Chapter 51 Being so attentive to my ex-sister-in-law, do you like her?

“...” The parents were so angry that they were speechless.

“I won! I won!” Fu Jinglin ran towards Rong Shu, still gasping for breath, but there was unconcealed excitement and excitement in his tone, “The smash I just made was so cool! Did you see it, take a photo No?”

“No.” Rong Shu stroked her hair, her face and heart still beating, as if the person who applauded Fu Jinglin just now wasn't herself at all.

“You, you...you are talking nonsense, I clearly saw you...”

“If you lose, you are ashamed of your brother, and it's not me. What's so good about me? Don't stand in my way, I'll sign the contract for you.” Rong Shu pushed Fu Jinglin away and walked towards the coach.

When talking to the coach, she was polite and polite, “I'm sorry, I wasted your time.”

Fu Jinglin, “...”

Cheng Huai took a picture of Fu Jinglin's shocked expression, and after coming over, he hugged his shoulder and asked, “I heard that Rong Shu When you were at Fu's house, you bullied her every day, but now the feng shui turns, how does it feel to be bullied by her?”

“I'm a man, so I don't care about her!” Fu Jinglin snorted.

“What are you stunned for!” Rong Shu turned around and gave Fu Jinglin a blank look, “You don't want to play basketball, do you? Come and sign!” It was a

matter of life, so Fu Jinglin hurried over and signed the contract.

The coach told the students and their parents that a car would be sent to pick them up to the trial training base. After a few words, the coach took them away.

Parents also took their children away.

Fu Jinglin and Rong Shu left the basketball arena behind, flipping through the contracts in their hands repeatedly, in an unreal rush.

In fact, when Rong Shu didn't answer the phone in the afternoon, he called Gu Manyin and wanted her to help him.

However, Gu Manyin euphemistically said that she was recuperating in the hospital, and it was inconvenient to help, and said, "Jinglin, listen to your brother, don't make him angry."

He was about to despair, but later, Rong Shu came.

Rong Shu not only helped him teach those parents a lesson, but also stood firmly on his side, not letting him be afraid of Fu Jingting, just saying "fight well."

Fu Jinglin looked up at Rong Shu in front.

The sky will get dark now, and the sunset will be gone, but Rong Shu in his eyes is shrouded in golden light, glittering golden and full of majesty.

Like his savior!

Fu Jinglin tucked the contract into his schoolbag, walked up quickly, and walked side by side with Rong Shu, "Sister-in-law, you look so good in this outfit today, and your figure is so amazing that a supermodel will pale in front of you!"

"..." Rong Shu turned her head to see the sincere and lovely eyes of the young man, and felt goosebumps all over her body.

Rong Shu rubbed her arms, "I'm not your sister-in-law anymore, call me sister."

"Yes, sister." Fu Jinglin changed his words very quickly.

Rong Shu helped him such a big favor, which would make him call his ancestors, and he would also call without hesitation.

Before and after the car, Fu Jinglin quickly opened the rear door, "Sister, get in the car, be careful not to hit your head."

Rong Shu felt uncomfortable and quickly got into the car.

"What are you doing?" After Cheng Huai came over, he pushed the boy with his hand and said excitedly, "So attentive to my ex-sister-in-law, did you like her?"

"Brother Huai, what are you thinking about, I'm only sixteen!"

"It's pretty good." Cheng Huai flicked the ash and joked, "Young, energetic, and you are better than your brother, warm and sunny, maybe she likes it."

Fu Jinglin's face flushed red because of his teasing, and he couldn't jump for a long time. One word, the co-pilot got angry.

When they were talking, Rong Shu just lowered the window of the car to let in the air, and happened to hear everything without missing a word, and was simply convinced by Cheng Huai's rant.

It was hard for her to believe that the cold and indifferent Fu Jingting had a brother like Cheng Huai, and the two had a very good relationship.

Absolutely!

Rong Shu rubbed her temples with a headache, took out her phone to see if she had anything to do, and found several new WeChat messages.

One of them is from zh.

Rong Shu still wondered who this person was and why she didn't give a note. After clicking on it, she saw the 88888 transfer at the top at a glance, and the whole person was embarrassed.

After waiting for the man to reply that day, she guessed that there were too many things to do, so she forgot to delete him.

Rong Shu was about to delete the person, but saw a new message sent by the man 30 minutes ago that the owner of the sweetheart was skiing in the Yabuli Resort.

enShare the map with you.

How does this man know where the sweetheart boss is?

Rong Shu sent a message to the man, who are you? Why do you know that I am inquiring about the whereabouts of my beloved boss? Are you investigating me?

Fu Jingting, who was far away in Fu's office, frowned slightly after seeing the news.

Rong Shu didn't recognize him that night?

He remembered that Rong Shu was very drunk that night, and it was estimated that he had been drunk, so when he woke up the next day, he couldn't remember many scenes that night.

Fu Jingting just typed "Fu Jingting" in the input box to send it, but suddenly remembered that he and Rong Shu had divorced. If Rong Shu knew what happened that night, it would definitely be embarrassing, and he would not accept any help from him.

In the end, Fu Jingting deleted those words and re-edited the message and sent it over.

zh I'm a friend of Cheng Huai, and I know you too. Cheng Huai said that he has business dealings with you and wants to help you win a sweetheart.

zh When a friend of mine went to the Yabuli Resort, he happened to see the boss of his best friend here, so he nagged a few words in the group. You gave a lot of money last time, and this information is considered as a free gift from me.

Rong Shu carefully read the message from the man, and let go of her vigilance.

It turned out to be Cheng Huai's friend.

Rong Shu replied with a thank you, and soon raised her head to look at Cheng Huai who was driving, her eyes full of doubts.

How could Cheng Huai's friend just happen to appear in front of her that night, and she was so coincidental that she threw herself into the man's arms, and...

Seemed to notice that Rong Shu was looking at herself, Cheng Huai stopped talking to Fu Jinglin, and after that He glanced at Rong Shu in the mirror, "Mr. Rong, your eyes are so dangerous, do you feel moved by what I said?"

"What?" Fu Jinglin immediately asked Cheng Huai, "What did you tell her, why did she Heartbroken?"

"Do you want to know?" Cheng Huai raised his eyebrows and said slowly, "When I first came here, I told President Rong that I am better than your brother and handsome..."

"Driver Cheng." Rong Shu Unable to bear it any longer, "I don't want to drive off, I'll drive it myself!"

Cheng Huai clicked his tongue, and did not finish the sentence, but said to Fu Jinglin, "It is said that those who are close to the ink are black, and Miss Rong has been with your brother for six years. , the temper is very close to your brother, do you think so?"

Fu Jinglin thought for a while, then nodded, "Really."

"..." Rong Shu really wanted to pull out a roll of tape from under the car seat and seal Cheng Huai That mouth!

Chapter 52 Sister-in-law said that smoking too much makes people die faster

Fu Jinglin spent huge sums of money to invite Rong Shu, Cheng Huai ate dinner, and after returning to Fu's house, he walked with wind.

He has already signed a trial training contract, and Cheng Huai and Rong Shu will hide it for him first. After the trial training, he will officially enter the national basketball team. When Fu Jingting asks him to settle accounts in autumn, he will not be afraid.

Fu Jinglin hummed a song and went into the entrance to change his shoes.

In the living room, he was caught off guard and saw Fu Jingting on the sofa, smoking in his home clothes, and his posture was relaxed.

“Brother, brother.” Fu Jinglin was startled and stuttered, “Why did you come back so early? Isn’t Sister Manyin still in the hospital, why didn’t you go to see her?”

Fu Jingting glanced at him, “Eat Have you?”

“Eat.”

“Come here.” Fu Jingting’s fingertips knocked the cigarette on the edge of the ashtray, “Let’s talk.”

Fu Jinglin’s scalp suddenly numb.

Damn, did Gu Manyin tell his brother that he wanted to participate in the trial training?

Fu Jinglin hugged his schoolbag, walked over tremblingly, and sat down on the sofa next to Fu Jingting, his whole body stretched, “Brother, it’s all my fault...”

He wanted to admit his mistake first and carry the crime down, but the big deal was to be punished on his knees, so as not to Fu Jingting found something and went to Rong Shu to inquire.

“If you want to play basketball, just go and play.”

As a result, he only said a few words when Fu Jingting interrupted him.

He stared blankly at the man, wondering if he heard it wrong, “Brother, you let me... play basketball?”

“Well, let’s play.” Fu Jingting said lightly, “Do what you like, I won’t. Stop it, play basketball too, I’ll tell her from Mom.”

When he came back in the evening, he read the two videos of Cheng Huaifa again, thinking for a long time because of Rong Shu’s words.

Then he finally figured it out.

He participated in the family's business when he was a student because he was talented and did not dislike it, while Fu Jinglin hated finance and was unwilling to enter Fu's family.

He just called the coach who went to school today. From his words, he could feel that the coach likes Fu Jinglin. He has always praised Fu Jinglin for his talent, saying that if this seedling is cultivated well, it will definitely shine in the sports world.

Fu Jinglin was unwilling to take over the family business, he should not force it, lest Fu Jinglin hate him in the future.

I also don't want to stifle Fu Jinglin's talent in playing basketball.

"Really?" Fu Jinglin's eyes lit up, shocked beyond belief, "Brother, you are so good! You are the most enlightened brother in the world! Don't worry, I will not embarrass you, I will definitely enter the country Team, come back with a few more trophies!"

