white-eyed wolf.”

Li Daniu also helped, “Did you hear what your mother said? Do n’t come out quickly!”

“No, why should I come out and let you kill me? You have beaten me for more than 20 years, do you think that I will still be the same as before, and you will still do it to me?”

“Gu Manqing stuck his head out from behind Gu Yaotian and shouted angrily at Li Daniu and his wife.

“You, you...” Li Daniu’s wife pointed at her with trembling fingers, “Well, you little girl, dare to talk to us like this, it’s the other way around, right?”

Beside, Rong Shu heard that Li Daniu’s wife was so rough words, his brows furrowed tightly.

Although she didn’t like Li Zhaodi, but when she heard Li Zhaodi’s mother say this about Li Zhaodi, she couldn’t help feeling sad for Li Zhaodi.

After all, as a biological mother, it is really sad to say this about her biological daughter.

“Okay!” Gu Yaotian suddenly shouted, breaking the conflict between Gu Manqing and Li Daniu.

Although Li Daniu and his wife are bold, arrogant and rude, they have low self-esteem, especially in the face of this group of rich and well-known people.

Therefore, when Gu Yaotian roared, Li Daniu and his wife became quiet and did not dare to make trouble anymore.

“It looks like Gu Yaotian is going to make a big move.” Cheng Huai touched his chin and whispered.

Rong Shu couldn’t see it, but when he heard the anger in Gu Yaotian’s voice, he obviously understood this.

Fu Jingting still didn’t speak, just watched quietly, watching the changes.

On the opposite side, Gu Yaotian looked at Li Daniu’s face for a while, then turned around and stared at Gu Manqing gloomily, “You just said, you were beaten by them for more than 20 years, right?”

Gu Manqing nodded. “Yes.”

“They are what you said before. The couple from the Li family often called you and asked you for money, right?” Gu Yaotian asked again.

Listening to his increasingly cold voice, Gu Manqing began to feel uneasy in her heart, but she nodded and replied, “Yes... Yes.”

“If that’s the case, then tell me, when I was in the detention center, I took him Let me show you his photo, why do you say you don’t know him!” Gu Yaotian pointed at Li Daniu and roared angrily.

Gu Manqing’s face turned pale instantly.

She's exposed!

She said before that she didn't know Li Daniu, and she didn't know why she looked so similar to Li Daniu.

And now, she said that she was beaten by Li Daniu and his wife for more than 20 years, and she personally admitted that Li Daniu and her husband were her former parents. Does this reveal that she was lying when she said she didn't know Li Daniu at the time?

"Yo!" Cheng Huai whistled playfully, "Rong Shu, she seemed to have dug a hole for herself before, but now she's fallen into the hole."

Rong Shu smiled, noncommittal.

Fu Jingting narrowed his eyes and stared at Gu Manqing.

Now, how is she going to deal with it?

Gu Manqing's body was trembling slightly, and she was panicking in her heart.

She lied back then that she didn't know Li Daniu, but just wanted to deceive Gu Yaotian and his wife, and make Gu Yaotian and her husband believe that she was really their daughter.

However, he did not expect that Cheng Huai actually brought Li Daniu and his wife here.

No, she managed to come this far, how could she fall short !

Thinking about it, Gu Manqing closed her eyes slightly and took a deep breath.

The next second, she opened her eyes, her whole body had completely calmed down, and she looked at Gu Yaotian and his wife with red eyes, "Dad, Mom, I'm sorry, I lied, I deliberately said that I didn't know him, and there was no other meaning. , just because I want to get rid of them completely, because I hate them." After speaking

, she quickly picked up her sleeves, exposing the old scars on her arms, one after another, looking shocking.

Madam Gu covered her mouth in fright.

Gu Yaotian was also silent.

Even Cheng Huai's eyes widened in surprise.

He knew how Li Zhaodi lived under Li Daniu's husband and wife, and the information was all there.

But he never really saw the injury on Li Zhaodi's body. Now that he saw it, he realized that the injury he saw in the documents was far less shocking than what he saw with his own eyes!

Rong Shu couldn't see it, so she didn't know what happened at the scene.

