Chapter 61 Land Deed

“Of course!” Rong Shu smiled and nodded, then looked at Gu Manyin, “Miss Gu, thank you, if it wasn’t for you, I wouldn’t have gotten so many benefits.”

Gu Manyin bit her lower lip and said nothing. .

Fu Jingting wrapped her arms around her waist, “Let’s go.”

“Then Mr. Fu, Miss Gu, have a good journey, see you in the sea market!” Rong Shu smiled and waved.

The two walked away in a low mood.

Lu Qi closed the door and came back, “Baby, you are really amazing. Last time, the blue heart already smashed a piece of Fu Jingting’s wool, and this time it was a lot of smashed. When you saw those two go away, your face They’re all black, I’m dying of laughter.”

Rong Shu took the water cup by the bed, took a sip of water from the straw, “The opportunity to cut wool that came to the door, I won’t cut it white.”

“That’s true.” Lu Qi Hehe laughed twice, then looked at her seriously, “But baby, we really don’t want to pursue this matter?”

“Well.” Rong Shu nodded, “We can indeed send Gu Manyin to prison. But it’s not necessary, Fu Jingting is right, if we really do this, it will exacerbate the conflict between the Gu family and Tiancheng, and the Gu family may jump over the wall and try their best to suppress Tiancheng.”

At present, Tiancheng is too weak, and it is not the Gu family at all. opponent.

Therefore, she must not confront the Gu family head-on.

Lu Qi also understood the benefits and turned his phone, “Although it’s a bit regrettable, it’s not bad to be able to get so many things, especially that piece of land, if Gu Yaotian knew about it, I’m afraid he would jump up in anger. Rong Shu couldn’t help laughing when he heard his description. “

I heard long ago that Gu Yaotian is going to develop manor villas in Haishi. The purpose is to build the first villa area in Haishi. He really should be in pain.”

Lu Qi gloated over his misfortune, “Who told him to have a good daughter who cheated on his fiancé!

“
It seems to be true. The last time Gu Manyin slandered her and bumped into someone, not only ruining the recovery banquet carefully prepared by Gu Yaotian, but also losing the blue heart that Fu Jingting carefully prepared.

This time, Gu Manyin caused her to fall, Fu Jingting lost the trade port, and Gu Yaotian lost a piece of land.

Thinking of this, Rong Shu clicked his tongue twice, and suddenly felt some sympathy for Gu Yaotian and Fu Jingting.

“That’s right, baby.” Lu Qi approached her with a big face, “What do you plan to use that land for?”

Rong Shu raised her hand and slapped his face away expressionlessly, “To build a factory, we will Tiansheng also needs its own factory, and can’t always cooperate with other companies to make goods.”

That time in Hongmei Villa, she always remembered how difficult and impolite the group of Mr. Liang treated her.

She doesn’t want to go through the second time again, and she doesn’t want to beg people for goods.

“It’s amazing, baby, you think so long-term, yes, I support you.” Lu Qi patted Rong Shu on the shoulder.

“Thank you.” Rong Shu smiled, but it was rare that he didn’t throw his paws off.

The next day, the two returned to the sea market.

As soon as he got off the plane, Rong Shu immediately rushed to Tiancheng without meeting Tan.

Tan Wei sat down opposite her desk and looked at the bandage on her head in surprise, “Mr. Rong Fu, you are...”

Rong Shu touched the wound on her head, a cold look flashed in her eyes, and it was fleeting. Putting a cup of coffee in front of Tan Wei, he replied with a smile, “I was tricked by a mouse.”

“I see, I understand.” Tan Wei smiled lightly and didn’t ask any more questions.

Rong Shu took the document handed by Secretary Tong, "Mr. Tan, this is the acquisition contract of the sweetheart. Do you see if there is anything that needs to be revised?"

Rong Shu put the contract on the table, turned around, and pushed it to Tan Wei .

Tan Wei opened it and looked at it. Seeing that he did not participate in the internal management of the couple at the end, and did not change the company's signature, he finally nodded with satisfaction, "No problem."

Rong Shu smiled reassuringly and picked up one. He

unscrewed the pen and handed it to him with the nib facing him. "Then Mr. Tan can sign it. The finance department will transfer the money to Mr. Tan's account within half an hour." On the column, signed his name.

Since then, Jiaou has become a subsidiary of Tiansheng.

Rong Shu closed the document and handed it to Secretary Tong, "Keep it safe."

"Okay, Mr. Rong." Secretary Tong took the document and left.

Rong Shu stood up, "Mr. Tan, it's getting late, I'll invite you to lunch."

"No, I still have an appointment, next time." Tan Wei waved his hand and refused.

Rong Shu didn't try to force her back into the elevator before returning to her office.

At this moment, the inside line on the table rang.

Rong Shu released the mouse and picked up the microphone of the landline, "Hello?"

"Mr. Rong, Mr. Fu is here. What kind of land deed is he saying, do you want to see him?" Secretary Tong asked on the phone.

Rong Shu's red lips lifted slowly, "See, why didn't you see it, who is it?"

Unexpectedly, Fu Jingting was quite active. As soon as she came back, he sent someone to send the land deed.

"It's Mr. Fu's assistant Zhang."

"Please come in."

After hanging up the phone, Rong Shu stared at the door of the office.

Soon, the door opened, and Secretary Tong led Assistant Zhang in.

“Miss Rong.” Assistant Zhang stood in front of Rong Shu’s desk and greeted politely.

Rong Shu pointed at the chair with a smile, “Assistant Zhang, please take a seat, Secretary Tong, go and pour a cup of coffee for Assistant Zhang.”

“Yes.” Secretary Tong responded, and soon came back with a cup of coffee.

Assistant Zhang thanked her, then pulled out the chair and sat down, handing Rong Shu the two documents in his hand, “Ms. Rong, these two documents, one is the transfer letter from the trade port, and the other is the city center. Take a look at the title deed of that piece of land.”

“Okay, wait a moment for that assistant, and I will read it soon.”

After speaking, Rong Shu opened one of the documents and read it carefully.

Assistant Zhang sat across from him and looked at him secretly, the more he looked, the more surprised he became.

Unexpectedly, in just a short period of time, the former president’s wife has changed so much, her whole person has become dazzling and dazzling, and the lady Gu, who he always thought was beautiful and kind, has become sinister and vicious. .

What a shame!

Rong Shu felt Assistant Zhang’s scrutiny, but didn’t care, and quietly read the two documents.

After reading it, she closed it and put it aside, “Assistant Zhang.”

“Huh?” Assistant Zhang was stunned for a moment, then came back to his senses and pushed his glasses, “I’m sorry, Miss Rong, did you just call me?”

Rong Shu nodded with a smile, “I’ve read these two documents, thank you for coming here, and thank President Fu for me.”

“Okay, I’ll pass it on, then I’ll go first.” Assistant Zhang Stand up and say goodbye.

“Secretary Tong, send Assistant Zhang out.” Rong Shu looked at Tong Xi on the side.

“Assistant Zhang, please here.” Tong Xi made a gesture of invitation and sent the person out.

When she came back, she was surrounded by a group of colleagues.

“Secretary Tong, that’s Mr. Fu’s special assistant. Why did he come to our company? Did he come to find Mr. Rong?”

“Could it be Mr. Fu, let Zhang special assistant send something to Mr. Rong, go up. Next is mango, what is this time?”

“You said that President Fu and our President Rong are divorced, but they are still in contact with each other so frequently, shouldn’t they want to remarry?”

Listening to the gossip of a few people, Tong Xi was paralyzed and replied helplessly, “How do I know this? , alright, alright, don’t gossip about your boss’s affairs, go back to work soon, and you will be finished when President Rong comes out to check on the post.”

When everyone heard this, they stopped staying and quickly dispersed.

Tong Xi returned to Rong Shu’s office, “Mr. Rong, the person has been sent away.”

Chapter 62 Gu Yaotian is so mad

Rong Shu stood in front of the printer, copying the transfer letter and the title deed just now, and took the time to reply, “Understood, you can send the processed documents on the table. When Lu gets up in the afternoon, let me know.

” OK.” Secretary Tong came over and took away a stack of documents on the table.

After Rong Shu made a copy, she returned to her seat and sat down, sorted and bound the copy, and prepared the original to be stored in the safe.

Suddenly, she thought of something, and there was a gleam in her eyes. She picked up her mobile phone and took a photo of the original title deed, and posted it on the Internet.

Then, she gave Aite a look at Fu Jingting and Sansheng Group respectively. I believed that Gu Yaotian would jump with anger after seeing it.

If you don’t raise your godfather, what Gu Manyin did, Gu Yaotian, a father, should also take some responsibility.

Thinking about it, Rong Shu smiled slightly, hiding her merit and fame.

Just then, her cell phone rang suddenly.

Rong Shu looked down and saw that Li Chuan called without hesitation, and immediately put it to her ear to answer, “Xiao Chuan.”

“Sister.” On the phone, Li Chuan’s low and magnetic voice entered her eardrum, which was very pleasant.

Rong Shu heard itching in her ears, she couldn’t help shrinking her neck, “I’m done with work, why don’t you have time to call me?”

