

Chapter 39 She Wasn't Scared

At around 9 pm,

Leon Hunter took Alyssa home.

"You have class tomorrow. Go to bed first. I still have work to do."

"OK." Alyssa Graham nodded, raised one foot to change shoes. Suddenly she lost her center of gravity and was about to fall.

Leon Hunter reached out to help her.

To his surprise, Alyssa Graham quickly held the wall near her.

He withdrew his hand in disappointment,

turned around and left.

Alyssa Graham frowned and looked at Leon Hunter's back. She realized that she could have fallen into Leon Hunter.

However, in the end...

Anyway, she was wrong.

She had to pay more attention.

But it was nice to know that he wanted her to get close.

Alyssa Graham smiled and went to shower and sleep.

She was going to complain to the teacher the next day.

Emily Cole wanted to give her a hard time, but Alyssa wouldn't let her.

She wanted to show Emily Cole that she was messing with the wrong one and stopped whatever she was doing.

Alyssa closed her eyes and fell asleep soon.

Leon Hunter went back to the room.

He was just about to make a sound when he saw Alyssa Graham asleep.

Didn't she always wait for him?

She had become a big girl, hadn't she?

Had she fallen asleep without him?

From her sleeping appearance, it looked like she had been exhausted.

Getting closer, he saw her raise her hands to surrender and smiled.

She was like a baby even when she was asleep.

No wonder she didn't want to have kids, she was a baby herself.

Leon Hunter wanted to leave, but Alyssa Graham suddenly held his hand.

He frowned and tried to pull her apart. But he worried that pulling her hand down would hurt her.

"Don't go."

"Yes?" Leon Hunter looked at Alyssa Graham in surprise!

Sleep-talking?

The kid must be tired. He smiled, sitting aside and patted her on the shoulders. Unexpectedly, her hands reached over and hugged his arm.

She pursed her little lips and looked lovely.

"Leon Hunter, let's have monkeys!"

"What?"

Leon Hunter could not help but made a slightly loud voice.

He felt like the hand on him suddenly holding him suddenly loose.

He lowered his head and saw that Alyssa Graham had opened her eyes.

"Are you done?" Alyssa Graham rubbed her eyes and subconsciously blocked the corner of her mouth with her hand. She just had a dream, where she was with Leon Hunter.

The dream was too real.

She couldn't help drooling.

She wiped the corner of her mouth with her hand. Fortunately, the light was off and it was dark in the room.

Leon Hunter watched Alyssa Graham rubbed her eyes and cover her face, "I have affected your rest. I'm going outside."

"Leon Hunter."

Alyssa Graham arranged her facial expression and called Leon Hunter.

Leon Hunter heard Alyssa Graham and stood still.

For a moment, the room was silent.

Alyssa Graham looked at Leon Hunter's back and said in a soft voice, "You are already here. Why are you going out? Let's sleep together! It's not our first time sleeping together anyway."

She pursed her dry lips, looked at Leon Hunter and tried not to drool.

Although it was not her first time trying to seduce Leon Hunter, and she had been successful every time.

Today, her intention was too obvious!

Alyssa Graham took a breath and heard the footsteps.

She disappointedly raised her head and found that Leon Hunter was standing in front of her.

Leon Hunter looked at Alyssa Graham's shocking appearance and lay next to her, his heart filled with emotions and desire.

Alyssa Graham took the opportunity to hold Leon Hunter's hand. "What? It seems to be cooling down tonight. How can I be so cold?"

"Cold? Why am I not feeling it? "

"Your body is always warm. Of course you don't feel it."

The next moment, Alyssa Graham got into Leon Hunter's quilt.

Before Leon Hunter could react, her long hair had got into his heart. He looked down at the cute little brain and couldn't help kissing it.

That night the couple enjoyed themselves for a long time.

It wasn't until after 1 am that they fell asleep.

The next morning,

Alyssa Graham woke up first. Seeing that Leon Hunter was still asleep, she thought of how she seduced Leon Hunter to bed and couldn't help laughing.

She looked at the time and drove straight to school.

It felt a bit weird today!

She walked into the school and many people followed her.

She took a few steps forward, and Ella Lloyd held her.

"Ella, why are so many people looking at me and talking behind my back? I can't hear what they are saying. What's going on? "

"Do you remember what I told you yesterday?"

Alyssa Graham thought for a moment and nodded, "That I deliberately murdered Ryan Young?"

Ella Lloyd nodded and did not try to avoid Alyssa at all, "Alyssa, how about you go home first? I don't know who did this. Yesterday, the picture was only on the school bulletin board. Now it's pasted at the door of every class. The whole school has known, and you... "

"It's all right, Ella. It's good that everybody knows!"

Seeing that Ella Lloyd was worried, Alyssa grabbed Ella Lloyd and whispered a few words in her ear.

"Is that gonna be ok?"

"There's nothing inappropriate. Just do as I say. I haven't seen a good play for a long time! I'll show you a good play today. "

Ella Lloyd looked at Alyssa Graham, but she still had doubts at heart.

Alyssa Graham smiled at her and whispered a bit more in her ear.

"Really?"

"Well, really!" Alyssa nodded. "Well, I'm going to call the person you're talking about."

Ella Lloyd heard Alyssa Graham's words and left.

Alyssa Graham pulled the corners of her mouth and showed a confident smile. She turned and walked into the distance.

In the class, the students all gave Alyssa Graham strange looks.

Alyssa Graham didn't care about them. She stepped forward in with pride.

Before getting to her own seat, Alyssa heard a female classmate behind her back, "Alyssa Graham, did you think about killing people before? You're such a bad student that you don't deserve to go to A University. If you have appropriate understanding of yourself, get out of A University. "

Alyssa Graham turned around and saw an unfamiliar face.

She looked into the girl's eyes without any expression on her face.

The girl was scared by Alyssa Graham. She stepped back and bumped into the desk on the platform. She screamed with pain in her legs.

"Alyssa Graham, what's your attitude about? Do you want to kill people? This is school, not your house. You can't just run wild in school with your family's money. I warn you, don't move forward."

The woman next to her also came and accused Alyssa Graham.

Alyssa Graham looked at that girl and smiled.

Looking at Alyssa Graham's expression, everyone was stunned!

Everyone was pointing at Alyssa Graham.

Some people put up the picture of Alyssa Graham with a knife in front of everyone.

Someone came forward to accuse Alyssa Graham.

But why was she not scared?

Was the person in the picture who hurt Ryan Young really not Alyssa Graham?

"Alyssa Graham, the evidence is right in front of you. I suggest you ask your parents to come and take you back. Such a student is too dangerous for our school. Because of this student, we have to be cautious in our life and study."

Another girl went forward, which was still the new face to Alyssa.