As for Fu Jingting, his expression didn't change much.

Now he, such a family member, Rong Shu, what happened to others, and what kind of unfair treatment they received, for him, it has nothing to do with him.

Therefore, even if he saw Li Zhaodi's scar, he didn't react.

"Dad, Mom, I have never shown you these injuries. They brought them to me. I was almost beaten to death by them several times. So I hate them all the time."

Gu Manqing pointed at Li Daniu and his wife and said with split eyes, "It wasn't until one day that I overheard them mention that I'm not their daughter, and I didn't know why they treated me like this, and then I secretly took the necklace that was hidden by them left the home that terrified me and came to the sea market. I just saw my parents and you looking for the owner of this necklace again, so I came back to you."

Chapter 409 The result is out

Having said this, she took a breath, adjusted her emotions, and continued to say, "Dad, Mom, I'm sorry, I shouldn't lie and say I don't know them, because the fear and harm they brought me are too great, I don't want to mention them at all, when I mention them, it reminds me of that dark life, so..."

"Don't talk about it, love, don't talk about woo woo woo..." Madam Gu felt distressed. I hugged passionately, I couldn't cry myself.

Even Gu Yaotian's face gradually softened, and the look in her eyes was not so gloomy.

Obviously, Gu Manqing's remarks dispelled some of Gu Yaotian's doubts.

But Li Daniu and his wife quit.

Li Daniu shivered with arrogance, "You fart, Li Zhaodi, you are a rotten hoof. When did Lao Tzu say that you were not born to Lao Tzu? When did Lao Tzu hide the necklace?"

"That's right, you are clearly slander!" Li Daniu's wife The red eyes echoed.

They now understand that this little hoof is unwilling to admit that they are her biological parents, so they deliberately fabricated an unwarranted lie about their life experience.

They didn't realize that before, she was so courageous and ambitious?

Not to mention what Li Daniu and his wife thought in their hearts, Cheng Huai was shocked and looked extremely serious.

He narrowed his eyes and looked at Gu Manqing solemnly.

This woman's reaction was too fast, and these few words directly reversed the situation.

He and Rong Shu really underestimated her. It was a wrong decision for them to choose her as their inner responder from the very beginning!

"Li Zhaodi, you are very capable." Cheng Huai looked at Gu Manqing and applauded, "In just a few words, Mr. Gu's suspicions were dispelled."

Gu Manqing lowered his eyelids to hide the gloom in his eyes.

She knew that he wanted to rekindle the suspicions of Gu Yaotian and his wife.

But unfortunately, she won't give him this chance.

Thinking, Gu Manqing pulled the sleeves of Gu Yaotian's husband and wife, "Dad, Mom, Miss Rong, they just want to crucify me and these two people, they insist on being honest, I'm the daughter of these two people, so we It is useless to tell them more, just wait for the appraisal results, as soon as the appraisal results come out, they will have nothing to say."

Gu Yaotian and his wife looked at each other and nodded.

"That's right, that's fine too." Gu Yaotian hummed, feeling that it made sense.

Beside him, Cheng Huai frowned, "Rong Shu, they did a paternity test?"

"Yes." Rong Shu pursed her lips and replied.

Cheng Huai was amazed, "How dare Li Zhaodi?"

Rong Shu tapped lightly on the armrest of the wheelchair, "Yeah, I don't understand, how dare she."

Li Zhaodi is not the daughter of Gu Yaotian and his wife, so Li Zhaodi dares to put herself Take the hair for identification, there must be some reason.

Otherwise, Li Zhaodi would never do this.

Fu Jingting, the only one who knew the reason, narrowed his eyes slightly, looked down at Rong Shu, his thin lips moved, as if he wanted to say something, but in the end he didn't say anything.

The scene quieted down for a while, and even Li Daniu and his wife shrank aside and dared not speak.

Because these big figures didn't speak, the atmosphere was extremely heavy and depressing, so they naturally didn't dare to speak.

I don't know how long it took, the door of the appraisal room opened, and Aunt Zhang and Gu Yaotian's staff came out, followed by a staff member.

