

## Thrive 54

Chapter 54 All three legs are broken!

Yun Chang obediently put the 'salted fish' on the ground into the space, turned around and ran into the house.

Sitting on the edge of the kang, consciousness entered the space again, and after seeing the face of 'Xianyu' clearly, Yun Chang recognized this person as Sun Datou.

At this moment, the memory of Sun Datou in the original owner's mind surged out like a tide, causing Yun Chang's brain to sink.

Sun Datou hooked up with Widow Wang last winter. Every time he went to the door, he would use the cold weather outside as an excuse to prevent Widow Wang from driving the original owner out to guard the gate.

It's a pity that this is not because Sun Datou is kind and can't bear the original owner to go out and be frozen, but this person is a complete pervert. He let the original owner stay in the room because he wanted her to sit on the head of the kang and watch him fight with the widow king and the goblin. That said, it was very exciting.

If it wasn't for the strong objection of the widow Wang, the original owner would have long ago had no idea how many times the needle had grown.

Widow Wang has a fiery temperament, she is not happy, Sun Datou really dare not force it. It's just that every time the two of them were fighting fiercely, Sun Datou would secretly open the door of the kang cabinet while Widow Wang was not paying attention.

In this way, as long as the original owner turned his head, he could see the scene of the fight between him and the widow king.

Widow Wang didn't know about these little things Sun Datou was doing, she thought the original owner was a cheap hand, and opened the door of the kang cabinet by herself. For this, Widow Wang beat and scolded the original owner a lot.

What's more, Sun Datou took advantage of Widow Wang to go to the toilet several times, deliberately left his lower body naked, opened the door of the kang cabinet, and forced the original owner to look up at him with a smile.

Yun Chang knew that Sun Datou would become more and more bold and unscrupulous because the original owner would not speak or resist.

The original owner was young and his brain was not very bright. He didn't know what Sun Datou's behavior meant, but Yunshang had seen many news reports about molesting young girls, and he still didn't know what was going on.

It's just that she never imagined that such a thing would happen to her body.

Last winter, the original owner was only four years old!

Sun Datou this beast!

The original owner was younger than his daughter, how did he do it!

Yun Chang's face was pale with anger, and his whole body was shivering. When he thought of those disgusting pictures, his heart felt as if he had eaten flies, and he retched in disgust.

Gu Shinian pushed open the door and came in. Seeing Yunshang sitting on the ground and swinging again and again, his face changed greatly with fright. He stepped over a few steps, picked up Yunshang and placed it on the kang:

"A-Shang! A-Shang? Tell the second brother! Where is it uncomfortable? Where is it uncomfortable?"

Yun Chang's eyes were swollen red, the hand holding Gu Shinian's arm was still shaking, and the teeth in his mouth were biting, "Second... brother, kill, kill, kill him!"

Yun Chang was so angry that he couldn't even speak smoothly.

She really wanted to kill Sun Datou, this kind of beast is not worthy of living!

If you let him off easily, once there is a chance in the future, I don't know how many girls will be molested by him.

"Ah Chang, speak slowly, there is second brother here, don't be afraid! Don't be afraid, second brother will vent your anger!" Gu Shinian put his arms around Yun Chang, raised his hand and stroked her head one after another, slowly comforting her mood.

Although I don't know what happened, but looking at Yun Chang's appearance, it is obviously angry.

After thinking about it, the only one who can provoke Yunshang is the concubine of Widow Wang who just climbed over the wall.

"Ah Chang, tell the second brother, what happened?" Gu Shinian asked again.

Yun Chang was furious at the moment, and she couldn't suppress the anger in her heart, nor did she care to answer Gu Shinian's question, her consciousness entered the space, and she tied Sun Datou and Widow Wang with a rope, and then The two pulled out of the space and threw them in the middle of the room.

He pushed Gu Shinian away again, jumped off the kang, and took out a lot of things from the space, baseball bats, drying racks, deboning knives, electric batons, axes, and long locks used to lock the glass doors of the storefront... ...

Yun Chang grabbed the long lock,

He slapped the two people on the ground head to head.

These shameless dog men and women! not human! Not as good as pigs and dogs!

You should be beaten to death!

It should be pulled to dip the pig cage!

Yun Chang's strength was small, and he was exhausted after a few hits, but the anger in his heart became more and more intense.

She is really useless, the beast is right in front of her, and she is beaten and scolded, but she doesn't even have the strength to beat the beast...

Although Widow Wang was stupid, she also knew the pain. After being beaten a few times by Yun Chang, she was about to cry. Gu Shinian quickly blocked her mouth with a baseball bat, moved over to a chair, and carried Yun Chang to the chair, saying:

"Ah Chang, you command, the second brother will fight for you! You say, who should we fight first?"

Yunshang was exhausted, panting, staring at Sun Datou with two eyes, and reaching out to the lower body of Sun Datou:

"All three legs are broken!"

Yun Chang's hint was so obvious that Gu Shinian could guess the reason for her anger.

Immediately, his face was ashen, his body was cold, he took out the electric baton from the pile of weapons, and turned his head to look at Sun Datou.

Sun Datou just woke up at this time, and when he opened his eyes, he saw Yun Chang, like a king of the mountain, sitting upright on a chair, pointing down at the part of his man symbol, with a fierce look, the dignitary abolished his three articles. leg.

Out of a man's instinct, Sun Datou quickly wanted to understand the meaning of three legs, and immediately rolled his eyes and almost fainted.

How can this girl speak?

What the hell is going on here?

He just had sex with Widow Wang before his business trip, so why would he have three legs broken by this girl?

Wouldn't that be the eunuch of the past?

Looking at the black stick in Gu Shinian's hand, Sun Datou was scared to death, struggling to move his body while trying to get close to Yun Chang:

"...Shang, girl, I, I'm your uncle grandson, what are you doing here?"

Yun Chang hated even looking at him, how could he talk to him.

Gu Shinian even thought that he woke up and got in the way, so he found Widow Wang's towel, picked it up with a stick, and spun it into Sun Datou's mouth.

"A-shang, be good, turn around."

Yun Chang shook his head firmly, "No, I want to see with my own eyes that all three of his legs are ruined!"

Gu Shinian didn't insist, holding the electric baton, and stabbed Sun Datou in the crotch.

Yun Chang looked at Sun Datou like a fish out of the water, blushing, twitching and trembling painfully on the ground, and it took more than ten seconds to stop.

Gu Shinian picked up the electric baton, stopped for about a minute, and continued to electrify at the original position.

This was repeated seven or eight times.

When Gu Shinian did these things, Yun Chang's eyes widened, watching the whole process of Sun Datou's third leg being abolished for a moment.

There is no fear in my heart, no unbearable, some just calm, and unprecedented fun.

Gu Shinian came over, held Yun Chang's face in both hands, looked into her eyes, and asked word by word, "A Chang, tell second brother, are you more comfortable?"

Yun Chang looked at Gu Shinian, the anger in the eyes that were bright like small torches slowly dissipated, and her mind finally sobered up, "Gu, second brother?"
