Chapter 28 Apology

"Second Uncle Yun, please go to the county seat and help me sue Xu Dalan for slandering and defaming the families of active officers, intending to sow discord between the army and the local people, and is suspected of being an enemy."

After Gu Shinian finished speaking, the eyelids of the two village cadres jumped.

There are many children in this city, and their brains are also bright!

With an ordinary village scolding, if he opened his mouth, he would be labeled as an enemy special suspect.

Enemy!

This is the most serious crime at the moment.

If Xu Dalan really went in, he would have to lose Half-Life if he didn't die.

"Okay, I'll go right now." Yun Erchuan was also happy when he heard it, he responded, turned around and walked out of the village.

But Aunt Li was still on the sidelines and said, "Shit! It's time to let Xu Dalan squat and be shot! Do you think everyone is as easy to bully as a girl? This is a child from the courtyard of the provincial capital military region, and he is a child of a child. Dad is a high-ranking official in the army, and he goes out with a car and a security guard, so that you can put shit on your child's head at will?"

The people of Lao Wang's family were dumbfounded. Is this child really so big?

Seeing that Yun Erchuan had walked to the entrance of the village, Xu Dalan was so frightened that her face turned pale, and she sat down on the ground. Boss Wang looked at his daughter-in-law, and then at Old Man Wang who opened his mouth and didn't know how to react, and rubbed his hands in a hurry.

Only the ignorant old lady Wang heard that Gu Shinian was the son of a high-ranking official of the provincial army, her eyes brightened.

A child of a high official?

Great! Can waste a lot of money.

"Oh, there's no reason for it! It's reasonable for the young master of the official family to beat someone. If you don't lose money, you have to sue the police! This is a new society. If you dare not give us people a way to live, I will go and sue..."

Old Man Wang was so disturbed by Mrs. Wang's cries that he regained his senses. Seeing that she was sitting on the ground and started to splash again, her head grew big:

"Shut up! It's time, why are you arguing!"

Old Madam Wang seemed to have pressed the pause button, blinking her triangular eyes, and looked at Old Man Wang blankly.

"Why are you standing still? Why don't you chase Erchuan back!"

Old Man Wang turned his head and yelled at his son again. After seeing him chasing out, he squeezed out a smile and looked at the village party secretary with embarrassment.

Their old Wang family can't have a daughter-in-law who has been in the game. Similarly, if there is a suspect of the enemy in Xiaowangzhuang, the face of the village cadres will not look good.

Old Man Wang was also smart. Knowing that he couldn't speak well in front of Lao Yun's family and Gu Shinian, he pointed at the village party secretary who also didn't want Xu Dalan's accident.

Seeing this, the village party secretary was really depressed.

This old man Wang is really not that particular about him. He can't think of him when he encounters good things, and he thinks of him for this kind of bullshit that gives people a smiley face.

But he really can't ignore this matter today. If Xu Dalan gets into the bureau with his reputation as an enemy spy, he will have to bow his head to other village cadres when he goes to the town for a meeting in the future.

The old party secretary put down his dry tobacco pouch, and reluctantly spoke to the old village chief and Mr. Yun beside him:

"Two old fellows, look at this mess... it's just a trivial matter, why did this kid get involved with enemy agents..."

Obviously, the old party secretary still didn't take Gu Shinian too seriously, and even to intercede with Xu Dalan, he was looking for an irrelevant person, not Gu Shinian.

The old village chief didn't speak, took a sharp puff of cigarettes, and then looked at Mr. Yun.

At the same time, he secretly murmured in his heart that the party secretary of this little Wangzhuang was also confused. Ask him what he was doing, even though he was the village chief, but it was also not easy to speak at this moment.

If you have the time to grind your teeth with him, you might as well go to coax the girl directly.

Didn't you see how rare the boy is, the girl!

Mr. Yun also turned his head aside and did not speak.

What a joke!

He's not an idiot, this baby is making a fortune for their Lao Yun family, and even if he can't do anything, he can't turn his head to plead for the people of Lao Wang's family and drag the baby back.

The old party secretary also understood the attitude of the two at a glance.

He turned his head and glanced at Gu Shinian, pulled the sighing Old Wang's head aside, and whispered a few words in a low voice.

Yun Chang is now nestled in Gu Shinian's arms, looking at the old village chief, and then at Gu Shinian, she always feels that there is something she has overlooked.

"Second brother Gu, what are you going to do now?"

Of course, she knew that Gu Shinian was only trying to scare the Wang family, and she wouldn't really want Xu Dalan to go to jail, but the old village chief was too cooperative, didn't the village chief have other purposes?

"Shh, be obedient, just stay and watch the show."

Gu Shinian noticed something was wrong from the attitude of the old village chief. Later, when he saw that the old village chief was helping the Old Yun family to suppress the Wang family, intentionally or not, he knew that he wanted to take this opportunity to make the old Yun family come out. In my heart for several years of evil.

After all, the reason why Yun Dachuan had an accident was all the result of Mrs. Wang's push behind it.

What a pity they lost a strong young man in Xinglin Village for nothing!

Besides, after Yun Dachuan's death, the old Wang family never gave the old Yun family a statement, which was too outrageous.

...

Over there, the old man Wang heard a few words from the secretary, his face turned black, he walked up to Xu Dalan with a sullen face, glared at her and said:

"Get up! If you don't want to get into the game, go and apologize to the girl and the boy. "

Xu Dalan couldn't wait for Boss Wang and Yun Erchuan to come back, and she was so frightened that she had no control. Don't tell her to apologize to Yun Chang and Gu Shinian at this moment,

just ask her to kneel and kowtow, and Xu Dalan will do the same. As long as Gu Shinian can change his tune and keep her out of the game.

"Girl Chang, and this... little comrade..." Xu Dalan didn't know how to call Gu Shinian, and after thinking for a long time, she finally came up with a suitable name, "I was wrong about the morning, I shouldn't make it up I'm scolding you nonsense... Girl Chang, my aunt won't dare to scold you in the future, just tell this little comrade and let me go like a fart..."

Xu Dalan's face was flushed with shame, but she still stuttered and said her apology.

Yun Chang blinked and looked up at Gu Shinian, while Gu Shinian touched her head and turned to look at Mr. Yun.

The meaning is obvious.

This is to ask Mr. Yun to make up his mind,

Old Man Wang's face darkened even more. He turned his head and glared at Old Madam Wang angrily, but he simply walked over and apologized to Old Man Yun:

"My dear, this is what the old man did wrong. She is a woman, she has no knowledge, and she doesn't have a door on her mouth. I will ask the boss to teach her a lesson, and I will no longer be able to bully the girl in the future. son..."

When Old Wangtuo spoke, Gu Shinian had a mocking smile on his face, touched Yunshang's head with his hands, and looked at Old Master Yun, wanting to see how he would respond.

Mr. Yun was smoking a dry cigarette, and after a while, he said:

"This is about me and Comrade Gu Xiao. Whether or not to let Xu Dalan go, the two children have the final say."
