

# Today I Give Up Trying

## Chapter 627

In front of the tall King Kong, Zhu Zhide only felt that his calves were convulsing, making his body tremble like a sieve.

It's just that Yuzhi's family is unbelievable.

After hearing this.

The fierce King Kong, as well as the other underground giants of the city, had pleasing smiles on their faces.

Enthusiastically asked:

“Excuse me, are you Mr. Zhu Zhide? Can you tell us that King Kong and all Yunhai martial arts members are here to visit Grandmaster Lin!”

Master Lin!

These simple words fell in the ears of Yuzhi and the rest of the family like thunder, making them stare one by one, and their eyeballs almost fell out.

Master Lin!

They have heard of it even if they are ordinary people.

Some time ago, King Kong took a few disciples to Jiang City to challenge.

It was Master Lin who gave instructions and let King Kong and others lose everything.

In the past few days, the news of the assassination of Kelly caused a sensation throughout China.

Among them, the most shocking thing is that Master Lin, who turned out to be a Grand Master.

King Kong and others, are you here to find Grandmaster Lin who rescued Kelly?

Thinking of this!

The cold sweat on Zhu Zhide's forehead, like a tide, rushed down:

“Mr. King Kong, you... you are looking at the wrong place! We are ordinary people, Great Master Lin is not here?”

Zhu Zhide almost cried.

Facing underground giants such as King Kong, he only felt as weak as a small ant.

Just hearing this.

There was no anger on the faces of King Kong and others. Instead, the smiles became more enthusiastic and respectful:

“Mr. Zhu, Grandmaster Lin is Mr. Shaun! As far as we know, your wife is the aunt of Mr. Shaun and Miss Elvira!”

Huh!

When King Kong’s words fell.

The entire Zhu family went completely quiet.

Yuzhi’s family, and even Ma Lao and others who came in before, were completely confused.

Shaun?

Shaun again?

Everyone is unbelievable. The legendary Mr. BLOOD in the painting world is Shaun, the great master of China, Shaun?

How can this be?

“I... I get it!”

And when everyone looked confused, Zhang Kaiming suddenly let out a scream of horror.

Everyone looked at Zhang Kaiming.

Zhu Ru asked curiously and incredulously:

“Husband, what do you get?”

“I finally know why Shaun clearly broke Young Master Qin’s fingers, but he still came to our house swayingly!” Zhang Kaiming seemed to understand completely. He wiped the sweat from his forehead and said in horror:

“It is precise because he is Grandmaster Lin! So, he doesn’t care about Qin Group’s revenge at all!”
