Section 1001

"Let's go take a look."

Yuanhe Shenwang was not entangled either.

The god-king monks from the Desert Courtyard arrived.

As the local lord.

Naturally, he had to go out to greet him.

And he has already recognized the origins of those two people.

One is the guardian of the Deacon Hall of the Desert Courtyard.

The other one is even more complicated.

It turned out to be Qi Feilong, the master of the Deacon Hall.

The master of the Desert Courtyard arrives in person.

King Yuanhe did not dare to be too presumptuous.

Just stay inside the sect and wait.

Distinguished guests are coming.

Go out to meet thirty thousand miles.

This is the basic rule of the Chaos Sea.

Think of this.

King Yuanhe flipped his right hand and quickly put away the formation disk.

Then it turned into a stream of light and flew towards the mountain gate.

...

Two figures quickly crossed the sky.

Qi Feilong suddenly stopped.

He felt it silently, and then said to Wu Yuheng next to him.

"It seems like someone from Donghua Palace came out to greet them. Let's go there quickly."

"Haha, that must be King Yuanhe."

"That old guy and I had a lot of dealings with each other at Tianguan, so we're very familiar with him."

The two of them quickly crossed the sky.

Soon we arrived, 30,000 miles away from the gate of Donghua Palace.

Saw two people arriving.

King Yuanhe rose into the sky.

he laughed loudly.

"God King Yu Heng, I haven't seen you for many years, how come you have time to come to my little place?"

"Haha, Yuanhe, long time no see."

Wu Yuheng responded with a smile.

Then he glanced at Qi Feilong and introduced him to God King Yuanhe.

"This is our Deacon Hall of the Desert Courtyard, the Master of Qi Feilong Hall."

"I've met the palace master."

God King Yuanhe shouted respectfully.

In fact, Wu Yuheng didn't need to introduce him, he naturally recognized Qi Feilong.

Of course, this so-called knowledge only means knowing the person and seeing the portrait.

But they have never had any formal dealings with each other.

That's why Wu Yuheng specially introduced it to him.

Qi Feilong nodded slightly.

"Let's go in and talk."

Under the leadership of King Yuanhe.

The three of them quickly flew into Donghua Palace.

Yuanhe Temple.

After everyone sat down.

King Yuanhe was thinking in his mind.

Why did these two people come to Donghua Palace?

It can't really be for the Tianyang Sect, right?

to be honest.

Since the establishment of Donghua Palace.

In the impression of King Yuanhe.

The number of times the Desert Academy has sent people over is completely handful.

If there is nothing important.

The Desert Courtyard will definitely not send anyone here.

And this time, the master of the Deacon Hall came in person.

Yuanhe Shenwang felt a lot of pressure.

Could it be Zhang Yuhe, when he wiped out the Tianyang Sect?

He accidentally injured someone from the Desert Courtyard, and then he was found?

It can't be such a coincidence.

Just when Yuanhe God King was extremely confused in his heart.

Then Qi Feilong said.

"I'm here because I want to ask you about something."

"Master, please speak frankly."

"I heard that your Donghua Palace has a collection of the magical power of Wave Dao. Is this accurate?"

King Yuanhe was a little confused.

Why are you asking about this?

Although the magical power of fluctuation is a bit strange.

But this magical power is widely spread.

It is not a strange thing that they have a collection in Donghua Palace.

Think of this.

King Yuanhe nodded, and then slowly spoke.

"It's true."

"Back then, the Grand Palace Master of Donghua accidentally saw someone selling this magical power, so he bought it back."

"This magical power has been in the sect and has been collected for many years."

I heard that Donghua Palace indeed contains the magical power of Wave Tao.

Qi Feilong asked slightly eagerly.

"I wonder if your sect has any disciples who can understand the rules of the Wave Dao from this magical power."

Hear this.

Divine King Yuanhe felt a chill in his heart.

he knows.

What Zhang Yuhe has understood is the rules of the Wave Dao, and he has reached the Dacheng state.

When Zhang Yuhe took action against Tianyang Sect, he would definitely leave traces of the Wave Dao rules.

What does Qi Feilong mean by this?

Why does it feel like it is getting closer and closer to Zhang Yuhe?

King Yuanhe had to be vigilant.

"Are these two people really looking for trouble?"

"They are investigating the reason for the collapse of Tianyang Sect?"

"What the hell is going on."

King Yuanhe picked up the tea cup and took a small sip.

He did not reply directly, but quickly thought of countermeasures in his mind.

...

Chapter 717 Did we get it wrong?

King Yuanhe held the tea cup and remained silent for a long time.

He didn't know why Qi Feilong suddenly asked about this matter.

What does it mean?

The magical power of fluctuation is extremely mysterious and difficult to understand.

Even except for the eternal emperor who created this magical power.

Section 1002

Few people learn it anymore.

As for saying.

A person who understands the rules of the Wave Path from this magical power.

Not even one.

For the application scenarios of this avenue rule.

King Yuanhe also knew it very well.

That is for investigation.

A very large-scale investigation.

When Zhang Yuhe first arrived in Tianfeng Continent.

It is by relying on this great rule.

Only then can we gain insight into the situation on the entire continent.

Immediately, they dug out the Pauline Church branch hidden in the local area.

It was through this incident.

King Yuanhe was surprised to find out.

Zhang Yuhe actually mastered such a strange law of the great road.

Apart from him, Zhang Yuhe may be the only one who knows about this matter.

Although Duan Changqing and others had seen Zhang Yuhe take action with their own eyes.

But with their knowledge.

It is probably impossible to accurately identify the details of the rules used by Zhang Yuhe.