“Not yet, I just shot a set of magazines, it’s rest time, so it’s fine. I just read the news, I didn’t expect to see what you posted, sister, what do you mean by that news, Fu Jingting gave you a piece of land?” Li Chuan asked.

“Yeah.” Rong Shu leaned back on the chair.

Li Chuan frowned slightly, “Why did he give you land, sister, shouldn’t you and him…”

“What are you thinking about?” As soon as Rong Shu heard his tone, she knew that he was thinking crookedly, and explained in a dumbfounding manner, “This is He paid me for Gu Manyin.”

“For you?” Li Chuan was stunned for a moment, then his face became a bit cold, “Sister, did Gu Manyin do something to you?”

Rong Shu rubbed her brows and breathed a long sigh of relief, “Yeah, I didn’t expect her to be so bold.”

She briefly explained what happened in the resort.

After listening to Li Chuan, he clenched his hand holding the phone tightly, with a murderous look in his eyes, “Sister, how are you now?”

Although his expression was cold, his tone of voice was full of concern and tension.

Therefore, Rong Shu didn’t notice what was wrong with him, and replied warmly, “It’s okay, just a slight concussion, it will be fine in a few days.”

“That’s good.” Li Chuan pulled the corner of his mouth, “Okay, sister. , I’m starting work here, let’s not talk for now.”

“Okay, work hard, goodbye.” Rong Shu nodded.

“Goodbye!” Li Chuan put down his phone and sent a text message with a blank face. I have something to do and I need you to do it…

The person on the other end will reply soon and receive it!

Li Chuan looked at Rong Shu’s smiling face on the mobile phone wallpaper, and rubbed his thumb lightly.

He was once in the dark, and finally there was light in his life.

Whoever dares to hurt his light, he will make that person pay the price!

Sansheng Group.

Gu Yaotian was in a meeting to explain the development of the first villa area to the senior shareholders. The assistant suddenly pushed open the door of the conference room and entered, "Mr. Gu,

something happened!" road.

The assistant couldn't make it public, so he whispered in Gu Yaotian's ear.

Gu Yaotian's face changed suddenly, "Really?"

"It's true!" The assistant nodded heavily.

Gu Yaotian's old face flushed, and he slapped the conference table, "That woman is so daring!"

He stole the piece in the city center, not to mention the land he was going to use to develop the first villa area, and he dared to post it on the Internet.

This shows that he is deliberately provoking and humiliating him!

"President Gu, what happened?" A senior executive asked curiously when he saw Gu Yaotian's face full of anger.

Gu Yaotian took a deep breath, barely suppressed the anger in his heart, and replied with a calm face, "It's nothing, the meeting is put on hold for the time being, let it go!"

After speaking, he turned and left the conference room.

On the way, Gu Yaotian called Fu Jingting and asked, "Jing Ting, did you give your ex-wife the land in the city center?"

Fu Jingting was in the clubhouse at the moment, answering Cheng Huai's invitation.

There was some noise in the box, he couldn't hear clearly, so he got up and walked towards the balcony, and then replied, "Did Manyin tell you?"

Gu Yaotian's eyes widened when he heard this, "Manyin also knows what you said. "

Huh." Fu Jingting nodded.

“What’s the matter with you?” Gu Yaotian became more and more confused, his face was full of displeasure, “Why did you give the land to that woman, Rong Shu, that woman also posted the title deed to Aiteme on the Internet. , actually hit me in the face, do you know that?” In the

huge sea market, who didn’t know that he had already taken a fancy to that piece of land.

Rong Shu’s woman did such an operation, and those people in the circle might not know how to laugh at him!

Fu Jingting narrowed his eyes.

Rong Shu actually posted the title deed online?

“Jing Ting, are you still there?” Gu Yaotian asked in a louder voice.

Fu Jingting retracted his thoughts, his thin lips moved slightly, “I’m here, sorry uncle, I didn’t know Rong Shu would do this.”

Gu Yaotian snorted dissatisfiedly, “Tell me, why did you give her that land, could it be you? to her Does this ex-wife miss you? Fu Jingting, let me tell you, don’t have any unreasonable thoughts, you and Man Yin are a couple, and you will be engaged by the end of the year! For

some reason, Fu Jingting felt inexplicably conflicted when he heard him reminding him that he and Gu Manyin were getting engaged.

But he didn’t go into the reason, he just thought he was too tired recently, pinched the bridge of his nose, and said in a deep voice. Said, “I know, I have no idea about Rong Shu, I gave her the land for Man Yin, uncle, this time Man Yin almost got into trouble. “

“Oh? Gu Yaotian’s expression became serious, “Jing Ting, tell me, what’s going on?” “

Manyin poured the body lotion in front of Rong Shu’s door, almost killing Rong Shu. Rong Shu got the handle and wanted to send her to jail. It was me who exchanged a trading port and that piece of land to calm down.” about this matter. “Fu Jingting said succinctly.

Gu Yaotian opened his mouth, and it took a long time before he made a sound, “I see, Jing Ting, I’m really sorry to trouble you. “

It’s nothing, I hope my uncle will have a good talk with Manyin, and don’t do those things again in the future. I can clean it up for her for a while, but not for the rest of my life, do you understand?” Fu Jingting’s face was cold, and in his deep eyes, there was an incomprehensible emotion. Gu Yaotian

heard the warning in his tone, and his heart suddenly burst, and he understood that he was a little dissatisfied with Manyin. Yes,

Manyin He has always been kind in his heart, and suddenly doing this kind of thing is really shocking and disappointing, otherwise he wouldn't say such a thing.

This clearly means that if Manyin does similar things in the future, he will have to follow up with him. Man Yin is different, after all, no man wants to marry a wife with a bad heart, for fear that one day he will be stabbed to death by his wife in his sleep.

"Okay, Jing Ting, don't worry, I will definitely have a good talk with Man Yin. Gu Yaotian hurriedly agreed.

Then, he put down his cell phone and instructed his assistant with a gloomy expression, "Prepare the car and go home!" "

Chapter 63 Gu Yaotian's Anger

Half an hour later, Gu Yaotian returned to Gu's house.

The housekeeper came up to meet him, Gu Yaotian handed over his coat, "Where are the madam and the young lady?"

"The madam and the young lady are in the room." The butler answered with the coat on his arm.

Gu Yaotian snorted and walked upstairs.

In the room upstairs, Mrs. Gu and Gu Manyin were sitting at the end of the bed, looking at the album next to each other.

Gu Manyin pointed at herself in the photo, "Mom, do you still remember this photo?"

Madam Gu lovingly stroked her long hair, "Of course I remember, this is the photo you took when you were six years old, I still remember that year when you played hide-and-seek, and my mother couldn't find it no matter how I looked, but I scared my mother to death and thought you were gone, but you hid in the attic and fell asleep."

"I know, after I woke up, I When you came down from the attic, you found your mother crying and called the police." Gu Manyin recalled.

The smile on Mrs. Gu's face faded a little, and there was even a trace of hatred in her eyes.

If she couldn't find the child, could she not cry and call the police, because she thought that the youngest daughter was also kidnapped by Rong Hao.

Fortunately, in the end, it was just a false alarm.

Gu Manyin turned to the next page, and suddenly, a yellowed photo fell from the album to the ground.

She bent over to pick it up. The picture was of a baby, about a few months old, grinning and smiling. It was so cute that people liked it at first sight.

But for some unknown reason, Gu Manyin didn't like it at all. Instead, he was a little bit against the baby in the photo, and even hated it.

But she didn't show it. She showed the photo to Mrs. Gu and asked with a smile, "Mom, is this my sister?"

Mrs. Gu stroked the eldest daughter in the photo and nodded with wet eyes, "Yes, she is your sister's love. ."

Gu Manyin looked at Madam Gu's thoughts about the baby girl, and couldn't help but feel a little jealous.

She took the photo back and put it back into the album.

Then he took Mrs. Gu's arm, put her face on Mrs. Gu's shoulder, and said coquettishly, "Okay mom, you feel sad every time you mention my sister, so we won't mention my sister, I believe my sister doesn't want to see you, mother. I'm not happy."

A dead man actually dared to steal her mother's attention from her.

There are no doors!

"Okay, don't mention it." Madam Gu didn't know Gu Manyin's purpose, she thought that her little daughter really cared about her, and smiled dotingly.

At this moment, the door opened and Gu Yaotian walked in with a dark face.

Gu Manyin was the first to spot him, so she released Madam Gu and waved to him, "Dad."

However, Gu Yaotian only gave her a light look, but ignored her.

Gu Manyin's expression froze for a moment, then she bit her lip aggrieved, "Dad, did I do something wrong?"

"Yes, husband." Madam Gu looked at her husband dissatisfiedly, "Why are you so indifferent to the child, and the child is I didn't offend you."

"Who said no, you ask her what she did!" Gu Yaotian pointed at Gu Manyin.

Madam Gu immediately looked at Gu Manyin.

Gu Manyin also looked puzzled.

Seeing that she really didn't understand, Gu Yaotian didn't give a shit anymore, and said with a cold face, "I already know about your plot to kill Rong Shu in the resort."

Gu Manyin's eyes flashed with a guilty conscience, "Dad, how can you do that? Do you know?"

"How would I know?" Gu Yaotian snorted, "People have posted that piece of land online and slapped me in the face, how can I still not know, just tell me about you, and you will use your plan. It's a trick, let someone catch the handle and pay the land, you're just..."