Fu Jingting said, "You choose the road yourself, then walk it well, don't give yourself or the Fu family shame."

"I know!" Fu Jinglin nodded heavily and handed water to his brother, and handed over the fruit, "Brother, did you get a good project today? I think you are very gentle and reasonable today!"

"Then how did I feel in your heart?" Fu Jingting looked at him with a smile. He, "Ferocious?"

Fu Jinglin scratched his head and whispered, "No, I used to feel like your employee, working under you, and I was trembling when you said anything."

Fu Jingting laughed and said after a moment of silence, "Because a woman taught me a lesson today."

Until now, he thought he knew everything, but after listening to what Rong Shu said, he realized that he never cared about what Fu Jinglin wanted.

In front of Fu Jinglin, he looked like a leader, without the appearance of a brother, and the family relationship between them was very weak.

"Wow, which woman is so arrogant and dares to teach your brother a lesson?" Fu Jinglin asked in surprise, "Brother, your former dean?"

Fu Jingting didn't answer, but asked him casually, "What did you eat with Rong Shu tonight?"

"The beef hot pot was super delicious. I ate four plates of fat beef by myself..." Fu Jinglin was full of praise for tonight's dinner.

"What, I still have exam papers to write... Brother, I'm going upstairs first!"

Fu Jinglin left with his schoolbag in his arms, and after going upstairs, he turned back and shouted at him, "Brother, you should stop smoking, sister-in-law said that you smoke too much, People die quickly."

"..." Fu Jingting swept his eyes coldly, making Fu Jinglin's neck shrink in fright, and ran away.

Fu Jingting stared at the half cigarette in his hand, vaguely remembering Rong Shu that night, and the cigarette kiss, his stomach tightened.

He was no longer interested in smoking and threw it into the ashtray.

...

Rong Shu called and asked Lu Qi the time. In the early morning of the twenty-sixth year, the two took a plane to Nanjiang.

Yabuli Resort is located in the northernmost part of Nanjiang River. It is the largest ski resort in China. Every year after winter, guests come here for a ski vacation.

Outside the airport are cars going to the resort.

On the way to the resort by car, Rong Shu admired the snow scene outside the window and asked Lu Qi, "Aren't you cold when you are skiing outside at minus ten degrees?"

"Wearing ski equipment, of course it's not cold." Lu Qi knew Rong Qi Shu doesn't like to be lively, and has never played this kind of sport before, so she raised her brows, "I've won a national ski championship, how about me, do you want me to be your teacher and teach you?"

Rong Shu rolled his eyes, "We're here to talk about business, not to play."

"Yes, business is the most important thing, I'm not important." Lu Qi sighed, "The whereabouts of the boss of the sweetheart are very tight, baby, where did you get the information?"

"Don't ask so much if you know others are here." Rong Shu turned her head to look out the window and ignored him.

It can't be said that it is information given by a one-night stand target, right?

After arriving at the resort, Rong Shu and Lu Qi went to the hotel to check in.

She was still looking for an opportunity to talk to her friend's boss, who happened to be back from skiing with her friends and met them after entering the hotel.

"Talk about the boss." Rong Shu stepped forward and greeted the man at the front, "I'm the vice president of Tiansheng Company, Rong Shu."

After getting the information, Rong Shu checked the background of the sweetheart's boss, Tan Wei, and knew that His father was also an entrepreneur, and he made a lot of money from his own business.

Because of the conflict with his father, he would rather go bankrupt than his father's financial support.

Good, give her a chance.

"I know, Tiancheng's new female vice-president." Tan Wei shook hands with Rong Shu, and the smile on his face was a little light, "What a coincidence, I can meet you here."

"Unfortunately, I came here specifically to find you. Rong Shu knew that he was not a fool, so he didn't hide it. "See you just came back from skiing? Can I borrow you ten minutes after you rest? I want to chat with you."

Tan Wei said, " Okay. , I'll contact you when I'm rested, goodbye."

After speaking, he left with his friends.

"He doesn't even want your number, he will contact you!" Lu Qi hummed on the side, "Why don't we follow up now and force him to chat! Anyway, his company will be acquired sooner or later. Sheng bought it."

"Do you think everyone is as stubborn as you?" Rong Shu said angrily, "Maybe he has our company phone number."

"Haha!" Lu Qi sneered.

As a result, on the second day, Rong Shu didn't wait for Tan Wei to contact her.

Lu Qi sneered unceremoniously, "Look at it, baby, I said he wouldn't kill you. You still don't believe it. Now, do you believe it?"

"Don't fall for it." Rong Shu was speechless.

"I just asked the front desk, he went to the ski resort with a friend." Lu Qi took Rong Shu's shoulders and walked out, "Come on, let's go to the ski resort to find him!"

“The ski resort is so big, are you sure you can find it?”

“If you can’t find it, go skiing!”

“...”

They left the hotel on the front foot, the elevator opened on the back foot, and a man and a woman walked out.

Chapter 53 For fear of this second-hand husband being taken away

Gu Manyin held the man’s arm, with a smile on her face and a light tone, “I’ve been asleep for so long, and I can’t ski anymore. When I get to the ski resort, I’ll ask you to teach me, Mr. Fu.”

Fu Jingting touched her feet Looking at him, he frowned and asked, “Are your feet all right?”

“It’s just a minor injury, and I’ve been in the hospital for so long, and I’ve recovered a long time ago.” Gu Manyin smiled and held his arm tightly, “It’s rare that you can accompany me when you have time, and I want to share the fun with you.”

“Okay.” The man replied lightly.

After Gu Manyin was discharged from the hospital, he said that he wanted to come out to play. He happened to be not busy, so he went out with her, but he didn’t expect her to come to Yabuli Resort.

It is estimated that Rong Shu has come here to talk about the information he gave last time.

...

After entering the ski resort, Rong Shu and Lu Qi went to the store to rent a full set of ski equipment and went to the locker room to change them.

The ski suits and shoes were a bit bulky, but fortunately, Rong Shu got used to it quickly. After going down, she found that there were a lot of guests on each ski track.

At a glance, she saw that everyone was wearing ski suits, and they seemed to look similar...

After finding a few ski runs, Rong Shu was tired and her eyes were a little sore, "This ski resort is too big, Lu Qi, you see Where is the boss?"

Rong Shu didn't get a response for a long time, only to find that there was no one behind him when he turned around.

"Baby, are you looking for me?" Lu Qi slid down the high hillside, the snowboard under his feet drifted beautifully, and stopped firmly in front of Rong Shu.

Rong Shu was so angry that she was speechless, "I asked you to help find someone, but you went skiing?"

"There are so many people here, and they are scattered, and ghosts can't be found!" Lu Qi picked up the ski and pulled her Go, "Go baby, I will teach you to ski, and under my training, you will definitely become a fearful ski killer!"

"..."

Rong Shu looked around the huge ski resort, there were indeed many people, and he gave up on himself.

Lu Qi dragged Rong Shu to the primary snow track, "This is the primary snow track, with a small slope, suitable for beginners. When you get used to the skis and can slide freely, let's go to the intermediate snow track with a higher slope."

"No wonder There are few people here, and there are still people with you, so it turns out to be a beginner's area." Rong Shu understood, and inadvertently glanced, but saw two people entering the snowy road.

What a coincidence, they are still acquaintances.

Gu Manyin also saw Rong Shu, her eyes were cold for a moment, and she quickly raised a smile to say hello, "Miss Rong, what a coincidence, I met you and your boyfriend here."

"Miss Gu, we don't know each other well, so don't force yourself. Say hello to us." Lu Qi said lazily, "Why don't you act like a spoiled brat with your family's President Fu and ask him to buy this ski resort and forbid us from coming, so we won't be able to touch it."

Gu Manyin sipped her fans. Lips, "Mr. Lu, I didn't offend you, did I? You talk too much..."

"You forgot about the clubhouse so soon?" President Fu, for fear that this second-hand husband will be taken away, of course he disdains to remember other things."

"..." Gu Manyin's face turned pale, looking weak and pitiful.

This Lu Qi, let her make a fool of herself in the club that time, this time, her mouth is more poisonous than that day.

Really hate it!

“Hey, I’m scolding you again, don’t look like that.” Lu Qi looked scared and said to Fu Jingting, “Mr. Fu, your girlfriend is more vulnerable than Jiaohua, you take good care of her, Don’t let her break!”

Fu Jingting’s eyes sank, and he didn’t say anything, he took Gu Manyin to the other side to help her adjust the equipment.

“Come on baby, I’ll help you.” Lu Qi squatted down and helped Rong Shu fasten the skis to the shoes, snorting coldly, “Hey! Who can’t hurt people!”

Rong Shu was teased by him and endured Can’t stop laughing.

“What are you laughing at?” Lu Qi stood up, brushed his short hair, and raised his thin lips slightly, “Do you think I’m handsome? It’s better for you to gain weight, baby, I can make you happier.”

“Shut up.” Rong Shu slapped him with a snowball fight, “Don’t force me to slap you!”

Lu Qi was slapped twice by Rong Shu. She adapts to snowboards.

Gu Manyin was not far from them, and when she heard the conversation between the two, her cheeks were slightly red, and she whispered, “Although there are few people here, they can’t... Such blatant flirting is too shameless.”