Qi Feilong suddenly visited Donghua Palace and asked about the rules of the Wave Path.

King Yuanhe felt.

This is a little too abnormal.

An unpopular rule that no one can understand.

How could Qi Longfei be so interested?

King Yuanhe could only think of one thing.

That is related to the collapse of Tianyang Sect.

When Zhang Yuhe broke out with all his strength, the traces of rules left on the scene were very obvious.

With Qi Feilong's eyesight, he could naturally recognize it.

Because he discovered that the murderer used the magical power of Wave Dao.

So you came to the door?

Qi Feilong is investigating the destruction of Tianyang Sect?

Think of this.

King Yuanhe couldn't help but was shocked.

The Desert Academy dominates the entire realm and is unparalleled in strength.

Donghua Palace cannot be offended.

No matter how powerful Zhang Yuhe is.

It is impossible to withstand the pressure from the Desert Courtyard.

"This cannot be admitted."

King Yuanhe thought silently in his heart.

In his opinion.

If this is admitted.

I'm afraid something big is going to happen.

Maybe the entire Donghua Palace will be gone.

Seeing that King Yuanhe remained silent for a long time.

Qi Feilong and Wu Yuheng next to them looked at each other.

The two of them couldn't help but look slightly happy.

they thought.

King Yuanhe did not answer directly.

Could it be that someone in Donghua Palace really understood the rules of the Wave Path?

Could it be that the peerless god king who destroyed Tianyang Sect came from Donghua Palace?

Think of this.

They couldn't help but get excited.

If that's the case.

That would be great.

Originally they thought.

I want to find the God-King Tianjiao who masters the rules of the Wave Path.

I'm afraid it will take a lot of effort.

Might as well put it down after a lot of tossing.

Maybe you can't find anyone yet.

But after seeing the current expression of Yuanhe God King.

Qi Feilong and Wu Yuheng couldn't help but secretly talk.

There may be drama.

Of course.

They could see the concerns in the heart of God King Yuanhe.

After all, they came in a hurry.

And it was just right, coming here when the Tianyang Sect had just been destroyed.

Maybe Yuanhe Shenwang was worried that they were looking for trouble.

That's why he didn't speak for a long time.

Think of this.

Wu Yuheng said with a smile.

"Brother Yuanhe, don't be too nervous."

"We didn't mean anything else."

"After I heard that the Tianyang Sect was destroyed, I will be with Palace Master Qi this time."

"Originally, I wanted to see if the evil god from outside the territory was causing trouble."

"It's just that when we rushed to Tianyang Sect, we felt the strong rules of the Wave Dao at the scene."

"With the strong power of rules, naturally he will not be an extraterrestrial evil god."

"In this case, we have no interest in continuing the investigation."

"You must know that too."

"We at the Desert Academy will never interfere in the disputes between all parties within the realm."

"Of course it will be the same this time."

"No matter who destroyed Tianyang Sect, it has nothing to do with our Desert Courtyard."

Hear this.

King Yuanhe finally breathed a sigh of relief.

As long as you're not looking for trouble, that's fine.

It really scared him just now.

But since you are not here to cause trouble, why do you talk about the rules of the wave path?

King Yuanhe felt very puzzled.

He asked curiously.

"Brother Yu Heng, you just talked about the fluctuation rules."

"That's why."

"But is there any special reason?"

"Let me tell you."

Without waiting for Wu Yuheng to respond.

Qi Feilong next to him said solemnly.

"Fellow Daoist Yuanhe, we have only one purpose here."

"I just want to find the help of the Tianjiao God King who uses the rules of the wave path."

"You must know that too."

"The evil gods outside the territory have been causing trouble for many years and have always been a major trouble for our Chaos Sea."

"We can't control the extraterritorial evil gods in other places."

"But we must eradicate all the extraterritorial evil gods in the desert realm."

Section 1003

"It's just that you know it too."

"Those extraterrestrial evil gods hide in dog holes all day long and never show up."

"We had no chance at all to catch each other's feet."

"There's absolutely nothing we can do about them."

"This time I saw someone who was able to reveal the rules of the wave path."

"I immediately remembered that we can use the rules of the wave path to detect the whereabouts of evil gods outside the territory."

"Although the desert world is huge, it will be very troublesome to investigate."

"But if we have the help of the Wave Dao magical power, we will definitely be able to find those extraterritorial evil gods."

Speaking of which.

Qi Feilong paused for a moment.

Then he looked at King Yuanhe and spoke solemnly.

"Fellow Daoist Yuanhe, if your sect indeed has disciples, you have successfully understood the rules of the Wave Dao."

"Please be sure to introduce me."

"As long as we can dig out all those extraterritorial evil gods hiding in the dark."

"You can set whatever conditions you want."

Until this time.

Only then did King Yuanhe suddenly realize.

It turns out that I want Zhang Yuhe to help me find traces of evil gods outside the territory.

You should have told me earlier.

It made him startled.

But it's a matter of whether or not I can help.

What he said didn't count.

With Zhang Yuhe's current strength.

King Yuanhe didn't dare to make the decision for him at will.

It depends on Zhang Yuhe's own intentions.

After pondering for a while.

King Yuanhe spoke slowly.

"Since it is for the evil gods outside the territory, our Donghua Palace will naturally not postpone it."

"But that disciple is a little special."

"He stays in seclusion in the sect all year round and almost never takes a step outside."

"It takes a lot of time to investigate the evil gods outside the territory."

"I don't know if he is willing to take action."

"After all, it will take up a lot of his time."

"Let's do this. I'll call him over and you can talk to him face to face."

Qi Feilong nodded and said with a smile.