He couldn't say what he said in anger.

Gu Manyin bowed her head knowingly.

Mrs. Gu hugged her distressedly and complained to her husband, "It's alright, it's just a piece of land, what are you murdering a child for?"

Isn't it just a piece of land?

Gu Yaotian trembled with anger at his wife's words, "Do you know how important that land is to us, our funds have already been invested, and we can start construction after Jingting gives us the land deed. No, all projects must be stopped, and we can't afford to pay for the loss!"

In recent years, Sansheng Group has gradually declined, so he wanted to develop a first villa area, which will bring Sansheng Group back to its peak.

But now, it's all in vain.

Gu Manyin didn't understand what was going on in the shopping mall, so she didn't think the problem was a big one. She stood up and said calmly, "Jing Ting said that the land in the north of the city will be given to you."

Gu Yaotian almost fainted, "That land in the north of the city will be given to you. What can I do with this piece of land, in the wilderness, who will buy the villa where I build it, if it can't be sold by then, it will lose money!"

Is it that serious?

Gu Manyin finally panicked, "Dad..."

"Don't call me Dad." Gu Yaotian began to say nothing, "Several times against others, they have been caught by others and asked for benefits, this time you are even more. It was Sansheng who pushed the Gu family to the edge of the cliff, so stupid, it really wasn't my kiss..."

"Husband!" Madam Gu's expression changed and she interrupted him quickly.

Only then did Gu Yaotian realize that he almost said the wrong thing, he closed his mouth in time, and reopened after a while, "Anyway, during this time, you just need to get around Jing Ting, I will take action at Rong Shu, you Don't make any more shots, lest she be pinched again, do you hear?"

Gu Manyin lowered her eyelids, "I heard."

Gu Yaotian stopped talking and left.

After he left, Gu Manyin took Madam Gu's hand, "Mom, what did Dad mean when he said that just now, not a kiss?"

There was a voice in her heart telling her that this sentence must be made clear.

Otherwise, the result must be unbearable for her.

Mrs. Gu's eyes flashed for a moment, and she quickly sorted out her expression. She brushed Gu Manyin's hair with a smile, "It's nothing, your dad is talking nonsense, don't worry about it, alright, you rest first, don't you have to follow Jing at night? Are you going out to dinner, mom, go and coax your dad."

After she finished speaking, she also left.

Gu Manyin looked at the door, her eyes dark and unclear.

Since her mother is not going to tell her, she will check it herself, she can always find it.

And Rong Shu, who didn't kill him last time, let Rong Shu escape, but he won't be so lucky next time!

...

Tiancheng Group, Rong Shu and Lu Qi just came out of the conference room after the meeting, when Tong Xi stopped them in front of them.

She first glanced at Lu Qi secretly, and after covering the emotion in her eyes, she reported to Rong Shuhui with a serious face, "Mr. Rong, Sansheng Group just called and said that they want to see you, President Gu."

"Gu Yaotian wants to see me?" Rong Shu raised his eyebrows.

"Yes, he's on his way now."

Lu Qi sneered, "Baby, he didn't even give you a chance to refuse. By the way, did he say what he did when he saw the baby?"

"That's not true." Tong Xi shook his head and replied, his tone was a little softer than when he was speaking to Rong Shu.

But neither of them heard it.

Rong Shu nodded, "In that case, let's meet, Secretary Tong, you go make tea first."

"Okay." Tong Xi nodded.

Rong Shu and Lu Qi walked towards the office.

On the way, Lu Qi touched his chin and guessed, "Gu Yaotian came to you, isn't it because of that land?"

"It should be, apart from this, I don't think there is a second reason." Rong Shu pushed open the office door.

Lu Qi took a step behind and closed the door, "I see, he probably wants to take the land back."

Rong Shu smiled, and just in time to answer, Secretary Tong pushed the door open a crack and came in, "Mr. Rong, President Lu, President Gu is here."

Chapter 64

"It came quite fast." Lu Qi turned the wheel of the chair, looking lazy.

Rong Shu closed the document in his hand and put it aside, "Please come in."

"Yes." Tong Xi replied.

Soon, Gu Yaotian came in and looked at Rong Shu sharply.

Rong Shu has become accustomed to confrontation in the workplace, so she is not nervous, she makes a gesture of invitation with a faint smile, "President Gu, please take a seat."

"You are stable!" Gu Yaotian said with a compliment, and pulled away. Sit down on the chair opposite her.

And Lu Qi was sitting beside Rong Shu.

Rong Shu gently pushed the tea brought by Tong Xi to Gu Yaotian, "Thank you for your compliment, Mr. Gu, please use tea."

Gu Yaotian glanced down at the tea in front of him, and didn't mean to bring it up to drink.

Rong Shu didn't care, and put her fingers on the table, "I don't know what is the purpose of Mr. Gu's coming to Tiancheng?"

"Since you have already asked this question, let me just say it straight, the land in the city center, I want to take it back." Gu Manyin stared at her.

Rong Shu Yuguang looked at Lu Qi, and quickly took it back, smiled, "Take it back? I'm afraid it won't work, after all, the land has been transferred, it belongs to me completely, not it belongs to Mr. Gu, how can Mr. Gu say take it back."

Gu Yaotian also realized that what he said was inappropriate, and immediately changed his words, "Miss Rong misunderstood what I meant. I didn't mean to take it."

Speaking of this, he was a little angry.

Obviously, he could have gotten this piece of land for free, but just because Manyin got that place, the free money became money, which really made people vomit blood.

"So that's the case, it seems that I misunderstood." Rong Shu gently pinned the hair that fell from the left side of her face behind her ear, "Then how much is Mr. Gu going to pay to buy it back?"

"I Mingren don't speak secret words, one hundred million." Gu Yaotian looked at her and raised a finger.

Lu Qi rolled his eyes and finally couldn't help but speak, "President Gu, you have to buy back the land in the city center for 100 million yuan. Are you kidding me? You also said that your Sansheng Group went bankrupt and couldn't make any money. ?"

Gu Yaotian listened to his sarcasm, his old face sank, "Mr. Lu, you will be legally responsible for talking nonsense!"

Lu Qi was not afraid of this, and pouted, "Why did I say something wrong, otherwise what would you do? If you only take 100 million, who are you looking down on!"

"President Gu, I'm on Aqi's side on this point, 100 million is too low!" Rong Shu picked up the tea in front of her and sipped it lightly. With a sip, he said with a smile.

Gu Yaotian also knew that the price he gave was really not enough, and was silent for a few seconds, "Then how much do you want?"

"One price, 2 billion!" Rong Shu put down the teacup and gave a number.

Not to mention Gu Yaotian, even Lu Qi was stunned.

Gu Yaotian patted the table and stood up, "Ms. Rong, 2 billion, you are really a lion."

"I admit, my price is a bit high, but it's not too high, it's in the city center. , the initial estimate is about 1.5 billion yuan, and when the surrounding development becomes more prosperous in the future, the price of the land will only go up, 2 billion yuan is not much." Rong Shu looked at him with a smile and said.

Gu Yaotian laughed in anger, "Who knows how many years later the price of the land will rise to 2 billion, and now you Rong Shu asked me for 2 billion, can I think that you do not want to sell it to me on purpose? Rong Shu shook her head, "

No, as long as Mr. Gu gives me this price, I will give you the land deed immediately, but Mr. Gu, you don't want to give it, so that's why I feel like this, if that's the case, then I'll keep building the factory myself. Right."

"Then I want to see if your factory can be built smoothly!" Gu Yaotian snorted coldly.

Rong Shu narrowed her beautiful eyes, "Mr. Gu, are you threatening us?"

Gu Yaotian didn't answer, turned and left.

Lu Qi looked at the door he slammed shut, "Baby, are you really playing with him?"

"No." Rong Shu continued to drink tea calmly, "What I said is true, as long as He gave me so much money, and I sold the land to him, he couldn't afford it, so I can't help it."

Lu Qi circled her, tsk tsk, "It's only been so long, baby, you It has evolved into a fox in the shopping mall, 2 billion, not to mention Gu Yaotian can't afford it, even Fu Jingting can't take out so much liquidity at once."

"So, I'll keep it for myself." Rong Shu smiled.

Suddenly, the phone on the table rang.

Rong Shu put down the teacup, took a look at the caller ID, and frowned, "Hello."

"I'm sorry, Mr. Rong, there is something wrong with our company's engineering team, and we may not be able to help you build the factory. Find another home."

The person on the other end hung up the phone, not giving Rong Shu a chance to speak at all.

"What's the matter, baby?" Lu Qi asked with concern, seeing that her face was bad.

Rong Shu's lips moved, but before she could speak, the phone rang again, this time from the machinery company.

"Hey, is that Miss Rong?"

"I am." Rong Shu clenched her phone tightly and replied two words in a low voice, already guessing what the other party was going to say next.

"That's Miss Rong, our machinery factory has recently received a big overseas business, and we may not be able to assemble the machine for you. I'm really sorry, please forgive me."

After speaking, this person also hung up the phone. As if Rong Shu was some kind of beast, if he hung up slowly, he would be entangled.