The staff member was still holding a document in his hand. What the document was, the answer was already obvious.

Gu Yaotian and his wife immediately stood up and hurriedly asked, "The result is out?"

Rong Shu couldn't see it, but he could hear Gu Yaotian's words, and patted the wheelchair armrest, "Cheng Huai, the appraisal results of Li Zhaodi and Gu Yaotian's husband and wife are out. Now, go take a look."

Just as Cheng Huai was about to agree, Fu Jingting had already passed by.

He wanted to see if Rong Shu was the daughter of Gu Yaotian's husband and wife, the real Gu Manqing, as he guessed.

Over there, Gu Yaotian was reaching out his hand, ready to take away the document in the staff's hand, but just as his hand touched the document, another big, fair and slender hand stretched out out of thin air and took the document away first.

"Who?" Gu Yao's weather was so bad, he quickly turned his head to look.

Seeing Fu Jingting, the anger on his face stopped abruptly, "It's you?"

What else can I do if the fire is not turned off?

The prosperous Gu family in the past could not offend the Fu family, let alone the current Gu family.

Therefore, in the face of Fu Jingting, he could only temporarily stay low and be small.

“Mr. Fu, it’s not good for you to take away the documents? You are from Rong Shu’s side. Who knows if you will do anything to the documents.” Gu Yaotian glanced at the wheelchair opposite him in disgust, and he didn’t come over. Rong Shu said.

Rong Shu raised his eyebrows.

Did he give her back what she said before?

Before she questioned his assistant.

Now he questioned Fu Jingting again. After all, Fu Jingting came with her.

Although Rong Shu didn’t want to admit that Fu Jingting was on her side, Fu Jingting was indeed on her side, so she really couldn’t pretend that she didn’t know anything, so she said coldly, “President Gu, I think you It’s too much to worry about, the document is no bigger than the hair, the hair is so small, so thin, you can do anything at any time, but the document is different, so big, and we are all here, how can Mr. Fu do it?”

“That’s right, moreover. , Mr. Fu still has mana, can he tamper with the content on the spot by casting spells?” Cheng Huai also sneered.

Gu Yaotian’s face was bluish and white, like a palette, very funny.

He knew that he couldn’t speak to them, so he snorted and didn’t say anything at all.

Over there, Fu Jingting had already opened the document and turned back directly to the last page. When he saw the words ‘a parent-child relationship was established’, he grabbed the document and tightened his hand suddenly, “Sure enough..”

Rong Shu is really the daughter of Gu Yaotian and his wife.

Although he had confirmed it before, but he had not done the appraisal of Rong Shu and Gu Yaotian’s husband and wife, he still maintained a glimmer of hope in his heart.

He hoped that Rong Shu was not. In this case, if Rong Shu knew everything, it would not be painful.

However, the reality was so cruel, she eventually became the daughter of Gu Yaotian and his wife.

Thinking of the strong hatred between Rong Shu and Gu Yaotian's husband and wife, if Rong Shu knew her true identity now, with her character, she might have done something stupid.

Gu Yaotian stole Tiancheng's technology, forced Tiancheng's technicians to death, and nearly caused Tiancheng to go bankrupt. Even six years ago, Rong Hao's death might have something to do with Gu Yaotian. These hatreds made Rong Shu hate poison. Gu Yaotian wanted to send Gu Yao to hell to apologize to Rong Hao.

However, once Rong Shu knew that Gu Yaotian was her biological father, her identity changed from Rong Hao's daughter to the daughter of Rong Hao's enemy. She was sandwiched between the Rong family and the Gu family, and she had no intention of being the most painful person.

Because she couldn't and couldn't take action against her biological father, she was destined not to avenge the Gu family's revenge, so she would finally choose to end herself and apologize to Rong Hao on behalf of Gu Yaotian.

"Sure enough?" Rong Shu and Cheng Huai asked, not knowing what Fu Jingting was thinking.

Fu Jingting lowered his head slightly and did not speak.

Cheng Huai snorted and simply stepped forward, "Show me, I'll see what the result is."  
On the

opposite side, Gu Yaotian and his wife also wanted to see it, but because the document was in Fu Jingting's hands, they didn't dare to grab it, so they could only wait irritably. .