"That's fine."

"I just want to see what kind of peerless genius is able to destroy the huge Tianyang Sect in one fell swoop."

"But I never thought before that Guizong could hide so deeply."

"There is a new god king monk born, but we don't even know about it."

"Speaking of which, I, as the palace master, have neglected my duty, hehe."

"Haha, Palace Master Qi must have misunderstood."

"When I call someone here, you'll know what's going on."

King Yuanhe said with a laugh.

This made Qi Feilong and Wu Yuheng next to them look slightly stunned.

What's the meaning?

Did we understand it wrong?

...

Chapter 718 It's probably a coincidence

Divine King Yuanhe took out the jade talisman and quickly cast a spell.

Bibo Lake, Yitianfu.

Zhang Yuhe sat cross-legged on the training platform, and the Chaos Gods and Demons Scripture was slowly rotating.

The aura of divine power around him continued to flow towards him.

Over the entire lake center island.

Forming a huge ocean of spiritual energy.

Just at this time.

Zhang Yuhe suddenly frowned slightly.

He slowly opened his eyes and murmured to himself.

"We have just entered seclusion, why are there people looking for us again?"

Zhang Yuhe turned his right hand.

The golden identity token soon appeared in his hand.

After playing a magic formula.

The voice of King Yuanhe came faintly from the token.

"Yuhe, come here, someone is coming from the Desert Courtyard."

"They have something they want to discuss with you."

After putting away the identity token.

Zhang Yuhe looked slightly thoughtful.

"Desert Courtyard?"

"Why are the people from the Desert Court looking for me?"

Zhang Yuhe was very puzzled.

There was absolutely no interaction between him and Da Moyuan.

Is there anything that needs to be discussed with him?

"Forget it, let's go take a look first."

Zhang Yuhe didn't hesitate.

Since King Yuanhe sent a message specifically, let's go and have a look.

The palace master must give him some face.

Think of this.

Zhang Yuhe glanced into the distance.

Then he jumped into the air and flew quickly towards Yuanhe Temple.

After a while.

Zhang Yuhe walked into the main hall quickly.

He glanced ahead.

I saw God King Yuanhe, accompanied by two monks, one green and one purple, talking and laughing.

Zhang Yuhe walked forward quickly and respectfully shouted to God King Yuanhe.

"Disciple Zhang Yuhe, meet the palace master."

Saw Zhang Yuhe coming.

King Yuanhe stood up immediately.

he shouted enthusiastically.

"Yuhe, you're here."

King Yuanhe pulled Zhang Yuhe and walked to the front of the hall.

He looked at Qi Feilong and Wu Yuheng next to him, and then said to Zhang Yuhe.

"Let me introduce you."

"This is the Deacon Hall of the Desert Courtyard, the Master of Qi Feilong Qi Hall."

Zhang Yuhe shouted respectfully.

"I've met Palace Master Qi."

King Yuanhe continued his introduction.

"This is the Deacon of the Desert Courtyard, Protector Wu Yuheng and Wu."

"I've met the protector."

Zhang Yuhe looked respectful.

He had already seen it.

Section 1004

The auras of these two visitors to the Desert Courtyard were extremely extraordinary.

Especially the Master of Qi Feilong Hall.

His terrifying aura was far stronger than that of the original Tianyang God King.

And the other party also represents the Desert Courtyard.

Although he has some strength.

But facing the top god king of the desert.

Naturally he wanted to be more polite.

Qi Feilong glanced at Zhang Yuhe and frowned.

what happened.

Could it be that he didn't make it clear just now?

Or is there any misunderstanding here?

Didn't he say that he was looking for the God King Tianjiao who mastered the rules of the Wave Dao?

King Yuanhe called this disciple over.

This has several meanings.

Zhang Yuhe's aura was not deliberately hidden.

There is no doubt that he is in the eighth level of the True God Realm.

This is definitely not the person he is looking for.

Qi Feilong looked at Yuanhe God King and asked with a puzzled expression.

"Fellow Daoist Yuanhe, is this a mistake?"

King Yuanhe said with a smile.

"It can't be wrong."

"If you are looking for someone who has mastered the rules of the Wave Path, it must be him."

Hear the conversation between the two.

This made Zhang Yuhe next to him feel very puzzled.

What the hell are you talking about?

Why can't I understand it?

Fluctuating channel rules?

Why is Qi Feilong looking for someone who masters the rules of the Wave Path?

Zhang Yuhe didn't think that Qi Feilong would stand up for Tianyang Sect and come here specifically to cause trouble for him.

the reason is simple.

God King Yuanhe and each other had been chatting and laughing in the main hall.

Obviously not looking for trouble.

Otherwise.

How could there be such harmony between the two parties?

Think of this.

Zhang Yuhe looked at Divine King Yuanhe and asked with a hint of doubt in his expression.

"Palace Master, why are you calling me here?"

King Yuanhe said with a smile.

"It's not me who has trouble with you, it's Palace Master Qi who has trouble with you."

"Let me tell you."

"Actually, it's very simple."

"It's just that Palace Master Qi wanted to ask you for a favor after hearing that you have understood the rules of the Wave Path."

"Help them find the Bolin Church hidden near the Eternal World in the desert."

"So that's what happened."

Hear this.

Zhang Yuhe couldn't help but frown slightly.

This is not easy to do.

Although his wave path rules can indeed cover a large range.

Even a vast continent cannot escape his detection.

But the problem is.

The sea of chaos is really too big.

The Eternal World of the Desert is no ordinary place. ,

The entire Eternal World is hundreds of times larger than the Donghua Domain.

To know.