"Baby, what's going on?" Lu Qi's face became more and more ugly, and her whole body became anxious.

Rong Shu slowly put down the phone, her face as cold as ice, "Gu Yaotian ruined the engineering team and machinery company we found in order to prevent us from building the factory smoothly."

"What?" Lu Qi angrily slammed his fist on the table, "That old dog is too shameless to actually engage in such an underhand trick, no, I'll contact another family to try it."

"I'm afraid it's useless, Gu Yaotian is trying to stop us . . . , I will definitely notify other families." Rong Shu squeezed the palm of her hand.

Lu Qi was silent for a moment, "Anyway, let's give it a try."

After speaking, he walked aside and started to call.

Rong Shu tiredly rubbed his eyebrows, then opened the circle of friends and posted his mood at the moment.

Just when she finished posting, just as she was about to put the phone down, a message suddenly popped up above the phone.

en what's wrong?

It's him!

Rong Shu's heart skipped a beat, and she didn't know what was wrong with her. When she saw that the person who sent the message was this zh, she felt inexplicable.

But Rong Shu didn't think much about it. After taking a deep breath, she typed and replied what happened?

zhYour circle of friends.

Rong Shu suddenly realized that the other party saw her circle of friends and then sent a message.

With a warm heart, Rong Shu smiled back and said, are you caring about me?

Seeing this sentence, Fu Jingting pursed his thin lips.

He didn't know why he ran to ask her when he saw her news, and when he reacted, the message had already been sent.

As for the withdrawal, it is only three hundred taels of silver here. The other party can still see it and will ask him what he posted, so it is better to leave it like this.

zh You say yes.

Rong Shu, then I will treat you as you.

zh eh.

Rong Shu replied that you really want to know what happened to me just now?

Fu Jingting's eyes flickered slightly, but you can choose not to say it.

Rong Shu said, why not say it.

She smiled a little, and for some reason, she subconsciously regarded the other party as a listener, and spoke out Gu Yaotian's troubles just now in her voice.

Chapter 65

After hearing this, Fu Jingting frowned, feeling a little tired of Gu Yaotian's actions for the first time in his heart.

It is a bit despicable to use this method to suppress just because the land has not been purchased.

Suddenly, the phone vibrated again.

Fu Jingting collected his thoughts and looked down at the screen. It was Rong Shu who sent a message again. You said, what should I do now?

At the end of this sentence, there is a little man sighing and sighing, which is very cute.

Looking at this expression, Fu Jingting inexplicably replaced this little man's face with Rong Shu's face.

Maybe she is like this at the moment.

But soon, Fu Jingting realized that he thought something he shouldn't have thought, and his face became cold.

What does Rong Shu look like at the moment and what does it have to do with him!

What does he want to do with this?

en: I don't know.

Looking at this reply, Rong Shu felt a little disappointed in her heart.

Last time, this person helped her come up with an idea, so that she could successfully acquire a sweetheart. This time, she didn't know what she was thinking. She subconsciously regarded the other person as someone who could ask for help, and wanted to try to ask him. Is there any way.

But now she suddenly realized that her mentality was wrong.

"Rong Shu, the more you live, the more you go back!"

Rong Shu patted her face, then picked up her phone again and typed sorry, I just asked casually, don't worry, my friends and I will find a way by ourselves .

friend?

Fu Jingting narrowed his eyes Boyfriend?

Rong Shu glanced at the balcony, yes.

He is Cheng Huai's friend, so it's not surprising to know that she has a boyfriend.

It's just that they didn't know that Lu Qi's boyfriend was fake.

Seeing Rong Shu's admission, Fu Jingting felt inexplicably irritable and unhappy. He pulled his tie and typed, and it was not difficult to successfully build a factory!

"Huh?" Rong Shu stood up in surprise.

What happened to this person, didn't he just say that there is no way.

Why now...

Without thinking too much, Rong Shu immediately asked in a voice, "What can I do?"

Hearing the urgency and reliance in her tone, Fu Jingting's knitted brows relaxed a little, and the irritability in his heart eased a lot.

zhRecently, the relevant departments plan to build a cultural museum to display the world's famous cultural relics and treasures. The location is selected in the sea market, but no suitable land has been found. If you want to build a factory, you will not need such a large piece of land, you can give half of it to the relevant departments .

When Rong Shu was mentioned this way, he suddenly burst into tears and laughed, "Yeah, I can divide the land in half to exempt the relevant departments from rent for a few years, and then I can use this favor to apply to the relevant departments for an engineering team. Come and build the factory, can't you do it!"

This means that her factory was built by the state, and even if Gu Yaotian wants to make trouble, it depends on the state's answer.

At the same time, she can also ask the relevant departments to help introduce a machinery factory, killing two birds with one stone.

The smile on Rong Shu's face became more and more intense. Because of her happiness, her voice became a little more lively, "Thank you, you helped me again." It's

nothing.

Rong Shu thought for a while and asked, "By the way, I've talked with you so many times, but I still don't know your name, how should I repay you."

However, after the words were sent, the other party didn't reply.

Rong Shu guessed that the other party might not return, sighed, and exited the chat interface.

At this time, Lu Qi came in from the balcony after calling, with an angry expression, "Baby, you really got it right, that old fox Gu Yaotian really said hello to all the engineering teams and machinery factories in Quanghai City, and let them do our business, it's useless to say anything, I'm really pissed off!"

Rong Shu saw that his voice was hoarse on the phone, so he got up and poured himself a glass of honey water, "Don't be angry, it's already there's a way."

"What way?" Lu Qi asked immediately, holding the honey water, not bothering to drink it.

Rong Shu explained the method.

Lu Qi patted his thigh, "This method is absolutely perfect, baby, how did you think of it?"

Rong Shu shook her head, "It's not what I thought, it's a friend."

"Friend?" Lu Qi looked at her suspiciously, "And again the one who gave you the idea to buy your sweetheart last time?"

"It's him." Rong Shu nodded.

Lu Qi put down the water glass, "Honey, tell me honestly, who is that person, what is your relationship with him, and why does he help you over and over again?"

Rong Shu lowered her head when asked by her friend. Eyelid, don't know how to answer.

After all, what happened that night, even if it was an accident, she couldn't tell.

"Okay, okay, why are you asking so many questions, let's drink it, and we'll go to the relevant department after drinking it." Rong Shu changed the subject.

Lu Qi could see that she didn't want to say it, and he didn't force it. He followed her words and continued, "I know, I know, don't rush." ??The

two of them quarreled for a while before leaving Tiancheng.

On the other side, in the clubhouse box.

After Cheng Huai finished singing, he saw Fu Jingting sitting alone in a dark corner from a distance, so he walked over with two glasses of red wine.

“Why, from just now until now, you are either calling or looking at your mobile phone. I asked you out to relax, not to keep you busy with work.” Cheng Huai handed a glass of wine over as he spoke.

Fu Jingting took it and took a sip, “I’m not busy with work.”

“Then what are you doing?” Cheng Xi sat down, stretched out his head and looked at his phone, his mouth widened in surprise, “Isn’t this your ex-wife? , are you chatting with your ex-wife?”

Cheng Huai looked at him in disbelief.

Fu Jingting’s expression remained unchanged, and he replied indifferently, “She doesn’t know it’s me.”

“So you deliberately concealed your identity to approach her and contact her?” Cheng Huai’s eyes became even more strange.

Fu Jingting tilted his head and glanced at him coldly, “No!”

“Then you are...”

“Okay.” Fu Jingting rubbed his temples and interrupted him impatiently, “I remember, you have one Uncle is in the relevant department, right.”

“Yes, what are you doing?”

“Rong Shu may go to the relevant department to apply for an engineering team. You ask your uncle to make it easier for her.” Fu Jingting took a sip of wine Say.

Cheng Huai had a strange expression, “No, you helped Yu Tu’s cooperation last time, and this time you helped her again. Don’t tell me what you think, don’t tell me that you can’t let go of your ex-wife by doing this.”

Fu Jingting frowned. The voice was cold and indifferent, “You think too much, I did this just because Man Yin hurt her, I just made up for her.”

“Is that really the case?” Cheng Huai looked at him.

Fu Jingting’s thin lips pursed unpleasantly, “Then what do you think it is?”

“I thought you were interested in her.” Cheng Huai whispered.

He heard Gu Yaotian’s call just now, and he also knew how Gu Manyin hurt Rong Shu, and also that Fu Jingting gave Rong Shu huge compensation for Gu Manyin.

So now that the compensation has been paid, Fu Jingting doesn't need to make up for Rong Shu at all, but Fu Jingting still does it. This obviously shows that Rong Shu is a little different in Fu Jingting's heart. With Gu Manyin, it seems that in the future There is a good show to watch.

Thinking, Cheng Huai smiled interestingly, put down the wine glass, "Okay, I'll call my cousin now."

Fu Jingting snorted, grabbed his jacket and stood up from the sofa, "I'll go first. "

It's still early." Cheng Huai looked at his back.

Fu Jingting kept walking, "I'll go to Gu's house to pick up Manyin and come out for dinner."

Cheng Huai didn't hold back when he heard it, and put the phone to his ear, "Hey, Uncle Tang..."

Chapter 66

Rong Shu did not expect that the talks with the relevant departments would go so smoothly, but within an hour, the contract was signed.

