

《The Mysterious CEO》

Chapter 306 - House-arrest (Part-2)

Mo Jiang stopped upon hearing her words.

It was not that he was still angry at her but he did not want to forgive her so easily. Otherwise, she would keep bringing Liu Ruolan into their family which was the last thing he wanted.

Liu Juan did not understand but Mo Jiang knew that Liu Ruolan was not a trustworthy person.

Mo Jiang's sight went to her artificial leg which was kept outside.

He did not want to go inside but since Liu Juan fell at the time when Little Champ was in her w.o.m.b, he was terrified to see her in pain.

He took the towel and walked inside the bathroom.

Liu Juan's body was immersed inside the water in the tub. Her fair face had turned red under the effect of the humidity and the heat rising up from the hot water. Her hair was tied in a loose bun leaving a few locks falling on her b.a.r.e shoulders.

She was looking so seductive that Mo Jiang's throat dried up immediately.

Her moist twinkling eyes were shining under the dim light as she looked at him.

"Help me." She stood up and immediately she lost her balance.

"Careful!" Mo Jiang shrieked and walked to hold her before she could fall.

However, Mo Jiang was pulled inside the tub and fell along with her. Liu Juan fell on top of him as the water of the tube splashed all over outside the tub.

Although Mo Jiang saved Liu Juan from getting hurt, he could not save himself as in the next moment, Liu Juan sealed his lips with hers.

Mo Jiang was completely caught off guard and the thing of which he was most afraid of, happened. He lost his sanity.

Liu Juan put her left arm around his neck and pressed her n.a.k.e.d body against his body leaving no gap. His t-shirt got soaked, hence making his abs visible to her passionate gaze that she could not help but roam her right hand on his sturdy c.h.e.s.t.

Moreover, her lips were l.i.c.k.i.n.g and teasing his lips making him completely defiant against his self-control.

Soon she entered her tongue in his mouth, teasing his tongue. Emotions burst out in his mind such that he wrapped his hands around her soft n.a.k.e.d body. His eyes were closed and his body subconsciously co-operated with her.

Perhaps, that was why his emotion was such a weakling in front of her.

Fortunately, soon after he understood that he was not the only one who fell into the tub but was also into his wife's trick.

His eyes shot open and he immediately broke off their kiss. Liu Juan grunted in disp.l.e.a.s.u.r.e. She was enjoying this kiss.

Mo Jiang always took initiative but this time, she had taken initiative and she was commanding their kiss. It was a kind of different p.l.e.a.s.u.r.e which she was enjoying. Unexpectedly, it stopped abruptly.

"Move." Mo Jiang uttered a word stonily.

"No!" And a quick rebuke came from her.

But as soon as she rebuked, instantly she softened her voice. "Jiang, I am sorry. Please don't be angry at me."

Mo Jiang looked at her without uttering any word. His expression was cold which clearly meant that 'He was not ready to forgive her.'

"Fine! Then beat me. Scold me. Do whatever you want to do but please talk to me. Just don't be like this. I love you, Jiang. You know you are very important to me." Liu Juan tried to convince him, holding back her emotions.

Mo Jiang scowled. "Really?"

He wasn't going to be easy on her this time but instantly, her eyes welled up. "I am sorry... I know it was my fault. I just became greedy...I thought I got you and our son, I will bring her back too...I am sorry....I didn't mean to hurt you." She sobbed as she could not hold back.

Tears were the last thing he wanted to see in her eyes.

"She can't join our family." Mo Jiang said softly and wiped her eyes. He didn't continue with his anger anymore.

"I know...I know...I am sorry. I don't mean to hurt you. You are the only one I have, I don't want to lose you." Liu Juan's heart broke upon hearing him say that Liu Ruolan could not join their family but she did not say a word against it.

She knew what he was saying was rational but nothing could stay hidden from Mo Jiang's eyes.

One look at her and he knew what she was thinking about.

"Alright, what is there to be upset about? Is my and Little Champ's love not enough for you? Let me show you how much I love you." Mo Jiang said to cheer her up and pulled her closer.

"Don't-" She resisted. Since Mo Jiang knew what was running in her mind, she did not hide her unhappiness.

"Why? Did you not pull me here to show your love to me?" Mo Jiang asked unhappily.

"I did but you always rule over me. Never let me do things on my own." Liu Juan voice out her grievance in a hoarse voice.

"Alright, tonight I will let you rule over me."

"Fat liar." Liu Juan pouted. She would not believe him.

"We will see." Mo Jiang pulled her out of the water and walked inside the room.

Soon after, Liu Juan's mood improve a little bit that she got the chance to rule over him in their bed war for once in the time of three years of their marriage life but soon, she realized how hard it was.

Soon, she gave up and Mo Jiang had to take charge otherwise they could not sleep peacefully.

With that, the cold war between the husband and wife ended and their life turned back to normal.

Nevertheless, Mo Jiang still did not allow Liu Juan to go outside their home alone.

Because of this decision of Mo Jiang's, things turned out to be set on a different course for Liu Ruolan.

After that day, she did not get a chance to meet Liu Juan.

Liu Ruolan had considered the thought that Mo Jiang would know about her sooner or later and that was why she put the blame of her fake miserable life on Bo Xiao, which Bo Xiao was also aware of.

And using that excuse, Liu Ruolan had planned to enter the Mo Family to destroy it completely.

Unfortunately for her, Mo Jiang was not a fool like Liu Juan to trust at Liu Ruolan.

In fact, Liu Ruolan knew about it but she thought Liu Juan would change his thinking about her.

Unexpectedly to Liu Ruolan, Liu Juan had not only failed to change Mo Jiang's thoughts but was also imprisoned by Mo Jiang's men now.

Useless Liu Juan!

'Bang!'

"Useless! I have never seen such a useless person like you in my life." Bo Xiao insulted her.

With the way every day was passing, Bo Xiao was losing his neutral state of mind. Each day was like ants marching on his body just by thinking and seeing some days how happy Liu Juan was with Mo Jiang.

How could she?

She could not be happy with anyone but only with Bo Xiao.

And for that, Liu Juan should have stayed with him.

Dismally, Mo Jiang had been keeping an eye on her like a hawk.

A hawk to which Liu Ruolan and Bo Xiao could not afford to offend.

They could only destroy him secretly which now seemed to be impossible.

"Don't worry, I will do something." Liu Ruolan assured him. Even though she did not know what she would do.

And that was what Bo Xiao asked too. He sneered. "Really? Then tell me. What brilliant plan have you thought of this time around?"

" You will know soon enough." Liu Ruolan gritted her teeth.

She did not like that Bo Xiao questioned her nor she could accept the fact how Bo Xiao was dying to be with that bit*h Liu Juan.

Nevertheless, she controlled her emotions.

She could not forget what Markus wanted if she wanted to get back to her previous lifestyle.

"Your nephew's birthday is in three days. You better be quick, otherwise..." Bo Xiao did not continue with his threats and walked away. After all, he knew that Liu Ruolan was smart enough to know what would happen to her if she was not able to get Liu Juan in their hands.

Liu Juan...

It would be interesting to see how Mo Jiang would save her.