The entire Donghua Domain contains countless continents and a large number of dangerous secret realms.

It's already so big that it has no edge.

The Eternal Desert Realm is countless times larger than the Donghua Realm.

Such a vast place.

Even if he uses all his power to use his magical power, he still won't be able to detect it.

not to mention.

Those extraterrestrial evil gods will definitely not hide in the eternal world of the desert.

Because the entire eternal world is under the rules of the Desert Master.

Those evil gods from outside the territory will naturally not come to die.

They will only hide on the continent outside the eternal world.

Thus.

The scope that needs to be investigated is even greater.

I have to search almost all of the desert and heavenly realm.

If it was a vast place, how could he find it?

Of course.

The main reason is that Zhang Yuhe has not yet advanced the power of rules to perfection.

Just the Dacheng Realm's wave path rules, the detection efficiency is not too high.

If he waits for him to advance the power of rules to perfection.

Then things are simple.

The rules of the Wave Path in the Perfection Realm can be overcome with one magical move.

It can cover at least half of the Donghua Territory.

That way.

Helping Qi Feilong investigate the evil gods outside the territory is not that difficult a task.

But the problem is.

Zhang Yuhe has not yet been promoted to the God King Realm.

The best that a True God cultivator can do is to advance the power of rules to the state of great achievement.

This is a limit.

Unbreakable limits.

Even if Zhang Yuhe's understanding is incredible, he can't go beyond this limit.

I want to advance the rules of the Wave Path to perfection.

We can only wait until he is promoted to the Supreme God King.

Then you'll have to wait.

Not even one or two hundred million years.

Zhang Yuhe was not sure that he could make a breakthrough.

After listening to the narration of Yuanhe Shenwang.

Qi Feilong was still a little unsure.

He turned to look at Zhang Yuhe and asked solemnly.

"Your name is Zhang Yuhe."

"Just now your palace master said that you have understood the rules of the Wave Path."

"I wonder to what level you have pushed the power of rules to now?"

In Qi Feilong's view.

King Yuanhe even went so far as to deceive him.

Maybe there is indeed some misunderstanding in this.

The person who destroyed Tianyang Sect would naturally not be the true god disciple of Donghua Palace in front of him.

It's probably just a coincidence.

It happened that they came to Donghua Palace.

Section 1005

Then, in Donghua Palace, there happened to be a True God disciple who successfully understood the rules of the Wave Path.

This made King Yuanhe misunderstood.

Although I think so in my heart.

Qi Feilong, on the other hand, was not too disappointed.

Hit by mistake, it's just the right thing.

At least I found a monk who mastered the rules of the Wave Path.

It will definitely be of some help.

He only hoped that Zhang Yuhe could take a few more steps in accordance with the rules of the Wave Path.

If you are just getting started.

That might not work, it would have too big an effect.

...

Chapter 719 Don't be so circumstantial

Zhang Yuhe already understood the purpose of Qi Feilong's visit to Donghua Palace.

This is to ask him to come out and help.

However, there were obviously still some doubts in the other party's words.

I'm worried that he doesn't understand the rules of the wave path enough and won't be of much help.

Think of this.

Zhang Yuhe said calmly.

"Due to the limitations of my realm, I can only comprehend the power of rules to the Dacheng level for the time being."

"If you go to a higher level, I'm afraid you will have to wait for me to be promoted to the God King Realm."

After saying this.

Zhang Yuhe pinched the magic formula with his left hand.

A tyrannical aura of wave rules slowly spread around.

The vast power of rules is in the hall.

Forming traces of fluctuations visible to the naked eye.

Invisible fluctuations centered on the main hall and quickly spread into the distance.

"Dacheng Realm Wave Path Rules?"

See this situation.

Qi Feilong couldn't help but exclaimed softly.

He stood up suddenly.

before this.

He thought about it a lot.

Qi Feilong thought.

It is extremely difficult to understand the rules of the Wave Path.

If it weren't for the powerful emperor who created the magical power of fluctuations.

It has been shown to the world that the Tao of Waves has rules.

No one even knows that this rule exists.

However.

Since the fall of that emperor.

Sea of Chaos for countless epochs.

No one can understand this rule anymore.

Qi Feilong always felt that.

It might just be a coincidence that Zhang Yuhe understood the rules of the wave path.

Maybe he just understood the rules of this avenue and just reached the entry level.

It couldn't be that Tianjiao God King who destroyed Tianyang Sect.

After all, he was a ruthless man who could defeat the ten god kings by himself.

And Zhang Yuhe's strength is only at the eighth level of the True God Realm.

Too far off.

It can't be the same person.

But now after seeing the power of rules demonstrated by Zhang Yuhe.

Qi Feilong was completely shocked.

He didn't know how to describe his current mood.

Are you excited, confused, or confused?

Fluctuating lane rules are so rare.

Two monks appeared at the same time and understood this rule.

It was a very strange thing.

If these two people also understand the rules of the wave path and understand the realm of Dacheng.

That's simply impossible.

When Qi Feilong saw the vast fluctuating aura around Zhang Yuhe.

He already understood.

The peerless genius who destroyed the Tianyang Sect must be Zhang Yuhe.

It's just that he thought wrong before.

Qi Feilong always thought.

Since he can wipe out the powerful Tianyang Sect by himself.

Then the strength must at least be starting from the God King Realm.

It never occurred to him.

It turned out to be a true god monk who destroyed the powerful Tianyang Sect.

Because of things like this.

It was completely beyond his understanding.

Qi Feilong would not dare to think about this even if he saw Duo Shiguang again.

However, the facts are before us.