In order to thank Rong Shu for her free land use rights for several years, the relevant departments promised to help her build the factory and arrange the machinery.

After walking out of the relevant departments, it was already dark.

Rong Shu's stomach growled.

Lu Qi heard it and took her by the shoulders, "Baby, how about we go eat steak?"

"Okay." Rong Shu nodded in agreement.

"Go!" Lu Qi hugged her and stepped up to the car.

Half an hour later, the two came to the most famous western restaurant in Haishi.

As soon as she entered, Rong Shu heard a familiar voice behind her, "Miss Rong, Mr. Lu, we meet again."

The smile on Rong Shu's face suddenly disappeared.

Lu Qi rolled his eyes, "Why are you again?"

It was Fu Jingting and Gu Manyin who came.

Gu Manyin smiled softly, "Mr. Lu doesn't want to see us?"

"It's good to know, why ask." Lu Qi spread his hands.

Gu Manyin's smile remained unchanged, and she was not angry.

Fu Jingting didn't speak, his eyes fell on the bandage on Rong Shu's head, his eyes dark and unclear.

Rong Shu felt it, gave him a strange look, and smiled, "Mr. Fu, you look at me like this, aren't you afraid that your fiancée will be jealous?"

Gu Manyin finally smiled when she heard this. Can't keep up.

She knew that Rong Shu's purpose was to deliberately provoke her and Jing Ting, but she could not deny that Rong Shu did not tell a lie, and Jing Ting had indeed been watching Rong Shu.

A trace of jealousy flashed in Gu Manyin's eyes, and her heart was even more blocked, but a smile appeared on her face again.

"What did Miss Rong say? How could I be jealous? You stand in front of me and Jing Ting, and it is normal for Jing Ting to look at you. Besides, Jing Ting has seen many female employees in the group. Jealous, how can you eat it, Jing Ting, don't you think?"

She took Fu Jingting's arm.

Fu Jingting felt that her hand was working harder, and frowned slightly, but did not pull out her arm.

"Miss Gu is really generous." Rong Shu pretended not to see Gu Manyin's forced smile.

Lu Qi yawned, "Okay baby, tell them what to do, aren't you hungry? Let's go to the box first."

"Well." Rong Shu nodded.

Lu Qi put his arms around her waist and followed the waiter.

Fu Jingting looked at the intimate backs of the two, his eyes sank, his thin lips pursed into a straight line, and there was an inexplicable urge to separate them.

But he finally held back, lowered his eyelids to cover the look in his eyes, and said to Gu Manyin, "Let's go too."

"Okay." Gu Manyin agreed with a smile.

On the way to the box, Lu Qi couldn't help but complain, "Baby, you said that Gu Manyin was jealous of you in her heart, so she had to pretend not to and put on a fake smile, do you think she is tired?"

"Are you tired from eating and sleeping?" Rong Shu asked without answering.

Lu Qi shook his head again and again.

Rong Shu smiled, "That's enough. Some people's disguise is just like eating and sleeping. It's a necessity for survival, so why are you tired?"

"Yes." Lu Qi pouted, and then thought of something, with a playful smile on her face, "Baby, if we take off Gu Manyin's mask, will she..."

"Okay." Rong Shu gave her an elbow, "She's not messing with her now. We, let's not do superfluous things."

Of course, as long as Gu Manyin provokes them, then of course it's another matter.

While talking, the box arrived.

The two ordered the restaurant's most famous steak, and halfway through the meal, Rong Shu wiped the corners of her mouth and stood up, "I'll go to the bathroom first."

"Want me to accompany you?" Lu Qi raised his eyebrows and teased.

Rong Shu smiled at him, "What do you think?"

Seeing Li Mang in her smile, Lu Qi shuddered and said, "Forget it, you go back early."

Rong Shu hummed, picked up the bag and went out.

After going to the toilet, she sorted out her clothes and went to the sink to touch up her makeup.

Suddenly, a compartment behind her opened, and Gu Manyin came out.

Seeing Rong Shu, she was stunned for a moment, then stepped forward with a smile, stood in front of the sink next to Rong Shu, and took out the makeup setting powder from her bag and slapped it on her face.

"Miss Rong, what a coincidence." Gu Manyin said hello while touching up her makeup.

Rong Shu was putting on her lipstick and replied lightly, "It's a coincidence, you can meet them in the toilet."

Gu Manyin closed the lid of the setting powder, looked up at the bandage on her head, "Miss Rong's injury, is it better?"

Rong Shu pursed the lipstick on her lips, without even giving Gu Manyin a look, "Thank you, I'm getting up early."

"Is Miss Rong still blaming me?" Gu Man His eyes suddenly turned red.

Rong Shu only thought it was a little ridiculous, she didn't care much about this woman, and the woman actually started to cry, giving the appearance of being bullied.

Fu Jingting's vision is really unique, he actually likes this kind of white lotus.

Of course, the one who fell in love with Fu Jingting, his vision was not much better, but fortunately, he has corrected it in time.

Rong Shu turned the lipstick back and covered it with a cold expression, and threw it into the bag, "How come, I have already received so much compensation, if I blame you, Miss Gu, I can't justify it, but I want to know. Why does Miss Gu say that I'm blaming you? Could it be that Miss Gu thinks I'm a careful person?"

"No." Gu Manyin waved her hands repeatedly, "I just think that Miss Rong's attitude is too indifferent, so I thought you were still blaming me."

Rong Shu turned her head to look at her, her smile not reaching the bottom of her eyes, "I am a person who has always had clear grievances. I am very enthusiastic about those I like, and naturally cold to those I don't like. So I can't figure out that Miss Gu also knows that I don't like you, so why do you want to come over and abuse you?"

As soon as these words came out, Gu Manyin clearly felt that someone in the bathroom was laughing. She couldn't accept it, and her face was red with anger.

Rong Shu looked back, "So Miss Gu, if you see me in the future, stay away from me, so as not to feel uncomfortable for yourself, don't you realize that you can't say anything about me or fight me every time?"

After she finished speaking, she zipped up her bag and passed Gu Manyin except for the bathroom.

Gu Manyin bit her lower lip stubbornly, looked sullenly in the direction Rong Shu left, and sneered in her heart.

Yes, she does lose all the time now.

But later, not necessarily.

Thinking about it, Gu Manyin grabbed her bag and went out too.

In the corridor back to the box, an ordinary waiter just happened to walk towards her. When he walked in front of her, the waiter suddenly took out a handkerchief and covered her nose and mouth.

Gu Manyin snorted, her eyes widened in horror, and she fainted before she could struggle.

After dinner, Rong Shu and Lu Qi prepared to check out and go back.

Just when the two of them stood up from their positions, there was a knock on the box door.

Lu Qi walked over and opened the door. Fu Jingting stood outside the door.

Fu Jingting's face was tense at the moment, his brows were also wrinkled tightly, and his eyes showed a little imperceptible urgency.

When Rong Shu saw it, she wondered if something had happened.

"What are you doing here?" Lu Qi stopped Fu Jingting and asked impolitely.

Fu Jingting ignored him and looked directly at Rong Shu through him, "Is Man Yin here?"

Chapter 67 Gu Manyin's Disappearance

Rong Shu raised her eyebrows, "You're looking for Miss Gu, why did you come to us to find her, isn't she with you?"

"That's right." Lu Qi echoed with his arms round.

Fu Jingting lowered his eyes, "She's not with me."

"Not here?" Lu Qi was stunned for a moment, and then laughed schadenfreudely, "What's the matter, lost?"

Fu Jingting didn't answer.

Lu Qi couldn't laugh anymore, and looked surprised, "Really lost?"

Rong Shu looked at Fu Jingting, "Miss Gu is gone, you come to us to find Mr. Fu, do you think we hid Miss Gu? "

Manyin hasn't come back since she went to the bathroom, only you and her have a conflict here." Fu Jingting looked at her.

Lu Qi laughed angrily, "Should we hide her if we have a conflict with her? Where does this claim come from? Whoever doesn't know what happened to her, everyone will be the first to suspect us. We only do that when we have a sick mind."

Fu Jingting pursed his lips and said nothing.

In fact, he also knew that it was unlikely that Man Yin was here.

So he came here just to try his luck.

"Mr. Fu." Rong Shu grabbed Lu Qi's bifurcated hem, pulled him aside, stepped forward and stood face to face with Fu Jingting, "I admit that I have seen Miss Gu in the bathroom before, but I am more She left first, so I don't know where she went, you can look at the surveillance cameras near the bathroom."

"I saw, there is no trace of Manyin in the surveillance cameras." Fu Jingting said with clenched fists.

When Manyin didn't return to the box, he called Manyin, but he couldn't get through. Then he asked the restaurant manager to send someone to look for him. After searching around, he couldn't find Manyin.

The strangest thing is that all the surveillance in the restaurant is working normally, but there is no shadow of Manyin, which is obviously not right.

Lu Qi pouted, "The surveillance didn't capture her, that means she avoided herself, and then hid, maybe she did it on purpose, she just wanted to make you anxious and test her position in your mind, It's not like Gu

Manyin can't do this kind of thing." Fu Jingting's face darkened suddenly, and his whole body was full of cold air.

Rong Shu gave Lu Qi a look and motioned him to shut up.