Fu Jingting went to Rong Shu glanced over there, frowning tightly.

He thought that Rong Shu was here to talk to the boss of her sweetheart to discuss business, but he didn’t expect that she was flirting with Lu Qi and skiing here, and she had a lot of fun.

“Don’t worry about them.” Fu Jingting said solemnly, his body temperature dropped several degrees for no reason.

Gu Manyin felt agitated all over, then looked up at the man and saw that his expression was light, as if his emotions had never fluctuated just now, it was just her illusion.

Rong Shu is a novice skier and doesn’t understand anything. After Lu Qi taught her to let go, she slowly used the snowball.

Just slipped twice, the body involuntarily tilted and fell into the snow.

Lu Qi sneered, "Baby, you are too stupid, you can still fall with a snowball, can't you find a balance?"

"Shut up!"

Rong Shu saw that Gu Manyin, who was beside him, was already proficient in using snowballs. After the battle, after slipping and going freely, I felt even more unhappy, gritted my teeth and got up and continued to learn.

After falling countless times, Rong Shu was finally able to master the snowball fight, and she could come and go freely on the snow track. At this time, she also experienced the joy of skiing.

At the ski resort in the afternoon, Rong Shu and Lu Qi went to the intermediate ski slopes.

There are many people here, and it is also lively.

Lu Qi no longer taught Rong Shu, he also fixed his snowboard and followed her down.

He may be too busy, and he always finds Rong Shu to chat to distract her.

"Baby, go with your grandfather in your thirties Let's eat at my house. "Lu Qi said, "My mother called me the day before yesterday and said she wanted to see you. "

After getting married, Rong Shu spent the New Year with Fu Jingting's family, and this year, she and Fu Jingting divorced.

Rong Shu didn't agree immediately, "Let's talk later. She knew that Lu Qi felt sorry for her, but the Rong family, her and her grandfather, she didn't want to go to other people's houses to spoil the atmosphere during this kind of festival, and she probably didn't want to either.

Lu Qi sighed, "Look at my handsome face. , girlfriend, give me a face? "

"Fake girlfriend!" "Rong Shu didn't have a good air.

She didn't want to hear Lu Qi's beeping, and with the snowball in her hand, she brushed past Lu Qi and slid down.

Before she slipped a few meters, Rong Shu heard a snowboard rubbing against the snow behind her. The sound of passing.

She hadn't reacted yet, her back hurt, and the hit snowball couldn't hold it on the ground, and she rushed down the slope.

“Rong Shu! Lu Qi’s face sank, and he immediately chased after him.

The slope of the snow track was relatively high, and Rong Shu swooped all the way down, without the support of the snowball fight, and his body quickly lost his balance and staggered. A

shadow followed from the side . Sliding down and approaching Rong Shu, he stretched out his hand and pulled her, quickly put her hand on his waist, and said solemnly, “Hold on, don’t let go. Rong Shu was in a panic ,

and after hearing the voice in her ear, she immediately hugged the man’s waist.

Fu Jingting calmly controlled the skis to rush down the slope, even with one person, it was easy to rush down the slope. At the foot of the slope, stand firmly.

“Miss Rong, here we are. “Looking at the woman who still didn’t let go, Fu Jingting said, “Why, do you want to hug more?” “

Fu Jingting?

After arguing the man’s voice, Rong Shu immediately let go and opened the distance between the two.

She took off her helmet, showing a calm face as usual, “I’m sorry, I thought it was my boyfriend, so I hugged tightly, thank you, President Fu.”

Chapter 54 This Goose Is Cute, It Can Make You Approachable

Hearing this, Fu Jingting’s eyes sank.

Lu Qi slid down quickly and came to Rong Shu’s side, “Baby, are you alright?”

“Well, alright.

” “Hey, Miss Gu, hurry up!”

After Gu Manyin slid down, he said rudely, “Don’t think I didn’t see it just now, it was you who bumped into Rong Shu!”

“I’m wearing a helmet, so my vision is a little off. Fuzzy.” Gu Manyin bit her lip and apologized to Rong Shu, “I’m sorry, Miss Rong, I bumped into you.”

“Rong Shu is in front of you, not on the side, if you can’t see it, you’re blind!” Lu Qi Qi waved his hand in front of Gu Manyin, “Miss Gu, are you really blind, do you want me to find a doctor for you?”

“Enough.” Fu Jingting said displeased, “I just saved Miss Rong, Manyin also apologized to her.”

Lu Qi sneered, “Mr. Fu, you know that the slope of this snow trail is high, my baby is a beginner again, and was hit by Miss Gu like that, if no one saves you, you will break a bone if you roll down. “Yes !”

“Can I think that your girlfriend was an attempted murder?”

“Lu Qi, don’t be so aggressive.” Gu Manyin’s eyes were red with anger, and her voice trembled, “I really didn’t see you just now, you If you want to care about it like this, I’ll slide up now and let Miss Rong bump me.”

“Okay!” Lu Qi agreed, “You hurry up and let Rong Shu bump into you, I’ll save you, and then let’s get rid of it!”

” ...” Gu Manyin leaned beside Fu Jingting, her expression becoming more fragile and pitiful.

Seeing Fu Jingting’s gloomy face, Rong Shu seemed to be irritated by Lu Qi’s aggressiveness, and dragged Lu Qi, “Go, go back.”

“I’m not going!” Lu Qi was very upset, “You fucking divorced Fu Jingting. , Besides, his girlfriend bullied you, and you still want to be a virgin?”

Rong Shu approached him and whispered, “Cheng Huai gave me the acquisition information of my sweetheart.”

Cheng Huai has a good relationship with Fu Jingting. If Fu Jingting asks him to do anything, he will do it, and he will not take into account the cooperation with Rong Shu.

Rong Shu also didn’t want to let Gu Manyin go, but she also didn’t want Fu Jingting to intervene and make her unable to buy a sweetheart.

As soon as she said it, Lu Qi also understood the pros and cons, snorted coldly, and didn’t bother with Gu Manyin anymore, but just before leaving, he turned around and compared his middle finger to them.

Gu Manyin was furious.

She has never seen Lu Qizui such a vicious and cheap man!

Seeing the man’s stern face, Gu Manyin whispered, “I just focused on skiing and I didn’t see Miss Rong. I apologized to her too. I didn’t expect Lu Qi to be aggressive, cough...”

She bent down and coughed twice , the little face turned pale.

Seeing her face, Fu Jingting couldn't get colder, and took the person into his arms, "With me here, Lu Qi just said, I dare not let you do anything, it's too cold, I'll take you back to the hotel. "

Well." Gu Manyin embraced him with a light smile on her face.

...

When Rong Shu and the two returned to the hotel, it was already five o'clock in the afternoon.

She went to the front desk and found out that Tan Wei was in the chess and card room, so she went to find it alone, took out the shameless style Lu Qi said, and insisted that Tan didn't say that he wanted to acquire his company, and the purchase price could be negotiated.

No matter what she said, Tan Wei refused to agree to the death, and finally became impatient, "I won't sell it no matter how high you give it, so let's go!"

He directly kicked Rong Shu out of the chess and card room.

Rong Shu had a headache and wanted to call Lu Qi to call him, but he felt that the conversation was not like this, and Lu Qi couldn't say anything even though his mouth was broken.

And if she doesn't talk to people in person, how can she have any learning experience?

Rong Shu thought of that man, opened WeChat, found him, and sent a message. Have you ever talked to your lover's boss before? He's so tough, no matter what price I offer, he doesn't want to talk to me.

After sending the message, Rong Shu was startled to realize that something was wrong. Why did she want to find this man for this kind of thing, wouldn't it be better to ask Cheng Huai?

Rong Shu wanted to withdraw the news, but after the time passed, the news could not be withdrawn.

At this time, the man replied to her message.

zhTan Weixin is arrogant and arrogant. He doesn't like his company being invaded by people from other companies and being managed by others. He went to ask for funds to save the company because the other party wanted the right to operate his company, so he didn't agree.

zhHe has a bad relationship with his father, you can also start with this.

After a word or two from the man, Rong Shu quickly understood.

Rong Shu, I negotiated with him, I don't want the management right of his company, but I can increase the proportion of the acquired shares, or use his father to stimulate him.

zh One point, smart.

The man was a little slow in replying to the news and said few words, but every sentence was very useful to Rong Shu.

The negotiation skills taught by the man made Rong Shu suddenly enlightened, and even knew how to avoid being at a disadvantage when negotiating with her lover's boss.

Rong Shu Big White Goose, are you helping Cheng Huai or running your own company? I see you know a lot.

zh I am not called the big white goose.

Rong Shu, then you didn't tell me your name, it's nothing, it's just a title!

Rong Shu, I won't delete you, why don't you delete me? You are a very good friend, rich in knowledge, and I just need someone to guide me.

Rong Shu, I will not waste your time. I will ask you questions in the future. You can decide how much a message will cost.

In the hotel room, Fu Jingting laughed angrily after seeing several messages sent by Rong Shu.

Because she helped Fu Jinglin, he just sold her a piece of information, but the woman climbed up the pole without end.

After a while, Fu Jingting returned to her, okay.

Rong Shu, you are so knowledgeable and kind, as cute as your avatar!

Fu Jingting twitched the corners of his mouth, and without seeing the WeChat message, he exited the dialog and dialed Assistant .

"Mr. Fu, what's the matter?" Assistant Zhang answered the phone quickly.