The rules of the Fluctuating Path displayed by Zhang Yuhe are indeed those of the Dacheng Realm.

It is impossible for two talented people to appear in this world at the same time.

Let's all understand this rare great law and reach the realm of great success.

combined with recent years.

There are constant conflicts and frictions between Donghua Palace and Tianyang Sect.

Qi Feilong is 99% sure.

The person who destroyed Tianyang Sect was the seemingly inconspicuous True God disciple in front of him.

Think of this.

He couldn't help but take a breath of cold air.

The scene was silent for a while.

Qi Longfei was amazed and said to King Yuanhe.

"Fellow Taoist Yuan He, your Donghua Palace is so blessed."

"Such a heaven-defying peerless person was actually born."

"Presumably Tianyang Sect was destroyed by fellow Taoist Yuhe."

Now Qi Feilong no longer treats Zhang Yuhe as a younger disciple.

A ruthless man who could wipe out the Tianyang Sect directly.

No matter how big Qi Feilong is.

I don't dare to treat Zhang Yuhe as a disciple of the younger generation.

King Yuanhe said with a smile.

"To tell you the truth, Yu He just joined Donghua Palace, and it didn't take long."

"I didn't expect that he would achieve such a high level of achievement in such a short period of time."

"To be honest, I'm still a little confused about many things."

"If he hadn't told me, I wouldn't have known that Tianyang Sect was gone, hehe."

At this time, Zhang Yuhe, who was next to him, also explained.

"It's just that the Tianyang Sect acts overbearingly and frequently provokes us."

"This time they actually set up a trap to kill many core disciples of our sect."

"I had no choice but to fight back."

Hearing this.

Section 1006

Qi Feilong waved his hands and said.

"If the Tianyang Sect is destroyed, they will have their own way of death."

"These are all small things, you don't have to worry about them."

Speaking of which.

He paused for a moment.

Then he asked Zhang Yuhe solemnly.

"I would like to ask Fellow Daoist Zhang to help investigate the whereabouts of the evil god outside the territory."

"I don't know if fellow Taoist can be convenient."

"Don't worry, as long as fellow Taoists are willing to help, please feel free to ask for any conditions."

In Qi Feilong's view.

Zhang Yuhe masters the rules of the Wave Path of Dacheng Realm and can explore a wide range in one go.

Although the desert realm is indeed very large.

But as long as Zhang Yuhe is willing to take action.

Explore slowly.

It only takes tens of billions of years at most.

You can dig out all the extraterritorial evil gods in the entire realm.

For them, the supreme god-kings.

Tens of billions of years, what does that mean?

Maybe it's just time to retreat.

It's nothing at all.

Zhang Yuhe did not answer directly.

After pondering for a while.

He asked slowly.

"Master Qi, let me ask you something too."

"I wonder if you can determine the general range of the extraterrestrial evil god."

Zhang Yuhe thought.

If the approximate range can be determined.

That would be easy.

He just goes over there and scans all the continents within range.

If you can't determine the scope and just check blindly.

That would be big trouble.

How long will it take?

Zhang Yuhe didn't want to.

Because of this incident, my own cultivation was delayed.

Qi Feilong shook his head.

He said helplessly.

"We only know that the main church of the Bolin Religion should be located near the Eternal Realm of the Desert."

"As for where it is, or even which direction it is in the southeast, northwest, etc., we can't be sure yet."

Hear this.

Zhang Yuhe was speechless.

How to find this.

The whole realm is so big.

Even around the Eternal World of the Desert, the scope is boundless.

Where does this lead him to investigate?

If Fangfang Continent slowly checks it out.

I'm afraid it won't even be possible in 18 billion years.

How can he have so much time?

If you can wait for him to advance to the Supreme God King Realm, then follow the rules of the Wave Path.

If you advance to the level of perfection, it will probably be much faster.

In Zhang Yuhe's view.

Now he is at the eighth level of the True God Realm, and is not too far away from the ninth level.

if everything goes well.

It is estimated that it will only take one to two hundred million years at most.

He will be able to break through to the God King Realm and push the rules of the Wave Path one step further.

Sharpening the knife will not make you a chopping wood.

Zhang Yuhe thought.

Wait until his strength improves further.

It will be much faster to investigate like that.

It can also save a lot of trouble.

Think of this.

Zhang Yuhe looked at Qi Feilong and said seriously.

"It is the responsibility of all Chaos Sea monks to wipe out the evil gods outside the territory."

"As a member of the Chaos Sea."

"It is of course our duty to help the Desert Court and investigate the traces of evil gods outside the territory."

I heard Zhang Yuhe say this.

Qi Feilong couldn't help but look overjoyed.

However.

Before he could be happy.

Zhang Yuhe changed the topic and then continued.

"It's just that my level is still low now, and I don't understand the rules of the Wave Path enough."

"Master Qi, how about this?"

"After I advance to the realm of the God King and advance the rules of the Wave Path to the perfection level."

"Let's start again and investigate the affairs of the evil gods outside the territory."

Hear this.

Qi Feilong's entire face fell.

he said with a frown.

"How can that be done?"

"Fellow Daoist Zhang, if you have conditions, you can go ahead and apply."

"As long as our Desert Courtyard can do it, we will try our best to do it for you."

"This matter is very important. Fellow Taoist, please do not shirk it for the sake of morality."

In Qi Feilong's view.

Zhang Yuhe's words were obviously words of evasion.

The threshold of the God King Realm is mysterious and unpredictable.

Countless talented people were eventually trapped under this threshold.

How could Zhang Yuhe guarantee that he would be able to break through to the God King realm?

And even if so, how long will it take?

