

HOW TO THRIVE IN THE '60S

Chapter 13 Found you

Yun Erchuan squatted on the wall, holding his head in his hands, sighing one after another.

In the past twenty-six years of his life, he had never been so embarrassed or so excited like today.

When I went out in the morning, I was grabbed and beaten by a widow. At noon, I was caught by a red sleeve sleeve and was startled. Now I was walking and walking, and my niece was hugged by a girl who looked better than a baby girl. The boy was snatched away, and what was even more embarrassing was that the boy just glanced at him, he was so frightened that he didn't dare to resist, and now he can only crouch in the corner and scratch his head, watching from afar Two people.

Yun Erchuan is still confused, what is going on here?

He was obviously just a little boy, walking down the street step by step with a smile on his face, but he was so frightened that he couldn't even move his legs, and even his niece was robbed. Don't even dare to say a word.

Yun Chang didn't expect that Gu Shinian would grab her from Yun Erchuan's arms as soon as they met. She didn't react until a piece of sweet and glutinous chicken cake was stuffed into her mouth, and hugged Gu Shinian's neck. .

"Second brother Gu! Second brother Gu! I finally found you! I thought I would never see you again..."

As Yun Chang said, she couldn't help grinning, and tears were falling down at the same time.

"Second brother Gu, did you see me just now? Did you come back to find me? Second brother Gu, why are those people chasing you? Did you suffer..."

As Yun Chang said, she straightened up and looked at Gu Shinian carefully, for fear of any injury to him.

Gu Shinian suppressed the wetness in his eyes, raised his hand and touched Yunshang's head, and stuffed the chicken cakes in her hand into her mouth piece by piece.

"Well, I saw you at the mail door. Come on, eat the chicken cake first, and I'll talk about it after you finish eating."

Yun Chang turned her head and stopped Gu Shinian from feeding her. She is someone who has space in her hands, so how can she starve herself.

On the other hand, Gu Shinian, his body was only ten years old, and the clothes on his body did not fit well, and he was still patched, so life was not easy. The chicken cake for her was either saved from his mouth, or where he bought it with great care, and he might still be hungry, so why would she be willing to eat it.

"A-shang, be obedient, eat chicken cake first, and I'll find a way to find something delicious for you in the next two days. Your small body should suffer a lot, and you have to make up for it."

As soon as Gu Shinian met, he noticed something wrong with Yun Chang. The padded jacket was too small to be fastened, and there was an old scar on the exposed arm. The small face was pointed and had no flesh at all. Both eyes are bigger.

"Second brother Gu, I'm really not hungry, I, I have enough to eat... Look!"

Yunshang turned to his side, and a small swan-shaped cake appeared out of thin air in his hand. The sweet creamy taste penetrated into Gu Shinian's nose, causing his stomach to make a roar.

He had been here for two days, and he only ate a nest of chicken cakes that he fed to Yunshang, which he had just snatched from those bad boys. Seeing his favorite dessert now, his already shriveled stomach can't hold back.

Seeing the surprised look on Gu Shinian's face, and hearing his stomach growl for a while, Yun Chang's distressed tears almost fell again, and she quickly whispered into his ear:

"Second brother Gu, this little girl has a space on her body. After I came over, I found that our hypermarket was also brought over, and it was in the space."

Yun Chang never thought about hiding from Gu Shinian's space. That store was originally Gu Shinian's property, and she couldn't swallow it alone.

Besides, only when she was doing well could Gu Shinian be truly at ease.

Moreover, if she didn't even believe Gu Shinian, there would be no one worthy of her trust in this world.

While Gu Shinian was pleasantly surprised, he also sighed in relief.

It's good to have space! So Ah Chang will not starve. It's just that security issues need to be paid attention to in the future.

If the space is exposed, with his current small body, he will definitely not be able to protect Ah Chang.

Gu Shinian warned Yun Chang with a serious look:

"A-shang, listen, you must not use the space outside unless it is a last resort, remember?"

"Remember." Yun Chang responded, raising her hand and pushing the cake into Gu Shinian's mouth.

The two were hiding at the end of a dead alley. Yun Erchuan squatted at the corner of the alley, not afraid of being discovered. Gu Shinian took the cake, ate it in two, and began to ask about Yunshang's current situation.

It was only then that Yun Chang remembered that Yun Erchuan was still letting the two of them go outside. Thinking that she and Gu Shinian had just met, there was a lot to say, Yun Erchuan had to go to Yun Shuilian, so it would be better to split up first. It's better to go back together later.

The confused Yun Erchuan was dismissed by Gu Shinian again. He wanted to take Yun Chang away, but he was caught by Gu Shinian's gloomy eyes. When Yun Erchuan came to his mouth, he was stunned back.

How scary is this kid!

Yun Chang patted Gu Shinian on the shoulder, motioning him not to scare Yun Erchuan.

"Second uncle, I will talk to my brother Shi Nian for a while. You go to pick up my aunt first, and then come back to pick me up before going home."

"Shangnan, I... I'm still here to watch you, you can't lose it." If you don't look at you a little bit, this thief can steal you in a blink of an eye!

Yun Erchuan was so worried that his bowels were almost knotted, but Yun Chang still couldn't get what he was worried about, but Gu Shi Nian shook the chicken cake in his hand, and said with a corner of his mouth:

"Uncle Yun, don't worry, I will take good care of Ah Chang. You can come here to pick him up in an hour."

Yun Erchuan looked at the chicken cake and gulped down a mouthful of saliva. Seeing that Yun Chang was determined not to leave, he had to suppress his inner worries and walked three steps back to the street.

"Your second uncle can't do it, I can't protect you." When he was frightened, he could hand over his niece to a stranger, and he didn't even dare to say a word of resistance. How could such a cowardly bag protect Yunshang.

Yun Chang was also speechless for a while.

Fortunately, Yun Erchuan was a good person, but he was not too disappointed.

After sending Yun Erchuan away, Yun Chang took the time to talk about her situation, and Gu Shinian immediately frowned.

"A-Shang, you are only five years old now, it's better for Widow Wang not to marry."

"Why, I still plan to mute her, and then send her away from afar. If I keep bullying me in the future, I won't be able to live this day."

Gu Shinian was both relieved and heartbroken to hear it. In the past, with him protecting her, Yun Chang was really too naive. Now that she has only passed through it for two days, she has to grow up quickly and learn herself. protect yourself.

Although the method he came up with in dealing with the widow Wang was not comprehensive enough, and his mind became a little softer, at least there was no weak resistance, and he knew that he could use his brain to get out of the predicament.