But unexpectedly, the document finally fell into Cheng Huai's hands.

As for Cheng Huai, they also couldn't afford to offend him.

Only the corners of Gu Manqing's mouth twitched behind them, and she wasn't too curious about the document, because she knew the result.

## Chapter 410

Over there, Cheng Huai took the document in Fu Jingting's hand and looked directly at the last page.

Seeing the above result that was completely the opposite of what he thought, Cheng Huai's face changed greatly, and he said in disbelief, "How is this possible!"

Hearing his words, Rong Shu snorted in her heart, and a huge uneasiness hit her.

what happened?

Why is Cheng Huai's reaction so big?

"Aunt Zhang." Rong Shu grabbed the armrest of the wheelchair and shouted.

Aunt Zhang stepped forward and squatted down, "Miss Rong."

Rong Shu turned her head to face her, "Aunt Zhang, you've been inside, so you know the result is right, what's the result?"

"This..." Aunt Zhang asked Cheng Huai Take a look.

Cheng Huai's hand holding the document was trembling slightly, and he obviously hadn't come out of the shock.

Seeing Aunt Zhang's hesitation, Rong Shu became anxious and poked it into her palm, "Aunt Zhang, say it!"

she urged.

Aunt Zhang glanced at Fu Jingting again.

Fu Jingting received her gaze and nodded slightly.

Aunt Zhang sighed and then replied, "It turns out that the young lady and President Gu are the biological father and daughter!"

As soon as these words came out, Rong Shu's pupils shrank suddenly, and her body froze.

The biological father and daughter...

Li Zhaodi and Gu Gu Yaotian?

This is absolutely impossible!

Li Zhaodi is definitely not Gu Yaotian's daughter, the document is fake and must have been manipulated.

Maybe, Li Zhaodi really used some method to buy off the staff of this organization!

Although it is impossible for Li Zhaodi to have the staff who have the ability to buy off the agency, is there absolutely nothing?

The couple opposite Gu Yaotian also heard Aunt Zhang's words, and they both looked at each other and saw surprises in each other's eyes.

"Husband, did you hear that Manqing is our daughter." Mrs. Gu took Gu Manqing's hand and excitedly said to Gu Yaotian, "I'll just say, it was identified from the very beginning that Manqing is our daughter, why? It might be fake."

Gu Yaotian nodded, "You're right."

Then, he looked at Gu Manqing again, his cold and sharp eyes instantly changed back to his previous kindness and gentleness, "I'm sorry, Manqing, Dad doesn't I should doubt you."

Gu Manqing shook her head and said happily with tears in her eyes, "It's alright, I don't blame Dad, Miss Rong and the others have faked the appraisal certificate and invited these two people over to frame me as not your daughter. , you suspect that I am normal, and now the identification results have come out, it is enough to confirm that I am indeed your daughter, so I don't blame you parents, I blame Miss Rong and they are too much."

She took all the blame . Quan Rong Shu.

Sure enough, Gu Yaotian and his wife looked at Rong Shu with disgust and anger.

"Rong Shu, now that the identification result is out, Manqing is my Gu Yaotian's daughter, what else do you have to say?" Gu Yaotian snorted and said coldly.

Mrs. Gu was even more direct, "Husband, tell her what to do, call the police."

Rong Shu's expression was extremely ugly.

She never thought, how could things happen to this point?

Could it be that she is really going to be sent to the police station by Gu Yaotian?

Rong Shu's hand holding the armrest of the wheelchair was shaking slightly.

Over there, Gu Yaotian had already taken out his mobile phone and was about to call the police.

Seeing this, Fu Jingting narrowed his eyes coldly and was about to say something.

Cheng Huai finally regained his senses and turned around suddenly to look at Gu Yaotian, "Wait a minute."

As soon as these words came out, everyone looked at him.

Gu Yaotian's face sank, "Young Master Cheng, do you want to stop me?"

"I don't believe this appraisal." Cheng Huai smashed the document on the ground, "The appraisal result must be fake."