"I have a WeChat account for you before." Fu Jingting frowned, "You have so many avatars to choose from, why get a goose?"

Assistant Zhang euphemistically said, "This goose looks cute and makes you approachable."

Fu Jingting was silent.

"Mr. Fu, you have taken this number back for a long time. Why didn't you change the goose's avatar before seeing it?" Assistant Zhang indirectly indicated that he was right, "If you don't know how to change your avatar, I will teach you now..."

"No need!" Fu Jingting hung up the phone directly.

...

At dinner, Rong Shu and Lu Qi went to the table where the boss of the sweetheart was.

Rong Shu sat down opposite him, smiling lightly, "Mr. Tan, you see a lot of vacancies here, don't mind me eating with my friends here, right?"

Tan Wei lowered his head to eat and ignored her.

"I know that you created the love one with your own hands, and you treat it like you are cherishing your own child."

Rong Shu folded her hands on the table and said calmly, "After Tiansheng acquired the love, I promised to control the love. In your hands, let the couple run their business independently, and I won't go to the top to monitor the couple."

Hearing this, Tan Wei finally raised his head and glanced at her, "Who taught you to negotiate like this, your ex-husband?"

Rong Shu stunned.

Tan didn't put down his chopsticks and said with a worried expression, "Your ex-husband has been coveting my company, and he has sent high-level executives to invite me to dinner and negotiate with me many times. Now!"

"Mr. Fu and I divorced a long time ago, and another friend gave me the acquisition information of my sweetheart." Rong Shu explained this, but she was suspicious.

Tan Wei said what she said, and Fu's people also told him.

But these are what zh taught her.

If these are true, the man that night was... Fu Jingting?

Chapter 55 Successful Acquisition

Lu Qi stood up and poured Tan Wei a glass of red wine, "President Tan is joking, when our baby got divorced, her ex-husband didn't give her a penny, he was as stingy as a cock, so how could he help our family? Where's my baby."

"I didn't give you a penny?" Tan Wei looked at Rong Shu with a little surprise, "No, not only don't you give me money, you don't even have an RV, so why should Tan always take pity on our baby and sell our sweethearts? For us baby?" Lu Qi took Rong Shu's shoulders.

Rong Shu threw his hand away, "President Tan, don't listen to his nonsense, I don't want anything."

Tan Wei was about to open his mouth when he picked up his wine glass . come over.

"President Tan, it turns out that you are here, and Miss Rong and Mr. Lu are also there. It's a coincidence." Gu Manyin greeted with a sweet smile.

Lu Qi stretched his back, "Unfortunately, I don't want to see you at all."

Gu Manyin's face froze for a moment, but she quickly adjusted her expression, "Mr. Lu's speech is still so rude."

Lu Qi Holding the back of his head in his hands, he turned the chair leisurely, "I can't help it, I've always been like this with people I don't like. Who made Miss Gu one of them?"

"You..." Gu Manyin's face was full of anger white.

Fu Jingting held her in his arms, his whole body depressed.

Seeing his gloomy face, Song Shu pulled Lu Qi a hand, "Okay, let's stop here, don't forget what I told you during the day."

"Don't worry, I'm measured." Lu Qi shrugged.

The picture of the two talking with their heads together is extremely dazzling.

Fu Jingting let go of Gu Manyin and looked at Tan Wei, "Mr. Tan, what did you think about the acquisition conditions I mentioned last time?"

“I’m still considering it.” Tan Wei pointed at Rong Shu, “Your ex-wife also wants to buy my sweetheart, and is negotiating with me, the conditions are the same as yours, I thought you gave her an idea.”

Fu Jingting’s eyes flickered without a trace, “No, I am determined to win for your company, and there is no reason to give it up.”

Hearing this, Rong Shu twitched the corners of his mouth, and his inner doubts completely dissipated.

Yes, he didn’t want to see her, so how could he help her.

What’s more, ideas are all people’s thoughts. Since he can think of this condition, why can’t he think of it?

Out of the corner of the eye, he saw the relief on Rong Shu’s face, and Fu Jingting’s brows stretched.

He had long expected that her coming to Tan Wei would make her doubt zh’s identity.

So I made a special trip to say those words just now, in order to dispel her doubts.

“It’s unfortunate that Mr. Fu, I am also determined to win my sweetheart.” Rong Shu raised her head and looked at Fu Jingting.

Fu Jingting didn’t change his face, and said lightly, “Yes, let’s see which one Tan always chooses!”

“It goes without saying, of course it’s our Tianzhu.” Lu Qi put his hand on the chair behind Rong Shu.

Gu Manyin lightly brushed her ears and hair, and smiled lightly, “In terms of choice, Fu’s is the best, and Tiancheng is already on the edge of a cliff, so it’s not a good choice. What do you think, President Tan?”

” Shu put down the wine glass, her face sank, “Miss Gu, do you know what first-come-first-served? This is Tiancheng’s negotiating table. You asked Mr. Tan to deny Tiancheng unsolicited. I’m afraid this behavior is not good? “

Yes.” Lu Qi looked at Fu Jingting with a sneer, “Mr. Fu, your fiancée doesn’t understand the rules and has committed a major taboo in the shopping mall. You don’t understand it, right?”

” Comfortable, she took Gu Manyin’s hand, “Let’s go.”

Gu Manyin bit her lip, “Jing Ting, I... did I do something wrong?”

“It’s not a big mistake, just pay attention in the future.

” People go far together.

Lu Qi pouted, “The surnamed Fu is really protecting Gu Manyin, and his bottom line is almost gone.”

Rong Shu’s heart tingled and she didn’t answer.

Gu Manyin is Fu Jingting’s treasure.

Who doesn’t protect her?

Tan Wei took a sip of wine and said, “Vice President Rong has a grudge against your ex-husband and the others?”

Rong Shu picked up her mood and chuckled, “It’s not a matter of grudges, it’s just a bit of a holiday, okay, Mr. Tan, let’s continue the negotiation. Right .”

Tan Wei leaned back, “Does Vice President Rong still remember what your ex-husband fiancée said just now?”

“Of course.” Rong Shu nodded, “She is right, in terms of choice, we are indeed more than equal. But Fu Shi, but we have an advantage, but Fu Shi is far behind.”

“Oh?”

Rong Shu remembered that zh said Tan Weixin was arrogant in WeChat, and the smile on the corner of his mouth became stronger, “That is the freedom to buy and sell. , in the future, you think you are rich and want to buy your sweetheart back, I can sell it to you at a price 30% higher than the purchase price, but if the sweetheart is merged into the Fu family, do you think you can buy it back?”

Even if she Having been a housewife for six years, she is also very aware of Fu Jingting’s name in the shopping mall, that is, the King of Hell.

Almost no one can take back what is in his hands.

Tan Wei’s face finally became a little moved, “It seems that such a temptation is indeed something I can’t refuse!”

He raised his glass.

Is this done?

Rong Shu was overjoyed, and then, reminded by Lu Qi's elbow, he quickly picked up the wine glass.

After drinking, Tan didn't stand up, "Okay, I have an appointment with a friend to take a hot spring, so I won't accompany the two of you. After I go back in two days, I will sign the purchase contract."

"Okay." Rong Shu Suppressing his inner excitement, he responded with a smile.

Lu Qi held her face, his eyes full of admiration, "Baby, you are amazing, you know, when you were just talking to Tan, your whole body was glowing, I believe you will be on your own in a short time. , become a real female bully."

Rong Shu slapped his hand down angrily, "Just talk, don't move."

Lu Qi covered his chest with a hurt face, "Baby, you are too much, You actually despise me, we grew up together, how can you despise me?"

Rong Shu rolled his eyes at him and didn't bother to pay attention to his tricks.

Suddenly, his cell phone rang.

Lu Qi stopped making trouble, took out his phone and glanced at it, "Baby, I'll go out and answer a call."

"Go." Rong Shu waved her hand.

After he left, Rong Shu thought of something, took out his mobile phone, opened WeChat and clicked into a big white goose avatar, thank you for your suggestion.

zh become?

Rong Shu smiled and typed it quickly. You said Tan Weixin was arrogant and arrogant, so I deliberately used the freedom of buying and selling to stimulate him, and he was moved by me.

Tan Wei's temperament will not ask his parents for money, and he has no lover, so it may be a long, long time before he needs to earn three times the selling price.

At that time, Tiancheng may have regained its glory. Even if the sweetheart is not bought back, Tiancheng will not lose.

enCongratulations.

Thank you, Rong Shu. If it wasn't for your suggestion, I wouldn't have succeeded so quickly. Can I invite you to dinner?

As soon as she said this, she regretted it.

I still remember what happened that night.

How embarrassing it will be to meet at that time.

On the other side, in the hotel room, Fu Jingting was sitting on the sofa wearing a black bathrobe, with his legs crossed, looking at the phone with deep eyes.

Have a meal?

Fu Jingting pursed his lips.

Seeing this reply, Rong Shu breathed a sigh of relief, okay, I'll talk about it next time.

zh eh.

Rong Shu quit WeChat, and Lu Qi came back, "Baby, how about I invite you to take a hot spring?"

Rong Shu's eyes lit up, "Okay, I haven't had a bath in a long time."

After marrying Fu Jingting six years ago, she put down all the fun, she almost forgot the feeling of soaking in the hot spring.

