At the same time, Si Li came inside. Lu Lan saw Si Li and she ran towards him and hug him instantly.

"Where were you? I was so worried about you. Why did you take so long?" Lu Lan said in a sad tone.

Si Li patted her back to comfort her "Sorry, but I was busy".

"Ohhh... Really, Sister-in-Law?" Si Yan came into the living room and teased Lu Lan.

"Actually, Xiao Lan had a nightmare about you and she was very worried about you so she didn't eat anything since yesterday. Sorry, Xiao Lan". Madam Si shrugged her shoulder and helplessly told the truth.

"After your breakfast, come to the Si Corporation. I heard that the profit of Tex Corporation exceeded 50 million dollars. So you can now join Si Corporation. Come to the office and meet me. Okay?" Si Li said and turned to leave.

"But Xiao Li you just returned. Why don't you rest first?" Madam Si said in a concerned way.

"Thank You, Miss Su. But I have some urgent matter to deal with. I have to leave now" Si Li said and went upstairs.

After Si Li left, Lu Lan saw the worried expression of Madam Si then she hugged her to comfort her and said with the determination "Don't worry, Mom. Now I will work for Si Corporation. I will make sure to take care of Mr.Si 's health, and most important thing, from next time I will make sure that he won't go for this kind of long trip. Even if he has to go, I will accompany him".

"Never, I will never leave Mr Si alone, and Brother Yan, I will always remember that just now you have betrayed me," Lu Lan said in a nasty manner.
