Chapter 91 Media Containment

Fu Jingting's thin lips moved, and he was speechless.

Indeed, she only has a grudge against Manyin, so the only object of suspicion is Manyin.

"I will find out about this matter." Fu Jingting shook his shoulders and put on his clothes.

Rong Shu looked at him expressionlessly, "After checking it out? What would happen to you if Gu Manyin really did this?"

Fu Jingting's eyes darkened, "It won't be Manyin ." "Heh

. Rong Shu sneered, "You didn't answer me directly, so you didn't think about it yourself, did you?"

Fu Jingting's eyes flickered, "If Manyin did it, I'll ask her to apologize to you.

" Apologize?" Rong Shu rolled her eyes.

Fu Jingting frowned, "Then what do you want?"

"The above said that I intervened with you and Gu Manyin six years ago. If that's the case, if I don't do it, I'm sorry for the person who posted the news, so I want it. It's very simple, if Gu Manyin did it in the end, I want you to never be with Gu Manyin!"

Rong Shu looked at him with cold eyes, "Fu Jingting, do you dare to agree?"

Fu Jingting's pupils shrank slightly, but very He quickly returned to normal, "Do you have to do this?"

"Don't you dare to gamble?" Rong Shu asked him back.

Fu Jingting squeezed his brows, "Okay, I promise you."

"Then remember what you said, but don't say anything at that time." After Rong Shu finished speaking, she left with a cane.

She remembered that Lu Qi did not go to the front door, but walked towards the back door of the gymnasium, and also called the driver to pick her up at the back door.

However, when she came to the back door, she was still surrounded by a group of media.

“Miss Rong, please answer whether what is said on the Internet is true. Did you really intervene with President Fu and Miss Gu six years ago, and then make the plan to marry President Fu?”

“Miss Rong, are you unwilling to divorce President Fu and still want to get President Fu back?”

“Are you worthy of President Lu?”

“Miss Rong...”

Facing this group of reporters, it was like a cannonball. When asked, Rong Shu only felt a buzzing in his head, and said coldly, “I’m sorry, I won’t answer any of your questions now.”

“Miss Rong, are you not answering because of a guilty conscience?”

Rong Shu narrowed her eyes, looked at the reporter, “Since you think I’m guilty, why don’t you rush to ask me if I’m being cheap?”

“...” The reporter’s face turned red when Rong Shu said it, and he felt that he had lost face. There was a flash of resentment.

Rong Shu saw it, but ignored it, withdrew her eyes and said coldly, “Get out of the way! I’m leaving!” The

media just didn’t hear it. There are also some live broadcasts.

The audience in the live broadcast room kept posting barrages.

“Yo, being so arrogant, interfering in other people’s feelings, it makes sense to entangle your ex-husband.”

“Yeah, she’s anxious, she’s anxious.”

“Looking at such a beautiful young lady, why is her heart so bad.”

Rong Shu Seeing that the group of media refused to give way, anger rose in my heart, squeezed the palm of my hand, and took out my mobile phone, “Hey, is this the police station? I want to call the police. A group of reporters surrounded me when they didn’t have permission to interview, causing the I have a leg injury, I’m at the downtown gym, please come over immediately, thank you.”

After that, she put down her phone.

The media were dumbfounded and looked at Rong Shu in disbelief.

“Miss Rong, you actually called the police?”

“You came to contain me, but I can’t call the police?” Rong Shu replied with a smile.

The media choked for a moment, and then spoke in dissatisfaction.

“Then why do you say that your leg is injured, what does it have to do with us?”

“That’s right.”

The audience in the live broadcast room also felt that Rong Shu went too far, and actually framed it. Rong Shu snorted coldly, “It’s true that you didn’t hurt my leg, but so many of you surrounded me and wouldn’t let me go. I said it was one of you who got hurt. Who has any evidence to say it

‘s not?”

As soon as the words came out, the media began to step back.

They are here to interview, but if the person being interviewed is injured, it must be said that they did it. They cannot explain it clearly, and they will be held legally responsible.

I’m afraid I’m afraid!

Rong Shu saw that the group of media had given way as if to avoid the plague, and smiled coldly in her heart, and then walked towards the car with a cane.

On the other side, Fu Jinglin put on a sports jacket, and after asking the manager about Fu Jingting’s whereabouts, he came to the lounge.

“Big brother.” Fu Jinglin went in with the basketball in his arms. Seeing that there was only Fu Jingting inside, he quickly asked where is Sister Rong Shu? “

She’s gone.” “Fu Jingting looked at the phone and replied without looking up.

“Let’s go?” “Fu Jinglin pouted, feeling a little disappointed, “Why did she leave, she didn’t wait for me, I wanted to ask her how my fight was. Fu

Jingting raised his eyebrows and finally looked up at him, “When did your relationship with Rong Shu become so good? “

Fu Jinglin scratched the back of his head, “That is, recently, I found that she was different from the Rong Shu I knew. “

That’s true!

Fu Jingting nodded slightly in agreement.

Suddenly, his cell phone rang, and it was from Gu Manyin.

“Hey, Jing Ting, where are you, come out to pick me up, I was blocked by the media.
“Gu Manyin’s somewhat frightened voice came over the phone.

Fu Jingting stood up and said in a deep voice, “I’ll come out immediately. “

With that said, he mostly walked towards the door.

Seeing this, Fu Jinglin also followed.

When he came to the main entrance of the gymnasium, Fu Jingting saw Gu Manyin who was blocked by a group of media.

She curled up slightly, looking timidly at the media surrounding her, weak and helpless and pitiful.

Seeing this scene, Fu Jingting frowned fiercely, “Manyin.”

“Jingting.” Gu Manyin’s eyes lit up, and he waved at him with a pleasant smile.

He walked over.

Maybe his aura was too strong, and wherever he passed, those media automatically dispersed.

He came to Gu Manyin very smoothly.

Gu Manyin threw himself into his arms, “Jing Ting, you finally came, scared me to death, they blocked me as soon as I came, asking me all kinds of questions, I didn’t know how to answer. “

It’s okay.” Fu Jingting patted her on the shoulder, “I’ll deal with it.”

Then, his eyes swept across the media, “What did you all ask?”

“Uh... President Fu, we just asked I answered the most concerned questions of some netizens, such as whether Miss Rong was really involved in your relationship with Miss Gu back then, and why was she really coercing you to marry her?”

“No!” Fu Jingting lowered his eyelids without hesitation. spit out two words.

The media were stunned.

Gu Manyin was also stunned, staring at him with wide eyes.

Can't believe he actually rejected it.

Is it because he wants to protect Rong Shu?

Gu Manyin lowered her head to hide the surging jealousy in her eyes.

A reporter noticed her reaction, rolled his eyes, and asked loudly, "Ms. Gu, is what President Fu said true?"

Fu Jingting stared at the reporter coldly.

The reporter resisted the pressure and didn't look at him, only looking at Gu Manyin.

Gu Manyin raised her head, a pale smile appeared on her innocent and beautiful face, "Jing Ting said no, then it's not."

After hearing her answer, the media looked at each other and followed closely. Ask the next question.

Fu Jinglin, who was standing at the main entrance of the gymnasium, looked at Gu Manyin, who was surrounded by his eldest brother, with a strange expression on his face.

Sister Manyin's answer just now, why is it so strange.

What does it mean to say it's not? It's not. Why does he feel like she is telling these media that the big brother is lying.

Did she mean it or not?

Chapter 92 Meng Ke's Fear

At this moment, Fu Jinglin remembered again the day before yesterday, the eldest brother forced himself to apologize to Sister Manyin.

Obviously he didn't do anything at the time, just because she cried twice, the eldest brother thought he was wrong.

And how similar it was to this time.

Just thinking about it, Fu Jinglin heard Fu Jingting's voice, "Why are you still standing there, let's go!" Fu Jinglin came back to his

senses and trotted over with a basketball in his arms, "Where are the media?"

“I was sent away by Jingting.” Gu Gu Man Yin replied softly.

Fu Jinglin looked at her with complicated eyes, as if he wanted to see through her whole person.

Gu Manyin was a little uncomfortable looking at him, and touched her face, “Brother Jinglin, why are you looking at me like that, is there something on my face?”

“No.” Fu Jinglin looked away and shook his head. .

Gu Manyin smiled, “I thought I had something on my face.

” “Okay, get in the car first, there may be the media later.” Fu Jingting said, taking her by the shoulder.

Gu Manyin nodded and hummed.

Fu Jinglin suddenly said, “Brother, I won’t go with you, I’m going somewhere.”

“Where?” Fu Jingting looked at him.

Fu Jinglin’s eyes flashed, “This is my secret, anyway, I’ll go back later, I’ll go first!”

After speaking, he ran towards the roadside with the basketball in his arms, stopped a taxi and left.

Gu Manyin looked at Fu Jingting’s furrowed brows and said with a smile, “Isn’t Jing Lin the girl he likes, the last time I saw him reading a letter.”

Letter?

Fu Jingting raised his eyebrows, remembering the letter he saw in Jinglin’s room the day before yesterday.

Is it a love letter?

“Jing Ting, what are you thinking?” Gu Manyin lightly bumped the man with her shoulder.

The man regained his senses and coughed lightly, “It’s nothing, let’s go.”