Even if dozens of epochs pass by, Zhang Yuhe will not succeed in breaking through.

What to do?

Do they have to keep waiting like this?

Obviously not.

For the major forces in the Chaos Sea.

The alien evil god is the hidden bomb.

I don't know when, it might explode.

As long as there is a way, those extraterritorial evil gods should be eradicated as soon as possible.

Qi Feilong thought.

Zhang Yuhe's words may mean that he wants to raise the asking price.

In his opinion.

If you want the price, just ask.

Don't go around like that.

Are you still afraid that their Desert Courtyard will not give you the price?

Section 1007

...

Chapter 720 Three Hundred Million Years Promise

Seeing Qi Feilong, he seemed a little unhappy.

Next to him, King Yuanhe quickly explained.

"Master Qi, you may not know."

"Zhang Yuhe is different from others. He has made extremely rapid progress in cultivation."

"It only took him 60 million years to break through from the first level of the Virtual God Realm to the True God Realm."

"It took another 200 million years to reach the current state."

"To others."

"It may be extremely difficult to break through to the God King realm."

"But for Zhang Yuhe."

"I believe that it will only take ten billion years at most before he can succeed."

"Oh, there's also this."

After listening to the narration of Yuanhe Shenwang.

The expression on Qi Feilong's face couldn't help but soften.

It seems that he may have misunderstood.

If Yuanhe Shenwang is right.

So what Zhang Yuhe just said was not an excuse.

Maybe he really planned to wait until he broke through to the God King realm before taking action.

But the problem is.

How long will this take?

Qi Feilong believed it.

Zhang Yuhe's talent is definitely not bad.

The cultivation speed is indeed extremely fast.

But the threshold of the God King Realm is really terrifying.

Can Zhang Yuhe successfully cross that threshold?

Qi Feilong didn't have much confidence.

Mainly because he couldn't afford to wait.

He couldn't just keep waiting like this.

At least there is a time limit.

Otherwise.

They just go on like this.

That's not a problem either.

Think of this.

Qi Feilong pondered for a while.

He turned to look at Zhang Yuhe and asked seriously.

"I don't know how long it will take Fellow Daoist Zhang to break through to the God King Realm."

"If everything goes well, it will take about two to three hundred million years."

Zhang Yuhe responded directly without thinking.

Just to be on the safe side.

He also made a big margin.

In fact, it is in Zhang Yuhe's own estimation.

It would only take a little over 100 million years at most.

He is confident that he can break through to the realm of the God King.

Of course.

There must be a prerequisite for this.

That is to not hit a bottleneck.

So far though.

He has never felt the bottleneck.

But Zhang Yuhe didn't think so.

I can always cultivate so smoothly.

What if there is a bottleneck one day?

so.

It's better to make a margin.

Double the margin.

It should be enough for him to break through to the God King Realm.

Hearing Zhang Yuhe's words.

Qi Feilong was not only not happy, but also frowned.

Just kidding.

You are now at the eighth level of the True God Realm.

Just want to be promoted to the supreme god king realm within two to three billion years?

Could it be that you are deceiving me.

Think of this.

Qi Feilong looked at Zhang Yuhe and asked seriously.

"You are sure, it will only take 300 million years."

Zhang Yuhe nodded lightly.

He said calmly.

"Sure."

"It's limited to 300 million years."

"After three hundred million years, no matter whether we can break through to the God King Realm or not."

"I will follow you to investigate the traces of evil gods outside the territory."

"Very good, it's settled."

Qi Feilong frowned.

This was what he was waiting for.

With Zhang Yuhe's words, he felt confident.

Three hundred million years.

They can still afford to wait.

In fact, even if it takes longer, it will take tens of billions of billions of years.

That doesn't matter.

After all, it is not just a year or two for an alien evil god to sneak into the Sea of Chaos.

Away from the first batch of extraterrestrial evil gods, they entered the Sea of Chaos.

At least hundreds of epochs have passed.

Qi Feilong didn't really think about it.

All those extraterritorial evil gods can be eliminated in a short period of time.

Because this is unrealistic,

He mainly needs a specific target deadline.

Now Zhang Yuhe let go.

He could finally rest assured.

Three hundred million years is not long.

It doesn't hurt to wait.

Think of this.

Qi Feilong stood up.

He spoke slowly.

"Then it's settled."

"Three hundred million years later, I will come to Donghua Palace again."

"no problem."

Zhang Yuhe didn't care either.

He responded smoothly.

After everyone continued chatting for a while.

Section 1008

Qi Feilong and Wu Yuheng flew away.

Looking at the direction the two people were going away.

God King Yuanhe asked Zhang Yuhe solemnly.

"You are really sure that you can be promoted to the realm of God King in 300 million years."

"It should be about the same."

Zhang Yuhe said lightly.

Grasp this thing, sometimes it is difficult to say.

Even if he said so.

Others may not believe it.

Just like Qi Feilong just now.

Zhang Yuhe could clearly see it.

The other party doesn't believe it.

Qi Feilong just needs himself to give a clear time point.

As for saying that he can break through to the God King realm within 300 million.

Qi Feilong didn't believe it at all.

Otherwise.

before finally leaving.

He won't tell either.

I will say this again three hundred million years later.

Because at this time, it is very likely that it will be earlier.

In fact, it doesn't take 300 million years, it's possible.

But for Zhang Yuhe.

It doesn't matter whether Qi Feilong believes it or not.

He just didn't want to waste too much time.

Seeing Zhang Yuhe, he looked confident.

Next to him, King Yuanhe shook his head.

He really couldn't understand this peerless genius of his own.