"Then let's go." Lu Qi took her hand and went straight to the spa.

Chapter 56

After changing into yukatas, the two came to the entrance of the male and female baths.

Lu Qi rolled his eyes and put his arms around Rong Shu's soft waist, "Baby, how about we go to a mixed bath?"

Rong Shu smiled at him, then put an elbow over.

"Ouch!" Lu Qi covered his stomach in pain, "Baby, you hit me?"

Rong Shu squinted at him, "Shouldn't I hit him? You can figure it out in a mixed bath."

"What's wrong with a mixed bath? , we are boyfriend and girlfriend." Lu Qi immediately stood up and argued.

"It's fake." Rong Shu was too lazy to pay attention to him, put the bath towel on his shoulders, opened the curtain with the words "Nyu Tang" written on it, and walked in.

The female soup was empty and very quiet.

Rong Shu took off her yukata, wrapped only a white towel that reached the bottom of her thighs, and went down to a single-person soup pool.

The water temperature was very high, and her whole body was pink, and she snorted comfortably.

At this time, the sliding door of the entrance was opened, and someone walked in.

Rong Shu looked up and saw the face of the person coming through the white mist.

Gu Manyin.

Rong Shu frowned, this resort is good everywhere, the only bad thing is that the place is too small, you can meet people you don't want to see when you turn around.

Gu Manyin didn't expect such a fate. After being stunned for a while, she smiled softly, "Miss Rong, we meet again."

Rong Shu didn't want to pay attention, nodded, and got up to leave.

As soon as she stepped out of the soup pool, Gu Manyin's voice rang again, "Miss Rong, you are leaving as soon as I come, so you don't like seeing me so much? We are college classmates and roommates anyway. Rong Shu stood in the

soup pool clutching the bath towel on her chest, and said lightly mockingly, "Miss Gu's words are a bit funny. I didn't like to see me from the beginning, isn't it Miss Gu, you are in college, and even more so now."

Gu Manyin leaned on the edge of the other single-person soup pool, and looked at Rong Shu with a small smile, "Does Miss Rong want to know the reason?"

"Tell me, I really want to know why I'm sorry for you for letting you do this. Treat me!" Rong Shu simply sat back.

There was a single soup pool between the two, and they looked at each other from a distance.

"You know, from the moment you entered the university dormitory, I had an inexplicable sense of crisis towards you. I always felt that you would snatch away my important things."

Gu Manyin pinched her nails hard . "Sure enough, you stole Jing Ting while I was in a coma in the car accident, how could I let you go!"

Hearing the hatred in her tone, Rong Shu's expression remained calm and indifferent. "Whether you believe it or not, I didn't deliberately steal Fu Jingting while you were in a coma. It was you who said that you and Fu Jingting are just brothers and sisters."

Because of this, she asked Fu Jingting to marry.

Otherwise, with her original pride, even if she liked Fu Jingting again, she would not do that.

"You don't have to explain this to me. No matter how much you explain it, you can't deny the fact that you owned him for six years." Gu Manyin bit her lips and looked at her.

Rong Shu's lips moved, just as she was about to say something, the phone beside Tang Chi rang, and the call was Lu Qi.

"Hello?"

"Baby, are you ready to soak?"

"Almost." Rong Shu nodded.

Lu Qi urged, "Then come out quickly, I heard that there will be a fireworks feast later, I will wait for you at the observation deck."

Rong Shu took the towel aside with one hand and wiped the hot sweat from her face, "Okay. , I'll take a shower and come out." Hanging up the

phone, she got up and stepped out of the soup pool, and when she passed by Gu Manyin's soup pool, she paused for a moment, "Miss Gu, after those conversations just now, I know you will continue to treat me. Make a stumbling block, it doesn't matter, you can make a move, and I will follow it all."

After speaking, she took her long legs and walked away.

Gu Manyin lowered her eyes, not knowing what she was thinking.

After a while, her hot head gradually became dizzy, knowing that she could no longer soak, she also got up and walked to the shower room.

Rong Shu was taking a shower in a compartment of the shower room, and when Gu Manyin came in with her toiletries, she heard her humming, her singing was beautiful and tactful, like the sounds of heaven.

She couldn't help but remembered two days ago, when Fu Jingting said in the letter that she used to sing well, but now why she didn't sing, she didn't dare to tell him that she

couldn't sing at all, so she had to lie with her bad voice, Bring the topic of singing to the past.

But she knew that as long as the owner of the letter was still there, all the lies she told would be exposed one day, unless the true owner of the letter disappeared!

Gu Manyin's eyes flashed, and she looked at Rong Shu's compartment door, and then at the shower gel in the basin. Suddenly, a terrible and bold idea came to her mind.

She squatted down, gently placed the basin on the ground, then picked up the shower gel in the basin, opened it, and poured the transparent shower gel on the ground in front of Rong Shu's compartment door.

After doing this, Gu Manyin's lips curled slightly, got up and left quietly.

"It's really comfortable!" Rong Shu took a hot shower and came out of the cubicle with the basin in her arms. Unexpectedly, she stepped on something, slipped her feet, and fell to the ground. Her head just hit the steps of the cubicle, and she fainted on the spot.

On the viewing platform, Lu Qi was still waiting for her to come over. After waiting for a long time, the fireworks feast had started and no one was seen, so he took out his mobile phone to make a call.

However, the phone went through, but no one answered, and I couldn't help but worry.

"Isn't something going on baby?" Lu Qi put the phone in his pocket, quickly left the observation deck, and went back to find someone.

But after searching several places in a row, there was no sign of Rong Shu, and he was even more convinced that something might have happened to Rong Shu.

And in this resort area, the only people who would hurt Rong Shu were those two people.

Lu Qi came to a door and knocked heavily, "Gu

Manyin, come out!" Soon, Fu Jingting appeared in front of him with a gloomy face before he opened it.

"What's the matter with you?"

"I'm not looking for you, I'm looking for her!" Lu Qi looked at Gu Manyin beside him.

Gu Manyin smiled happily, "Mr. Lu, is there anything you can do with me?"

“Baby’s gone!”

Fu Jingting’s pupils shrank suddenly.

Rong Shu is gone?

Gu Manyin saw Fu Jingting’s reaction, and

she squeezed the palm of her hand.

Sure enough, the idea of ??getting rid of Rong Shu was right.

Rong Shu’s life will only affect him more deeply, and even the absence of one will make him react so much.

Gu Manyin restrained her thoughts and blinked her eyes in confusion, “Mr. Lu, Miss Rong is gone, why are you looking for me?”

“Why are you looking for you?” Lu Qi laughed angrily, “Why are you looking for you? , you must have hidden the baby, you pushed our baby off the track during the day, there is nothing you can do, I advise you to hand over the person quickly, otherwise Fu Jingting will not be able to protect you!”

“How could I hide Miss Rong? I haven’t seen her since dinner. I don’t even know where Miss Rong is. How do you want me to hand it over?” Gu Manyin’s eyes were red and she was wronged.

Lu Qi didn’t like her, “What the hell are you talking about!”

“Enough.” Fu Jingting took a step forward and put Gu Manyin behind him, his voice was cold, “If Rong Shu is not here, go check the surveillance, Can I find Rong Shu if I trouble Manyin?”

Gu Manyin panicked after hearing the word “monitoring”, but she quickly thought of something and stabilized.

Lu Qi also suddenly reacted, and he was in a hurry to find Rong Shu. He forgot to look at the surveillance camera and patted his forehead, “I’ll go to the surveillance room now, I hope the disappearance of our baby has nothing to do with you. Otherwise, I’ll never let you go.”

He pointed at Gu Manyin’s nose and turned to leave.

“Let’s go too.” Fu Jingting took off his coat and put it on Gu Manyin, half-armed her and went to the monitoring room.

Chapter 57

The three of them saw in the surveillance that Rong Shu and Lu Qi entered the hot spring pavilion an hour and a half ago, but since then, Rong Shu has not come out.

It can be seen that Rong Shu should still be in the hot spring hall.

“I’ll go to the hot spring hotel!” Leaving this sentence, Lu Qi rushed out the door.

Gu Manyin looked up at the man beside her, and asked in a gentle voice, “Jing Ting, shall we not go?”

“Go!” Fu Jingting frowned and replied, “Lu Qi suspects that Rong Shu’s disappearance has something to do with you, In order to dispel your suspicion, we have to go over there, let’s go.”

Gu Manyin smiled slightly, “Well, listen to you.” The

two came to the door of the hot spring pavilion, and Lu Qi was negotiating with the guard.

“Sir, I’ve said it all, now that the hot spring pavilion’s business hours are over, there’s no one in it.” The guard stopped Lu Qi from letting him in.

Lu Qi scratched his hair, and was about to say something, when a scream came from the hot spring hall, attracting the attention of several people.

Several people saw a cleaning aunt running out of it with a terrified look, and while running, she was muttering something to herself.

The guard grabbed her, “What’s wrong?”

Aunt Baojie said in a trembling voice, “Dead...dead!”

“What?”

Everyone was stunned.

Aunt Baojie shook her hands and pointed inside, “In the bathing room of the female soup, a person died!”

“Baby!” Lu Qi’s expression changed, and he immediately rushed into the hot spring pavilion.

Fu Jingting and the guards quickly followed.

On the way, Fu Jingting’s face was tense, and the aura around him made people feel depressed.

That woman is dead?

