"Marry Me" Si Li interrupted.

'What didn't she like Lu Xuelon, how come he wants to marry me?' Lu Lan thought

"I don't want you to remain in this marriage for the lifetime. It is a one year contract after that we will get the divorce and you be free. I am doing this only because the health of the old man is not good and he is focusing me for marriage. If you agree I guarantee to you whatever you want you will get it" Si Li explain the whole thing.

"If I don't agree with you?" Lu Lan asked.

"I think you already facing enough difficulties in our life and don't want to increase it" Si Li warned her.

"Why me?" Lu Lan asked in sad voice.

Elder Lu, who adopted Lu Lan after her parents' death, was a good friend of Elder Si and both the families are also good in their businesses. Although Lu Lan was adopted granddaughter in Lu family, she never got any status in Lu family as compare as cousin Lu Xuelon.

Lu Xuelon was an artist in World Entertainment which was also a subsidiary of Si Corporation and because of both the families' relation, Lu Xuelon got a high level in the entertainment industry and no one wanted to offend her.