“Yeah.” Gu Manyin replied with a smile.

After getting into the car, Fu Jingting looked directly at the road ahead, and suddenly asked, “Manyin, does this matter on the Internet have anything to do with you?”

Gu Manyin's heart tightened when she heard this, but her face was a little sad. , "Of course not, Jing Ting, do you suspect that I did it?"

Fu Jingting pursed his thin lips, not admitting, but not denying, "I have seen the news on the Internet, the picture below is of me and Rong Shu watching the game , and you also said that you have watched the live broadcast."

Rong Shu is right in saying that Manyin may indeed do such a thing because of jealousy.

After all, it's not without a criminal record.

Gu Manyin's eyes gradually filled with fog, "Jing Ting, how can you think of me so much? Yes, I've watched the live broadcast, otherwise I wouldn't have known that you were injured, but just because I've watched the live broadcast doesn't mean I would do this, right? , and I promised you would not target Miss Rong, how dare I disappoint you, what if you don't want me anymore?"

After that, she turned angrily and looked out the window, ignoring him.

Fu Jingting's eyes widened . Just seeing her sullen look made me a little unbearable and regretful.

Maybe I was really suspicious.

"Sorry Man Yin, I shouldn't have doubted you casually. "Fu Jingting parked the car on the side of the road, unfastened his seat belt and leaned over to hug her.

Gu Manyin buried her head in the man's arms in aggrieved, her voice choked, "It's okay, I know that I have a bad relationship with Miss Rong, so When something happened to Miss Rong, everyone would suspect that I did it. I'm used to it. "

After hearing this, Fu Jingting felt even more distressed, and patted her on the back, "No, I won't doubt you any more. "s

" Really? "Gu Manyin raised her wet eyes and looked at him. The

man nodded, "Really! "

Gu Manyin then burst into laughter, "Okay, Jing Ting, let's drive. Parking here all the time will obstruct traffic and easily cause accidents to the cars behind."

"Okay." Fu Jingting let her go and fastened it again. The seat belt starts the car.

It seems like a misunderstanding. Man Yin is so kind, how could he keep doing such a thing.

That time in the resort area, it was just a momentary thought.

Thinking of this, Fu Jingting frowned, completely dispelling his doubts about Gu Manyin.

Gu Manyin saw it, and lowered her head slightly, the corners of her mouth slightly raised.

Soon, the Lu Group arrived.

Fu Jingting saw some media squatting at the gate from a distance.

He squinted, turned the front of the car, drove the car to one of the more hidden side doors of the building, then took Gu Manyin through the side door and took the elevator to the top floor.

Assistant Zhang was already waiting in front of the president's office. When he saw the two coming out of the elevator, he nodded slightly, "Mr. Fu, Miss Gu."

"Hello, Assistant Zhang." Gu Manyin greeted with a smile.

Assistant Zhang smiled back, then looked at Fu Jingting and said, "Mr. Fu, you asked me to check. I have already ordered it. I believe the result will be soon."

Fu Jingting hummed and walked into the office.

Gu Manyin followed, "Jing Ting, after finding out who posted the news, what are you going to do?"

"See what Rong Shu means." Fu Jingting pulled out the office chair and replied, "She is the biggest victim. "

Gu Manyin's expression froze slightly.

What is Rong Shu is the biggest victim.

Could it be true six years ago?

At this moment, Gu Manyin's phone suddenly rang.

She calmed down, took out her phone, saw the name beating on the screen, her eyes flashed, and she smiled at Fu Jingting and said, "Jingting, I'm answering a call, my father called."

Fu Jingting nodded without doubt. agreed.

Gu Manyin walked towards the balcony with her mobile phone and closed the balcony door before answering, "Hello, Xiaoke."

"Manyin, have you seen the news on the Internet?" Meng Ke's excited voice came.

Gu Manyin's expression was light, but her voice was extremely surprised, "Xiao Ke, don't tell me, you did that, right?"

"I did it." Meng Ke looked proud.

Gu Manyin bit her lips, "Xiao Ke, it's really you, how can you..."

"What's wrong, Manyin, am I doing something wrong?" Meng Ke frowned, a little puzzled.

Gu Manyin lowered her eyelids, "Of course not, you suddenly exposed what happened six years ago, and now Miss Rong has been severely abused by the Internet."

"I know, I just want her to be abused and let everyone know who she really is. What kind of person?" Meng Ke said disapprovingly.

Gu Manyin sighed, "You really, hey...Xiao Ke, you're in trouble. Jing Ting is now investigating who sent the news."

Hearing this, Meng Ke froze in her heart, but soon she didn't feel it. What's the matter, "Why is Mr. Fu looking for this? Could it be that he is still going to help Rong Shu? How could he do this? He is your fiancé."

"It shouldn't be." Gu Manyin shook her head, "It may be for himself and me, after all, this is also his and my private business."

This time, Meng Ke's face changed, his hands and feet became cold, and his voice began to tremble because of fear, "Then...then what should I do?"

The news has been posted, and the marketing account and Shuijun have also been copied to the hot search, which cannot be withdrawn at all.

For a time, Meng Ke couldn't help but regret why she was so impulsive.

It was obvious that she just wanted to fix Rong Shu, but she didn't expect that what she exposed was also Fu Jingting's private affairs.

Thinking of Fu Jingting's usual methods in shopping malls, Meng Ke's face turned pale.

Gu Manyin sighed again, "I don't know what to do, Xiao Ke, you are too impulsive."

Meng Ke held the phone tightly with both hands, and there was a hint of crying in her tone, "Manyin, you have to help me. Ah, I did this for you, you must save me, Manyin!"

"But... how am I going to save you?" Gu Manyin drew boringly with her fingers on the railing, but her voice was full of worry.

Meng Ke sniffed, "Manyin, you ask Boss Fu for mercy. Boss Fu loves you so much, he will definitely agree."

"Okay, I'll try." Gu Manyin nodded.

Meng Ke was grateful, "Thank you Manyin."

"No thanks, you are my good friend." Gu Manyin smiled, but there was no smile in his eyes, only a faint mockery.

At the end of the call, she took down her phone and clicked on Weibo to read Rong Shu's comments.

She actually knew that Meng Ke did this for a long time. In the previous phone call, she deliberately said to Meng Ke that she agreed to Jing Ting and could not attack Rong Shu.

So she knew very well that Meng Ke, who couldn't see her being wronged and also didn't want to see Rong Shu, would definitely take action against Rong Shu. In this way, wouldn't she have violated her promise to Jing Ting, and her hands were still clean. It's just that she didn't expect that Meng Ke would make such a big commotion as soon as she made a move.

Thinking of this, Gu Manyin rubbed her brows irritably.

No matter what, Meng Ke must be saved.

Otherwise, she would have no one to do it for her.

Thinking about it, Gu Manyin turned off her phone and went into the office. Then she heard Assistant Zhang say, "Mr. Fu, I found out who posted it, it's Meng Ke."

"Who?" Fu Jingting didn't think of this person for a while.

Assistant Zhang glanced at Gu Manyin, "It's Miss Gu's friend."

Now Fu Jingting remembered who it was, and frowned at Gu Manyin, "Did you tell her what happened six years ago?"

Gu Manyin repeatedly He shook his head, "I didn't, I didn't, my mother said it, I just woke up at that time, Xiaoke came to see me, just heard me ask my mother, how did you and Miss Rong get married."

So it was.

Fu Jingting looked back, then picked up the phone and dialed Rong Shu's number.

Tiancheng Group, Lu Qi pushed open the door of Rong Shu's office with the investigation results, "Baby, I know who is trolling you online. It's Gu Manyin's friend, Meng Ke."

Hearing this, Rong Shu He frowned, put down the pen in his hand and asked, "How did you find out?"

Lu Qi handed her the investigation results and smiled, "It's not easy, that woman Meng Ke is an idiot, she used her own small I don't hide the i address, so you can find her without checking i. At first, I really thought it was Gu Manyin who did it, what a pity." If

it was really Gu Manyin, they could do it Pack her up.

"Yeah, it's a pity, I lost this bet." Rong Shu pulled the corner of her mouth and laughed at herself.

She bet with Fu Jingting whether Gu Manyin did this, but Meng Ke did not expect it.

Although she had a gut feeling that Meng Ke's actions might have something to do with Gu Manyin, but there was no evidence, and there was nothing she could do.

"What bet?" Lu Qi looked at Rong Shu curiously.

Rong Shu shook her head, "It's nothing."

Seeing that she didn't say anything, Lu Qi shrugged his shoulders and didn't ask you any more questions, and turned the subject back, "Baby, how are you going to solve this matter? Meng Ke is easy to handle, But it's not easy to suppress these online, especially since there are still many marketing accounts that are still making some rumors out of nothing."

Like what baby cheated during marriage, or what secretly murdered Gu Manyin.

Bah, nothing at all is good!

“Let me think about it.” Rong Shu lowered her eyes and thought, and answered a little tiredly.

Suddenly, the phone rang.

Rong Shu raised her eyelids and saw that Fu Jingting was calling, thinking that it might be related to this matter, so she answered, “Hello?”

Hearing the woman’s indifferent voice, Fu Jingting pursed his lower lip, “I have already checked it out. Who made the news.”

