## 31 'sWhat are you doing there?'s

'Not Again' Lu Lan thought. Of course, she still remembered the Tex Corporation proposal and their marriage contract. Even both things had brought happiness in her life but it was not necessary for the third time, right!

When Si Li saw her keeping silent for quite a while, he suddenly smiled "Little Champ, it seems that your mommy doesn't love you that why she doesn't want to agree to my 'single' condition!"

Suddenly, Lu Lan came back to her senses and she saw Little Champ was looking at her with a disappointment as if he was indicating 'I have fought with father for you and now you can't agree to his one condition'.

Lu Lan understood what Little Champ was trying to say and saw Si Li was mocking at her.

"Fine, tell me". Lu Lan said furiously.

Si Li surely knew how to turn the table.

"Next week, you will stay at home and rest instead of going to the office" Si Li put his trump card.

Now, Lu Lan was cleared what actually he wanted? He told her to rest for one more week but she rejected, at that time he didn't say anything because he knew that if he forced her then she would definitely go for a hunger strike.

Now he changed the situation very cleverly and won this round because she couldn't reject his condition. If she did then Little Champ would think that his mommy loved her work more than him.

"Okay," Lu Lan said and admitted defeat.

Elder Si saw full drama from the up strains and thought 'This rascal always know how to win'.

but he was happy because after so many years he saw the happiness in his grandson's

eyes.

Elder Si always blamed himself for not saving his son and daughter-in-law and put his grandson in a dangerous environment.

"Why are you guys still standing, don't you want to play?"

"Xiao Lan and Little Champ go eat something and you two rascals go start to prepare the field for playing football and Dr Chen stayed here till we finished with our game afterwards check Xiao Lan injury and this time I want a correct report about Xiao Lan from you" Elder Si commanded everyone.

"Sure Elder Si"

"Hmm"

"Okay Grandfather"

"Okay Grandpa"

"..."

Everyone include Little Champ replied to elder Si and left do their respective jobs.

Afterwards, two teams were formed.

Team A: Si Li, Lu Lan and Little Champ.

Team B: Elder Si, Si Yan and Dr Chen.

Madam Si was Referee.

Of Course, captain for Team A was Little Champ and for Team B was Elder Si.

And the winning team without any doubt was Team A.

No one dared to fight against Si Li and where Lu Lan and Little Champ had involved, no need to asked and wait for the hint from Si Li.

After playing football everyone was tired and therefore they had their dinner and leave to their rooms for rest.

Lu Lan after coaxed Little Champ to sleep then she went to the balcony, she was very happy that she got a family who loved her and doted on her.

"What are you doing there?" Si Li returned to his room and saw Lu Lan was standing in the balcony.
