

## TIMELESS LOVE

### CHAPTER 10 LONG TIME NO SEE, MR. DAVIS

Because Mr. Sun and Mr. Wang were splashed with tea and overreached themselves, they came to the Taylor Group early the next day with enough bodyguards.

Hathaway promised to pay back the money today. If she didn't pay back the money this time, they wouldn't be polite to her at all. They would take her away to play with her first and then throw her to the men who coveted her.

However, their dream was completely shattered.

Hathaway didn't show up at all. Instead, she sent Barry directly to throw each of them a check with the amount owed to them clearly written on. From then on, they were no longer qualified to come here to embarrass Hathaway.

Because Hathaway paid back the money, the gossip about her was spread again.

It was said that she spent a day sleeping with several wealthy businessmen to gather up enough money.

"This is ridiculous."

Nick was having dinner with Leon when he saw these rumors.

"If she did this, could those people not even give her 500 thousand yuan?"

Leon raised his eyebrows and asked,

"What do you mean?"

Nick shrugged.

"She borrowed 500 thousand yuan from me..."

Leon disliked Nick's behavior very much.

"When did you become so kind?"

Nick shook his head and smiled,

"I'm not doing this out of kindness. I just think she is actually quite poor..."

Leon didn't agree with what Nick said. Was she poor? Why didn't he see that she was poor?

Wasn't she very capable? Hadn't all her debts been paid back?

In the evening, Hathaway had a dinner party, and she said to Barry before leaving,

"I'm in a bad mood recently, so I'm going to get drunk tonight. You must protect me well and don't let any man take me away."

Barry was v

ery loyal.

"Don't worry, boss. You can drink as much as you want."

With this, Barry added,

"What if Leon Davis wanted to take you away?"

As far as he knew, Leon Davis would also attend the banquet tonight. Didn't his boss always want to sleep with him? What if she succeeded tonight?

However, Barry found that his boss seemed to give up. Because she hadn't asked him to inquire about Leon Davis's information these days.

Hathaway laughed and her beautiful face was full of self-mockery,

"Leon Davis?"

"He hated me very much. There is no hope between us. Therefore, I am not going to tease him."

In the evening, Hathaway wore a blue dress to attend a party. Her chest and shoulders were slightly exposed, and her makeup looked clean and clear. It seemed that she was a beautiful and refined fairy in clear water, but she gave people a fatal temptation.

Didn't those people say she was debauched? She must show them the fairy-like look.

Because Barry was with her, she drank happily with everyone she met as if she would never get drunk. Almost all the men present had clinked glasses with her before she came to Leon.

At this time, Hathaway was drunk and she never thought Leon was here.

After toasting, she saw that the man in front of her was Leon Davis. She smiled at once,

"Mr. Davis, we haven't seen each other for a long time."

However, Leon could detect that although she showed a natural smile, her eyes and tone had no previous attempt, and she simply showed a false smile.

Actually, Leon had already seen her early. She dressed so conspicuously that it was hard for him not to notice her. When she stood with her young assistant, they were very eye-catching.