Is it so easy to break through the God King Realm?

If that's the case.

So now Donghua Palace will not only have three god kings.

In the history of the Sea of Chaos.

I don't know how many talented people ended up stuck on this threshold.

He didn't know where Zhang Yuhe got his confidence.

Maybe my knowledge is limited.

I can't understand the prospects of such talented people.

Think of this.

King Yuanhe couldn't help but shake his head.

He didn't ask again.

Zhang Yuhe is confident, which is also a good thing.

The road is boundless, so we must move forward bravely.

Without a certain degree of self-confidence, how can you reach the end of the road?

...

After bidding farewell to King Yuanhe.

Zhang Yuhe returned to Yitian Mansion soon.

He had no intention of wandering outside.

Don't know why.

Zhang Yuhe seems to have a strange fascination with cultivation.

Even without any sense of crisis.

He didn't want to stop practicing either.

Not only his own self is like this.

Even the nine clones.

It has also been maintained in a state of cultivation at all times.

Maybe this is a kind of innate heart toward the Tao.

Except for practicing.

Zhang Yuhe doesn't even know himself, what else can he do?

Do you just brag and talk with others when you have nothing to do?

Or go out to fight and kill?

This is not what he likes.

He only likes the feeling of practicing.

Because practicing can make him progress.

It feels good to make progress.

Zhang Yuhe slowly walked to the training platform.

He glanced at the Enlightenment Tree behind him.

So many years have passed.

The Enlightenment Tree doesn't seem to be growing taller.

Still only Zhang Xu.

However, the aura emanating from the Enlightenment Tree became more vast.

Wu Yiyi finally broke through.

The second level of the True God Realm.

Since in the fairy world.

The first time I met Wu Yiyi.

She has always been at the first level of the True God Realm.

So many years have passed.

She finally broke through.

Although it is only a small step.

But it would be good to make progress.

And Wu Yiyi's growth rate doesn't seem to be too slow.

Although he can't compare with Zhang Yuhe.

But compared to other true god monks.

Wu Yiyi only spent 300 million years.

You can break through a small realm.

This growth rate is indeed very fast.

Feel the aura emanating from the surface of the Enlightenment Tree.

Zhang Yuhe couldn't help but have a faint smile on his face.

...

Chapter 721 So angry

Zhang Yuhe sat cross-legged on the training platform.

As the Chaos Gods and Demons Scripture slowly rotates.

The aura of divine power around him began to surge in.

Since we have made an agreement with Qi Feilong.

Zhang Yuhe planned to cultivate directly to the perfection of the True God Realm.

Then start working on promotion to the Supreme God King.

As for other things.

Zhang Yuhe didn't want to pay attention to it anymore.

The top priority is to quickly improve your cultivation level.

He cannot hope.

Wait until 300 million years pass.

He still has not yet broken through to the realm of the God King.

That would be nonsense.

Section 1009

Bullshit.

If it doesn't come true.

Wouldn't that be embarrassing?

Zhang Yuhe is a real person.

If you say something, you must find a way to honor it.

He didn't want people to laugh at him.

...

The destruction of the Tianyang Sect shocked the entire Desert Heaven Realm.

However, as time passes slowly.

Slowly he was forgotten by the world.

Time is the most terrible thing.

In the Sea of Chaos, new forces are born every day, and old forces are destroyed.

Look at the entire history.

A big force like Tianyang Sect.

After their destruction.

Slowly, it will no longer be mentioned by the world.

The once tyrannical Tianyang Sect.

Just like this, slowly, it was submerged in the long river of history.

It was as if they had never appeared.

...

Eighty million years later.

Bibo Lake, Yitianfu.

A powerful aura quickly swept around from the island in the middle of the lake.

Zhang Yuhe opened his eyes.

He stood up slowly and murmured to himself.

"I finally broke through to the true god realm and reached perfection."

"The next thing to consider is promotion to the Supreme God King."

Zhang Yuhe stood on the training platform, with a faint smile on his face.

A retreat that lasted for 80 million years.

He practices all the time.

In addition, the nine clones are also hidden in various places in the Chaos Sea and practicing.

Not a moment of relaxation.

Ten people practice together.

Coupled with Zhang Yuhe's incredible talent and sufficient training resources.

Others may not have finished the journey in hundreds of millions of years.

It only took him 80 million years to do it directly.

The more you practice to the later stage.

Zhang Yuhe's exaggerated talent and the various magical effects brought about by the Chaos Gods and Demons Scripture.

Let him put more and more distance between other monks of the same level.

The further someone reaches the later stage, the more difficult it will be for their cultivation progress.

It may be that hundreds of millions of years have passed without making any progress in cultivation.

But Zhang Yuhe is completely different.

Feeling the later stage, he can still be brave and diligent.

And the speed of progress seems to be getting faster and faster.

It's simply outrageous.

As if this world.

Nothing can stop him from moving forward.

Zhang Yuhe stood on the training platform and looked quietly into the distance.

Just at this time.

On the enlightenment tree behind him, a graceful figure slowly emerged.

Wu Yiyi appeared.

Looking at the handsome young man on the training platform.

She looked slightly sluggish.

Then he muttered to himself depressedly.

"What a pervert, he actually broke through again."

"As a spiritual creature of heaven and earth, I am actually not as good as you, a mortal."

"So angry."

Wu Yiyi pouted her little mouth, feeling quite depressed.

She felt that she had been practicing very hard.

But so many years have passed.

She just took a small step forward.

Once in Wu Yiyi's eyes.

Zhang Yuhe is still just a younger brother with a little bit of future.

but now.

Zhang Yuhe is about to grow into a powerful person who can stand upright.

