71 'sMiss Lu, it seems that someone is waiting for you at home's.

Even, Little Champ was close to Lu Lan, but he didn't open up with her. Except, playing with her, he didn't share anything to her. Even Lu Lan didn't force him for this, because she knew, time would eventually help him to open up with her.

When Little Champ was two, he became the part of Si Family or even you could say next heir of the Si family. Elder Si and Si Li knew about Little Champ's past, but Little Champ never shared with them about his feeling and some information and even he stopped talking to anyone.

Seeing his close connection with Lu Lan and improvement in his health, both Si Li and Elder Si thought that Little Champ would at least share things with her, but still, he didn't.

Back to present...

"Now, would you tell me about that thing?"

When Little Champ heard Si Li, he subconsciously took few steps back and lowered his head.

Seeing his action, Si Li understood that he was still not ready to tell anything to him.

Therefore Si Li didn't force him further "Fine. Take your time, but you should remember that they killed your mother".

Hearing that Little Champ's eyes turned red and tears started to fall from his eyes.

Si Corporation

Night: 9 PM

Lu Lan had just finished her meeting and she was already tired, but still, she had to do

some work yet. She even badly wanted to go to the hospital and spend some time with Si Li, but she couldn't leave her work as well.

"Miss Lu, you seem to be very tired today," Li Daiyu said with concern.

After Si Li went to coma, Li Daiyu joined to Si Corporation. Since her joining, her performance was top-notch and even she was sweet with everyone.

"Miss Li, I am fine. Thank you for asking" Lu Lan politely said.

Lu Lan was just acquaintance with Li Daiyu and in her thought, Li Daiyu was a good person like Song Tianxin.

"Miss Lu, if you want any help, please let me know," Li Daiyu said with a sweet smile.

"Really?" Lu Lan really wanted to go to the hospital as soon as possible.

"Of course, Miss Lu. After all, we are colleagues and we should help each other" Li Daiyu said.

"Okay, Why don't you join me in my cabin" Lu Lan suggested.

"Sure".

However, when Song Tianxin saw both of them and heard their conversation, she felt uneasy. She decided to join them also because she thought that Li Daiyu was fake. However, Mo Jinnan called her and told her to meet him outside the office immediately.

"What's the matter? Can't we talk at home?" Song Tianxin came outside and annoyingly complaint to him.

"Didn't you say that this meeting was your last meeting for the day?" Mo Jinnan asked in a unhappy way.

"Yes, it is, but I think Miss Lu need my help".

"Why do you think like that?"

"I don't know but I felt uneasy as if something would go wrong and especially related to Miss Li"

"You don't have to worry about Miss Lu. Do you think Si Li allowed anyone to hurt her?"

Song Tianxin thought for a minute and realised that whatever Mo Jinnan had said was right, Si Li would never allow anyone to hurt Lu Lan.

However, what Si Li was planning, nobody knew, not even Lu Lan.

Inside Lu Lan's cabin

Even though Lu Lan got the help of Li Daiyu, but still, it took two hours to complete her work. When they were done with their work, it was already eleven in the night.

"Miss Lu, I have done what you told. Take a look" Li Daiyu passed her some papers.

After going through the documents, Lu Lan was satisfied, she was really impressed with the working style of Li Daiyu.

"Thank You, Miss Li, for your help" Lu Lan sincerely showed her gratitude.

"Miss Lu, if you really want to thank me. Why don't you join for a drink? I heard that a new bar is open nearby. Would you like to join me there?"

Lu Lan wanted to go with Li Daiyu, however, her first priority was Si Li and that's the reason she took the help of Li Daiyu otherwise she never took anyone's help. Especially when this contract was very important for Mo Corporation and Si Corporation.

"Miss Li, I am sorry I won't be able to join you today, but I promise I will treat you a meal later" Lu Lan politely declined her offer.

"Miss Lu, it seems that someone is waiting for you at home".

Lu Lan widely opened her eyes and thought that how could Li Dauyi found out? Might be Lu Lan showed some expressions and that's why people around her found suspicious.