Are you kidding me, it’s not her prank?

Fu Jingting clenched his back teeth tightly, and his heart throbbed inexplicably, causing his breathing rhythm to become disordered.

Gu Manyin felt the change in his mood, and she secretly hated her, but her eyes were wet, “Jing Ting, you said that Miss Rong is so young, why did something happen to her?”

She said this, as if to Rong Shu. To die is very sad and sad.

However, where no one could see, the corners of her mouth rose.

This is really good news.

Rong Shu is dead, then she will have no worries.

A few people came out of the shower room, ignoring the big words ‘men stop’ on the door, and went in directly. When they entered, they saw a scary scene of Rong Shu lying on the ground with a pool of blood flowing from her head.

It took a while for Lu Qi to regain his senses, and walked towards Rong Shu stiffly.

Fu Jingting stood at the door, his eyes locked tightly on Rong Shu’s pale face, and his hands subconsciously clenched.

It turned out to be Rong Shu!

She is really dead!

At this moment, Fu Jingting seemed to feel that he had lost something most important, and his heart not only hurt, but also felt empty.

At this moment, Lu Qi’s excited voice sounded, “She’s still alive, the baby isn’t dead, she’s still breathing!”

What?

The curvature of Gu Manyin's mouth suddenly froze, her eyes filled with disbelief.

Rong Shu is not dead?

Fu Jingting's pupils trembled and stared at Lu Qi, "Is what you said true?"

"It's true, the baby is indeed alive." Lu Qi's fingers were placed under Rong Shu's nose, and he could clearly feel the weak breathing .

The doorman breathed a sigh of relief at the same time, and looked at Aunt Baojie dissatisfiedly, "What did you do, people are not dead, how do you say they died?"

Aunt Baojie replied aggrievedly, "I was frightened when I saw her lying on the ground with blood under her body, so I thought she was dead."

"..." The guard was speechless.

Gu Manyin also glared at Baojie angrily, believing that it was the cleaning agent who spread rumors, which made her happy for nothing.

And Rong Shu, who stepped on the shower gel she poured and fell, why didn't she just fall to her death!

Afraid that someone might find out what she was thinking, Gu Manyin quickly calmed down and said with a smile, "That's great, Miss Rong is not dead, this is really good news, isn't it Jing Ting?"

" He walked towards Lu Qi and Rong Shu.

Lu Qi was shaking Rong Shu gently, trying to wake Rong Shu up.

Fu Jingting looked at his behavior without medical common sense, and was slightly angry, he twisted his back collar directly, and pulled him away calmly.

"Last name Lu, what are you doing?" Lu Qi roared angrily.

Fu Jingting raised his eyelids lightly and looked at him coldly, "She is obviously in a severe coma, you can't wake her up like this, and her head is injured, your shaking will only make her hurt more, bloodshed. The flow will be faster, if you don't want her to die, you'd better call the doctor immediately."

Hearing this, Lu Qi was stunned for a moment, then gave himself an annoyed one.

Damn, he cares so much, he doesn't even think of something as important as calling a doctor.

Lu Qi quickly took out his mobile phone and called the hotel.

Fu Jingting squatted down, gently lifted Rong Shu's head, and let her lean against his arms.

Afterwards, he tore a piece of fabric from his shirt as a bandage, and bandaged the wound on the back of Rong Shu's head to do simple hemostasis.

And in the process of stopping the bleeding, there was heartache and pity in his eyes that he didn't even notice.

Gu Manyin on the side saw it, her eyes were red, but she didn't go up to stop it.

She knew very well that when she tried to stop her at this time, she seemed a little narrow-minded and could not even tolerate a wounded person.

Lu Qi finished the phone call, "The hotel said that the doctor has been arranged to go to the baby's room. We can just take the baby there now."

Fu Jingting tied the bandage and picked up Princess Rong Shu.

Seeing this, Lu put the phone back in his pocket and stretched out his hands, "Just give me the baby ."

"You can't, your behavior just now shows that you are not suitable to take care of her." Fu Jingting said coldly, no Hand over the woman in your arms.

Lu Qi laughed angrily, "I can't do it, can you do Mr. Fu? Don't forget Mr. Fu, you and baby are divorced, and I am her boyfriend now."

"That's right, Jingting, Mr. Lu is Miss Rong. I believe that Mr. Lu will take good care of Miss Rong." Gu Manyin stepped forward, pulled Fu Jingting's sleeve, and persuaded softly.

Fu Jingting's hands on Rong Shu's armpit and on the bend of his knees tightened and tightened, and finally loosened, and handed Rong Shu over with a sullen face.

Lu Qi snorted at him, hugged Rong Shu and turned away.

Looking at the back of the two leaving, Fu Jingting felt dazzling, and felt even more irritable. He also clenched his fists, but after clenching, he suddenly found a sticky feeling in his palms. In addition to Rong Shu's blood, there was an unknown liquid.

There was a faint fragrance from the liquid. Fu Jingting rubbed it, and the liquid bubbled up. It should be shampoo or shower gel.

Thinking about it, Fu Jingting looked at the place where Rong Shu had passed out, and there was indeed a pool of the same liquid.

Fu Jingting snorted.

This woman can knock over her toiletries, and even step on it and fall, so stupid!

“Jing Ting, both Mr. Lu and Miss Rong are gone, let’s go back too.” Gu Manyin took the man’s arm.

The man lifted his arm up and pulled it out, “I’ll wash my hands first.”

With that, he walked to the sink and washed the blood and shower gel off his hands before leaving the spa.

Back in the room, Gu Manyin picked up a bathrobe and handed it to Fu Jingting, “Jing Ting, you just bandaged Miss Rong, and you got blood on your body. Why don’t you take a shower.

” After entering the bathroom through the bathrobe, he squinted his eyes when he smelled the familiar fragrance in the air.

Chapter 58 Did You Do It?

This smell is the same as the shower gel on his hands when he was in the shower room, so why is there the smell of Rong Shu shower gel here?

Unless, the shower gel wasn’t Rong Shu’s from the beginning, and before going out, Gu Manyin was using this bathroom, then it’s self-evident who the shower gel that made Rong Shu fall down.

Fu Jingting squeezed the bathrobe tightly in his hand, and his icy eyes fixed on a bottle of shower gel in the wash cabinet. The bottle of shower gel was transparent, and it could be clearly seen that there was less than half of the shower gel inside.

So where did the other half go, the answer is obvious.

Fu Jingting’s face was gloomy and terrifying, and he threw away the bathrobe in his hand and went out of the bathroom.

In the living room outside, Gu Manyin was sitting on the sofa talking to Wang Shuqin on the phone. Hearing footsteps, he raised his eyes and looked forward. Looking at the

man's cold face, his heart froze for a moment, and a smile appeared on his face. , "Jing Ting, did you wash up so soon?"

Why did he look at her with such terrifying eyes?

"Manyin, why didn't you speak?" Wang Shuqin's loud voice sounded on the phone.

Gu Manyin calmed down and replied with a smile, "Auntie, it's getting late, I won't tell you, you rest early, see you next time!"

Hang up the phone, she put her phone on the coffee table and got up Walking towards the man, the closer she got, the more she could feel how terrifying the man's eyes were on her.

Gu Manyin's heart became more and more uneasy, but she still maintained her composure.

"Jing Ting, what's the matter with you, are you in a bad mood?" She walked up to the man and leaned forward, wanting to lean into his arms.

The man looked down at her and took a step back.

Gu Manyin stumbled and almost fell, and looked at him in surprise and aggrieved, "Jing Ting, you..."

"Did you do the fact that Rong Shu fell unconscious in the shower room!" Fu Jingting interrupted Her words turned extremely cold.

Gu Manyin's pupils shrank, and before she could think about how he suspected her, she shook her head, "Of course not, Jing Ting, why do you think I did it?"

She seemed unable to accept his misunderstanding, and wrote on her face. Full of displeasure and anger.

I thought that if I did this, Fu Jingting would coax her as usual and tell her not to be angry.

Unexpectedly, the man did not move at all this time, and still stood there looking at her, not only disappointed, but also turbulent and complicated.

"You haven't admitted it until now. Do you think I'm just suspecting that simple? If there is no definite evidence, I won't ask you." The

definite evidence?

Gu Manyin's expression changed.

She knew that he never told lies.

So he does have evidence.

Gu Manyin panicked, with fear in her eyes, “Jing Ting, I...

Fu Jingting cut off her words again, “What caused Rong Shu to fall was a large area of ??shower gel, and the smell of that shower gel is yours. In the same way, your body wash is custom made, and there is no way the world will have the same taste. “

In addition, when you went out, everything you brought with you was new and unopened, but half of your body wash was unreasonably short. These evidences are enough to prove what you did. After speaking, Fu Jingting looked at her like a stranger, and asked his own question, “

Manyin, are you really that innocent and kind girl who wrote to me?” “

Gu Manyin’s body froze suddenly, and her hands and feet became cold.

What should I do, he began to doubt her identity!

No, he must dispel his doubts quickly, otherwise everything will be over.

Gu Manyin’s eyes flashed, suddenly As soon as she bit her lip, she started crying, “Jing Ting is sorry, I know I was wrong, I’m sorry, cough...”

She coughed and her face was flushed, and her body was shaking slightly, as if she could faint at any time.

Seeing her so vulnerable, Fu Jingting softened his heart and patted her on the back to help her calm down, “It’s not me who you should be sorry for.”

