## 8. I give you 24 hours

Lu Lan knew that Lu Xuelon also has the feeling for Si Li then why doesn't he marry Lu Xuelon instead of her.

"Why don't you read this and make decision afterwards?" Si Li handover a file to Lu Lan.

Lu Lan read the file and was shocked and almost cried "How could they do this me?"

Those were property documents of Lu Lan's parents' house. Lu Lan's parents took the loan from the dealer against the house and because of Elder Lu request dealer agree to give extra time to Lu Lan with double amount of interest.

Lu Lan currently repaying the loan and she knows based on her salary she won't repay the loan so soon but she never accepted that dealer already sold the house to other people without informing her.

"I will get back your parent's house to you and solve all the problem in Tex Corporation and also get the position for you in taxation department, only to need to marry me and don't worry this marry will be secret so you can date anyone" Si Li explained.

"You plan this all, don't you?" Lu Lan asked, hold her anger.

"Not probably" Si Li said coldly and sit the soft in front of Lu Lan.

"I need time to think"

"Sure I give you 24 hours to think and I am sure Miss. Lu should say 'yes'" Si Li said with a sight simile.

-----

Lu Lan returned to his parents' house. In her life, this is the only thing from which she got the strength and now if this house was taken away then there is no purpose of life for her.

Thinking of all the memories with parents, Lu Lan crying out loud and fell asleep.

Next morning

First thing, she did she went to meet the dealer but of course, he refused to meet her, she stood there till the afternoon when she got a call from the office that of the work wanted to leave. Lu Lan left for the Den City immediately.

Mr Lee was waiting for the Lu Lan at the entrance when he saw Lu Lan and he hurriedly greet her "Miss Lu, all workers want to resign, what can we do now?"

Lu Lan without response went to the working area when all the labours stood in a row and leader of the labours came forward "Miss Lu, we all want to resign from this job?"