“Meng Ke!” Rong Shu didn’t wait for him to speak, but she said it herself.

A slight surprise flashed in Fu Jingting’s eyes, “You know?”

“Yeah.” Rong Shu nodded, “Congratulations, Mr. Fu, it wasn’t done by Miss Gu, you can continue to be together, aren’t you happy?”

Fu Jingting twisted raised his eyebrows.

Happy?

No, he didn’t feel very happy, on the contrary, he felt a kind of unexplainable pressure in his heart.

However, Fu Jingting didn’t intend to reveal his true emotions, and gave a faint hum.

Rong Shu lightly pulled the corners of her lips, “Okay, Mr. Fu, since we’ve found out who it is, then I hope you don’t interfere, Meng Ke is Miss Gu’s friend, so don’t ask Miss Gu to talk to her. If you plead for mercy, you will stop me from dealing with Meng Ke.”

“No.” Fu Jingting lowered his eyes and replied lightly, feeling a little uncomfortable.

Is he so unbelievable?

“Very well, remember what you said.” After Rong Shu finished speaking, she hung up the phone.

Fu Jingting looked at the phone screen that had jumped back to the main menu, his eyes were dark and unclear.

“Jing Ting, what did Miss Rong say?” Gu Manyin looked at him and asked.

Fu Jingting raised his eyes, “What do you say?”

“It’s about the handling of Xiaoke, didn’t you tell Miss Rong that Xiaoke did this, how should Miss Rong deal with Xiaoke?” Gu Manyin bit her lips, with concern written all over his face.

Fu Jingting pinched the bridge of his nose, “I don’t know, she didn’t say it.”

But Rong Shu mentioned Meng Ke’s cold tone.

I believe Meng Ke will not be better off.

“Miss Rong definitely won’t let Xiaoke go.” Gu Manyin was so anxious that her tears rolled down her cheeks, “Last time I let Miss Rong fall, Miss Rong took so many things away, and so did Miss Gao, The Gao family has taken a back seat now, so Xiao Ke...”

Gu Manyin grabbed Fu Jingting’s hand, “Jingting, can you help Xiaoke?”

Fu Jingting took out his hand, “Sorry Manyin, I promised Rong Shu that I would not interfere.”

“But Xiaoke is me. My friend, she did this all to protect me, I can’t watch her have something to do, Jing Ting...”

“Okay.” Fu Jingting took her into his arms, “Meng Ke did this without asking for anything. People agree that since she did something wrong, she has to pay the corresponding price, do you understand?”

He looked at her.

Facing the man’s deep eyes like ancient wells, Gu Manyin’s heart sank suddenly, and her face turned pale.

If you are wrong, you will pay the price.

Then what would he do to her if he found out what she did one day?

Thinking of this, Gu Manyin couldn’t help shivering, her eyes were full of anxiety.

No, she must not let him find out, never.

Therefore, Rong Shu must die. Only when Rong Shu is dead will her secrets not be exposed!

On the other side, Lu Qi saw Rong Shu put down the phone, and quickly asked, “What did Fu Jingting tell you?”

"It's nothing, just tell me who is messing with me, and then I'll tell him not to interfere."
Rong Shu rubbed He rubbed his sore shoulders.

"He agreed?"

"Yeah."

Lu Qi pouted his lips disdainfully, "Meng Ke is Gu Manyin's friend, Gu Manyin will definitely ask Fu Jingting to help Meng Ke, and Fu Jingting has no respect for Gu Manyin. The lower limit, maybe Gu Manyin will cry twice, and he will repent."

"If this is the case..." Rong Shu clenched her fists, her eyes were cold, and she said slowly, "Then don't blame me and him for breaking the net."

Lu Qi was startled, "Baby, are you serious?"

Rong Shu glanced at him, the seriousness in her eyes undisguised.

Lu Qi swallowed his saliva, "Then baby, how are you going to kill him?"

"It doesn't matter, why are you asking so much?" Rong Shu stood up with a cane, "It's almost time, I Go back first, you can help me contact the media later, I want to hold a press conference."

"Press conference?" Lu became interested, "Is it a solution to this matter?"

Rong Shu nodded, "Yes, some truths are buried. After so long, it's time to clarify, I can't keep taking the blame, let them scold me!"

Chapter 94 You are a fox man

"That's true, then I'll contact you later, I'll take you back to Repulse Bay first, you can't drive with your feet." Lu Qi took out his car keys.

Rong Shu didn't refuse either, she hummed and agreed.

In the car, she boarded her Weibo and posted an update. At ten o'clock tomorrow morning, I will hold a press conference in the company to explain the grievances between me, Fu's Group President Fu, and Sansheng Group's Miss Gu. Please stay tuned.

Things on the Internet are so turbulent, many netizens have been following Rong Shu's Weibo, and now seeing her post, they naturally come to comment.

"Yo, this is the rhythm of whitewashing?"

“No, the usual routine of the rich is to cleanse the whiteness at various press conferences.”

“It’s really a lot of villains, isn’t it true that you are pestering President Fu, hehe. “

Looking at these malicious comments, Rong Shu twitched her beautiful eyebrows, but she didn’t reply, so she just closed Weibo, so that she could not see it.

Anyway, things will be resolved tomorrow, too lazy to these sunspots.

Soon, Repulse Bay arrived.

Lu Qi stopped the car, turned to the woman in the back seat and said, “I’ll pick you up tomorrow morning.”

“Okay, be careful on the road.” Rong Shu opened the door and went out.

Lu Qi blew her a kiss and drove away.

Rong Shu watched his car go away, and then limped into the building with a cane until he could no longer see it.

As soon as he got out of the elevator, Rong Shu saw Fu Jinglin standing in front of her door.

Seeing her, Fu Jinglin’s eyes lit up slightly, “Sister Rong Shu, you are back.”

“Why are you here again?” Rong Shu frowned, “I won’t quarrel with your mother again, run away from home and come to me! “

No.” Fu Jinglin shook his head, “I made a special trip to find you.”

“What are you looking for me for?” Rong Shu walked over.

Fu Jinglin glanced at her, then lowered his head guiltily, “I already know what happened on the Internet. I’m sorry, it’s all my fault. If I hadn’t given you the tickets, you wouldn’t have been slandered.

” Wanted to invite her to his game, really didn’t know such a thing would happen.

Therefore, he felt very sorry.

Rong Shu looked at Fu Jinglin in astonishment, “You actually apologize to me?”

“What’s wrong with the apology?” Fu Jinglin scratched his head, a little confused.

Rong Shu pouted, "I stayed in Fu's house for six years. What is your attitude towards me? You don't need me to help you remember. You have never apologized to me."

Hearing this, Fu Jinglin Her face flushed, and her eyes were a bit embarrassed and embarrassed, "That's different!"

"What's different." Rong Shu replied lightly.

Fu Jinglin squeezed the basketball in his hand, "It's different anyway."

"Oh, then we have nothing to say, you go, don't come again in the future." Rong Shu waved her hand and issued an expulsion order.

Fu Jinglin didn't leave, but looked at her seriously, "Sister Rong Shu, I will help you solve this matter."

"You help me solve it?" Rong Shu seemed to hear a big joke, and sneered, "You How can I solve it? Just because you are a high school student who has not graduated?"

"I..."

"Okay." Rong Shu rubbed her brows and interrupted him impatiently, "Stay away from me, you are just helping Me, don't you realize that every time I get into trouble, it's your Fu family that brings me?" Fu

Jinglin didn't agree with these words, and pouted, "That's not it."

"No?" A cold light flashed in Rong Shu's eyes, "Fu Jinglin, ask yourself, from the day I married into the Fu family, how did your Fu family treat me coldly, violently, verbally attacked, found fault, slandered and framed, Are these all fake?"

Hearing these heinous acts she pointed out, Fu Jinglin's face couldn't help turning pale, his lips moved, unable to speak.

Because these are facts, he cannot deny them.

He's even the culprit.

Rong Shu looked at Fu Jinglin's self-awareness, and did not let him go. She took a deep breath and said, "I don't plan to bother with your Fu family, because the divorce has passed, and it was me back then. Being cheap has to marry into your Fu family, so after the divorce, I didn't even think about taking revenge on the Fu family, I just wanted to develop Tiansheng well, but your Fu family is better."

Rong Shu squeezed her fist, "Your mother often comes to look for it. I'm stubborn, your future sister-in-law will play tricks on me once or twice, and you will trouble me even if

you have nothing to do, even your brother, I really owe you in my last life, when I met your Fu family!"

"I'm sorry..." Fu Jinglin's face turned red when he heard it, and he apologized as finely as a mosquito.

At this moment, he really understood that they had really caused her so much trouble.

Rong Shu closed her eyes, suppressed the anger in her heart, and her expression calmed down, "Go away, don't come again in the future, next time you come again, I will directly ask the security to kick you out."

After speaking, she opened the door of the room went in.

She didn't look at him in the visual view after entering, and asked Fu Jingting to pick him up, as she did last time, but went back to the room and lay on the bed, staring at the ceiling with her eyes open, only feeling exhausted.

Suddenly, the phone in his pocket vibrated.

Rong Shu propped herself up and sat up, took out her mobile phone, it was an unfamiliar text message to check the computer mailbox.

what?