In front of people, it is said that the tip of a person's heart is a workman, isn't this also a work of death?

"I'm sorry, Mr. Fu, Aqi is just being unobstructed, don't mind." Rong Shu apologized not so sincerely, then raised her wrist and looked at her watch, "It's time for Aqi and I to

leave, Fu Fu. Boss , please take your time to find Miss Gu, I hope you find it soon, goodbye!”

After speaking, she smiled at Fu Jingting, took Lu Qi’s arm and left.

Looking at the figures of the two joking and playing, Fu Jingting’s eyes darkened and his heart was irritated.

In the past six years, she has always looked like she was dying to him. As a result, as soon as she got divorced, there were several men around her, and she smiled so brightly at these men. How could such a voluptuous woman compare? On the manga.

Thinking of his grandmother’s dislike of Man Yin some time ago, and his words to tell him not to regret his divorce from Rong Shu, he felt ridiculous.

Regret?

How can it be!

Throwing Rong Shu out of his mind, Fu Jingting took out his mobile phone with a cold face and made a call, “Have you found it yet?”

“No, I led someone to search all the places near the restaurant, and there was no sign of Miss Gu. Boss, why don’t we call the police?” Assistant Zhang stood at the door of the restaurant, scratching his hair and making a suggestion.

Fu Jingting clenched his phone tightly, his voice low and depressed, “It’s useless, now I’m not sure if Man Yin’s disappearance was an accident, so the police won’t accept it, only after forty-eight hours.”

“Then what should we do now?” Zhang The assistant looked left and right, shivering coldly.

Fu Jingting pondered for a moment, “Continue to wait around and ask someone around to see if you have seen Man Yin.”

“Yes!” Assistant Zhang nodded in response.

Fu Jingting put away his mobile phone, left the restaurant, and drove to Gu’s house.

Soon, the Gu family arrived.

Fu Jingting followed the housekeeper in, and Gu Yaotian and his wife just came downstairs. Seeing that he was the only one coming in, he asked in confusion, “Jingting, where is Manyin?”

Mrs. Gu looked behind him, "Have you come in yet?"

"Auntie, Man Yin is gone!" Fu Jingting glanced at Madam Gu and said solemnly.

Madam Gu was stunned, "What did you say, Man Yin is gone?"

Fu Jingting nodded.

Gu Yaotian's face sank, and he asked loudly, "Jing Ting, isn't Man Yin with you, why did she disappear?"

"During the meal, she went to the bathroom and never came back, so I sent someone to look for her. , I haven't found it till now, I suspect something may have happened to Manyin." Fu Jingting replied with a look of apology in his eyes.

Madam Gu rolled her eyes and fainted.

"Wife!" Gu Yaotian shouted, and hurriedly caught his wife's fallen body.

Fu Jingting also stepped forward to help.

The two helped Mrs. Gu to the sofa.

Gu Yaotian kept pinching Madam Gu.

Finally, Mrs. Gu coughed twice, woke up, beat her chest and wept bitterly, "My Manyin, husband, our Manyin is gone..."

"I know." Gu Yaotian took his wife in his arms and patted his heart in pain. "Don't worry, I will definitely get Manyin back!" The

phone rang as soon as he finished speaking.

Fu Jingting took out his cell phone, glanced at the caller ID, and put it to his ear to answer, "Hello."

"Mr. Fu, I found the clue to Miss Gu." Assistant Zhang's excited voice came from the phone, "I just asked from a passerby that Miss Gu was taken into a van by a masked man."

"The van?" Fu Jingting narrowed , "Immediately call the surveillance of the surrounding roads and find out the driving route of the van." "Understood

." Assistant Zhang nodded.

At the end of the call, Gu Yaotian and his wife stared at Fu Jingting, “Well, is there any news about

Manyin?” “Manyin was kidnapped.” Fu Jingting put down the phone and replied murderously.

When Madam Gu heard this, she cried even louder and almost fainted again.

Gu Yaotian’s face was also ugly, his cheeks were bulging with teeth, “Who dares to bind my daughter!”

“It’s not clear yet, when someone catches it...”

Gu Yaotian interrupted Fu Jingting with a gloomy expression. “When the person is caught, hand it over to me to deal with it, and I want him to live rather than die!”

He wanted to let the person know that his daughter, Gu Yaotian, was not so easy to tie up.

Now that you are tied, you must be aware!

Fu Jingting had no objection, “Uncle, let’s call the police first. Since it has been determined that Man Yin’s disappearance was caused by someone, the police can immediately file a case. After all, our manpower is always limited. With the help of the police, we should be able to find Man Yin faster. .”

Gu Yaotian felt it made sense, and was about to nod his head in agreement.

Mrs. Gu hurriedly stopped her, her voice was sharp, “No, I can’t call the police, absolutely can’t call the police, I don’t want to lose my voice anymore, I don’t want it!”

After speaking, she seemed to be stimulated by something, her body was shaking constantly, her face It was even more filled with horror, and it didn’t look like a normal lady at all.

Fu Jingting looked at Mrs. Gu like this, and his expression was slightly startled, “Uncle, aunt, she is...”

Gu Yaotian hugged Mrs. Gu tightly, coaxing her like a child, “Okay, we won’t call the police, we won’t call the police.”

Mrs. Gu listened, her body no longer trembled so badly, but the fear on her face, But it hasn’t dissipated yet.

Gu Yaotian stroked Mrs. Gu’s hair and sighed, “Your aunt is sick.”

Chapter 68 The Second Gift

“Illness?”

“Yes.” Gu Yaotian nodded, “Manyin should have told you that she has a sister, right?”

Fu Jingting hummed.

Gu Yaotian’s eyes burst with strong hatred, and his face was contorted, “Her sister is called Man Qing, the first daughter of your aunt and I. She was kidnapped when she was very young, and then the kidnapers were angered because we called the police. So the kidnapers drowned Manqing. From then on, your aunt’s mental state began to be in a trance, until...”

Gu Yaotian’s eyes flashed, “It wasn’t until Manyin was born that your aunt got better when she was comforted. Thinking of Man Yin being kidnapped this time, your aunt’s illness that hasn’t recurred in more than 20 years has relapsed again!”

Fu Jingting raised his chin slightly and understood everything.

This time, Mrs. Gu was also worried that the police would anger the other party, and she was afraid that the other party would kill Man Yin directly.

“If that’s the case, then I’ll contact a security company and hire a group of people to save

Manyin.” Fu Jingting was about to make a call, but the phone rang by himself, but this time it was Gu Yaotian.

Gu Yaotian let go of Mrs. Gu and took out his mobile phone. The caller ID was an unfamiliar number, and there was no obvious city.

Gu Yaotian hesitated for a few seconds, but he still answered, “I’m Gu Yaotian.”

“I heard you are looking for me?” A man’s soft, yet chilling voice came from the phone.

Gu Yaotian frowned, “Who are you?”

“Did you forget me so soon? I said last time that I have a second gift for you.” The man laughed, smirking. Knock, people get goosebumps listening to it.

Gu Yaotian suddenly remembered, his face changed greatly, and two words were squeezed out of his teeth, “It’s you!”

The fox man who made him remember last time!

Fu Jingting looked at Gu Yaotian suspiciously, "Uncle, what's the matter?"

Gu Yaotian's hand holding the phone trembled slightly and did not answer.

On the phone, the fox man smiled happily, "It's me, I heard that you were looking for me, so I took the initiative to show up, moved?"

"Who said we were looking for you?" Gu Yaotian blushed and had a thick neck.

He was ill to find this evil star.

"You are looking for the person who took Gu Manyin away, aren't you looking for me?" said the fox man badly.

Gu Yaotian stood up abruptly, "Did you kidnap Man Yin?"

Fu Jingting's pupils shrank, his eyes fixed on the phone in his hand.

Madam Gu was the most excited and grabbed the phone, "Who are you, why did you kidnap my daughter, please let my daughter go, I'll give you everything you want."

"Give me everything you want, Really?" The fox man said playfully.

Mrs. Gu nodded again and again, "Yes, as much as you want!"

"I don't want any money, as long as you give me the Sansheng Group, I will immediately let your daughter go. How about it?" The fox man smiled evilly.

Madam Gu's expression suddenly froze.

Gu Yaotian grabbed the phone back, "You're dreaming!" He

wanted Sansheng Group, but there was no door.

The fox man was not angry, "Just kidding, don't get excited, Mr. Gu, I didn't really want to use Gu Manyin for the entire Sansheng Group. After all, I know very well that her weight is not enough."

"Then you kidnap Manyin . What's the purpose of the sound?" Fu Jingting put his hand in his trouser pocket, clenched into a fist, and spoke with an endless chill in his voice.

The fox man was a little surprised, "It turns out that President Fu is also there." Fu

Jingting was not surprised that this person knew him. After all, this person had a grudge against the Gu family, and it was impossible not to understand the interpersonal relationship of the Gu family, so it was not surprising to know him.

“Answer me, your purpose!” Fu Jingting asked again.

The fox man stopped laughing, and his voice became gloomy, “My purpose is very simple, she hurt the person I care about most, then I will also make her pay a painful price.”

Hurt?

Fu Jingting lowered his eyes and thought.

