

《The Mysterious CEO》

220 Freedom ? Part-6

Liu Juan immediately went to practise her skills. She had been staying at the hospital since the last two months, and in addition to that, her performance in the last mission was horrible. She would have been killed by now if Bo Xiao hadn't saved her. Though now she knew his purpose of saving her, she wasn't bothered about it. She just knew that her body had turned weak so she needed to practise as she didn't want to take any risk for tonight's mission, the last mission of her life.

Meanwhile, when Liu Juan left Liu Juan's room and in the next moment, Bo Xiao walked into Liu Ruolan's room.

'Click.'

As soon as Liu Juan left her room, the hatred which Liu Ruolan had been hiding inside her heart couldn't help but show up in her eyes.

Instantly, she grabbed a vase from nearby and was about to throw it to release her anger but then suddenly, the door of her room and Bo Xiao's silhouette came in front of her sight.

"You are not planning to throw it at me, are you?" Bo Xiao questioned and walked towards her.

Though Liu Ruolan was also angry at Bo Xiao, she couldn't show it in front of him just like she didn't show her hatred in front of Liu Juan.

Thus, she forced a smile on her face. "Not at all. I just hate to talk to her. You know how much I hate her, don't you?" Liu Ruolan walked towards him and stood in front of him, a step away.

However, she then realized how Bo Xiao entered her room right after Liu Juan left from there.

"How do you know Liu Juan was here? Are you keeping an eye on her?" Liu Ruolan questioned as she wanted to know every possible information to continue to make a fool of both Liu Juan and Bo Xiao to make sure her plan would be successful.

However, Bo Xiao considered her a fool as he smirked at her. "Not just her but you also..." He turned to look at the corner of the curtains.

Liu Ruolan frowned at him at his words and then followed his sight to the curtains where she noticed something which she hadn't noticed before.

Immediately Liu Ruolan's eyes opened widely, 'Camera!'

A small camera was hiding there. Who could hide it there?

Bo Xiao?

When did he hide it here? Why didn't she notice it before?

Since Bo Xiao came to talk to her about Liu Juan's plan and his plan was to not only counter Liu Juan's plan but also to get rid of Liu Juan's life as well, she thought that he, at least, trusted her but no!

She was wrong!

Bo Xiao had never trusted anyone for anything, nor he would.

Bo Xiao noticed her hurtful experience but didn't heed much to it. Instead, he walked toward the couch to sit there while putting legs, crossing them one above the other, on the coffee table that was placed in front of him.

Liu Ruolan stood there and he turned to look at her.

"You know I don't trust people easily." Bo Xiao nonchalantly said.

"But I thought I was different!" Liu Ruolan inconsolably said.

"You weren't..." Bo Xiao paused to see how foul her expression looked. He liked to see how girls always worried about getting his attention and if they didn't get it then they were hurt miserably, such that they were ready to die as they couldn't find the purpose to continue to live.

However, on the other side, there was Liu Juan whom Bo Xiao personally confessed his feelings to but then what did she do?

Instead of being grateful that he liked her, she not only disregarded his feelings for her but also she blackmailed him.

Now he would let her know what it meant to hurt his feelings.

Back to Liu Ruolan's feelings.

Before Liu Ruolan burst out in tears, Bo Xiao continued with a smile "...but you are now!"

As expected, Liu Ruolan's expression eased and a smile couldn't resist but form on her face.

"Really?" Liu Ruolan walked to him and in the next moment...

Bo Xiao held her hand and pulled her to make her fall on his chest. "Ouch..."

"Do you know what else I found through this camera?" Bo Xiao asked while his hands moved down towards the hem of her dress and then moved up inside her dress towards her panties.

But Liu Ruolan didn't notice it. This sudden pull was shocking to her as Bo Xiao never did anything like this before and his question planted fear in her mind.

Did he know something else which he shouldn't have to?

Still, Liu Ruolan continued to maintain her expression, "W-what?" She stutteringly asked.

"That...How much I miss this body." Bo Xiao immediately pinned her down and removed her panties.

Before she could sigh in relief completely, he immediately pinned her down, removed her panties, and thrust himself inside her ferociously.

It had been a long time since Bo Xiao didn't have sex with any woman as his thoughts were filled with Liu Juan but after she rejected his feelings and threatened him, his mind had stopped thinking about it.

Though he did have a plan to bring Liu Juan to his bed and torture her to the point that she would regret her words and this time, he wouldn't just think but do it!

Till then Bo Xiao decided to torture Liu Ruolan who looked just like Liu Juan.

Initially, Liu Ruolan liked this feeling which she hadn't felt since so long that she dearly missed his roughness. Though it hurt her, it felt so good.

"Mmm..."

"Urgh!!!"

The room was filled with her moans and his groans when he released himself inside her.

However, with the passage of time, Bo Xiao continued the second, third, fourth round without any break in between and his actions turned more ruthless such that even Liu Ruolan couldn't help but cry out.

"Ahh...Slow....Slow down...I can't take...it."

Hearing her voice, Bo Xiao came to realize that the woman under him was Liu Ruolan, not Liu Juan.

Instantly, he felt so disgusted that he abruptly stood up and started to put his clothes on, "You must be tired, take some rest! I will see you tonight. Don't disappoint me!"

With that, Bo Xiao left her room.
