

《The Mysterious CEO》

123 'sLITTLE CHAMP.... LEAVE HIM...YOU BAS***D's

"But...I want him and I will take him" Mo Jinnan said.

Mo Jinnan's team started walking towards Lu Lan and Little Champ. Lu Lan tightly hugged Little Champ.

However, Si Li's team stopped them and started to fight with them. They never expected that there would be a day, where they had to fight with their allies.

Lu Lan saw that all the servants were fighting with Mo Jinnan's team and backside was clear. This penthouse had a back door, if she could get out of here, she would be able to call the police for help.

So she immediately ran towards the back door, while Little Champ was in her arms. However, before she could reach towards the door. Mo Jinnan and his two men stopped her and wrench Little Champ from her arms.

"Wahhh...!"

"LITTLE CHAMP.... LEAVE HIM...YOU BAS***D" Lu Lan angrily yelled and tried to get Little Champ back.

"Miss Lu, he is not your son. Why are you risking your life for him?" Mo Jinnan said.

"He is my son. Give him back to me".

"Wahhh...!"

Little Champ was crying and hitting the man to get down from his arms.

"Take him away from here" Mo Jinnan ordered to his man.

"NO!...LITTLE CHAMP" Lu Lan cried out and she was hitting the man to get Little Champ.

However, a man stopped him and another man started walking towards the back door.

However, before he could reach towards the door, a bullet hit on his head.

Bang!

Before, one could understand what had happened?...

One more bullet hit on the head of the man who was stopping Lu Lan.

Bang!

And one more bullet hit on the leg of Mo Jinnan.

Bang!

Little Champ was about to fall from the arm of the man, however, Lu Lan ran towards him and caught him and prevent him from falling.

"Little Champ, are you alright?" Lu Lan worriedly asked.

"Mommy...." Little Champ cried out.

It was the first time Little Champ called her 'Mommy'. However, sadly, in this situation, she was only thinking about saving him instead of being happy.

Even Mo Jinnan fell on the ground.

Mo Jinnan's eyes turned red and his two men immediately died on the spot.

Mo Jinnan was so much pain, but he endured and turned to look back and saw that Si Li was standing there and he was holding the gun.

Soon, 500 men came inside the living room and pointed their gun at Mo Jinnan's team.

In a minute, the table turned around and now the situation was under his control.

"Hubby...." Lu Lan looked at Si Li and started crying. Till now, she was acting bravely and even to save Little Champ, she was ready to give her life. She so scared, she thought she would be able to see Si Li again. Numerous thoughts were coming in her mind.

'Whether he would be saved or not?'

'Whether he would be live or not?'

'Where was he?'

'Why didn't he come here to save them?'

Mo Jinnan's team detained Si Li and Mu Che in Mr Jack's office. However, they didn't know that Si Li didn't send his team back to City Z. His team was still in the USA. Si Li's intuition was telling him that something might go wrong and his intuition was right. Mi Jinnan detained Si Li, which was something unexpected for Si Li also.

However, it was Underworld and anything was possible here. It would be better, you should be prepared for it.

Si Li pressed the button, which was hidden in this watch and immediately signals went to his team.

There were a hidden camera and GPS in his watch, through which his team could trace the position of Si Li and could see what was happening?...

Si Li studied Electronics Engineering and he had invented many security devices like hidden Camera and GPS in his watch, microphone in Mo Jinnan's watch and even the alarm system in his penthouse.

Si Li had interested in Electronics Engineering and Computer Science and he wanted to pursue his career in those fields.

However, he had to drop his dream and take over Si Corporation and be the part of Underworld like Mo Jiang did.

However, he still liked to spend some time to create new inventions liked Mo Jiang spent some time to play football.

Even if Lu Lan would like to take over Si Corporation because she already had interested in business management then Si Li would be happy to hand over Si Corporation to her.

In the next 30 minutes, Si Li's team reached to the warehouse and attacked Mo Jinnan's team. They didn't kill them as it would be the waste of their talent, however, Si Li's team broke the bones of Mo Jinnan's team. So that Mo Jinnan's team spend some months in pain and they would definitely pay attention to the consequence before going against Si Li in the future.

Back to the present...

Mo Jinnan was lying on the ground and blood was flowing out from his leg and he was in so much pain. However, this pain was nothing in comparison to the pain which he got after seeing the betray of Liu Juan and Little Champ.

For Liu Juan and Little Champ, Mo Jinnan gave his Bro Brother to them and in return, what they had done....

They tried to kill Mo Jiang. If Si Li didn't reach at the right time on Juan's Villa on Little Champ's birthday, then they would have been lost Mo Jiang's life.

"Why...why don't you kill me instead? Huh?" Mo Jinnan frustratingly asked.

Mo Jinnan couldn't believe that Si Li still wanted to save Little Champ...

Instead of answering him, Si Li looked at Mu Che and told him "Take him to the hospital".

Mu Che went towards Mo Jinnan, however, Mo Jinnan pushed him away.

"Why...Why do you want to save him? Because of that b*tch I almost lost my brother and this b*tch of son has saved her and you...you still want to save him... Aren't you afraid that someday he would kill your wife and then would run away like that b*tch... What will you do then? From the last three years, we are searching for the culprit like a dog and because of this, I can't marry Tianxin. From the last three years, you haven't rested for a single day. ALL BECAUSE OF THIS BAS***D WHO SHUT HIS MOUTH ONLY TO SAVE THAT B*TCH. He betrayed his own father... He betrayed you... ONLY TO SAVE THAT B*TCH" Mo Jinnan shouted and said all his grievances, which he was suffering from the last three years.

"No...No.... I didn't save her... It was Dad, who told me not to tell anyone about her...I didn't save her" Little Champ shouted at the top of his lungs when he listened to Mo Jinnan.

What....? Mo Jiang told Little Champ to shut his mouth....

Why...?