Speaking of hurt, Man Yin really hurt one person recently, that is Rong Shu.

“So the person you care about is Rong Shu?” Fu Jingting’s fists in his trousers pockets were squeezed even tighter, and his body was full of low air pressure.

When he was in the restaurant, he was still thinking about how many men were by her side, but he didn’t expect another one to come. Maybe this wasn’t the last one, and maybe there were other men who didn’t show up.

It seems that before she got divorced, she built up a large group of men behind his back, which is really good!

“It’s Rong Shu, Rong Shu has harmed us Manyin!” Madam Gu’s eyes widened, and tears flowed out again, “Why, why can’t my two daughters escape the claws of Rong!”

Hearing this, Fu Jingting Eye color flashes slightly.

No wonder the Gu family hated the Rong family so much.

It turned out that Gu Manqing’s death was related to the Rong family.

“Mrs. Gu, you’re wrong about this. It was your daughter who hurt Rong Shu first, so don’t blame me for doing it to her, Mr. Fu, turn on the computer, I’ll show you your daughter, this is what I want to send The second gift for you.” The man said, and laughed again.

“Take the computer!” Gu Yaotian ordered angrily.

Soon, the housekeeper brought the computer.

As soon as Gu Yaotian turned on the computer, a face wearing a fox mask popped up on the computer screen, which startled Gu Yaotian and his wife.

Fu Jingting fixed his eyes on the fox man tightly, wanting to see if there were any tattoos or moles on the exposed skin of the fox man.

He could find the fox man based on these marks.

Unfortunately, the fox man was clean and had nothing.

“Where’s my daughter, didn’t you tell me to see my daughter, where is my daughter!” Madam Gu questioned emotionally, clutching both sides of the computer.

The fox man was sitting on a single sofa with Erlang’s legs crossed, holding a glass of red wine in his hand, and was shaking gently, “Don’t worry, Madam Gu, isn’t it coming!”

After speaking, the computer screen dimmed. For the second, the fox man is on the left, and Gu Manyin is on the right.

Gu Manyin was tied to a chair at the moment, her head was slightly lowered and there was no response, she must be in a coma.

And behind her, there was a muscular man standing with a mask on his head, so he could only see his eyes and mouth, but not all his appearance.

This scene almost made Mrs. Gu collapse, “Manyin!”

Gu Yaotian also stared at the fox man.

Fu Jingting asked with a frosty face, “What’s wrong with Manyin!”

“Don’t worry, she’s fine, Da, wake her up.” The fox man propped his head up and commanded lightly.

The big man behind Gu Manyin responded, then walked out of the camera and brought a basin of water, which splashed all on Gu Manyin.

“Ah!” Gu Manyin screamed and woke up.

“Manyin!” Madam Gu hurriedly shouted.

Gu Manyin was startled for a moment, then responded loudly, “Mom, is that you, mom?”

“It’s me, it’s me.” Madam Gu covered her mouth and cried.

Gu Manyin also cried, looking around while crying, “Where are you, Mom, why can’t I see you, I’m so scared, please help me.”

“Don’t be afraid, Manyin, Mom will save you. , and your father and Jing Ting, they will too.” Madam Gu said, pulling on the sleeves of Gu Yaotian and Fu Jingting, motioning for them to speak too.

Gu Yaotian said, "Manyin, don't worry, Dad will definitely save you."

"And me." Fu Jingting looked at Gu Manyin, who was extremely embarrassed on the screen, and tried his best to calm down, "You shouldn't have the camera on there, so you can't see us, but don't be afraid, we've been watching you all the time. What."

His parents and loved ones already knew that he had been kidnapped, and they were also discussing how to rescue him. The fear in Gu Manyin's heart finally eased a lot, and it was replaced by hatred.

Chapter 69 Doubt

"Tell me, what are you going to do to let my daughter go!" Gu Yaotian looked at the fox man in the computer fiercely.

The fox man put down the wine glass in his hand, "Don't worry, I won't do anything to your daughter. I said, I just let her learn some lessons. When she has enough lessons, I will naturally let her go."

After speaking, he snapped his fingers.

The masked man beside Gu Manyin threw away the basin in his hand, walked behind Gu Manyin, and began to put his hands on Gu Manyin.

Gu Manyin turned pale with fright, and kept shouting, "Let go of me, let me go, don't touch me, go away, go away woo woo... Jing Ting save me..."

Fu Jingting slammed his fist on the coffee table Up, his eyes were splitting and he roared, "Let go of Manyin!"

Madam Gu and Gu Yaotian also quickly begged the fox man to stop.

The fox man was unmoved, "It hurts to see your daughter and fiancée you care about getting hurt. Have you ever thought about whether my heart hurts when your daughter and fiancée hurt Rong Shu?"

Fox man mask A cold light flashed in his eyes, "Da, go on!"

“Yes.” The masked man responded, his hands went too far, and went straight into the hem of Gu Manyin’s clothes. Stop kneading.

“Bastard!” Fu Jingting couldn’t hold back the urge to kill.

Gu Yaotian and his wife were even more angry.

Gu Yaotian stared at the fox man, “If you dare to let people spoil my daughter, I swear, even if I fight for this old life, I will destroy Rong Shu. The big deal is that we will perish together!” The

fox man Instead of being angry, he laughed, “So from the beginning, I didn’t really want to let people spoil your daughter, but if she dares to do bad things to Rong Shu next time, don’t blame me for being serious, I promise to destroy you before you take action. Before I get rid of Rongshu, I will destroy the Gu family first, don’t doubt, you know I can do it.”

After speaking, the fox man cut off the video directly.

But in the next second, another sentence appeared on the computer desktop to save Gu Manyin. Please come here within half an hour. If she doesn’t come after half an hour, don’t blame me for letting people strip her and throw her there. on the street.

At the end of this sentence is a line of address.

Fu Jingting memorized the address of this line, and then immediately turned around and left Gu’s house.

Gu Yaotian knew that he was going to rescue Man Yin, and asked Mrs. Gu to stay at home, so he hurriedly followed.

Half an hour later, the two found the place where Gu Manyin was being held.

It was an abandoned industrial park, and Gu Manyin was locked in a warehouse.

When Fu Jingting led someone to find her, she was the only one left in the warehouse, and the masked man had already left.

Fu Jingting looked at Gu Manyin slumped in the chair with her eyes closed, her cheeks flushed, and she kept panting, and knew that she might have a fever.

With a sinking heart, Fu Jingting hurriedly stepped forward to untie the rope on her body, took off his coat and put it on her, and picked her up and walked out of the warehouse.

As soon as he walked to the door of the warehouse, Gu Yaotian hurried over, "How is Manyin?"

"You have a fever, you must go to the hospital immediately!"

After speaking, Fu Jingting ignored him and got into the car with Gu Manyin in his arms.

Soon, the hospital arrived and Gu Manyin was taken to the emergency room.

Lu Qi paid the fee and returned to the surgery with a mysterious look, "Baby, guess what I just saw?"

Rong Shu was sitting on the sofa, and a nurse was standing beside her, giving her a Wound dressing.

She couldn't move, she could only look at him sideways, "What did you see?"

Lu Qi grinned, "I saw Gu Manyin, she was taken to the emergency room, how is it, are you happy?"

"

Rong Shu rolled his eyes at him, then asked suspiciously, "What happened to her, why did she enter the emergency room?"

Lu Qi touched his chin and guessed, "I don't know that, but I looked at the faces of Gu Yaotian and Fu Jingting, I think the problem should be quite serious, maybe it was what happened to Gu Manyin during his disappearance, darling, why don't we go take a look?"

"No, this matter has nothing to do with us, we will leave it alone, if we go now, maybe there will be some trouble." Rong Shu said with a frown.

"That's what you said." Lu nodded.

After taking the medicine, the two walked out of the surgery and were ready to go back.

As soon as he walked to the hospital lobby, he was stopped by a deep voice, "Rong Shu!"

It was Fu Jingting!

Rong Shu stopped and turned around.

Fu Jingting walked from the toll booth with the payment slip, and stopped two steps away from her.

“Mr. Fu, it’s so late, what’s the matter?” Rong Shu smiled and looked at him.

Lu Qi looked at his watch impatiently, “That is, if you have something to say, hurry up, it’s almost ten o’clock, we have to go back to rest.”

Fu Jingting frowned when he heard the word “rest”. His cold face turned even colder, “I ask you, how many people did you tell about Manyin hurting you, and who are they?”

Since that fox man caught Manyin for Rong Shu’s sake, if Rong Shu made a breakthrough here, he should be able to find the fox man.

“Why are you asking this?” Rong Shu looked at him suspiciously.

Fu Jingting didn’t answer the question, “Answer me!”

“Hello.” Lu Qi stepped forward and stood in front of Rong Shu, “Mr. Fu, you don’t answer the baby yourself, but let the baby answer you, it’s too double. Let’s mark it.”

Fu Jingting ignored Lu Qi and looked at Rong Shu so deeply.

Rong Shu understood his eyes and felt a pain in her heart. She squeezed her palm and remained silent for two seconds before answering, “One, I will tell Li Chuan.”

Li Chuan?

Fu Jingting’s eyes narrowed, and he quickly remembered that it was the model who followed her some time ago.