But she herself has not changed much.

Basically it's still the same.

She could hardly even see Zhang Yuhe's back anymore.

"If this continues."

"Does Zhang Yuhe think that I am useless?"

"You won't just chop my body into pieces and use it as firewood."

Think of this.

Wu Yiyi felt a little powerless.

Comparing people to each other is so irritating.

There is no comparison between her and Zhang Yuhe.

Or.

Look at the entire sea of chaos.

There is no one who can compare to Zhang Yuhe.

This is a pervert.

Simply not human.

Zhang Yuhe didn't know.

At this moment, Wu Yiyi was secretly cursing in her heart.

He smiled and spoke.

"Yiyi, let's go boating?"

"Yeah."

"This girl hasn't gone out to play for a long time."

"I'm going to catch fish."

I heard that Zhang Yuhe was going to go boating.

The depression on Wu Yiyi's face was instantly wiped away.

She almost jumped for joy.

So many years have passed.

She has been staying on the island to practice.

Even if he occasionally went out to play secretly, it was only near the island in the middle of the lake.

There was no Zhang Yuhe to accompany him.

She didn't dare go too far alone.

She was afraid that others would see the existence of her Enlightenment Tree.

In fact, Wu Yiyi didn't know.

With Zhang Yuhe's current strength.

It's enough to protect her safety.

Zhang Yuhe wiped out a sect by himself, and his fame had already spread throughout the desert and heaven realm.

Section 1010

A ruthless person like him.

Raise an enlightenment tree, so what?

Is there anyone else?

Do you dare to take his idea?

Except for the Desert Courtyard.

within the entire realm.

No one dared to play tricks in front of Zhang Yuhe.

Just a few hundred million years have passed.

Zhang Yuhe has become a powerful person who cannot be messed with in the eyes of others.

The lake is rippling and the breeze is blowing.

Zhang Yuhe lay quietly on the wooden boat.

From time to time, Yiyi's light and happy voice came from the side.

"Zhang Yuhe, come and see."

"This fish looks so strange. It's actually covered with eyes."

Zhang Yuhe looked back.

I saw a big fish tens of meters long, which seemed to be imprisoned by some kind of force.

Struggling in the lake.

The surface of the big fish is covered with countless eyeballs.

The appearance is quite terrifying.

See this situation.

Zhang Yuhe was speechless.

Isn't it just a multi-eye fish? There's nothing strange about it.

The aura on the multi-eye fish has not yet reached the level of a demon.

Just a ninth-level mortal demon.

Wu Yiyi just exerted a hint of divine power.

The multi-eye fish were imprisoned on the lake, completely unable to move.

That's it.

Also worth the fuss.

Think of this.

Zhang Yuhe said in a soft voice.

"Yiyi, let it go."

"Everything has its spirit, let's not interfere too much with the life of the fish monster in the lake."

"oh."

Hear this.

Wu Yiyi's power relaxed.

The multi-eye fish that was tens of meters long seemed to have seen something extremely terrifying.

Struggling to break through the lake.

In one swift motion, he plunged into the bottom of the lake and disappeared quickly.

Zhang Yuhe turned around and continued to lie down with his eyes squinted.

Since being promoted to the True God Realm and reaching perfection.

There is no longer any obstacle to breaking through to the God King Realm.

Zhang Yuhe did not feel the existence of any bottleneck.

Under the right conditions.

Maybe he just needs a gentle push.

You can successfully break through to the Supreme God King.

Breaking through the realm in the sea of chaos does not require dealing with a natural disaster.

Therefore, Zhang Yuhe does not need to make other preparations.

He just wanted to rest quietly for some time.

Adjust yourself to the most perfect state.

Then you can start making breakthroughs.

...

Chapter 722 The Secret Realm of Time

Time flies.

Half a month passed quickly.

Zhang Yuhe lay quietly on the wooden boat.

He glanced back at Wu Yiyi next to him.

I saw Wu Yiyi holding the fishing rod in her hand and leaning on the edge of the canoe in boredom.

obviously.

She was only passionate for three minutes.

Talk about catching fish or fishing.

Only played for a few days.

Wu Yiyi lost interest.

Tired of playing.

When he saw Zhang Yuhe, he looked over.

Wu Yiyi said softly.

"Zhang Yuhe, so boring."

"How about we go somewhere else to play."

Zhang Yuhe asked with a smile.

"Then where do you want to go?"

Hearing Zhang Yuhe let out a sigh of relief.

Wu Yiyi said enthusiastically.

"I heard that in the Beiyuan Realm, there is a unique scenery called the Secret Realm of Time."

"In the secret realm of time, there is a colorful light all year round."

"And there will also be some strange creatures that are nurtured in the light."

"How about we go there and have a look."

Wu Yiyi narrated softly while looking at Zhang Yuhe expectantly.

"Okay, let's go and have a look."

"Great."

Hearing Zhang Yuhe promised to take her out to play.

Wu Yiyi almost jumped with joy.

As a creature of heaven and earth.

Since birth.

Wu Yiyi just kept wandering around.

She likes this feeling of freedom.

However.

Later I met Lu Jiuzhou.

Wu Yiyi realized that her identity was too special.

Can't appear in front of people.

Otherwise.

No matter who sees her.

They all want to take her away.

Zhang Yuhe thought it was nothing.

Since Wu Yiyi wants to see the Secret Realm of Time.

Then go and have a look.

Although the Beiyuan realm is extremely far away.

But Zhang Yuhe didn't care.

He has the power of teleportation.

No matter where it is.

As long as you are still in the Sea of Chaos, you can arrive instantly.