Rong Shu pursed her lower lip suspiciously, and typed a reply to who are you?

The other party soon sent a message to someone who silently guards you.

The one who silently protects her?

Rong Shu was amused, and felt that the words were full of words.

I'm sorry, I don't know you.

The other party replied that I know, we will know each other in the future, and now you look at the mailbox, there is a surprise.

surprise?

Rong Shu bit her lip, and after hesitating for two seconds, she got up, sat in front of the computer, and opened her mailbox.

There was a new email at the top of the mailbox, and when she opened it, she found two documents.

One is evidence of Meng Ke's Weibo dynamic.

The other is a long list of at least a few hundred names.

And behind these names, there is a bracket, and the brackets are a strange screen name.

Rong Shu narrowed her eyes, realized something, and dialed this unfamiliar text message number.

She thought that the other party would not answer, but she did not expect the other party to answer, her voice was low and hoarse, "Hello."

Rong Shu didn't know who the other party was, so she asked directly, "This list is the surprise you said?"

"Yes . , these people are the ones who scold you the most on the Internet, according to the law, as long as the swearing comments are liked and forwarded more than 500 times, it can constitute a crime." The man replied.

Instead of being happy, Rong Shu became vigilant, "I know this, but I don't understand, why do you want to help me? What is your purpose?" The

man laughed lowly, "I said, I am a The person who protects you silently, so I have no purpose, I just want you to be good."

"Do you think I would believe you?" Rong Shu said coldly while scrolling down the list.

A person who even hides his identity and refuses to reveal it.

How dare she believe his words.

The man sighed helplessly, "I know you won't believe it, but it doesn't matter, you'll find out later."

Rong Shu snorted and was about to hang up the phone when she suddenly saw the head of a fox at the bottom of the list.

This fox instantly reminded her of something, and she clenched the mouse, "Are you the fox man who kidnapped Gu Manyin?"

Chapter 95 Press Conference

Fu Jingting had said that it was the fox man who kidnapped Gu Manyin, and he also said that the fox man was her suitor.

Now there is just a fox on this list, which is enough to explain the identity of this person.

“Fox man?” The man smiled, “So you call me that, it’s not bad, I like it very much.”

Seeing him admit it, Rong Shu frowned, “Sure enough, it’s you, who are you! “

I can’t tell you right now, but don’t worry, I will never hurt you. You are my light, and I will only protect you for the rest of my life.” The fox male replied softly.

Rong Shu heard the seriousness of his tone, and her face suddenly turned red.

Could this person really be her suitor?

Just thinking about it, the fox man said again, “Okay, it’s getting late, you have to rest early, I will contact you next time, goodbye!” After the

words were finished, the fox man cut off the phone.

Rong Shu looked at the screen of her mobile phone, and had to swallow something she had to ask.

Forget it, since this person said that he will contact her next time, then she will say hello next time.

It’s just that who is this person, who suddenly appeared and treated her so well, it made her feel very unreal.

Rong Shu looked at the head of the fox on the list, and felt uneasy and hesitant in her heart.

The next day, Rong Shu was woken up by Lu Qi’s phone call.

“Baby, are you up yet? I’m downstairs.” Lu Qi leaned on his red sports car and looked up at the building.

Rong Shu yawned, “I’ll get up now.”

“Well, hurry up, I’ll be waiting for you in the car.” Lu Qi said.

Rong Shu hummed, hung up the phone, and lifted the quilt to get up.

After washing up, she put on her bag, picked up her crutches and walked towards the entrance.

As soon as the door was opened, an envelope fell from the outside handle.

Rong Shu picked it up suspiciously, and only after seeing the handwriting on the envelope did she realize that it was a letter from her and pen pal Xiao Zhong back then.

Why are you outside?

Rong Shu held the envelope and looked out the door, then suddenly thought of Fu Jinglin.

Fu Jinglin once took a letter and said that he would return it to her, so this should be what Fu Jinglin returned.

It's just that she let Fu Jinglin throw it away last time.

No wonder he didn't lose it!

Rong Shu looked at the letter, put it in the bag at will, and went out, planning to return to the letter box when she came back at night.

Come downstairs.

Lu Qi beckoned to her, "Darling, this way."

Rong Shu walked slowly over with a cane, "Morning."

"Morning, this is breakfast." Lu Qi raised a bag from behind and handed it to her, "The crown's Steamed buns and soy milk are your favorites."

Touching the still warm bag, Rong Shu felt warm, smiled and thanked, "Aqi, you are so kind."

"Hmph, who made you my baby, hurry up. Get in the car." Lu Qi opened the back seat door for her.

On the way, Rong Shu was eating steamed buns and suddenly thought of something and asked, "Ah Qi, do you know someone in the circle who is about the same age as us, but is proficient in hacking techniques and likes foxes?"

Lu Qi heard this, his eyes widened. The color flickered slightly, "Baby, why are you asking this?"

"I talked to the fox man last night, the fox man who kidnapped Gu Manyin." Rong Shu drank a mouthful of soy milk and replied.

Lu Qi shook his head, "I don't know, we grew up together, you don't know each other, how could I know, but what did he tell you?"

Rong Shu was a little disappointed, "It's nothing, it means he will protect me, Gave me a list of netizens scolding me."

"That's good, at least it means he's not our enemy." Lu Qi shrugged.

"That's what I said, but there is a person I don't know who is always paying attention to me. I always feel uncomfortable in the dark." Rong Shu sighed.

Lu Qi smiled, "It's fine, as long as he doesn't hurt you, and I'm relieved to have such a person protecting you in the dark, so don't think about it, it's here."

He stopped the car and opened the door first. Then he helped Rong Shu out of the back seat.

As soon as the two got out of the car, a group of reporters stopped them.

"Miss Rong, is today's press conference really prepared for whitewashing?"

"Mr. Lu, Miss Rong is your girlfriend. What do you think about her entanglement with your ex-husband?"

"You guys ? Will we break up?"

Faced with the aggressive questions from these reporters, Rong Shu's expression was indifferent and did not answer, and was supported by Lu Qi and walked towards Tiancheng's gate.

After entering Tiancheng, Rong Shu directly arranged security to stop those reporters who also wanted to follow up.

In the elevator, Lu Qi sorted out the crowded clothes, "Damn, these reporters are too crazy."

Rong Shu was also sorting clothes, "No way, for the heat, you have to work hard."

"And bullying us . Shiwei, when they faced Fu Jingting yesterday, they didn't dare to squeeze like that." Lu Qi pouted, his tone was sour.

Rong Shu rubbed her eyebrows, "Okay, don't talk about it, just go to the conference room."

After saying that, she walked out of the elevator and walked to the conference room.

Tong Xi stood at the door of the conference room, and when she saw the two coming over, she nodded slightly, "Mr. Rong, President Lu."

"Has the invited media come?" Rong Shu looked at her watch, it was nine fifty-six, Twenty minutes to go.

Tong Xi nodded and replied, "It's all here."

"Then go in." Rong Shu pushed open the door of the conference room and entered.

Lu Qi and Tong Xi followed behind her.

As soon as the three appeared, the media immediately turned their eyes and cameras on them, and snapped pictures.

In the face of so many flashes, Rong Shu's expression was cold and his eyes seldom blinked. He walked onto the podium, picked up the microphone, and his voice was loud and clear.

"Welcome everyone to come to the press conference. I believe you already know the content of today's press conference. Yes, it's about the turmoil on the Internet yesterday

.

"

Holding the phone, seeing Rong Shu's appearance, he excitedly patted Fu Jingting's shoulder, "Your ex-wife is very good-looking, she is not chaotic in the face of so many media, a proper strong woman style, saying that she has been a housewife for six years. No one believes."

Fu Jingting didn't speak, staring at the woman in the phone with deep eyes.

The woman has big waves, delicate makeup, and a fiery red women's suit on her body, which shows her perfect figure incisively and vividly, which makes her whole person look heroic.

He had never seen such a Rong Shu before.

What he saw the most was her wearing an apron, a ponytail and plain clothes.

Rong Shu in that appearance was dull and dull, without the slightest luminous point. It was like the current Rong Shu, which was so bright that people couldn't look away.

He had to admit that she had really changed, stronger, more confident, and more beautiful.

At the press conference, Rong Shu glanced at the media sitting there, "I believe everyone is very curious about the news posted on the Internet, so I will tell you now that it is the daughter of the chairman of the Meng family enterprise, Miss Meng Ke. , and this Meng Ke is Miss Gu's best friend."

Hearing that Rong Shu found her head and announced it in public, Meng Ke, who was also watching the live broadcast of the press conference, turned pale.

The Meng family's enterprises are not in the market at all, and even Tiancheng can't compare. She relies on Gu Manyin to move around in the wealthy circle.

Now that Rong Shu has spoken out about this matter, no matter what the young masters in the circle think of her, they will think that she is a despicable villain and stay away from her. In this way, no one will marry the Meng family, and her father will also blame her. Yes, what should she do?

Meng Ke was so anxious that she almost cried, and she regretted why she was so impulsive at that time!

Chapter 96

At the press conference, Rong Shu didn't let Meng Ke go, and continued, "About Miss Meng saying on the Internet that I still pestered my ex-husband after my divorce, as well as intervening between President Fu and Miss Gu six years ago, and marrying President Fu with grace, Here I want to explain, except for the last point, it's all false!"