“Yes, I will apologize to Miss Rong tomorrow.” She pulled Shaking his arm coquettishly, “Jing Ting, please forgive me, okay?”

Fu Jingting didn’t say forgiveness, but he didn’t take his arm away, pinched his eyebrows, “I want to know why you do this? Have you ever thought about it? However, you might kill a person by doing this!”

“I didn’t think about it that much.” Gu Manyin lowered her head, her voice choked, “I did this because I was afraid, Miss Rong has been with you for six years, I was afraid that you had feelings for her in your heart and would be snatched back by her, so I was impulsive, and I regretted it later, but I dared not say it, because I was afraid that you would blame me.”

“Silly, I only have you in my heart, Rong Shu is impossible.” It turned out that he didn’t give her enough security to let her do this kind of thing, Fu Jingting couldn’t help feeling a little remorse, took her upstairs into his arms and kissed her hair.

“Be obedient, don’t do such things again, you know?”

“Well.” Gu Manyin leaned against his arms, felt his softened attitude, knew that his suspicions were dispelled, and he was relieved.

Then, she thought of something, lowered her eyelids and asked worriedly, “Jing Ting, you said that I will apologize to Miss Rong tomorrow, will Miss Rong get angry and call the police to arrest me?”

Fu Jingting stroked her hair, “It’s okay, I’ll handle it.”

“Thank you Jing Ting.” Gu Manyin stood on tiptoe and kissed his lips with a smile.

But Fu Jingting frowned and turned his face subconsciously.

Gu Manyin’s kiss failed, her face froze for a while, and then she pretended nothing happened and kissed his cheek.

On the other side, the doctor was treating Rong Shu.

Lu Qi clenched his fists and paced around, until the doctor took off his gloves and stopped, “Doctor, Bao... How is Rong Shu?”

“This young lady is not life-threatening at the moment, she just has a concussion. I have re-sterilized and bandaged the wound, but you’d better go to the hospital for a detailed examination to see if there is any blood clot in the head.” The doctor replied.

“Okay, I’ll take her there tomorrow.” Lu nodded.

After sending the doctor away, he went back to the bed and sat down, looking at the unconscious woman on the bed with joy, “Fortunately you are all right, otherwise it would not be enough for that kid Li Chuan to kill me, maybe he will blacken and destroy the world.

” The real face of that kid, Lu Qi couldn’t help shivering, and then fell asleep beside the bed.

When Rong Shu woke up, it was already the next morning.

She rolled her eyes, swept around, and already knew where she was.

Rong Shu blinked and tried to get up, but when she moved slightly, a sharp pain came from her head, her face turned pale in pain, and she fell back on the bed. At the same time, pictures flashed across her mind.

She remembered that she fell and knocked her head when she came out of the shower room yesterday.

No wonder my head hurts and feels dizzy.

Rong Shu hummed in pain.

Lu Qi, who was still dreaming beside the bed, was woken up suddenly. He stood up straight and looked at Rong Shu sleepily, "Baby, are you awake?"

Rong Shu's mouth twitched, "You stayed with me all night?"

"Yes Ah." Lu Qi casually straightened his messy hair that looked like a chicken coop, and said with a smile, "How about it, baby, I'm funny, so do you want to consider turning my fake boyfriend into a real boyfriend? Rong Shu rolled his eyes at him, "

You want to be beautiful!"

Being a couple with your best friend makes you feel cold when you think about it?

"Sure enough, women are heartless!" Lu Qi looked at her resentfully.

Rong Shu kicked angrily, "Okay, be serious!"

Lu Qi immediately stopped making trouble, and his expression became serious, "Baby, how did you fall?"

Chapter 59

Rong Shu pursed her pale lips, "I fell, but I don't think I fell easily."

"Darling, are you suspicious?" Lu Qi looked at her.

Rong Shu nodded, "I fell because I stepped on something slippery when I came out of the cubicle. The moment I fell, I smelled a scent, it should be a shower gel or something."

“Why is there a shower gel in front of your cubicle door?” Lu Qi widened his eyes in surprise.

“I don’t know either.” “Could it

be that someone accidentally dropped the shower gel, so it was spilled in front of your cubicle door, and you just happened to be unlucky to step on it?” Lu Qi felt his chin and guessed.

Rong Shu narrowed her eyes slightly, “There is a possibility, but the possibility is too low.”

“How do you say it?”

Rong Shu tilted her head slightly to look at him, “Because I didn’t hear anything falling to the ground while I was taking a shower. The voice.”

In other words, the shower gel was deliberately poured quietly in front of her compartment door.

Lu Qi stood up suddenly, “It must be Gu Manyin. In this resort, we only have two enemies, she and Fu Jingting. Fu Jingting can’t be in the women’s soup, so there is only Gu Manyin.”

“It’s her, you . When she called me last night, she happened to be there, she should have heard that I was going to the shower room, so she followed.” Rong Shu held her hand on the quilt.

Lu Qiqi’s chest heaved violently, “That woman is like a poisonous snake, call the police, you must call the police, this must not be the case!”

He took the phone out of his pocket.

Rong Shu stopped him, “It’s useless, there’s no surveillance in the shower room, so there’s no way to prove that it was her who poured the body wash, even if it was detected that the body wash on the ground was the same as hers, she could lie and say it was her. Accidentally messing it up, it can’t be convicted at all.”

Lu Qi frowned, “This won’t work, that won’t work, so what should we do?”

Rong Shu pondered for a moment, “Unless we get a recording of her admitting to hurting me intentionally, everything will have to stop.”

“It’s not easy.” Lu Qi smiled sinisterly, “I’ll find someone to scare her with recording equipment. , she will definitely move.”

Rong Shu's eyes lit up for a moment, and just as he was about to answer, the doorbell rang.

"Who is it?" Lu Qi walked towards the door.

The door opened, and outside the door stood Fu Jingting and Gu Manyin.

"Mr. Lu." Gu Manyin smiled at Lu Qi.

Lu Qi's face collapsed on the spot, and his tone was unceremonious, "What are you doing here?"

"Let's find Rong Shu, is she inside?" Fu Jingting's eyes fell on him.

His outfit was exactly the same as last night, which obviously showed that he spent the night in Rong Shu's room last night.

Thinking that Rong Shu and Lu Qi were alone in the same room, Fu Jingting's eyes darkened, and his heart was inexplicably irritable.

"Aqi, who is it?" Rong Shu asked weakly from the room.

Lu Qi didn't hide it from her, looked at the men and women in front of him, and replied loudly, "President Fu and Miss Gu, they said they were looking for you." The

room was quiet for a few seconds, and then Rong Shu's voice sounded again, "Let them come in. "

Lu Qi opened his body reluctantly.

"Thank you." Gu Manyin nodded and smiled at him, and went in holding Fu Jingting.

Lu Qi rolled his eyes, closed the door and followed behind them.

Rong Shu was sitting on the head of the bed, wearing a loose pajamas, with a bandage on her head, her face was pale, and she looked very fragile.

I don't know why, seeing her appearance, Fu Jingting felt a little distressed, and subconsciously asked in a soft tone, "How are you?"

Rong Shu looked at him in surprise and smiled interestingly, "Mr. Fu is here Do you care about me?"

Gu Manyin immediately tightened Fu Jingting's arm.

Like a reminder, Fu Jingting realized that his attitude towards Rong Shu was a little abnormal, he pursed his thin lips, and his voice returned to a cold and indifferent voice, "Visit the wounded and greet the wounded properly, it is a normal behavior and also polite. ." The

implication is that he just asked politely, and didn't mean to care.

Gu Manyin was finally satisfied, she slowly released Fu Jingting's arm, and glanced at Rong Shu proudly.

Before Rong Shu could respond, Lu Qi stepped in front of her and made a digging movement towards Gu Manyin, "You look at our baby with these disgusting eyes again, believe it or not I will put you two together. An eyeball was dug out."

"You dare!" Gu Manyin bit her lip.

Lu Qi smiled, "See if I dare!"

After saying that, he was about to chase after Gu Manyin.

Gu Manyin's face turned pale with fright, and quickly hid behind Fu Jingting, grabbed the hem of his suit, and said in a trembling voice, "Jingting save me!"

"It was terrifyingly cold, "Lu Qi, don't go too far."

As if hearing a joke, Lu Qi sneered, "Mr. Fu, then I will also tell you, don't be too double-standard, you only see me doing things to your woman. What, but I can't see what your woman has done to our baby, so blind, why don't you donate it as soon as possible."

Rong Shu, who was watching the play in bed, couldn't help laughing and gave him a thumbs up.

Seeing her action, Fu Jingting frowned deeply, feeling uncomfortable.

What does she mean, also thinks he is blind?

"Okay, this is my room. I'm still a wounded person. What is the matter with you coming to me? Hurry up and say it. Please leave when you're done. I want to rest." Rong Shu covered her lips and yawned. I got impatient.

Fu Jingting pursed his lips and said, "We are here to apologize to you."

Apologize?

Rong Shu and Lu Qi looked at each other.

Fu Jingting pulled Gu Manyin out from behind, "Last night you fell because Manyin accidentally spilled the shower gel on the ground."

"Miss Rong, I'm really sorry." Gu Manyin gave Rong Shu a bow. Bow, his face full of guilt.

Rong Shu looked at her quietly, with a cold expression, "Is it really careless?"

