Chapter 25 The Village Chief Is Doubtful

Yun Chang was speechless for a while.

Isn't it just a bunch of soft eggs!

There is no one to settle the account of the matter of human life, what is it if it is not a soft egg?

Even if Widow Wang smashed the old Wang's house, it was Widow Wang who smashed it as Yun Dachuan's daughter-in-law. What does it have to do with Yun Erchuan and the old couple of the Yun family.

Yun Dachuan is dead, Yun Erchuan doesn't stand up for his eldest brother, and the old couple of the Yun family doesn't stand up for their son. At this time, they think others think they are soft eggs. Yun Chang doesn't know what to say about Yun Erchuan.

"Cough... Erchuan, you go to Xiaowangzhuang, ask the old branch secretary of Xiaowangzhuang to come over, and then go to Laowang's house and tell them, and let their family come to deal with this matter."

The old village chief already knew what happened from the villagers. He sat in the corner, smoked his dry tobacco pouch, glanced at Xu Dalan, who was half-sitting on the ground, and continued:

"No matter what, this person has already been injured, we have to make a statement, don't wait for the future, and the two families are fighting back and forth over such a trivial matter."

Seeing Yun Erchuan looking back at Yun Chang and Gu Shinian with hesitant expressions on his face, the old village head glared at him dissatisfiedly, "Go! Your parents are coming soon, girl Chang is here to take care of your parents, I don't need you!"

Gu Shinian couldn't stand Yun Erchuan's stupidity, so he whispered to him,

"Second Uncle Yun, Ah Chang's surname is Yun, and now Ah Chang is being bullied, you should go to Lao Wang's house."

Yun Erchuan reacted instantly, nodded, and ran to Xiaowangzhuang.

Yun Chang was still a little worried, so she leaned into Gu Shinian's ear and asked quietly:

"Second brother Gu, will the second uncle be told by the old Wang family?"

"No, Yun Erchuan came running as soon as he heard the news that you were being bullied, and didn't have time to ask what happened. Even if the old Wang's family wanted to make a cliché, they could only get what Xu Dalan said from Yun Erchuan's mouth. Two bastards. Don't worry, these old village chiefs have taken it into consideration, otherwise they wouldn't have sent Yun Erchuan to Xiaowangzhuang."

After listening to Gu Shinian's explanation, Yun Chang was full of admiration and looked back at the old village chief with admiration.

The village chief was caught off guard by the village cadres who wanted to hit Xiaowangzhuang and the old Wang family.

No wonder people can be the mayor of the village, their minds turn so fast!

"Okay, it's almost time, everyone hurried to go to work."

The old village chief knocked on the cigarette stick in his hand, and opened his mouth to catch the villagers watching the fun.

"For those who advance to the house, you stay for a while, and there are three pillars, you also stay!"

Yun Chang noticed that the two people the old village chief asked to stay were Aunt Li next door, and the young man who had sent Erlaizi to inform the old Yun family before, they were all quick-talking people.

incredible!

This is even a helper who will fight with you later... No, the witnesses of the incident are all ready.

Thinking of this, Yun Chang bent her eyes and smiled secretly, and a smile flashed in Gu Shinian's eyes.

This old village chief is really a shrewd person who protects the calf!

The onlookers dispersed, and Yun Chang only saw five members of the Yun family coming from a distance.

Mr. Yun walked in front, and Yun Shuilian followed behind with the wobbly old lady. The old lady's small pointed feet were walking fast, and next to her was Li Hongmei, who was holding the embolus.

"I don't know what's going on with my Sang-nan! Heavenly killing Wang's family, a whole bunch of idiots! Shuilian, you run fast, go and see if Sang-nan is hurt, Er Lai Zi can't say anything. Clear. There is also the eldest daughter-in-law, why do you just watch people bully Shangnan..."

From a distance, the old lady Yun came over with a crying voice.

Yun Chang's eyes couldn't help but get wet when she heard it, she broke free from Gu Shinian's embrace and ran to the old lady quickly.

"Milk! Don't worry, I'm fine!"

"Oh, darling, don't run, walk slowly, don't fall!"

The old lady saw Yun Chang stumbling over,

A pair of small feet moved more happily.

After catching Yun Chang, she hurriedly touched her head and face, and she was relieved to see that she was not injured.

The old man Yun also stared at Yun Chang quickly, and then walked towards the old village chief.

The old village chief had been secretly looking at Gu Shinian before, but when he saw Mr. Yun, he hurriedly pulled him aside and said in a low voice:

"Brother Yun, have you heard about the matter? I asked Erchuan to go to Xiaowangzhuang to inform someone. Then Xu Dalan seems to be seriously injured. You have to know how to deal with this later."

"Village chief, you also know that Er Laizi can't speak well. What the hell is going on? I'm still confused right now. You can give me a thorough understanding first."

Mr. Yun really didn't know what happened, only that Yun Chang was bullied, and when he saw Xu Dalan's tragic state, he was also taken aback.

The old village chief lowered his voice, said the matter again, glanced at Gu Shinian's direction again, and secretly inquired with Mr. Yun:

"Brother Yun, tell me if what these two children said is true? If it is true, it will be easy to deal with today. If it is false, let's think of other ways. People and children lose money to Lao Wang's family, this is making a fortune for your family girl!"

Mr. Yun is really speechless now.

He really didn't know what Gu Shinian was about. He originally planned to ask after work in the morning, but this incident happened early in the morning.

"What's wrong? That boy is lying? Is there a problem with his identity?" The old village chief narrowed his eyes.

"Village chief, I'm not afraid of your jokes, that boy didn't go to our Lao Yun's house, he went to the eldest daughter-in-law's house as soon as he came..."

"So, you don't know the details of the baby..." The village chief was a little disappointed, and he couldn't smoke the dry tobacco bag.

"Village chief, I think that the baby's words can be trusted 70% to 80%. Do you think, if it's really a lie, where would a little boy make up such words as 'provincial military district courtyard' and 'guardian'?"

Although the old man Yun said so, his heart was full of emptiness.

When Yun Erchuan came back last night, he told Gu Shinian that he was a child in the county town. Suddenly, a father who was a high-ranking official in the provincial capital appeared. No matter what Mr. Yun thought, he thought it was unreliable.

But Xu Dalan was beaten so badly. If Gu Shinian's identity couldn't control the people in Xiaowangzhuang, I'm afraid it wouldn't be so easy to end today, maybe Gu Shinian would have to be beaten.

For now, we still have to take Gu Shinian's identity firmly. When this matter is over, let Gu Shinian leave Xinglin Village quickly. Even if the Wang family knows that they have been deceived and can't find Gu Shinian, they can only do it. Eat this dumb shit.

The old village chief looked back at Gu Shinian's new clothes, nodded, and said:

"Then it's easy to handle. You'll be tougher later, but don't pull the back of your backer."