As soon as this statement came out, the whole audience was shocked.

A reporter stood up and asked, "So, Miss Rong, did you really ask Mr. Fu to marry you?"

"Yes." Rong Shu looked at the reporter and nodded in recognition.

Lu Qi was so anxious that he almost jumped, "Baby, what are you talking about." Is it okay to say

such things nonsense?

Fu Jingting of the Fu Group couldn't help frowning.

Even Cheng Huai said incomprehensibly, "Although it's true, she just admitted it, and she's not afraid of being scolded even more, thus hurting Tiancheng? Jing Ting, what do you think she's thinking?"

He looked up. To Fu Jingting.

Fu Jingting pursed his thin lips and did not answer.

On the other hand, the Gu family.

Gu Manyin was also following the live broadcast. Seeing that Rong Shu bluntly stated that she had indeed threatened Fu Jingting back then, the corners of her mouth slowly twitched, feeling that Rong Shu was seeking her own death.

At the scene, Rong Shu looked at the excited look of the reporters below, and his face did not change at all.

She knew the consequences of what she had just said, but she didn't regret it at all.

The reporter asked again, "Miss Rong, why are you doing this?"

"Why?" Rong Shu lowered her eyes and replied in a cold voice, "Because I love him!"

Fu Jingting's pupils shrank, and his body sat subconsciously straight up.

He knew that the person she loved was him. In the past six years, it was not that he could not see the affection in her eyes.

But she didn't expect that now, she actually made her feelings for him public.

Fu Jingting rubbed his fingers, and a faint joy filled his heart.

But the joy didn't last long, and was broken up by Rong Shu's next sentence.

Rong Shu looked at the live broadcast and said slowly, "But that was before, now I don't love me anymore!"

Fu Jingting's face changed slightly, and he felt a panic in his heart, as if he had lost something.

Cheng Huai whistled, "Jing Ting, do you think what she said is true?"

"It has nothing to do with me!" Fu Jingting clenched his fists and replied coldly.

Cheng Huai heard his duplicity, and hooked his lips playfully, "Yeah, but I don't seem to really feel that it has nothing to do with you when I look at you."

"You are wrong." Fu Jingting's eyes were cold. A thin glance at Cheng Huai.

Cheng Huai shrugged, "Yes, I won't say it."

He lowered his head and continued watching the live broadcast.

The reporter asked again, "Miss Rong, if you love Mr. Fu, you have to use the kindness of saving Miss Gu to ask Mr. Fu to marry you. Don't you think your behavior is excessive, and Mr. Fu and Ms. Gu were already together at that time. Now, you..."

"First of all, I said that I didn't take the opportunity to interfere in their feelings, it's all fake." Rong Shu knew what she was going to say, so she interrupted her with the microphone.

"Because I didn't know they were together back then. When I was in college, I asked Miss Gu what was the relationship between her and President Fu. Miss Gu's answer was that she only regarded President Fu as her brother, so I dared to go. As for asking President Fu to marry me..."

Rong Shu took a breath and added, "I admit that I did something wrong on this point. When Miss Gu was in a car accident, it was I who saved her, and President Fu asked. What do I want, I asked him to marry me, he agreed, so we got married, if..."

"What if?" the reporter asked.

Rong Shu raised her voice, "If I had known that they were together at that time, I would not have made such a request. Born into a wealthy family, I have not been so lowly to interfere in other people's feelings, and my dignity and pride will not allow me to do so. Such a thing happened."

"So back then, she didn't know about your relationship with Gu Manyin?" Cheng Huai looked at Fu Jingting in surprise.

Fu Jingting's eyes trembled, it was obvious that Rong Shu's words had a great impact on him.

He knew that she and Man Yin were college roommates, so he always thought that she knew his relationship with Man Yin very well, but she insisted on marrying him while Man Yin was in a coma. That's why he hated her so much.

But he never thought that she didn't even know that he was Man Yin's boyfriend at the time.

Thinking of this, Fu Jingting's thin lips pursed a bit cold.

Man Yin, why didn't she admit that he was her boyfriend.

And say he's her brother?

Meanwhile, on the national basketball team.

Fu Jinglin started the live broadcast at the end of the training, just when he heard Rong Shu's words, his youthful face gradually became confused.

"What? Sister Rong Shu didn't know about the relationship between eldest brother and Manyin back then?" Fu Jinglin exclaimed in disbelief, "Did I misunderstand Sister Rong Shu?"

"Shu.

He didn't like her just because he felt that she was involved in Big Brother and Sister Manyin.

But it turned out that it was all a misunderstanding!

"Besides." Rong Shu rubbed her brows, then continued, "I proposed to let President Fu marry me, but I just had the idea of giving it a try. I didn't really hope that President Fu would agree, because at that time, I was not interested in President Fu's coming. Say, it's just a stranger, who would agree to a stranger's proposal?"

"Yes!" The reporters present and the audience in the live broadcast room nodded subconsciously.

If a stranger proposed to them, they would certainly not agree.

On the contrary, he still thinks that person is mentally ill.

"But President Fu still agreed, didn't he?" the reporter said.

Rong Shu pursed her red lips, "Yes, he agreed, so I was both shocked and happy at the time, I knew he didn't love me, but I still happily married him, because I thought I could make him. He fell in love with me, but I was wrong, I spent six years on the incident, but I didn't warm his heart."

"Isn't that for sure, Mr. Fu has always loved Miss Gu." The reporter replied.

Rong Shu nodded, "Yes, he loves Gu Manyin, but I didn't know this back then, so I have had a very hard life in the past six years, and I even thought, since he didn't like me, why didn't he just directly Refuse, I will not force him."

She is not the kind of scumbag.

If Fu Jingting refused back then, she didn't have to marry him.

Hearing this, everyone was stunned.

Yes, since Mr. Fu doesn't love Miss Rong, he can completely refuse Miss Rong's request for marriage.

Miss Rong didn't force him, why didn't he refuse.

Cheng Huai was also curious about this, and looked at Fu Jingting with his cheeks raised, "Yeah, why didn't you refuse?"

Fu Jingting lowered his eyelids to hide the emotion in his eyes.

In fact, he originally wanted to refuse.

But I don't know why, looking at Rong Shu's expectant eyes, he could have blurted out two words, and by the time he reacted, it was too late.

"Also, everyone should be very interested in my married life." Rong Shu glanced at everyone present.

The crowd nodded.

A sneer appeared on Rong Shu's face, "Then I'll tell everyone that my married life is a happy one, my husband's cold and violent, my mother-in-law's troubles, and my uncle's troubles, how about happiness?"

"..." Everyone The corners of his mouth twitched.

happiness?

It's just hell okay.

Someone even said in the live broadcast room, "It turns out that Miss Rong has been being cold and violent. It seems that this President Fu is not a good man. He married Miss Rong, but still treats Miss Rong like this, I feel a bit scum!"

"I also think that Miss Rong just said that Mr. Fu can completely reject her, she will not force it, but Mr. Fu did not refuse at all, which means that he is willing to marry Miss Rong, but he still does so after he is married. , I'm speechless."

"What is this, I even think that Mr. Fu really likes that Miss Gu, if he does, will he agree to marry Miss Rong? Should he wait for Miss Gu to wake up? "

Looking at these comments, Gu Manyin bit her lower lip, her jealous eyes turned red.

Who Fu Jingting loves, she knows better than anyone else. What he loves has always been Rong Shu. She pretended to be Rong Shu who communicated with him, so he felt that the person he loved was her.

But if one day, he found out that the person who really communicated with him was Rong Shu, the feelings he put with her would definitely be taken away immediately and all transferred to Rong Shu.

On the other hand, Cheng Huai also saw these comments, and said, "Jing Ting, I also think you're scumbag, what Rong Shu said, I find it unbearable just to hear it, and she actually went through six years, This shows that she really loves you, and you are not worthy of her love."

Fu Jingting clenched his fists and didn't speak, his heart ached.

All along, he thought she was despicable and took advantage of Man Yin's coma to marry him, so he subconsciously ignored the fact that he could reject her, even knowing how long she lived in Fu's house, he never thought of helping her. what she meant.

It is he who is sorry for her!

"Having said so much, now everyone should believe that I didn't interfere with President Fu and Miss Gu." Rong Shu looked at the reporter below.

The reporters smiled awkwardly.

She dared to say this in front of so many reporters and tens of millions of viewers in the live broadcast room, obviously it couldn't be fake.

Because once it is found to be fake, Tiansheng Group and herself will suffer the most serious backlash, and she can't bear the consequences.

"Then how do you explain your entanglement with your ex-husband, Miss Rong?" the previous reporter said.

"First of all, I didn't pester him. The sea market is so big, and we are both businessmen. Meeting is inevitable. As for why Mr. Fu and I appeared in the gym yesterday.

" That's because we all received tickets from Mr. Fu's younger brother. If I had known Mr. Fu to go to see it, I would not have said anything."

Cheng Huai patted his thigh and laughed, "Jing Ting, you are disliked. Now , it seems that it's true that Rong Shu said she doesn't love you anymore, hahaha."

Fu Jingting gave him a cold look, then withdrew his gaze and put it on Rong Shu's face, his eyes were very complicated.

