

# Chapter 102 Kneel To Her

For the next few days, Alyssa had been with Leon.

The holiday allowed them to stay together.

Five days later, Leon went to work.

Alyssa lay on the bed reading books and started preparing for her exams.

Probably because of Leon's company and chores, Alyssa felt that this holiday had passed very quickly.

The only thing she felt disappointed about was that Leon didn't prepare a New Year's gift for her.

Forget it!

Alyssa thought of Leon kissing her in the ear yesterday, which was clearly a sign of his liking for her.

If he liked her, he would show it in this way. These days she had figured out the way he thought.

In a flash, it was the Lantern Festival.

Alyssa and Leon went to the Hunter's early in the morning. When Kevin was there, Audrey was very polite to them, but when Kevin wasn't there, she clearly showed her dislike for them.

Audrey said some unpleasant words and Leon gave her a look. Then naturally, she didn't dare to be rude to Leon.

But when Leon was not around, Audrey was not cool with Alyssa.

At this moment, Leon went to Kevin's study. Audrey looked at Alyssa and sneered, "Miss Graham, you really have a lot of time. I heard from Emily that Miss Graham has a lot of exams. You don't want to fail. Otherwise, how can you continue to pretend to be a top student? When the time comes, Leon will hate you for not studying hard and will leave you!"

"Mrs. Hunter, you care so much about me! Should I tell you that I've prepared well and I'm sure I'll pass the exam?" Naturally, Alyssa didn't need to save face for Audrey.

It was her who didn't want to save face for herself.

Audrey looked grim, "Miss Graham, stop pretending. Everyone in this room knows what kind of person you are!"

"Yeah? Well, that's good. I don't have to say anything more."

Alyssa finished and put on her headphones directly.

She really didn't bother to listen to Audrey's words.

Audrey glared at Alyssa. Seeing a glass of water on the table, she picked it up and splashed it directly at Alyssa.

Alyssa could tell what Audrey was trying to do right away. That was probably the best this woman could do. No wonder Leon didn't do anything to her. It was no fun to deal with such a stupid person.

But she provoked her again and again. She also had a temper.

She put down her headphones, rushed directly to Audrey, and pressed Audrey's hands. She pinned Audrey on the couch. Seeing her about to scream, she took the cushion on the couch and shoved it directly into her mouth.

In an instant, all sound was gone.

Looking at Audrey's nervous look, Alyssa came closer to her ear and whispered, "Don't try to make a fool of yourself in front of me. If you do this again, don't blame me for being really rude to you. I am not someone you can bully as you like. If you want to live in peace, just be quiet!"

Hearing Alyssa's warning, Audrey showed a terrible look.

"Don't be defiant! Or let's get everything straight today! Who do you think will lose face?"

Audrey really got nervous and quickly shook her head.

As an elder, she argued with a junior. It wouldn't be good for such a thing to get out.

Kevin didn't like her. Now he would dislike her even more.

Thinking of this, Audrey lost her courage. She felt that she had just been too impulsive. She really shouldn't be so emotional. It would not be good for her to make things like this.

Alyssa was about to let go of Audrey when a sudden rush of footsteps sounded behind her. She turned her head and saw George walking in.

Audrey saw George and immediately struggled. When she struggled, she slipped and fell to her knees.

She knelt right in front of Alyssa.

From a distance, it looked as if Alyssa had forced Audrey to kneel to her.

George certainly couldn't stand the sight of his mother being forced to kneel!

He immediately ran over and held Alyssa's arm down.

Alyssa was angry when George held her arm down. She lifted her leg and kicked George in the knee. Leon didn't expect such a young girl to be aggressive. He was kicked in the knee by her suddenly.

Although he backed up quickly, he still couldn't avoid Alyssa's attack.

Feeling pain in his knee, he took several steps backward.

Now they were separated. They looked at each other with a clear fire erupting in their eyes.

"George, she hit me. My whole body hurts so much. How dare this bitch hit me and insult me. She made me kneel in front of her. You must not let this bitch go!" Audrey was able to speak and immediately accused Alyssa of what she had done to her.

Even if she hadn't said anything, George had just seen it all. This was the Hunter's. How dare she hit his mother here. She had gone too far.

He rushed up and tried to control Alyssa, but Alyssa grabbed him by the shoulders. She did not drop him to the ground with a shoulder tackle, but she did put some distance between them.

Alyssa looked at George and frowned. She knew her strength was no match for his.

She knew herself. Knowing that she couldn't beat George, she didn't go forward.

Seeing that Alyssa didn't move, Audrey naturally knew that her son was better. She immediately cried out in aggravation, "Oops, my back might be broken. George, check it out for me. Is my back broken?"

George went to Audrey. He immediately saw the bruises on his mother's body. Although he didn't know if her back was broken, she did have bruises on it. George quickly walked to Alyssa and pulled her right up to Audrey. He pressed her waist, "Get down on your knees and apologize to my mother."

Alyssa glanced at George, "No way!"

BAM!

George kicked her hard.

She felt her body lean forward. She immediately held onto the coffee table. Despite the pain of the coffee table jamming her thighs, she didn't fall to her knees.

Seeing that Alyssa still supported herself, George lifted his foot and was about to kick her again.

Suddenly a force pulled him back. Before he could react, he was pulled to the back. When he saw the situation clearly, Leon had already picked up Alyssa.

When Alyssa saw Leon, she immediately became aggrieved. It was obviously Audrey who started it. But now, she was being bullied. Alyssa's eyes were red with aggravation.