Gu Manyin stood up straight, and suddenly met her eyes that seemed to be able to read people's hearts, panicked, and quickly lowered her eyelids, gritted her teeth and turned her back. "Really."

Lu Qi sneered, "What's the real thing? You spilled the shower cream on purpose!"

"I didn't, Miss Rong, trust me, I really didn't!" Gu Manyin's eyes were red.

"Come on, we believe ghosts won't believe you." Lu Qi looked at her with disgust, "And I want to know, when we found the baby last night, why didn't you, Gu Manyin, talk about the baby's fall? It has something to do with you, but now I admit it?"

Gu Manyin's eyes flashed slightly, and she lowered her head to explain, "Because I didn't realize that Miss Rong fell down last night because of me, until after you left with Miss Rong in your arms. , I only reacted when I saw that there was shower gel in the place where Miss Rong was wading, so I rushed to apologize."

"You have to hurry to apologize, otherwise you are afraid that it will be too late." Rong Shu coldly hooked. lip.

Gu Manyin's expression froze, "What does Miss Rong mean?"

Fu Jingting and Lu Qi also looked at her.

She glanced at Gu Manyin's increasingly uneasy face, and sneered, "You know what you mean, don't you? You guessed that I would be the first to doubt you when I wake up, you are afraid that I will make a big mess of things, and there will be something wrong. The development of control, so I want to use the excuse of being careless to expose this matter."

"So you are fighting for this purpose?" Lu Qi angrily laughed, "I want to expose the matter, let me tell you, there is no way! "

Fu Jingting, who has never spoken, knew that this matter would not be solved so easily, stepped forward to look at Rong Shu, and asked in a deep voice, "Then what do you think?"

Chapter 60 Claiming Compensation

Rong Shu smiled slightly, "It's very simple, call the police!"

Lu Qi looked over in surprise, "Baby, didn't you just say..."

"Huh?" Rong Shu gave him a warning look.

He immediately made a zipper movement around his mouth and remained silent.

Rong Shu then said again, "Since Miss Gu said she didn't do it on purpose, and we all think she did it on purpose, we both hold our own opinions, and it's hard to tell the truth for a while, so we might as well hand this over to the police to investigate. ?"

Fu Jingting caught the gleam in Rong Shu's eyes, and knew in his heart that her purpose might not be so simple. She might be planning something. Just as she was about to remind Gu Manyin, Gu Manyin had already said, "Of course you can."

She He agreed with a smile on his face, but he was smiling stupidly in his heart, and actually thought of calling the police.

Without monitoring, what's the use of calling the police?

Rong Shu pretended not to see the sarcasm in Gu Manyin's eyes, and clapped with a smile, "Okay, Miss Gu has made a very correct determination, Ah Qi, since Miss Gu agrees, you should call the police immediately and remind the police to call the police. When the time comes, bring a hypnotist here by the way."

"Why bring a hypnotist?" Lu Qi took out his phone, but didn't respond for a while.

Fu Jingting narrowed his eyes, his deep eyes locked on Rong Shumingyan's face.

Sure enough, he guessed that she was not just as simple as calling the police.

Unexpectedly, this is her real purpose.

Gu Manyin also reacted, her face gradually paled.

Rong Shu looked at her, and the smile on her face became stronger and stronger, "Of course it's to investigate the truth, I heard that when dealing with some tough-lipped suspects, the police will invite a hypnotist to hypnotize the suspect, and the suspect will Unconsciously, I took the initiative to confess the crime."

"Yes!" Lu Qi slapped his thigh excitedly, "This method is good."

"Of course, but it's not enough. When you're hypnotized for a while, Ah Qi, remember to broadcast the process live and let the audience watch it too. If it turns out that Miss Gu was careless, then it's fine, I consider myself unlucky, If it was intentional... Huh?"

Rong Shu looked at Gu Manyin pretending to be puzzled, “Miss Gu, what’s wrong with you? Why is your body trembling, and why is your face so ugly and sweating a lot, you is she sick?”

“I don’t think she is sick, but she has a guilty conscience, after all, she will be slapped in the face in a while.” Lu Qi sarcastically loudly.

Gu Manyin bit her lip, panicked and scared, and hated Rong Shu to death.

This woman is simply a devil. Not only did she come up with a bad trick to find a hypnotist, but she also broadcasted live broadcasts on the Internet.

“Jing Ting...” Gu Manyin burst into tears and looked at the man beside her begging for help.

The man rubbed his eyebrows, a little tiredness in his eyes.

Perhaps, he was wrong from the beginning, and should not have soft-heartedly agreed with her to hide the truth when she begged in the morning.

So much so that things have developed like this, and it is almost impossible to end.

“Rong Shu, don’t use the hypnosis live broadcast. There’s no need to make things so big, it will only exacerbate the conflict between the Gu family and Tian Sheng.” Fu Jingting looked at Rong Shu.

Rong Shu suddenly understood something, clenched her palms tightly, and looked at him without any emotion in her eyes, “Mr. Fu, you stopped me from hypnotizing Miss Gu and preventing me from live broadcasting, so can I think that you admit that Miss Gu is Know it on purpose?”

Otherwise, why didn’t he let her hire a hypnotist and live broadcast.

That’s enough to say it all!

“Baby, it’s more than that. I think Mr. Fu probably knew that Miss Gu was doing it on purpose, but they helped cover it up together.” Lu Qi sneered with his arms round.

“Is that so?” Rong Shu stared at the man.

The man was silent for a long time before speaking, “Yes.”

“Okay, it’s really good!” Rong Shu squeezed her palms even tighter, her fingernails were embedded in her palms, and it hurt to look at them.

But this pain is nothing compared to the pain in my heart.

This is the man she loves, the man she has loved for so many years, and for Gu Manyin's sake, she can even ignore the three moral values.

"Today I finally understand what kind of person Mr. Fu is. It's ridiculous that I wasted six years of my youth for someone like you!" Rong Shu smiled sarcastically.

Fu Jingting's expression was gloomy, making people unable to see joy and anger.

How could he not know that it was wrong for him to cover up Gu Manyin.

But he couldn't watch Man Yin go to jail.

"I will be responsible for what Manyin did to you, as long as you don't pursue this matter." Fu Jingting said in a deep voice.

Lu Qi was directly angry, he squeezed his fist and punched him in the face.

Gu Manyin screamed in fright, "Be careful Jing Ting!"

"Assistant Ah Qi!" Rong Shu also stopped Lu Qi in time.

Lu Qi's fist stopped a few centimeters in front of Fu Jingting, and then put it down reluctantly.

While Rong Shu breathed a sigh of relief, she stared at Fu Jingting with cold eyes, "Then how do you want to be responsible? If I am not satisfied with what you give me, I will not agree. Aqi, you record what Mr. Fu said next. So that President Fu doesn't regret it later."

"Okay!" Lu Qi smiled and turned on the phone to record.

Gu Manyin was very dissatisfied, "Miss Rong, Jing Ting is not the kind of person who goes back on his word. You look down on us too much."

However, Rong Shu and Lu Qi completely ignored her.

Gu Manyin only felt that she had been insulted, her face flushed with anger, "You..."

"Okay." Fu Jingting raised his hand, motioned her to stop talking, then looked at Rong Shu, "I will pay for your treatment until you are fully recovered. Besides, Fu's trade port at the customs, I can give you one. "

Commercial port?

Rong Shu was refreshed and her eyes widened.

This is a great good thing. She was still thinking about it. After Yutu's batch of goods is ready, she will go to the relationship to open a trading port.

Unexpectedly, he actually took the initiative to give her one.

"President Fu is really generous, but it's not enough!" Rong Shu smiled like a fox.

Gu Manyin bit her lip and said angrily, "Miss Rong, so much is not enough, you must be a little too greedy?"

"Hey, hey, pay attention to what you say, what is greed?" The bandage on Shu's head, "You deliberately harmed our baby. To put it bluntly, it is intentional murder. What should we do more?"

Hearing the words intentional murder, Gu Manyin turned her head away in a guilty conscience, and suddenly stopped talking. .

Fu Jingting frowned, "Then what else do you want?"

"I heard that the Gu family wants a piece of land owned by Mr. Fu to invest in developing a new property, and Mr. Fu, you also plan to sell it to the Gu family at a low price."

Rong Shu teased He flipped his hair, "I have always pursued fairness, and it was Miss Gu who did things, so you can't take care of everything by yourself, Mr. Fu, and Miss Gu, too, so let's go out of the land.

"No! "Gu Manyin is anxious. That

land is a betrothal gift that Jing Ting is going to give to the Gu family, how could it be given to Rong Shu.

"Miss Gu doesn't agree, that's fine if you don't agree, Ah Qi, call the police!" Rong Shu gave Lu Qi a look.

Lu Qi immediately unlocked the phone.

Gu Manyin was in a dilemma, and finally Fu Jingting agreed, "Okay, that land is for you.
"

"Jing Ting?" Gu Manyin grabbed his sleeve.

He patted the back of her hand lightly, "It's alright, there is still a piece of land in the north of the city. Although it's smaller, it's enough for my uncle."

After speaking, Fu Jingting turned his head and glanced at Rong Shu coldly, "Wait a minute. When I get to Hai Shi, I will ask someone to send the land deed over, and I hope that Miss Rong will also abide by the rules and stop investigating Man Yin."