Does she really love him?

"I know you may not believe it. It doesn't matter, because everyone has different ideas, but I still want to say that for a man who can drive his wife out of the house for the sake of the mistress, there is nothing worth bothering about." Rong Shu sneered. said.

Gu Manyin's heart skipped a beat, and she had a bad premonition.

What does she mean by that?

Fu Jingting also frowned, not knowing what Rong Shu was going to do!

The reporters present realized that Rong Shu might have something to do, and hurriedly asked, "Miss Rong, can you explain a little more?"

"Of course." A cold light flashed in Rong Shu's eyes, and he slowly said, "There are rumors on the Internet that I am cheating. , that's why President Fu divorced me, I believe everyone should know it, and now I tell you, it's not me who really cheated, but President Fu himself."

She just wanted to live her own life and develop Tiansheng to avenge her father. , but the Fu family and Gu Manyin always have trouble with her, causing her so much trouble.

Since then, why should she save face for them!

The crowd was in an uproar.

No way?

Mr. Fu cheated?

Cheng Huai looked at Fu Jingting playfully, "Jing Ting, it seems that Meng Ke really annoyed her this time."

Fu Jingting didn't speak, Jun's face was black and ugly, and the air pressure around his body dropped a lot.

Did he cheat?

Isn't she the one who cheated!

Thinking of the men around Rong Shu, Fu Jingting felt quite uncomfortable.

“Miss Rong, is this true?” The reporter’s hands were shaking with excitement.

President Fu cheated.

This is a big news. I believe that in the next week, there will be no shortage of enthusiasm.

“Of course it’s true.” Rong Shu nodded, “Fu Jingting often went to the hospital to have private meetings with Gu Manyin without telling me before he divorced me, and even asked me to move out so that Gu Manyin could live in Fu’s house. The Fu family is here to make room for Gu Manyin.”

“God, there is such a thing.” Everyone was shocked.

Cheng Huai also looked at Fu Jingting in amazement, “Jing Ting, did you really do this?”

Fu Jingting’s thin lips moved, unable to deny it.

Cheng Huai’s eyes became strange, “Jing Ting, what are you thinking, even if you are in a hurry to be with Gu Manyin, you can’t let Rong Shu move out of Fu’s house, there are so many rooms in Fu’s house, and there is still one guest room missing. Do you?”

“Manyin doesn’t want to see Rong Shu.” Fu Jingting lowered his eyelids and replied in a hoarse voice.

Cheng Huai laughed at his anger, “Even if Gu Manyin doesn’t want to see Rong Shu, then you can let her live outside, why do you have to let her enter Fu’s door.” Fu

Jingting’s Adam’s apple slid slightly, no ignore it.

In fact, he also knew that it was not good to do so.

But Man Yin had just woken up at that time, how could he bear to disappoint her. “I know everyone

may say that Mr. Fu and Miss Gu are in love, and it is normal for them to do so, but what I want to say is that at that time, Mr. Fu and I had not divorced, so it was a moral issue for them to do so.”

Indeed, no matter how much President Fu and Miss Gu love each other, it is really immoral for them to do so.

Gu Manyin was trembling all over. How dare

Rong Shu ! When Rong Shu said this, she completely put her and Jing Ting on the pillar of shame, because Jing Ting's marriage derailed, although she and Jing Ting did not have a real relationship, but Jing Ting was considered a spiritual derailment. And she is the third party involved in the marriage of Jing Ting and Rong Shu. Even if she marries Jing Ting later, she will not get too many blessings, but will only make people feel embarrassed and ridiculed. This is the purpose of Rong Shu. What Gu Manyin could think of, Fu Jingting could naturally think of, but he didn't feel angry. "Okay everyone, I have explained everything that should be explained, and I have made it very clear. I have not interfered with President Fu and Miss Gu, nor have I pestered President Fu, so I hope that nothing like this will happen in the future." Saying that, Rong Shu His eyes narrowed sharply, "Of course, the initiator of this incident is Miss Meng Ke. Since Miss Meng Ke has seriously damaged the reputation of me and Tiancheng Group, I have decided to sue her, and I will also sue twenty marketing accounts, and the three hundred netizens who scolded me the most." Twenty marketing accounts, three hundred netizens? Everyone gasped in shock at this number, and they were all amazed at her courage. "Miss Rong, do you really want to sue them?" A reporter confirmed and asked, "Aren't you afraid of causing public anger?" Rong Shu replied expressionlessly, "Since I have decided to sue, I naturally won't be afraid of this, I Just to protect my rights reasonably, and to these marketing accounts and netizens, I want to tell them that the Internet is not a lawless place, just wait for my subpoena." After speaking, she put down the microphone and walked towards the door of the conference room with a cane. Secretary Tong followed behind her. Lu Qi stayed behind to make the final summary of the conference.

The audience in the live broadcast room were shocked by Rong Shu's methods. No one would have thought that she would actually sue them.

For a time, many netizens quickly deleted their swearing comments, for fear that they would be included in the prosecution list.

Meng Ke also panicked, and quickly picked up the phone and called Gu Manyin.

Chapter 98 Meng Ke was arrested

"Hey, Manyin." Meng Ke's voice was sobbing, "What should I do, Rong Shu is going to sue me."

Gu Manyin didn't expect Rong Shu to do this, and her head was a little big for a while, "Okay Xiaoke, you Don't worry."

"How can I not be in a hurry." Meng Ke jumped in a hurry, "Once she sues me, my file will be stained, what will people in the circle think of me?"

"No one would accept a daughter-in-law with a stain on her body."

She can't marry into a wealthy family, and she can't help the Meng family enterprise. Her father will also love her and bring back the illegitimate daughter outside.

The more she thought about it, the more frightened she became. Meng Ke clung to the phone tightly with both hands, "Manyin, you must save me, I did this for you."

Gu Manyin bit her lip, feeling a little uncomfortable.

What is it for her?

She only hinted that Meng Ke would help her rectify Rong Shu, but she did not let Meng Ke use this method.

She thought so in her heart, but Gu Manyin couldn't say it clearly, she squeezed the corner of her mouth, "I know, I will save you."

"That's good, that's good." Meng Ke cried with joy, and then asked, "By the way, Man Yin, didn't you say last time, help me plead with President Fu, as long as you ask President Fu to help me, Rong Shu will definitely not be my opponent."

"I know, but Jing Ting refused last time, this time... "..."

"Manyin, talk to President Fu again. President Fu loves you so much, and he will definitely agree." Meng Ke didn't want to hear the rejection, so she interrupted Gu Manyin quickly.

Gu Manyin's eyes flashed with a trace of unhappiness, but soon disappeared again, and said with a troubled face, "But..."

"Manyin, you said you would save me." Meng Ke cut her off again.

Gu Manyin was a little impatient in her heart, but she said with all her might, "Okay, I'll try again."

"Thank you Manyin." Meng Ke breathed a sigh of relief.

Hanging up the phone, Gu Manyin walked out of the room and drove to the Fu Group.

"Mr. Fu, Miss Gu is here." Assistant Zhang knocked on the door and walked into the president's office.

Fu Jingting was processing the documents. Hearing this, he raised his head and said, "Let her come in."

Assistant Zhang replied, "Yes."

Soon, Gu Manyin came in.

Smelling the faint smell of cigarettes in the air, she frowned slightly, "Jing Ting, have you smoked?"

Fu Jingting nodded slightly, "Have one."

"Why do you smoke, I hate the smell of cigarettes the most." Gu Manyin fanned in front of her with her hand.

Fu Jingting scrutinized his eyes, "I hate it? Don't you hate the smell of cigarettes? In the previous letter, I specifically asked you if you mind if I smoke. It 's the smell."

Gu Manyin panicked in his heart, but his face didn't show, and replied with a smile, "That was before. I was in a coma for six years, and I couldn't get used to the smell of cigarettes for a long time."

Hearing this, Fu Jingting felt that it was reasonable, so he dispelled his doubts.

Seeing that his eyes had returned to calm, Gu Manyin breathed a sigh of relief.

It's so dangerous, I almost fell into it again.

If I had known earlier, I wouldn't have burned those letters so quickly. I should read them again to avoid stepping on thunder.

Gu Manyin felt a little remorse in her heart, but she quickly sorted out her mood, "By the way, Jing Ting, don't smoke in the future, it's not good for your health."

"Okay." Fu Jingting nodded and agreed.

Gu Manyin hugged his arm, "Jing Ting, you are so kind."

Okay?

Fu Jingting lowered his eyes, suddenly remembering what Rong Shu said at the press conference before.

Because of his opinion on her, he gave her six years of cold violence.

Is he okay with that?

Fu Jingting felt a little irritable, pulled out his arm, and his voice became much colder, "Manyin, I want to know, why did you tell Rong Shu six years ago that I am your brother, not your boyfriend?"

” She told the truth back then, maybe he wouldn’t treat Rong Shu that way.

As Rong Shu herself said, she knew that he was with Man Yin, and she would not marry him.

But I don’t know why, when I thought that Rong Shu might really not plan to marry him, Fu Jingting suddenly felt a little blocked in his heart.

