

《The Mysterious CEO》

77 Family time....

After Li Dayui left, Lu Lan felt an uneasiness and as the file, which fell on the ground earlier by Li Dauyi, was the contract file for which Si Corporation and Mo Corporation were going for the bit.

However, at that time, Mo Jinnan came into her cabin.

"Hello, Mrs Si, can this poor follow come inside?" Mo Jinnan knocked on the door and opened it and stood near the door and wait there for Lu Lan's permission.

Lu Lan came back into her senses when she heard his voice and smiled "Sure".

Lu Lan was now getting used to his humorous behaviour, however, she knew that when it came to work, he changed into a serious mood like Si Li and swiftly solved most of the problems.

That was the reason, Mo Corporation was still able to survive even after betrayed by the Fan Corporation.

Soon, Mo Jinnan turned into the serious mood and went through the proposal, which Lu Lan had made.

After discussing some matters and decided some changes, Mo Jinnan agreed with Lu Lan's proposal and now they only had to wait for the result.

Si Li's Penthouse

As Lu Lan had already submitted the proposal and now she took a day off to spend some time with Si Li and Little Champ.

Even, she planned to organize a family dinner. Si Li was recovering well and after so much stress, it was time to relax and have fun with the family.

Therefore, she invited Si and Wang Family even Mo Jinnan and Song Tianxin were also invited.

Soon Little Champ birthday was going to come, so Lu Lan was going to plan a party for him and she decided to take everyone's opinion during the dinner and plan a surprise for Little Champ.

Initially, Lu Lan decided to cook the dinner by herself, but Si Li rejected that idea because he didn't want her to hurt herself. Even Little Champ agreed with Si Li and surprised Lu Lan.

However, Lu Lan heard from Little Champ's nanny that Si Li had come to Little Champ's room and spent some time with him. Now it seemed that both father and son reconciled their problem and both of them were together again.

Now, the cooking plan was rejected, so to spend time, Lu Lan decided to go for shopping, even Si Li got bored only after spending a single day at home without doing anything.

Now Lu Lan let him taste his own medicine. Last time, when Lu Lan got hospitalized, Si Li made sure that she rest at the home for the whole month, now it was Lu Lan's turned to take her revenge.

Although, it was easy for Si Li to bring his work at home after Lu Lan left for the office. However, Lu Lan left her little soldier i.e Little Champ to keep an eye on him.

But Lu Lan was lenient on Si Li and decided to let him accompany mother-son pair for shopping.

Next day

Lu Lan went for her training and now a new student had joined, Si Yan.

Next month, Professor Chen was going to organize a completion for everyone and who would win that completion, could ask for anything from Professor Chen.

That's why, Si Yan had to join Professor Chen's class so that he could help Lu Lan in her practice and she could make sure to get hurt less.

After breakfast, the family of three went for shopping.

Because of the last attack, Si Li already made security arrangement without letting Lu Lan and Little Champ know. He didn't want to ruin their enjoyment with the bodyguards around them. Therefore, his team was already present there, in civilian

dresses.

When they reached at the store, the store manager personally came to attend them. This time Lu Lan brought all the things which she found cute for the Little Champ and some good bright colour suits for Si Li, as his wardrobe had only dark colour suits.

When Lu Lan was buying the things for Si Li and Little Champ, father-son pair already brought things for Lu Lan. In fact, they already purchased half of the latest collection from the store for Lu Lan.

When Lu Lan reached at the cash counter, she was shocked to see that father-son pair already waiting for her, with the huge bags beside them and all the items in it were for her.

Lu Lan really didn't understand them, sometimes both father-son pair fought like they were enemy and wanted to vanish the other party at that moment for their lover and sometimes they behaved like they were best friends and helped each other so that their lover would be happy.

Surprisingly, their lover was a one person i.e Lu Lan.

Lu Lan felt warmth in her heart and thought that might be, she had saved the world in her previous life that's why she got the two precious persons in this life.