Gu Manqing's expression suddenly changed. It was twisted, and the hands on both sides were clenched tightly.

Now that the identification results are out, he still has to question.

Did he just want to step on her?

"Fake?" Gu Yaotian sneered, "Young Master Cheng, you saw the appraisal result with your own eyes, and your people also went in to see the appraisal, why do you still say it's fake?"

"Just rely on them . !" Cheng Huai pointed at Li Daniu and his wife.

Li Daniu and his wife hurried forward and came to him.

Cheng Huai patted Li Daniu on the shoulder, "Just because of his face, he is exactly the same as Li Zhaodi!"

"Dad." Gu Manqing took Gu Yaotian's arm, "Dad, I heard that even people who are not related by blood, as long as they live together, affected by each other and the environment, we will become more and more alike. Maybe, this is the reason why my adoptive father and I are so similar."

"Yes, Yaotian, it makes sense. Isn't that what a husband and wife look like? Chairman Li and his wife didn't look alike at first, but they look very similar later." Madam Gu said.

Gu Yaotian nodded, "That's true."

Seeing that the two couples believed Gu Manqing's words, Cheng Huai's first reaction was, these two couples are fools, right?

Even if there is such a situation as Gu Manqing said, it is only slightly similar, it is impossible to be so similar, right?

Even Fu Jingting couldn't help but glance at Gu Manqing.

This woman is refreshing his understanding of her every time.

She is indeed amazingly smart, and she can break the trap at once. If she hadn't betrayed Rong Shu, he really wanted to take this person as a subordinate and train him well.

“That...” Li Daniu rubbed his hands and looked at Cheng Huai, “Mr. Cheng, is the paternity test you just mentioned, just like what you said on TV, so you can know if the child is the child of the parents?”

“No Wrong.” Cheng Huai nodded.

Li Daniu’s eyes turned red, “Then you were just saying that Li Zhaodi’s little hoof was tested with the rich parents she recognized, and the results showed that they were relatives?”

“Yes.” Cheng Huai nodded again.

Li Daniu looked at Gu Manqing and Gu Yaotian’s husband and wife grimly, “How be your own? She obviously crawled out of my wife’s stomach. I saw it with my own eyes, so how could she be yours?”

Although he doesn’t care about this daughter, he cares about face.

His own daughter suddenly became someone else’s biological, what has he become, Li Daniu?

“Dad, I’m so scared.” Gu Manqing hid directly behind Gu Yaotian.

Gu Yaotian did not expect Li Daniu to suddenly become so terrifying and was about to speak.

Rong Shu suddenly patted the wheelchair, “Enough, since everyone insists on their own opinions, let’s do another appraisal.”

Gu Yaotian looked at her, “The appraisal just done is still here, you don’t want to admit it, do it again. Once, what if you still don’t want to admit it?”

Rong Shu bit her lip, “No, if the appraisal result this time shows that Li Zhaodi is still your daughter, then I agree, if not, then ask Mr. Gu to take Li Zhaodi Leave it to me.”

“Dad!” Gu Man became anxious.

Gu Yaotian patted her arm, “Don’t be afraid, she won’t succeed.” After

that, he stared at Rong Shu, “How do you want to do the appraisal?”

“Mr. Gu, don’t you have some hair in your hand ? Take it out, we will find a few more appraisal agencies, not only that, Li Zhaodi and Li Daniu should also do it, let’s compare and see whose daughter she is.” Rong Shu said with squinted eyes.

Cheng Huai's eyes lit up, and he clapped his hands, "It's a good idea, I agree, and Mr. Gu, do you dare?"

He looked at Gu Yaotian.

Gu Yaotian snorted disdainfully, "I don't dare, since you guys don't give up and insist on being the daughter of this couple, then I'll play with you to the end."

He took out the hair that he had arranged before . , then looked at Gu Manqing, "Manqing, pull out a few more hairs."

Hearing that Gu Yaotian asked herself to pull out her hair, Gu Manqing's face instantly turned pale.

Because of this hair, she didn't dare to pull it out at all!

The hair that was pulled just now was not hers, but Rong Shu's.