Hearing his question, Gu Manyin’s eyes flickered a few times, “I’m sorry Jing Ting, I don’t want to, but I was still young at that time, and my parents didn’t want me to fall in love so early, I was afraid that my roommate would accidentally reveal it. , passed it on to my parents, that’s why...”

She lowered her head and pulled his sleeve, “Jing Ting, scold me.”

Seeing Gu Manyin’s pitiful appearance, Fu Jingting’s heart softened again. Rubbing his eyebrows, “Forget it, it’s all over.”

“Jing Ting, aren’t you angry?” Gu Manyin raised her head and looked at him eagerly.

Fu Jingting pursed his lips, “Yeah.” Gu Manyin

hugged him with a smile, and where he couldn’t see, there was a glint in his eyes.

In fact, what she said to Rong Shu back then wasn’t because her parents didn’t want her to fall in love, her parents wanted her to marry Jing Ting, she just wanted to have plastic surgery.

At that time, Rong Shu wanted to confess to Jing Ting. She deliberately said to Rong Shu that Jing Ting was her brother, so that when Rong Shu confessed, Jing Ting was her boyfriend, so that Rong Shu would lose face, but she did not expect her Before she could get plastic surgery, she had a car accident.

Thinking of this, Gu Manyin hated the driver who hit her.

If it weren’t for the driver, she might have married Jing Ting long ago, and what else happened to Rong Shu.

“By the way, Manyin, you came to me, what’s the matter?” Fu Jingting gently pushed Gu Manyin away.

Gu Manyin restrained her thoughts and bit her lower lip, “It’s Xiaoke, Jing Ting, Miss Rong is going to sue Xiaoke, you...”

Fu Jingting understood her purpose, his face darkened, “I said last time, I won’t help her, even if it’s for you, but wrong is wrong, and it’s her fault .”

"I know, but seeing Xiao Ke like this, I can't bear it." Gu Manyin sighed.

Fu Jingting stroked her hair, "Don't worry, although Meng Ke broke the law, it's not a big crime. At most, he'll be detained. It'll be fine in a few days."

Gu Manyin nodded, "That's all, Xiao Ke. I'm too impulsive this time, I hope she can pay more attention in the future."

Jing Ting was determined not to help this time, and she alone could not stop the prosecution.

It seems that Meng Ke is really going to go in this time. There is no other way but to coax Meng Ke after Meng Ke comes out.

Thinking of this, Gu Manyin pointed to a certain direction in the office, "Jing Ting, I'll go to the bathroom."

"Yes." Fu Jingting nodded.

Gu Manyin walked towards the bathroom. Inside, she took out her mobile phone and called Meng Ke.

Meng Ke has been waiting for her good news. Seeing her call, she hurriedly answered, "Manyin, how is it, has Mr. Fu agreed to help me?"

Gu Manyin shook her head regretfully, "Xiao Ke, Jing Ting I didn't answer, I'm sorry, I've tried my best."

"How could..." Meng Ke was struck by lightning, shaking her body and almost fainted.

Mr. Fu did not help her.

So what should she do?

"Xiao Ke, you..." Before

Gu Manyin finished speaking, she heard a knock on the door from Meng Ke.

Meng Ke put down the phone and called to the door, "Who is it?"

"The property owner." The person outside the door replied.

Meng Ke was not suspicious, walked over and opened the door, only to find that the people outside the door were not the property at all, but two police officers in police uniforms.

be cheated!

Meng Ke knew that they were here to catch her, her eyes flashed with horror, and she was about to close the door subconsciously.

The two police officers directly blocked the door, and one of them took out his ID and gave her a look, "Hello, Miss Meng, a Miss Rong called the police and told you to damage other people's reputation. Please come with us."

"No, I'm not leaving." Meng Ke shook his head sharply and stepped back.

The two police officers said solemnly, "If you don't go with us, you will be arrested and the crime will be added."

Meng Ke was frightened, and hurriedly put the mobile phone in her ear, "Manyin, the police are here to arrest you. I am, you save me, save me."

There was no answer on the phone.

Meng Ke took the phone to him and looked at it, but found that the phone had already been hung up.

At this moment, Meng Ke's heart was completely cold, and her whole body sat on the ground, spreading sluggishly.

After the two police officers looked at each other, they put her up and took her away.

"Hey, Miss Rong." In the police car, the police officer who had taken out his credentials contacted Rong Shu, "The person has been caught."

"I understand, I'm sorry to bother you." Rong Shu thanked him with a smile.

Then, the call ends.

Lu Qi put a cup of coffee in front of her, "Who is it?"

"From the police station." Rong Shu picked up the coffee and took a sip.

Lu Qi was stunned, "Is it about the arrest of Meng Ke?"

Rong Shu nodded, "That's right."

Lu Qi smiled gloatingly, "I know, Chairman Meng is all about making Meng Ke Married into a wealthy family, now Meng Ke has this incident, this marriage to a wealthy family will definitely be in vain, and it will also affect the Meng family enterprises, now Chairman Meng will probably hate this daughter to death."

"You are right . ." Rong Shu smiled.

At this moment, the door of the office was knocked on, and Tong Xi came in, "President Rong, a lawyer surnamed Chen wants to see you."

"Lawyer?" Rong Shu raised her eyebrows, then looked at Lu Qi, "You are looking for a lawyer? What?"

Lu Qi shook his head, "Why should I seek a lawyer when I have nothing

to do?" Tong Xi replied, "That lawyer Chen claimed to be from the legal department of the Fu Group."

"Fu's Group?" Lu Qi narrowed his eyes, "Baby, it's Fu Jingting's person, shouldn't it be the one you said at the press conference, if he offended Fu Jingting, he will sue you too?"

Rong Shu sipped. She pursed her lips, "it's true, you'll know when you see it, please invite him in."

"Yes." Secretary Tong nodded.

A minute later, Lawyer Chen came in and nodded to Rong Shu and Lu, "Mr. Rong, President Lu."

"Lawyer Chen, please take a seat." Rong Shu made a gesture of invitation.

Lawyer Chen thanked her, pulled out the chair opposite her and sat down.

Lu Qi poured him a cup of tea.

Lawyer Chen thanked him again, and then opened his mouth to explain his purpose, "Mr. Rong should have known that I was sent by Mr. Fu?"

"He wants to sue me?" Rong Shu leaned back and stared at him.

Lawyer Chen smiled and shook his head, "That's not true. I came this time under the order of President Fu to redistribute the divorce property with you."

“Divorce property?” Lu Qi exclaimed.

Rong Shu was also stunned.

Lawyer Chen took out a document from the briefcase he brought, “Mr. Rong, this is the property distribution proposed by Mr. Fu, including five villas, two apartments, five cars, and 200 million yuan for divorce and maintenance. Take a look.”

He handed her the document with both hands.

However, Rong Shu did not answer.

Lawyer Chen was not embarrassed, put the document on the table, pushed it to her, and Lu Qi picked it up.

Lu Qi flipped through the documents and sneered, “Fu Jingting deserves just such a thing? After a divorce, shouldn’t the property be divided by half? Should the shares of the Fu Group also be divided into half of our treasure?”

Lawyer Chen listened At this point, cold sweat broke out, “Mr. Lu is joking. When Rong Shu and President Fu got married, they both signed the property notarization, so there is no such thing as the shares of President Rong.”

Under the condition of signing the property notary certificate, Mr. Fu can still give Mr. Rong these, which is already very generous.

It’s not that Lu Qi didn’t know, he pouted and said nothing.

Rong Shu took the documents back and looked at Lawyer Chen, “I want to know, why did President Fu suddenly give me these?”

When she got divorced, she said nothing.

It’s been almost a month since she got divorced, but what is the purpose of giving her so much divorce property all of a sudden?

Knowing that Rong Shu would ask this question, Lawyer Chen pushed back his glasses and said, “That’s right, the reason why Mr. Fu was so indifferent to Miss Rong during the marriage was because Mr. Fu felt that you were aware of his relationship with Miss Manyin. Under the circumstances, President Fu was also asked to marry you, but after today’s press conference, President Fu knew that he had misunderstood you, so he wanted to make up for you, Miss Rong.”

“Oh, that sounds nice.” Lu Qi rolled his eyes, “Make up? The injury has been hurt, and the heart is full of holes, can making up for the baby’s heart recover? And in my opinion, this is not making up, but just to restore the honor.”

“What does Mr. Lu mean?” Lawyer Chen looked at him.

Lu Qi wrapped his arms, “Baby told about her years of experience in the Fu family today, and now everyone on the Internet knows that he is Fu Jingting scum, so he asked you to come here, the purpose is to save some of his own reputation.”

“Uh... ..” Attorney Chen’s mouth twitched, “Mr. Lu, President Fu really doesn’t mean that.”

“No matter what he means, please take these things back, Mr. Chen, I won’t want them. I said that I would leave the house clean and don’t want anything from him, and it’s the same now.” Rong Shu pushed the documents back to Lawyer Chen.

Lawyer Chen was a little embarrassed, “Miss Rong is thinking about it, Mr. Fu really just wants to compensate you.”

“No, I don’t need his compensation.” Rong Shu was still unmoved.

Lawyer Chen had no choice but to leave.

After he left, Lu Qi sat in the seat he had just sat, “Baby, do you really not regret it?”