“What about you?” Fu Jingting turned his gaze from Rongshu to Lu Qi’s face.

Lu Qi laughed angrily, “Fu Jingting, you fucking interrogate prisoners. You asked one after another, did you have...”

“Aqi!” Seeing that Fu Jingting’s whole body became cold, Rong Shu tugged Lu. Qi Qi, “Answer him.”

Although Lu Qi was unwilling, he still listened to her words and replied in a bad tone, “None of them, you are satisfied with the answer, baby let’s go, he is ill, he asked inexplicably These!”

With that, he pulled Rong Shu away and walked towards the hospital gate.

Fu Jingting didn’t stop him either, he just stood there and watched them go away.

At this time, Assistant Zhang came to him with his mobile phone, “Mr. Fu, you are here.”

“What?” Fu Jingting retracted his gaze from the door of the hospital.

Assistant Zhang replied, “Miss Gu came out of the emergency room. President Gu asked me to call you over there.”

“Understood.” Fu Jingting replied indifferently, and then ordered with pursed lips, “Check this person Li Chuan, I want to know if he is the fox man!”

Although he had only met Li Chuan once or twice, the one that impressed him the most was at Manyin’s recovery banquet. Look at the kind of woman.

This point is completely in line with the fox man’s concern for Rong Shu, and Rong Shu only told Li Chuan about the fact that Man Yin hurt her. All this Li Chuan is very likely to be the fox man.

“Understood.” Assistant Zhang replied with a serious expression.

Fu Jingting turned around and walked towards the elevator.

On the other side, in the car.

Lu Qi was still scolding Fu Jingting incessantly. Rong Shu in the co-pilot slapped him on the arm and said angrily, “Okay, shut up, you are making my brain hurt.”

Lu Qi pouted . , close your mouth.

Rong Shu rubbed his temples, “You’ve been talking about it for so long, can’t you really guess the reason why he asked these questions?”

Chapter 70 Fear of Pregnancy

“What’s the reason?” As soon as Lu Qi opened his mouth, he revealed his IQ, but he really didn’t guess it.

Rong Shu supported her forehead, then lowered her face and said, “Fu Jingting asked these questions, I am afraid it has something to do with Gu Manyin entering the emergency room, maybe Gu Manyin’s disappearance was kidnapped, and the person who kidnapped her may be We know each other.”

“Huh?” Lu Qi was taken aback.

Rong Shu pursed her red lips, “It’s been so long since Gu Manyin hurt me, but Fu Jingting asked us to tell a few people after Gu Manyin went missing and went to the emergency room. His meaning is already obvious. The suspicion is that we wanted revenge, and then people took Gu Manyin away.”

That's why, when she faced Fu Jingting's suspicious eyes, she felt a pain in her heart.

Hearing Rong Shu's analysis, Lu Qi instantly understood everything, and his eyes flashed, "This is over, you said at the time that you told Li Chuan about that, then Fu Jingting must think that Li Chuan kidnapped Gu Manyin. , Gu Manyin went to the emergency room."

"Actually, I was wondering if Xiaochuan did this, because apart from us, only Xiaochuan knows, no, I have to ask him."

She said from the bag He took out his mobile phone, dug out Li Chuan's phone number, and called.

Lu Qi Yuguang glanced at her secretly, and there was an unnoticeable guilt flashing in his eyes.

Soon, the phone was connected.

Li Chuan's tired voice came, "Sister, cough, it's so late, do you have anything to do with me?"

"Xiaochuan, are you ill?" Rong Shu heard the cough on the phone, her face suddenly filled with worry .

Li Chuan smiled weakly, "It's too cold here, and I'm shooting an outside scene again. Everyone caught a cold by accident, cough..."

"Have you seen a doctor? Have you taken medicine?" Rong Shu asked with concern.

Li Chuan's heart warmed, "I read it, I also took the medicine, don't worry, sister, it will be fine in two days, don't worry, cough..."

"How can I not worry, you cough like this, what if you cough up inflammation?" Rong Shu rubbed her cheeks irritably.

Back then, when she and her father went to Jiang County for funding for the first time, Li Chuan was sick. When he was little, he was lying on a tattered cot, his body curled up in a ball, and his cough was piercing. He was taken to hospital.

The doctor said that he had coughed up into pulmonary edema, and his lungs had also become inflamed. If he died later, it would be strange for her to feel relieved when she heard him coughing again.

"You will send me the address in a while, and I will send you some medicines suitable for your physique." Rong Shu said in a tone of indifference.

Li Chuan nodded with a smile, "Okay, I got it, sister." "Okay, let me ask you something." Seeing him being so obedient, Rong Shu's face finally improved a lot.

Li Chuan hummed, "Sister, ask."

"I told you the other day that Gu Manyin hurt me, do you remember?" Rong Shu frowned slightly.

Lu Qi pricked up his ears while driving.

A strange light flashed in Li Chuan's eyes, and he responded with a smile, "Remember, what's wrong?"

"Gu Manyin has been missing for a while tonight, and now he's in the hospital, Xiaochuan, tell me honestly, did you do this??" Rong Shu asked directly, without giving up.

The smile on Li Chuan's face remained unchanged, "No, I'm so far away from the sea market, how could I do this, sister, why do you think I did it?"

"It was Fu Jingting who asked tonight, all I thought was, yes It's not about you." Rong Shu spoke out the conversation between Fu Jingting and Fu Jingting in the hospital, and then pulled the corners of her mouth embarrassedly, "I'm sorry Xiaochuan, I shouldn't doubt you."

"It's okay, sister, I can understand, after all, Fu It's easy to think of me when you always ask like that, but I really didn't do it."

"I believe you." Rong Shu laughed.

Lu Qi wanted to give Li Chuan a thumbs up.

Sure enough, the gentle and harmless face this kid usually puts on is so fooling, so easy to make the baby believe.

But he couldn't deceive him. It was this kid who did this in all probability. After all, he knew the real face of this kid, but he had to praise him, he did a good job!

After that, Rong Shu exchanged a few words with Li Chuan and hung up the phone.

Rong Shu put the phone back in the bag, "It wasn't done by Xiaochuan, so I can rest assured that Fu Jingting can't do anything to Xiaochuan."

Lu Qi smiled and said nothing.

Rong Shu looked at the big pharmacy on the road in front, "Stop the car."

"You really want to buy medicine for him?" Lu Qi stopped the car and said.

Rong Shu nodded, "Of course, you wait for me here, I'll be back when I finish shopping."

"Go, go." Lu Qi waved his hand.

Rong Shu walked towards the pharmacy, carrying a small basket to choose a lot of medicines for colds or immunity. Li Chuan often shoots outdoor scenes. He travels all over the world, and the climate is different in each place. will get sick.

All resistance medicines are absolutely essential.

After choosing almost a basket of medicines, Rong Shu felt that it was okay, and was going to the cashier to settle the bill.

Suddenly, out of the corner of her eyes, she swept to Yu Ting on the shelf in front of her, causing her pupils to shrink.

She suddenly remembered that after that night, she didn't take any measures, shouldn't she

dare to think about it any more, Rong Shu stopped a clerk, "Hello, Miss."

"Do you need anything?" The clerk smiled. ask.

Rong Shu pointed at Yuting, "That...is it still effective after taking it every other day?"

"How long?" the clerk asked.

Rong Shu had already guessed the result in her heart, but she still wanted to reply with hope, "It's been almost half a month."

The clerk shook his head, "I'm sorry, miss, the time interval is too long to be effective."

Rong Shu grabbed the handle of the small basket, "Then I want to know if it can be detected in half a month. Am I pregnant?"

"No, at least a month."

"That's it, thank you." Rong Shu forced a smile.

"You're welcome." After the

clerk left, Rong Shu's eyes fixed on Yu Ting for a while, and then she went to checkout with a basket.

Seeing her coming out, Lu Qi got out of the car and took the bag in her hand. Just as he was about to ask her why it took her so long, she saw her bowing her head and walking past him, looking in a bad mood.

"Baby, what's the matter with you?" Lu Qi didn't care what medicines she had bought, and hurriedly asked behind her.

Rong Shu shook her head, did not answer, opened the door and got into the car.

Lu Qi stood outside the co-pilot for a few seconds, and then returned to the driver's seat. After throwing the bag in his hand on the back seat, he fastened his seat belt and looked at Rong Shu, "Darling, did someone bully you? "

No, I just thought of an annoying thing." Rong Shu leaned on the seat, pinched the bridge of her nose, and replied irritably.

How could she have forgotten about such a big thing as taking medicine at the time, but now that she thinks about it, it is already too late.

She was thinking, what if she was really pregnant?

"What troubles you, tell me, I will enlighten you?" Lu Qi asked with a smile.

Rong Shu waved his hands weakly, "Okay, you can't enlighten me, just let me take it slow, r hurry up and drive, I'm tired."

Seeing that she didn't want to say anything, Lu Qi shrugged his shoulders and didn't ask any questions. Yes, turn the car key to start the car.

Half an hour later, Repulse Bay arrived.

Rong Shu got out of the car carrying the bag, said goodbye to Lu Qi, and turned to go in.

When she got home, she took a shower, dried her hair casually, and fell asleep.

The next day, Rong Shu was still asleep when she was woken up by a hurried and rude knock on the door.