“What is there to regret?” Rong Shu picked up a document and read it, faintly ‘s return.

Lu Qi shrugged his shoulders and wanted to say something, but the phone rang, he took it out and saw that it was his assistant calling.

“Baby, my company has something to do, go first, call me if you have anything.” He made a phone call.

Rong Shu nodded, “I know, be careful on the road.”

Lu Qi hummed and left.

Rong Shu lowered her head and continued to read the information.

By afternoon, the driver drove her back to Repulse Bay.

While we were having dinner, the doorbell rang.

Rong Shu went to open the door with a cane.

The door opened, and Fu Jingting stood outside the door.

Seeing him, Rong Shu was stunned for a moment, then pursed her lower lip, preparing to close the door.

Fu Jingting suddenly reached out his hand and pressed it against the door, "I have something to tell you."

"I don't think we have anything to say, Mr. Fu should leave quickly. In case someone shoots you entering and leaving my apartment, you may be arrested again. How to arrange it." Rong Shu mocked.

Fu Jingting frowned, "No, I saw it when I came. No one knew I was here."

"Oh? So you feel honored?" Rong Shu's mouth twitched coldly, looking at him, is also icy.

Fu Jingting's heart was a little nervous.

She really doesn't love him anymore.

Otherwise, how could she look at him so indifferently, just like the way he looked at her in the past.

"Why don't you want those things?" Fu Jingting asked in a deep voice, moving his thin lips.

Rong Shu understood what he was referring to, and asked back, "Why do I want it?"

"Those things are the compensation I gave you. In recent years, I've been sorry for you." Fu Jingting looked at her with an undisguised apology in his eyes.

Rong Shu smiled sneeringly, "Didn't Lawyer Chen tell you, I don't need your compensation, since I want to break up with you cleanly, I naturally won't want anything from you, as for sorry for me, that's me too You asked for it yourself, Mr. Fu doesn't need to apologize, Mr. Fu, you can go now."

Chapter 100 Meng Ke's Mother

Fu Jingting stood still.

Rong Shu couldn't close the door either, and couldn't help but push him angrily, trying to push him away.

But she forgot that one of her feet couldn't do anything. Not only did this push not push Fu Jingting away, but she lost her center of gravity and fell backwards.

Fu Jingting saw this, his pupils shrank suddenly, and he stretched out his hand to hold her.

But his hand was slow for a second, just staggered her arm, not only did he not hold her, but he also fell towards her.

Plop!

Rong Shu fell on the carpet at the entrance, Fu Jingting put his hands on both sides of her shoulders and knelt down on her body.

The two looked at each other, stunned.

Rong Shu never thought that things would happen like this, her face blushed and her heartbeat quickened a lot.

Her embarrassed look fell into Fu Jingting's eyes, Fu Jingting's eyes darkened, and he couldn't help thinking of the night she was drunk.

She was charming and charming that night, like a soul-sucking goblin.

Thinking of this, Fu Jingting's body became hot, and his Adam's apple couldn't help but slide, his eyes locked on her slightly opened red lips, he closed his eyelids, and slowly lowered his head.

At this moment, Rong Shu suddenly spoke, her voice was cold and indifferent, "Are you pressing enough, can you get up?"

Fu Jingting woke up suddenly, realizing what he was just about to do, his face tensed, and he sipped thinly. Lips, "Sorry."

He stood up and reached out to her, trying to pull her up.

But Rong Shu didn't accept it. She put her hands on the ground and slowly got up.

Fu Jingting's eyes darkened, and the hand in the air clenched into a fist and retracted.

Suddenly, Rong Shu hissed.

There was a trace of nervousness on Fu Jingting's face that he didn't even know he knew, "What's the matter?"

Rong Shu glared at him angrily, "Fu Jingting, it's all you, your Fu family are born to beat me, right? Just because of the fall, my feet that didn't really hurt that much, are now hurting again. ."

As she spoke, her eyes gradually turned red, and she couldn't help feeling aggrieved.

She didn't have anything to do without meeting him.

But every time she met him, she always had some accidents, which really pissed her off.

Fu Jingting looked at Rong Shu as if she was about to cry, her heart was inexplicably tight, but it didn't show on her face, "I will be responsible."

After that, he bent down and hugged her horizontally.

Rong Shu's eyes widened, and she wrapped her arms around his neck.

But after feeling the skin temperature from the palm of her hand, she quickly released her hand.

"Let go of me!" Rong Shu said coldly.

Fu Jingting turned a deaf ear, carried her into the living room two or three times, then put her on the sofa, took out his mobile phone and made a call, "Arrange a doctor to come over, the address is Repulse Bay."

Repulse Bay?

Isn't that Miss Rong's address?

Assistant Zhang was stunned, and there were many questions in his heart, but none of the sensible ones asked, and answered respectfully.

Soon the doctor came.

Fu Jingting pointed at the woman on the sofa, "Show her feet."

"Yes." The doctor nodded and walked towards Rong Shu.

Rong Shu didn't want to be lame, so she quietly stretched out her feet.

After the doctor read it, he opened the medicine cabinet.

Fu Jingting stood aside, "How is she?"

"Miss Rong is fine, but the ligament, which has been recovering quickly, has been pulled again and needs to be retrained." The doctor found the medicine for promoting blood circulation and removing blood stasis and replied.

so serious?

Fu Jingting frowned.

Rong Shu's expression was also a little bad.

In two days, she would be able to use crutches.

The result is good now, the crutches have to continue to be used for a while, what is this called!

Rong Shu bit her lower lip angrily, her chest rising and falling one after another.

The doctor gave her the medicine and left.

Rong Shu rubbed her brows, feeling a little tired, "Okay, Mr. Fu, let's go too, I believe you can see it, every time you appear in front of me, it brings me trouble, so don't come again in the future. Look for me."

Fu Jingting frowned, just as he was about to say something, the phone rang and it was Gu Manyin.

For some reason, he suddenly didn't want to answer, especially in front of Rong Shu.

But in the end, Fu Jingting answered.

He knew that Man Yin was very insecure.

If he doesn't pick up, she'll keep hitting until he picks up the spot.

"Hey, Manyin." When Fu Jingting called Gu Manyin's name, he looked at Rong Shu out of the corner of his eye.

Inexplicably, he wanted to see her reaction.

However, Rong Shu lowered her head and fiddled with her nails, the expression on her face did not change at all, and she didn't care who he was talking to.

Realizing this, Fu Jingting's heart tingled.

A woman doesn't care about another woman's presence.

That's enough to show that she really let go and didn't love her anymore.

"Jing Ting? Jing Ting?" Gu Manyin shouted on the phone.

Fu Jingting's thoughts were pulled back, and his voice was a little low, "What's wrong?"

"I want to ask you what's wrong, but there is no response after calling you so many times." Gu Manyin pouted a little unhappily.

Fu Jingting lowered his eyes and said in a low voice, "I'm sorry, I didn't pay attention just now. Do you have anything to do with me?"

"You forgot, you're coming to my house for dinner tonight.

"Forgot."

"I knew it, that's why I called you. By the way, where are you?" Gu Manyin asked softly.

Fu Jingting looked at Rong Shu, "I'm entertaining with clients outside."

Rong Shu raised her eyebrows, raised her head, and looked at him with interest.

Fu Jingting was a little uncomfortable looking at her, coughed lightly, and said, "I'll be over soon."

"Okay, then I'll wait for you." Gu Manyin said with a smile.

Fu Jingting hummed and hung up the phone.

Rong Shu put her arms around her arms and said with a half-smiling smile, "I'm socializing with clients, so I'm Mr. Fu's client? I didn't expect Mr. Fu to lie. It's strange."

A slight embarrassment flashed in Fu Jingting's eyes, but he disappeared quickly, regained his usual coldness, "I'll go first, I hope you will consider the matter of divorce and property."

"There's nothing to think about, I said I won't want it or I won't want it." Rong Shu said blankly.

Fu Jingting pursed his lower lip and wanted to say something, but looking at her indifferent face, he finally left without saying anything.

In the next few days, Rong Shu started a legal journey, fighting with Meng Ke, marketing accounts and netizens.

Netizens on the Internet are also paying attention to her lawsuit throughout the process, and eating melons can be said to be full.

In the end, those marketing accounts were detained for three to five days, and other netizens were also fined 200 yuan.

As for Meng Ke, in the first trial, Meng Ke refused to accept and chose to appeal. Even if the lawyer told her that the chance of winning the second trial was not high, the sentence would be reduced by two or three days at most, and it was impossible to be completely innocent.

But Meng Ke resolutely appealed, and today is the day of the second trial.

Accompanied by Lu Qi, Rong Shu came to the court.

Her feet are almost healed. Although she can't run and jump, at least she doesn't need to limping with a cane.

Just when she was about to enter the courthouse, she was suddenly stopped, "Miss Rong."

Rong Shu stopped and turned around with Lu Qi.

The person who came was a middle-aged woman, wearing a famous brand and paying attention to her makeup, but she couldn't hide the sad look on her face.

Rong Shu asked politely and politely, "Hello, who are you?"

"I'm Meng Ke's mother." The middle-aged woman gave Rong Shu a flattering smile.

Rong Shu was stunned, and the expression on her face lightened a lot, "So it's Mrs. Meng, what's the matter?"
